functional strategy assessment, evaluation of academic instructional approaches, emotionally & behaviorally disordered 3rd & 4th graders, 13836
gender & health & personnel & therapeutic issues & cultural learning in wilderness therapy program, behaviorally problematic & emotionally disturbed 13–15 yr olds, New Zealand, 13088
goal setting & feedback applied to teacher behavior, student behavioral changes, 6 yr old males with emotional disturbances, 33543
group cotherapy & therapists' role, facilitation of parental transference & formation of adult relationships, severely emotionally disturbed 7–11 yr olds with attachment & object relations problems, 32254
group psychotherapy dynamics & therapist's task & difficulties, mildly learning disabled institutionalized adults with emotional & maturational problems, 8899
legal & policy developments for special education, emotionally & behaviorally disordered students, 13857
literary text-based course in emotional & behavioral disorders vs professional text approach, attitudes toward teaching children with emotional or behavioral disorders, preservice teachers, 40354
locus of control & self esteem & teaching experience & perception of child's characteristics, referral of emotionally disturbed vs nondisturbed student to special education, 22–52 yr old teachers, 17243
measurement & predictability & control of aggressive behavior, students with emotional & behavior disorders, 17247
methodology for collection of case record & interview data for qualitative analysis of relationships between family & system of care, emotionally disturbed male 14 yr old, 16801
methods & current status & usefulness of social validation in research on treatments, students with emotional or behavioral disorders, 17236
moral/conventional distinction & emotional attributions, children with emotional & behavior problems with vs without psychopathic tendencies, 31177
national leadership for identification & provision of educational & related services for children & youth with serious emotional disturbance, 9970
nature & extent of social & professional support, emotionally or behaviorally disordered 3–28 yr olds & their 20–72 yr old parents, 11848
nature vs nurture contribution to & prevention & treatment of violent criminal acts, seriously disturbed youngsters & adolescents, 1408
parental vs self report of emotional & behavioral problems on Child Behavior Checklist, 2–16 yr olds & their parents, Iceland, 4003
Parents' Checklist vs Child Behavior Checklist & method of communication, detection of emotional & behavioral problems, parents of deaf children, England, 31934
perception of role & activities in & implementation of strength based program for families with children with severe emotional & behavioral disabilities, rural child case management staff, 5316
pleasant & stressful events of caregiving, parents of 6–12 yr olds with severely emotional disabilities, 1 yr study, 26461
predictors of arrest status in & out of school, adolescents with serious emotional disturbances & learning disabilities in transition, 3 yr followup, 13823
preparation of teachers & other professionals & measurement program effectiveness & future research needs, children & youth with emotional & behavior disorders, 17113
presence of demonic/bad vs daimonic/good phenomena on natural or supernatural level, treatment progress with memories of happy times, mentally & emotionally disturbed offender patients, 23119
presenting problems & appropriateness of prereferral educational interventions & ethnic & gender differences in referral rates, elementary school students at risk for emotional or behavioral disorders, 13820
prevalence of self reported behavior & emotional problems, male vs female 19–24 yr olds, Netherlands, 3998
prevocational training project with behavior modification system, work habits over course of 10 wks, male adolescent inpatients with moderate to severe emotional disturbances, 4 yr study, 20358
psychotherapeutic techniques for dealing with attachment issues, adjustment to adoption, emotionally disturbed or older adoptees & their families, 1753
relationships between insurance coverage & need & use of mental health services, 9 & 11 & 13 yr olds with serious emotional disturbance, 2 yr longitudinal study, 39984
reliability & validity of Draw-A-Person Screening Procedure for Emotional Disturbances, 6–17 yr olds, 6066
research issues & needs in determination of long-term effectiveness of social skills training, students with emotional & behavioral disorders, 17237
research issues & needs regarding teacher use of classroom management strategies, students with emotional & behavioral disorders, 17229
residential schooling based on interagency cooperation & use of therapeutic approaches, children with emotional &/or behavioral problems, Slovenia, 20655
school based interventions for collaboration between mental health & education services, school attendance & achievement, youths with severe emotional disturbance, 40488
school-linked service integration, approach to special education service intervention, female 1st grader with possible emotional disturbance, 2218
scores on WISC—3rd Edition & Woodcock-Johnson Tests of Achievement—Revised, 6–16 yr olds with emotional handicaps, 17651
screening for & prevention of stress related emotional disturbances, students, 15863
state certification requirements for teachers of students with emotional or behavioral disorders, 40352
structure of & interventions in group therapy with large groups of disturbed/conduct disordered adolescents, 23765
student needs & promotion of learning & development within Code of Practice, assessment & curriculum development & management, pupils with emotional & behavioral difficulties, 16803
test of model of family caregiving, primary caregivers of 4–12 yr olds with emotional disorders, 43403
test validity & reliability & Draw-A-Person: Screening Procedure for Emotional Disturbance, sexually abused vs nonsexually abused females aged 6–17 yrs, 34003
use of comprehensive school-based wraparound services for students with or at risk for behavioral &/or emotional needs, 40498

verbal response mode & empathic understanding & concern & warmth, psychological treatment of patients with emotional problems, general medical practitioners, 5251
wraparound services as alternative to residential care, 2–15 yr olds with moderate to severe emotional difficulties & their parents & case managers, Canada, 24179
Emotions [See Also Emotional States]—Serials
achievement goal orientation & success perceptions & personally controllable attributions & achievement-related affect in physical education, 11–16 yr olds, England, 37082
affective & instrumental behaviors & patient satisfaction & patient's space in medical consultation, patients & general practitioners, Netherlands, 20461
affective appraisal of negatively vs positively valenced target vs distractor words, RT during color naming, college students, 10742
affective requirements & interactive work & occupational conditions, job related emotional well being, 18–73 yr old males vs females, 40576
affective valence & arousal, time perception, college students, 41053
age & IQ, emotion identification, mentally retarded 20–59 yr olds, 8399
alcohol rehabilitation based on multifactorial etiology of alcohol as disease & psychic & physical & social conditions, translated article, conference presentation, 20324
alexithymia & affective fluency as predictors of dissociative tendencies, 18–52 yr olds, 26396
anticipation of & affective & actual experiences in & subsequent recollection of meaningful life events, travelers & undergraduates, examination of rosy view effect, 38779
argument against existence of emotions that are elements of one's mental life & are in addition to one's beliefs & desires, 30536
assessment & development of emotion in couple relationships & resulting research & behavioral marital therapy issues, literature review, 23780
attention vs emotion, time course of prepulse inhibition of startle eyeblink reflex EMG, college students, 6803
attentional & emotional processes, blink reflex modulation, 16–38 yr olds, 34622
attitudes toward & feelings about pregnancy & impact of norms & expectations & congruence with stereotypes, 18–31 yr old drug using females, England, 8263
attitudes toward emotional expression, PTSD symptoms & social support, 17–55 yr old accident survivors, 31130
autogenic training, development-related cognitions & emotions & psychosomatic complaints, 66–80 yr old healthy adults in two studies, 23744
avian & aphrodisian symbolism in the expression & articulation & condensation of powerful culturally defined emotions in the Odyssey, 38182
basic brain functions of affect & memory & attachment, individuals with emotional dysfunction, implications for psychobiologic conceptualization of psychotherapy, 26435
beliefs about location of anger & envy & fear & jealousy in body & body processes, college students, Germany vs Mexico vs Poland vs Russia vs US, 3155
body-mass & perceived pressure & ideal-body internalization & body dissatisfaction & dietary restraint & negative affect & symptoms in dual pathway model of bulimia nervosa, 17–52 yr old females, 12424
brain mechanisms of emotions as determined by actual need & probability estimation of need satisfaction, 41362
causes & consequences of positive emotions & relation to personality & mental health, 30481
changes in affect & motivation or isolated athymhormia from damage to globus pallidus & limbic & cingulate circuit, male 40 yr old following accidental carbon monoxide intoxication, case report, 8628
choice responsibility, regret vs elation attributions in evaluation pf hypothetical decision making by others, college students, 37698
cognitive & emotional & nutritional status & activities of daily living performance, 100–107 yr olds, Italy, conference presentation, 29988
conceptions of emotions & parental emotional socialization & emotional competence with peers, 3.1–5.7 yr olds, 29865
conflict emotions during peer disputes, 4–5 yr olds, 11421
conformity to sex-typed norms & affect & self concept, college students, 42099
congruence of meaning between facial expressions of emotion & selected emotion terms, college students, 6402
construction of criterion function for local optimization partitioning procedure for signed digraphs, application to affect data & implications for balance hypothesis, 3727
cultural perspective on emotions & impact on psychopathology, 11904
dependency on alcohol or drugs to avoid & regulate painful & distressing feelings, 12251
description of Mathematical Problem Solving Assessment Short Form, assessment of affective & cognitive factors associated with mathematical problem solving, middle school students, 17706
development & characteristics of Caregivers' Beliefs About Feelings questionnaire, assessment of emotion-related beliefs, early childhood teachers, US vs Korea, scale appended, 10400
different multimodal information, perceived facial & vocal expressive behavior, infants, literature review, 25796
differential expression of flat affect, 1st degree relatives of male vs female schizophrenic probands, implications for role of genetic heterogeneity in familial risk for schizophrenia, 1283
dimensional vs category accounts of emotion recognition, adults, England, 41099
dimensions & antecedents & consequences of emotional labor in organizations, implications for emotional exhaustion & lower job satisfaction, 13982
disgust vs contempt facial expression categories & reciprocal meaning relationships with verbal labels, college students, 28994
Dutch identity & symbolic beliefs & emotions, attitudes toward ethnic minorities, male vs female Dutch ethnic 14–16 yr olds, Netherlands, 41863
emotion & co-experience & expression, emotional reaction & action tendencies & social appraisals, adults, Netherlands, 38705
emotion-antecedent appraisal & differentiation across cultures, adults, application of K. R. Scherer's Stimulation Evaluation Check model, 30108
emotional consequences of surprising reward omissions, literature review, 34384
emotional experience & facial behavior, psychotherapeutic treatment outcome, severely disturbed patients, 16490
emotionally relevant beliefs & emotions, prediction of attitudes toward political candidates, college students, 22556
emotions & cognitions during bingeing & compensatory weight control cycles, females with bulimia, 4467
emotions & reciprocity in relationships with close friend vs younger sibling, 1st born 5 yr olds, 18629
emotions concerning academic work & place of employment & subject area, directors & academic faculty of university business schools, England, 40348
emotions, selection of coping strategies for daily hassles, 1st vs 3rd vs 5th graders, 22086
emotive & cognitive & volitional functions in I–It & I–Thou realms of existence & ontological importance of primary feelings, implications for therapeutic endeavors, 11730
exposure to social sharing of an emotion, emotional response & secondary social sharing by the listener, college students, France, 22513
facilitatory effects of negative emotional primes, RT & endorsement rates for positive & negative trait adjectives, 18–65 yr olds with depression, 15927
factor analysis of affect, prediction of abherrent driving behavior & violations, 17–70 yr olds, 42467
familiar toy grasping & mouthing, mouth opening & brow & nose & eyelid movements as expressions of surprise, 5 & 7 mo old infants, 21998
familiarity with pleasant vs unpleasant families & social norms, emotion perception, 18–45 yr olds, 7625
fear of anger & depression & positive emotions, fear of induced bodily sensations, college students, extension of D. L. Chambless & A. J. Goldstein's fear of fear construct of panic disorder, 22919

feeling & thinking & acting out, violent behavior prior to analysis or against analyst, analysands, 12910
feelings toward mother & father & siblings, 17–19 yr olds entering college, 15309
flashbulb memories for events of negative vs positive affect, 18–53 yr old college students, Scotland, 18009
flashbulb memories for events of negative vs positive affect, 18–53 yr old college students, Scotland, 10734
frontal brain electrical activity during the expression of negative & positive emotions, 11–17 mo olds of depressed vs nondepressed mothers, 38974
functional basis & determinants & affective & inferential consequences of counterfactual thinking, 14609
gaze of others & relationship between & cultural meanings of emotions of hazukashii & amae in family reunion situations, Japanese Americans vs US Ss, 38533
hemispheric lateralization of positive & negative emotions, organization of approach & withdrawal responses, college students, Canada, 6669
historical ethnography of emotions & dilemma of emotional constructionism & framework for emotional utterances, commentaries & reply appended, 33914
history & prevalence of affect symbolic imagery in African culture, implications for culturally relevant learning paradigm for Africans & African Americans, erratum, 25637
history & prevalence of affect symbolic imagery in African culture, implications for culturally relevant learning paradigm for Africans & African Americans, 11545
I. Roseman et al model for integrating appraisals & emotions & its therapeutic application in individual & couple therapy, 36218
ideomotor questioning & resolving repressed affect in therapy, commentary, 42935
ideomotor questioning & resolving repressed affect in therapy, 42959
impediments to infusion of emotion & related processes into psychotherapy research & practice, 27125
initial emotional intensity & memory for emotional intensity & strategies for coping with emotions, 22–45 vs 46–70 vs 71–84 yr olds, 41782
intensity & amount of facial reactivity in spontaneous vs posed emotional facial expressions, 58–76 yr olds with Parkinson's disease, 16378
kinesthetic imagining & language of embodiment & therapeutic task of restoring congruence between thinking & feeling & action, 8800
knowledge of appearance-reality distinction & of display rules in emotion, 3–5 yr olds, 38304
level of generality of ability and affect, performance & feelings of difficulty, 7th vs 8th vs 9th grade students, 1 yr followup, 40423
looking forward to & perceived usefulness of & anxiety regarding math & science & English & social studies, 8th graders, 17203
low cholesterol & callous unemotional personality traits, 7–16 yr old males with aggression related problems, Canada, 31204
major themes of J. T. Lanzetta's research program on facial expression & emotion, 14683
meeting "Sinterklaas" as emotionally charged naturalistic event, cognitions & self reported emotions & expressive behavior, male vs female kindergarten-aged children, Netherlands, 34941
memory type & emotional processing in cortical & subcortical dementia, 12579
model of mind & nonconscious mental process of validation & interpretation & corrective emotional experience in psychoanalytic treatment, 4942
negative affect & prediction of smoking motivation & nicotine dependence & withdrawal symptoms, smokers, 36801
negative affect & smoking withdrawal & drug dependency, implications for behavioral therapy research, commentary, 36788
neuropsychological perspective on & relation of hemispheric asymmetry & temporal lobe & limbic system function to personality & emotions, 37956
nonverbal expression & concepts of intentional indication & intentional exemplification as related to behavior & meaning & expressions of emotion, 30417
paleocortical & archicortical division of limbic system & relation to thought & feeling & action, 41343
perceived significance & negative affect & attributions of stressful daily events, 25–54 yr old correctional officers, Netherlands, 33908
photographs of sad & happy opened vs closed mouth facial expressions, hemispheric asymmetries in perception of emotion, depressed adults, 11987
positive vs negative affectivity, occupational injury, adult blue collar unionized workers, Australia, 37226
problem solving achievement & emotional lability & anxiety & neuroticism, 16 yr olds, 11314
psychodynamic perspective of the role of physical exercise in emotional well-being, clients, 35395
psychophysiological methodology in studies of cognitive neuroscience & emotion & psychopathology, 6791
psychotherapy, ability to communicate emotions to their children, depressed 22–45 yr old mothers of preschoolers, 8762
questions to guide emotion regulation research, 35356
recognition of emotion, 4 vs 6 vs 8 yr olds in collectivist vs individualistic culture, China vs Australia, 3453
recognition of emotions in facial expression & prosody & propositional speech, 23–78 yr olds with left vs right vs no brain hemisphere lesions, 27008
recognition of spouse by certain & sequence of emotions, 25–77 yr old husbands & wives, 38532
release of primitive emotions from narcissistic defense & state of negative union in long term psychoanalytic treatment, patients, reprint, 32293
reliability of emotional mappings on visual & auditory perceptual stimuli, college students, 6403
reliability of Matsumoto & Ekman's Japanese & Caucasian Facial Expressions of Emotion, American & Polish & Hungarian & Japanese & Vietnamese & Sumatran adults, 37397
review of consumption-related emotion measures used in consumer research, 40950
role of affect in negotiation at dyad & organizational levels, 38670
role of structures & processes in personality psychology in redirecting focus of psychological research on complex patterns of affect & cognition & behavior in individual development, 3415
sacred vs secular music, evoked feelings, 62–90 yr olds, South Africa, 18977
sensitivity to emotions, burnout & performance, salespersons (mean age 37 yrs), analysis of emotional contagion hypothesis, 43729
shared cultural beliefs about emotion & gender, advocacy for breast cancer informed consent legislation, activists & legislators, 10288
social & communicative vs internal & personal factors as essential in conception of emotions, 18990
social group membership as part of psychological self & influence on thoughts & feelings & behavior, college students, 7747
studies of psychological & emotional features of fragile X syndrome, 4547
subjective emotional experience & psychophysiological reactivity, depressed vs schizophrenic inpatient veterans with vs without flat affect, 11923
support group ideology & interpersonal emotion management, adults in divorce recovery vs bereavement support groups, 39726
synergy of memory & affects & metaphor & foreclosed vs open metaphors, artists & patients who have suffered traumas, 22626
the analyst's intra- & interpersonal sensitivity to emotional nuance, 36362
theoretical issues on interface between psychology of religion & emotion, 3585

rapid decrease of high lithium levels, disorientation & encephalopathy, 38 yr old female hospitalized for malaise with diarrhea & nausea & vomiting, case report, 9158
role of benzodiazepine like substances in pathogenesis of hepatic encephalopathy, literature review, 42792
severe bilateral familial schizencephaly & EMX2 mutation, 8 & 10 yr old brothers with severe neurologic deficits and mental retardation, case reports, 36090

Encoding [See Human Information Storage]

Encopresis [See Fecal Incontinence]

Encouragement—Serials
family encouragement, academic achievement, female college students, 20602
group polarization toward high achievement, net gain in encouragement, college students, Australia, 7599

Endocrine Disorders [See Also Adrenal Gland Disorders, Diabetes, Endocrine Sexual Disorders, Parathyroid Disorders, Pituitary Disorders, Thyroid Disorders]—Serials
hypothalamic pituitary adrenal axis dysregulation & hypercortisolemia, geriatric psychosis, 87 yr old female with no previous psychiatric history, case report, 19506
hypothalamic-pituitary axis function, 13–17 yr olds with Kleine-Levin Syndrome, case reports, 42702
hypothalamic-pituitary-thyroid & hypothalamic-pituitary-adrenal axis association with primary vs secondary depression, 11854
identity & independence development, 17–23 yr old males treated with gonadotropin releasing hormone for hypogonadotropic hypogonadism, 20082

Endocrine Gland Secretion—Serials
parental presence vs absence in early family environment, endocrine stress responses & behavior patterns, male vs female 2 mo to 58 yr olds, 8 yr study, West Indies, 11419
self-reported stress load & symptomatology, endocrine responsivity to stressful films, males, 11094

Endocrine Gland Surgery [See Adrenalectomy, Castration, Pinealectomy]

Endocrine Glands [See Also Adrenal Glands, Gonads, Pineal Body, Pituitary Gland, Thyroid Gland]—Serials
antidepressant desipramine, glucocorticoid receptor mRNA in brain areas controlling hypothalamic-pituitary-adrenocortical axis, mice, animal model of depression, 11105

Endocrine Sexual Disorders [See Also Hypogonadism]—Serials
cognitive & memory impairments & emotional well being & serum testosterone, male 19–37 yr olds with multiple pituitary vs isolated growth hormone deficiencies, 4511
development of bisexual erotomania, 36 yr old female with polycystic ovary disease, case report, 12470
sex hormones & incidence of hyperandrogenic disorders, female-to-male transsexualism, 19–44 yr old females with vs without gender identity disorder, etiological implications, 42691
Endocrine System [See Also Endocrine Glands]—Serials
chronic stress, immune & endocrine systems, implication for role in etiology of depression & anxiety, 15920
clomipramine, psychosocial stress induced behavioral & endocrine alterations, tree shrews, 15032
housing transitions & norepinephrine & 5-HIAA & HVA & MHPG, mother vs peer raised infant rhesus monkeys, 29469
major & minor stresses & uplifts & coping styles & endocrine function, 21–54 yr olds with primary dysthymia, 30901
13-wk experiential-existential group psychotherapy program, endocrine & immune outcome, 50–70 yr old females with breast cancer, Netherlands, 36592
Endocrinology [See Also Neuroendocrinology]—Serials
oxytocin & estrus cycle & endocrine profile, weight gain & food intake, female slowly vs rapidly growing Sprague-Dawley rat variants, 7100
phytohemoagglutinin vs corticotropin releasing hormone stimulation vs DST, T-lymphocite ACTH & cortisol & beta-endorphin & cholecystokinin, female 17–43 yr olds with anorexia nervosa, 4434
urinary estrone conjugates & immunoreactive pregnanediol glucuronide during menstrual cycles, cycle length & phase & reproductive behavior & gestation, female macaques, 21780
use of genetically altered mice in behavioral endocrinology research, conference presentation, 37947
Endogenous Depression—Serials
ECT, tryptophan metabolism & availability to brain, endogenously depressed 30–44 yr olds, 39865
level of electrical stimulation & seizure activity, efficacy of ECT treatment, patients with endogenous depression, 19990
mortality, patients with endogenous vs neurotic/reactive depression vs healthy adults, 24 yr study, UK, 19175
reliability of endogenous concept based on TSH & DST responses & percentage of time awake during night, patients with endogenous vs nonendogenous major depression, 15917
religiosity assessed with self report & hetero-rating scales, inpatients with endogenous vs neurotic vs reactive depression, 6 mo followup, translated article, 19164
severity & comorbidity with nondepressive disorders & family history of affective disorders & severity of psychosocial stressors, 9–17 yr olds with endogenous vs nonendogenous depression, 26480
switching from iv to oral administration of doxepin, 18–65 yr old inpatients with major affective disorders or endogenous depression, 36405
validity of Western criteria for diagnosis of endogenous depression, depressive patients, United Arab Emirates, 42263
Endogenous Opiates [See Also Dynorphins, Endorphins]—Serials
chronic mild stress & endogenous CCK & morphine, place preference, male rats, 34720
endogenous opioid & dopaminergic system, mediation of reinforcing effects & consumption of alcohol & alcoholism, humans & mice, 4330
feasibility of selective in vivo labeling of delta 1 brain sites with radioactive benzylidenenaltrexone, mice, 18172
intraseptal beta-funaltrexamine, mu opioid receptor mediation of microwave-induced decrease in hippocampal cholinergic activity, male rats, test of endogenous opioid activation hypothesis, 11157
nicotine infusion with vs without naloxone, relief of nicotine abstinence syndrome through release of endogenous opioids, male rats, 3246
social isolation at birth, striatal Met-enkephalin immunoreactivity, 10 day old rat pups, 6608
tail pinch & pimozide or naloxone, sexual behavior sensitization & its opioid & dopaminergic mechanisms, gonadectomized male rats, 6968
Endorphins [See Also Enkephalins]—Serials
characterization of periaqueductal gray receptors & beta endorphinergic antinociception, rats, 21678
chronic ethanol vs acetaldehyde, desensitization of function of beta endorphin secretory hypothalamic neurons, rats, 34640
circadian rhythm induced secretory patterns of plasma ACTH & cortisol & beta endorphins, bulimic females with normal body weight (mean age 29.4 yrs), 26835
CSF levels of beta-endorphin, 2–6 yr olds with infantile autism vs 10–14 yr olds with Rett syndrome, 26766
dexamethasone with vs without L-5-hydroxytryptophan, beta-endorphin levels, patients with minor vs major depression with vs without melancholia, Belgium, 22776
ethanol, plasma beta endorphin & cortisol levels, 20–30 yr olds at high vs low familial risk of alcoholism, 8243
food sensitivities & plasma beta-endorphin as marker of response to physiological stress, elderly high vs low in self reported frequency of illness from environmental chemical odors, 1485
interferon-gamma & neuropeptide Y & beta-endorphin & insulin neuroimmunological model of & gender differences in antisocial vs borderline personality disorder, 42420
monoamine & endorphin & amino acid dysfunction & synapse turnover dysregulation syndrome in model for development of autism & autism-like conditions, 1421
naloxone, pain thresholds, patients with silent vs symptomatic myocardial ischemia, test of impaired pain sensitivity vs enhanced endorphin activity theories, conference presentation, 31714
nicotine dose &/vs noise level, mood & blood concentrations of glucose & beta endorphin & ACTH & cortisol, 21–35 yr old male smokers, 29549
novel vs familiar laboratory circumstances, plasma beta endorphin level, shy vs outgoing older adults, 21782
plasma beta-endorphin & HVA & MHPG, male 10–12 yr olds naive to drugs of abuse vs at increased familial risk for substance abuse disorder vs with vs without fathers with antisocial personality, 12245
potentiating effect of sodium nitroprusside or 3 morpholino sydnonimine on beta endorphin induced antinociception, activation of nitric oxide guanosine monophosphate system, mice, 3143
restraint stress, hypothalamic-pituitary-adrenal & adrenal beta-endorphin responses, fetal ethanol exposed rats, 11223
role of endorphins in alcohol drinking behavior after abstinence period & development of experimental addiction, animals, 7102
selected classical music & spontaneous imagery, plasma beta endorphin, college students, 21791
Endurance [See Also Physical Endurance, Psychological Endurance]—Serials
extraversion & neuroticism & other personality traits, outstanding vs average endurance sport athletes vs nonathletes, Germany, 5799
Energy Expenditure—Serials
active vs passive coping during mental arithmetic tasks of average vs extreme difficulty, RT performance & effort & cardiovascular responses, male vs female college students, 11060
asymmetry of territory value & energy costs of settling behavior, territory establishment & removal & replacement of owners by newcomers, robins, 41282
computerized systems as computer based field methodology for assessing physical demands of repetitive phases or most physically demanding phases of work cycle, 36–48 yr olds, 40633

criticisms of K. Lorenz's model of motivation & general model of motivation comprising energy & threshold variables, dustbathing by chickens & creeping through by sticklebacks & sleep in humans, 34370
differences in differential effort reactivity & psychophysiological or performance indicators of effort, introverts vs extraverts, 15677
energy costs of food acquisition & regulation, leaving food patches during sudden depletion, male rats, 25379
ethanol, brown adipose tissue thermogenesis & energy expenditure & fat deposition, male mice, 7008
group cohesiveness, social loafing & social compensation, secretarial students, 38668
habitat foraging cost variability, meal patterns, cats, 34485
high vs low effort, environmental concern & proenvironmental behaviors, undergraduates, 24896
hydration vs dehydration, physiological & psychological measures of phonatory effort, adults, 6275
impulse activity of neocortical neurons in visual recognition of muscle load after brief oxygen deprivation, monkeys, translated article, 10929
internal vs external locus of control, ratings of perceived exertion during physical exercise, female college students, Sweden, 18965
level of cognitive effort expanded when processing equivalent alternative brands, negative affect & choice outcome, adults, 43864
low vs high effort with vs without noise, RT & BP & norepinephrine & cortisol levels & performance, adults, implications for worker health vs productivity, 25550
mate guarding during sexual consortship, travel distance & foraging compromise constraints on expended & consumed energy, wild male baboons, 370
mental load & mental effort, performance on fault finding task, college students, Ireland, 28867
nectar pool sucrose concentrations & volume, licking frequency & volume extracted per lick & energy intake rates, hummingbirds, implications for plant pollinator coevolution, 18118
negative & positive consequences & effortfulness & pleasantness, reinforcement & predictors health behavior, college students, 9301
nicotine & calorie-free tonic water with vs without alcohol, energy expenditure & thermogenic effects, male vs female 21–31 yr old smokers & moderate alcohol consumers, 7025
person environment fit in perceived health & mental health & physical functioning & vigor, energy expenditure in & tolerance of planned exercise & ventricular function, patients with heart failure, 8550
signaling magnitude & energy cost & receiver assessment rules of message confirmation & replacement & augmentation in models of animal display action repetition, 41267
static & dynamic force & activity of cells in motor cortex, literature review, 34606
water cost as defined by acquisition effort & social model, water intake, adult males, 18227

Engineers—Serials

attitudes toward sexual behaviors, scientists vs engineers, implications for grouping occupations in attitudinal surveys, 20775
characteristics & evaluation of "Increasing Diversity in Engineering Academics" program, 43604
high school preparation & skills relevant to engineering & gender role socialization measures, sex differences in choice of engineering in college, high school seniors & sophomores, 6 yr study, 37063
Myers-Briggs Type Indicator psychological types, Canadian vs American 1st-yr engineering students, 37160
scientist–engineer distinction, job involvement & performance & counts of patents & publications, scientists & engineers, 1 yr followup, 40581
scores on Adjective Checklist describing engineers vs self, entering engineering freshmen, 20615

England—Serials

affect & daily work & tasks, primary school headteachers, England, 33363
arcade behavior, slot machine gamblers, England, 33727
attitudes toward ethnic minorities, White 13–14 yr olds, England, 11424
bed occupancy & provision & seasonal trends & social deprivation in National Health Service acute psychiatric units, 1990–93, England, 9536
beginnings of educational psychology departments & curricula, universities, England & Wales, 9825
characteristics of suicides by burning, adults, England & Wales, 4284
child care & educational social policies & their contradictory implications for protectionism & competency, children, England, 22308
child homicide, England & Wales, 1973–88, commentary, 31386
consistency & 1 yr stability & predictive power of scales assessing left-right & libertarian-authoritarian political positions, electorate, England, 5940
Defeat Depression Campaign, UK, 1992–96, 35554
education systems, US vs England vs Switzerland, implications for school counselors, 33393
employer liability & physical injury provisions in case law, legal remedy for "nervous shock", rescue workers, England, 33710
epidemiological survey of prevalence of juvenile sexual offending in Oxfordshire, 12–17 yr olds, England, 1 yr study, 8309
evaluation of Inner City Mental Health Project, Afro-Caribbeans & Asians, England, 1987–90, 20199
experiences of single-case evaluation studies of social work practice, England & Finland, conference presentation, 40082
feasibility & value of project on developing local lifelong guidance strategies for learning & work, adults & young people, England, 37163
free market competition & external regulation in forensic science services, England, 5871
gender differences in acculturation, 15–17 yr old Hindu vs Sikh vs Muslim 2nd generation immigrants from India, England, 30016
government legislation & theoretical questions in mental health policy reform, individuals with serious mental illness, England, 1959–present, 32809
group differences in abuser & victim characteristics, sexually abusive male 11–18 yr olds, England, 42581
hierarchical structure of L. Kohlberg's stages of moral development generated by rating responses to Rest's Defining Issues Test, 10th graders to graduate students, US vs Hong Kong vs England, 15302
incidence of schizophrenia & other psychotic disorders, 16–64 yr old Caribbean immigrants, England, 39037
inter-church alliances for Christian counseling & caring, England, 36562
interaction between national & European social identities, college students, Italy vs England, 30044
laws on & legal issues in decision making, mentally incapacitated adults, England, 37330
mean IQ data, 9–12 yr olds, Taiwan vs England, 25763
methodological challenges in ethnic minority research, 25–45 yr old non-English speaking unemployed or manual workers, England, 2737
morale problems in adult general psychiatry & reasons for and long-term solutions to current crisis, psychiatrists, England, 40298
Office for Standards in Education evaluation, feelings of deprofessionalization & role identity, primary school teachers, England, 33352
origin & impact of Education Act's Code of Practice special educational needs feature & appeals Tribunal, England, 37095
parasuicide rates, 17–79 yr old Whites vs Indians vs Asians vs Afro-Caribbeans, England, 22991
partnership approach to community-based crisis support project for mental health services, Africans & African-Caribbeans, England, 20233
pathways to care model of access to mental health care, 16–64 yr old psychiatric patients in deprived inner city area, England, 36666

philosophy & development of children's informed consent based on case law, commentary, 33887
philosophy & development of children's informed consent based on case law, commentary, 33882
philosophy & development of children's informed consent based on case law, commentary, 33885
philosophy & development of children's informed consent based on case law, commentary, 33886
philosophy & development of children's informed consent based on case law, commentary, 33884
philosophy & development of children's informed consent based on case law, England, 33881
phonology & dialect, spelling, 6–10 yr old speakers of General American vs Southern British English, US vs England, 34834
prevalence & correlates of psychiatric disorder, 16–64 yrs, England, 38924
prevalence & migration to inner city London, schizophrenic 15–54 yr olds, England, 1986 vs 1991, 35615
prevalence & service & medication use & social & occupational activities, schizophrenic patients, England, 1986 vs 1991, 35601
prevalence of postnatal depression, Japanese females giving birth in UK, 39022
priority setting in mental health care, US vs Britain, 33159
psychosocial stressors vs climatic variables, seasonal mood variations, Asian (mean age 28.32 yrs) vs Asian-British (mean age 26.28 yrs) vs White (mean age 27.07 yrs) females, 1 yr study, England, 30909
relationship between law & industry associations & power & trust & interfirm relations, buyers & suppliers & representatives of trade associations, Germany vs England, 43811
reliability of Family Day Care Rating Scale, day care providers for preschoolers, England, 5943
religious affiliation & church attendance, attitude toward drug use, 13–15 yr olds, England & Wales, 42524
research & implementation of community based brief & public health interventions for excessive alcohol consumption, England, 9584
self reported English vs Panjabi use, British-Asian 15–16 yr olds, England, 18438
sociological context of public's perception of childhood after 1993 murder of infant by children, England, 12293
time changes & coroners' professional backgrounds, ratio between open & suicide verdicts, suicide victims aged 15 yrs & older, England & Wales, 1974–91, 35732
use of psychiatric outpatient services, Asian adults with learning disabilities, UK, 16834
variety of perspectives on inclusive schooling, England, 13814
views & experiences with health & social services, 22–64 yr olds with acquired physical impairments, England, 32841

English as Second Language—Serials

contextualist perspective of & multiple discourses & identities in terms of investment & agency in 2nd-language learning, 7th & 8th grade Chinese-speaking immigrants, 2-yr study, 5605
evaluation of new method for teaching English, language proficiency & cognitive skills & transfer of skills to other academic subjects, Black 5th graders, South Africa, 17147
language deficits & reading acquisition & word instruction of daily living skills, linguistically diverse students with developmental disabilities, 17241
literacy instructional program supplemented with home-based audio model reading, 1st grade 2nd language learners with limited English proficiency, 9845
performance in English language chemistry class, 11th grade Chinese chemistry students with limited English proficiency, Australia, 17182
personal perspectives on collaborative qualitative research project with feminist methodology in adult ESL classroom, researcher & teacher, 5620
reading rate & memory span for digit words & Arabic numerals, Spanish dominant Spanish–English bilingual adults, 34741
verbal & mathematical reasoning ability tests vs CTY Spatial Test Battery, prediction of academic success in international school, native English speaking vs ESL 6th graders, 37536
voiced stop spirantization & phonemes in ESL speech, Spanish speakers, 7151

Enjoyment [See Pleasure]

Enkephalins—Serials

assessment of in vitro metabolic conversion & enzyme cleavage characterization & blood–brain permeability of enkephalin analog prodrugs in blood serum & brain homogenate & cell culture, mice & cattle, 6910
discriminative effects of delta-opioid agonist D-Pen-D-Pen enkephalin in operant behavior paradigm, pigeons, 18304
intraventricular (D-Pen 2, D-Pen 5) enkephalin, rearing & horizontal activity & exploratory head dipping following uncontrollable footshock, mice, 6999
Leu- & Met-enkephalin in intermediate medial hyperstriatum ventrale vs lobus parolfactorius & amnestic effects in peck-avoidance training, 2 day old chicks, 21831
methionine enkephalin, stress induced immune responses, mice, 14990
migraine without aura vs tension headache type & age, plasma met-enkephalin & neutrophil met-enkephalin containing peptides, 25–82 yr olds, 12449
role of peptide transport system in regulation of methionine enkephalin concentrations in blood & brain, 8 strains of mice, 34518
social isolation at birth, striatal Met-enkephalin immunoreactivity, 10 day old rat pups, 6608

Enlisted Military Personnel—Serials

incidence & social correlates of general psychopathology & depression, commissioned vs noncommissioned army officers (mean age 35.6 yrs), Nigeria, 30728
6-hrs on/12-hrs off submarine work schedule, sleep characteristics & alertness & free running circadian rhythms, military personnel, 24818

Enlistment (Military) [See Military Enlistment]

Enrollment (School) [See School Enrollment]

Enteropeptidase [See Kinases]

Enthusiasm—Serials

moral vs enthusiastic commitment, success of long distance dating relationship, adults, 35338

Entrance Examinations [See Also Coll Ent Exam Bd Scholastic Apt Test]—Serials

effect of cognitive variables & item characteristics & task demands on difficulty of graph comprehension items of Psychometric Entrance Test, estimation of success, high school students, Israel, 2673
high school GPA & admission test scores & admission committee's assessment & sentimentality & attachment as predictors of academic performance, 3rd yr medical school students, Czech Republic, 36870
relation between predicted performance from Miller Analogies Test scores & actual GPA, 25–34 vs 35–44 vs 45+ yr old graduate students, 14371
sampling distribution of swap rate under normality assumptions vs bootstrapping using real selection data, selection based on entrance examination rates, university applicants, 2719
scoring accuracy & item functioning of automatically scorable open-ended response type for mathematics reasoning in computer-adaptive tests, applicants to graduate degree program, 37529
sex, predictive validity of academic grades vs college entrance examination scores in college mathematics achievement, high school & college students, 28592
utility & accuracy of new & old versions of Medical College Admission Test, prediction of performance on US Medical Licensing Examination Step 1, medical students, conference presentation, 6108
validity assessment of computer-delivered categorization task grounded in cognitive research for graduate admissions, college students, 34060
validity of ACT assessment scores, prediction of cumulative GPA, male vs female American Indian college students, 43632

Entrepreneurship—Serials
attitudes toward learning & management skill self-development, small business owners, Canada, 17331
convergent & discriminant validity of measurement of organizational performance, small businesses & entrepreneurships, 21212
corporate governance & ownership & entrepreneurship & moderating effect of industry technological opportunities, Fortune 500 companies, 24781
cultural values & beliefs, regional variation in new firm formation, 35–40 yr olds, follow-up, Sweden, 37193
entrepreneurial personality type, success & organizational growth, entrepreneurs in development program, 7 yr study, 20751
ideology & social capital in creation & control of entrepreneurial behavior in corporate culture, 24768
impact of networking characteristics on new venture growth, entrepreneurships, England, 24699
impact of opportunism & participative communication on system performance in franchise structures, fast-food franchisees, 24769
Myers-Briggs Type Indicator based interpretation of bureaucracy & entrepreneurship, psychological types, business entrepreneurs vs business managers & executives, 26273
organizational development in the entrepreneurial firm, implications for consultants, 40594
reduction of small business failure through prestartup planning & influence of contextual conditions, 17362
sex & personality traits, attribution of past & expected future success as entrepreneurs, 20+ yr old business owners vs heirs vs Ss interested in setting up business, Austria, 37192
simultaneous use of company & franchise units & plural form, organizational uniformity & adaptation to changing markets, restaurant chains, US, 43806
social & political & economic factors, entrepreneurship rate, US, 1899–1988, test of Schumpeterian model, 13906
timeliness of feedback from & influence of entrepreneur, perceived justice of & trust in & commitment to decisions & willingness to reinvest, investors, application of procedural justice theory, 1002
type of family business, household relations & broader economy & consumer markets, male vs female entrepreneurs, Dominican Republic, 35073
Enuresis [See Urinary Incontinence]
Environment [See Also Facility Environment, Social Environments]—Serials
age & sex & severity, genetic vs environmental influences on attention deficits & hyperactivity, 5–9 vs 12–15 yr old fraternal vs identical twins, Norway, 8344
age & sex & severity, genetic vs nonshared environmental influences on attention deficits & hyperactivity, 5–9 vs 12–15 yr old fraternal vs identical twins, Norway, commentary, 8339
alcohol consumption & environment, sexual intercourse, 16–20 yr olds, Norway, 11477
apparitions & physical environment & physiological parameters, subjective vs objective reality, 24–50 yr olds, 18030
behavior analytic perspective on attitude change attributed to cognitive dissonance & counterattitudinal advocacy in terms of environment-behavior relations & application to behavior therapy, 32173
behavioral genetic methods in relation to child & adolescent psychopathology & focus on nonshared environmental factors in adolescent depression, research review, 7927
censored variables, estimates of genetic & environmental influences in family studies, 29228
change in mission of nuclear weapons complex following end of Cold War from nuclear weapons production to environmental cleanup & public's health fears & risk management, 40600
clinical recognition of environmentally determined language disorder in ICD-10 & DSM-IV, 15 mo to 6.8 yr olds, Netherlands, 4495
complexity of music, liking for music & wanting to change aspects of environment, college students, England, 1064
components & assessment of fear of future illness, 17–85 yr olds, implications for psychologists testifying in litigation over exposure to environmental hazards, 8451
contextual determinants in sense of control, 11–18 yr olds with externalizing vs internalizing disorders, 7872
control of self vs environment to handle stressful caregiving situations, 56–86 yr old caregivers of spouses with dementia, 5324
critical examination of & structural developmental theory as framework for investigating biophilia & environmental reasoning & values, implications for childhood development, 21981
cross-sequential analysis of genetic influences, cognitive ability, 41–84 yr old monozygotic vs dizygotic twins reared apart vs together, longitudinal study, Sweden, 25445
demographic characteristics & personality traits & enviromental factors, happiness, 18–65 yr olds, Taiwan, 40832
displacement & sense of belonging & other psychological processes in person–place relationships, 18920
diverse environments, choice behavior, White vs Black vs Hispanic male vs female college students, 11550
drug abuse/dependency & antisocial personality in biologic vs disturbed adoptive parent & family environment, development of drug abuse/dependency, female 18–45 yr old adoptees, 1388
environmental & political factors, conceptualization of & provisions for special education, Brazil, 40478
environmental context, place & object recognition, male rats, 37820
environmental factors & parent & child characteristics that contribute to development of conduct disorder & an early intervention prevention model, 39152
environmental psychology & overview of social science research related to sustainability, 2400
environmental vs genetic factors, attitude similarity & social contact, male vs female 17–88 yr old monozygotic vs dizygotic twin pairs, Australia, 3033
environmental vs genetic influences based on phenotypic assortment & twin resemblance, educational attainment, male vs female twin pairs in cohorts born before vs after 1950, Australia, 3023
familiar vs unfamiliar settings & 71% vs 43% accurate route guidance simulator information, automobile driver performance & subjective opinion, 18–35 yr olds, 43896
forms & behavior correlates of yawning & its phylogenetic & ontogenetic aspects & physiological mechanisms & environmental causes, 38027
forms of empowerment & relation to citizen participation & local environmental hazards, 3573
free-operant preferred-stimulus manipulation as environmental enrichment, stereotypic self-injurious behavior, 3–5 yr olds with developmental disabilities, 39169
gene-environment interactions in Alzheimer's disease and vascular dementia, 23453
gene–environment interaction & season of birth effect in & morphology of schizophrenia, adults, 4152
genetic & environmental effects, personality & human aggression, meta analysis, 15701
genetic & environmental etiology of low general cognitive ability, monozygotic vs same-sex dizygotic twin pairs at ages 14 vs 20 vs 24 vs 36 mo, longitudinal study, 31480
genetic & environmental factors & treatment compliance, ADHD children & their familics, literature review & prospective study, commentary, letter, 31423
genetic & environmental factors, ADHD children & their families, literature review & prospective study, 16129
genetic & environmental factors, alcohol use & smoking, 12–14 yr old vs 15–16 yr old vs 17–25 yr old twins, 34923
genetic & environmental factors in discrimination of 2 types of alcoholism, adopted alcoholic 28–47 yr olds, Sweden, replication, 1401
genetic & environmental factors, parent-rated antisocial behavior & neurotic symptoms, 8–16 yr old same sex twins, Wales, 26363
genetic & environmental influences on etiology of left-handedness, adolescent twins & their parents, 25686
genetic & environmental influences, self-reported parent–son relationships, 11-yr-old individual male twins, 6 yr follow-up, 22096

genetic & environmental origin of individual differences in respiratory sinus arrhythmia, 34–63 yr old twins, 36046
genetic biological essentialism vs environmental social constructionism vs interactive theories of etiology of homosexuality & development of sexual identity & preference, 18792
genetic disorders & environment, behavior, individuals with mental retardation, 39295
genetic liability to major depression, experience of stressful life events, monozygotic & dizygotic female twins (mean age 30 yrs), 35534
genetic mutations in familial cases & genetic risk factors & interaction of environmental factors, Alzheimer's disease as multifactorial disorder, 1965–95, research review, 8601
genetic vs environmental covariance, prediction of general intelligence by elementary cognitive tasks, 6–13 yr old monozygotic vs dizygotic twin pairs, 3032
genetic vs environmental etiology of minor physical anomalies in schizophrenia, erratum, letter, 12061
genetic vs environmental influences on age of 1st intoxication & onset of alcohol problems, male monozygotic vs dizygotic twins concordant for alcohol dependence, 12233
genetic vs nonshared environmental contributions to depressive behavior & symptoms, same sex 4–12 yr old twin pairs, 11989
genetics & environment, health & disease & related behavioral factors, 20018
genetics & environments, individual differences in leisure time interests, 17–18 yr old male identical or fraternal twins, 15693
heredity vs cultural & environmental causes of individual differences in cognitive functioning, 21364
immigration-fueled population growth as spoiler in economic & social & environmental efforts, US, 37266
integrated behaviorist & humanist perspectives in actively caring model for environmental protection, 2398
integration of environmental monitoring programs to ensure human quality of life & provide essential quality control for ecosystem services, 37268
issues involved in conceptualizing environmental domains & dynamics & improving social processes & intervention program outcomes, 5843
leadership paradigm based on prudence vs agent & environment centered partial leadership theories, 18754
locomotor & social & object play, adaptation & environmental influences during ontogeny & phylogeny, primates, implications of constraint free study of occupation for occupational therapy, 432
mass media information campaigns on environmental issues & knowledge gap effects, 18–75 yr olds with primary school through university education, Netherlands, 38255
model of niche construction & role of natural selection in genetic evolution & cultural change, humans, 445
models of effects of social homogamy vs phenotypic assortment, similarity of fluid ability, monozygotic & dizygotic twins & their spouses, comparison of family environmental & genetic influences, 3034
neighborhood & regional characteristics, childhood development, African American vs White 5–6 yr olds, 25676
optimism & behaviors to protect personal & neighborhood environmental health, residents in high rise public housing project, 42045
perceived benefits for attentional recovery or reflection of ordinary natural vs sports/entertainment vs everyday urban settings, college students, 43908
perceptions of power & political behavior & conflict resolution processes & policy goals addressing forest conflict, 1992–94, Canada, 33819
perinatal & developmental & environmental factors, cognitive abilites, preterm 5 yr olds observed since birth, Switzerland, 29708
personal attributes & social & physical environments, future aging cohorts of baby boomers born between 1946–65, implications for social work practice, 11516
personal demographic & situational factors, ethical judgments in organizational setting, 22–78 yr old marketing managers, commentary, 10075
physical layout & environmental perceptual appearance, motor behavior & perceptual judgments, 12–30 mo olds, 18513
prevalence of occupational exposure to electromagnetic fields, 65+ yr olds with probable or definite Alzheimer's disease vs other dementias or cognitive impairments, 19651
proportion of symptom variance accounted for by environmental vs genetic factors, 4–12 yr old same sex twin pairs with depression & their mothers, 15924
psychological & cultural & informational barriers to environmental sustainability, 2401
relationship between death & environment, Africa, implications for health education, 38518
resource based perspective including intangible human resources of corporate environmental performance & profitability, environmental ratings & financial statistics of 243 firms, 40602
role of ecology & environmental issues in socioeconomics & life of individuals & collectivities, 11536
role of environmental & psychosocial & cognitive risk factors in onset of alcohol & tobacco & drug use, 12267
role of heredity & environment in creativity, 38761
sex & age & genetic & environmental factors, age at first sexual intercourse, 27–70 yr old monozygotic vs dizygotic twins, Australia, 35159
sex & environment during active exercise vs rest conditions, time course of state anxiety responses, undergraduates, 15700
sex & personality, genetic & environmental contributions to life events, adult identical & fraternal twins reared together vs apart, 15713
social & cultural backgrounds & power relationships & interaction location & uncertainty & participants' health, physician & elderly patient relationship, 24120
store environment & emotional states, purchase behavior, consumers, 40662
successive focus on imagined environment & preparation & exercise, ventilatory & cardiac responses, adult athletes, 6777
time of day & location & type of activity, mood, 30–59 yr olds, implications for mood assessment, 321
transactional interrelationships between & biological significance of organism & environment & behavior, 20936
transmission & liability models in study of genetic & environmental mechanisms underlying continuity & change in maladjustment, 4–6 vs 6–8 vs 8–10 yr olds with maternal ratings of problem behaviors, 23005
underlying themes in conceptualization of natural environments, adults, 24880

Environmental Adaptation—Serials

adaptation to environment, humans & animals, 29032
computational model of complexity of animal adaptive behaviors with respect to environmental complexity, 29034
corticotropin-releasing hormone injections, environmental stress & response to habitat desiccation & acceleration of metamorphosis, western spadefoot toad tadpoles, 34609
environmental structure, adaptability, simulated population of sensorimotor agents, 29031
Neurobehavioral Assessment Scale, evaluation of behavioral adaptation to environmental demands & long term prognosis & planning early motor treatment, high risk 0–16 mo olds, Italy, 5-yr study, 17687

Environmental Attitudes—Serials

affect & worldview & nuclear power risk perception & acceptance, 18–90 yr olds, 5847
attitudes & behaviors toward environment, teachers & engineers, France vs Germany vs Italy vs Portugal vs UK, 30508
attitudes & characteristics predictive of responsible environmental behavior, adults, Canada, 2399
attitudes & perceptions about on-site nuclear waste storage risk, adults living near existing nuclear power plants, 14079
biblical literalism & religious salience & dominion belief of Christian doctrine, environmental concern &/or behavior, adult females, conference presentation, 38502

characteristics & background & motives for working with animals, 16–73 yr old wildlife rehabilitation center volunteers, 5846
characteristics of & motives for wildlife & environment welfare, male vs female 12–16 yr old volunteers, 43909
concern for physical environment of community & participation in environmental activity, Black males vs females, 33813
concerns & perceptions of risks related to transportation & storage of radiological waste, adults, 14083
correlations of perspective taking humor & authoritarianism with anthropocentrism as assessed by New Environmental Paradigm, college students, 22544
cross cultural & gender examination of preference for places, 18–45 yr old college students, Ireland vs US vs Senegal, 40700
demographic & attitudinal correlates of ecologically conscious consumer behavior, adult consumers, advertising implications, assessment scales appended, 10175
developmental factors, establishment of attitudes & behaviors toward wild & domestic animals, 3–12 yr olds & their parents, 7342
egocentric interpretations of fairness & expectations & communication about others' harvesting behavior in asymmetric vs symmetric social dilemmas, graduate students, 5848
environmental attitudes & behavior, 11–16 yr olds from rural vs urban communities, Germany, 41688
environmental attitudes & interventions, solid waste recycling behavior, household residents participating in recycling programs, 2403
environmental views & values of Amazon rain forest, 5th graders living in urban vs rural environments, Brazil, 7335
environmentally disturbing news article, environmental attitudes, male vs female 18–22 yr olds, 5845
evaluations of favorite vs unpleasant vs everyday public places from memory, restorative qualities & associated emotional states, 19–46 yr olds, Finland, implications for development of place identity, 15667
experience dimensions & conditions of concern & coping behaviors in wilderness recreation, visitors to wildlife refuge, 10160
fear expectancy & disgust & desire for comfort, preference for wildland environments for recreation activities & occupational environments & school activities, rural vs suburban vs urban 8th graders, 40680
gender & age & rural vs urban residence, attitudes toward use of animals, 11–15 yr olds, 15333
gender & environmental concern & beliefs, consumer behavior, middle class community residents, 33745
general environmental concern & specific attitudes & perceptions of environmentally unfriendly product, purchase intentions, 18–40 yr old females, 5813
green-claim strength & attitudes toward product's country of origin, product evaluation & company image, college students, 43888
high vs low effort, environmental concern & proenvironmental behaviors, undergraduates, 24896
impact of human animal interaction activities in zoos on conservation missions of zoos & animal welfare & attitudes toward animals, 17480
influence of SES & demographics on environmentally responsible behaviors & examination of extent to which influence is mediated by social contextual factors, Canada, 40699
local &/vs national identity processes, perception of local &/vs national beach pollution as environmental threat, 16–19 yr olds, England, 10223
model of environmental attitudes & behavior, farmers, Austria, 2404
national policy & local power imbalances, conflict management in federal forest management, Forest Service personnel vs timber industry representatives vs environmentalists, 33815
nature as a cultural construct & templates of human–environmental interaction & an ethnography of mushroom collecting, 33816
news coverage & public indifference & avoidance of population growth–environmental problem stories, journalists, 28317
perception & acceptance of technological & environmental hazards & benefits, members of public, Poland vs Sweden, 17483
perception of common fate between humans & animals, environmental attitudes & conservation, residents (mean age 52 yrs) living near wildlife refuge, application of dynamical systems theory of groups, 20872
personal vs proactive company stance on environment, perceived company attractiveness & intentions to pursue employment & acceptance of job offer with firm, potential recruits, 10046
physical entrapment & hiding places & dark spots in route, fear of crime during walk after dark, female college students, 33817
principal themes across lifespan, development of environmental ethics, environmental activists, 17478
proenvironmental attitudes & need for achievement & attitudes toward social welfare & intercultural adjustment & environmental knowledge, college students, Japan, 17479
relationship between cognitive judgments of similarity with animals or belief in animal mind & empathy for animals, 15–80 yr old animal rights supporters vs urban dwellers vs farmers, 17477
repression desensitization scale & response to public information of water shortage, adult respondents, 26254
sociodemographic & material circumstances, natural resource & environmental valuations & reckless risk acceptance, male vs female college students, application of sexual selection theory, 14086
stimulus-response vs constructivist learning, priorities of global environmental issues, college students, Taiwan, implications for education & policy & management, 17476
support for New Age Effect as seen in changes in planetary conditions & natural disasters & changes in humans' love for God & each other & earth, 1987–88, 15111
Tragedy of the Commons parable vs Comedy of Community social catharsis concept, environmental & health concerns & risks & solutions in use of depleted uranium, 24894
validity of model of user satisfaction with buildings & their environment as workplaces, 18–58 yr olds, Spain, 37264
views of timber workers & stigma & struggle for political power, environmentalists vs timber workers, 1026
world view & Euro-American values & environmental sustainability, 2396

Environmental Design [See Environmental Planning]

Environmental Education—Serials
old vs new social movements & labor education practices focused on environmental issues, Canada, 20721
stimulus-response vs constructivist learning, priorities of global environmental issues, college students, Taiwan, implications for education & policy & management, 17476

Environmental Effects [See Also Altitude Effects, Atmospheric Conditions, Gravitational Effects, Noise Effects, Seasonal Variations, Temperature Effects]—Serials
adaptive control of odor guided locomotion through fluid media using plumes of turbulent odorant molecules, moths, 29028
Beck Depression Inventory scores & climatic changes between September & May, 21–77 yr olds with winter depression, Denmark, 4115
breast vs formula feeding & intelligence & maternal intelligence & environmental influences, 3 yr olds studied since birth, 3 yr study, 18488
changes in environmental uncertainty & resource dependence in external environment, strategic orientation of oil industry, 1967–86, 5788
child & family & environment variables & choice of assessments for evaluation of early childhood enrichment programs, 17131
Chizhevski's 1921 claim of solar activity & revolutionary mass behavior, adults, 38487
cognitive vs environmental contextual causation & multiple causal pathways of behavior & cognitivist vs behaviorist world views & differing emphases in therapy, 17903

contributions to study of effects of pollutants on behavior, H. B. Daly, obituary, 35961
cross fostering to other dams & enrichment of rearing conditions, feeding neophobia & open field activity & runway training & learning, rats, 18043
daylength during mothers' pregnancy, shyness, 2–7 yr olds, US vs New Zealand, 41404
description & psychological aspects & multidisciplinary treatment of hypersensitivity to electricity syndrome & related research, 35960
design of group living unit, psychiatric symptoms, elderly patients with dementia, Sweden, 1 yr study, 32971
development of driver fatigue advisory using mindset & ecology & hazard environment factors in driver perception questionnaire, experienced drivers, Canada, 43926
distance & cloud cover & wind & sferics & solar & magnetic activity variables, homing speeds vs racing speeds, pigeons, Germany & Italy, 37863
effectiveness of Stereotypy Analysis in determining differential rates of stereotypic behaviors in relation to ongoing environmental events, 26–48 yr olds with developmental disabilities, 25084
environmental & geographical & social & psychological factors, risk of winter depression, psychiatric nurses, Scotland, 4089
environmental conditioning, induction of nicotine sensitization of locomotor activity & stereotypy & nucleus accumbens dopamine release, male rats, 11191
environmental context & personality trait, time production, college students, Israel, 24876
environmental context effects, memory performance, college students vs community-dwelling older adults, 15214
environmental context, variations in topics & partners in everyday conversations, college students, Turkey, 24877
environmental contextual cues, free recall, 18–40 yr olds, 28971
environmental predictors of differential personality development, adult monozygotic & dizygotic twins & same-sex nontwin siblings, 15720
environmental stressors & intrinsic characteristics, stability of shyness, 4 mo olds, Australia, 5 yr study, 18618
environmental structure, evolution of behaviors, simulated organisms without sensors or memory, 29039
exposure to simulated aircraft vs normal environment, hypoxic stress & visual acuity & Softperm contact lens movement & residual astigmatism, 21–39 yr olds, implications for US Air Force aviators, 16718
genetic & environmental effects, anxiety & depression & alcohol consumption, 18–25 yr old monozygotic & dizygotic twins, 37949
genetic & environmental influences, antisocial behavior & autonomy & social responsibility, adolescents, 3 yr study, 25896
genetic vs environmental influences, variation in alcohol consumption, 17–55 yr old female twins, 5 yr study, 26138
genetics & environment, child–family interactions & sibling dyad relationships, 8–17 yr olds, 38537
heredity & environment & social experience in children's mental development, 41667
historical work of W. H. Hellpach on direct interrelation between impact of climate on human culture & race, implications for joining natural & social phenomena into single discursive approach, 18675
individual & family & environmental factors & aggression, 8–14 yr old low income African Americans, 42447
issues in how brain development is shaped by genetic & environmental factors, implications for psychoanalysis, 37989
low frequency active sonar exposure & mood & activation & personality, male Navy personnel, replication & extension, 14560
malignant effects of automobile dependence on society & human & environmental health, 37267
memory & learning of sun's pattern of movement, navigation, honeybees, 347
multiple chemical sensitivity or chemical injury or environmental illness, life disruptions, 23–79 yr olds, implications for treatment, 23613
occupational exposure to chemical & physical agents, risk for Alzheimer's disease, 52–96 yr olds with Alzheimers disease, Australia, 31788
paced smoking control of smoke intake in laboratory vs natural settings, heart rate & skin conductance & finger temperature, light vs heavy smokers, Germany, 18337
paroxysmal narcosis symptoms resulting from narcotic potencies of inert gases in breathing mixture, test of hypothesis for cause of psychotic like episodes from exposure to high pressure, divers, 16231
person environment process view of development of antisocial behavior, children & adolescents, 26632
physiologic & environmental variables, weaning from mechanical ventilation support, 6 yr old female with chronic respiratory failure, case report, 39912
postdrug environmental factors, induction of sensitization to ambulation increasing effects of methamphetamine & cocaine, male mice, 11153
sex, coping attitudes toward noise & air pollution & crowding stressors in urban environments, 14–75 yr old pedestrians, India vs Bangladesh, 22565
sex vs additive genetic influences vs shared vs nonshared environmental factors, symptoms of separation anxiety vs overanxious disorder vs manifest anxiety, 8–10 vs 11–13 vs 14–16 yr old twins, 31125
simulations of interactions between genes & environment and relation to developmental outcomes, 25449
subsyndromal seasonal affective disorder during austral winter, adults, Antarctica, implications for effect of latitude, 7926
typology & qualitative model of causation for use in assessing contributions of population growth to pollution & lost biodiversity & natural resource depletion, 37270
vulnerability to environmental risk factors for psychopathology, 17 yr old males with minor physical anomalies, 30693

Environmental Planning [See Also Interior Design, Urban Planning]—Serials

demographic & land use & crime risk profiling system for high crime areas, England, 42572
early experience & formal characteristics & preferences for tree shape, college students from Australia vs Brazil vs Canada vs Israel vs Japan vs US, implications for environmental planning, 28314
ecological theory of perception & industrial design, 2386
ecological theory of perception & industrial design, commentary, 2387
ecological theory of perception & industrial design, commentary, 2385
environmental attitudes & interventions, solid waste recycling behavior, household residents participating in recycling programs, 2403
environmental variables of town design & architecture & planning philosophy & sense of community variables, residents & workers in planned community, 5844
role of art studio environment in art therapy intervention, 16688
role of psychologists & social psychology in promoting proenvironmental behavior, 2402
trends in environmental psychology & environmental design & stressors, literature review, 1989–1994, 17450
validity of model of user satisfaction with buildings & their environment as workplaces, 18–58 yr olds, Spain, 37264

Environmental Psychology—Serials

benchmarks in development of environmental psychology, 37272
bibliometric analysis of scientific productivity in environmental psychology, Mexico, 1960–96, 33779
constructivist principles of public interest science & social development programs in promotion of global community & sustainability, implications for peace psychology, 18669
developmental holistic & systems oriented approach toward integration of environmental psychology with other psychology subfields, 10195
ecological assessment of community coalition to prevent alcohol & tobacco & drug abuse & related risks, 3720
environmental psychology & overview of social science research related to sustainability, 2400

environmental psychology approach to disease prevention & health promotion, adults, 9327
integration of clinical & environmental psychology research & theory, literature review, 10190
monist social constructionist vs dualist perspective on human–natural environment relations, 37256
psychological & cultural & informational barriers to environmental sustainability, 2401
psychological theory & research & definition & development of environmental theory in Latin America, 33778
role of psychologists & social psychology in promoting pro-environmental behavior, 2402
scientific & applied contributions of environmental psychology over past 30 yrs, commentary reply, 10194
scientific & applied contributions of environmental psychology over past 30 yrs, commentary, 10224
scientific & applied contributions of environmental psychology over past 30 yrs, commentary, 10187
systems oriented approach linking organizational behavior & environmental psychology, 10191
trends in environmental psychology & environmental design & stressors, literature review, 1989–1994, 17450
urban public spaces as representations of culture, Costa Rica, 20871
world view & Euro-American values & environmental sustainability, 2396

Environmental Stress—Serials
acoustical environment, everyday activities, persons with normal vs impaired hearing, 1645
Adaptability/Plasticity scale scores of Parenting Stress Index Child Domain & diversity of coping skills in response to environmental demands, children with Downs Syndrome & their mothers, Australia, 1436
corticotropin-releasing hormone injections, environmental stress & response to habitat desiccation & acceleration of metamorphosis, western spadefoot toad tadpoles, 34609
food sensitivities & plasma beta-endorphin as marker of response to physiological stress, elderly high vs low in self reported frequency of illness from environmental chemical odors, 1485
genetic vulnerability to biological stress & link between fluctuating asymmetry during development & IQ, implications for reconciling antagonism between advocates of nature vs nurture, 38306
perinatal hearing impairment & environmental stress, development of auditory pseudohallucinations, 18-yr-old female soldier, Israel, case report, 12705
postsettlement movement as reaction to high stress environment, bivalve clams, New Zealand, 2964
road type & transport distance, behavior & physiology & carcass quality, farmed red deer, 18254
severe environmental stressor & coping self-efficacy, psychological & physiological distress, 18–50 yr old gay males with HIV who experienced Hurricane Andrew, 31646
sex, coping attitudes toward noise & air pollution & crowding stressors in urban environments, 14–75 yr old pedestrians, India vs Bangladesh, 22565
trends in environmental psychology & environmental design & stressors, literature review, 1989–1994, 17450
validity of AGARD Standardized Tests for Research with Environmental Stress Battery with Comprehensive Ability Battery, assessment of cognitive impact of environmental stressors, college students, 34
yarding & handling procedures, physiological & behavioral stress indicators, red deer stags, 18244

Environmental Therapy [See Milieu Therapy]

Envy [See Jealousy]

Enzyme Inhibitors [See Also Acetazolamide, Bromocriptine, Captopril, Cholinesterase Inhibitors, Hydroxylase Inhibitors, Monoamine Oxidase Inhibitors, Theophylline]—Serials
acetylcholinesterase inhibitors, acetylcholinesterase isozymes in brain vs muscle vs blood tissue, patients with vs without Alzheimer's disease vs male rats, 23440
anandamide administration after phenylmethylsulfonyl fluoride pretreatment, reference & working memory, male rats, 612
cyclic adenosine monophosphate accumulation & response to forskolin in Epstein-Barr virus-transformed lymphocytes, schizophrenics (mean age 36.9 yrs), 31023
ethanol vs nitric oxide synthase inhibitor vs NMDA competitive antagonist, discriminative stimulus effects, male rats, 34663
inositol depletion hypothesis of therapeutic action of lithium & role of inositol monophosphatase inhibitors in treatment of bipolar disorder, commentary reply, letter, 9029
inositol depletion hypothesis of therapeutic action of lithium & role of inositol monophosphatase inhibitors in treatment of bipolar disorder, commentary, letter, 9155
long term lithium & angiotensin converting enzyme inhibitor, steady state lithium & lithium clearance & age & renal function & electrolyte balance, hypertensive & manic depressive patients, 9066
metabolic drug interactions & genetic component & role of cytochrome P450 system in action of antidepressants, clinical implications, conference presentation, commentary, letter, 15079
metabolic drug interactions & genetic component & role of cytochrome P450 system in action of antidepressants, clinical implications, conference presentation, commentary reply, letter, 15021
metalloporphyrins with vs without hypoxia, neuroprotection against injury to CA1 neurons in hippocampal slice & induction of long term potentiation, male rats, 29595
metalloporphyrins with vs without hypoxia, neuroprotection against injury to CA1 neurons in hippocampal slice & induction of long term potentiation, male rats, commentary, 29619
neuronal nitric oxide inhibition, cerebral blood flow during whiskers stimulation of trigeminal pathway, male rats, 10936
nitric oxide & NMDA transmissions, acute hypoxic altitude convulsion, mice, 25458
nitric oxide inhibitor L-NAME & PCP & amphetamine, locomotor activity & prepulse inhibition of acoustic startle, male rats, animal model of schizophrenia, 38116
nitric oxide synthase inhibitor 7-nitroindazole, anxiety, male mice & rats, animal model, 38171
posttraining administration of L-enantiomer vs D-enantiomer of competitive inhibitor of nitric oxide synthase, 48-hr retention of inhibitory shock avoidance task & memory, male mice, 3191
posttraining injection of L-enantiomer nitric oxide synthase inhibitor, retention of inhibitory avoidance conditioning task, mice, implications for central cholinergic system in memory impairment, 3236
SA4503 & tetrahydroaminoacridine, memory & extracellular acetylcholine & catalepsy, rats with scopolamine-induced amnesia, 21886
sodium azide-infusions, changes in hippocampus & cortex & retention of water-maze & passive-avoidance tasks, male rats, animal model for learning & memory deficits, 29527
Z-321 & arginine vasopressin, potentiation of synaptic transmission evoked by weak tetanus, CA1 region of rat hippocampus, 21745

Enzymes [See Also Dehydrogenases, Esterases, Hydroxylases, Isozymes, Kinases, Oxidases, Phosphatases, Phosphorylases, Proteinases, Transferases]—Serials
acute & chronic in vivo & in vitro prenatal ethanol, heme oxygenase activity in hippocampus & frontal cerebral cortex & cerebellum, near-term fetal guinea pigs, 38088
carbohydrate-deficient transferrin levels, gamma glutamyl transpeptidase levels & CAGE questionnaire scores, alcoholic patients, implications for clinical screening & forensic medicine, 31314
ceruletide, perioral movements & striatal dopamine receptor adenylate cyclase system, male rats chronically treated with fluphenazine, implications for pathogenesis of tardive dyskinesia, 567
choleragenoid horseradish peroxidase labeled afferent fibers & formation of synaptic contacts with postsynaptic elements in neonatal lamina II, 2 day old rats, implications for pain amelioration, 6611
combined ECT & neuroleptic treatment, creatine phosphokinase level, 86 yr old female patient with dementia, 32610

cyclic adenosine monophosphate accumulation & response to forskolin in Epstein-Barr virus-transformed lymphocytes, schizophrenics (mean age 36.9 yrs), 31023
dose of lithium & carbamazepine & time of death during 24 hr rhythm, deiodinase activity in CNS & peripheral tissues & thyroid hormone metabolism, rats, 34636
enzymatic activity of peripheral blood elements & skin vascular temperature response to cold, progress in learning, 6 yr olds, 11377
evidence for inhibition of cytochrome P450 enzymes by newer antidepressants, literature review, commentary reply, letter, 18323
evidence for inhibition of cytochrome P450 enzymes by newer antidepressants, literature review, commentary, letter, 18327
forskolin vs G protein stimulation, platelet adenylyl cyclase activity, 24–60 yr olds with major depression, 35545
frequency of alcohol drinking, activity of aldehyde dehydrogenase & catalase enzyme in brain, rats, 592
frequency of high vs low activity alleles of catechol-o-methyltransferease gene & bipolar or unipolar depressive disorder, adults, 42272
functioning of cytochrome P-450 system & role in metabolism of psychotropics in psychopharmacology, research review, 5024
glutamate vs glutamine, methionine sulfoximine induced amnesia for passive avoidance training, day old chicks, implications for astrocytic activity in memory consolidation, 6905
idebenone, cerebral mitochondrial oxidative metabolism, 36 yr old male with mitochondrial myopathy & encephalopathy & lactic acidosis & stroke like episodes, case report, 20049
interaction between cytochrome P450 enzymes & selective serontonin reuptake inhibitors, conference presentation, 6840
interaction of antidepressants with drug metabolizing enzymes, genetic polymorphisms in variability of antidepressant response & side effects & drug-drug interactions, 21892
levels of kynurenic acid & activities of kynurenic acid synthesizing enzymes kynurenine aminotransferase I & II in postmortem frontal & temporal cortex, 46–69 yr olds with Downs syndrome, 19462
long term chlorpromazine vs haloperidol, response of adenylate cyclase to GTP binding proteins & dopamine in striatal membranes, male rats, 15071
morphology of nicotinamide adenine dinucleotide phosphate diaphorase activity in areas 17 & 17/18a border of visual cortex, golden hamsters, 14894
N-acetyl-B-glucosaminidase levels, 23–51 yr olds hospitalized for serious vs not serious suicide attempts, 42453
novel neuropeptide Y & its DNA & mRNA from hypothalamus, food intake stimulation through activation of hypothalamic feeding receptor & inhibition of adenylate cyclase, rats, letter, 18158
plasma vasopressin & CSF angiotensin-converting enzyme, patients with chronic pain disorder, Finland, 12498
platelet phenolsulfotransferase activity, patients with obsessive compulsive disorder vs mania vs dysthymia vs bipolar depression vs panic disorder vs unipolar depression vs migraine, 22670
presence of arylsulfatase A variants & genotype, 25–68 yr olds with major depression, 7929
psychopathology, serum creatine phosphokinase & parkinsonism & dyskinetic movements & extrapyramidal signs, acutely catatonic psychiatric inpatients, 11909
regional brain distribution of 6R-L-erythro-5,6,7,8-tetrahydrobiopterin, rat & mice strains inbred for different alcohol preferences, animal model, 25508
repeated defeats, tyrosinehydroxylase & phenylethanolamine N- methyltransferase activity, individually vs socially housed intruder vs resident male mice, 21763
respiratory chain enzyme activities in lymphocyte mitochondria, patients with Alzheimer's disease, implications for diagnosis, 39533
sertraline dosages, extent & time course of CYP2D6 inhibition, phenotyped 29–64 yr old males with major depression, Canada, 30908
serum acute phase reactants 1-antichymotrypsin & c-reactive protein & protease inhibitors alpha-1-antithrombin & C1 esterase inhibitor, elderly with probable Alzheimer's disease, 12633
severity of mood symptoms, urinary N-acetyl-beta-glucosaminidase & possible marker of serotonin activity, patients with panic disorder, 4203
sodium phenylacetate, physical & cognitive outcomes, 1–17 yr old females with ornithine transcarbamylase deficiency, 11 yr study, 32704
spatial learning & trans-1-amino-cyclopentyl-1,3-dicarboxylate & arachidonic acid, synaptosomal glutamate release & inositol phospholid metabolism & protein kinase C in hippocampus, male rats, 21500
translational suppression of calpain by transfection with antisense oligonucleotides, capacity of hippocampal synapses to express stable long-term potentiation, 10 to 12 day old rats, 21714
valproic acid, beta-adrenergic receptors & G-proteins & adenylyl cyclase in C6 glioma cells, rats, implications for mania, 3201

Ependyma [See Cerebral Ventricles]

Ephedrine—Serials
bromacriptine & pseudoephedrine induced psychosis, 21 yr old postpartum female, case report, 43176

Epidemiology—Serials
acceptability & prevalence of NIMH Diagnostic Interview Schedule for Children Version 2.3, use in Epidemiology of Child & Adolescent Mental Disorders study, 9–17 yr olds & their parents, 6060
acceptability of & responses to NIMH Epidemiology of Child & Adolescent Mental Disorders Study, development of surveys of mental disorder & service utilization, 9–17 yr olds & their parents, 7801
accessibility of psychiatric services & degree of urbanization, treated incidence, adults, Norway & Denmark & Finland & Sweden, 24146
ADHD prevalence & symptoms, 14–19 yr old substance abusers, 31316
African American suicide rates & patterns & risk factors & protective factors & cultural factors, implications for preventive policies & programs, 31203
age & educational & occupational attainment, prevalence of dementia, 65–100 yr old Blacks, 19593
age, occurrence & severity of formal thought disorder, 19–96 yr old chronically hospitalized schizophrenic patients, 22840
age, prevalence of diabetes mellitus, schizophrenic patients, Italy, 1298
alcohol dependence symptom progression, 15–54 yr olds, 12246
annual incidence rates of dementia, 85–99 yr olds, 1 yr follow-up, Germany, 26974
apolipoprotein E allele & age & sex, risk of dementia with stroke, White vs Black vs Hispanic vs Asian 55+ yr olds, US vs Netherlands, 31882
apolipoprotein E allele, incidence of Alzheimers disease, defined community population of 65+ yr olds, 31766
beliefs about epidemiology of HIV/AIDS and sexually transmitted diseases & public expression of sexual behavior & control programs/intervention, decision makers, Turkey, 4588
care-based incidence & 1st admission rates of schizophrenia, psychiatric patients, 1976–90, Netherlands, 7984
Center for Epidemiological Studies-Depression Child for screening depression, 16–17 yr olds, Sweden, 40892
characteristics of suicides by burning, adults, England & Wales, 4284
classification & epidemiology & social & cognitive competencies & etiology & treatment, patients with severe mental illness, 30768
clinical & epidemiological & developmental & prognostic characteristics, North African vs native French 18–35 yr old patients with schizophrenia, France vs Algeria, 4187

comorbid alcohol & drug abuse, rates of major depressive disorder, relatives of probands, 22773
comorbidity of depression, Chinese 65 yr olds & older, Singapore, 7914
county income & suicide incidence, richest vs poorest counties, Sweden, test of social psychological vs socioeconomic suicide epidemiology hypotheses, 16016
criterion validity of NIMH Diagnostic Interview Schedule for Children Version 2.3 vs clinician ratings of Epidemiology of Child & Adolescent Mental Disorders Study, 9–17 yr olds & their parents, 6058
cross cultural comparison of lifetime prevalence of DSM-III disorders, literature review, 7783
cross-cultural differences in etiology & prevalence of psychopathic personality, research review, 8063
definition & differential diagnosis & prevalence of hyperactivity, school age males, China, 4401
definitions & epidemiology of interpersonal violence in family & intimate relationships, 22955
demographic & behavioral characteristics & rate of HIV seroprevalence after implementation of HIV counseling/testing & early intervention programs, inner city homeless, 19553
demographic & clinical features & medical comorbidities & frequency of Alzheimer's disease, 58–93 yr old African Americans diagnosed with probable or possible or no Alzheimer's disease, 31737
demographic variables & sexual orientation & condom use & sexual act preference, epidemiology of HIV & syphilis, male commercial sex workers, Thailand, commentary reply, letter, 4503
description & prevalence & history & need for study & treatment of minor depression in late life, conference presentation, 30865
development & psychometric properties of Short Mood & Feelings Questionnaire, swift assessment of depressive symptomatology & epidemiological screening, 8–16 yr olds, 14288
diagnosis & epidemiology & clinical course, individuals with panic disorder, 26560
diagnosis & incidence of post-stroke depression, 42248
diagnosis of ADHD as possible epidemic in US & comparison with European rates & associated problems with use of psychostimulants, school children, letter, 23156
diagnosis of mental disorders with Composite International Diagnostic Interview in primary care settings, Europe & Middle East & North & South America & Asia & developing countries, 4000
diagnostic accuracy of general practitioner vs neuropsychological assessment, prevalence of dementia, 65–103 yr olds, Netherlands, 1 yr followup, 25078
diagnostic criteria & epidemiology & neurobiology & pharmacotherapy of social phobia, 19236
diagnostic trends & prevalence of bipolar & schizoaffective disorder subtypes, psychiatric hospital patients, 13 yr study, 38950
disability oriented approach to epidemiology of traumatic brain injury, 21–34 yr olds with major traumatic brain injury, 19659
drinking practices & epidemiology of major alcohol-related disorders & beneficial vs injurious effects of light vs moderate vs heavy consumption, adults from national survey, 1992, 26858
eating attitudes & past & present prevalence of eating disorders, 18–59 yr old females in family planning clinic, Switzerland, 16186
elder abuse & neglect prevalence causes & risk factors & effects on emotional state & mortality rate & protective service delivery in the past 5 yrs, 42500
epidemiologic & etiologic factors in & treatment strategies for anxiety & distress evoked school refusal, 8865
epidemiologic issues in audiology, professional training & service delivery, 40265
epidemiologic principles & pediatric HIV & communication disorders, 39449
epidemiological & clinical & psychosocial variables, neuropsychological function, severely & persistently mentally ill homeless adults, 19132
epidemiological & clinical features & adult risk of depression, children, 26453
epidemiological & experimental & clinical studies of ADHD, literature review, 23174
epidemiological & neurobiological foundations for genetic studies in schizophrenia, 31038
epidemiological & treatment issues of alcohol abuse, Asian Americans, 23094
epidemiological evidence & changed views of adolescent mental disorders & case for separate psychiatry, adolescents, 31976
epidemiological evidence & changed views of adolescent mental disorders & case for separate psychiatry, adolescents, commentary reply, 42886
epidemiological evidence & changed views of adolescent mental disorders & case for separate psychiatry, adolescents, commentary, 42901
epidemiological factors associated with incurred injury, 0–89 yr olds injured from slipping on ice or snow, Sweden, 28321
epidemiological perspectives on opportunities for treatment of depression in older populations, literature review, conference presentation, 31958
epidemiological research in primary care, 42714
epidemiological sensitivity of Conflict Tactics Scale & derivation of correction factors, detection of partner abuse, couples presenting for marital therapy, 40874
epidemiological survey of prevalence of juvenile sexual offending in Oxfordshire, 12–17 yr olds, England, 1 yr study, 8309
epidemiological survey on anorexia nervosa & bulimia in hospitals, 1985 vs 1992, Japan, 4453
epidemiological trends in suicide by firearms, 65–85 yr old males, 1979–91, 12137
epidemiology & assessment & treatment issues, children & adolescents with obsessive compulsive disorder, literature review, 19235
epidemiology & biological & psychosocial factors & treatment of neurotic disorders, elderly, literature review, 26569
epidemiology & biology of host related factors in sexual transmission of HIV, 31686
epidemiology & characteristics & differential diagnosis & diagnostic evaluation & pharmacologic treatment of generalized anxiety disorder & comorbidity with depression, elderly, 8041
epidemiology & comorbidity & etiology & outcome of mania, elderly, literature review, 22798
epidemiology & comorbidity & treatment & symptoms of social phobia, 12093
epidemiology & course & prevention & treatment of HIV associated dementia & related disorders, 31649
epidemiology & demographic characteristics & risk factors & assessment of suicidality & rational suicide & interventions, adults aged over 60 yrs, 42452
epidemiology & direct & indirect costs of migraine headache & its consultation & diagnosis, 25–55 yr olds, Canada & UK & US & Denmark, literature review, treatment implications, 39383
epidemiology & etiology & associated pschosocial risk factors, elderly with congestive heart failure, conference presentation, 31727
epidemiology & etiology & clinical features & prognosis & treatment of whiplash neck injury, 12469
epidemiology & etiology & course & prognosis of attention deficit disorder, literature review, 16124
epidemiology & etiology & treatment & diagnosis of generalized anxiety disorder & panic disorder, older vs younger adults, literature review, 39075
epidemiology & genetics of obsessive-compulsive disorder, literature review, 31116
epidemiology & onset age & sex differences & symptomatology, Ss with schizophrenia, literature review, 30979
epidemiology & predictors of mental health service use, 15–64 yr olds, Canada, 32819
epidemiology & psychopharmacologic treatment of comorbid anxiety, medical patients, 8494

epidemiology & risk factors & assessment & diagnosis & treatment, older adults with psychotic symptoms, 42883
epidemiology & sociodemographic characteristics of panic disorder, 42386
epidemiology & treatment of anxiety disorders, elderly, 39095
epidemiology & trends of major depression & other affective disorders, literature review, 35515
epidemiology data on panic disorder, 10 countries, 35682
epidemiology of & changes in treatment for & characteristics of clients with alcoholism over 30 yr period, Austria, translated article, conference presentation, 20315
epidemiology of & comorbidity between affective & anxiety & substance use disorders, 17–65 yr olds, Germany & Switzerland & Puerto Rico & US, 11852
epidemiology of anxiety disorders, 18–44 yr olds, 1986, New Zealand, 31106
epidemiology of cognitive change related to benzodiazepine or non-benzodiazepine psychotropic drug use, 65 yr olds & older, 36431
epidemiology of depression with reversed neurovegetative symptoms, 15–64 yr olds, Canada, 38994
epidemiology of generalized anxiety disorder, 8017
epidemiology of HIV & intervention strategies, homosexual males under 30, 23317
epidemiology of mental disorders, Denmark, literature review, erratum appended, 35487
epidemiology of mental disorders, Finland, literature review, 35481
epidemiology of mental disorders, Norway, literature review, 35462
epidemiology of mental disorders, Sweden, literature review, 35471
epidemiology of mental illness, China, 22713
epidemiology of obsessive compulsive symptoms & disorder, community sample, Canada, 42390
epidemiology of panic disorder onset after 40 yrs old, 1977–95, research review, 4202
epidemiology of personality disorder in adults 50 yrs old & older, meta-analysis, 12107
epidemiology of psychiatric disorders & availability of mental health services, children & adolescents, 1987–90, implications for school psychology, literature review, 1138
epidemiology of psychiatric disorders, children & adolescents, Sweden, literature review, 35459
epidemiology of psychiatric disorders, Iceland, literature review, 35475
epidemiology of psychological disorders & distress, 15–60 yr old & older Chernobyl nuclear disaster area residents, Belarus, 1206
epidemiology of suicide worldwide & theories of national differences in suicide rates, 31232
ethnic differences in prevalence rates of tardive dyskinesia, literature review, 36153
ethnicity & rural vs urban environment & disorder prevalence & psychiatric service use & global functioning, 15 yr old & younger to 60 yr old & older schizophrenic patients, Scotland & England, 35614
extent & features & demographic patterns of drug abuse & drug culture, rural Nigeria, 23098
form & frequency of & disability caused by sleep problems & relationship to mental disorders, 15–65 yr olds in general health care, 14 countries, conference presentation, 4571
frequency & character & severity of & response to amitriptyline & sensory loss & extent of infarction as predictors of central poststroke pain, 24–84 yr olds with lateral medullary infarction, 39525
frequency & distribution of depressive symptoms, females with binge eating disorder vs bulimia nervosa vs major depression, 11834
frequency & quantity & onset of alcohol consumption & factorial structure & prevalence of DSM-IV symptoms of alcohol abuse or dependence, male vs female 14–18 yr olds, 23070
frequency of HIV testing & incidence of HIV infection, military personnel & nonmilitary dependents with new onset acute psychosis, 30964
frequency of suicidal ideation, 60 yr old & older primary care patients, 22963
function of epidemiology in the construction & evaluation of prevention programming & prevention of communication disorders, 37661
gender-based approach on epidemiology & pathophysiology & treatment issues, females with schizophrenia, literature review, 31005
gender-fair criteria & inclusion of help-seeking, incidence & prevalence of depression, 18–64 yr old males vs females, replication, 39020
geographical distribution & prevalence of & relationship to sociodemographic factors, schizophrenic patients, 4157
geographical variation in incidence rates & environmental factors in etiology, under 73 yr olds with probable presenile Alzheimer's disease, 1974–88, Scotland, 8662
geographical variation in incidence rates & risk factors & length of survival, adults with probable presenile Alzheimer's disease vs vascular dementia, Scotland, 8661
history & prevalence & treatment of alcoholism, Russia, 23069
HIV seroprevalence rate, female prostitutes, 1988–1995, letter, Italy, 36029
HIV seroprevalence trends, males who have sex with males, 1988–93, 8531
impact & outcome of primary mental health prevention programs for children & adolescents & developmental epidemiology based prevention research, meta-analysis, commentary, 39944
incidence & demographic & clinical features, 65 yr old & older patients with Charles Bonnet syndrome, letter, 15883
incidence & prevalence of dementia, Black vs White vs Hispanic male vs female municipal retirees aged 50+, 39542
incidence & prevalence of late onset paraphrenia, 65 yr olds & older, Spain, 7988
incidence & risk factors for development of chronic fatigue, adults, 1 yr followup, 35985
incidence & social correlates of general psychopathology & depression, commissioned vs noncommissioned army officers (mean age 35.6 yrs), Nigeria, 30728
incidence & transition probabilities & risk factors for major depressive disorder & dysthymia, 11–16 yr old females, 26450
incidence of & demographic & psychiatric & motor & pharmacological risk factors for tardive dyskinesia, middle-aged & elderly psychiatric patients, 36 mo study, 42196
incidence of & risk factors for orofacial vs limbtruncal subtypes of tardive dyskinesia, 45 yr old & older neuropsychiatric outpatients, 2 yr followup, 7808
incidence of dementia & borderline dementia & post-screening outcomes, 65 yr olds & older, UK, 8 yr study, 1564
incidence of mental retardation, male vs female children, 1976–1980 birth cohort, 8391
incidence of psychotic disorders & schizophrenia, adults, 1978–80 vs 1992–94, England, 42308
incidence of schizophrenia & other psychotic disorders, 16–64 yr old Caribbean immigrants, England, 39037
incidence of schizophrenia, immigrants, Denmark, 39052
interviews & search of medical & National Insurance Office records, estimation of prevalence of known & unknown alcohol dependence & abuse in health care, female 25–65 yr olds, Sweden, 23087
issues in alcoholism, American Indians, literature review, 23096
lifetime & point prevalence of affective & anxiety disorders, 18–60 yr old family practice patients, Hungary, 38945
lifetime & point prevalence of bulimia & anorexia nervosa & binge eating disorder & eating disorder not otherwise specified, adults, Norway, 4475
lifetime prevalence of & risk factors for brief recurrent depression, 18–65 yr olds, Italy, conference presentation, 7888
lifetime prevalence of insomnia &/or hypersomnia, onset of 1st time vs recurrent major depression, male vs female 21–30 yr olds, 7895
lifetime rates of anorexia & bulimia nervosa, outpatients with winter depression, 7910

lifetime rates of attempted suicide, patients with bipolar vs unipolar disorder vs other Axis I disorder, 7835
lifetime vs 12 mo prevalence rates, burn-injured vs community dwelling 18–68 yr olds with affective vs anxiety vs substance use disorders, 1 yr study, 39364
mental disorders & alcoholism in epidemiology of train fatalities, 7–84 yr old railroad trespassers in North Carolina, 1990–94, 33828
methodological differences in epidemiological research on completed suicide, AIDS patients, 1540
methodology of Mental Health Supplement to Ontario Health Survey epidemiological study of psychiatric disorder, residents 15 yrs old & older, Canada, 28661
multi-infarct & Alzheimer's type dementia, Chinese vs Malay 65 yr olds & older, Singapore, 4682
national survey of prevalence & demographic characteristics, adult problem gamblers, Australia, 4250
newspaper coverage of suicide stories, incidence of suicide, 1981–90, Australia, 4258
onset before age 25 yrs vs after age 60 yrs, phenomenological & premorbid & etiological parameters, adults with schizophrenia, England, 42312
parasuicide epidemiology & demographic & psychological factors, adults, Norway, 5 yr study, 22973
parasuicide rates, 17–79 yr old Whites vs Indians vs Asians vs Afro-Caribbeans, England, 22991
parental characteristics & perinatal & prenatal risk factors, specific language impairment, parents & their kindergarten children, 39349
parental vs self report of emotional & behavioral problems on Child Behavior Checklist, 2–16 yr olds & their parents, Iceland, 4003
patterns of substance use & lifetime & current prevalence & onset of substance use disorders & receipt of substance abuse treatment, 18–59 yr old patients with vs without chronic low back pain, 1487
perceptions of prevelance of dextromethorphan-based cough syrup abuse among school age & adolescent students, school personnel, 4322
politics & science in development of diagnostic criteria for & design of early epidemiological studies & later characterizations & treatment of chronic fatigue syndrome, literature review, 42698
postdischarge mortality rates & causes of death, 16–63 yr old consecutive 1st-time psychiatric admissions, England, 19 yr study, implications for national suicide indices, commentary, letter, 43427
postdischarge mortality rates & causes of death, 16–63 yr old consecutive 1st-time psychiatric admissions, England, 19 yr study, implications for national suicide indices, commentary, letter, 43418
postdischarge mortality rates & causes of death, 16–63 yr old consecutive 1st-time psychiatric admissions, England, 19 yr study, implications for national suicide indices, commentary reply, letter, 43424
postdischarge mortality rates & causes of death, 16–65 yr old consecutive 1st-time psychiatric admissions, England, 19 yr study, implications for national suicide indices, 36770
prenatal exposure to influenza 3 mo before birth between 1947–69, typical vs atypical schizophrenic patients, Netherlands, 4186
prevalence & age at onset of mood vs anxiety disorder, 17–45 yr old females with bulimia nervosa, 31492
prevalence & aggregation of psychiatric disorders in Danish Adoption vs Iowa 500-non 500 family vs Roscommon Family Study, 1st degree relatives of persons with schizophrenia, reanalysis, 35604
prevalence & cause & clinical features of & diagnostic algorithm for Grade 2 & 3 & 4 hypothyroidism, elderly patients, treatment implications, conference presentation, 31635
prevalence & causes & neuropsychology of mental retardation, research review, 16174
prevalence & causes of ocular defects, 3 mo to 25 yr olds with severe mental deficiency, 16171
prevalence & clinical characteristics of somatization, primary care patients, Spain, 5268
prevalence & clinical features & treatment of depression, adults with intellectual disabilty, literature review, 1936–94, 39290
prevalence & comorbidity & clinical characteristics of panic disorder, completed suicide victims, Finland, 12148
prevalence & cormorbidity of mental disorders, 17–74 yr old male vs female suicide attempters, Finland, 12171
prevalence & correlates & outcome of schizophrenia, White vs African-Caribbean vs Asian 18–64 yr olds, England, 39029
prevalence & correlates of comorbidity between major depressive & other psychiatric disorders, 15–54 yr olds, 11971
prevalence & correlates of major depressive disorder, 32–38 yr old former school age mothers, 30857
prevalence & correlates of psychiatric disorder, 16–64 yrs, England, 38924
prevalence & course & treatment of combat-related PTSD, World War II veterans, Australia, research review, 26552
prevalence & demographic characteristics, adult problem & probable pathological gamblers, 4298
prevalence & demographic correlates of suicidal ideation & behaviors & utilization of mental health services, college students, Australia, 4289
prevalence & diagnosis & etiology of late-onset eating disorders, 46–80 yr old patients, 26813
prevalence & distribution & treatment & functional impairment associated with psychotic symptoms, 18–70 yr old primary care patients, 27089
prevalence & functional interference, 18–65+ yr olds with full vs partial PTSD from community sample, Canada, 42391
prevalence & health care utilization & functional disability, rural vs urban 15 yr olds & older with depression or manic episode or dysthymia, Canada, 11994
prevalence & migration to inner city London, schizophrenic 15–54 yr olds, England, 1986 vs 1991, 35615
prevalence & nature & long term psychological effects of childhood sexual abuse, adult males, literature review, 12145
prevalence & risk factors for HIV infection, psychiatric implications, 31668
prevalence & risk factors for posttraumatic stress disorder, chemically dependent 15–19 yr olds, 42518
prevalence & service & medication use & social & occupational activities, schizophrenic patients, England, 1986 vs 1991, 35601
prevalence & severity of & factors associated with & probability estimates of spontaneous & tardive dyskinesias, 59 yr old males in general population, Sweden, 39388
prevalence & sex role & identity issues & characteristics & treatment, females with alcohol & other drug use & misuse, implications for rehabilitation counselors, 9583
prevalence & short term trends in attention problems, 4th graders, 1988 vs 1993, Netherlands, 42596
prevalence & subtype of respiratory dyskinesia, inpatients (mean age 51.2 yrs) with schizophrenia or delusions or affective disorders or alcholism, Japan, 36486
prevalence & symptom correlates of subclinical hallucinations & delusions, nonpsychotic 13–21 yr olds from residential program or day treatment center, 35447
prevalence & treatment issues raised by epidemiologic studies, persons with mental & addictive disorders, US, implications for primary care, 16434
prevalence & treatment of dementia, elderly, Japan, 1975–94, literature review, 19614
prevalence & treatment of personality disorders, patients with HIV infection, 31658
prevalence & vulnerabilities & assessment complexities, geriatric patients with AIDS, literature review, 31651
prevalence data & lifestyle factors and health care practices contributing to risk of HIV transmission, Pakistan, literature review, 42742
prevalence estimates for Alzheimer's disease vs vascular dementia & comparisons with data from other countries & regions, 71–93 yr old Japanese American males, 23486

prevalence estimates of problem & pathological gambling, adults & adolescents & primary school children, Canada, 4263
prevalence of & potential risk factors for major depressive & generalized anxiety & adjustment & substance use disorders, men with positive vs negative HIV serostatus, 1 yr followup, 36013
prevalence of alcohol-impaired driving, adults, US, 1993, 23071
prevalence of Alzheimer's disease & dementia, Yoruba vs African American 65 yr olds & older, Nigeria vs US, commentary, letter, 19625
prevalence of Alzheimer's disease & dementia, Yoruba vs African American 65 yr olds & older, Nigeria vs US, commentary reply, letter, 19613
prevalence of autism spectrum disorders, 13–18 yr olds with mental retardation &/or motor disability, 31432
prevalence of bulimia nervosa & binge eating disorder, ethnic minority groups, 8423
prevalence of cognitive impairment & diagnosis of dementia with Spanish translation of Mini-Mental State Examination, 65 yr olds & older, Argentina vs Chile vs Cuba, 1554
prevalence of comorbid depression, patients with dementia, literature review, 1979–94, 12580
prevalence of current & lifetime PTSD, Dutch veterans of civilian resistance against Nazi occupation during WWII, Netherlands & US, 8036
prevalence of dementia & cognitive impairment, elderly, China, 8610
prevalence of dementia & psychosocial correlates & risk factors, 60 yr olds & older, India, 12675
prevalence of depression, arthritis patients, 23246
prevalence of depressive disorders, rural elderly, China, 38996
prevalence of dissociative disorders, 20–66 yr old acute psychiatric day hospital patients, 32999
prevalence of DSM—III—R disorders, 13–18 yr olds, Netherlands, 35499
prevalence of eating disorders, 24–86 yr old female twins, Australia, 4 yr followup, 31543
prevalence of generalized anxiety & panic & phobic disorders & relation to depression & dementia & activities of daily living & psychotropic drug prescription, 65–100 yr olds, UK, 12090
prevalence of HIV & AIDS, HIV related didactic & clinical training & knowledge & attitudes, medical students, follow-up studies, 33176
prevalence of HIV seropositivity, psychiatric inpatients with comorbid alcohol dependence of personality or other mental disorders, India, commentary, letter, 7787
prevalence of HIV-1 antibody in serum samples, at risk population & blood donors & military personnel, Peru, 36020
prevalence of major depression & mania & dysthymia & functional disability & health service utilization, urban vs rural 15–65 yr olds & older, Canada, 15926
prevalence of mental illness, 18 yr olds & older, Germany vs US, 6 mo study, commentary, 26385
prevalence of mental illness, 18 yr olds & older, Germany vs US, 6 mo study, 11890
prevalence of obsessive compulsive symptoms & association with major depression & other clinical variables, 17–57 yr olds with panic disorder, Turkey, 39072
prevalence of post-war alcohol abuse & associated wartime & pre-war stressors, 66–90 yr old institutionalized WWII veterans with or without history of alcohol abuse, Canada, 12227
prevalence of postnatal depression, Japanese females giving birth in UK, 39022
prevalence of postpartum psychiatric disorder & sociocultural correlates, females, United Arab Emirates, 38979
prevalence of problem & pathological gambling, US vs Australia vs Canada vs Spain vs New Zealand, 4300
prevalence of psychiatric comorbidity & outcome & cross over to other eating disorders & changes in clinical features, 10.3–20.9 yr olds with anorexia nervosa, 3 & 7 yr follow up, Germany, 12410
prevalence of psychiatric disorder & relation to changes in mean level of psychiatric symptoms, 25–60 yr olds & older, England & Scotland & Wales, 7 yr followup, 26422
prevalence of psychiatric disorders & impact on work loss & work cutback days, 15–54 yr old employees in different occupations, 38929
prevalence of psychiatric disorders & need for psychiatric treatment, 18–65 yr olds, England, 39981
prevalence of psychiatric disorders & police actions, offenders aged 60 yrs and older, UK, 26725
prevalence of psychiatric disorders, HIV patients, 31684
prevalence of psychiatric morbidity, 16–47 yr old Chinese females who had recently miscarried, Hong Kong, 38930
prevalence of psychopathology, adults with mental retardation, Italy, 42648
prevalence of psychopathology, 6–17 yr old children of military personnel living in military posts, commentary reply, letter, 7848
prevalence of psychopathology, 6–17 yr old children of military personnel living in military posts, commentary, letter, 7868
prevalence of PTSD & associated personality characteristics, 13–20 yr old incarcerated males, 31122
prevalence of PTSD, motor vehicle accident victims, 1 yr followup, 22885
prevalence of sensory defensiveness behaviors, adults vs children with developmental disabilities, 39237
prevalence rate of & biological & social factors in major depression & dysthymia, 18–65 yr olds, Italy, conference presentation, 7897
prevalence rates for ADHD using DSM-III-R vs DSM-IV criteria, 5th graders, 12340
prevalence rates of affective & depressive disorders, 19–20 yr olds, 15 yr study, Switzerland, conference presentation, 7890
prevalence rates of bulimia & anorexia nervosa, 14–17 yr olds, Switzerland, 42672
prevalence rates of mental disorders, all 0–19 yr olds attending adolescent psychiatric service, 1921–90, Switzerland, 35497
prevalence surveys of studies & development of services for problem gamblers & their families, Australia & Canada & New Zealand & US, 4299
principles & causal criteria & concepts associated with epidemiology, speech-language pathology & audiology, 39342
progress in psychiatric epidemiology, Australia & New Zealand, 4046
proportion & detection of dementia with Lewy bodies, postmortem brains of psychogeriatric inpatients, Germany, 31760
psychiatric epidemiology, 65–94 vs 20–64 yr olds with learning disabilities, England, 35907
psychoepidemiologic principles & diagnostic distinctions & drug prevalence & efficacy vs effectiveness & safety, implications for child & adolescent psychiatry, 32599
psychological factors & mortality due to road traffic accidents vs killer diseases, Nigeria, 33821
psychosocial characteristics & physical abuse, 9–17 yr olds & their caretakers, New York State & Puerto Rico, 31199
psychosocial factors & health behavior & alterations in medical treatment & physiological mechanisms, cancer incidence & progression, research review, 23350
public perception & evidence from epidemiological research of violence among mentally ill, implications for legal & interpersonal responses to patients, 11853
rate of 1st admissions for schizophrenia & other psychiatric disorders, female twins, Denmark, 12045
rate of 1st admissions for schizophrenia & other psychiatric disorders, female twins, Denmark, commentary, 31008
rates & incidence & prevalence of & risk factors for anorexia nervosa & bulimia & other eating disorders, 4479
rates of atypical depression & prevalence of specific atypical symptoms, 18–64 yr olds with seasonal affective disorder vs nonseasonal major depressive disorder, 35572
rates of moderate to severe depression & levels of pathways to care, consultation with family physician & referral to psychiatric services & inpatient admission, depressed elderly, 13230

rationale & design of prospective study of epidemiology & outcomes of psychiatric care & characteristics of cohort, patients with severe mental disorders, Italy, 42898
rationale & methods of national psychiatric morbidity surveys, 16–64 yr olds, England & Scotland & Wales, 38923
reduction in obstetrical complications & incidence of schizophrenia, Scotland, letter, 7956
report of National Commission on Sleep Disorder Research on status & costs of insomnia & other sleep disorders, US, conference presentation, 4561
risk of 1st admission for schizophrenia, native born vs Surinamese vs Dutch Antillean immigrant 15–39 yr olds, Netherlands, 39057
sample biases in indices of neighborhood income & urban residence, prevalence rates of adult psychopathology, 8–16 yr old twins & their parents, 26409
seasonality & prevalence of depression, general practice patients, UK, 2 yr study, 38966
self report & direct assessment on epidemiology of imbalance, 55–85 yr olds & older, meta analysis, 11515
self report stability & agreement rates for age of onset & overall use of substances by group, adults in National Institutes of Health Epidemiologic Catchment Study, 10 yr followup, 19391
SES & access to welfare programs & prevalence of developmental disabilities, Whites vs Blacks vs Latinos, 42598
sex & age & level of mental retardation & prevalence of polydipsia, intellectually disabled institutionalized adults (mean age 37.6), Canada, 31472
sex & kinship & risk factors at birth place & time, spatial rural vs urban distribution, patients with Alzheimer's disease, Canada, 40 yr study, 1895–1935, 8613
sex, annual incidence of mental disorders, 15–64 yr olds, Finland, 5 & 16 yr followups, 11900
sex, epidemiology of schizophrenia, implications for heteromodal association cortex model, commentary, letter, 35623
sexual behavior patterns & other risk factors, HIV prevalence, HIV+ 20–54 yr olds, Tanzania, 31683
sexual history & route of HIV transmission & reasons for testing & 1st AIDS defining disease occurrence, White vs Black 20–74 yr olds with HIV infection, Great Britain & Ireland, 4587
social class, prevalence of psychopathology, Black vs Hispanic vs White vs other minority 5–17 yr olds, 35485
social factors & stressors, Bradford Somatic Inventory screening for prevalence of emotional distress & psychiatric morbidity, residents of mountain village, Pakistan, 4060
social factors & stressors, Bradford Somatic Inventory screening for prevalence of emotional distress & psychiatric morbidity, residents of mountain village, Pakistan, commentary, 22707
sociodemographic characteristics & symptomatology & comorbidity measured by Chinese Diagnostic Interview Schedule, adults with major depressive disorder, 1982–86, Taiwan, 4097
sociodemographics & HIV≡IDS knowledge & beliefs & prevalence & behaviors, migrant laborers & seasonal farmworkers, literature review, 36025
sociodemographics & severity of illness & diagnostic distribution & psychopathology, primary care patients classified as somatizers vs psychologizers, Spain, 5256
socioeconomic & political upheaval, historical changes in epidemiological patterns of mental illness, China, 38931
step-relationships, violence against children, stepparents, 1350
stressful life events & socioeconomic factors, prevalence of minor psychiatric disorders, 15–55 yr olds & older, Brazil, 30775
suicide epidemiology of European countries & possible factors accounting for differences between countries, 31262
suicide rates in immigrant populations in America & cultural influences, Chinese & African Americans & Native Americans, counseling implications, 31231
susceptibility to dysphoric physical & psychological symptoms, epidemiology of pain & depression comorbidity, 11870
temporal stability of Diagnostic Interview Schedule lifetime diagnosis of obsessive-compulsive disorder, adults, 1 yr followup, 42380
tenderness & prevalence & symptoms of fibromyalgia syndrome & quality of life & functional impairment, PTSD patients with vs without fibromyalgia syndrome, Israel, 39353
trading vs agricultural village & sexual risk behavior & rate of HIV infection, 13–19 yr olds, Uganda, 42743
treated incidence of psychotic & affective illness, monozygotic vs dizygotic twins vs general population, Sweden, 26397
trends in incidence of bulimic disorders, 1980 to present, 12407
use of population-based registers vs primarily collected data in psychiatric epidemiological research, 34130
1-yr incidence rates & duration of & risk factors for DSM-III vs subclinical obsessive compulsive disorder, 7th–9th graders, 3 yr study, 8053
1-yr prevalence & comorbidity & genetic correlation of major depression & generalized anxiety disorders, female twins, followup study, 11896
1-yr prevalence rates of psychiatric disorder, 15–64 yr olds, Canada, 30790

Epilepsy [See Also Epileptic Seizures, Experimental Epilepsy]—Serials

accuracy of restandardized MMPI-2, discrimination of pseudoseizures, patients with intractable epilepsy, 31758
age at onset & transient psychosis, 8 yr old female with epilepsy & continuous spikes & waves during slow wave sleep, clinical case report, 26994
alternating intrahippocampal cognitive potentials in temporal lobe epilepsy, 13–48 yr old patients, erratum, 12621
automatisms & preserved responsiveness to verbal commands in psychomotor seizures, patients with temporal lobe epilepsy, commentary, 8643
automatisms & preserved responsiveness to verbal commands in psychomotor seizures, patients with temporal lobe epilepsy, commentary reply, 8586
awareness of seizures, patients with epilepsy, 12586
characteristics of epilepsy following minor head trauma, 6–65 yr olds, 8582
clinical & psychological & cognitive & treatment factors involved in noncompliance with antiepileptic drug therapy, Black male patients, letter, 16751
cognitive dysfunction & temporal lobe abnormality & brain function lateralization, 5–17 yr olds with intractable temporal lobe epilepsy, 8591
combined vigabatrin & lamotrigine, seizure control & side effects, patients with intractable epilepsy, 32716
confusion of symptoms from psychomotor epilepsy with psychiatric symptoms from focal seizure localization, reprint, 31778
Continuous Visual Memory Test as measure of nondominant temporal lobe dysfunction, 15–59 yr olds with complex-partial epilepsy with right vs left temporal seizure focus, 31885
controlled & automatic attention & anticipatory motor set & vigilance & other neuropsychological measures, patients with epilepsy or generalized seizures or schizophrenia, 22659
correlation between MRI hippocampal volumetry & verbal memory performance, patients (mean age 32 yrs) with left temporal lobe epilepsy, 31806
demographic & clinical characteristics, children & adults with epilepsy treated with antiepileptic drugs, 32708
description & incidence of pseudoseizure status & coincidence with epileptic disorders & occurrence of psychiatric disorders, 17–29 yr old patients, Germany, 35432
diagnosis of mental disorder, 20–77 yr olds with epilepsy vs mental retardation, UK, 35407
efficacy & tolerability of ucb L059 add-on therapy, 24–71 yr olds with refractory epilepsy, 9288
efficacy of Bender Visual Motor Gestalt Test in detecting visuo-motor neurological impairment, epileptic 15–51 yr olds, India, 6075

efficacy of verbal vs nonverbal selective reminding tests for nonverbal spatial memory, adults with right vs left temporal lobe epilepsy, 34046
electrocortical stimulation vs positron emission tomography, language localization mapping, 17–43 yr olds with intractable epilepsy, 34036
epileptic foci & lesions localization & sex & age at onset & handedness & cognitive ability & language dominance patterns, patients with focal left vs right hemisphere epilepsy, 23414
ERPs as signs of slowed brain processes & altered visual processing, 16–56 yr olds with partial seizures vs idiopathic generalized epilepsy, 31905
etiology & treatment & outcome & prognosis of Landau-Kelffner syndrome of acquired epileptic aphasia, children, 4687
explanatory models of & social impact of & role of traditional healing practices for & management of epilepsy in developing countries, Africa & India & China & South America & Middle East, 16296
extent of bilateral resection & medial temporal lobe lesion & other brain abnormalities & relation to amnesia, 67 yr old male with epilepsy, 36069
feelings about illness & social support & needs, 13–25 yr olds with epilepsy, 31915
felbamate, behavioral changes, 2–19 yr olds with Lennox-Gastaut syndrome, 5186
formal thought disorder & psychopathology, 5.7–14.0 yr olds with primary generalized epilepsy with absences vs complex partial seizures, 42789
frontal function & verbal learning & word fluency & forgetting rate & interference effects on verbal memory distractor task, patients with right vs left temporal lobe epilepsy, 8594
functional magnetic resonance imaging of frontal lobes, language lateralization, 8.8–17.5 yr olds with partial epilepsy, 34043
functional MRI measurement of language lateralization, Wada tested patients with temporal lobe epilepsy, 16318
health-related quality of life research, patients with epilepsy, 36149
hemisphere speech dominance & seizure focus, visual memory during intracarotid amobarbital procedure, right & left temporal lobe epilepsy patients with left hemisphere speech dominance, 23458
historical overview of intracarotid amobarbital procedure & epilepsy surgery assessment & behavioral neuroscience, 23969
ictal brain SPECT in differential diagnosis of true epileptic vs nonepileptic seizures, 36- & 43-yr-old females with histories of seizures, case reports, 19599
identity of Landau–Kleffner syndrome & relationship to epilepsy & aphasia, 5–6 yr old males, case report, 31765
interaction of lamotrigine with carbamazepine & verapamil, low magnesium induced model epilepsy, hippocampal slices of guinea pigs, 34724
interictal cerebral glucose hypometabolism, cognitive & language functioning, 15–59 yr olds with refractory focal epilepsy of left vs right mesiotemporal origin, 12577
intracarotid amobarbital procedure & language disruption & recovery, patients with right & left temporal lobe epilepsy, 21910
intracarotid amobarbital procedure & surgical outcome prediction & cognitive function research, patients with epilepsy, 23421
intracarotid amobarbital procedure methods, postoperative verbal memory loss prediction, epilepsy surgery patients, 21839
intracarotid sodium amobarbital procedure, delta brain activity & regional cerebral blood flow & hippocampal inactivation, patients with intractable epilepsy, 23438
intracartoid sodium amobarbital memory test performance, epileptic adults with left or right temporal lobe resection, implications for predicting postoperative amnesia risk, 23383
iodine-123 iododexetimide cholinergic neuroreceptor SPECT, localization of temporal lobe epileptic foci, patients with temporal lobe epilepsy, Australia, 26949
koro attacks with multiple & recurrent & stereotyped epilepsy-like episodes, 35 yr old male, case report, India, implications for new nosology & epileptic phenomena, 7836
late onset of myoclonic epilepsy, male 51 yr old with trisomy 21, case report, 12388
latent structure & neuroanatomical correlates of Competing Programs & Bimanual Coordination & 3-Step Sequences Tests, assessment of executive functioning, surgery candidates with partial epilepsy, 34048
left hemisphere temporolateral resections & selective amygdalohippocampectomy, verbal learning & memory & recognition, patients with epilepsy, Germany, 36092
left vs right frontal vs temporal brain excisions, visuo-motor conditional associative learning, 13–57 yr old patients with epilepsy, 39916
lithium & carbamazepine, 16 yr old female with comorbid mania & photoconvulsive epilepsy, case report, 32521
low dosage intracarotid amobarbital procedure & test paradigm, left & right brain hemisphere semantic & phonological & perceptual changes, patients with epilepsy, 24024
medical & developmental & social & familial variables, IQ, 16–63 yr olds with intractable internalized temporal lobe epilepsy, 31781
metamemory & actual memory performance & depression, presurgical patients with left vs right temporal lobe epilepsy, 4658
neural ground of religious experiences & relation to epilepsy & schizophrenia & mood congruent depression, 42164
neural mechanisms underlying development of psychosis in epilepsy & reexamination of kindling hypothesis, 1957–94, literature review, 8648
neuropsychological memory measures vs Intracarotid Amobarbital Procedure, prediction of seizure lateralization, adults with medically intractable temporal lobe epilepsy, 25081
nocturnal complex partial seizures & postictal behavior, responsibility for indecent assault & assault with intent to rape, male 31 yr old with epilepsy, case report, 1559
performance on Wisconsin Card Sorting Test, right vs left vs frontal vs nonlocalized temporal lobe epileptic patients, 8608
pontine reticular formation neuronal firing & convulsive behavior, genetically epilepsy-prone rats, 29412
postictal psychosis & epilepsy, literature review, 4713
preictal pseudosleep with EEG evidence of wakefulness, diagnosis of pseudoseizures, patients with epilepsy vs pseudoseizures, 12584
prevalence of behavioral disturbances from & psychotic reactions to vigabatrin, epileptic adults & children, literature review, 16744
psychogenic basis for symptoms, 24 & 30 & 38 yr old females & 31 yr old male with basilar migraine & suspected coexisting epilepsy, commentary reply, 23247
psychogenic basis for symptoms, 24 & 30 & 38 yr old females & 31 yr old male with basilar migraine & suspected coexisting epilepsy, commentary, 23293
psychopathological & psychosocial characteristics, epileptic patients with cognitive vs noncognitive auras, 1600
psychopathology & depersonalization-derealization & other psychosensorial symptoms, outpatients with panic disorder & agoraphobia vs complex partial temporal lobe epilepsy, Italy, 1147
psychosis, 18–57 yr old patients with complex partial seizure disorder, 36063
psychosocial factors in epilepsy, application of medical & sociological models, 12641
receiver operating characteristic curve & Wechsler Memory Scale–Revised, classification of left or right temporal lobe seizure onset, epilepsy surgery candidates (mean age 33.1 yrs), 40914
reliability of empirical methods for assessing postsurgical neuropsychological change, 18–48 yr old epilepsy patients, 10481
REM sleep dream recall & content, 14–28 yr old right hemispherectomized epileptic patients, 31835
reversed language dominance & bilateral language representation, epilepsy surgery patients having intracarotid amobarbital procedure, 23461

right & left temporal lobe intracarotid amobarbital procedure, memory assessment, right vs left temporal lobe epilepsy patients, 23469
right vs left hemisphere intracarotid amobarbital procedure, level of consciousness & memory, patients with epilepsy, 21891
right vs left temporal lobectomy, spatial working memory, patients with epilepsy, England, 13150
role of hippocampus in performance on Modified Card Sorting Test, epileptic 16–61 yr olds, commentary reply, 12600
role of hippocampus in performance on Modified Card Sorting Test, epileptic 16–61 yr olds, commentary, 12605
seizure type & level of seizure control & antiepileptic drug effects, memory & attention, 5.9–16.1 yr olds with epilepsy, 4719
selective temporal lobe amobarbital procedures, angiographic & clinical & EEG & positron & single photon emission tomography & memory measures, 11–54 yr olds with refractory epilepsy, 24061
severe amnesia after seizure, 27 yr old male with left anterior temporal lobectomy for epilepsy, case report, 39915
severity of epilepsy & its effect on quality of life & use of & attitudes toward health care, 16–94 yr olds, England, 36118
severity of hippocampal atrophy & prolongation of MRI T2 relaxation time, temporal lobe epilepsy vs Alzheimer's disease patients, 23452
sexological analysis of ictal masturbation associated with focal temporal lobe epileptic seizures in infants & young children, 23441
short vs long-term memory in recognition task, ERPs in amygdala vs hippocampus vs anterior vs posterior temporal lobe, patients with epilepsy, 8597
social support & self efficacy & outcome expectancy & anxiety, prediction of medication management, epileptic patients, 20072
sodium amytal dosage, memory performance on intracarotid amobarbital test, epileptic candidates for left vs right temporal lobectomy, implications for lateralized language dominance involvement, 8568
spatial vs figural delayed memory, adult patients with left vs right temporal lobe epilepsy with vs without hippocampal sclerosis, 12588
spatiotemporal correlations in gamma band cortical EEGs recorded during somatosensory discrimination task & detection of perceptual categorization, 19 & 37 yr old females with epilepsy, 12644
temporal lobe cognitive potentials in verbal learning & memory processes, 15–47 yr old patients with temporal lobe epilepsy, 31763
temporal lobe complex partial epileptic signs & paranormal beliefs & peak experiences, healthy 18–38 yr olds, 29431
tiagabine blockade of GABA uptake, mood & quality of life & cognitive effects, 16–77 yr olds with focal epilepsy, 36614
transcranial magnetic stimulation, lateralization of verbal vs nonverbal memory span, 16–45 yr olds with left vs right temporal lobe epilepsy, 1571
treatment of language regression with corticosteroids, child with autism &/vs Landau Kleffner syndrome, case report, commentary reply, letter, 5107
treatment of language regression with corticosteroids, child with autism &/vs Landau Kleffner syndrome, case report, commentary reply, letter, 5106
treatment of language regression with corticosteroids, child with autism &/vs Landau Kleffner syndrome, case report, commentary, letter, 5005
treatment of language regression with corticosteroids, child with autism &/vs Landau Kleffner syndrome, case report, commentary, letter, 5120
tricyclic antidepressants & serotonin selective reuptake inhibitors, previously unresponsive 19–60 yr olds with affective disorder or interictal psychosis & chronic epilepsy, 27393
unilateral neocorticectomy vs selective amygdalohippocampectomy vs anterior temporal lobe excision invading amygdala & hippocampus, learning & memory, epilepsy patients, Canada & Switzerland & Ireland, 39910
use of different pharmaceutical manufacturer's version of carbamazepine or phenytoin or sodium valproate, incidence of seizures & side effects, epileptic adults, 32687
valproate monotherapy, neuropsychological & cognitive functioning, children with epilepsy, 16640
valproic acid & phenytoin & carbamazepine, color vision deficiencies, patients with epilepsy taking antiepileptic drugs vs not on antiepileptic drug therapy, 36415
vigabratin induced dementia-like state, female 62 yr old with epilepsy, case report, letter, 1933
X linked malformations of neuronal migration, lissencephaly & subcortical band heterotopia & bilateral periventricular nodular heterotopia with retardation & epilepsy, 19601

Epileptic Seizures [See Also Experimental Epilepsy]—Serials

academic achievement & behavioral function, epileptic 5.9–16.2 yr olds with controlled vs uncontrolled complex partial vs absence seizures, 4720
age & laterality of anterotemporal lobectomy for relief from intractable seizures, word finding ability, epileptic patients, 5197
alcohol use & biological markers for alcoholism as risk factors for seizure, patients with 1st generalized tonic-clonic seizure, Italy, 39520
automatisms & preserved responsiveness to verbal commands in psychomotor seizures, patients with temporal lobe epilepsy, commentary, 8643
automatisms & preserved responsiveness to verbal commands in psychomotor seizures, patients with temporal lobe epilepsy, commentary reply, 8586
awareness of seizures, patients with epilepsy, 12586
carbamazepine, retrograde & anterograde amnesia during & after seizure, 41 yr old female with nonconvulsive status epilepticus, case report, 9293
carbamazepine, retrograde & anterograde amnesia during & after seizure, 41 yr old female with nonconvulsive status epilepticus, commentary reply, 39921
complex partial seizures & memories for auras preserved in neocortex, 42800
coronal sphenoidal vs anteroposterior temporal electrode montage, recognition of seizure presence & onset time on EEG recordings of temporal lobe epileptiform seizures, experienced EEG readers, 533
diazepam, retrograde & anterograde amnesia during & after seizures, commentary & case report, 34-yr-old female with pattern of amnesia during nonconvulsive status, 39906
EEG & neuroimaging & psychodiagnostic features, patients with epileptic &/vs nonepileptic seizures, 23248
EEG power mapping & coherence analysis & source localization of epileptiform activity & psychoneurological assessment, male patients who cleaned after Chernobyl disaster, 1986–87, 16229
epileptic seizure of right temporal lobe, effect on musical performance, patient with epilepsy, case report, 19666
epileptogenic effects of naloxone in encephalitis treatment, male rats infected with Borna disease virus, 7078
ERPs as signs of slowed brain processes & altered visual processing, 16–56 yr olds with partial seizures vs idiopathic generalized epilepsy, 31905
factors in outcome of temporal lobectomy, 14–55 yr olds with bitemporal interictal epileptiform patterns, 36620
formal thought disorder & psychopathology, 5.7–14.0 yr olds with primary generalized epilepsy with absences vs complex partial seizures, 42789
history of psychiatric disorders or trauma, epileptic vs psychogenic seizures, patients, 16300
left temporal-occipital partial status epilepticus induced focal inhibition, inability to name objects & colors in peripheral visual field, female 21 yr old, case report, 8599
megimide-induced epileptic seizures & clinico-electrocorticogram correlates in preictal & twitching & general tonic clonic convulsive & postictal periods, male E1 vs ddY mice, 11176
neuropsychological memory measures vs Intracarotid Amobarbital Procedure, prediction of seizure lateralization, adults with medically intractable temporal lobe epilepsy, 25081

occurrence & characteristics of postictal psychiatric seizures during prolonged video-EEG monitoring study, 24–46 yr olds with poorly controlled partial seizure disorders, 18 mo study, 12631
paired capillary prolactin measurement, sensitivity & specificity in diagnosis of epileptic seizures, 6–61 yr olds, 8587
receiver operating characteristic curve & Wechsler Memory Scale–Revised, classification of left or right temporal lobe seizure onset, epilepsy surgery candidates (mean age 33.1 yrs), 40914
retrograde amnesia during & after seizure, commentary, adult female with epileptic seizures & amnestic spells, 39899
seizure content items on MMPI, interpretation of psychopathology, epilepsy patients, Canada, 37432
verbal & spatial memory tests & identification of side of seizure onset, patients with temporal lobe epilepsy with vs without reading deficits, 36062
1 vs 2 or more late posttraumatic seizures & injury severity, neuropsychological & psychosocial functioning, adults with severe traumatic head injury, 1 yr followup, 12622

Epinephrine—Serials

anxiety induction using epinephrine or saline infusions with carbon monoxide or room air inhalation, cerebral blood flow & forehead skin flow, generalized anxiety patients, 39091
basal arterialized plasma norepinephrine & epinephrine kinetics & rates of norepinephrine appearance, assessment of sympathetic nervous system activity, male combat Vietnam veterans with PTSD, 1316
cognitive intervention for doxapram induced panic, epinephrine & norepinephrine & growth hormone & ACTH & cortisol, 19–39 yr olds with panic disorder vs healthy adults, 15977
disorder of transmethylation mechanisms in schizophrenia & other disorders, literature review, 31041
epinephrine & cortisol levels during rest vs working days, 24–59 yr old males vs females, 29482
epinephrine, cardiovascular & respiratory & panic reactions, adult outpatients with panic disorder with agoraphobia, 31127
epinephrine infusion vs placebo, panic rate, 25–50 yr olds with panic disorder, implications for role of cognitive factors, 12100
food deprivation or icv adrenaline, EEG & EKG & EMG & EOG patterns of postprandial slow wave & REM sleep, pigeons, 14933
novelty seeking & hormones of thyroid & cortisol & norepinephrine & epinephrine & testosterone systems, male combat veterans with PTSD, 31129
posttraining epinephrine administration, long term retention of massed active avoidance training, poor vs good learning rats, 29627
psychological stress, spectral heart period variability & plasma epinephrine & norepinephrine & BP as estimates of cardiac sympathetic activity, healthy adults, 3169
symptoms & lying & standing plasma & norepinephrine & heart rate & BP before vs after drug therapy &/vs cognitive behavioral treatment, patients with panic disorder, replication, 12713

Episcopalians [See Protestants]

Episodic Memory—Serials

age & demographic & intellectual & biological factors, episodic & semantic memory & priming, 35–80 yr olds, 11379
age & individual differences in cognitive speed & ability & depression & activity level & health, episodic memory performance, 70–96 yr old men vs women, 34997
age at onset & severity of head injury & brain lesion characteristics, semantic & episodic memory, children (mean age 10.1 yrs), 12 mo study, 26998
anterior thalamic nuclei vs cingulate cortical lesions, object-in-place episodic memory, male monkeys, 41347
anterograde episodic recall & recognition for verbal & nonverbal material, elderly with early dementia of Alzheimer type, 12617
brain activity while reading vs recognizing vs recalling paired associates, functional neuroanatomy involved in episodic memory recall & recognition, healthy 19–31 yr olds, Canada, 28945
brain injury, public & autobiographical semantic & episodic memory, 38 yr old male with severe amnesia, followup study, 36158
brain maps of retrieval & recovery modes of episodic retrieval, adults, 14866
brain regions involved in retrieval of episodic memory, literature review, 21674
cognitive vs standard police vs modified cognitive interview, eyewitness memory, 65–80 vs 18–35 yr olds, 17937
correlations between hard & easy verbal paired associates & episodic & semantic memory, male adults with mental disorders, 38851
Current Orientation Test, assessment of effect of aging on speed & consistency of retrieval of recent episodic memory, 18–30 yr olds vs 60–78 yr olds, 7282
dissociating episodic & semantic & perceptual representation & procedural long term memory systems, literature review, commentary reply, 28970
dissociating episodic & semantic & perceptual representation & procedural long term memory systems, literature review, commentary, 28976
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, 42845
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, commentary, 42798
encoding & retrieval conditions, episodic memory for photographs, 60–79 yr olds with Alzheimer's disease, Sweden, 39521
episodic & semantic memory in recall & describe tasks, trait self-descriptiveness judgments, college students, 22542
episodic retrieval & accessibility of critical information from prime-display in naming tasks, negative priming, 17–22 vs 60–76 yr olds, 29791
feeling of knowledge & confidence judgments in eyewitness memory &/vs general knowledge, 16–64 yr olds, England, 17939
flashbulb memories for events of negative vs positive affect, 18–53 yr old college students, Scotland, 10734
flashbulb memories for events of negative vs positive affect, 18–53 yr old college students, Scotland, 18009
frontal lobe & autonoetic consciousness, episodic memory, adults, 25322
generality of current information superiority, knowledge of celebrities vs understanding of contemporary vs obsolete monetary system vs autobiographical memory, 49 & 65 yr olds with semantic dementia, 31886
identification & episodic recognition for haptically presented 2-dimensional line drawings, college students, 34288
mood related depressive symptoms, episodic memory, 90+ yr olds with vs without Alzheimer's disease &/vs major depression, Sweden, 11827
neuropsychological assessment using cranial computed tomography & MRI & SPECT of impaired episodic memory retrieval, 30 yr old male with probable psychogenic amnesia, case report, 39528
new vs old category vs exemplar, prefrontal & hippocampal involvement in episodic memory encoding, males, 41316
object orientation information in semantic & episodic memory, implicit & explicit memory test performance, college students, 10737
recall of autobiographical memories & public events & acquisition of newly learned material in episodic memory, 50+ yr old male with amnesia following cerebral anoxia & heart failure, case report, 12566
regional cerebral blood flow during memory word retrieval in visual word recognition, adults, 10990
retrieving effectively from memory mathematical model for predicting explicit episodic recognition memory, 37787
semantic & episodic memory, 62 yr old female with bilateral lesions & deficits in memory for topographical objects, case report, England, 16317

serum vitamin B12 & folic acid, episodic memory, 75–96 yr olds, Sweden, 3548
strategic retrieval from semantic vs episodic memory on cue-word test, 37–76 yr old confabulating vs nonconfabulating amnesic patients, 39534
temporal estimation of occurrence of M. Thatcher's resignation & Hillsborough football disaster, adults, Great Britain, examination of accessibility principle, 21378
theta synchronization vs alpha desynchronization & episodic information encoding & retrieval, 20–34 yr olds, 25526
theta/gamma networks with slow NMDA channels, humans, applications to recall & sequence learning & episodic memory, 24910
verbal episodic retrieval & cerebral blood flow in left medial temporal structures, right handed adults, 3088
working in dyads as friends vs acquaintances vs alone, semantic & episodic memory, college students, Sweden, 2858

Epistemology—Serials
action research mode & practice oriented epistemology in professional psychology, 5449
construction of new homosexual epistemology, "queered position" in social research, 11625
constructivist beliefs about learning, types of teaching strategies used, science teachers, 17129
constructivist epistemologies as foundation for modeling & reasoning about role of organization by information & intelligent organization decision in complex economic systems, 11533
constructivist epistemology in clinical research & application to psychotherapy practice, 4774
Darwinian view of material existence of mind, status of behaviorist critiques of cognitive theories, 17905
development of epistemological beliefs & theories, college students, implications for learning, 37069
dialogical conception of self in narrative approach to moral development vs cognitive-developmental view of self as epistemic subject, 18550
epistemic beliefs & preference for rationalist vs constructivist therapies & factor structure & validity of Therapist Attitude Questionnaire-Short Form, college students & 26–67 yr old therapists, 28449
epistemic transformations in classical vs modern vs postmodern psychoanalysis as represented by views of A. Grunbaum, 12911
epistemic world views for learning & existence of 2 prefigurative schemas, medical students, 21450
epistemological assumptions shared by constructionism & construct & narrative psychology & constructionist theory of individual psychology, commentary reply, 7768
epistemological assumptions shared by constructionism & construct & narrative psychology & constructionist theory of individual psychology, commentary, 7767
epistemological assumptions shared by constructionism & construct & narrative psychology & constructionist theory of individual psychology, commentary, 7771
epistemological assumptions shared by constructionism & construct & narrative psychology & constructionist theory of individual psychology, 7769
epistemological role of metaphor in social dilemma research, 3726
epistemology & advocacy of normative rhetoric in organization science, commentary, 17367
epistemology & subjectivity questions regarding suitability of hermeneutics as framework for psychoanalytic theory & practice in relation to relational model theory, 30592
heuristics & artificial intelligence & naturalized epistemology & human problem solving models & justification of defeasible rules, 14098
history & prevalence of affect symbolic imagery in African culture, implications for culturally relevant learning paradigm for Africans & African Americans, 11545
history & prevalence of affect symbolic imagery in African culture, implications for culturally relevant learning paradigm for Africans & African Americans, erratum, 25637
influence of respective underlying paradigms on theoretical possibility of debate between cognitivists & behaviorists on causal efficacy of human thought, 17930
K. Lewin's epigram unifying theory & practice in common epistemology, commentary, 11242
learning & academic performance & development of epistemological beliefs, high school students, 3 yr study, 22044
naturalized approach to formation of consensual epistemology for diverse psychological research methodologies & practice, commentary reply, 18380
naturalized approach to formation of consensual epistemology for diverse psychological research methodologies & practice, commentary, 18393
naturalized approach to formation of consensual epistemology for diverse psychological research methodologies & practice, commentary, 18392
ontology & epistemology of cognitive & self-efficacy vs operant behaviorist & epiphenomenal theories of human thought, 17884
phenomena & epistemology & methodology & theoretical foundations of organizational culture & organizational climate literature, 13904
psychiatric nursing from a therapeutic perspective from 19th century epistemological developments to present day humanistic nursing, 43481
radical vs social constructivist positions & epistemology vs modest realism, styles of learning & curriculum in science education, 5610
social influences & contextual & epistemological factors, family therapy, 23777
social representation paradigm as social construction & discourse analysis, approach to scientific understanding of social phenomena, 3837
understanding epistemic authority, 6–7 vs 11–12 yr olds, England, 7249

Epithelial Cells—Serials
properties of water soluble 45-kDa guanosine 5'-triphospate binding protein from olfactory epithelium located in mucosa, rats, 21771

Epithelium [See Skin (Anatomy)]

Epstein Barr Viral Disorder—Serials
immune system dysfunction & manic depression, female 15 yr old with Epstein-Barr infection & recurrent acute pancreatitis, implications for unifying etiopathology, 12474
MMPI profiles & degree of Epstein-Barr virus infection, patients with chronic fatigue syndrome, 12483

Equal Education—Serials
conflicting & dialectical nature of desire for & threats from education in male dominated realm & need to find transpositional mediating space, females, 17191
equity & academic achievement in education, US, 20500
history of & effect of public & private policies & educational & social & economic factors on participation in higher education, African Americans, 3568
social class & poverty, educational opportunity & social allocation in schools & educational attainment, African Americans, 1965–95, literature review, 24512

Equality (Social) [See Social Equality]

Equilibrium—Serials
acquisition of motor skill task requiring balance during beam walking & intrasession habituation in activity box, normal vs ataxic lurcher mutant mice, 6443
balance evaluation & training & rehabilitation strategies for reduction of falls, elderly, 16945
development & testing of postural stability measurement, detection of motion sickness following use of virtual environment systems, adults & pilots & adults walking heel-to-toe, 10611
equilibrium point control hypothesis of trajectory command from brain, arm stiffness during multijoint movement, 26–34 yr olds, 3068
etiology of bilateral vestibular loss, 63–72 yr olds with vertebrobasilar dolichoectasia & symptomatic vestibular loss, 8633
fimbria-fornix lesions with aspiration vs electrolytic technique & effect on overlying cortical structures, beam walking assessment of sensorimotor performance, female rats, 6631
flight simulator training, validity of Simulator Sickness Questionnaire disorientation subscale vs physiological measure of postural instability, male Navy aviators, 17581

moving room paradigm & visual perturbations, stance control & transition from unreliable to reliable sources of perceptual information, 5–10 mo olds vs adults, 11346
postural orientation & visual vertical estimates during pitch tilt, healthy vs labyrinthine defective adults, 17809
precocious neuronal death in cerebellar cortex & olivocerebellar pathway, motor control of equilibrium on rota rod, staggerer mice of C57B16 strain assessed from 3 to 24 mo old, 454
rota rod assessment of motor coordination & balance, shiverer mutant mice carrying myelin basic protein transgene resulting in CNS dysmyelination, 14850
self report & direct assessment on epidemiology of imbalance, 55–85 yr olds & older, meta analysis, 11515
servocontrol vs dynamical theory of human upright stance control, 230
torus longitudinalis ablation & luminance response, dorsal light reflex measured by body tilt angle & duration, goldfish, 29289
triazolam, plasma triazolam concentrations & postural sway & subsequent loss of balance, 20–29 vs 65–78 yr old males, 11195
unilateral vestibular neurectomy, 2-wk delay in recovery of fine posturo-kinetic balance in environment with vs without stroboscopic illumination eliminating visual motion cues, cats, 6699
unusual vestibular vs visual stimulation, motion sickness-like symptoms & dynamic balance on moving platform, healthy adults, 39359
visual cuing vs postural destabilization, temporal characteristics of preplanned stepping response, 21–32 yr olds, 2791

Equipment [See Apparatus]

Equity (Payment)—Serials

attitudes toward employee individual & job & career characteristics & perceived relevance of external & internal & individual & self equity, managers, Canada, 37171
communication as integral part of pay inequity & female's responses regarding inequities, theory of extended housework, women working at paid occupations, 30225
factor structure for people's reactions to & judgments of distributive justice in payment of wages, 17–50 yr old college students, Canada, 26275
gain vs loss & self vs other & acquaintance vs friend & ease of divisibility, social norms in distribution of adventitious outcomes, college students, 3762
group vs individual level analyses of raw & rescaled data, managers vs students, India, evaluation of subtractive vs ratio model of equity judgments, 17332
income inequality & homicide vs suicide rates, Blacks vs Whites, 16028
manipulation of Allocator vs Recipient offers during modified Ultimatum game, expectation & fairness satisfaction of equitable allocation, adults, Israel, implications for game theory, 22441
model of productivity & rank & yrs in rank & longevity with college as remedy for salary compression, business professors, 17109
pay discrepancy, intrinsic motivation & job satisfaction & intention to change job, college students & workers, Australia, 17343
pay status & competitive wage structure, organizational attachment & commitment, police personnel, application of R. H. Frank's economic social comparison theory, 24956
procedural leadership fairness & high vs low cash payment outcomes, subordinate reactions to supervisor in pay-for-performance task, college students, 5773
responsibility for decision to take wage cuts & accept wage freeze, perceptions of fairness of wage cuts & pay, co-op employees, Canada, application of distributive justice theories, 40579
self-interest & assessment of & fairness in equitable vs inequitable resource allocation, graduate & undergraduate students, 30357

Equity (Social) [See Also Equity (Payment)]—Serials

administration & accommodations & verbal equity in standardized psychological & educational & work related testing procedures, test takers with hearing impairments, 79
attitudes toward health inequalities, adults, UK, 43232
attractiveness vs occupational & financial successfulness of potential partner, courtship entitlement in responses to personal ads, males vs females, 7612
childhood & present SES, inequalities in mental health & serious illness, 65 yr olds & older, Norway, 43234
dispositional inferences about decision makers who positively vs negatively allocate resources according to equity or equality or need, college students, US vs Germany, 15620
egocentric interpretations of fairness & expectations & communication about others' harvesting behavior in asymmetric vs symmetric social dilemmas, graduate students, 5848
equal ratio rule vs linear distributions in productivity situations, judgments of fairness & allocation decisions, adults, UK, 7636
equity vs equality in allocations of rewards to adults & children, 20–55 yr olds, England, 41999
expression of egalitarian gender role expectations, reinforcement of male & female tasks participation & leadership, adults in mixed-sex groups, 22438
feminist framework & gender equity in social studies curricula & classrooms & practice of democratic citizenship through open confrontation of conflict, 17118
mathematical model of structural equivalence of actors in interpersonal influence networks & effect on heterogeneity of initial opinions, application of social influence model, 37557
moral management & moral maximization concepts in human rights & freedoms & equity & development, implications for business ethics, 33690
perceived inequity & employee turnover & absenteeism, 19–59 yr old male blue collar manufacturing plant workers, Netherlands, 24756
perceived inequity in caregiver-recipient & professional-organization relations & burnout, human service professionals, Netherlands, 9772
self esteem, effect of perceived inequity in intimate relationship on depression, 19 yr olds & older, 38672
social identity vs equity theory, interpretation of minimal ingroup vs outgroup favoring allocations, college students, 30380
social injustice in relationships, married vs single 22–66 yr olds, verification of SvN questionnaire, 26178

Erection (Penis)—Serials

alprostadil, erectile dysfunction, 21–75 yr old males, Asia & Australia, 16748
brief sexual arousal before sleep, sleep-related erections, adults, 38047
chronic lithium pretreatment with vs without SCH 23390 or sulpiride, bromocriptine dose related effect on penile erection, male rats, 7068
eticlopride, cocaine- & dopamine D2 receptor agonist-induced hypermotility & penile erection-enhancement & stereotyped behavior, male rats, 11130
lesions to medial preoptic area vs bed nucleus of stria terminalis, copulatory behavior & noncontact erection, rats, 41340
noncontact stimulation from estrous females, penile erection, male Wistar & Sprague-Dawley vs hooded Long-Evans & Brown Norway rats, replication, 11050
perfectionism & marital satisfaction, 18–73 yr old males with erectile disorder, 12450
prostaglandin E, auditory hallucinations, 42 yr old Asian male with schizophrenia & neuroleptic & selective serotonin reuptake inhibitor-induced erectile disorder, 23942
psychometric properties & predictive value & clinical applications of phallometry, measurement of sexual interest, male sex offenders & aggressors, 18250
testosterone, sexual behavior & mood & psychological symptoms, 46–67 yr old males with erectile dysfunction, 31626
unrelenting pursuit of castration to relieve unsubstantiated painful erections, male 25 yr old with body dysmorphic disorder, case report, 4052
venlafaxine, libido & spontaneous erections, 50 yr old male with major depression, case report, letter, 36483
yohimbine, sexual experiences & nocturnal penile tumescence & rigidity, 25–64 yr old males with erectile dysfunction, 9271

Ergonomics [See Human Factors Engineering]

Ergot Derivatives [See Also Bromocriptine, Dihydroergotamine]—Serials
dihydroergocristine, reversal of cognitive impairment by alcohol abuse induced organic cerebral psychosyndrome, 28–61 yr olds in alcohol rehabilitation, 20333
dihydroergokryptine mesylate neuroprotective effect by activation of antioxidant enzymatic systems, 60–85 yr olds with probable Alzheimer's disease, Italy, 1 yr followup, 13147
Erikson (Erik)—Serials
contributions to research on role of society in ego identity development & life stages, Erik Erikson, 41702
developmental stages of Eriksonian model of psychosocial development, 1st–12th graders, China vs Australia, 3491
E. Erikson's dream specimen paper as deconstruction of interpretive efforts with literary texts & psychoanalytic patients to explore multiple meanings, 1101
Erikson's concept of organ mode in relation to oral stage of psychosexual development & implications for psychoanalysis, 43089
Erikson's psychosocial theory of development vs feminist developmental theory, implications for counseling borderline personality disorder & anorexia nervosa, 3492
self esteem & effective functioning & self realization & life-purpose & resolution of earlier psychosocial crises, prediction of ego integrity in Eriksonian final life stage, active 55–84 yr olds, 11509
Eroticism—Serials
analyst's participation & countertransference, erotic transference, 30-yr-old female analysand, application of constructivist thinking, 19890
autistic nuclei & self-sensuality & eroticized relations in fantasy, clinical example of female analysand, 32310
beauty & lust in works of G. Bataille & C. Baudelaire & M. Duras & J. M. Le Clezio, 18367
erotic transference & countertransference, female analyst & male patient, literature review, 1781
erotic transference & maintenance of threatened sense of self, 30 yr old depressed male patient & female therapist, 4788
eroticism & humanistic perspective on sex therapy originating in existential-experiential psychotherapy, 19727
eroticism & maintenance of sexual desire, implications for clinicians treating inhibited sexual desire, conference presentation, 30267
format for use of erotic videos for assessment of male sexual arousal in clinical settings, 22389
gender specific legitimation vs condemnation of eroticism & attitudes toward pornography, enjoyment of viewing erotic slides alone vs with male vs female co-participant, males, 18795
nature & role of eroticism in sexual interaction, implications for understanding & treatment of sexual desire problems, 967
psychoanalytic theory of gender identification & object choice as basis of sexuality & lesbian eroticism, 7779
salient characteristics of romantic & erotic love, implications for therapy, 42934
salient characteristics of romantic & erotic love, implications for therapy, commentary, 42948
sex & personality traits & erotophobia-erotophilia & ego development & sociosexuality & psychometric qualities of the Sociosexual Orientation Inventory-Revised, White vs Asian college students, 35357
Erotomania—Serials
coexistence of Capgras syndrome with erotomania, female 60 yr old, case report, letter, 4064
development of bisexual erotomania, 36 yr old female with polycystic ovary disease, case report, 12470
patient characteristics & prevalence of erotomanic delusions, 14–74 yr olds with schizophrenia, Peoples Republic of China, 31031
Errata—Serials
repressed & false memories of child abuse & other traumatic events, research review, erratum, 22999
Error Analysis—Serials
analysis of synchronization constraints & psychological problematics & associated errors in collective work environments, 17459
fluid intelligence ability, performance on visual serial choice RT task with auditory feedback & error analysis, 60–81 yr olds, 10698
human factors vs information processing vs cognitive systems engineering models & prediction of human erroneous action, accidental computer users, 20862
improvement of consistency of usage of human reliability assessment techniques THERP & HEART & JHEDI, adults, 17558
intention to prevent consecutive answer repetition as necessary condition for negative error priming & sensitivity of error priming to operand relatedness & position, college students, Canada, 17883
interpolation error estimation in scalp topographic mapping, 532
model & functional analysis of anticipatory vs perseveratory serial ordering errors in language production, undergraduate native English speakers, 15130
rater severity & halo effect & central tendency & range restriction errors & criteria for evaluating quality of ratings in assessment of written composition with Rasch measurement model, erratum, 2713
rates of omission errors in interhemispheric transfer time in Poffenberger paradigm, college students, Canada, 6604
spelling errors of dictated common English words, Spanish speaking vs English speaking 2nd–3rd & 5th–6th graders, implications for cognitive theory of orthographic transitioning, 15215
structured event sequences, error rates & RT & learning, university students, Germany, 41147
validation of THERP & HEART & JHEDI human reliability assessment techniques, adults, 17559
validation process for THERP & HEART & JHEDI human reliability assessment techniques, 14205
Error of Measurement—Serials
algorithm for estimation of error parameters in psychophysical discrimination experiments, 14457
alternative procedures for testing regression slope homogeneity with unequal group error variances, 136
application of bootstrap error estimation for automatic tuning of parameters in combined neural networks to speech recognition system, 37310
approximate Pearson product-moment correlations from Kendall's tau & Spearman's rho, 10582
combination of observed scores from sections of tests & shrinkage estimation of linear combinations of true scores, 33933
comparison of accuracy of different procedures for estimating standard error of correlations corrected for restriction in range, 25128
correlated errors & changing error variances, generalizability & dependability coefficients, 10564
estimation of conditional measurement error variances specific to individual examinees or each point on raw score scale of test, 14429
factor analysis model with heteroscedastic errors, 151
generalizability analysis & standard error measurement as alternative to conventional statistical analysis applications to educational measurement & interpretation, 28630
generalized estimating equations method, analysis of within-cluster correlation in regression models with continuous & binary outcomes, application to prevention program effectiveness evaluation, 6146
indirect range restriction on X & Y variables, sampling error variability in correlation coefficient, conference presentation, 37548
integrated multiple determinacy & measurement error, explanation for trait-behavior & behavior-behavior correlations, 22541
item response theory method, estimation of average conditional standard error of measurement for & reliability of scale scores, 14437
measurement error, statistical tests for mean differences, 37552

method for handling non-constant variance & computing confidence intervals for biweight midregression lines with heteroscedastic error term, 162
multilevel item response models approach to measurement errors in variables regression, 28621
multiple regression approach vs standard error scree test, consistency with visual scree test in factor analysis, 10592
problems associated with & detection & measurement of response error within the context of total error, implications for consumer survey research, 33763
reliability & predictive validity of difference scores in applied testing situations, commentary, 21159
reliability & predictive validity of difference scores in applied testing situations, commentary, 21167
reliability & predictive validity of difference scores in applied testing situations, commentary reply, 21200
reliability & predictive validity of difference scores in applied testing situations, 163
runs test, evaluation of nonindependent errors in time-series regression models, 17746
size of variance attached to parallel processes, magnitude of mean interaction contrast effect, 14453
types & errors of measurement of & sampling properties in longitudinal studies, 25137

Error Variance [See Error of Measurement]

Errors [See Also Error of Measurement, Prediction Errors] —Serials

acceptance of fallibility & willingness to revise judgments & avoidable vs unavoidable mistakes in child protection work, social workers, 27700
age, production of errors at intellectual vs sensorimotor vs flexible action pattern levels of regulation within computer-based work, 19–60 yr old office workers, Germany, 28177
ambient sounds, accuracy of prescription filling, pharmacists, 24790
asymmetries & errors in perception of crossed & uncrossed depth disparities, Os, 21262
clerical error rates on WISC-III vs WISC-R, school psychologists, 2682
cognitive strategies to deal with system error in scientific reasoning task & hypotheses testing, college students, 21359
conjunction errors in 3 event variant of classical Linda scenario, fictional probability ratings vs probabilities of real life events, adults, 6347
correlated errors & changing error variances, generalizability & dependability coefficients, 10564
delayed visual feedback using dynamic programming matching analysis, errors in writing, students, Japan, 25240
device deficiencies & potential for error in interaction with computer-based infusion treatment device, nurses, 24887
do-it-yourself vs distance-to-goal problem solving methods, change in misconceptions of facts regarding Berlin Wall, college students, France, 2836
dynamic assessment involving specific vs general instructional strategy, experts' vs novices' error patterns in solving part–whole mathematical word problems, 3rd grade males & females, 20548
errors during sequence learning, delayed recall, adults, 2876
errors in recounting details of trauma injuries, 2–5 yr olds, 6-mo followup, implications for use of children as witnesses, 18504
fine vs gross discrimination error & confidence in response, feedback study time, college students, 245
induced pain & memory search, reaction time & errors & event-related potentials, 22–28 yr olds, 41394
intelligence theories & IQ tests & issues in genetic & environmental factors & sex & ethnic differences & methodological errors in prediction of ability, commentary, 18925
intention to prevent consecutive answer repetition as necessary condition for negative error priming & sensitivity of error priming to operand relatedness & position, college students, Canada, 17883
interparticipant differences in transitive inferences from set-inclusion relations, errors due to working memory load & processing capacity during problem solving & reasoning tasks, adults, France, 6289
life transition phase & semantic vs lexical memory systems in knowledge of public events & names between 1930s & 1980s, adults, 38694
memory problems vs inhibition of selection of correct response, resolution of multiplication problems, 13–14 yr olds with learning disabilities, France, 42628
methodological errors in & detraction from credibility & value of grounded theory research, 6171
object orientation & size, response time & error rates in visual perception of affine-invariant coordinates, Os, 14545
overconfidence in empirical data as systematic bias in judgment or artifact due to presence of error, college students, conference presentation, 40954
permissible error approach to the threshold of capacity in property management, individuals judged capable (mean age 69.1 yrs) vs incapable (mean age 75.8 yrs), legal implications, Canada, 33871
postural condition, error rate in judgment of distance at which static vs dynamic object is reachable, college students, 14538
publicized errors in examinations of differential effects of treatments among evaluations of device-based training in US Army, implications for Close Combat Tactical Trainer, 31944
right hemisphere amobarbital, reading errors, adults with complex partial seizures, 36139
RT & error rates of indecisives & decisives in simple & complex tasks, adults, 37706
rule & memory model of past tense overregularization in language learning development, children, 744
sampling errors & market research survey data, 14464
self monitoring of & personal reactions to mistakes, college students with high vs low level of perfectionistic concern over mistakes, 30493
simultaneous concrete & unnatural representation as cause of conjunction errors in solving Linda conjunction problem, college students, 21336
spelling errors of dictated common English words, Spanish speaking vs English speaking 2nd–3rd & 5th–6th graders, implications for cognitive theory of orthographic transitioning, 15215
task demand & noise & anxiety level, sustained attention task errors, college students, 21462
truth & Freudian slip, 23 yr old female client, speculated interpretation by Freud & J. Lacan & R. D. Laing, 38829
types of errors & procedures for their prevention & correction in computer assisted research, 6156
undetected & self reported propensity to error making & individual differences in skilled cognitive performance, adults, 25247
unrelated & unknown vs arbitrarily related & learned items, base rate errors in matching cued physically similar items, adults, implications for interference from pre-existing associations, letter, 6377
word & pseudoword reading errors, 75 yr old dysgraphic & dyslexic male, implications for role of graphemic buffer in reading, 12431
word form generation contraints & word characteristics, speech errors, undergraduates, 29679
word pair cuing with novel associates & immediate vs delayed test, errorless vs errorful verbal learning measured by spontaneous recovery, memory impaired adults, cognitive rehabilitation implications, 42839

Erythrocytes—Serials

anemia & erythrocyte sedimentation rate & white blood count & blood glucose & serum iron & potassium, subjective & objective health & quality of life, 80 yr olds, 5 yr followup, 1502
calpain & calpastatin activities, obsessive compulsive patients (mean age 34.2 yrs), 39093
erythrocyte membrane fluidity at hospital admission vs 1 mo of refeeding, females with anorexia nervosa, 5267
genetic vulnerability & severity of psychopathology, hypertonic hemolysis in evaluation of osmotic behavior of erythrocytes, 18–68 yr olds with depression vs manic episode vs nonaffective psychosis, 1247
iron metabolism & erythron levels & response to antidepressant treatment, patients with major depression, 30882

serum & red blood cell & tissue electrolytes, stress induced hypertension, male rats, 6787
Escape [See Avoidance]
Escape Behavior (Animal) [See Animal Escape Behavior]
Escape Conditioning—Serials
isolation & morphine injection, place preference conditioning & avoidance & escape learning, 4–5 wk old male mice, 29050
positive vs negative reinforcement sensitivity, escape-maintained destructive behavior, 7–9 yr old inpatients, 39165
ritanserin vs 8-OH-DPAT vs prazosin, raclopride vs haloperidol induced conditioned avoidance & escape responses, male rats, implications for 5-HT & dopamine receptor specific interactions, 15080
0 vs 2 vs 10 training trials in aversively-motivated escape task, impairing effects of left vs right amygdala inactivation with lidocaine on subsequent retention performance, male rats, 34642
Eserine [See Physostigmine]
Eskimos—Serials
isumaluttuq vs demon possession vs mental illness causal attribution & perception of likelihood of recovery, amount of preferred social distance, Inuit 16–78 yr olds, Canada, 22711
ESL [See English as Second Language]
ESP (Parapsychology) [See Extrasensory Perception]
Essential Hypertension—Serials
age & gender, dimensions of anger & hostility, patients with coronary heart disease vs essential hypertension, Italy, 16294
age & sex, neurobiology of dimensions of anger & hostility, patients with coronary heart disease vs essential hypertension, Italy, commentary, 23353
association betweeen alexithymia & essential hypertension, hypertensive vs psychiatric patients, Italy, 1146
stressful vs relaxed talking with clinician during medical visit, systolic & diastolic BP, 19–86 yr olds with essential hypertension, 19581
Esterases [See Also Acetylcholinesterase, Cholinesterase] —Serials
cyclic adenosine monophosphate analog & phosphodiesterase inhibitor, long term habituation to visual danger stimulus, male crabs, 7050
Estimation [See Also Statistical Estimation, Time Estimation] —Serials
agency awareness acquiescence & age & acquiescence in other areas & social desirability, agency awareness estimates, physicians, 16838
application of optimal data selection model to reduced array selection task, college students, Wales, 21355
differential construal & group identification & uniqueness & selective exposure, consensus estimation concerning religion, involved vs less involved Christians vs nonbelievers, Netherlands, 7647
display characteristics, bias estimates of whisker length of regular & notched boxplots, college students, 10711
evaluation & combination of subjective probability estimates, uncertainty in categorical events, decision makers, conference presentation, 41095
influence of memory, estimation of past vs present vs future wool vs butter vs stamps vs general costs, general adult population vs members of wool industry, New Zealand, 300
item recognition & estimation of word occurrence frequency, 20–56 yr old patients with frontal lobe lesions, 31803
level of eating restraint, perceptions & estimations of caloric intake, adult females, 11734
memorability of event, use of enumeration in event frequency estimation, college students, Canada, 37765
perceived product quality, estimated product price, 18–25 yr old consumers, 5822
precision & accuracy of judgmental estimation, adults, 34252
precision & reliability & accuracy in symptom onset recall, 8–18 yr old psychiatric outpatients & their parents, England & US, 7828
problem & problem-solver characteristics, calibration of best estimates in judgments including actual outcome, experts vs novices in real estate practice, 6344
self-predicted vs earned course grades, college students, 17185
size estimations of continents, 11–12 yr olds, England, 24627
synthetic estimation, prevalence of drinking & driving, county residents, implications for assessment of prevalence of health behaviors, 42493
visual–haptic discordance in object presentation, touch vs sight dominance in object size estimates, college students, 17807
Estradiol—Serials
beta-estradiol vs antiestrogen tamoxifen, voluntary alcohol consumption & immobility in swim test of depressive behavior & aggression toward intruders, gonadectomized male vs female mice, 3225
castration & selective replacement of estradiol & testosterone & 11-ketotestosterone, hypothalamic immunoreactive gonadotropin-releasing hormone neurons, male cichlids, 25497
degree of eating pathology & diet composition & dietary fat & energy intake & serum estradiol concentration & menstrual cycle, 18–20 yr olds, 26832
early postnatal alcohol exposure, maternal behavior toward pups & estradiol & progesterone blood levels, 25–29 day old rats, 15106
endogenous estradiol & progesterone, cardiovascular activity at rest vs during stress, female college students, 3140
estradiol & progesterone, effect of kappa receptor specific opioid antagonists vs agonists on antinociception, female rats with hormone simulated pregnancy, 29265
estradiol &/or progesterone, pain sensitivity & brain opioid receptors, ovariectomized rats, 25577
estradiol benzoate, effects of progesterone & other neuroactive steroid on pain thresholds through action at GABA receptors, female rats, 3214
estradiol receptor antagonist MER-25, taste aversion & food intake, male mice vs female gerbils, 591
estradiol, sexual receptivity & vaginal estrus & lordosis displays & running wheel activity, female prairie voles, 11121
food deprivation & estrus stage, estradiol-induced LH surge & running wheel activity, female hamsters, 11047
growth hormone, recovery of estrous cycle & acquisition of active vs passive avoidance responses & novelty induced grooming & prolactin & LH & estradiol levels, female rats, 14948
ovariectomy with estradiol & progesterone, coital interaction intensity & duration as reward in conditioned place preference paradigm, freely moving female rats with access to confined males, 21902
repeated estradiol, lordosis inhibiting action of 5-HT agonist 8-OH-DPAT in ventromedial nucleus of hypothalamus, ovariectomized rats, 18230
stage of menstrual cycle, fluctuations in plasma estradiol & progesterone & HVA, healthy females, implications for prediction & monitoring of response to neuroleptic treatment, 11038
1,4,6-androstatriene-3,17-dione & chemosensory vs distal stimulus animal cues, male vs female sexual partner preference & behavior, gonadectomized adult rats treated with estradiol, 6816
Estrogen Antagonists [See Antiestrogens]
Estrogen Replacement Therapy [See Hormone Therapy]
Estrogens [See Also Estradiol]—Serials
aromatase inhibition of estrogen production, activation & sexual differentiation of male appetitive sexual behavior, male vs female Japanese quail deprived of steroids as embryos, 29504
body weight & estrogen & cognitive functioning, males (mean age 72.6 yrs) vs females (mean age 73.2 yrs) with Alzheimer's disease, 31742
effects of estrogen in CNS & role of estrogen in cerebral blood flow & mental function & Alzheimer's disease & treatment of dementia, literature review, 24012
estrogen & estrogen replacement therapy, depression & well being & cognition, post-menopausal females, literature review 1933–96, 36455
estrogen & progesterone, brain stimulation reward, female rats, 21784

estrogen & progesterone treatment, receipt of penile intromissions, adult gonadectomized male short-tailed opossums, 38032
estrogen & progestin, hippocampal formation & basal forebrain, rats, implications for aging & neurodegenerative diseases, 34561
estrogen, dementia of Alzheimer's type, human females, literature review, 1981–96, 36419
estrogen replacement & estrogen related prevention of silent ischemic brain damage, cognitive performance, 45–75 yr old postmenopausal females, Austria, 27449
estrogen replacement therapy, memory, 32–65 yr old menopausal women, literature review, 1952–96, 36509
estrogen replacement therapy, risk of developing Alzheimer's disease, 28–94 yr old females, 16 yr longitudinal study, 39911
estrogen vs estrogen & progesterone, expression of norepinephrine gene in locus coeruleus, rhesus monkeys, implications for drug therapy for depression associated with reproductive function in women, 41520
galanin microinjected within medial preoptic nucleus, lordosis & mount behaviors, estrogen- vs testosterone-primed female rats, 21820
high dose estrogen immediately following delivery, relapse prevention, pregnant females with histories of puerperal psychosis vs major depression & no nonpuerperal affective disorder, 1856
hypoestrogenism & hyperandrogenism, clinical features of schizophrenia, 21 yr old female, case report, 31003
menstrual cycle phase & psychotic symptoms, female schizophrenics, literature review, 31037
neonatal testosterone for females & male testes removal, swim stress induced & NMDA mediated analgesia in presence of estrogen, mice, 3172
ovarian hormones, cardiovascular risk factors & BP & lipids & weight & physiological stress reaction, premenopausal 40–50 yr olds pre & post hysterectomy &/vs bilateral salpingo oophorectomy, followup, 39918
ovariectomy & estrogen replacement, nerve growth factor trkA messenger RNA levels in basal forebrain, female rats, implications for cognitive deficits in aging & Alzheimer's disease, 3083
perinatal estrogen, sexually dimorphic anxiety response to novel environment, rats, 608
pretraining on spatial delayed matching to sample followed by estrogen, working memory performance under retention intervals with vs without emotional distraction, ovariectomized rats, 6745
progesterone, female typical sexual behavior & hypothalamic estrogen & progesterone receptor mRNA expression, ovariectomized female whiptail lizards, 18228
role of estrogen in prevention & treatment of dementia, commentary, 24038
transdermal vs oral administration of estrogen, lumbar spine bone marrow density, 16 yr old female with osteopenia from anorexia nervosa, case report, 42661
use in studies of behavioral neuroendocrinology, mice with induced disruption of estrogen receptor gene, conference presentation, 38042

Estrus—Serials

chronic stress, lever pressing for food & body weight & plasma ACTH & corticosterone & prolactin & estradiol & progesterone & estrous cycle length, female rats, 6729
consortship & female attractiveness for breeding & estrous cycles, bottlenose dolphins, 380
estradiol, sexual receptivity & vaginal estrus & lordosis displays & running wheel activity, female prairie voles, 11121
estrous cycle related plasticity, spatial memory performance, regularly cycling female rats, 37846
food deprivation & estrus stage, estradiol-induced LH surge & running wheel activity, female hamsters, 11047
growth hormone, recovery of estrous cycle & acquisition of active vs passive avoidance responses & novelty induced grooming & prolactin & LH & estradiol levels, female rats, 14948
hippocampal spatial vs nonhippocampal nonspatial learning of water maze task, female rats in different stages of estrous cycle vs males, 29210
im prostaglandin, behavior during estrus & choice of mounting partner, mature vs young female cows, 18274
ovarian steroids, benzodiazepine receptor & postrestraint stress receptor binding over estrus cycle, female rats, 6830
oxytocin & estrus cycle & endocrine profile, weight gain & food intake, female slowly vs rapidly growing Sprague-Dawley rat variants, 7100
predation risk, estrous cycles, female bank voles, 559
sexual activity & estrus detection, female milking cows, 10890
social order in pen vs pasture conditions & agonistic interactions & sexual behavior during estrus cows, 34452
spatial learning & memory in hippocampal-dependent maze task, estrus vs proestrus female rats, 29205
stress induced by high social density vs electric foot shock, estrus suppression, female mice, 545
time of day & phase of estrous cycle, hippocampal plasticity as measured by long term potentiation, male vs female rats, implications for memory & learning, 3098

Ethanal [See Acetaldehyde]

Ethanol—Serials

acamprosate administration, alcohol deprivation effect in operant free choice paradigm, rats given continuous vs limited ethanol access, 41471
action of naloxone & naltrexone & morphine & other opioid alkaloids, propensity to drink alcoholic beverages, rats, 7041
acute & chronic in vivo & in vitro prenatal ethanol, heme oxygenase activity in hippocampus & frontal cerebral cortex & cerebellum, near-term fetal guinea pigs, 38088
acute ethanol, pentylenetetrazol vs NMDA induced c-fos vs c-jun immunoreactivity, rat hippocampus & cerebral cortex, 29530
adrenalectomy, development of alcohol preference & role of hypothalamo-pituitary-adrenal axis in alcohol intoxication, male rats, 11159
age related differences, ethanol interoceptive discriminative cue & consumption reduction, 6 mo vs 12 mo old female mice, 38106
alcohol administration during early or midlactational stages, suckling-induced prolactin release & milk consumption & litter growth, rats, 41527
alcohol consumption, mortality & hospital admission, 18–67 yr old twins, longitudinal study, Sweden, 35795
alcohol exposure during 3–8 wks of age in adolescence, cross maze anxiety & response to stress in inescapable situation during 10th wk of age, alcohol preferring rats, 11199
alcohol injections separated by 1 vs 2 days, initial alcohol sensitivity & alcohol tolerance development in righting reflex, male rats selectively bred for alcohol preference vs nonpreference, 11154
alcohol intake, kinesthetic memory & T-maze performance & interference, social drinkers, 3223
alcohol, selective & sustained attention & memory & mood & psychomotor performance, adults with vs without upper respiratory tract illness, 15093
alprazolam vs buspirone with vs without ethanol, self-rated cognitive performance, non-drug abusing 21–50 yr olds, 18334
angiotensin II antagonists, ethanol intoxication assessed by aerial righting reflex, male rats, 11216
angiotension II, ethanol vs water intake, male rats, 606
antagonism by benzodiazepine partial inverse agonist Ro 15-4513 of discriminative stimulus effects of ethanol, male rats, 41457
anxiety & self consciousness, speech fluency, college students vs social alcohol drinkers vs adults with Wernicke's vs Broca's aphasia, 3737
basal level of sleepiness/alertness & circadian time, sedative & performance disruptive effects of ethanol consumed after 4 vs 8 hrs in bed, health male 21–45 yr olds, 11196
BAY k 8644 with vs without nimodipine, ethanol preference & intake & food & total fluid intake, alcohol-preferring rats, 18282
behavioral vs subjective effects of ethanol vs pentobarbital, sedative drug abuse liability, 29–42 yr olds, 39212
benzodiazepine receptor ligands, palatibility-induced ethanol intake, alcohol nonpreferring male rats, 6939

beta-estradiol vs antiestrogen tamoxifen, voluntary alcohol consumption & immobility in swim test of depressive behavior & aggression toward intruders, gonadectomized male vs female mice, 3225
bilateral lesions in medial prefrontal cortex, serotonin system monoamines in medial prefrontal cortex & nucleus accumbens & raphe nucleus & sucrose-ethanol solution consumption, male rats, 39493
binge-like alcohol exposure, total Purkinje cell count, male rat pups at postnatal day 4 vs 9, 38104
biphasic in vivo immune function, acute vs chronic low vs high dose alcohol consumption, male rats, 34683
biphasic locomotor response to ethanol & influence of stress, male rats with high vs low response to novelty, 593
brain nitric oxide inhibition, ethanol self-administration & preference, male rats, 577
bromocriptine, chronic oral ethanol vs tap water self administration, male rats, 15064
calcium channel antagonists, ethanol preference & intake & food & total fluid intake, alcohol preferring rats, 11124
characteristics & effects of voluntary alcohol consumption, C57BL/6J vs DBA/2J rat strains & their BXD recombinant inbred offspring, genetic model of trait loci controlling alcohol consumption, 11137
cholecystokinin gastrointestinal tract & brain receptor antagonists, spontaneous drinking behavior, ethanol vs water preferring rats, 37962
chronic drug treatment, tolerance to ethanol & nicotine, female C57BL/6 mice, 29524
chronic ethanol & withdrawal & reinforcement, dopamine & 5-HT release in nucleus accumbens, male rats, implications for neuroadaptation theories of withdrawal, 18348
chronic ethanol, brain [3H]nicotine & [125]alpha-bungarotoxin receptor binding, female LS & SS mice, 6 mo study, 38080
chronic ethanol consumption & withdrawal, morphology & chemoarchitecture of suprachiasmatic nucleus, rats, 34557
chronic ethanol diet, subsequent intake of ethanol during abstinence in presence of alternate reinforcer & blood alcohol levels & ethanol self administration during withdrawal, rats, 11201
chronic ethanol, inositol triphosphate & tetrakisphosphate receptor binding in cerebellum & hippocampus, rats, 25611
chronic ethanol vs acetaldehyde, desensitization of function of beta endorphin secretory hypothalamic neurons, rats, 34640
chronic inhalation of ethanol &/or isradipine, withdrawal hyperexcitability in isolated hippocampal slices & in vivo & in vitro, mice, 11194
chronic maternal ethanol exposure, brain development & hippocampal glutamate & NMDA binding sites, near-term fetal guinea pigs, erratum, 6810
chronic prenatal ethanol with vs without supplementary thiamine hydrochloride, neurobehavioral development & hippocampal histology, 1–45 day old rat pups, implications for deficiency mechanisms, 6814
combined treatment with amperozide & naltrexone, alcohol intake, high alcohol drinking rats, 6962
concentration of ethanol concurrently available under FR reinforcement schedules, responding, male rhesus monkeys, 641
cry analysis to detect subclinical effects of prenatal alcohol exposure, neonates, 22058
daidzin & daidzein & peurarin plant extracts, ethanol intake, female rats from selectively-bred P line, animal model of alcoholism, 21879
daily shock, preference for ethanol consumption, rats, 11131
dexfenfluramine & 5-HT agonist 8-OH-DPAT, impulsivity in delay-of-reward paradigm, male rats, implications for relation of impulsivity to alcohol consumption, 7031
dexmedetomidine vs diazepam vs propranolol, treatment of ethanol withdrawal symptoms, rats, 41511
diadzin, ethanol consumption, male Wistar rats, 29556
dietary gamma-linolenic acid or safflower oil, ethanol tolerance, male rats, 6996
dietary prenatal alcohol exposure, development of blood brain barrier, pregnant female rats, 38148
diltiazem vs isradipine vs nicardipine, role of taste aversion in suppression of saccharin & alcohol drinking induced by L type calcium channel inhibitors, rats, 15082
dipsogen angiotensin II, ethanol solution &/vs water intake, male mice habituated to drinking ethanol solution, 6831
discriminative stimulus effects of ethanol vs allopregnanolone, female monkeys trained to discriminate ethanol, 3220
diseases necessitating hospital treatment & alcohol abuse & dependence, 18–64 yr old inpatients, Germany, 35806
distinctive floor CS with vs without saline paired with ethanol UCS & interstimulus interval, conditioned place preference vs aversion, male DBA/2J mice, 18051
dizocilpine, learning vs motor components of ethanol tolerance on circular maze, male rats, 7040
dose of alcohol/kg of body weight, aggressive responses, female 21 yr olds & older, 3210
drinking history & alcohol dose & acute tolerance, breath vs blood alcohol concentration, 29–46 yr old healthy male light vs moderate social drinkers, 38113
early weaning & social isolation, voluntary ethanol intake & general activity during prepuberal age & adult age corticosterone levels, male rat pups, 37867
EEG response to alcohol challenge, long term alcohol drinking behavior & dependency, non alcohol-dependent 19–20 yr olds with vs without alcoholic fathers, 10 yr followup, 8284
endogenous opioid & dopaminergic system, mediation of reinforcing effects & consumption of alcohol & alcoholism, humans & mice, 4330
endogenous opioid system as mediator in reinforcing effects of ethanol, adults at high vs low risk for alcoholism development & ethanol preferring vs avoiding mice, 6904
ethanol & lithium chloride induced conditioned taste aversions, c-Fos immunoreactivity in brainstem, rats, 29626
ethanol & restraint stress schedule, adaptation & food intake, male rats, implications for cause of depression, 18103
ethanol anticipation on dopamine efflux in nucleus accumbens, reinforcement substrates in alcohol-seeking behavior, male alcohol-preferring vs Wistar rats, 25586
ethanol as neurochemical surrogate of natural reinforcers & role of link between dopamine & opioids, 6870
ethanol, binding of raclopride to dopamine D2 receptors, 20–24 yr old males, Finland, 34703
ethanol, brown adipose tissue thermogenesis & energy expenditure & fat deposition, male mice, 7008
ethanol, cocaine & alfentanil & nomifensine self administration, rhesus monkeys, 29503
ethanol, conditioned freezing, rats, 38161
ethanol consumption & predisposing polygenes in congenic animal models, mice, 29040
ethanol consumption & taste perception & burning sensation, C57BL/6ByJ vs 129/J male mice, 11103
ethanol consumption before & after immunization, delayed hypersensitivity reactions, female C57BL/6 mice, 38174
ethanol, dendritic pruning & behavioral recovery, male rats with forelimb-representation area of sensorimotor cortex lesions, 41480
ethanol, development of vitreous humor & retina, chick embryos, 38085
ethanol, developmental differences in sedative effects as indicated by righting reflex recovery & locomotor activity & pharmacokinetics, male 20 vs 30 vs 60 day old rats, 25590
ethanol dosage levels, extracellular dopamine in nucleus accumbens, male Fischer 344 vs Lewis rats, 15062
ethanol dosage, negative priming & divided attention, 21–24 yr olds, 3199
ethanol dose, attentional control, 20–50 yr old light–moderate social drinkers, 38143
ethanol effects on spatial cognitive processing, 29584
ethanol, induction of long term potentiation in hippocampal slices, 15–25 vs 70–100 day old male rats, 7089
ethanol, inhibition of long term potentiation in CA1 region of hippocampus, male rats, 34705
ethanol intake & alcohol dependent behavior after chronic ethanol intoxication by inhalation, male rats, 34634
ethanol intake, sardinian alcohol-preferring vs alcohol-nonpreferring male rats, 29148

ethanol, intensity dependence of dipole activity, alcoholic 31–66 yr olds in states of intoxication vs withdrawal, 16079
ethanol, nonspatial working memory & attention & septohippocampal functioning, rats, 29550
ethanol self administration, aggressive behavior during intruder confrontation, male resident rats, 38169
ethanol, spatial processing of hippocampal place cells, male rats, implications for impaired navigation during intoxication, 11168
ethanol, threshold intensity for motor EPs in abductor digiti minimi muscle as assessed with transcranial magnetic stimulation, adults, 15109
ethanol vs chlordiazepoxide, social separation & aggression induced vocalizations, squirrel monkeys, 18347
ethanol vs nitric oxide synthase inhibitor vs NMDA competitive antagonist, discriminative stimulus effects, male rats, 34663
ethanol vs sucrose concentration in sucrose/ethanol vs sucrose solutions, reinforced response behavior, male rats, 29072
ethanol withdrawal, conditioned place & taste aversion, rats, 34657
factor analysis of behavioral differences & similarities, alcohol preferring vs nonpreferring rat strains, 41265
familiar vs unfamiliar alcoholic beverage consumption, cognitive & subjective & psychophysiological indicators of ethanol tolerance, male 18–25 yr olds, test of classical conditioning hypothesis, 25603
fetal alcohol exposure, performance of alternation task & expression of immediate early gene RNA in brain areas, female rats, 7010
fetal ethanol, corticosterone & ACTH stress responses to DST, rats, role of hypothalamic-pituitary-adrenal axis in hormonal hyperresponsiveness in fetal alcohol exposure, 7021
follicular vs luteal phase of menstrual cycle, discriminative stimulus effects of ethanol vs neurosteroid allopregnanalone, cynomolgus monkeys, 25578
food restriction vs satiation & water with PCP vs ethanol in concurrent self-reinforcement, drug-maintained responses & deliveries & break points in behavioral economics of demand, male monkeys, 18333
forced-swim & plus-maze mobility & voluntary ethanol & saccharin intake, inbred Wjd vs Har Fawn-Hooded rat strains, animal model of hypercortisolemia & altered serotonergic response, 18134
forced time-off from ethanol, oral ethanol self administration, rats trained in limited access paradigm, 41200
fostering vs handling, hypothalamic-pituitary-adrenal axis development, alcohol exposed rat pups, 34625
frequency of alcohol drinking, activity of aldehyde dehydrogenase & catalase enzyme in brain, rats, 592
heavy ethanol consumption & cocaine use after discharge from treatment for opioid addiction, 18–70 yr old alcohol-dependent vs nondependent methadone-maintenance clients, 1 yr study, 26652
icv corticosterone, facilitation of ethanol consumption, male rats, 15026
identification of biochemical measures of alcohol consumption & development of diagnostic trait markers, 19–67 yr olds, 35809
Imaginary Audience scale scores & self-handicapping strategies & grades & ethanol drinking patterns & negative consequences, 17–48 yr olds, 15308
increase in number of previous ethanol withdrawal experiences, severity & intensity of withdrawal response, male rats, 38075
increasing dose vs chronic naltrexone, ethanol drinking acquisition, established alcohol-drinking C57BL/6J mice vs alcohol-naive mice, 38149
intensity of reaction to alcohol, nonalcoholic Mission Indian male 18–25 yr olds with less than vs at least fifty percent Native American heritage, conference presentation, 38101
interaction of ethanol & CNS neurotransmitters & psychotropic medication & clinical consequences for treatment of mood & anxiety disorders, 16623
ipsapirone, substitution for ethanol cue in drug discrimination & conditioned taste aversion, rats, implications for simple stimulus subsitution in animal models of alcoholism, 6865
iv self administration of heroin vs ethanol, alcohol preferring vs alcohol avoiding rats, 600
late afternoon ethanol vs mineral water intake, nocturnal sleep & sleep EEG, middle-aged males (mean age 61.6 yrs), 25588
length of chronic ethanol exposure & subsequent abstinence, midlatency auditory evoked potentials, male rats, 34654
level of saccharin intake & food deprivation, rate of acquisition of cocaine iv self administration & subsequent self administration of oral ethanol, male rats, 6898
lifelong ethanol consumption & aging, cerebellar cortical layer volumes, alcohol-preferring vs nonpreferring rats (aged 3 or 24 mo), 29603
liver regeneration by hepatectomy, voluntary alcohol intake & brain beta-carbolines & serotonin system activation, rats with liver dysfunction induced by portocaval anastomosis vs thioacetamide, 38099
liver transplants, alcohol drinking, AA vs ANA male rats, 37936
long term ethanol intake &/vs thiamin deficiency, memory, male rats, implications for etiology of Korsakoffs syndrome, 29560
low dose morphine, self selection of ethanol vs sucrose solutions, male rats, 29624
low vs high ethanol dosages, conditioned place preferences, male rats pre-exposed to ethanol vs saline, 21484
mapping of genes responsible for ethanol sensitivity, Long- vs Short-Sleep vs recombinant inbred mouse strains, 18132
maternal treatment with buspirone, dopamine & norepinephrine reuptake sites & D1 receptors, offspring of ethanol-fed rats, 34659
mianserin, acquisition of ethanol induced conditioned place preference, male mice, 626
molecular genetic methods for delineation of role of GABA type A receptor complex & GABA transmission, genetic variation in behavioral responses to ethanol, literature review, 3030
mu & delta opioid receptor distribution & density in limbic system & ventral tegmental area & nucleus accumbens & other brain regions, alcohol-preferring C57BL/6 vs alcohol-aversive DBA/2 male mice, 37963
naloxone, conditioned taste aversion mediated suppression of ethanol intake on limited access schedule, male rats, 21833
naloxone dose, ethanol induced conditioned taste aversion, alcohol preferring vs avoiding strains of mice, 575
naltrexone, alcohol taste reactivity & consumption, male Long-Evans rats, 38112
naltrexone dose, acquisition of voluntary ethanol drinking, male rats, 38089
naltrexone, subjective mood & stimulation & sedation during rise vs fall in breath alcohol level, 21–31 yr old males with high vs low familial risk for alcoholism, 19374
neonatal exposure to cocaine &/vs ethanol, performance on digging maze, rat pups, model of behavioral teratogenesis, 3193
neurochemical mediation of alcohol reinforcement & alcohol dependence, 3241
nicotine & calorie-free tonic water with vs without alcohol, energy expenditure & thermogenic effects, male vs female 21–31 yr old smokers & moderate alcohol consumers, 7025
nicotine CS paired with alcohol or soft drink UCS, skin conductance & heart beat interval & subjective & behavioral CRs & discrimination performance, 21–44 yr olds, 3204
nifedipine vs verapamil vs cinnarizine, effect of ethanol on EEG in frontal cortex & hippocampus & midbrain reticular formation, rabbits, 11122
NK3 tachykinin agonist senktide & mediation by 5-HT antagonist ritanserin, wet dog & head shakes, Sardinian alcohol preferring vs Wistar rats, 18278
NMDA receptor antagonist MK-801 &/vs ethanol, locomotor activity, male alcohol-tolerant vs -nontolerant rats, 38167

NMDA receptors & MK-801 binding in brain regions, genetically determined differences in hypnotic sensitivity to ethanol, long-sleep vs short-sleep selectively bred mice, 11225
nonalcoholic beer with vs without 10% added ethanol, alcohol intake & preferences & operant reinforcement, male rats, 631
novel 5-HT agonist/antagonist FG5865, alcohol intake, high alcohol drinking rats, 3244
nucleus accumbens infusions of GABA agonist muscimol &/or antagonist bicuculline, onset & maintenance & termination of ethanol-reinforced responding, male rats, 6924
operant self administration of ethanol & locomotor stimulation response, selectively bred fast vs slow mice, 7058
oral ethanol &/vs iv yohimbine, intoxication & anxiety & blood pressure & plasma 3-methoxy-4-hydroxyphenylethylene glycol & cortisol, adults, 6993
pentylenetetrazol & bicuculline & icrotoxin & strychnine & memantine, ethanol-induced behavioral sleep & body temperature, rats, 38076
periodic naltrexone, propensity of alcohol intake, male rats, 25602
pimozide, ethanol preference & intake, male Maudsley Reactive vs Wistar rats differing in amount of ethanol consumption, 11139
predictive power of CAGE questionnaire, detection of problem drinking, male vs female college students, 25063
preferred maintenance of saccharin sweetened alcohol self administration vs isocaloric sucrose solution, male rats, 18300
pregnenolone vs pregnenolone sulfate vs dehydroepiandrosterone vs dehydroepiandrosterone sulfate, working memory & memory impairing effect of ethanol, male mice, 3252
prenatal &/vs postnatal ethanol, heart rate & motor & behavioral reactivity to ethanol odor, 16 day old rats, 580
prenatal alcohol & aging, brain stem auditory ERP assessed peripheral & central auditory dysfunction, rats at 6 vs 12 vs 18 mo old, model of fetal alcohol syndrome, 11115
prenatal alcohol, ACTH response of hypothalamic-pituitary-adrenal system to interleukins vs endotoxin vs turpentine & mediation by sexual maturation level, male vs female rats, 6965
prenatal alcohol during gestational days 17–20, motor responsiveness to alcohol odor, neonate rats, 6872
prenatal ethanol & restraint stress, adult ejaculation & testosterone & LH, male rats, 15104
prenatal ethanol & stress in adulthood, lymphocyte populations, male vs female rats, erratum, 6906
prenatal ethanol, auditory discrimination & reversal learning assessment procedure, adult rats, animal model of fetal alcohol syndrome, 11128
prenatal ethanol exposure & early experience, home-cage & open-field activity, male & female mice, 38137
prenatal ethanol exposure, hippocampal theta activity, adult rats, 34644
prenatal ethanol exposure, memory in delayed alternation task, juvenile vs young adult vs adult male rats, 38140
prenatal ethanol exposure, parvalbumin-expressing GABAergic neurons of medial septum, adult rats, implications for fetal alcohol syndrome, 41497
prenatal ethanol expsoure, expression of cellular retinol binding protein & nuclear retinoic acid receptors, rat embryo or fetal brain tissue, 6913
prenatal ethanol, interleukin-induced fever & motor activity & plasma ACTH & corticosterone & food intake, male rats, 15108
prenatal ethanol supplemented with linolenic acid vs gamma linolenic acid, 20 & 22 carbon n-6 & n-3 fatty acids & adult brain & body weight & circadian activity & birth weight, mice, 7105
prenatal low vs high dose alcohol, birth weight & passive avoidance learning & ambulation, rats, 6811
psychophysiological methodology in research on emotional & arousal effects of alcohol, literature review, 3281
putative oxidative metabolites of 1-methyl-6-hydroxy-1,2,3,4-tetrahydro-β-carboline, addictive & neurogenerative consequences of ethanol abuse, mice, 34728
receptor specific serotonin reuptake inhibitors fluoxetine vs paroxetine generalization of discriminative effects of ethanol, male rats, 29589
repeated ethanol &/vs stress exposure, oscillation of frontal cortical KCl-evoked D-(3H)aspartate efflux & striatal amphetamine-induced dopamine efflux, male rats, 6844
repeated exposure to moderate doses of alcohol, motor response frequency & duration, rat fetuses, implications for sensitization to toxic and chemosensory aspects alcohol, 29520
restraint stress, hypothalamic-pituitary-adrenal & adrenal beta-endorphin responses, fetal ethanol exposed rats, 11223
role of benzodiazepine-GABA receptor complex in modulating ethanol & sucrose consumption, rats, 38147
role of endorphins in alcohol drinking behavior after abstinence period & development of experimental addiction, animals, 7102
scopolamine vs pirenzepine vs mecamylamine vs nicotine, locomotor activity, alcohol preferring vs nonpreferring female rats, 29567
selective central CB1 cannaboid receptor antagonist SC 141716, sucrose feeding & drinking & food & water & ethanol consumption, male rats & mice, 41434
sensitivity of supratemporal vs frontal mismatch negativity to ethanol, duration of auditory sensory memory trace or attention during reading task, 23–29 yr old social drinkers, 6936
sensitivity to ethanol aversion or reward in place conditioning, male rats selectively bred for alcohol preference vs nonpreference, 11210
sensitivity to ethanol induced reward vs aversion, wild type vs mutant knockout mice lacking 5-HT1A receptors, 25605
serotonin brain receptors & choroid plexus receptor mediated phosphoinositide hydrolysis, alcohol preferring vs nonpreferring rats, 29343
serotonin receptor stimulation via 8-OH-DPAT receptor agonist, ethanol intake & maintained self-administration behavior, female rats, 7111
sex differences in alcohol preference & drinking patterns, Sprague-Dawley rats during early postpubertal period, 29033
short-term selective breeding as resource for quantitative trait locus mapping, B6D2F2 mice with high vs low ethanol drinking preference, 29213
single dose of ethanol administered by gavage, blood alcohol & corticosterone & behavioral changes & ataxia & liver damage, mice, animal model of binge drinking effects on antibody responses, 11114
single exposure to alcohol, malformations & changes in body weight of offspring, male rats, 38078
state dependent learning induced by ethanol vs MK-801 & involvement of NMDA & 5-HT receptors in learning, male rats, 15068
subchronic binge ethanol intoxication, neuronal degeneration in cerebrocortical olfactory regions, male rats, animal model of alcoholism, 11119
subjective effects of ethanol vs marijuana vs amphetamine vs pentobarbital vs hydromorphone, psychomotor performance, 27–42 yr old healthy males, 38150
subjective feelings & biological variability of responses to alcohol & nitrogen, 19–43 yr old male divers, 7006
sucrose-substitution & ethanol-reinforced responding in home cage preference tests, AA vs ANA male rats, 38097
sucrose-substitution initiation, alcohol self-administration during continuous alcohol access, rats, 38098
synaptic availability of 5-HT in nucleus accumbens, effect of ritanserin on ethanol intake, male rats with developed ethanol preference, 15073
taste aversion training to ethanol, retardation or prevention of high alcohol drinking, male & female rats from alcohol preferring vs high alcohol drinking rat lines, 21890
taste reactivity to alcohol, high vs low alcohol sensitive rats, 34671
temporal pattern of ethanol intake over 24 hrs, alcohol preferring rats, 11100
time of day & photoperiod phase shifts typical in humans, ethanol consumption, rats, 41230

timing & number of binge-like alcohol exposures, subsequent neural deficits behavioral outcomes on parallel bar & spatial conditional alternation task, rat pups, 11213
TRH analog TA-0910, alcohol intake during limited access protocol, alcohol preferring rats accustomed to continuous access, 29581
tropisetron, ethanol vs morphine induced conditioned taste aversion & ethanol induced conditioned place aversion, male rats, 29509
voluntary ethanol intake, anxiety measured by punished drinking conflict test & elevated plus maze, male ethanol-preferring AA vs -non-preferring ANA rats, animal model of Type II alcoholism, 38132
withdrawal from chronic ethanol or heroin, increases in plasma nerve growth factor & resultant anxiety, alcohol dependent or heroin using patients, 8225
zolpidem vs bretazenil vs ZG-63 vs loreclezol vs diazepam, motor impairment & ligand binding & benzodiazepine agonist action at GABA-A receptor subunit, alcohol tolerant vs alcohol nontolerant rats, 11226
2-propanol & acetone, oviposition rate & site preference for acetic acid & ethanol, flies, 37864
2% sucrose with vs without 10% ethanol solution, increased daily self administration in continuous access operant paradigm, rats, 11200
Ether (Anesthetic)—Serials
stress from handling for vaginal smear screening, adrenal & thymus weight & hypothalamic 5-HT & 5-HIAA & acute ACTH response to ether, female rats, 6797
Ethics [See Also Experimental Ethics, Professional Ethics] —Serials
clinical activity & ethical & practical & funding issues in pilot project for assessment & hospital admission, male mentally disordered remand prisoners, England, public policy impications, 40217
construct validity of Ethical Issues Rating Scale, undergraduate business students, 28429
content & patterning & influences of ethical issue emphasis, senior employees of companies, England, 13983
context effects, primed vs nonprimed ethical evaluations, college students, Ireland, 14597
correlates of right-wing authoritarianism scale scores, assessment of self-reported ethical ideology & conservativism vs liberalism, undergraduates, 18980
ethical & legal & clinical components of informed consent, hospital-based psychiatric & medical patients, bibliography, 1977–96, 14142
ethical & legal issues in the care of individuals with dementia in England, 43341
ethical & practical considerations in psychiatric practice under coercive circumstances, 27627
ethical & social & legal issues in sex selection, humans, 24098
ethical & theoretical & scientific & statistical considerations in the use of no-treatment control groups & a new design for randomized clinical trials, 40992
ethical conflicts & client loyalty in employee assistance programs, 33307
ethical issues & psychosocial impact, child bone marrow donors, literature review, 32655
ethical issues from Law Commission Report concerning mental incapacity in elderly, 25952

ethnographic study of differentiation in mental retardation, mentally retarded adults with or without mental illness, implications for policy affecting delivery of services, 42638
ethnography of perceptions of gender identity & sexuality & aging, female 64–82 yr olds, 29982
feminist theoretical approach to ethnography of gender practices in state institutions, 30228
historical ethnography of emotions & dilemma of emotional constructionism & framework for emotional utterances, commentaries & reply appended, 33914
history & mission of Human Relations Area Files in comparative society & behavior & culture research, 30081
interrelationship of culture & mental health & ethnographic observations of spiritual healing in Native American Church & clinical interpretations of drug use, Navajo members of Peyote Religion, 38495
nature as a cultural construct & templates of human–environmental interaction & an ethnography of mushroom collecting, 33816
organizational behavior & ethnography & anthropological studies, 43803
perceptions of ethnographic study & direct practice, therapists & clients, 16498
possession & ethnopsychiatry as historical discourse, 17 yr old female, Western Samoa, case report, 16488
prevalence of obsessive compulsive disorder-like thoughts & actions in socially meaningful collective rituals vs in other activities, 52 diverse cultures, 26556
reasons for & results of noncompletion of longitudinal ethnographic field studies of drug use, drug users, implications for ethnographic research, 21205
social support through use of ethnography, 18705
sociological theory & institutional ethnography, practice of occupational therapy, adults in mental health day programs, 13478
Ethnolinguistics—Serials
ethnolinguistic vitality & linguistic contacts & ethnic identification, minority language use, second generation Italian Australian 20–35 yr olds, Australia, 7139
experience of linguistic landscape, ethnolinguistic vitality of in-group language & social psychological aspects of bilingual language development, francophone 11–12th graders, Canada, 38325
treatment of words in Confucian Analects & theoretical perspectives for analyzing communication in Asian societies, China & Japan & Korea, 38187
Ethnology—Serials
culturally specific ways of knowing about health, Ojibwe people, 26022
degree of ethnicity as focus of sexuality research, literature review, 1971–95, 26127
ethnomethodology & role in therapeutic alliance, 19728
ethnopsychology of population, adults, Romania, 22247
Ethnospecific Disorders [See Also Koro, Sickle Cell Disease]—Serials
definition & classification & phenomenological aspects & culture specificity vs nonspecificity of koro, 15859
issues in use of disorder designation of ethnospecific Malayo-Indonesian cultural idiom known as latah, 22694
Ethology (Animal) [See Animal Ethology]
Ethyl Alcohol [See Ethanol]
Ethyl Ether (Anesthetic) [See Ether (Anesthetic)]
Ethylaldehyde [See Acetaldehyde]
Etiology—Serials
abnormalities of motor behavior vs predominant anxiety in mass hysteria, female 12–19 yr old boarding school students, Nigeria, implications for neurological organic etiology, commentary, letter, 35450
abnormalities of motor behavior vs predominant anxiety in mass hysteria, female 12–19 yr old boarding school students, Nigeria, implications for neurological organic etiology, 7827
activity of dipeptidyl-peptidase IV, patients with major depression vs schizophrenia, implications for role in pathophysiology, 30777
age & sex differences, health awareness & locus of control & perceived cause of illness, adults, Germany, 27595
alcohol rehabilitation based on multifactorial etiology of alcohol as disease & psychic & physical & social conditions, translated article, conference presentation, 20324

alexithymia & associated somatic symptomatology & suggested etiology, implications for rehabilitation personnel, 19521
apoptosis in treatmen & cause of neuronal & other disorders, 35437
assembly of tau protein into paired helical filaments & in form of protease resistant polymers of molecules, pathology of Alzheimer's disease, 1933–94, literature review, 8666
behavior-analytic & language research perspective on etiology & pathogenic process & harmful effects & pervasiveness of experiential avoidance, 35723
behavioral vs cognitive-behavioral interventions & etiology & assessment of excessive nighttime fears, children, 36212
behavior–genetic concepts in developmental psychopathology, 38852
belief in supernatural causes of mental illness, psychiatric patients, Malaysia, implications for treatment, 11914
biological cues in disorder perception, patients with Koro syndrome, 11884
C. von Bruhl-Cramer's historical concepts & observations related to etiology & classification & therapy & sequelae of alcoholism, 12234
causal & maintenance factors, females recovered vs not recovered from bulimia, treatment & recovery implications, 31524
causes & detection of spinal pain, implications for diagnosing malingering, 31593
causes & risk factors for depression & schizophrenia, 18–74 yr olds, Australia, 30996
causes & symptoms of catatonia, treatment with lorazepam & other benzodiazepines or ECT, adolescents & adults, literature review, 22841
characteristics & frequency of attributing old age vs specific medical condition as etiology of functional limitation, community dwelling 60–89 yr olds, 22185
childhood behavior precursors of schizotypal personality disorder diagnosed in adolescence or adulthood, male vs female 9–20 yr olds, longitudinal study, Denmark, 19262
chromosomal fragile site 1q21 in etiology of schizophrenia, patients, letter, 30966
chronic stress, immune & endocrine systems, implication for role in etiology of depression & anxiety, 15920
circulating antimuscle & anti-CNS antibodies, chronic fatigue syndrome, 20–67 yr old patients, 39390
classification & epidemiology & social & cognitive competencies & etiology & treatment, patients with severe mental illness, 30768
classification of late paraphrenia & clinical picture & description & etiology & management & treatment of late onset schizophrenia, 15941
classificatory differences in R. G. Menzies & J. C. Clark's & L.-G. Ost & K. Hugdahl's Origins Questionnaires, assessment of origins of specific phobias, adult outpatients, Australia, 6045
clinical & cross cultural factors affecting differential frequency of psychopathy, UK & Europe vs North America, 30743
clinical characteristics & diagnosis & etiology & treatment of psychogenic seizures vs epilepsy, 23267
clinical perspective of prevalence & etiology & explanatory models & cognitive–behavioral treatment & case management issues of chronic fatigue syndrome, literature review, 16728
clues concerning the etiology of aging & Alzheimer's disease, 101 yr old nun, 31887
cognitive vs physiological model in etiology of chronic fatigue syndrome, literature review, 23254
coherence among raters of psychopathology in adolescents & coherence of ratings with earlier & later stress & development of psychopathology, 13 yr olds rated by self & teachers & parents, 26384
cross-cultural differences in etiology & prevalence of psychopathic personality, research review, 8063
cross-cultural similarities & differences in etiology & prevalence & clinical characteristics & treatment outcome, 10–45 patients with Tourette disorder, literature review, 42841
cultured skin fibroblasts & molecular mechanisms underlying pathogenesis of schizophrenia, 26503
debate on biological vs psychosocial etiology of severe mental illness, implications for public policy, 1188
definition & etiology & pharmacological & behavioral/psychological treatment of premature ejaculation, conference presentation, 31957
diagnostic criteria for etiological relationship to ADHD, children with fetal alcohol syndrome, letter, 42535
direct traumatic conditioning & systemic alarms in etiology of phobias, 19232
disorder associated with brain lesions vs idiopathic disorder, behavioral & cognitive & neuroimaging characteristics, patients with obsessive compulsive disorder, 19227
drug abuse history, onset of psychotic symptoms & ascribing etiological role to drug abuse by clinicians, schizophrenic patients, retrospective chart review, 12025
drug abuse/dependency & antisocial personality in biologic vs disturbed adoptive parent & family environment, development of drug abuse/dependency, female 18–45 yr old adoptees, 1388
environmental & constitutional & interactional factors in development of borderline personality disorder, literature review, 26594
epidemiologic & etiologic factors in & treatment strategies for anxiety & distress evoked school refusal, 8865
epidemiology & comorbidity & etiology & outcome of mania, elderly, literature review, 22798
epidemiology & etiology & associated pschosocial risk factors, elderly with congestive heart failure, conference presentation, 31727
epidemiology & etiology & clinical features & prognosis & treatment of whiplash neck injury, 12469
epidemiology & etiology & course & prognosis of attention deficit disorder, literature review, 16124
epidemiology & etiology & treatment & diagnosis of generalized anxiety disorder & panic disorder, older vs younger adults, literature review, 39075
etiologic heterogeneity & drug free plasma HVA concentrations, psychotic patients, 22838
etiologic heterogeneity, schizophrenia, literature review, 30973
etiological implications of relation between childhood trauma & borderline personality disorder, literature review, 26590
etiological/causal vs societal/conceptual orientation in work stress research, 5793
etiologies & pharmacological treatment of compulsive sexual behavior, case reports, conference presentation, 23857
etiology & ambulatory & general outcome features, patients with ischemia & infarction of spinal cord, 19596
etiology & clinical characteristics & prognosis, male patients with eating disorders, 42656
etiology & diagnosis & management of stuttering, children, 23218
etiology & neurodevelopmental abnormalities & automated measurements with magnetic resonance & positron emission tomography studies of memory, patients with schizophrenia, 42301
etiology & pathological & psychological processes & intervention & resolution of syncope outbreak, adolescent females, Hong Kong, 19238
etiology & pathology of genesis of Alzheimer's disease, therapeutic & diagnostic implications, 36162
etiology & psychodynamics of soiling in anal narcissistic character, 22628
etiology & treatment & outcome & prognosis of Landau-Kelffner syndrome of acquired epileptic aphasia, children, 4687
etiology & treatment of anejaculation in context of spinal cord injuries & testicular cancer, infertile males attending sperm retrieval clinic, Canada, 23524
etiology & variations of focal retrograde amnesia, 39540
etiology-based classification of unipolar depression & nature of familial subtypes, depressed patients with vs without family history of alcoholism or antisocial personality, 42289
etiology of bilateral vestibular loss, 63–72 yr olds with vertebrobasilar dolichoectasia & symptomatic vestibular loss, 8633

etiology of Cushing's disease & depression & serotonin & hypothalamic pituitary adrenal axis activation, 26891
etiology of selective memory loss, 63 & 65 & 69 yr olds who developed severe & selective memory impairment, case reports, 27010
factors contributing to differential susceptibility to motion sickness, 31630
family history, children with elective mutism (mean age 8.9 yrs) vs children with similar behavioral phenotype (mean age 6.8 yrs), 42686
frequency & clinical features & pathophysiology of headaches associated with multiple sclerosis & dementia & sleep apnea & Chiari type I malformation & HIV infection, literature review, 39392
frontal/executive deficits & memory problems & perceptual distortions in etiology of Capgras syndrome, 74 yr old female with closed head injury & premorbid amnesia, case report, 4690
future directions in treatment & etiology of obesity & eating disorders, 8411
genetic & environmental influences, etiology of & risk for conduct disorder, 27–90 yr old male vs female vs unlike-sex twin pairs, Australia, 31265
genetic basis of altered metabolism of amyloid beta-protein precursor & tau protein in pathogenesis of aging & Alzheimer's type dementia, 1907–95, research review, 8630
genetic biological essentialism vs environmental social constructionism vs interactive theories of etiology of homosexuality & development of sexual identity & preference, 18792
genetic contribution to etiology of depression, 30839
genetic etiology & age, childhood depressive symptoms, 8–16 yr old twins, Wales, 26479
genetic etiology of common familial disorders, discussion of Human Genome Project, 22706
genetic mutations in familial cases & genetic risk factors & interaction of environmental factors, Alzheimer's disease as multifactorial disorder, 1965–95, research review, 8601
genetic vs psychosocial factors in etiology of depression, 30828
genetics & sensitization & conditioned stimuli & etiology of PTSD based on findings of sensitivity to loud sounds, 31071
geographical variation in incidence rates & environmental factors in etiology, under 73 yr olds with probable presenile Alzheimer's disease, 1974–88, Scotland, 8662
glutamate dysfunction & cognitive deterioration in shizophrenia pathogenesis, 42324
historical aspects & pathogenesis & pathophysiology & clinical features & staging progression & diagnosis & treatment of reflex sympathetic dystrophy syndrome, 19590
history & epidemiology & family & etiology & clinical symptoms & treatment, individuals with compulsive buying problems, literature review, 26551
idealization from relational viewpoint, shared distortion of reality as familial risk factor in mental disorders & intergenerational transmission of relational suffering, 7866
immune system dysfunction & manic depression, female 15 yr old with Epstein-Barr infection & recurrent acute pancreatitis, implications for unifying etiopathology, 12474
incidence & circumstances of delirium & cognitive performance & neuropsychological & functional status, Alzheimer's disease patients with delirium (mean age 75.9 yrs), 31820
incidence & demographic & clinical features, 65 yr old & older patients with Charles Bonnet syndrome, letter, 15883
individual differences in suggestibility & etiology of conversion disorders, adults, 42368
informative morphogenetic variants, patients with schizophrenia vs alcohol dependence, 31045
intellectual resources, development of PTSD, PTSD-diagnosed vs psychopathology-free Persian Gulf War veterans (mean age 35.17 yrs), 39098
issues in etiology & risk & treatment & prevention of childhood- & very early-onset depressive disorders, conference presentation, 30867
leukocyte mitochondrial DNA deletion, adults with bipolar disorder, implications for subtype pathophysiology, 4101
loss & humiliation & entrapment, depression onset, 30832
measurement of serotonergic modulation of dopamine, adult males, implications for etiology & treatment of schizophrenia or major depression or obsessive compulsive & substance abuse disorder, 30705
methodological issues in research on role of personality & psychosocial & lifestyle factors in disease development, sample size & hypotheses & statistical analysis, 17779
molecular genetics, etiology of Alzheimers disease, literature review, 31816
multifactorial inheritance in bipolar affective disorder, 39006
neurobiological model of pathogenesis & genetic & risk factors of Tourette's syndrome & related obsessive-compulsive disorders, 26997
neuroimaging & diagnostic assessment & pathophysiology of obsessive-compulsive disorder, literature review, 42384
neurological characteristics & hypothesized pathogenesis, 6 yr old male with Heller syndrome, case report, 26510
NMDA hypofunction & other glutamate receptor dysfunction as etiological factor, schizophrenic patients, commentary, 35598
obstetric complications as cause vs consequence of autism, 5–36 yr old probands & siblings with Down syndrome vs autism, 31410
onset of use & psychosis, non- vs drug-abusing schizophrenic patients, medical chart review, 30939
organic & psychogenic factors in etiology of & psychological interventions for sexual problems, diabetic patients, 31596
origins of beliefs about causes & controlability of illness, 18–56 yr olds with chronic fatigue syndrome, 39361
pathogenesis & medical comorbidity of depression, older patients, 11970
pathogenesis & natural history of osteoarthritis & processes among patient & husband & primary physician & orthopedist, female 76 yr old considering total hip replacement, 20067
pathogenesis & pathophysiology & pharmacological & nonpharmacological treatment of obsessive compulsive disorder, literature review, 19231
pathogenesis of & behavior modification & other treatments for obesity, 42668
pathophysiological mechanisms of delirium, 22729
phenomenology & comorbidity & traumatic antecedents & treatment history, 18–56 yr old patients with depersonalization disorder, 42425
physiological vs psychological factors, biological differences in brains of schizophrenic vs normal patients, 12035
physostigmine, hypothalamic pituitary adrenocortical axis responses, elderly with Alzheimer's disease, implications for hippocampal pyramidal neural survival, 4696
pregnancy unwantedness, risk for schizophrenia, 16–28 yr old offspring, Finland, 31022
prevalence & cause & clinical features of & diagnostic algorithm for Grade 2 & 3 & 4 hypothyroidism, elderly patients, treatment implications, conference presentation, 31635
prevalence & causes & neuropsychology of mental retardation, research review, 16174
prevalence & causes of ocular defects, 3 mo to 25 yr olds with severe mental deficiency, 16171
prevalence & classification & neurophysiology & etiology & psychophysiology of premature ejaculation, 26117
prevalence & clinical features & etiology of uncontrolled buying, literature review, 19125
prevalence & course & treatment of combat-related PTSD, World War II veterans, Australia, research review, 26552
prevalence & diagnosis & etiology of late-onset eating disorders, 46–80 yr old patients, 26813
prevalence & risk factors for HIV infection, psychiatric implications, 31668
prevalence & severity of & factors associated with & probability estimates of spontaneous & tardive dyskinesias, 59 yr old males in general population, Sweden, 39388
prevalence of & impact of ApoE allele genotypes on development of Alzheimer's disease, 100–109 yr olds, Japan, 8566
prospective & experimental studies of causal role for stress related factors in coronary heart disease, literature review, 8558

psychiatric morbidity & etiological factors of PTSD, 19–68 yr old survivors of major air crash, 1 yr followup, England, 7844
psycho-oncology & cognitive behavior therapy & the relationship between psychosocial factors & the etiology or progress of cancer, women with metastatic breast cancer, 39650
psychoanalytic & behavioral approaches & organic causes for fantasies & sexual attraction toward uniforms, 22357
psychoanalytic & theoretical & practical implications for early traumatic occurrences as etiology of addiction, 30635
psychodynamic perspective on etiology of & treatment techniques for multiple personality disorder, 7853
psychological factors in etiology of Kleine-Levin syndrome, case reports, 42688
psychological perspective on development of biological & personality abnormalities in late-onset psychosis, elderly, 30981
psychologists seeking prescription privileges & organic factors in functional mental disorders, 13523
rate & etiology of choking incidents, 38–87 yr old patients in psychiatric wards, Italy, retrospective study, 40136
rationale & empirical support for & research issues in feminist explanations of development of anorexia nervosa & bulimia, 4445
relationship between depressogenic drugs & depression, 65–84 yr olds with major vs nonmajor depressive disorder, 11956
remediation-orientation vs basic science research on etiology of autism, 39257
research on etiology of depression, 30918
review of new understanding of etiology & treatment of panic disorder & call for increased efforts at case finding, conference presentation, 31059
role of benzodiazepine like substances in pathogenesis of hepatic encephalopathy, literature review, 42792
role of cholecystokinin in etiology of psychiatric disorders & potential of receptor antagonists, literature review, 42230
role of ethnicity in development & treatment of eating disorders, 4464
role of excessive cortisol induced by hypothalamic-pituitary-adrenocortical axis hyperfunction in major depression pathogenesis, research review, conference presentation, 7935
role of expressed emotion in etiology & course of affective disorders & relapse & as measure of family experiences, affectively ill patients, 19145
role of E4 allele of apolipoprotein E gene in genesis of illness, schizophrenic 20–90 yr olds, 15943
role of gene defect in chromosome 18 linkage on etiology of bipolar illness, 6–45 yr olds with bipolar or bipolar spectrum disorder & their Jewish & Belgian family members, Belgium, 15911
role of inflammatory cytokines in etiology of schizophrenia, 12038
role of personality & cognitions & affect & behavior & biogenetics & demographics & bonding in biopsychosocial model of etiology of drug use & abuse, 12247
role of psychological factors in manifestations of restlessness in neuropsychiatric syndromes & development of pathogenic model, 1902–94, literature review, 4013
role of workplace in development & successful rehabilitation & prevention of musculoskeletal disorders, female 20–55 yr old industrial workers, 5430
serotonergic & beta endorphin regulatory systems in & etiology of anorexia & bulimia nervosa & obesity, 8409
serotonin metabolism & etiology & treatment of mental & medical disorders such as myofascial pain syndrome & addictions, 14864
severe life events in 12 mo before onset of globus pharyngis, patients, implications for psychological diathesis & social stress factors in etiology, 8467
sex & kinship & risk factors at birth place & time, spatial rural vs urban distribution, patients with Alzheimer's disease, Canada, 40 yr study, 1895–1935, 8613
sex differences & neurobiological correlates in etiology of psychiatric illness, 1211
sex hormones & incidence of hyperandrogenic disorders, female-to-male transsexualism, 19–44 yr old females with vs without gender identity disorder, etiological implications, 42691
social cognitive model of schizophrenia symptomatology & role of nonsocial vs social cognition in disorder etiology & development, 15945
sociocultural influences, attitudes toward disease etiology & treatment of chronic illness, 20-yr old male Mexican American with cystic fibrosis, 12492
stress & behavioral pathways preceding onset of schizophrenia, children, 26522
stressful life events & pathogenesis of psychological & motor symptoms & psychiatric comorbidity, 33–68 yr olds with stiff man syndrome, 12625
symptoms & etiology & diagnosis & prognosis of autism, 39249
T-lymphocyte function during vs after depression, signal transduction in T-lymphocytes as model for central neurons, patients with major depression, etiological implications, 4130
test of association between 5-HT2A receptor polymorphism & pathogenesis of bipolar affective disorder, patients with bipolar affective disorder, 38997
theories for cause of panic attacks & agoraphobia & response to antidepressants with serotonin activity & serotonin selective reuptake inhibitors, role of serotonin in respiratory regulation, 19898
theories of Freud & M. Klein & W. W. Meissner on etiology & psychodynamics of paranoia, development of paranoia with delusional symptoms, female patient, case report, 12044
tobacco smoking cessation & development of major depressive disorder, adults (mean age 50 yrs), 30826
treatment & causes of chronic psychosis & need for new nosolgy, 19199
Type A parent–adolescent characteristics & dyad gender & family environment, college students & their 38–64 yr old parents, implications for etiology of Type A behavior pattern, 11556
T12 epidural lesion mimicking adenocarcinoma of cecum, 59-yr-old female, implications for cancer pain evaluation, case report, 8545
unemployment, mental well being & depression & psychosomatic symptoms, unemployed factory workers (mean age 44 yrs), 6 & 18 mo followup, Finland, 33590
validity of test of effects of long duration centrifugation, head movements in 4 directions, adults, implications for etiology of Sickness Induced by Centrifugation, 16238
vestibular function & psychiatric symptoms & disorders & etiology & diagnosis & treatment of phobic postural vertigo, 23239
vicarious & associative learning & familial water-related competence, fear of water, 5–8 & 23–73 yr old non-swimmers, 31079
world view & cognitions about adjustment problems & severe psychiatric illness related to etiology & treatment, Black vs White 19–41 yr olds, 1144

Eugenics—Serials

attitudes about eugenics & nondirectiveness, genetic counselors, 40306
validity & reliability of aggression behavior test for breeding exclusion, biting vs nonbiting dogs, models for unacceptable aggression, Netherlands, 34449

Euphoria—Serials

d-amphetamine with vs without pretreatment with dopamine antagonist pimozide, subjective euphoria & behavioral & physiological responses, healthy 21–33 yr olds, 573
dysphoric vs euphoric mood & back pain & perceived stress & effort, female hospital staff (mean age 37.6 yrs) with various work-loads, 27906
elated vs depressed mood elaborative processes, mood-congruent encoding & mood-congruent judgment of trait adjectives in reference to self vs best friend vs experimenter, female college students, 28871
methylphenidate, development of euphoria, 11 yr old male with hyperkinetic disorder, case report, letter, 27553

serial measurement of anxiety & sadness & euphoria, renal transplant recipient & his donor brother, 20109
years smoking & Heavy Smoking Index scores, self reported light headedness after 1st cigarette of day, 17–77 yr old smokers, implications for tolerance research, 18824
Europe [See Also Austria, Belgium, Bulgaria, Czechoslovakia, Eastern Europe, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Netherlands, Poland, Portugal, Romania, Scandinavia, Spain, Switzerland, Union of Soviet Socialist Republics, United Kingdom, Western Europe, Yugoslavia]—Serials
assessment of extent & quality of consultation liaison psychiatric services, 1991–93, European countries, 5362
attitudes toward individual vs national economic conditions & public support for European integration, citizens of European Union member states, 42015
clinical & cross cultural factors affecting differential frequency of psychopathy, UK & Europe vs North America, 30743
diagnosis of ADHD as possible epidemic in US & comparison with European rates & associated problems with use of psychostimulants, school children, letter, 23156
distribution of research topics presented at General Meeting of European Association of Experimental Social Psychology as measure of European research efforts in social psychology, psychologists, 7590
DSM-III & its reception in Europe, 35493
economic & social & political disability discrimination in the European Community, 39401
efficacy & safety of psychotropic drugs available in Europe but not US, 23885
emotional responses to music, adults from European vs Indian cultural background, England, 317
European identity & perspectives, individuals with intellectual disability, conference presentation, 39304
family & employment roles before vs after socialism, females, Eastern Europe, literature review, 22342
goals & structure & content of European computerized assessment procedure for evaluation & rehabilitation, patients with brain damage, 39495
information technology & race inequality, quality of life, Blacks, European Community, 7457
interethnic contact & background variables as predictors of prejudice toward Turks & North Africans & Asians & Surinamese & West Indians, Ss, Western Europe, test of contact hypothesis model, 35057
Islamic socialization & rejection of religious discrimination & fundamentalism, democratic values, college students, 1978 vs 1991, Turkey, implications for joining European Community, 11596
landmark & configurational & route geographical knowledge of Europe, 7–11 yr olds, England vs Italy, 7208
meta-analysis of relation between Big Five Factor of personality & job performance, Europe, 22567
parliamentary oversight model & domestic institutions, European Union, 22329
population levels of alcohol consumption & mortality rate, Europe, 18812
position statement of European Federation of Sport Psychology on definition of sport psychology, 10145
position statement of European Federation of Sport Psychology on positive & problem outcomes & recommendations for & role of adults in participation by children in sport, 7162
post communist perspective on the relationship between individual & community in Central Europe, 30048
problems of & interventions for occupational stress & public policy, Europe, 5772
sex & weight & dieting status & dietary health beliefs & nutrition knowledge & health locus of control, health dietary practices, European students (mean age 21.3 yrs), 43305
suicide epidemiology of European countries & possible factors accounting for differences between countries, 31262
suicide prevention services, suicide rates, Europe, 4269
training program & national bias & reliability of ICD-10 in consultation-liaison psychiatry in hospital setting, psychiatrists & psychologists, 14 European countries, 22714
Eustachian Tube [See Middle Ear]
Euthanasia—Serials
actor's sex & euthanasia of terminally ill family member by commission vs omission, perceived justification & responsibility & causation, college students, implications for gender role violations, 31616
ambiguity of jury instructions & means of death & defendant's emotionality, perceived guilt of defendant in assisted death of terminally ill wife, 17–56 yr olds, 33901
arrangements for & performance of euthanasia, adaptation to disease & grief in survivors, people with AIDS, 1542
attitudes toward infanticide & euthanasia & abortion, high school & college students, US vs China, test of sociocultural determination of attitudes hypothesis, 31228
attitudes toward physician assisted suicide, psychiatrists, 13618
conceptual vs measurement model of right to die attitudes & cross validation & internal consistency & factor analysis of Euthanasia Attitudes Scale, 17–53 yr olds, 31255
ethical & prognostic problems related to & public debate on euthanasia & living wills & other end of life decisions, incompetent patients with dementia in last phase of life, Netherlands, 5261
issues in suffering & euthanasia or assisted suicide, patients with incurable illnesses, 31579
issues related to suicide & euthanasia in elderly & D. Humphrey's book "Final Exit", 8129
issues related to suicide & euthanasia in elderly & D. Humphrey's book "Final Exit", commentary, 8136
legal & financial aspects of health care system, assisted suicide & euthanasia, patients with AIDS, Netherlands, 1967
legal acceptance & incidence of euthanasia & physician assisted suicide, suicide rate, Netherlands, 1950–1990, 24930
legislation, willingness to perform assisted suicide & euthanasia, physicians, commentary, letter, 17097
midwife as example of state control & public policy on abortion & neonatal euthanasia & infanticide, impaired embryos & fetuses & newborns, 19505
morality & rationality & dynamics of suicide & legitimacy of physician assisted suicide for terminally ill patients, 8474
national psychological & social work & medical associations' ethical codes for counseling persons considering euthanasia, 33292
physical & psychosocial variables, interest in & attitudes toward vs actual rate of physician assisted suicide, 18–69 yr olds with HIV, commentary reply, 23313
physical & psychosocial variables, interest in & attitudes toward vs actual rate of physician assisted suicide, 18–69 yr olds with HIV, commentary, 23315
physician assisted suicide & voluntary euthanasia, commentary reply, letter, 17086
physician's actions in euthanasia, attribution of physician's responsibility for critically ill newborn's death, nursing vs non-nursing students vs nurses, 31631
popular opinion concerning physician assisted suicide & voluntary euthanasia, commentary, letter, 17089
prevalence of suicidal ideation & motivation for requesting assisted suicide or euthanasia, HIV seropositive vs seronegative 21–49 yr olds, Scotland, implications in light of current legislation, 1533
psychiatric & psychosocial issues & ethical & legal considerations involved in request for assisted suicide or euthanasia, dying patients, 4534
psychological issues in suicide & assisted suicide & euthanasia, 31233
public & physician attitudes toward & practice of & psychiatrist's role in legislation about euthanasia, Canada & Netherlands & US & Australia, commentary, letter, 2440
receipt of & responses to requests for help with euthanasia or assisted suicide, critical care nurses, commentary, 9801
receipt of & responses to requests for help with euthanasia or assisted suicide, critical care nurses, 9776
role in legislation allowing patient rights to active voluntary euthanasia, psychiatrists, 14137
role of moral standing & autonomy in euthanasia decisions, patients in persistent vegetative states, 31889

Evaluation [See Also Course Evaluation, Forensic Evaluation, Geriatric Assessment, Needs Assessment, Peer Evaluation, Personnel Evaluation, Program Evaluation, Psychiatric Evaluation, Self Evaluation, Treatment Effectiveness Evaluation, Vocational Evaluation]—Serials
access to information of history of child physical maltreatment, evaluative responding & ratings of child adjustment & prognosis, 22–52 yr old social service & clinical psychology professionals, 43532
accuracy of absolute vs comparative performance appraisal ratings, college students, 37732
age & academic achievement level, perceptions of indebtedness, 2nd vs 4th vs 6th graders, 29863
application of organizational development in developing countries, expansion of time period of evaluative studies, 1950–93, 20790
assessment principles for mental health patient outcomes, 42894
attempts to influence another person & evaluative threat, cardiovascular reactivity, college students, 18261
balance evaluation & training & rehabilitation strategies for reduction of falls, elderly, 16945
behavior management evaluation methods, academic & behavioral performance, 15 yr old male students with serious emotional disturbance, 28076
choice alternative comparison vs independent evaluation & effects on approach-approach & avoidance-avoidance choice conflicts, 21346
cognitive & physiological appraisal processes, elicitation of threat & challenge responses to potentially stressful situations, adults, 34629
comparison of methods for development & evaluation of classification, implications for evaluation of DSM-III-R symptom lists, 15825
context effects, primed vs nonprimed ethical evaluations, college students, Ireland, 14597
context specific evaluation for educational software, 17156
corrective advertising, attributions & brand beliefs & advertiser evaluations, college students, 28273
educational & assessment issues & learning interventions, students with traumatic brain injury, 17223
effectiveness of supportive apartments vs group homes vs board-and-care homes operated for profit, adults with psychiatric disabilities, 1 yr followup, Canada, 24204
Elaboration Likelihood Model, assessment of quality judgments & quality expectations & importance & quality evaluation of dietetic care, patients, Netherlands, 27644
evaluation of familiar vs unfamiliar persons & objects, college students, implications for structure of reflexion model, 28830
evaluation of health models with focus on individual & community levels & social determinants of health, 13183
evaluation of Health Plan Employer Data & Information Set system measure of mental health care quality, 32795
evaluation of opinion poll performance in 1997 Election, Great Britain, 40948
evaluation of protocol for structured observation of motor performance, preterm vs full term infants needing neonatal intensive care, Sweden, 1512
externally rated fulfillment of important work roles & social influences, depressive symptomatology, adults, 4112
factor analysis & evaluation of locus of control scales, college students, 28451
factor structure & validity of rehabilitation setting off-road evaluations of fitness to drive, 17–87 yr olds with cerebral damage, 28544
hazard evaluation of nature & level of physical load & comparison with guidelines, ship maintenance workers, 40634
implicit entity & incremental personality theories & individual differences in evaluative processes in person cognition, college students, 30429
individual differences in stability & level of self-esteem, self perceptions of evaluative feedback, college students, 35332
individual failure vs success feedback & ingroup vs outgroup failure vs success feedback, evaluation of ingroup vs outgroup, college students with low vs high self esteem, 15641
information dilution & job characteristic bias theory, evaluation & recall of actor's performance of high vs low complexity task & self-awareness of reasoning processes, college students, 25263
internal audit, organizational effectiveness, bank branches, implications for learning & motivation & deterrence & process improvement, 6 mo & 1 yr followups, Israel, 20787
iterative system development cycle for creation of knowledge based tools to support evaluation in design, professional designers, 20893
juror use, significance & usefulness of selected books in consultation theory & research & practice, experts in consultation & participants in the 1995 Keystone Corporate Psychology Conference, 27835
legal &/vs medical-ethical principles &/vs proprietary governing prearraignment forensic psychiatric evaluation, 28348
logged data & questionnaires & interviews & verbal protocol analyses used alone & in combination, evaluation of spreadsheet & word processor & database software types, college students, 10203
masculinity & femininity, rating by lay people vs formal gender difference measures, college students, 30509
method for evaluation of types of consultation liaison requests related to DSM-III-R diagnosis & other clinical variables, 16925
mood as input to role fulfillment evaluation process & theoretical model designed to account for mood congruent & incongruent judgments within single set of assumptions, college students, 38775
motivational effects of time-pressure & evaluation apprehension, mere exposure phenomenon, high school students, Israel, 7345
opinions on Oklahoma's referral & criminal competency issues & quality of mental health professionals' evaluations, attorneys & judges, 10299
organizational internal supplier incentive systems using internal customer evaluations, 2361
parent–child & interparent agreement on Daily Life Stressors Scale, assessment of internal sensations or negative affectivity experienced by children, children & their parents, 7311
perceivers' evaluations & expectations & representation of information about individual & group target entitativity, college students, 30437
positive &/vs negative attributes in evaluation of product, discriminatory behavior, in group vs out group members, test of positive–negative asymmetry of social discrimination hypothesis, 18909
positive vs negative vs average context & individual differences, performance evaluation ratings of average vs extreme target stimuli, college students, conference presentation, 13931
progress & future challenges of evaluative research in social work, 40080
rating vs point allocation in judging importance of attributes, college students, 37702
ratings of best-interest-of-child framework of relational & developmental & functional assessment criteria for evaluation in child custody & access decisions, 35–72 yr old psychologists, Canada, 28395
reductionistic/positivistic & phenomenological/naturalistic philosophies in assessment & evaluation of counseling, 36205
self esteem & narcissism, evaluations of sources of negative feedback, college students, 19002
social comparison standard vs loafing by group members, performance motivated by potential for group evaluation, college students, 18866
S's experience & silence as issues in health service satisfaction research methodology, application of data from patients receiving HIV/AIDS care, Scotland, 39908
strategies to evaluate political candidates, 18–35 vs 50–85 yr olds, 7530
targets' personal investment in art object, honesty in evaluative communication to target about art object, college students, 3741

television program content & program evaluation, ability to remember mid-program advertisements, college students, 41131
training needs assessment & data collection & methods & post-training evaluation in state government agencies, 40532
use of answering machines, evaluation of not answering telephone calls, college students, 11681
use of cost information in evaluating community care services for people with learning disabilities, Great Britain, 32889
work of L. Vygotsky & L. Wittgenstein as underpinnings of Positioning Theory & basis of theory in social contructionist psychology & use in evaluation, 11645
Evaluation (Psychiatric) [See Psychiatric Evaluation]
Evaluation (Treatment Effectiveness) [See Treatment Effectiveness Evaluation]
Evidence (Legal) [See Legal Evidence]
Evoked Potentials [See Also Auditory Evoked Potentials, Cortical Evoked Potentials, Olfactory Evoked Potentials, Somatosensory Evoked Potentials, Visual Evoked Potentials] —Serials
acute nicotine following 18 hrs of abstinence from cigarette smoking, P300 amplitude of ERPs & mechanisms in CNS hypersensitivity & motivation to smoke, male 28–44 yr olds, Japan, 3234
acute phase vs post-recovery movement related cortical potentials, 26 yr old female & 50 yr old male with cerebellar stroke, 8–10 mo followups, 8551
age, ERP correlates in verbal vs nonverbal memory tasks, 9–19 yr olds, 7284
age of exposure to 2nd language & maturation effects, language proficiency & ERPs during sentence reading & judgment of grammaticality, 19–44 yr old Chinese-English bilinguals, 14942
alternating intrahippocampal cognitive potentials in temporal lobe epilepsy, 13–48 yr old patients, erratum, 12621
Bayesian vs bootstrapping ERP procedures, assessment of memory & deception detection, college students, 25136
body related vs nonsomatic words, word recognition & ERP responses, adults with panic disorder, Germany, 31110
brain stem EP abnormalities, depressed 60 yr olds & older with vs without vascular disease, 38986
changes in CS-evoked discharge of single cells in mediodorsal nucleus of thalamus during differential heart rate conditioning, albino rabbits, 37959
clonidine or droperidol administration, behavioral & ERP indices of selective attention, 20–32 yr old healthy males, 21919
cognitive habituation & ERPs, 16 yr old & older headache patients, 31767
color & shape of object, RT & selection negativity in ERPs, adults, 41011
conditioned taste aversion with sodium saccharin as CS, amygdalar neuronal responses to sodium saccharin vs sucrose vs sodium chloride vs hydrogen chloride vs quinine hydrochloride, rats, 14896
conglomerate vs white noise, perceptual RT of degraded visual stimuli & P3 & slow wave components of ERPs, 20–30 vs 65–75 yr olds, 29773
continuous-processing-related ERPs, children with ADHD, 12335
correlation of P300 measures & coping & stressful life events, 18–28 yr olds with paranoid type schizophrenic disorder, 6 yr study, 42342
correlation of string measure of ERPs with RT estimates & WAIS-R subtest scores, adults, implications for A. E. Hendricksons' theory of ERP & intelligence, 18948
covariation of speed & ERPs during response preparation, 19–30 yr olds, 3131
description & characteristics of computer-controlled electrogustometer for use in measuring evoked taste thresholds, 41009
diazepam, conductance of GABA channels activated by low concentrations of GABA, rat cultured hippocampal neurons, 38094
difference in subsequent direct vs indirect memory during study, ERPs, young vs older adults, 6713
dissociations in encoding & retention & retrieval of spatial vs object information in working memory & ERP components, adults, 2877
D2 dopamine receptor A alleles & family stress, visuospatial ability & P300 amplitude & latency, 10–13 yr old males with active vs recovered alcoholic vs nonalcoholic fathers, 29762
early vs late disorder onset, N400 latency & amplitude during semantic congruency task, adults with schizophrenia vs schizoaffective vs delusional disorder & related psychosis, 35620
EEG & ERP & cognitive responses, 24–42 yr old females with late luteal phase dysphoric disorder, 15912
EEG slow waves, cognitive performance on P300 ERP & memory scanning tasks, 17–21 yr old cadet pilots, Greece, 21750
electrical hippocampus field CA1 stimulation, homosynaptic transmission depression, awake & anesthetized rats, 34605
emotionally negative vs positive vs distractor pictorial stimuli, ERP P3 & slow wave amplitudes, college students, 29409
emotionally positive vs negative vs neutral stimuli under different processing conditions of attention, ERPs, extraverted vs introverted college students, 6761
ERP & RT & response accuracy during rhyming & semantic classification of spoken words, 9.1–14 yr old average vs impaired readers, 7254
ERP components in concept formation, prediction of relapse, 19–42 yr olds with schizophrenia, 1.5 yr followup, 7982
ERP correlates of performance on word-stem cued recall vs recognition memory tests, 17–28 yr olds, 29403
ERP P300 generation during visual continuous performance task, 26–48 yr olds with schizophrenia, 15948
ERPs & neuropsychological & psychiatric function, solvent-exposed adults with mild toxic encephalopathy (mean age 41.2 yrs), 16228
ERPs & RTs & semantic priming deficits in categorization, 67–81 yr olds with dementia of Alzheimer's type vs healthy 18–27 vs 63–86 yr olds, 1623
ERPs & simple RT & probability patterns in stimulus identification, 18–24 yr olds vs 57–68 yr olds, 6711
ERPs as signs of slowed brain processes & altered visual processing, 16–56 yr olds with partial seizures vs idiopathic generalized epilepsy, 31905
ERPs during cognitive tasks, brain injured patients affected by neuropsychological disorders, research review, 31906
ERPs for verbal auditory stimuli in oddball paradigm & relation to treatment efficacy, 21–56 yr olds with obsessive compulsive disorder, 35674
ERPs of recognition memory for spoken vs heard words, adults, 41096
evoked brain potentials & electrodermal activity & parenting, patients with schizophrenia vs cluster A personality disorders vs normals, implications & guidelines for cognitive therapy, 30801
familiar vs unfamiliar faces & names, associative priming & RT & ERPs in person recognition, 20–34 yr olds, 6341
frequency following response participant & word probability & category cues with words, evaluation of speech evoked frequency following responses, female 21–22 yr olds, 14928
frontal vs non-frontal ERP indexes during Wisconsin Card Sorting Test activation, college students (mean age 20.5 yrs), 29404
induced pain & memory search, reaction time & errors & event-related potentials, 22–28 yr olds, 41394
interdisciplinary approach to cognitive theories of language & brain ERPs during sentence comprehension, 28893
involuntary allocation of attentional resources, modulation of early event-related potential components, adults, conference presentation, conference presentation, 29440
lateral distribution of late brain EPs during evaluative vs semantic categorizations, adults, 3112
lateralized readiness potentials as measure of temporal properties of semantic & phonological processes in speech production, 20–27 yr olds, Netherlands, 38024
localized brain dysfunction, 12–18 yr old females with anorexia nervosa assessed before vs after weight gain, 23204

lorazepam challenge, anterograde memory deficits & P300 amplitude of ERPS to rare words, light vs heavy social drinking male college students, 4349
lorazepam challenge, recognition memory & ERPs, male light vs heavy social drinkers, Australia, 18325
lorazepam, psychomotor & cognitive function & ERP P300 wave latency & amplitude, healthy 21–36 yr olds, 11188
methylphenidate, amelioration of ERP deficits & performance on auditory & visual selective attention tasks, 7–13 yr olds with ADHD, Netherlands, 39245
middle latency & late components of ERP as indices of activation of processing resources, literature review, conference presentation, 29424
moclobemide, ERP & quantitative EEG & neuropsychological changes, depressed 25–59 yr olds, implications for effects on attention & cognitive functions, 9069
morphosyntatic incongruency between noun & verb in sentences composed of pseudo vs real words, negativity & positivity of ERPs, 20–32 yr olds, 38020
motor evoked potentials & corticospinal function, 29 & 41 yr old females with conversion disorder & nonorganic paralysis, 31074
multiple repetition priming with pictures, ERPs & RT during indirect memory task, patients with probable Alzheimer's disease (mean age 67.8 yrs), 16337
neonatal infection with lymphocytic choriomeningtis virus, EPs & EEG activity in dentate gyrus & hippocampal CA1 & CA3 subfields, rats studied 84–107 days postinfection, 10993
neural codes used for embedding of information in spike trains of action potentials during cortical information processing, selection of neural activities based on spike timing, 14834
noradrenaline, action potentials & excitability of dorsal root ganglion neurons, sciatic nerve-damaged male rats, implications for transmission of nociceptive information, 29497
N200 EPs of response activation & inhibition & executive control in flanker task, adults, 3118
olivocochlear bundle functioning & auditory efferents, detection of tones in noise assessed with contralaterally attenuated evoked otoacoustic emissions, adults, 18177
optimistic vs pessimistic mood, N400 brain ERPs induced by word with emotional meaning incongruent with current mood state, 18–29 yr olds, 3148
parallel vs conjunction visual searches, P300 latency & amplitude & RT, Parkinson's disease patients, implications for preattentive mechanisms, 31911
performance of recognition memory exclusion task, ERPs, 17–27 yr olds, 21721
phonological & semantic categorization, ERP & RT & response accuracy, average vs reading-impaired undergraduates, 39269
practice vs no practice of difficult vs not difficult mental arithmetic problems, RT & ERPs, 20–28 yr olds, Germany, 3125
processing selective attention tasks, ERPs, 19–23 vs 50–66 yr olds, Netherlands, 14930
P3 latency as mental chronometry index, literature review, 25529
P300 abnormality & verbal memory impairment, adults with schizophrenia (mean age 35.1 yrs), 35631
P300 amplitude & latency & cognitive dysfunction, 33–81 yr olds with cerebral vs peripheral arteriosclerotic disease, commentary reply, letter, 23354
P300 evoked potential amplitude in response to go/no go RT paradigm, males at high vs low risk of alcoholism, 35802
regulatory function of set assessed by cortical EPs during cognitive activity & responses to conscious stimuli, 3119
repeated presentations of words, ERPS & RT, adults with probable Alzheimer's disease, 16336
rhyming vs non-rhyming pictures, ERPs, reading disabled 12–16 yr olds with poor vs better phonetic ability, 8372
role of synaptic plasticity & AMPA receptor desensitization in phasic & long-term depression of brainstem nucleus tractus solitarius neurons, rats, 41399
role of thalamus in high frequency gamma electrical oscillations in auditory cortex & relation to sensory processing, rats, 6706
RT & ERP assessed changed in neural & cognitive processes during learning of miniature artificial language, college students, 38236
RTs & ERPs in & localization of brain activations & sequence of processing stages in number comparison task, 18–23 yr olds, 3113
short vs long-term memory in recognition task, ERPs in amygdala vs hippocampus vs anterior vs posterior temporal lobe, patients with epilepsy, 8597
slow vs rapid information delivery, ERP indices of decision making, males with vs without HIV, 1534
slow wave ERPs as measure of auditory processing of sentences with subject-object vs subject-subject relative clauses, 18–35 yr olds, 29432
spatial temporal dipole model analyses of neuronal activity involved in P300 activity for target vs novel events, frontal lobe location, adults, 14937
stimulus–response incompatibility & degradation, RT & P3 latency, 20–29 vs 68–80 yr old females, 11305
syntactic vs task relevant anomalies, characteristics of ERPs responses, 18–42 yr old college students, 18210
task difficulty & threshold, vertex ERPs, 17–28 yr olds, 6708
temporal lobe cognitive potentials in verbal learning & memory processes, 15–47 yr old patients with temporal lobe epilepsy, 31763
temporal vs nontemporal visual tasks, attention & prefrontal slow cortical potentials, 18–25 yr olds, 29407
tests using pictures & words within- and cross-form conditions, ERPs & direct & indirect memory, 19–34 yr olds, 37713
topography & strength & laterality of channel ERP maps to sentence endings of different correctness & verbal vs nonverbal surface form & priming & repetition count, adults, 14822
utility of P300 ERP latency as measurement of normative cognitive aging, meta analysis, 18212
Verbal GRE scores & word difficulty & task preparation, individual differences in RT & recognition potential & P3 ERP latencies in word detection task, 20–34 yr olds, 38022
viewing pleasant vs unpleasant stimuli, blink reflex & P3 wave of ERP measures of acoustic startle response, adults, 18260
visual selective attention in ERPs, neural perception, 18–32 yr olds, overview of monkey neurophysiology & application of ambiguity resolution theory, 37982
visual vigilance task with vs without 40 vs 60 db of white noise, functional reactivity of effort system (P300 amplitude) & arousal levels, introverted vs extroverted university students, 26245
vowel vs verb use in silent speech, ERPs & equivalent current dipoles, male 20–36 yr olds, implications for attention & speech motor planning, 29417
word vs nonword repetition, ERPs during explicit vs implicit memory tasks, 18–32 vs 57–83 yr olds, 18217
Evolution (Theory of) [See Theory of Evolution]
Exceptional Children (Gifted) [See Gifted]
Exceptional Children (Handicapped) [See Disabled]
Excitation (Physiological) [See Physiological Arousal]
Excretion [See Defecation, Urination]
Executives [See Top Level Managers]
Exercise [See Also Aerobic Exercise, Weightlifting, Yoga] —Serials
ability to tolerate hypoxic exercise & genetic loci of major effect on differences in tolerance, mice, 37946
acute effects of exercise on mood states, research review, 1976–95, 11701
acute exercise, self efficacy & affective responses, adults, 11743
acute or long term exercise & cognition, meta analysis, 42044
acute physical activity, feeling states & affect, females, 1058
age & SES & sense of control, exercise self efficacy, older adults, conference presentation, 3522
age & SES, exercise & smoking, 24–65+ yr olds, 27517
alcohol & caffeine & tobacco intake & exercise & bedtime activities & sleep enhancing measures, sleep duration, workers on rotating day vs night shifts, 14005

anger control & externally oriented thinking & alexithymia & somatosensory amplification, silent vs symptomatic myocardial ischemia during exercise, 24–80 yr old patients, 23296
behavioral monitoring, physical activity & psychosocial determinants of exercise behavior, adult females, 32738
chronic exercise, open field locomotor activity & GABA-A binding in corpus striatum & urination & defecation, male rats, 10943
definition & conceptual generality & measurement of exercise dependence & relation to eating disorder, research review, 8407
depression/anxiety & chronic illness & lower exercise & social support, sleep difficulties, Black 62–99 yr olds, 19490
development & construct validity & reliability & item refinement of Exercise Benefits/Barriers Scale, 18–88 yr olds, 5945
diet & excersise & disability status & degree of social integration, Body Mass Index, adults with Down syndrome (mean age 29.5 yrs), 42641
diet with or without aerobic activity &/or strength training, body weight & composition & resting energy expenditure & appetite & mood, obese females-590 06, 23972
dyspnea & lung function parameters & variance in exercise tolerance, 40–86 yr olds with chronic obstructive pulmonary disease, 26864
effects of physical exercise on anxious emotions, meta analysis, commentary reply, 18259
effects of physical exercise on anxious emotions, meta analysis, commentary, 18258
enjoyment in sport & exercise defined as optimal psychological state of flow vs related constructs of affect & attitude & pleasure & intrinsic motivation, commentary, 24813
enjoyment in sport & exercise defined as optimal psychological state of flow vs related constructs of affect & attitude & pleasure & intrinsic motivation, 10151
environmental enrichment & group vs individual housing, spleen cell & other immune system responses to acute treadmill exercise stress, female mice, 6784
etiology & symptoms & age at onset & response to treatment of benign vs symptomatic headaches precipitated by cough vs exertion vs sexual excitement, 10–81 yr olds, 23275
exercise & personality traits & psychological health, adults (mean age 33.69 yrs), England, 22586
exercise, CNS function as measured by brain calcium–calmodulin-dependent dopamine synthesis, male mice, animal model of convulsive seizures, 6679
exercise, domain specific & global levels of self esteem & effects of physical fitness & body composition & self efficacy & exercise participation on changes in physical self worth, middle aged adults, 24078
exercise self schema & intention, exercise behavior, undergraduates, 37238
exercise, shooting behavior & perceptions of criminals in simulated dangerous situations, police patrols, 15644
exercise vs rest condition, memory performance on free & cued recall & recognition tests & state dependent learning, 18–38 yr olds vs 60–80 yr olds, 34826
exercise, weight gain, 40–75 yr old female smokers vs former smokers, followup study, 32751
expected pain & fear of reinjury & back stretching activities, chronic low back pain, 22–63 yr olds, 19495
feasibility of dietary & physical activity assessment tools for use in general practice, 10510
fluoxetine, co-occurring exercise induced orgasms & difficulty achieving orgasm during intercourse, 50-yr-old female with depression, case report, letter, 32402
frequent short rest breaks with vs without stretching exercises, productivity & well-being, 18–53 yr old computer operators, 33799
Gestalt perspective on movement as metaphor & therapeutic impact of physical exercise on counseling process, depressed female, 19742
health incentive value vs self efficacy vs social support vs outcome expectations vs health locus of control, exercise variability, 70–98 yr old females, Canada, 11502
heart rate & hypnotic susceptibility & prior experience, flowlike states during exercise, circuit trainers (mean age 25.5 yrs), 17413
hormone replacement therapy & exercise, mood & symptom reporting, premenopausal vs perimenopausal vs postmenopausal females, Australia, 29462
incremental vs entity implicit theory of athletic coordination, exercise motivation & self efficacy & negative affect in facing difficulty, college students, 18970
intergenerational program to promote fitness & caring, college student volunteers & mature adults, 16774
internal vs external locus of control, ratings of perceived exertion during physical exercise, female college students, Sweden, 18965
interpersonal & cognitive-perceptual deficits, time spent per week in exercise or active recreation & in reading & watching TV & other activities, adults, 20838
isometric exercise, motor evoked potentials, 26–54 yr olds with chronic fatigue syndrome vs unipolar or bipolar depression, 19098
leadership behavior & social environment, exercise induced feeling states & self efficacy, female college students, 37239
left ventricular diastolic function during exercise & cardiovascular adjustment induced by training, athletes, 14947
listening to preferred music during exercise, perceived exertion & mood & time estimation, adult male cardiac rehabilitation patients, 16947
materials-based vs imagery-based vs rote exercise occupational forms, repetitions & duration of performance & heart rate & self perceived rest period, 65–93 yr old females, 27805
minimal-intervention exercise program, 40–61 yr old females, 24 wk followup, 43290
moderate exercise, mood state, sedentary mildly hypertensive patients, 8557
norepinephrine & MHPG & 3,4 dihydroxyphenylglycol levels in frontal cortex & hippocampus & pons medulla & spinal cord after treadmill training vs wheel running, rats, 14830
obsessive compulsiveness, weight preoccupation & commitment to exercise & leisure time physical activity, females with anorexia nervosa, 1466
outdoor exercise, urinary excretion of 17-hydroxycorticosteroids & catecholamine rhythm & sleep-wake pattern, 36–51 yr old airline cockpit crewmembers, 21774
pedal speed dependent automated reinforcement system, measurement of exercise behavior, 18–25 yr old males, 34124
perceived benefits of & barriers to exercise & stage of exercise adoption & intention to become more active, young adults, 32757
perceived importance & benefits of & barriers to exercise, 60–90 yr old Black females in senior citizen centers, implications for nursing, 15372
physical activation vs rest, physiological & subjective & attentional responses, patients (mean age 41 yrs) with major depression vs panic disorder, 30795
physical activities, functional capabilities & cognitive function, elderly males with dementia of Alzheimer's type, conference presentation, 31850
physical education, antisocial behavior & resolution of interpersonal disputes & physical skill levels, prekindergarten–6th graders in urban at-risk community, 24551
physical exercise program, flexibility & agility & strength & endurance & spinal bone mineral density & psychological well being & perceived health & back pain, 50–70 yr old females with low bone mass, 24067
physical fatigability & exercise capacity & disability & somatization & psychopathology, adults with chronic fatigue syndrome, 31591
physician approval & family athleticism & individual encouragement & peer interest in fitness, exercise, 70–98 yr old females, Canada, 11501
predictors of osteoporosis prevention behaviors of calcium intake & exercise participation, female college students, 24063
prescribed exercise intervention, binge eating, obese females, 5134

prescribed exercise intervention, binge eating, obese females, 13091
psychobiological perspective on role of high levels of physical activity in development & maintenance of anorexia nervosa, 31497
psychodynamic perspective of the role of physical exercise in emotional well-being, clients, 35395
regular intensive physical exercise, EEG activity, adults (mean age 31.89 yrs), implications for cognitive functioning, 14934
Responsibility Model & development of personal & social skills in physical activity programs for inner city youth, 24075
self-esteem & locus of control & obsessive-compulsive personality traits & disordered eating, excessive vs moderate vs light adult exercisers, Australia, 30503
self handicapping during goal setting & long term use with vs without short term goals, improvement in exercise performance, female adults, 10155
self motivation & commitment to & perceived barriers to exercise adherence at worksite wellness program, 18–56+ yr olds, 37154
sex & environment during active exercise vs rest conditions, time course of state anxiety responses, undergraduates, 15700
signal detection analysis of physical & psychosocial & demographic predictors of long-term physical adherence to group- vs home-based exercise program, initially sedentary 50–65 yr olds, 2-yr study, 39945
smoking status & exercise & dietary behavior, 12–15 yr olds, England, implications for school-based health education, 33388
social support & self-efficacy & perceived health benefits & barriers & subjective vulnerability to cardiovascular diseases & pressure to change, exercise intention & behavior, 40–70 yr olds, 15684
standard physical exercises, predictions vs experience & anxiety with pain, patients (mean age 49.65 yrs) with chronic low back pain, 23271
successive focus on imagined environment & preparation & exercise, ventilatory & cardiac responses, adult athletes, 6777
swimming exercise, adaptive changes in behavioral sensitivity to 5-HT receptor subtypes, rats, animal model of depression, 584
Tai Chi Chuan, health knowledge & attitudes & behavior & BP & stress level & shoulder & knee flexibility & heart rate, 60–74 yr old Hmong Americans, 24087
theory of reasoned action vs planned behavior for explanation & prediction of exercise behavior, meta analysis, 24074
training in use of Physician-based Assessment & Counseling for Exercise materials, counseling patients about physical activity, primary care providers & office staff, 24439
treadmill running, age-dependent changes in motor performance, female rats (2–27 mo old), 28816
use of processes of change, stages of exercise adoption vs relapse, adults, longitudinal study, implications for fitness programs, 16783
use of ratings of perceived exertion to regulate blood lactate concentration during running, recreationally active adults, 14994
validity of interpreting postexercise alpha enhancement as indicative of decreased brain activation, college students, 42046
videotaped home based exercise program, muscle strength & psychological well being & health, community dwelling 66–87 yr olds, 13196
voluntary vs trained wheel running & body weight gain & dietary self-selection, female rats, 21773
walking vs jogging, suppression of self-stimulatory behavior during academic programming, 5 yr old male with autism, 37094
youth sports & physical activity & moral & social development, 22088

Exhaustion [See Fatigue]

Exhibitionism—Serials
cognitive behavioral therapy, development of insight & changes in deviant sexual fantasies & communication & social skills, 34 yr old incarcerated exhibitionist, case report, 24367
physical & cultural aspects of occupational environment, topless dancers & strippers, 28247
psychosocial development, male exhibitionists vs extrafamilial child molesters vs incest offenders, 42580

Existential Therapy—Serials
active client vs "medical like" model of therapy, 1672
clinical application of death camp survivor experience in existential psychotherapy, 35 yr old female with neurofibromatosis, 39646
eroticism & humanistic perspective on sex therapy originating in existential-experiential psychotherapy, 19727
existential family treatment, 16 yr old Urban Appalachian female with difficulty adjusting to city life & her family, 8900
existential model of group therapy, chronically mentally ill patients, 27258
existential treatment perspective on search for biological parents, adult adoptees, 23624
humanistic-existential counseling model, 19–60 yr old unsheltered homeless males, 16501
J. Bugental's vision for & future of existential humanistic psychotherapy, 12806
movement from psychopathological to existential diagnosis during 1st interview in psychoanalysis, 26 yr old female with sexual difficulties, 27328
problem-oriented & mystery-centered approaches in existential psychotherapy, 23627
13-wk experiential-existential group psychotherapy program, endocrine & immune outcome, 50–70 yr old females with breast cancer, Netherlands, 36592

Existentialism—Serials
concept of being healthy as expression of personal worth & social values & existential principles, 11698
definitions of emotional abuse experience using existential-phenomenological approach, 27–54 yr old females, 39154
emotive & cognitive & volitional functions in I–It & I–Thou realms of existence & ontological importance of primary feelings, implications for therapeutic endeavors, 11730
existential-phenomenological perspective on resistance in counseling & psychotherapy, 32082
existential phenomenology & use of phenomenological interviews as way of examining experiential aspects of performance or sport participation, 20833
integration of analytical psychology & existential phenomenology, 17537
issues in analysis of Dasein's struggle for authenticity & M. Heidegger & J. P. Sartre & psychoanalytic viewpoints, 35385
philosophical foundations & approach to suffering of existential vs transpersonal psychology, 674
stress/adaptation vs existentialism paradigm, caregivers of elderly individuals with dementia, conference presentation, 32953
transpersonal psychology & existential phenomenology & psychoanalysis in discovering sacredness in everyday life, 33–39 yr olds, 11791
transpersonal views of existentialism & issue of universe as friendly vs unfriendly, 11244

Exogamous Marriage [See Interfaith Marriage]

Expectant Mothers—Serials
child abuse victimization & acceptance of services for constructive parenting, 16–42 yr old 1st-time expectant mothers, 8985
hormones & maternal attachment behavior, 18–42 yr old 1st-time mothers during pregnancy vs 3 mo postpartum, Canada, 34612
pregnancy unwantedness, risk for schizophrenia, 16–28 yr old offspring, Finland, 31022

Expectant Parents [See Expectant Mothers]

Expectations [See Also Experimenter Expectations, Parental Expectations, Role Expectations, Teacher Expectations] —Serials
academically related expectancy of smart vs not smart partner, affect & appraisal & control & deference & performance in dyadic interaction, male vs female 7–12 yr olds, 11453
acculturation & drinking patterns, outcome expectancies toward alcoholic beverages & excessive drinking, Mexican American vs non-Hispanic White adults, 4345
achievement motivation & sports related future orientation, sports careers, 16–19 yr olds, Norway, 43847
adult attachment styles & desire to have children & working models of parenthood, 18–23 yr old unmarried college students without children, 35116
age of onset for parent vs offspring generation, anticipation, parent offspring pairs from 2-generation families with schizophrenia, Sweden, 19192
aggressive personality, hostile expectations & perceptions in social interactions, college students, 35314
alcohol expectancies & social anxiety & partner alcohol & other beverage selection, perception of friendliness & relaxation before vs after beverage choice, male vs female dating couples, 30305
alcohol related outcome expectancies & drinking behavior, primary & secondary prevention of problem drinking, 43284
American Customer Satisfaction Index model, importance of reliability & customization & quality & price to satisfaction & predictive nature of expectations, customers in 7 major economic sectors, 14046
anticipated consequences & social context, moral behavior & concern for opponent, 10–18 yr old team vs indivual athletes, Canada, 41996
anticipation of & affective & actual experiences in & subsequent recollection of meaningful life events, travelers & undergraduates, examination of rosy view effect, 38779
anticipation of positive vs negative future experiences, depressed vs nondepressed parasuicidal adults, 39158
anticipation of test format vs test difficulty, test performance, adults, 17949
attitudes toward & expectations about females with physical disabilities, Chinese vs Italian vs German vs Greek vs Arabic vs Anglo Australian health practitioners, Australia, 9774
attributions & affective reactions toward & expectations of demented patient & patient gender, promotion of patient's self feeding behavior, 18–68 yr old female nursing staff members, 43329
attributions & responses to Arab Israeli conflict & emotions & expectations for war & peace, 8–9 yr old vs 14–15 yr old Israeli children, Israel, 7333
behavioral & dispositional expectations for actual classroom vs prototypic best friends, male vs female 2nd & 4th & 6th graders, 29928
beliefs & expectations about heart rate, heart rate measured by heartbeat counting, college students, 3164
categorization of peers as friendly vs unfriendly vs neutral, expected behavior, 4–6 yr olds, Japan, 25916
category-based subjective expectancies, amount & kind of individuating information sought when trying to make accurate judgments about attitudes of stereotyped group members, college students, 38718
causal attributions & stability of attributions for poor project performance, expectancy of success & its effects on project continuation decision, MBA students (mean age 31 yrs), 28873
causal beliefs & hospital admission history & treatment expectations, 16–65 yr old psychiatric inpatients & their relatives & staff, 16926
change & stability in marital expectations & beliefs & institutionalized notions of marriage, 17–27 yr olds, 1967 & 1994, 7474
child care decision making model based on qualitative & quantitative data on attitudes & values & expectations on child care choice, 15–44 yr old married women, Thailand, 38576
chords inducing key or tonality followed by single tone within octave, expectation of next tone as random vs fifth vs tonal, adults, 28802
cognitive & motivational processes, task completion time prediction, high school & college students, 41058
cognitive appraisals in claustrophobia, college students, implications for S. Reiss & R. McNally's expectancy model of fear behavior & A. Bandura's self-efficacy theory, 19244
confirming vs disconfirming expectations & stimulus information, perception of illusory correlation, college students, Netherlands, 22461
consequence monotonicity & uncertainty, gambling choice behavior, college students, 21373
consistency over time rule & expectations for chance to voice opinion, procedural fairness judgments & performance, college students, Netherlands, 7752
construction & validity & reliability of expectancy questionnaire to assess positive & negative outcome expectancies of risk-taking behavior, college students, 40825
culture & self-expectations arising from ego-ideal in suicide, 47 yr old male academic chemist, case report, 31237
development & content validity of Employment Expectations Questionnaire, employer expectations for selection criteria, 18–56 yr old college students, rehabilitation counseling implications, 37545
development & reliability & validity of Driving Expectancy Questionnaire, assessment of expectancies based on driving skill vs style & frequency & amount of drinking & driving, 18–25 yr olds, 2532
development of Patient Requests Form, assessment of expectations & requests from general practitioners, 16–87 yr old patients, UK, 10520
development vs administrative peer & upward appraisals & coworker & supervisor relations, positive vs negative appraisal outcome expectations, employees, 37176
developmental approach to prototypical expectations & personal safety during psychoanalysis, 1784
dopamine release & neuronal activity in mesencephalon & ventral tegmental area, predictions about expectations of reward in Hebbian learning model, implications for human choice & decision making, 3086
efficacy expectations & opponents' ability & perceived control over outcome & importance of success & basketball team performance, female collegiate women's basketball coaches (mean age 32 yrs), 24802
ethanol & drinking experience, psychomotor task performance & behavioral tolerance & expectation of alcohol, male 19–24 yr old social drinkers, 18287
expectancy & motivation, reconstructive memory of likable vs neutral vs unlikable target's midterm grades, college students, 14653
expectation, subjective effects & dextroamphetamine vs placebo self-administration, adults, 616
expectations & category prototypes of implicit theories of appointed & elected leaders considered worthy of influence, college students, 11685
expectations & distress, anticipatory nausea & vomiting, 6.1–18.6 yr old cancer patients on ondansetron, 19573
expectations & perceived performance of & satisfaction with bank loan services, adults, Sweden, applicability of expectations-artifact model, 2364
expectations & perceptions of personality traits of Roman Catholic priests, college students (mean age 19.25 yrs) vs applicants to priesthood (mean age 29.0 yrs), 41844
expectations, analytic process, psychoanalysts, 43546
expectations, analytic process, psychoanalysts, commentary, 43543
expectations for life benefits of treatment, preferences for surgery vs expectant management, elderly patients with prostate cancer, 20092
expectations of power hierarchy & persistence of bureaucratic rule, feelings of injustice after violation of succession rule, 18–25 yr olds, Netherlands, 10090
expectations of teachers, immigrant & host primary & secondary school students, Israel, 9964
expected pain & fear of reinjury & back stretching activities, chronic low back pain, 22–63 yr olds, 19495

expected vs unexpected location, RT in hold vs shift of attention, 41–63 yr olds with Huntington's disease vs Tourette's syndrome, 1574
exposure to results of political polls, expectations & preferences & voting behavior in 1992 presidential & 1993 New York City mayoral elections, voters, 945
factor structure alcohol effect expectancies of having fun & socializing & aggressiveness & poor behavior & sexual enhancement, 18 yr olds & older vs 12–17 yr olds, 30315
factors influencing science teaching efficacy & teaching outcome expectancy, elementary teachers, 9838
family characteristics, parent expectations & goals in child health supervision & pediatrician emphases, mothers of 2–3 yr olds & pediatricians, 20164
family factors & child's marital status & education & age, plans to leave & expectations about length of stay, continuing vs return coresident adult children in parent households, 11562
feedback & flexibility of expectancies of players & feedback patterns early vs late in season, coaches of female collegiate basketball team, 17416
financial motivation for response consistency & choice of preferred gamble with higher attractiveness rating vs selling price, awareness of reversals & consistency of responses, college students, 2823
Five Factor Inventory & well-being & gender, wish content & self estimation of wish coming true, college students, 30506
fixed sets under best reply correspondence, solution to games with expected utilities with rank dependent probabilities, 2724
focus group session on expectations of continuing care benefits & costs & obstacles to aftercare participation, inpatients with chemical dependency, 33082
future life events expectancies & positive & negative affect, affective & anxiety treatment clinic patients, application of Helplessness/Hopelessness model of anxiety & depression, 32867
future orientation & self expectancy for opportunity for social mobility & decision to postpone childbearing, 17–19 yr old urban Black females, 41736
gender & age & family history of alcoholism, alcohol expectancies, 17–35 yr olds, 26672
gender & status as drinker vs abstainer, behavioral expectations for DUI, Hispanic vs White adults, 15557
genetic & environmental factors, individual differences in alcohol expectancies, monozygotic vs dizygotic adult twin pairs, Canada, 3038
goals & expectations & evaluations of obesity treatment, obese female participants (mean age 40 yrs) from clinical trial of diet & exercise, 48-wk study, 19992
heart rate during warned simple RT task, anticipatory EMG of facial & masticatory & neck muscles, healthy adults, 3174
high vs low expectancy of positive outcome of cognitive behavioral group treatment, patients with social phobia, 39708
identification of abusive actions & establishment of standards of interpersonal behavior in professional relationships, employers & employees, 37217
increased expected information, irreversibility effect in choice behavior under uncertainty, undergraduate students, France, 2825
information structure & endowments & expectations & individual risk aversion, market prices & wealth distribution, informed vs uninformed traders, 37244
intentionality vs expected future interaction vs consequences vs power differences, dispute resolution procedure preferences, college students, 30349
internationalist vs nationalist worldmindedness & expected future interaction, negotiation reactions to competitive opponents, college students, 982
interpersonal expectations & social support & adjustment to chronic illness, 21–82 yr old end-stage renal disease patients, 42697
issues in analyst's expectations elicited by patient's use of psychotropic medication during analysis, 36383
knowledge about upper respiratory tract infections & expectations from consultation, adults & guardians of child & adolescent patients, Hong Kong, 8455
knowledge of child development & expectations for development of own vs average infant, 15–17 vs 20–25 yr old mothers, 7340
linguistic intergroup bias, maintenance of initial expectancies, college students, 3814
low vs high expectation vs self regulation in work activity rehabilitation, hrs worked & symptom improvement, patients with schizophrenia or schizoaffective disorder, 24343
low vs high presentational demands, frequency & accuracy of feeling of knowing & tip of tongue states, college students, 17953
low vs moderate vs high surprise outcomes, hindsight bias in probabilistic judgments, college students & dental patients, Israel, 21357
major life events & their expectation, psychological well-being, grandparents & their adult children & young adult grandchildren, 14-yr followup, 30544
maternal employment outcome expectations & employment timing preference, 17–45 yr old Black vs White female college students, 26091
measurements of alcohol consumption expectancies & alcohol dependence, college students, Australia, 12266
menstrual symptoms, health care needs & expectations & experiences when seeking care & identification of ways to assist, 30–50 yr old women, 39874
model of consumer satisfaction formation, assessment of perceived performance & desires & expectations congruency & attribute & information & overall satisfaction, 18–65 yr olds & older, 2367
nature of commitment to accomplishment goals vs security goals on interactive effect of goal expectancy & goal value on goal commitment, college students, 42093
negative mood regulation expectancies & depressive symptoms & state anxiety, exam performance, college students, 5639
novelty seeking & harm avoidance & reward dependence personality scale scores, prediction of alcohol expectancy & drinking patterns, 16–21 yr old psychiatric inpatients, 25020
outcome expectancy & temperament, drinking onset, 9th graders, 12 mo prospective study, 3443
past vs present vs future orientation, future expectations & attitude toward importance of college life, college students, Japan, 17211
perceived stress & self esteem & expectancy of success, college students, 11702
perceivers' evaluations & expectations & representation of information about individual & group target entitativity, college students, 30437
person job fit & realistic expectations & employee demographics, relationship of recruitment sources to job performance & turnover, newly hired marketing employees, 20722
perspectives of expected & type of behavior by bystander when witnessing acquaintance stealing vs hitting acquaintance or friend, adolescent felons & misdemeanants, 35861
pessimism in under- vs over-estimated vs realistic unbiased predictions of future creativity performance, 20–30 yr olds, Israel, 3946
physical attractiveness of & expectations of interaction with target, likelihood of requesting proof of age in allowing access to alcohol, college students, 30436
plans for & experiences of employment & post secondary education & independent living following high school, deaf 17–21 yr olds, 39587
positive & negative expectancies & values & post-discharge abstinence survivorship, 23–68 yr old alcohol abusers, 1 yr followup, 13433
positive illusions vs disillusionment & performance expectations of individuals vs groups, undergraduate business students, 26166
positive vs negative expectancies about alcohol use consequences, shyness & drinking, college students, replication, 22403

predictive effects of memory activation & outcome expectancy, subsequent alcohol or marijuana use, college students, 19393
premenarcheal expectations vs postmenarcheal experiences of positive & negative somatic & mood & behavioral changes, 6th graders, 3 yr followup, 21766
premigratory expectations, postmigratory anxiety & depressive symptoms, 15–28 yr old Vietnamese Amerasians, 1 yr study, 7920
presentation of phrase primes describing positive drinking outcomes, responses to alcohol related words, adults with various levels of drinking experience, 11644
presurgical expectations & anticipatory anxiety, postoperative pain, 7–17 yr old surgical patients, 9277
prior expectations & outcome valence, spontaneous & nonspontaneous counterfactual thinking & additive & subtractive thoughts, college students, 6340
prior experience &/or expectations or desirability of religious experience & relation to content of religious experience, 15–78 yr olds, 3483
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary reply, 26199
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary, 26203
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary reply, 26212
prior knowledge of crime categories & misleading typical vs atypical information, memory for crime events & fact-finding & decisions in hypothetical case, college students as jurors, 24945
prior posture & target location & contribution of joints & anticipation, repetitive sagittal plane reaches at low vs high speeds, 20–29 yr old males, test of knowledge model of movement, 25236
process of disillusionment of infantile wishes of pleasure in psychoanalysis, 27345
professional athletic aspirations & expectations, career goal discrepancy, African American male college students on NCAA Division I athletic team, 28260
psychometrics of National Institute of Mental Health multisite condom use self-efficacy & outcome expectancy scales, 18–58 yr olds from geographically diverse sexually transmitted disease clinics, 34052
racial identity attitudes, counseling expectations, White male vs female college students, 20162
recall of print vs TV news information with vs without expectation of recall test, 4th & 6th grade males & females, Netherlands, 22054
reliability & predictive validity of Excessive Drinker Outcome Expectations Scale, assessment of valence of outcomes of reduced vs usual drinking, 17–69 yr old excessive drinkers, 28515
requests & expectations & satisfaction with treatment services, psychiatric outpatients, 13299
self approval & partner reaction outcome expectancies, condom use, predominantly African American 18–44 yr old patients of sexually transmitted disease clinic, 7568
self esteem, typical vs atypical changes in performance expectations, 18–29 yr olds, 35296
self expectations & expectations for future partners & comparative expectations, male vs female African American vs White college students, 26094
self perceptions & negative social expectancies, 9–15 yr olds with anxiety disorders, 42362
sex & audience figure & response expectancy & family emotional expressiveness, self reported expressive regulation & display rule use, children mean age 4.6 yrs & their parents, 34963
shock covariation & expectancy biases, fear-relevant biological vs technological stimuli, undergraduates with high vs low fear levels, 34300
significant other representations in social relations, schema triggered facial affect & motivation & expectancies in transference, female college students, 15615
single- vs multi-trait vs social stereotype expectancies, recall of behaviors & person impression formation, adults, 38762
single attribute test between competing expectancy value models of attitude, college students, UK, 7678
social competence & expectations of rejection & perfectionistic orientations, prediction of shyness, 18–25 yr old college students, Canada, 35330
social expectations, Maori vs European 9 & 12 yr olds, New Zealand, 3473
social reaction expectancies of accepting vs refusing alcoholic drink, 1st vs 4th vs 7th graders, 29879
social reinforcement expectancies, effects of alcohol prevalence & friends' alcohol use & attitudes & own knowledge of health effects on current & subsequent alcohol use, 8th graders, 3 yr study, 18619
social–cognition expectations, mathematical interest & performance, high school students, 20620
spherical model of interests in examination of occupational & activity preferences & career self efficacy expectations, male vs female college students (mean age 19 yrs), 20714
state humor & expectancies & choice, postsurgical mood & self-medication, 18–65 yr old postsurgical orthopedic patients, 13169
stereotyped category-based expectancy violation, extreme evaluation of member of ingroup vs outgroup, college students, 30418
tetrahydrocannibinol content levels, marijuana choice & amount smoked & reinforcement of subjective effects, 23–33 yr old males, 19373
therapeutic value of abstinence & informative experience discordant with expectations of psychoanalysis, patients, 19884
threat expectancy, attributional style for negative outcomes & anxiety, 18–48 yr olds, Australia, 18979
time intervals between expected harmful events, risk perception, homeowners, implications for risk communication, 11246
trait behavior expectations, dispositional inferences of ability, college students, 22487
updated conception of response expectancy theory & its applications in treatment & prevention, research review, 25345
updating & explanations of attributional processes, expectation incongruity effect on memory, college students, 41159
verbal expectancy, pain reduction, 52–86 yr old arteriotomy patients, 27513

Experience (Practice) [See Practice]

Experience Level [See Also Job Experience Level]—Serials

ability level & athletic experience & sport type, self-serving attributions, professional athletes, archival analysis of newspaper sports pages, 24809
accuracy of human vs operational vs linear regression model judgmental forecasts of temperature & precipitation, expert forecasters, 34241
age & experience & navigation technique, driving performance, 16–18 vs 35–45 vs 65–73 yr olds & 25–34 vs 35–44 vs 45–54 vs 55–64 vs 65 yr olds & older with advanced traveler information system, 43916
age & experience level, job satisfaction, male private vs public sector bank employees, Bangladesh, 2309
alterations in retest maze orientation or laboratory environment, experientially-induced changes in plus-maze anxiety profiles, male mice, 34392
attentional control & mental model in cockpit instrument visual scanning during simulated flight, 18–26 yr old novice vs expert pilots, 37693
body size & fighting experience, dominance & mating success, male copperheads, 41276
brand preferences & knowledge & expertise level, search behavior, new car buyers, application of theoretical framework on consumer information, 33748
business friendship cognitive script & experience, successful transaction process & outcome, real estate agents, 15580
causal attributions & judgments about offenders, nonexperienced vs experienced police officers, test of attributional model by J. S. Carroll & J. W. Payne, Australia, 33909
characteristics of social work expertise, social workers, 43480

chlorogenic acid- vs tomatine-fed caterpillar prey, attack & feeding behaviors, naive vs experienced stinkbugs, implications for avoidance learning, 2987
cognitive abilities & architectural knowledge & its relationship to design ability, novice vs expert architectural designers, 43783
cognitive abilities & computer experience & training, computer attitudes & word processing acquisition, male vs female 58–83 yr olds, 3524
computer anxiety & state anxiety & computer experience, performance of computer based tasks, college students, 30513
computer experience, computer related stress, college students, 1045
computer interaction style & prior experience, perceptions of software packages, college students, 37262
contentless vs discourse related prompts, idea production, novice writer high school students, 21960
correspondence of scientific categories with folk categories of trees, categorization processes & inductive reasoning, taxonomist vs maintenance vs landscape worker tree experts, 17936
curve radius & driving competence, speed choice in steering through curve, 22–47 yr old licensed drivers, Netherlands, 28327
development & validity of structured criteria for visual inspection of multielement functional analysis data, interrater agreement with graphs, interns vs experts, 37580
discriminant analysis of Personality Assessment Inventory, detection of feigned schizophrenia or major depression or generalized anxiety disorder, naive vs sophisticated simulators vs patients, 10458
dynamic assessment involving specific vs general instructional strategy, experts' vs novices' error patterns in solving part–whole mathematical word problems, 3rd grade males & females, 20548
emotional & relational commitment & steady partner relationship, sexual experience, male vs female adolescents, 30287
enhanced experience stimulation & training vs isolation, rate of acetylcholinesterase synthesis & anatomical brain plasticity, rats, 14818
ethanol & drinking experience, psychomotor task performance & behavioral tolerance & expectation of alcohol, male 19–24 yr old social drinkers, 18287
ethical decision making in group work & professional code of ethics & practice wisdom, social workers, 24185
experience & other personal attributes, perceptions of computer programing & word processing ability, college students, England, 22514
experience level & IQ, memory, 4th graders, Germany, 18514
experience level, judgment of interaction style & session quality & postsession mood, entry vs advanced level counselor trainees in supervision, 9730
experience, prey & prey-patch choice, mud vs blue male crabs, 37897
experience with & knowledge of microcomputers & software & programming, computer anxiety & performance, males vs females, Australia, 5830
experience with word processing & perception of classroom environment, male vs female high school students in computer supported writing class, 33406
experience with working women, attribution for causes of & responses to female manager's poor performance, male managers, 10078
experienced vs college recruiting hiring practices, staffing professionals, 37168
expertise & positive vs negative cuing & open ended vs multiple choice format & item difficulty, total test scores, medical students vs general practice residents vs general practitioners, 28613
expertise, monetary typicality judgment, 18–28 yr old college students vs 25–60 yr old bank clerks, Italy, 2828
feasibility of think aloud methodology for study of clinical decision making & types of heuristics used & relation to expertise, nurses in cardiovascular vs neurosurgical intensive care settings, 9752
gender & gender role & attitude & experience & leader emergence, leadership behavior, college students, 41978
general knowledge vs content vs organization of knowledge vs reasons for choice, consumer expertise for motorcycles, 18–28 yr olds, 24846
heart rate & hypnotic susceptibility & prior experience, flowlike states during exercise, circuit trainers (mean age 25.5 yrs), 17413
history of success & current context, problem solving, undergraduates, 10694
intuitive perceptions of problem solving complexity & decision making strategy, 17–23 yr olds naive to vs informed of study purposes, 21369
knowledge of & attitudes toward & and exposure to managed care environment & perception of medical residency experience, residents, 36877
learning conception & problem solving approach & change in novice students' conceptions following teacher training, educational psychology laypeople & novices & teachers & experts & students, Canada, 5647
length of group membership & assumed similarity of opinion with ingroup vs prospective member, certainty of opinion, newcomer vs veteran fraternity members, 30361
linguistic modeling within fuzzy set theory of consensus in group decision making, experts, 18837
listeners' assignment of melodic structure in musical performance, expert vs student musicians, 25226
locus of control & self esteem & teaching experience & perception of child's characteristics, referral of emotionally disturbed vs nondisturbed student to special education, 22–52 yr old teachers, 17243
methods for building user friendly interfaces to computer systems, design of habitable subsets of natural language allowing productive use with little instruction, 17452
models of tonality & musical training, accuracy & RT, nonmusicans vs low vs high trained musicians, 25218
multidimensional view of expertise & collaborative problem solving & learning in team work environments, Finland, 7604
music & previous experience, pre- & post-donation mood & stress , 18–57 yr old volunteer blood donors, 35317
nonverbal behavioral clues to deception, prisoners vs police detectives vs patrol police officers vs prison guards vs customs officers vs college students, 3773
open arm ledges & maze experience, motor activity in elevated plus maze test of anxiety, chlordiazepoxide treated male rats, 15027
perceptions of prevalence of condom use & sexually transmitted disease acquisition, 12–15 yr old females with vs without sexual experience, 38404
planning & instructional variables & student achievement in mathematics education, female teachers with 2 vs 24 yrs experience, 9931
preference for doctoral applicants to have BA vs MA degree & scholarly research &/vs clinical experience, Directors of PsyD training from APA-approved professional programs, 13791
previous experience, diet selectivity & time spent grazing leafy spurge, naive vs experienced yearling sheep, 10782
prior autonomy supporting vs externally controlling experiences, reaction to & motivation to engage in new activity, college students, 18017
prior experience & individual housing & running, weight loss, rats, 37816
prior experience &/or expectations or desirability of religious experience & relation to content of religious experience, 15–78 yr olds, 3483
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary reply, 26199
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary, 26203
prior experience of members of given category, expectations & comparisons of other category members, adults, test of judgment model, commentary reply, 26212

prior task & group experience, group performance & level of member ability & recognition of member expertise, undergraduates, 26171
problem & problem-solver characteristics, calibration of best estimates in judgments including actual outcome, experts vs novices in real estate practice, 6344
problem based vs integrative vs conventional curriculum, accuracy of differential diagnosis of representative case histories, preclinical vs clinical medical students, Netherlands, 13571
problem solving performance on process & object oriented tasks using object-oriented modeling, experienced vs inexperienced process-oriented modelers, implications for systems analysis & design, 14064
problem structure, quality of solution decision inputs, experts vs novices, 28889
Rankine vs single-sensor single indicator display, abnormality detection & diagnostic performance, novice undergraduates vs expert graduate students vs professional operators, 28302
ratings of originality & craftsmanship & quality in slides of artwork by young artists, 23–71 yr old art experts vs nonexperts, Netherlands, 21948
repeated exposure to simulated clinical cases as method of problem based learning, development of clinical expertise, 21–45 yr old veterinary students, 40268
role of recognition processes vs look ahead search in time constrained problem solving, grand master level chess players, 17909
sex & age & site experience, individual differences in advantageous foraging, snow buntings, 29178
sex & computer experience, mental rotation ability on computer game, college students, 21334
sex & skill level & coping responses & situational appraisal of acute stress, coping strategies, 18–44 yr old competitive athletes, 37228
sex & skill level, visual search patterns & anticipation & reactions & movement during simulated tennis, beginner vs advanced tennis players, 14034
sex & yrs of experience & athletic participation & age, coaching behavior, high school soccer coaches, 2336
single prior maze experience, behavioral changes in elevated plus-maze retest, scopolamine treated mice, 15087
size & impact of bias towards discussing common task & team experience information & performance, undergraduates, 26169
skill level, recall of random & distorted chess positions, 17–45 yr old chess players vs computer simulation, US & Switzerland, 297
sleep duration & quality & napping strategies on morning vs day vs night shift vs days off, young workers at 1.5 & 3.5 & 5.5 yrs of shift work experience, 14020
speed & accuracy of visual inspection performance on domain specific vs general probe recognition task, 21–29 vs 36–69 yr old female experts vs novices, 2866
statistical training, perception of choice uncertainty as distribution of possible vs single uncertain outcome & use of loss minimizing vs noncompensatory heuristic, decision makers, 2811
student characteristics & computer attitudes & experience & academic performance, students in psychology course with computer exposure, 9942
supervision of dynamic environments, novice vs expert operators, literature review, 33796
task experience, memory self-evaluation, 17–34 vs 60–78 yr olds, 25798
taxonomy based on training experience from Partners in Policymaking program & resulting advocacy performance, 31–72 yr olds with or parents of children with developmental disabilities, 5 mo followup, 16121
thought & political expertise, extent to which attitudes are consistently structured within cognitive system, college students, test of shared consequences model, 30214
training & enriched experience, neurochemical & neural plasticity & other neuroanatomical brain changes, rats, literature review, conference presentation, 488
training & expertise level, scripts of psychological research process, undergraduates vs graduate students vs assistant vs full professors of psychology, 2126
trajectory & acceleration & experience, perception of speed, 25–45 yr old male vs female drivers, 17488
tutoring, phonological & visual & semantic & syntactic skills, difficult-to-remediate vs readily remediated reading impaired 1st graders with cognitive vs experiential deficits, longitudinal study, 13862
use of higher level cognitive operations in problem solving with geographic information systems program, high school student novices vs system experts, 17115
user expertise level & spreadsheet software's front-end voice interface, performance & satisfaction, college students, 5835
utilization of expert opinion & cluster analysis in the selection of item bundles suspected of displaying differential item functioning amplification, 28393
variable vs constant practice, implicit motor learning in continuous pursuit tracking, adults, Germany, 37849
varying levels of expertise, performance on basic-level categorization tasks, experts vs novices, 41071
views & scope & study of expert & exceptional performance, 14639
8-OH-DPAT vs tertatolol to dorsal raphe nucleus vs ventral hippocampus, anxiety & hyperactivity, rats naive to vs experienced with elevated plus maze, 15029

Experience Level (Job) [See Job Experience Level]

Experiences (Events) [See Also Anniversary Events, Early Experience, Life Experiences, Vicarious Experiences] —Serials

acknowledgment of negative mood states, recall & degree of positivity of life events, adult females, 35341
affective contrast & assimilation in evaluative & experiential modes of counterfactual thinking, adults, 21353
age & exposure to past painful experience & temperament & fears & female caregiver's child rearing practices, pain responses to venipucture, male vs female 8–12 yr olds, 36612
analytic termination as event & process, clinical vignettes, 27334
anticipation of positive vs negative future experiences, depressed vs nondepressed parasuicidal adults, 39158
anxiety during Gulf War, 5–16 yr olds, Kuwait, 42354
application of behavioral principles to antecedent events & interpretation of functional properties of behavior disorders as discriminative & establishing operations, literature review, 39171
attachment style & relationship quality, written explanations for hypothetical relationship events & predicted emotional & behavioral responses, college students, 3889
attributional style & positive vs negative daily life events as predictors of hopelessness depression subtype, nondepressed individuals, 35512
birth mothers post adoption experiences, 25–64 yr old mothers who had relinquished a child for adoption, 26262
chronic stressful events & development of eating disorders, codependent vs noncodependent 18–35 yr old females with vs without alcoholic family member, 26828
clinical & social variables, life events & subsequent psychotic episodes, 16–50 yr olds with functional psychosis, 30931
cognitive behavioral strategies for enhancing ability to cope with stressful life events, clients suffering from depression, 27203
cognitive impairment & confrontation with stressful life events, use of outpatient physician services, male vs female 65–75 yr olds & older, 13296
cognitive processes involved in explanation of events, 34217
completion of psychological tests, positive vs negative emotional reactions & recent life experiences, male 18–24 yr old research participants, implications for ethics in research, 2195
computationalism & explanatory vs experiential forms of understanding, 14100
correlation of P300 measures & coping & stressful life events, 18–28 yr olds with paranoid type schizophrenic disorder, 6 yr study, 42342

counterfactual thinking, preventability & causal ascriptions of outcomes, adults, Canada, 2816
course of & recovery from major depression, psychiatrist, personal experience, conference presentation, 30878
daily events & somatic symptoms appearing 3–4 days later, college students, 19518
demographic variables & social support & life events, depression, 65 yr olds & older, England, 35557
depression & Axis I comorbidity & family psychopathology & autonomy, prediction of self-generated episodic life stress, female 16–19 yr olds, 2 yr study, 30833
depression & stressful life events & social support & self esteem, 20–35 yr old African American females, 39019
depression status & situation valence, cognitive bias & rationality in justifications of causes of events, adults with major depression vs dysphoria, 42277
development & reliability & validity of Interview for Recent Life Events, individuals with psychiatric & physical disorders, 34022
dimensions of stability & globality & internality for negative events for reliability & validity of measure of attributional style, 22–53 yr old sales associates, England, 30446
direct experience vs observation vs stories of event, recall, 5–6 yr olds, 25768
disclosure effects of writing about emotional experiences, physical & mental health treatment outcomes, 36224
disclosure of real vs imagined traumatic events, health & adjustment, female college students, 3902
enhancement of attributional style & positive life events, mediation of increased hopelessness, 20–63 yr olds with depression, 30860
event probability & attitude toward target S, belief in illegitimate action or suspicion of event, college students, experimental replication & implications for impression management, 41081
excessive concern about social relatedness or achievement, vulnerability to depression after negative interpersonal or achievement events, application of personality–event models of depression, 4121
existential phenomenology & use of phenomenological interviews as way of examining experiential aspects of performance or sport participation, 20833
experiences & effect on family environment, family caregivers of adult children with schizophrenia, 39063
experiences & interventions, family members of children with traumatic brain injuries, 16316
experiences & perceptions of death & grieving, 13–18 yr old nonviolent adjudicated urban males vs suburban high school students, 4377
experiences around time of natal emergence, development of litter-mate preferences, juvenile Belding's ground squirrels, 37881
experiences of & attitudes toward & injuries from airbag deployment crashes, car drivers & passengers, 33822
experiences of disclosure, HIV infected 24–44 yr old females, 4602
experiences of exceptionality, people with disabilities, 1976–92, bibliography, 4015
experiences of vertebral fractures, 58–86 yr olds with postmenopausal osteoporosis, 4556
experiential concepts & interface between phenomenology & logical formulation & crossings at work in metaphor & all language use & artificial intelligence, 14101
extraversion & neuroticism & daily events, positive or negative daily mood, 35–55 yr old males, 35312
factor structure & internal consistency of Perception of Birth Scale, perception of labor & delivery experience, females who had vaginal vs unplanned cesarean deliveries, 6084
familiarity & usage & purchase experiences & accessibility, attribute importance, adults, 43865
flashbulb memories for events of negative vs positive affect, 18–53 yr old college students, Scotland, 18009
flashbulb memories for events of negative vs positive affect, 18–53 yr old college students, Scotland, 10734
fluoxetine, changes in self-critical & dependent personality traits & depression severity & trait-congruent life events, patients with major depression, 32596
formal education & leaving school & nonfamilial work & living experiences, premarital sex, females, Taiwan, 11618
genetic liability to major depression, experience of stressful life events, monozygotic & dizygotic female twins (mean age 30 yrs), 35534
hedonic meaning in odors paired with positive vs negative experiences, odor evaluation, university employees & 15–68 yr old physiotherapy patients, 10605
hierarchical elaboration in conceptual structures of life events before vs after war & negative combat events, male Vietnam combat veterans with vs without PTSD or other psychiatric disorders, 15989
home environment & living situation & other characteristics & prevalence of physical &/or sexual &/or emotional abuse & drug abuse & stressful life events, runaway 11–17 yr olds in shelter, 8109
human subjectivity & sensorimotor experience & cognition vs self identity views in cognitive science, 10690
implicit causality, focus on events in sentence comprehension, college students, 248
independent nature of optimistic biases for positive & negative events & behaviors & traits, 3912
information synthesis in cerebral cortex as basis for subjective experience, 41332
inner experience & expression of social interest, master's degree counseling students, implications for training & supervision & therapy experience, 40270
internal vs external causal attributions for positive vs negative hypothetical social events, paranoid vs depressed patients, 30771
internal vs unknown locus of control for positive vs negative events as a stress moderator & mediator, 8–12 yr old children of divorce, 25878
interpretation of same classroom teaching events, elementary school cooperating teacher & student teacher dyads, 9834
life events & onset of breast cancer, letter, commentary, 36034
life events & pudicity, onset of anorexia nervosa, 15–25 yr old females, 35949
life events in previous year, onset of bulimia nervosa, 16–35 yr old females, 35954
life transition phase & semantic vs lexical memory systems in knowledge of public events & names between 1930s & 1980s, adults, 38694
linguistic complexity & socioemotional context of interviews, report of recently experienced real life event, 5.3–7.6 yr olds, erratum, 21975
listening & conversation in free narrative approach to studying everyday understanding of specific events & situations, college students, implications for behavioral economics & social psychology, 2354
loss & humiliation & entrapment, depression onset, 30832
major depressive disorder, development of negative life events, 62 yr old males observed since 26 yrs old, 26444
meeting "Sinterklaas" as emotionally charged naturalistic event, cognitions & self reported emotions & expressive behavior, male vs female kindergarten-aged children, Netherlands, 34941
memory for details encoded prior to vs after receiving traumatic childhood sexual abuse vs neutral information, college students, 2 wk followup, 41140
motivation, misconceptions about random sequences of heads & tails, undergraduates (mean age 22.1 yrs), Canada, implications for gambling behavior & principle of independence of events, 17928
negative life events & problem-solving behavior, depressive symptoms & marital adjustment, newlywed couples, 18 mo study, 35517
negative life events, recovery time from bipolar disorder, 18–65 yr olds with bipolar disorder, longitudinal study, 38984
neurodevelopmental model for schizophrenia involving actions of schizophrenia genotype & canalization & stochastic events, 35642
optimism & reported physical symptoms & daily hassles, male vs female undergraduates, 7734

parent–child & interparent agreement on Daily Life Stressors Scale, assessment of internal sensations or negative affectivity experienced by children, children & their parents, 7311
past experience, memory &/or information processing, 12–27 mo old male rats, cross-sectional & longitudinal study, 37821
perceived controllability of events & optimistic bias, research review, 3913
perceived significance & negative affect & attributions of stressful daily events, 25–54 yr old correctional officers, Netherlands, 33908
peripheral vs central information & experience of 2 similar events & suggestions by others, metamemory & judgments about long term information retention, preschoolers & 1st & 3rd graders, Canada, 25773
personal growth through grief & painful life losses, literature review, 1973–95, 25690
perspectives on management & personal life & professional & social work experiences & identifications, 3rd tier social services managers, implications for future practice, 36908
positive vs negative role plays, ability to express & explore & synthesize feelings & experiences, substance abusing clients, 32007
pre- & post-transition experiences & adjustment to retirement, 22–53 yr old disabled athletes, 16269
principal environmental influences in work & leisure activities & locus of control, positive subjective states & psychological well being, female adults, England, 18966
professional & personal experiences in war zone & after Vietnam War, military nurses, 24486
psychodynamic perspectives on emotional experiences & conscious & unconscious responses, females who underwent multifetal pregnancy reductions, 27566
qualitative analysis of unique experiences in burnout, 12–23 yr old junior tennis players, 18571
radical behavioral interpretation of causality & confusion of events with descriptive constructions, 21344
recent life events & comorbid axis I disorders, 15–65 yr old suicide victims with vs without personality disorder, 35724
reliability & validity of psychological/verbal & control & physical/sexual abuse scales & current negative mood & abuse history & negative life events, 17–87 yr olds, 40842
religiosity & valences of observed person & outcome experienced by that person, perceived justice vs injustice in life events, college students, 7674
rhythmical patterns & experience of menopause, 40–60 yr old females, South Korea, 41921
secondary problems & stresses & reactivity to stresses, effect of parental divorce on depression, 14–17 yr olds, 11939
selective use of beliefs in fate & God & luck & chance & justice to interpret life events, college students & other adults, US vs India, 22558
self-control & frustration & emotionalism & precipitating incidents in theory of riot participation, 15393
self imagery & prior experiences & images of professional practice, social work students & student teachers, 20431
self-reported traumatic experiences & dissociative symptoms, obese females with vs without binge eating disorder, 42660
sensitivity of contingency judgments of events in social & nonsocial situations, adults, 38711
SES, sense of control over one's life & belief that Americans control their own lives & good or bad outcomes, 18–90 yr olds, 22215
severe life events in 12 mo before onset of globus pharyngis, patients, implications for psychological diathesis & social stress factors in etiology, 8467
sex & personality, genetic & environmental contributions to life events, adult identical & fraternal twins reared together vs apart, 15713
sex & prior experience, attitudes toward male vs female 65–74 vs 75–99 vs 100 yr olds & older, college students, 7664
sex therapist's personal experiences & client cases & theoretical premises of mutualist perspective of sex therapy, 33160
social circumstances & life events & coping & level & length of drug intake, benzodiazepine dependence & withdrawal, long term benzodiazepine users, 6 mo followup, 4991
speech pitch height & range in ordinary & play situations, German-speaking mothers & their 11–12 mo olds, 4 mo followup, 11277
stress of interview regarding positive vs negative life experiences, plasma cortisol & ACTH & norepinephrine & lymphocyte subpopulations, patients with dysthymia or major depression, 38980
stressful life events & perceived social support, depression, 7th–9th graders, Hong Kong, test of buffering model, 34892
stressful life events, course of HIV, HIV positive homosexual males, 31654
subjective experience & definition of current life situation in terms of illness, 20–55 yr old Euro-American vs Latino outpatients with schizophrenia vs unipolar depression, 38922
subjective experience, judgment of attitude strength, college students, 26251
subjective experience vs information content, construction of attitude judgments, college students, Germany, 11664
systemic psychophysiology approach in description of formation & realization of individual experience, animal & human data, 41409
temporal estimation of occurrence of M. Thatcher's resignation & Hillsborough football disaster, adults, Great Britain, examination of accessibility principle, 21378
testing & treatment behavior & experiences, 20–45 yr old African American vs Puerto Rican vs White HIV+ females not diagnosed with AIDS, 39450
theoretical mechanisms & clinical utility of disclosure effects of writing about emotional experiences, physical & mental health treatment outcomes, commentary, 36200
trait anger & anxiety & mood states & stressful daily events, salivary cortisol, 27–57 yr old white collar males with high vs low perceived stress, 29492
trait anxiety vs stressful events, emotion- vs problem-focused coping strategy choice, 15–19 yr olds, Italy, 15314
traumatic event experience & psychological distress, change in empirical & metaphysical assumptions & religious beliefs, adults (mean age 20 yrs), 15705
traumatic events & sex & political activity & perception of parenting styles, Palestinian 11–12 yr olds, 29924
uncertainty experiences, 38–69 yr old females with breast cancer, 4623
unrealistic optimism about risk of experiencing negative events, 3953
use & effectiveness of social support processes in conversations between friends about negative life events, preadolescents vs adolescents vs adults, 11432
use of toys & models in facilitation of personally experienced events, 5–6 yr olds, 22130
validity of Dutch version of Multidimensional Pain Inventory & relationship with experience sampling data, 21–64 yr old chronic pain patients, Netherlands, 28494

Experiences (Life) [See Life Experiences]

Experiential Learning [See Also Curricular Field Experience]—Serials

D. A. Kolb's experiential learning theory examined through psychometric analysis of Learning Style Questionnaire, managers, UK & Ireland, 10386
development of & participation in management learning organizations, business administration college students, 17138
direct experience vs observation vs stories of event, recall, 5–6 yr olds, 25768
education theory & D. A. Kolb's model of experiential learning in continuous training to improve quality of day care provision, child care staff, 13311
experiential learning in culturally diverse field setting, sensitivity training in social work, female college students, Canada, 24445
informal & experiential learning, social work projects in political awareness & community development & social service, college students, Hong Kong, 24434
integration between psychology & Christian faith in classroom setting & informal student–instructor interactions, 40281

mental models used in categorization & experiential knowledge & recognition of specific cases, undergraduates, 17897
self-reflection & experiential understanding of teacher professional development stages & events & perspectives, mid-career teacher educator, implications for novice teachers & teacher education, 33347
structured experiential exercises & discussion activities, confronting attitudes toward death & developing resources for encountering death of others, educators & students in gerontology studies, 33197
team learning style & role & position in competition & weather, effectiveness of adventure based experiential training program to foster teamwork, college students, 17133

Experiential Psychotherapy—Serials
holotropic breathwork with vs without experiential therapy, distress & death anxiety & self esteem & sense of affiliation, psychiatric patients, 1677
model of affect-centered relational dynamics & techniques in Accelerated Experiential/Dynamic Psychotherapy, 36202
proposed pathway to change in client centered empathic responding vs process experiential approach to treatment of depression, outcome, 26–63 yr olds, 8990
study of distinguished practitioners as humanistic approach to learning psychotherapy, humanistic psychologist, 2114
13-wk experiential-existential group psychotherapy program, endocrine & immune outcome, 50–70 yr old females with breast cancer, Netherlands, 36592

Experiment Controls—Serials
data analytic techniques, examination of treatment efficacy in pretest-posttest control group designs, 4751
ethically justifiable guidelines for use of placebo controls in clinical trials of psychopharmacologic agents, 25149

Experiment Volunteers—Serials
baseline characteristics, patients with major depression recruited through newspaper advertisements vs consultation referrals, conference presentation, 28672
characteristics of therapeutic trial participants & costs of recruitment, clinical investigators, conference presentation, 28660
demographic characteristics & response validity & habitual thinking, college students volunteering for in-class vs after-class experimental data collection, 17782
factors affecting rates of participation in stroke prevention clinical trials, African Americans, 13192
factors influencing participation in research studies, patients, implications for impact of trend toward managed care on patient recruitment for research, 2739
health care utilization before vs after participation in trauma research study, female primary care patients, 39616
memory abilities compared with general & college educated population norms, college student research volunteers, 28667
personality & social behavior & sexuality, male research volunteers vs nonvolunteers, implications for human sexuality research, 3691
race & age & sex & income, making initial call for treatment & entry into clinical research protocols, alcoholic clients, 5427
research consent & perception of research participation in sexual assault research, adult female sexual assault victims, 31190
results of magnitude estimation procedure conducted with laboratory samples vs World-Wide Web samples, conference presentation, 34128
selection bias during recruitment for psychiatric interview, 60–99 yr olds, Germany, 34126
selection bias in inpatient outcomes monitoring project, 18–65 yr old patients, 28679
understanding & perceptions of informed consent regarding child's involvement in drug trial, parents of 6 mo to 3 yr olds, 6161

Experimental Apparatus [See Apparatus]

Experimental Attrition—Serials
Axis I & Axis II comorbidity & anxiety sensitivity & depression & anxiety & hostility & problem solving & quality of life, depressed completers vs noncompleters of fluoxetine trial, 27459
demographic & child & parent & family variables, participation in longitudinal research, families of children with cystic fibrosis vs congenital heart disease vs no chronic illness, 26872
description & estimates of missing data in longitudinal studies, application of random-effects pattern-mixture regression models, 21165
eating habits & weight ranges, 29–44 yr old females who refused interview participation vs 29–46 yr old females who agreed to participate, 31544
imputation of missing value scores for clinical trial subject dropouts, integration of data into random regression model analysis, 28675
issues & recommendations for recruitment & retention in clinical psychosocial research, elderly ethnic minorities, 6152
methodological issues in population selection & study retention & monitoring medication compliance & measuring outcome in alcoholism treatment studies, 33030
methods of minimizing attrition in longitudinal studies through the use of effective retention & tracking strategies, 25151
population tracking & attrition containment strategies, 4–12 yr olds with ADHD, 18 yr longitudinal study, 6162
protocol to maximize participant retention in longitudinal community research, abused adult females, 2 yr study, 5314
reasons for & results of noncompletion of longitudinal ethnographic field studies of drug use, drug users, implications for ethnographic research, 21205
recruiting & retaining ethnic minorities & females in psychotherapy research, introduction to special section, 6165
recruitment & retainment strategies for psychotherapy research, low income Latinos, 6166
recruitment & retention in clinical research, African American vs White inpatients in urban psychiatric hospital, 7871
recruitment & retention rates in mental health research, homeless mentally ill, 6164

Experimental Design [See Also Cohort Analysis, Followup Studies, Hypothesis Testing, Longitudinal Studies, Repeated Measures]—Serials
amphetamine with immediate vs resetting- vs nonresetting-delayed reinforcement, response acquisition, male rats, 15054
application & efficacy of Solomon Four Experimental Design meta analysis approach in intervention for depression prevention, elderly & newly relocated nursing home residents, 21179
application of cognitive science theory to question writing for self-report method of data collection, 40989
appropriateness of monte carlo studies in item response theory based research, 6140
articles with randomized controlled trials, manual search vs electronic search of MEDLINE & PsycLIT, Journal of Disability Research, 1957–95, 37347
assessment & design issues in study of variability of comorbidity of psychiatric disorders, 11871
benefits of randomized single-S experimental designs for control of threats to internal validity, 169
Butterfly system of programing routines to create & edit adaptive psychological experiments & collect & handle & transfer data, 14473
choice of old vs recommended vs self-chosen workplace, 19–63 yr old employees with vs without participation in naturalistic setting, 5 mo followup, Netherlands, implications for ergonomics, 33804
classical total test score vs item response theory scales, estimation of true vs spurious interaction effects in ANOVA designs in psychological experiments, 21163
combined time-series & control-group analysis of questionnaire intervention, viewing behavior, TV audience panel, Germany, 7160
comparison of scent identification lineup designs, police tracker dogs & their handlers, Netherlands, forensic applications, 6170
concurrent schedules with different reinforcer components, within-session changes in response rates & time spent responding, rats & pigeons, 14730

constructivist perspective on validity & reliability of research evidence regarding ideation in chemistry education, children, 2173
contributions to personality measurement & statistics & research design, A. L. Edwards, obituary, 18931
correction for effect of design imbalance on H. Levene's test of homoscedasticity in 1-way layouts, 37562
correctness & visual hemifield & wordness & presentation mode of previous trial, current trial lexical decision task performance, college students, 17917
data analytic techniques, examination of treatment efficacy in pretest-posttest control group designs, 4751
degree of ethnicity as focus of sexuality research, literature review, 1971–95, 26127
demographics & selection biases in antipsychotics trial & potential effects in hypothetical clinical trials, 18–55 yr olds with schizophrenia or schizoaffective or schizophreniform disorder, 10599
description & expandability of EXPE script language for design & running of psychological experiments, 40988
descriptive vs inferential methods in Monte Carlo studies in item response theory, 25142
design & monitoring & ethical considerations of psychiatric symptom-provoking studies, 43559
design & reporting guidelines of sexually transmitted disease/HIV behavioral intervention research, literature review, 28674
design-based approach toward information processing account of emotional episodes, implications for interpretations of mental phenomena & artificial intelligence, 18377
design-based approach toward information processing account of emotional episodes, implications for interpretations of mental phenomena & artificial intelligence & therapeutic method, 18391
design-based approach toward information processing account of emotional episodes, implications for phenomenology & interpretations of mental phenomena, commentary, 18383
design-based approach toward information processing account of emotional episodes, implications for interpretations of mental phenomena, 18390
design-based approach toward s information processing account of emotional episodes, implications for interpretations of mental phenomena & artificial intelligence & therapeutic method, 18376
design causality in studies of organizational transformation of knowledge with high external validity into actionable knowledge, 17358
design for longitudinal study of impact of enhanced environment in assisted living facility on residents' functioning, low to moderate income frail elderly, 17777
effect sizes in random vs nonrandom assignment in controlled experiments of psychotherapy outcome, meta analysis, 14477
emancipatory research paradigm in disability research, implications for non-disabled researchers, 25153
examination of design of parallel placebo-controlled add-on neuroleptic augmentation trials in schizophrenia, 1988–1992, 39842
experiences of single-case evaluation studies of social work practice, England & Finland, conference presentation, 40082
exploratory factor analysis in item analysis vs cluster analysis & confirmatory factor analysis, 34094
failure to control for concurrent psychotropic therapy, evaluation of effect of cognitive behavior therapy on panic disorder, commentary, 8843
focus group interviews, development of research project on therapeutic process with dually diagnosed psychiatric emergency room clients, psychologists & social workers & addictions counselors, 28668
fright reactions to alarm substance under laboratory vs near-natural conditions, captive European minnows, 37884
government-funded research & evidence for existence of psychic functioning, commentary reply, 14694
government-funded research & evidence for existence of psychic functioning, commentary, 14688
government-funded research & evidence for existence of psychic functioning, 14693
habituation & rating procedure parameters, assessment of neuroleptic-induced vacuous chewing movements & locomotion, rats, 6876
high vs low recruitment areas & ascertainment & parental consent, sample representation, 6–10 yr olds with hemiplegia, England, 2733
imagery training, free throw performance, female college basketball players (mean age 20.25 yrs), implications for single-case research use, 14033
imputation of missing value scores for clinical trial subject dropouts, integration of data into random regression model analysis, 28675
innovations in design of public opinion surveys, 6131
issues & standard tester design & other methodological strategies in research on inheritance of social behavior, mice, literature review, 1976–94, 10839
issues in design of studies of effectiveness of stereo imaging, 14523
issues of diagnostic assessment & comorbidity of mental disorders & research design & analog strategies in psychopathology research, 15891
key peck vs treadle press response type, sensitivity to variation in reinforcer amount & delay, pigeons, application of self control paradigm, 14725
logic & type & validity of single case or small N research designs in zoo research, 10756
longitudinal vs cross sectional research designs in study of cognitive decline with age, reanalysis, 15259
manipulation of retention interval in within vs between Ss experimental designs involving distractor short term memory tasks, college students, 17778
measuring feeding motivation using second-order food reinforcement schedule & conditioned stimulus, pigs, 10764
mental practice for sport performance enhancement & recommendations for research design & practice, 43853
methodological issues in population selection & study retention & monitoring medication compliance & measuring outcome in alcoholism treatment studies, 33030
methodological issues in research on role of personality & psychosocial & lifestyle factors in disease development, sample size & hypotheses & statistical analysis, 17779
model for use across outpatient clinical trials for research in pharmacological treatment of cocaine dependence, implications for standardized data collection & validity of results, 20329
multiple theories & methods & perspectives in evaluation of computer supported collaborative work, 6169
multiple within-day conflict testing, assessment of anxiolytic drug treatment time course, female rats, 6855
National Assessment of Educational Progress Technical Review Panel policy, selection of research topics in achievement & motivation for testing & educational effects of background variables, 33320
personal perspectives on collaborative qualitative research project with feminist methodology in adult ESL classroom, researcher & teacher, 5620
placebo effect & variation in response rates in clinical trials in psychiatry & medicine, 1912–94, literature review, 12731
placebo effect in clinical trials vs expectations based on natural history & pretrial evolution of disease, multiple sclerosis patients, 16254
problems posed by litter effects & use of multiparous species in study design & suggested solutions, 29041
protocol for assessment of singing ability development in school context, 5 yr olds, England, 1 yr study, comparison with data for 6–12 yr olds, 11399
randomized control trial methodology using single subject design, implications for psychopharmacology & drug development, 28662
research designs for increased efficiency & statistical power, 21210
review of behavioral interventions in HIV prevention & sexual health education fields, evaluation methods & design of intervention studies, commentary, letter, 14466

review of clinical trial summary measures in comparative speed & effectiveness of 2 competing drug treatments, 28528
sample origin & study quality, predictors & outcomes of Alcoholics Anonymous attendance, meta analysis, 16983
season & pretraining & scent, efficiency of traps, honey bees recruited to field by hivemates, implications for communication research, 2991
significance of rhetorical structure of psychological experiments investigating suggestibility within context of production of false memories of sexual abuse, children, 39135
single case experimental research designs in medical education research, 2109
social construction of children as research Ss & relationship between researchers & Ss & ethical considerations in relation to selection & treatment, case of Dionne Quintuplets, 41621
sources of variance & data analysis issues in & design of social interaction research, 14435
statistical procedures for testing variations within subject treatment by covariate interactions, 10573
study design, conclusions about efficacy of risperidone in treatment of adolescent tic disorders & Tourette's disorder, commentary, letter, 9253
study design, conclusions about efficacy of risperidone in treatment of adolescent tic disorders & Tourette's disorder, commentary reply, letter, 9286
temporal control by progressive interval schedules of reinforcement, male rats, 14729
testing duration & order of frequency presentation in curve-shift paradigm, brain self-stimulation reward effects of apomorphine, male rats, 6915
use & characteristics of single subject design in evaluations of applied sport psychology interventions, 10596
use of creative heuristics in generating psychological hypotheses, 28669
use of Monte Carlo techniques to test tetrad contrast hypothesis in single between & within Ss trials repeated measures designs, 147
validity & design of National Assessment of Educational Progress standard based reporting for 1992 assessment of student mathematics performance, 33447
weaknesses in laboratory procedure for testing hidden covariation detection, college students, commentary reply, 17913
weaknesses in laboratory procedure for testing hidden covariation detection, college students, commentary reply, 17931
2-test habituation design & regression analysis of event set by event set factorial multitest design in interpretation of perceptual processing, 5–6 mo olds, 29767

Experimental Epilepsy—Serials

piracetam & fipexide, pentylenetetrazole-kindling induced memory deficits & learning, male rats, 29547

Experimental Ethics—Serials

attitudes regarding use of animals in psychological research & teaching, male & female college psychology majors, 20622
code of ethics for organizational development agents & ethical issues involved in publication/dissemination of research, 33682
design & monitoring & ethical considerations of psychiatric symptom-provoking studies, 43559
educational value & ethical issues of participation in psychological research as course requirement, students, Australia, 17775
ethical argument against deception created by null hypothesis testing in psychological research, 2718
ethical issues & assessment of risks in biological psychiatry research, children & adolescents, reprint, 31939
ethical issues & responsibility in study of home computer Internet use, low income families, 9780
ethical issues in deception in medical & behavioral research, 17096
ethical issues of competence & voluntariness in nontherapeutic research, mentally disordered individuals, 38902
ethically justifiable guidelines for use of placebo controls in clinical trials of psychopharmacologic agents, 25149
ethics & guidelines for use of psychological tests, Australia, 43550
ethics of role of informants' discourse & researcher's narrative in Verstehende approach in sociology research, application of dialogical model as ethical research foundation, 11528
gender, attitudes toward animal research, college students, 33289
legal & professional & ethical issues regarding use & consequences of tests & assessments, US, 43548
legal safeguards in regulating ethical conduct in nontherapeutic research, developmentally disabled individuals, 39255
procedures following research misconduct, role of funding agency & need for formal review or attorney, 20486
rationale & guidelines for & ethics of medication-free research in schizophrenia, 30944
rationale & guidelines for & ethics of medication-free research in schizophrenia, commentary, 30984
rationale & guidelines for & ethics of medication-free research in schizophrenia, commentary, 30970
researcher precautions, perceptions of ethics of questionable research, college students, 9799
social construction of children as research Ss & relationship between researchers & Ss & ethical considerations in relation to selection & treatment, case of Dionne Quintuplets, 41621
support for & attitudes toward use of animals in psychological research & undergraduate education & research regulations & humane care, members of APA, 9797

Experimental Instructions—Serials

full vs partial experimental instructions, anxiogenic & respiratory response to room air hyperventilation or carbon dioxide inhalation, patients with panic disorder, replication, 1319
horizontal vs vertical spatial codes & RT in visual task, 19–40 yr olds, 6232
instruction & habitual response latency, reliability & validity of personality assessments, 16–18 yr olds, Austria, 40839
instructions & retrieval sequences & feedback, ability to recall responses to multiple choice items & confidence with which responses were made, college students, 28980
instructions to disregard emotional vs neutral information, social judgments in simulated juror decision making, college students, 42014
more vs less directed instructions & academic ranking, detection of lexical problems & inconsistent information in texts, college students, 17187
motivation & ego vs task instructions, cognitive performance, college students, 1073
pleasure & arousal & demand characteristics, mood-congruent recall, 18–45 yr olds, replication, 37774
precue interval duration & level of stimulus processing required & type of instructions, spatial precue effect, college students, 37619
standard or "fake good"or prompted honesty instruction & type of behavioral intervention, treatment acceptability ratings, 18–60 yr old direct-care staff at mental retardation facility, 12848
task instructions & oscillation frequency, bimanual coordination, adults, Canada, 25239
type of instructions & individual differences, choosing category or complementary semantic relations, college students, Canada, 21365

Experimental Laboratories—Serials

astronomical history of D. Kinnebrook's dismissal in 1796 & implications for studies of RTs & order judgments in 1st experimental psychology laboratory founded by W. Wundt, 1879, 5917
experimental dog laboratory & use of absolutions & attributions of meaning & morality to killing of experimental animals, 21–30 yr old medical students, 20482
laboratory activities for teaching auditory sensation & perception using computer applications, 5596

Experimental Methods [See Also Stimulus Presentation Methods]—Serials

alcohol treatment outcome methodology, 1989–93, literature review, 40161

analysis of postmodern impulse within modern discipline of social psychology in relation to ways in which discourse & qualitative research is accounted for within student practical reports, 37578
applications of scientific method to psychoanalysis & consideration of psychoanalysis as science, conference presentation, 30600
assumption of accumulating knowledge & role of representation & values in organization science & development of professional dialog, commentary, 17370
biological & psychotherapy oriented psychiatry & medical biological & empathic-narrative method of inquiry, implications for methods & theory & practice, 27362
bogus pipeline approach for apparent detection of inaccurate answers, motivation to accurately report socially sensitive behaviors on surveys, 18–39 yr olds, 21470
censored variables, estimates of genetic & environmental influences in family studies, 29228
clinical knowledge based on anecdotal impressions vs quantitative research on diagnostic & therapeutic procedures & applicaiton of scientific method to human behavior, 28369
computer demonstration of incidental learning paradigm, experience with psychological concepts & experimental procedures, college students, 13695
conceptual & methodological issues in research into relationship of early separation anxiety to adult panic disorder &/or other anxiety disorders, research review, 8045
definition of measurement in establishment of quantitative psychology, commentary reply, 40983
definition of measurement in establishment of quantitative science & psychophysics, commentary, 40985
definition of measurement in establishment of quantitative science, commentary, 40980
definition of measurement in establishment of quantitative science, commentary, 40981
definition of measurement in establishment of quantitative science, commentary, 40982
design & monitoring & ethical considerations of psychiatric symptom-provoking studies, 43559
development & validation of Quantitative Attitudes Questionnaire, measure of attitudes toward quanitative research methodology, doctoral vs master's students in research vs teaching oriented schools, 10525
dilemma between open vs closed system paradigms of developmental psychopathology research, 38872
dorsal implantation of telemetric transmitter for recording of EEG signals, rats, 14925
efficacy of epidural steroid injections for low back pain & evaluation of quality of research methods, literature review, 5194
estimation of Type I & II error rates from computer simulation of quantitative trait loci mapping for genome-wide search, BXD recombinant inbred mice, 3024
ethical argument against deception created by null hypothesis testing in psychological research, 2718
ethics of role of informants' discourse & researcher's narrative in Verstehende approach in sociology research, application of dialogical model as ethical research foundation, 11528
experimental procedure without overt prime target selection, observation of negative priming, college students with corrected or normal vision, 21271
external validity of laboratory vs real world aggression studies, meta analysis, 34122
formative research & qualitative research methods behind development of AIDS education program for secondary school students, South Africa, 9878
inner self & human development & psychotherapy & experimental method perspectives on constructivism, commentary, 18384
instruction in use of qualitative research methods of content analysis & interviews & observation of how clients function in their space as initial step, interior design students, 13729
integration of outcome research methodologies into mental health & career & school counseling, 4822
issues in exploration & predation models of human anxiety, laboratory & wild animal species, 14768
issues in methodology in studies of sexual behavior in relation to HIV infection & AIDS, Uganda, 19542
issues in use of nonclinical populations in research on obsessive compulsive disorder, literature review, 15981
key informant technique in qualitative health care research, 32824
laboratory methods & measures used in research on behavioral momentum, application to high-probability procedure for establishing compliance in clinical setting, research review, commentary, 16532
laboratory methods & measures used in research on behavioral momentum, application to high-probability procedure for establishing compliance in clinical setting, research review, 16537
listening & conversation in free narrative approach to studying everyday understanding of specific events & situations, college students, implications for behavioral economics & social psychology, 2354
meta analysis to correct effects of sampling & measurement errors & range restriction & artificial dichotomization in social science research, implications for policy making, 17747
methodological & other issues & research on habituation of sexual arousal, literature review, 29458
methodological approach to interpretation of mortality data, long term lithium treated patients with manic depression, 13078
methodological differences in epidemiological research on completed suicide, AIDS patients, 1540
methodological errors in & detraction from credibility & value of grounded theory research, 6171
methodological issues in experimental consumer psychology, 28264
methodological issues in research on role of personality & psychosocial & lifestyle factors in disease development, sample size & hypotheses & statistical analysis, 17779
methodology for creating interpersonal closeness in experimental context, college students, 22413
methods & procedures in social comparison research, 2740
methods for collecting & representing response rates maintained by schedules of reinforcement, pigeons, 2938
methods used to assess AIDS related sexual behaviors, adults, literature review, 31647
object perception & recognition model for scientific study of consciousness, 34312
overview of methodological characteristics of alcoholism treatment outcome research, 1980–92, commentary, 5417
paradox of psychoanalysis & sensitivity of psychoanalytic methods & research, conference presentation, 30598
parenting beliefs & stress & parent child interactions, polydrug addicted mothers, 20229
personal perspectives on collaborative qualitative research project with feminist methodology in adult ESL classroom, researcher & teacher, 5620
possibility & utility of empirical organizational science & choice of questions for study, commentary, 17383
psychological research methods vs developmental psychology courses, methodological & statistical reasoning about real-life events, college students, 33479
psychometrics & definition of measurement in establishment of quantitative science, commentary, 40979
qualitative & quantitative & distributive optical control of early visual experience, infant rhesus monkeys, 6158
racial & ethnic variables in psychopharmacological studies as possible sources of variance & strategies for control of variables in research, 2738
realist & structurationist theories of social being incorporated into structure of interview in sociological research, 11526
reliability vs sensitivity vs validity of methodology, effects of caffeine & diphenhydramine on visual vigilance, commentary reply, letter, 6884
reliability vs sensitivity vs validity of methodology, effects of caffeine & diphenhydramine on visual vigilance, commentary, letter, 7062
religiosity & comprehension of scientific methods & findings, college students, 26004
resistance to science & need for strength of scientific methods within social work, 20483

revealed operant technique as research tool to study effects of independent variables on internal structure & properties of operant responses, college students, 21211
review of behavioral interventions in HIV prevention & sexual health education fields, evaluation methods & design of intervention studies, commentary, letter, 14466
review of ranging playback experiments, distance estimation of acoustic signals, song birds, 29160
scientific & instrumental tasks & definition of measurement in establishment of quantitative science, 40984
scientific & theoretical progress through instrument development, 17783
similarities in hypothesis formulation & data collection & analysis & interpretation, qualitative vs sequentially performed quantitative psychology research, 40976
single case research & relation to treatment & theory in psychoanalysis, 28671
single case study vs group comparison methods in psychiatric nursing experimentation & medication & intervention efficacy assessment, 37366
single-S experiments, measurement of differential effects of amitriptyline & flupentixole & clotiazepam & placebo, 18–65 yr olds with generalized anxiety disorder, 13079
social construction of scientific evidence, analysis of experimental method in R. Boyle's "Hydrostatical Discourse", 17781
socio-emotional vs formal interviewing styles, self reported dieting & perceptions of ideal body size, 3rd vs 6th grade females, 22108
sources of error in studies linking childhood sexual abuse & adult psychiatric disorders, selection & information bias & effects of confounding variables, 1357
standardized method, establishment & maintenance of interrater reliability in multicenter trials, application to VA study of effects of vitamin E on tardive dyskinesia, conference presentation, 28680
standardized method, monitoring of interrater reliability in multicenter trials, application to VA cooperative study of effects of vitamin E on tardive dyskinesia, conference presentation, 28665
task parameters & environmental or situational factors & subject characteristics in computerized tests of sustained attention, vigilance performance, literature review, 21461
test-cost of conducting & cognitive demand of tests, hypothesis-testing behavior, undergraduates, 34223
use of & APA's ethical standards regarding deception in psychological research, 36920
use of process dissociation procedure in examination of noncriterial recollection, college students, Canada, 14668
use of stand alone executable computer program for determination of statistical differences between clinical sample & specified population proportions, 40964
utilitarian & deontological ethical perspectives on use of bogus pipeline in social psychological research to motivate honest self report, conference presentation, 28658
utilitarian & deontological ethical perspectives on use of bogus pipeline in social psychological research to motivate honest self reports, commentary reply, 28657
utilitarian & deontological ethical perspectives on use of bogus pipeline in social psychological research to motivate honest self reports, commentary on conference presentation, 28677
validity & reliability of life history interviewing for elderly populations, elderly female immigrant, case study, 21020
validity of family history vs family study method for diagnosing schizophrenia related disorders, 1st degree relatives of probands with schizophrenia & schizo-affective & affective disorders, 39047

Experimental Psychology—Serials

astronomical history of D. Kinnebrook's dismissal in 1796 & implications for studies of RTs & order judgments in 1st experimental psychology laboratory founded by W. Wundt, 1879, 5917
commemorative review of A. T. Welford's contribution to experimental psychology & ergonomics, bibliography appended, 20396
connection between basic & applied research on behavior analysis & strategies for establishing generality of behavioral relations & behavioral momentum, 16535
contributions to experimental psychology & theories of learning, R. L. Solomon, obituary, 33153
influence of Rescorla-Wagner model of Pavlovian conditioning in experimental psychology, 18036
Knowledge-Relevance model of truthfulness & usefulness of psychological science & balance between pure & applied research, 2452
naturalized approach to formation of consensual epistemology for diverse psychological research methodologies & practice, commentary reply, 18380
naturalized approach to formation of consensual epistemology for diverse psychological research methodologies & practice, commentary, 18393
naturalized approach to formation of consensual epistemology for diverse psychological research methodologies & practice, commentary, 18392
role of experimental psychology in nurturing spiritual life & character formation, instructors & students, 9884
social constructionist social psychology's accommodation of orthodox experimental social psychology & change, 38646

Experimental Psychosis—Serials

behavioral & neurochemical characteristics of amphetamine-induced psychosis, rats, application of escalating dose "binge" model, 34706

Experimental Replication—Serials

ability of Eysenck Personality Questionnaire personality traits to predict individual differences in practice of prayer, adult churchgoers, replication, 14265
attitudes toward replication research, editors of natural science vs marketing/advertising/consumer behavior journals, 24828
auditory startle response, unmedicated help-seeking trauma survivors with vs without PTSD (mean ages 38.29 & 33.14 yrs), Israel, experimental replication, 42388

Experimental Subjects [See Also Experiment Volunteers] —Serials

attitudes regarding use of animals in psychological research & teaching, male & female college psychology majors, 20622
benefits of randomized single-S experimental designs for control of threats to internal validity, 169
bias in recruiting probands & relatives, participation in family studies, outpatients with mood or personality disorders, commentary, letter, 1195
cognitive status & need for surrogate consent through durable power of attorney for involement in clinical research, Alzheimer's disease inpatients (mean age 69.3 yrs), 42797
completion of psychological tests, positive vs negative emotional reactions & recent life experiences, male 18–24 yr old research participants, implications for ethics in research, 2195
demographic & child & parent & family variables, participation in longitudinal research, families of children with cystic fibrosis vs congenital heart disease vs no chronic illness, 26872
demographic & clinical characteristics & functional disabilities & health beliefs & expectations, outpatients with affective disorders vs symptomatic volunteers for study of major depression, 1253
eating habits & weight ranges, 29–44 yr old females who refused interview participation vs 29–46 yr old females who agreed to participate, 31544
educational value & ethical issues of participation in psychological research as course requirement, students, Australia, 17775
effects of inclusion & exclusion criteria on eligibility for clinical trials & representation of overall clinical population, patients with Alzheimer's disease, 40990
emancipatory research paradigm in disability research, implications for non-disabled researchers, 25153
guardianship laws & reform & experimental participation, incapacitated adults, 37321
issues & recommendations for recruitment & retention in clinical psychosocial research, elderly ethnic minorities, 6152

issues in relationship between researcher & research participant & strategies for increasing sensitivity to participant disclosures in qualitative research methods, commentary, 40986
issues in relationship between researcher & research participant within qualitative research methods, 37585
level of agreement regarding decision making about research participation, 65 yr old & older charges vs proxies, 40987
methodological issues in population selection & study retention & monitoring medication compliance & measuring outcome in alcoholism treatment studies, 33030
methods of minimizing attrition in longitudinal studies through the use of effective retention & tracking strategies, 25151
National Institutes of Health guidelines for recruitment of women & ethnic minorities & issues in conducting research in American Indian & Alaska Native communities, 6167
population tracking & attrition containment strategies, 4–12 yr olds with ADHD, 18 yr longitudinal study, 6162
premature discontinuation from pharmacotherapeutic trials, patients with alcohol & drug abuse vs other psychiatric disorders, 1990–94, research review, 12994
reasons for joining & satisfaction with participation in clinical trial, 60 yr olds & older with systolic hypertension, 40991
recruiting & retaining ethnic minorities & females in psychotherapy research, introduction to special section, 6165
recruitment & retainment strategies for psychotherapy research, low income Latinos, 6166
recruitment & retention in clinical research, African American vs White inpatients in urban psychiatric hospital, 7871
recruitment & retention rates in mental health research, homeless mentally ill, 6164
scientific context & rationale & content of National Institutes of Health "Guidelines on Inclusion of Women & Minorities as Subjects in Clinical Research", 6163
selection bias during recruitment of patients & controls & relatives for family study, 60 yr old or older inpatients with dementia of Alzheimer's type vs major depression, 4004
selection procedure for & reasons for exclusion & noninclusion in antidepressant efficacy double blind comparative trial, depressive patients attending psychiatric services, Finland, 32489
social construction of children as research Ss & relationship between researchers & Ss & ethical considerations in relation to selection & treatment, case of Dionne Quintuplets, 41621
statistical procedures for testing variations within subject treatment by covariate interactions, 10573
susceptibility to drug effects & difficulty in recruitment & dropout rates, exclusion of elderly Ss from pharmacological treatment research, conference presentation, 32533
task parameters & environmental or situational factors & subject characteristics in computerized tests of sustained attention, vigilance performance, literature review, 21461

Experimentation [See Also Consumer Research, Interdisciplinary Research]—Serials

ability to identify relevant variables during investigative work, 12–14 yr old pupils, England, 20587
accounts & historical accuracy of anecdotes on Pavlov's use of bell as CS & his mugging in New York's Grand Central Station, implications for historical research, 24976
accuracy of public opinion & researchers' conclusions regarding method of adjudication in insanity cases, 14145
action research mode & practice oriented epistemology in professional psychology, 5449
alcoholism & alcohol research, 8246
analysis of gap between majority of research findings & school practices of student retention, school age children, 33512
annotated bibliography on AIDS epidemic & education & pedophilia research, conference presentation, 30685
application of collaborative writing & peer review techniques in developing writing skills, psychology college students, 5590
application of concept of parenting & research issues & informed practice, parents with learning disabilities, 31449
application of group support systems tools to research development activities & implementation processes, 22412
applications of & quantitative methods in applied individual differences research, 18922
applied behavior analysis research & practice, 8864
approach to defining units of analysis for Internet communication research, 15127
assessment of malingering in neuropsychological evaluations, development of research based concepts & methods for consultation, 10473
attitudes toward information from academic research & practitioner demographic & organizational variables, human resource management practitioners, 33614
auditory EP deficit as model endophenotype in schizophrenia for biochemical & molecular & genetic research, implications for role of nicotinic receptor, 31006
automated 3-D tracking of video-captured movement using computer program, aquatic snails, applicability to animal locomotion experiments, 41222
awareness of sources of research evidence & its influence on fundholding practices, fundholders & general practitioners, England, 43542
basic science approach to psychotherapy research, 36201
behavioral research with zoo animals, academic vs nonacademic researchers, 34330
bibliometric analysis of scientific productivity in environmental psychology, Mexico, 1960–96, 33779
bit plane layering in computer graphics for enhancement of visual displays in behavioral research, 10231
"broad & inclusive" vs "creativity as productivity & achievement" view in definitions & research & assessment of gifted children, 43713
challenges in conducting family-centered mental health services research, children with emotional or behavioral or mental disorders & their families, 43344
challenges in international mental health services research, 13256
changes in research & role of Office of Special Education Programs in special education technology, students with learning disabilities, implications for instruction, 20657
changing research perspectives on gay male relationships, literature review, 3693
characteristic features of naturalistic decision making paradigm & acceptable methods of study, 241
characteristics of therapeutic trial participants & costs of recruitment, clinical investigators, conference presentation, 28660
clarification & identification of mediated & moderated effects in child-clinical & pediatric research on child adjustment, 38277
clinical knowledge based on anecdotal impressions vs quantitative research on diagnostic & therapeutic procedures & applicaiton of scientific method to human behavior, 28369
clinical research on efficacy of psychodynamic psychotherapy, literature review, 1670
collaborative education & research program between social work academic & medical center, skill learning & professional development, health care social workers, 13537
conceptual & practical methodological issues in cross cultural psychology applied to international research on gender roles and issues of conceptual equivalence & meaningfulness of test items, 22339
conceptual definition & operational identification of homosexual & bisexual & gay & lesbian population & setting of sample selection & use of probability sampling in public health research, 13265
conceptual framework for family development theory & research, ethnically diverse populations, 3617
conceptual model of & empirical research on relationship between parenting & adult development, literature review, 29913
conceptual themes of research on prevention of mental disorders, National Institute of Mental Health report, 1994, 9329
conceptualization & measurement of ethnicity in psychotherapy research, 8746

conduct of human factors research as explanation for contradictory assertions in 2 journal articles & implications for future research, commentary reply, 43898
conduct of human factors research as explanation for contradictory assertions in 2 journal articles & implications for future research, commentary, 43902
conflicting evidence of prevalence of Alzheimer's disease vs dementia of other pathology, elderly schizophrenic patients, 1269
construction of new homosexual epistemology, "queered position" in social research, 11625
constructivist epistemology in clinical research & application to psychotherapy practice, 4774
content & quality & trends in randomized controlled trials in psychosomatic research, 1956-93, literature review, 1497
content analysis of abstracts from "Psychological Abstracts" of studies on PMS or tension, 19525
continuity & change in organizational research & development of theories of organizational action, 33685
contributions of ethnology/anthropology & sociology to studies of marriage & family, Yugoslavia, 26041
contributions of M. Hirschfeld to research & liberation movements in homosexuality, 15536
contributions to psychophysiological research, A. F. Ax, obituary, 6775
contributions to research on acquisition & retention of verbal material, B. J. Underwood, obituary, 27839
counseling research with human inquiry groups, actual research example & role conflict & validity & data analysis problems, 27157
criteria for evaluating & planning qualitative rehabilitation counseling research & elements of research article, 5452
cross cultural research on symptoms & causes & nature of dementia & accompanying cognitive impairment, elderly Afro Caribbeans, UK, 12669
current trends in research on role of multiple genes in manic depression, 4116
definition & concepts of prevention & research recommendations, Institute of Medicine report on prevention of mental disorders, 1994, 9322
definition of measurement in establishment of quantitative psychology, commentary reply, 40983
definition of measurement in establishment of quantitative science & psychophysics, commentary, 40985
definition of measurement in establishment of quantitative science, commentary, 40981
definition of measurement in establishment of quantitative science, commentary, 40980
definition of measurement in establishment of quantitative science, commentary, 40982
definitional & empirical & educational breakthroughs in psychotherapy integration, conference presentation, 36221
description & development of RunScript platform for running real-time psychological experiments, 40974
description & expandability of EXPE script language for design & running of psychological experiments, 40988
design & analysis issues in community-based drug abuse prevention trials, 13444
development & current state of family life studies, Lithuania, 26046
development & field test & evaluation of interactive therapeutic CD-ROM, patients & therapists, 1-3 mo followup, 43347
development of family research & theory, Australia, literature review, 26033
development of family theory & research, South Africa, 26044
development of health research & practice guidelines in clinical health psychology in 21st century, conference presentation, 43231
development of standardized & normed picture set with names in English & Dutch for use in cognitive processing & memory functioning research, college students, 6329
differences in behavior analysis vs social psychology research focus & methods, study of behavior-consequence linkages, 30579
discussion of connections between family therapy practice & clinical qualitative research & use of conversational analysis & recursive frame analysis & hermeneutic phenomenology, academicians, reprint, 27246
disproportionate investment of resources by National Institute on Aging for Alzheimers disease, implications for gerontology, commentary, letter, 12613
disproportionate investment of resources by National Institute on Aging for Alzheimer's disease, implications for gerontology, commentary reply, letter, 12572
distinction between impairment & disability in social model of disability, comment, 30692
distribution of research topics presented at General Meeting of European Association of Experimental Social Psychology as measure of European research efforts in social psychology, psychologists, 7590
domain-specific knowledge & domain-general experimentation strategies, scientific reasoning, 9-10 vs 11-12 vs 13-14 yr old females, 25776
E. Teuber & Primate Station on Tenerife & research with chimpanzees, Canary Islands, 37356
effects of inclusion & exclusion criteria on eligibility for clinical trials & representation of overall clinical population, patients with Alzheimer's disease, 40990
emerging practice & research & policy opportunities in behavioral telehealth, 32836
empirical studies of common sense psychology & relevance to philosophical debate, 10343
employee attitudes & mental health & quantitative &/or qualitative approaches to unemployment research, unemployed adults, 24707
epidemiological research in primary care, 42714
ethical issues & assessment of risks in biological psychiatry research, children & adolescents, reprint, 31939
ethical review of undergraduate research work, undergraduate researchers, 5683
ethically justifiable guidelines for use of placebo controls in clinical trials of psychopharmacologic agents, 25149
ethics of medication-free research & long lasting damage from short term psychosis, implications for safety standards, 19929
evolution of sociopolitical system & changes in theory & substance of research about families, Poland, 26045
examination of empirical literacy research studies that influenced instructional practice & examination of role of research in instruction, 27973
experiences & issues in participating in research, art therapists, 13624
explaining citation counts of professors & associate professors in developmental psychology, US & Canada, 24384
extent & characteristics of published psychiatric research carried out without external funding, medical schools, US & Canada, 40993
factors in outcome of placebo-controlled antidepressant clinical trials, 18-70 yr olds with major depression, Europe, conference presentation, 28673
family research & theoretical issues, Korea, literature review, 26029
family therapy training research, research review, 27882
findings on early detection & treatment of schizophrenia in research published in issue of "Schizophrenia Bulletin", 12074
future research & service developments & legal issues in forensic psychiatry, 28343
graphical simulations of behavior of virtual Ss in laboratory or field microworlds, understanding of psychological research process, college students, 9847
graphics visualization computer software for empirical research in graph interpretation, 10240
group support software tool for electronic brainstorming research, 20895
guidelines for clinical case studies, child & adult members of cultic & other destructive groups, 28663
health-related quality of life research, patients with epilepsy, 36149

highlights of behavioral research & surveillance activities in domestic violence & tuberculosis & HIV prevention & occupational health at Centers for Disease Control & Prevention, 20171
historical perspective of psychotherapy research, implications for mental health care policy, 1692
history & development of family theory & research, Hungary, 26030
history & mission of Human Relations Area Files in comparative society & behavior & culture research, 30081
human science research approach, implications for qualitative research practice, 172
human side of science & person-situation debate & natural event research vs laboratory analogues & replacing Freudian unconscious concept & journal review process biases, 28365
ideologies & politics & reluctance to change as obstacles to scientific inquiry into organizational dynamics & promotion of effectiveness, 17374
impact of IQ controversies & debate over intelligence research & "The Bell Curve" on writing & teaching of history of psychology, 33919
impact of social model on disability research, 30702
impediments to infusion of emotion & related processes into psychotherapy research & practice, 27125
implications of repetitive publications on outcome of database dependent research such as meta analyses & adverse events rates, letter, 9677
implications of research on & recommendations to enhance effectiveness of group brainstorming in gifted education, 43712
implicit theories in intelligence research & expansion of research for inclusion of reflexics, 19043
importance of statistical power in planning & interpreting empirical psychological research, 2717
incorporation of psychological factors into social model of disability, commentary, 30678
incorporation of recovering sufferer perspective, research into & communication & public beliefs about alcoholism, 4351
increasing acceptance of & concerns about & paucity of research in psychotropic drug therapy, children & adolescents, 32544
individual differences research, potential application to user analysis in human computer interaction, 14066
individual productivity & degree granting university & research topics, authors in school psychology, 1987–97, 20393
insights for family researchers who want to learn how to teach qualitative research methods, quantitative researcher, resource information appended, reprint, 25140
integration of clinical & environmental psychology research & theory, literature review, 10190
internal & external reality & object relations & symbol formation, play & scientific experimentation & artistic creativity, 11795
Internet course for clinical training in substance abuse & addiction treatment, psychiatrists completing the course, 43497
interpretations of concept of comorbidity & its valid application in psychiatric research, 11868
issues in evaluation of qualitative research methods in sport psychology, 37229
issues in moral dimension in research on homosexuality, implications for beliefs of Christian researchers & clinicians, 26121
issues in relationship between researcher & research participant & strategies for increasing sensitivity to participant disclosures in qualitative research methods, commentary, 40986
issues in research on neuroscience & sexuality & performativity theory, S. LeVay, 41942
issues in theoretical orientation & lack of comprehensive model for academic motivation research, 9823
issues in training & supervision of sexology researchers, sex research supervisors & graduate students, 24415
issues in 5th generation of psychology research technology tools, 6157
issues of inconsistency & empirical & conceptual validity in use of demographic & biological identifiers in psychological research, 6153
J. Plateau's papers on measurement of sensations of light & fatigue & theoretical & experimental research on law of intensity of source, translated article, 25145
juvenile crime & antisocial behavior research & social policy, Northern Ireland, 31223
key informant technique in qualitative health care research, 32824
lack of mental health services research for elderly, research paths of effectiveness & quality of care experimentation, 20184
lack of progress in animal welfare research & broad based animal ethology & social recognition, hens, 34326
lessons learned in process of hermeneutic interpretive study of personal texts while writing qualitative dissertation, reprint, 25155
lines of psychopharmacologic research in treatment of Alzheimer's disease, 32718
local clinical scientist model, science & attitudes & clinical practice, clinical psychologists, commentary, 13621
logic & type & validity of single case or small N research designs in zoo research, 10756
manual-based treatment & clinical research application in cognitive behavioral therapy, 1733
measurement & statistics & factor analysis in family psychology research, 40951
methodologic & logistic issues in nursing intervention studies, female outpatients, 43335
methodological & other issues & research on habituation of sexual arousal, literature review, 29458
methodological & substantive issues in drug abuse prevention research, 13431
methodological errors in & detraction from credibility & value of grounded theory research, 6171
methodological features of & status of consultation & teaming outcomes research in educational settings, literature review, 13900
methodological flaws in hydrocarbon neurobehavioral research & implications for neuropsychological evaluation, patients exposed to hydrocarbons, 28549
methodological issues in psychoneuroimmunological research, 13526
methods & evaluation measures in & focus of counseling outcome research, literature review, 4813
methods & procedures in social comparison research, 2740
methods for assessing sexual orientation in lesbian & gay & bisexual experimental studies, 11619
minority junior & senior high school honor student education of alcohol & drug research & treatment, Minority Research Development Program, implications for scientific career planning, 33403
minority women & domestic abuse, implications for research & clinical practice, 22998
model of research informed psychotherapy, 32029
models of relationship between research & university teaching, meta analysis, 33325
modern concepts of research in cognitive psychology, Czechoslovakia, 10707
multidimensional model of positive psychological functioning & well being, implications for psychotherapy research, 23552
National Institutes of Health & government funding for behavioral research, 20389
National Institutes of Health guidelines for recruitment of women & ethnic minorities & issues in conducting research in American Indian & Alaska Native communities, 6167
need for existential-humanist research perspective & inclusion of mental wellness, homeless persons, 41829
need for interethnic psychopharmacologic research on children & adolescents, 5033
need for organizational research on time & relative importance of dispositional vs situational influences on employee well-being & other organizational issues, 43825
need for psychiatric research in community settings, changes in places of treatment & increased role of psychopharmacology, implications for psychiatry, 12717

neural network research & psychological modeling, 33852
objectives & methods of study of pharmacology of memory & evolution of concept of memory, research on psychotropics & nootropics & atropinics & cholinergic transmission agonists, 3185
observational & experimental methodologies in verbal response aspects of research on language production vs comprehension mechanism, 18400
origins & neglect & problems of creativity as research topic in psychology & advantages of confluence approach to study of creativity, commentary, 35350
outcomes assessment & Subjective Health Process Model for decision support & research, 8719
overview of characteristics of alcoholism treatment outcome research, 1980–92, 5407
overview of contributions of cognitive research on text comprehension & agenda for future research, commentary, 28875
overview of contributions of cognitive research on text comprehension & agenda for future research, 28866
overview of research & theory of attraction paradigm, 35200
overview of research agenda on relationship between personality & work & 5 factor model of personality, 1069
overview of research priorities of Office on AIDS at National Institute of Mental Health & focus on prevention & disease effects & coping with sequelae of infection, 12522
paradigm of & techniques for cost optimization in context of statistical power analysis, experimenters, 21203
paradox of psychoanalysis & sensitivity of psychoanalytic methods & research, conference presentation, 30598
participant status & context in communication & its reporting in social psychology research, commentary reply, 7129
participant status & context in communication & its reporting in social psychology research, 7588
participant status & context in communication & its reporting in social psychology research, commentary, 7589
participation in university teaching & physician training & research & health care delivery, psychologists, Nigeria, 27849
patterns of research publication in Journal of Mental Health Counseling as indicator of professional identity development for mental health counseling, 1979–1993, 43484
peer review process of & strategies in applying for research funding from National Institute of Mental Health, grant support research applicants, 33158
perceptions of occupational stress & involvement in research, full time polytechnic academic staff members, Scotland, 33360
person factors & training environment, research interest, applied psychology graduate students, 27869
personal values, psychology textbook writing & research, Christian psychologists, 9763
perspectives on conflict in ideology regarding role of research in health care system & past & present role of Menninger Clinic, 19689
pheromones as tools for olfactory research, conference presentation, 21758
plans for research on suicide & attempted suicide & prevention, 19299
positional candidate approach to research on candidate genes with effects on agonistic behavior & offense, mice, conference presentation, 10910
postmodern feminist perspective of quantitative vs qualitative art therapy research & lack of attention to gender, 16685
practical implications of current research in teaching students with severe disabilities, 33524
predictors of research productivity & science-related career goals, counseling psychology doctoral students in APA accredited programs, 17042
prescriptive writings on learning organization & descriptive research on organizational learning, 24777
problems & methods & integration of research in study of stereotyped behavior, 25152
problems in deriving conclusions from psychiatric research evidence, 16424
progress & future challenges of evaluative research in social work, 40080
prosody as significant issue in studies of auditory sentence processing, 15145
psychoanalytic research in psychoanalytic training, reprint, 28670
psychological theory & research & definition & development of environmental theory in Latin America, 33778
psychology vs sociology vs biology vs physics textbook definition of experiment, 17534
psychometrics & definition of measurement in establishment of quantitative science, commentary, 40979
psychotherapeutic research model for development of effective interventions for children & adolescents, 36210
quantitative &/vs qualitative research on addictions & understanding of drug use & abuse pathways, commentary, letter, 10598
R. D. Hess & G. Handel's Family Worlds & importance of whole-family methodologies for family studies, conference presentation, reprint, 26035
R. L. Solomon's contributions to & animal model of learned helplessness research, 18117
rationale & guidelines for & ethics of medication-free research in schizophrenia, 30944
rationale & guidelines for & ethics of medication-free research in schizophrenia, commentary, 30970
rationale & guidelines for & ethics of medication-free research in schizophrenia, commentary, 30984
reasons for & results of noncompletion of longitudinal ethnographic field studies of drug use, drug users, implications for ethnographic research, 21205
reasons for joining & satisfaction with participation in clinical trial, 60 yr olds & older with systolic hypertension, 40991
recent findings from behavioral genetics research in personality, 15712
reconsideration of evidence of Sir Cyril Burt's fabrication & falsification of data in monozygotic twin studies of intelligence, 33917
recruiting & retaining ethnic minorities & females in psychotherapy research, introduction to special section, 6165
recruitment & retainment strategies for psychotherapy research, low income Latinos, 6166
reflexivity & personal experiences as bereaved mother in qualitative family research using feminism & contextual model of family stress, experimenter & mothers who were bereaved of child, reprint, 26032
reflexivity & unconsciousness & qualitative research, 25156
relational norms & managerial controls & integration of research & development & marketing, new product development & perceived effectiveness, engineers & marketing personnel, 20849
relationship between psychotherapeutic practice & research & managed care, 36229
relevance of developmental psychology & psycholinguistics research to planning of augmentative & alternative communication interventions, clinical implications, 9649
relevance of physiology & biological research to behavior analysis, commentary, 5908
remediation-orientation vs basic science research on etiology of autism, 39257
research & development of natural botanical medicines, US, 1808
research & methodological issues in evaluation of counseling in primary care, literature review, 31945
research activity of R. Levy on late paraphrenia, need for clinicopathological studies, 12039
research agenda for prevention of mental disorders, implications of National Institute of Mental Health & Institute of Medicine prevention reports, 1994, 9313
research consent & perception of research participation in sexual assault research, adult female sexual assault victims, 31190
research experience program sponsored by local businesses & government agencies, senior college students in teams, 24560
research on etiology of depression, 30918
research on prevention of mental disorders, Institute of Medicine & National Institute of Mental Health reports, 1994, 9296

research on traits & characteristics associated with & suggestions for revision of criteria for DSM-IV dependent personality disorder, 31152
research on violent offenders & psychopathy, implications for criminal justice system, 26729
research perspectives on psychopharmacology in HIV-positive patients, 32576
research practice issues & theoretical shortcomings in study of role of mental speed in intelligence, 22573
research problems in identifying variables in & model for measuring relationship between commuting stress & moderators, applications for organizational behavior, 33825
research productivity & interests & age & sex & faculty rank, faculty members with MDs vs PhDs in departments of psychiatry, Canada, 33177
research publication productivity, clinical vs counseling psychologists, 13516
research supportive climates in social work education & connections to researchers in other disciplines & improved levels of competence in movement of social work to better & more research, 20490
research training & productivity, faculty members affiliated with university departments of psychiatry, Canada, 20426
researcher precautions, perceptions of ethics of questionable research, college students, 9799
review & criticism of research on hereditary nature of schizophrenia & other mental illnesses, 26418
review of key aspects of attachment theory & degree of support by research findings, children, clinical implications, conference presentation, reprint, 29822
rise of feminist research in context of multiple meanings of gendered & feminist psychology, 15511
risk factor research, developmental psychopathology, 35421
role of research in implementing United Nations Convention on Rights of Child, 14138
role of research on international adoption, implications for study of human development & social policy, 29726
scientific & instrumental tasks & definition of measurement in establishment of quantitative science, 40984
scientific context & rationale & content of National Institutes of Health "Guidelines on Inclusion of Women & Minorities as Subjects in Clinical Research", 6163
selective synthesis of instructional research from PsycLIT & Medline & ERIC databases, children & adolescents with learning disabilities, 5709
seminal educational & psychological measurement reliability & validity studies, 1950–present, bibliography, editorial, 10332
sequential experimentation research approach & investigation of multiple factors in human factor design problems, 40687
Sequential Multi-Attribute Choice computer interface for decision making research, 10253
similarities between multicultural counseling competencies & assumptions & methodology of qualitative research, 5548
similarities in hypothesis formulation & data collection & analysis & interpretation, qualitative vs sequentially performed quantitative psychology research, 40976
single case & other methodologies in psychoanalytic research, reprint, 32299
single case experimental research designs in medical education research, 2109
single variable vs wholistic pattern analysis in person-oriented approach in developmental psychopathology research, 38844
social construction of children as research Ss & relationship between researchers & Ss & ethical considerations in relation to selection & treatment, case of Dionne Quintuplets, 41621
social desirability bias in cross cultural ethics research, 15441
social psychology research & perspectives on life course & aging studies, conference presentation, 3525
social reputation & preference or acceptance of children, sampling bias, teachers & 2nd–12th graders with vs without parental permission to participate in classroom research, 24655
sociological research on family theory, Norway, 19th century–present, 30135
software & hardware modifications of Micro Experimental Laboratory response box expansion to accommodate up to 16 external buttons, 10247
sports team building research & interventions, research review, 33718
standardized method, establishment & maintenance of interrater reliability in multicenter trials, application to VA study of effects of vitamin E on tardive dyskinesia, conference presentation, 28680
standardized method, monitoring of interrater reliability in multicenter trials, application to VA cooperative study of effects of vitamin E on tardive dyskinesia, conference presentation, 28665
statistical equivalence testing, clinical biofeedback research, 5127
statistical simulation package & customized power & sample size tables in research, 6155
strategy for research on Oklahoma City bombing, 2736
successes & failures of & future directions for organization studies, 33686
summary & dimensions of psychological sense of community research, suggestions for multidisciplinary research, 18843
survey of animal use & care in undergraduate psychology teaching & research, department chairpersons, 5 yr follow-up, 13711
susceptibility to drug effects & difficulty in recruitment & dropout rates, exclusion of elderly Ss from pharmacological treatment research, conference presentation, 32533
symptomatology of effects of child sexual abuse & ways in which professional & academic research construct women's & children's subjectivities, 42478
systematic integration of counseling outcome research & practice, 4814
Taoist philosophy & application to psychological research, 3301
the emergence and utilization of Participatory Action Research, adults with developmental disabilities, 23173
themes & imperatives for future research on families of seriously mentally ill, 30746
themes concerning constructive steps in psychotherapy practice & research & training, psychotherapists, 32079
theoretical & methodological influences in political & social change in family theory research, Denmark, research review, 30129
theoretical & neurobiological aspects of neural network research & usefulness in psychiatry, 24906
theoretical approaches to psychology of writing based on role of working memory, conference presentation, 34739
theoretical dimensions for measurement of community identity, 18859
threats to organizational studies & J. D. Thompson's founding values for organizational studies & use of 2 firefighting tragedies as allegory for exploration of these values, 33694
training & expertise level, scripts of psychological research process, undergraduates vs graduate students vs assistant vs full professors of psychology, 2126
trends in curricular research in moderate & severe & profound mental retardation, literature review of 6 special education journals, 1976–95, commentaries included, 33545
types of errors & procedures for their prevention & correction in computer assisted research, 6156
undergraduate research team models, undergraduate students & faculty, 5595
uniform research & publication standards for drug abuse treatment evaluation research, Germany, 14472
use of & APA's ethical standards regarding deception in psychological research, 36920
use of counselor skills as practitioners vs inquirers in research context, enhancement of research & practice in counseling, 13625
use of Internet in collecting data from questionnaires & software instruments in psychological & sociological experimentation, 10239
use of musical instrument digital interface to measure motor timing, college students, experimental replication, 41045
use of population-based registers vs primarily collected data in psychiatric epidemiological research, 34130

use of 22- vs 29-gauge needles to obtain CSF for psychiatric research comparing neurochemicals, postlumbar puncture headache, female volunteers vs those recovered from eating disorder, 10597
usefulness of measures of child functional impairment vs DSM- III-R symptoms vs stressful life events vs child vs parent report for mental health services research, 9–17 yr olds & parents, 37439
utility of ratings based TV audience theories, implications for model of audience duplication & future of audience behavior research, 18411
validity & variability of results of pharmacological experiments using elevated plus maze, animals, implications for animal model of anxiety, 15045
validity of inferences in identification of efficacious psychotherapies & logic of efficacy research methodologies, literature review, 32078
verbal process components, rate of change in standard symptom intensity measures across brief treatments, psychotherapy clients, implications for drug metaphor in therapy studies, commentary reply, 8805
verbal process components, rate of change in standard symptom intensity measures across brief treatments, psychotherapy clients, implications for drug metaphor in therapy studies, commentary, 8768
weaknesses in laboratory procedure for testing hidden covariation detection, college students, commentary reply, 17931
weaknesses in laboratory procedure for testing hidden covariation detection, college students, commentary reply, 17913
what has been learned about leadership & challenges for future research on leadership selection & managerial training, 33606
World-Wide Web software features & review of steps required to set up Web server on microcomputer & use in conducting research, conference presentation, 34132

Experimenter Bias—Serials
experimenter bias, ESP performance & perceptual defensiveness, male college students, Iceland, meta analysis, 29022
projection in case study analyses, researchers interpreting South Canyon Fire tragedy data, commentary, 5448
researchers' sensitivity & flexibility & ethical dilemmas & relationship with participants in conduct of qualitative psychotherapy & counseling research, 27121

Experimenter Expectations—Serials
experimenter expectancy, resistance to respiratory air flow, 18–29 yr old healthy females, 34144
projection in case study analyses, researchers interpreting South Canyon Fire tragedy data, commentary, 5448

Experimenters—Serials
characteristics of therapeutic trial participants & costs of recruitment, clinical investigators, conference presentation, 28660
emancipatory research paradigm in disability research, implications for non-disabled researchers, 25153
experimenter provided feeling of knowing definitions, feeling of knowing accuracy levels, college students, 21376
forces affecting & need for & methods to develop clinician researcher working alliance in treatment outcome studies, 9349
insights for family researchers who want to learn how to teach qualitative research methods, quantitative researcher, resource information appended, reprint, 25140
issues in relationship between researcher & research participant & strategies for increasing sensitivity to participant disclosures in qualitative research methods, commentary, 40986
issues in relationship between researcher & research participant within qualitative research methods, 37585
locus of control & sex of experimenter, personal space demands, male vs female 15–20 yr old college students, South Africa, 42048
managed health care & psychotherapy outcome research & need for cooperation between scientists & practitioners, 8751
researcher pool gender balance & reduction of international graduate recruits & trend toward subspecialization, future pool of research expertise, psychiatry department faculty members, Canada, 20425
teacher vs researcher perspectives on teaching methods & dichotomy in thinking & actions, high school chemistry teacher, 43606
time & place & relationship & confidentiality boundary & ethical issues in qualitative counseling research, adult males, 27116

Expert Systems [See Also Decision Support Systems]—Serials
application of causal temporal model to development of causal nets used in interpretation of natural language, 2421
application of knowledge refinement & generation & knowledge representation paradigms to user interface design, 2390
application of problem solving methods library to construction of conceptual model for knowledge based system, 37301
approach to quantitative modeling of agent related data based on Dempster Shafer theory & application to recognition, 20891
conflict in cooperative problem solving knowledge-based systems for building design, 20900
cooperation processes in dynamic environment management, experienced pilots, 20864
design & evaluation of simulation training to improve identification & diagnosis of faults in hot strip steel mill systems, novice vs expert fault finders, 14092
DYSLEXPERT knowledge-based system in diagnosis of dyslexia, comparison with experienced human diagnosticians, 28336
engineering perspective on development of formal ontologies & role in supporting knowledge sharing activities among software entities, 2414
expert systems &/vs decision support systems in human resource management, flexible benefit choice intentions & satisfaction with benefits, manufacturing & assembly employees, 17354
explanations within expert system of protein purification, adults, Sweden, 5859
extension & revision & optimization & adaptation of intelligent assistant systems using machine learning methods, 5854
formal ontology & use of "common sense" in cognitive scientific inquiry, implications for knowledge based systems, 2419
formal ontology as domain of distributive-collective opposition vs material ontology as domain of part-whole opposition, implications for expert systems, 673
framework for knowledge acquisition based on analysis & interpretation of flaws in decision trees, 20899
gap between student's input to system & system's conception & representation of correct knowledge, diagnosis of student's knowledge in intelligent tutoring system, 20564
incorporation of metaknowledge at each level of development life cycle of representation refinement for knowledge-based systems, 33841
information efficient control of discrete event stochastic systems, applicability to real-life design of automatic supervisors, 20898
information seeking dialogs & techniques used in building user model for determination of user's intentions & plans, 20890
instructional theory for building effective intelligent learning systems for industry & schools, 14105
intelligent computer aided instruction system for emergency procedures, plant operators, 10267
intelligent multimedia repositories for reuse of project estimation artifacts, work productivity & quality, project leaders & managers & senior developers, 10265
intelligent tutoring system vs informal on-the-job training, task analysis of cognitive & behavioral components of troubleshooting skill, Air Force avionics technicians, 20739
interactive reconstructive modeling of procedural skills based on observed student performance, application in context of symbolic integration tutoring system, 10263
iterative system development cycle for creation of knowledge based tools to support evaluation in design, professional designers, 20893
knowledge acquisition & modelling & inference through World Wide Web client–server model, 37297

language-independent classification of part–whole relations phenomenon in language processing & visual perception & general problem solving, implications for expert systems, 671
learning classifier system & genetic algorithms in crew availability planning & training system, commercial airline, 5851
model performance statistics provided by decision support systems, assessment of confidence levels in decision making based on models, college students & managers, 14103
operationalization of problem solving methods of knowledge-level modeling using abduction inference procedure, 5856
principles to guide user interface design for knowledge representation & generation tools, 2389
program design strategies & problem solving, experts in object oriented programming, 20894
relevance of object-oriented paradigm based on ontological concepts of state & identity, implications for expert systems, 669
research trends in formal ontology & knowledge representation, 2415
reusable components libraries in model of structure preserving knowledge based systems development, 43930
role of Bayesian inference networks for updating of student models in intelligent tutoring systems, 17754
role of metaphor & analogy in artificial intelligence & computerized problem solving paradigm, 14097
structural learning theory approach to human centered problem-solving knowledge acquisition & expert systems, 10262
teaching knowledge-based agent with expert's interactive tutoring, application of Disciple approach, 5860
theoretical framework & architecture & implementation & evaluation of a system for segment-based automatic language identification, 38233
training of knowledge & skills for diagnosis in electronics domain & implementation in knowledge based environment for troubleshooting, novice vs expert naval electronic troubleshooters, Netherlands, 14106
use of expert system based computer assisted training program, teaching clinical diagnosis of eating disorders, college students, implications for practitioners, 10266
use of Expertal knowledge based system, prediction of future violent behavior, mentally ill, 10264
use of feature abstraction method to teach robots abstract concepts from sensory & perceptual data, 5863
use of significant event language & automatic graphics planner & dynamic control structure to allow visualization in intelligent problem-solving environment, 33844
variations in perceived & communicative influence strategies among members, use of group decision support systems in decision making task, members of intact groups, 15599

Expert Testimony—Serials

approach of military court to rape trauma testimony, implications for forensic psychiatrist testimony, 5894
assessment of malingering in forensic psychodiagnostic evaluations, consultant-expert witnesses, 14149
Bayesian interpretive approach to assessment of malingering & presentation of test results in court or forensic settings, 33868
case law & ethical standards related to impeachment efforts by opposing attorneys, expert witnesses, 14159
complexity of manifestations of dissociative disorders & recovered memories of childhood abuse & trauma, implications for forensic psychologist role in educating attorneys & providing court testimony, 7876
Daubert standard, fixed vs flexible neuropsychological test batteries, Chapple vs Ganger legal case, 28557
Daubert v Merrell Dow Pharmaceuticals & expert testimony & forensic psychological expertise, conference presentation, 33895
Daubert v. Merrell Dow ruling & guidelines for admission of expert scientific testimony, clinical psychologists, ethical & practical implications, 17095
expert testimony complexity & witness credibility, persuasion of jury decision, 22–75 yr old mock jurors, 2444
findings concerning assessment of risk for violence, implications for potential expert witnesses in civil cases arising from employee caused workplace violence, 14132
issues related to use of formerly repressed memories in lawsuits, use of experts for expert testimony & illumination of controversy regarding repressed memories, 2448
legal issues of & opposition methods to expert opinions of forensic psychiatrists testifying in legal proceedings, 43978
legal terms & concepts involved in challenges to wills, importance of psychiatric testimony & predeath psychiatric evaluations in cases of mental impairment, 14139
mental illness & criminal behavior & expert testimony in history of legal medicine, physicians, US, 17511
prepared vs unprepared child witness & standard vs repetitive vs concrete expert testimony levels in mock sexual abuse trial, educational vs influential impacts on decision making, 18–46 yr old jurors, 24941
roles as consultant or expert witness during sentencing hearing, forensic psychologists, 14144
style & tactics & motivations of "hired gun" expert witnesses, ethical & evidence issues for psychological experts, 27926
testimony of treating psychiatrist vs forensic expert in litigation of psychiatric patients, 43976
trial preparation & effective presentation of psychiatric evidence in litigation involving emotional trauma, psychiatric experts, 40746
use of court appointed experts, Dallas County Texas district court system, 33865
use of Rorschach testimony in court, forensic psychologists, 10277
views within law & therapy & concerns & guidelines for expert court testimony, mental health professionals, 28347

Expertise [See Experience Level]

Explicit Memory—Serials

aging, perceptually based vs conceptually based implicit vs explicit memory processing, 21–37 vs 62–81 yr olds, Canada, 21426
difference in subsequent direct vs indirect memory during study, ERPs, young vs older adults, 6713
divided vs full attention, implicit vs explicit memory performance, 17–48 yr olds, 14662
ERP correlates of performance on word-stem cued recall vs recognition memory tests, 17–28 yr olds, 29403
familiarity-based explicit recognition in conceptual processing vs word-identification priming & word-stem completion in implicit perceptual memory, college students, 21453
hippocampal formation atrophy, explicit memory impairment, 52–87 yr olds with Alzheimer's disease, 8665
implicit vs explicit cue conditions, recall vs semantic vs serial clustering on memory tasks, adults with Parkinson's disease, 12687
nonverbal local context, explicit word recognition vs implicit word identification, college students, 14655
old vs new sentence with vs without noise, recognition of sentence & confidence in judgment as test of implicit & explicit memory, adults with vs without obsessive compulsive disorder, 31073
oxazepam vs lorazepam, impairment of implicit vs explicit memory, healthy 18–32 yr olds, Canada, implications for involvement of time course, 15097
pictorial vs semantic association, implicit vs explicit memory in cued recall, college students, France, 14656
practice on implicit vs explicit tasks, performance on computerized neuropsychological test battery, cognitively normal elderly, 3534
repetition priming & peristriate cortical function as measure of implicit vs explicit memory, Alzheimer's disease patients (mean age 71.7 yrs), 23455
repetition priming, implicit vs explicit memory in word stem completion task, 20–75 yr olds with amnesia, 1561
role of implicit memory vs explicit memory strategies, priming in lexical decision & stem completion tasks, college students & other adults, Australia, 34280
serial position vs word frequency, primacy effect in free recall & word stem completion & implicit memory, college students, activation-elaboration role in dissociation effects in connectionist models, 28972
situation awareness & implicit & explicit knowledge in dynamic spatial memory during simulated driving task, 17–34 yr old civilian & Air Force recruit drivers, 17979

specific perceptual information storage, development of nonverbal implicit vs explicit memory, 4 vs 5 vs 10 yr olds, 7238
transfer across form & modality in written & auditory word & pictorial implicit memory tests & free recall, college students, UK, 21396
word vs nonword repetition, ERPs during explicit vs implicit memory tasks, 18–32 vs 57–83 yr olds, 18217
Exploratory Behavior [See Also Animal Exploratory Behavior]—Serials
ability to learn to use computer system by exploration & efficacy of user interface with exploration supportive facilities, college students, 20861
functional imaging of right hemispheric activation for exploratory vs nonexploratory movements, healthy right-handed males, implications for lateral dominance for spatial attention, 14837
haptic exploration of gradient textures, congenitally blind 8–24 mo olds, 31933
hippocampal lesions vs entorhinal lesions, exploratory behavior & contextual & spatial learning, male rats, 34538
length of gaze & tongue protrusions as shows of interest, imitation vs exploration of interesting objects, 3–4 week olds, 18489
naloxone, chlordiazepoxide- or diazepam-induced light/dark anxiety & free exploratory behavior, male Swiss vs Balb/c mice, 41436
perceived infant vulnerability, infant exploratory behavior & development, depressed 13–21 yr old mothers & their 3 mo old infants, 9 mo study, 15914
prompted vs self-regulated verbalizations vs unstructured exploration vs description of device vs unrelated questioning, exploratory learning of interactive device, undergraduates, 14095
unimodal vs bimodal distractors & attention type, allocation of attentional resources & distraction latencies during object exploration, 7 vs 10 mo olds, 22048
Exposure Therapy [See Also Implosive Therapy, Systematic Desensitization Therapy]—Serials
attentional focus vs distraction during in vivo exposure to snake, post-treatment return of fear, females with fear of snakes, 39719
benzodiazepines & exposure-based cognitive behavior therapies as combined therapies for panic disorder, 42895
efficacy & limitations & enhancements of exposure therapy for PTSD, 39718
exposure & response prevention vs anxiety management intervention, symptoms, adults with obsessive compulsive disorder, 43008
exposure therapy for anxiety & psychotropics & psychotherapy, psychogenic vomiting complicated by marihuana abuse & spontaneous pneumomediastinum, male 22 yr old, case report, 4738
exposure vs participant modeling, 26 yr old female with resistant injection phobia, 23751
eye movement desensitization & reprocessing vs exposure in vivo, 9–14 yr old females with spider phobia, 39717
graded exposure with vs without cognitive therapy vs relaxation training, 18–63 yr olds with panic disorder with agoraphobia, 8781
graduated exposure therapy, elevator phobia, 31 yr old Asian male, case report, 32165
heart rate during group trauma re-exposure therapy & vicarious flooding & substantial physiological arousal, extinction, Vietnam combat-related PTSD inpatients, 32257
imposed exposure to mint- vs strawberry-flavored vs plain water, neophobic behavior with novel mint-flavored food, water-deprived male rats, 34356
individual vs group cognitive behavioral therapy &/vs exposure in vivo, patients with generalized social phobia, 3 & 18 mo followups, 4858
interdisciplinary use of exposure techniques during occupational therapy work simulation activities, return to work, 34-yr-old male with work related chronic back pain & PTSD, 43460
order effect & treatment preference & hypnotizability, exposure in vivo with vs without hypnosis outcomes, panic disorder outpatients with agoraphobia (mean age 34.3 yrs), 27083
outpatient graded exposure & response prevention, self monitoring of treatment outcomes, male 45 yr old Israeli immigrant with obsessive compulsive disorder, 1996
racially sensitive social effectiveness therapy with exposure treatment over 4 mo, female African American with chronic & severe social phobia, case report, 12844
self control exposure therapy, 9–11 yr olds with war induced acute & preexisting anxieties, Israel, 1743
self exposure to internal &/or external exposure cues, 18–65 yr olds with panic disorder & agoraphobia, 23743
symptom improvements in exposure & response prevention protocols in treatment of obsessive compulsive disorder, meta analysis, 27215
virtual reality exposure therapy, female 42 yr old with acute fear of flying, 4886
Exposure Time (Stimulus) [See Stimulus Duration]
Expressed Emotion—Serials
appraisal & psychological distress & expressed emotion, relatives (mean age 52.3 yrs) of schizophrenic patients (mean age 36.6 yrs), prospective study, 39027
construction & internal consistency of Five Minute Speech Sample subscales, measurement of kins' expressed emotions, fathers &/or mothers of 15–26 yr old schizophrenics, Holland, followup study, 40831
expressed emotion & burden of care & perceived social role performance & behavior problems, patients' positive & negative symptoms, relatives of schizophrenics and those with schizophreniform disorder, 7991
expressed emotion & causal attributions & prediction of depressive relapse, spouses of depressed patients, 30856
expressed emotion development & illness course, schizophrenic patients & their families, longitudinal study, replication, 31020
expressed emotion of patient's adult children or spouse, relapse & course of illness, 60 yr olds & older hospitalized for major depressive disorder, 1 yr followup, 30855
family climate & expressed emotion as predictors of relapse after treatment program, 20–60 yr old alcoholic patients, Germany, 43447
family members' expressed emotion, relapse & readmission risks & rates, 15–65 yr olds with schizophrenia, 9 mo followup, Japan, 7996
high vs low expressed emotion & subclinical nonverbal vs paralinguistic symptoms, schizophrenic patients & their family members, 35641
history of depressive episodes & family members' expressed emotion, remission after short term treatment, outpatients with major depression, Japan, 12813
interrater reliability of Camberwell Family Interview, ratings of expressed emotion, 18–39 yr old schizophrenic patients & their 26–82 yr old relatives, Norway, longitudinal study, 72
Level of Expressed Emotion Scores vs Camberwell Family Interview, assessment of primary caregiver's expressed emotion & rehospitalization, psychiatric inpatients, 13387
maternal expressed emotion & behavioral inhibition & psychopathology, at risk 4–10 yr olds of mothers with vs without panic disorder & behaviorally inhibited vs uninhibited 11 yr olds, followup, 30764
maternal psychopathology & expressed emotion toward their children, at-risk & behaviorally inhibited vs uninhibited 4–12 yr olds & their mothers with vs without anxiety disorder, 38919
parental expressed affect & control behaviors, classroom social acceptance, 4.8–6.4 yr olds, longitudinal study, 11442
patient attributes & relatives' expressed emotion & household composition as risk factors for relapse, Ss (mean age 20.5 yrs) with schizophrenia & related disorders, Netherlands, 19208
role of expressed emotion in etiology & course of affective disorders & relapse & as measure of family experiences, affectively ill patients, 19145
Expressions (Facial) [See Facial Expressions]

Expressive Psychotherapy—Serials
object relations development & premature treatment termination, 21–39 yr old female expressive psychodynamic psychotherapy outpatients with borderline personality, 1678
reliability & validity of adherence & competence scale for supportive expressive psychotherapy for cocaine dependence, patients & therapists, 10431
spontaneity & individuality & emotional expression & problem resolution through 4 forms of Venezuelan psycho-opera, 32643
Expulsion (School) [See School Expulsion]
Extended Family—Serials
in-law therapy, unresolved issues with extended family, family members, 32215
presenelin-1 gene mutation in family pedigree, incidence of early-onset Alzheimer's disease, 48–65 yr olds in extended families, Colombia, 31824
External Ear—Serials
earlobe vs trapezius microcurrent stimulation, EEG spectrum, adults, 21737
External Rewards—Serials
external & self reinforcement, appropriate conversation, autistic adolescents, 19834
extrinsic reward, intrinsic task interest & creativity, meta analysis, implications for research on detrimental effects of reward, 6404
Externalization—Serials
categorization on inhibition at 21 or 31 mo old, later externalizing & aggressive behavior, 13 yr olds, longitudinal study, implications for preservation of early temperament traits, 7368
changes in heritability & severity of parent reported internalizing vs externalizing behavior problems, 5–15 yr old identical vs fraternal twin pairs, Norway, 18569
childhood physical &/or sexual abuse, externalizing & internalizing & PTSD, male vs female Black vs White 8–12 yr olds, 31072
co-occurring vs not co-occurring internalizing & externalizing behavior problems, parental reasoning for clinical referral, 12–16 yr old psychiatric inpatients, 35438
cognitive functioning & early problem severity & sex & expressive language ability & parent practices & stress, predicting externalizing behavior, preschoolers–1st graders & mothers & teachers, 16023
conceptualization & assessment & intervention aspects of psychological & educational service delivery, preschool age children with internalizing & externalizing social–emotional problems, 26624
entitlement & masochism & omnipotence & parental externalization & psychoanalytic psychotherapy, 42 yr old female with severe dissociative symptomatology, 9006
familial responsiveness & behavioral control, attachment representations & internalizing vs externalizing symptomatology, 12–18 yr old psychiatric inpatients, 11916
foster care vs mental health center vs community residence, externalizing & internalizing symptoms & overall mental health, 4–16 yr olds, Canada, 16870
nonverbal receptive social-processing abilities, internalizing vs externalizing 9–14 yr olds in psychological treatment, 42209
perceptions of marital conflict, internalizing & externalizing behavior & distress & parent to child hostility, 6th–7th graders, 12 mo followup, 22260
role of maternal depression in mother–child interactions, depressed mothers & their 6–11 yr olds with externalizing or internalizing behavior disorder, 39156
sex & economic & network stress, internal vs external distress symptoms, 19–64 yr olds, Czech Republic, 1991, 3671
teacher ratings of childhood internalized & externalized & mixed behavior problems, depression & anxiety & conduct disorders in adolescence, 17 yr olds, longitudinal study, 26382
use of behavior modification & externalizing techniques in family therapy, children with soiling problems, 27274
Extinction (Learning)—Serials
acute & repeated caffeine, reinstatement of extinguished cocaine taking behavior, male rats, 7063
compound stimulus reinforcement with reinforced vs nonreinforced component, response to intramodal blocking, foraging honeybees, 41195
continuous vs intermittent reinforcement vs extinction schedule, buying & following instructions comprised of novel verbal stimuli, 8–10 yr olds, 28839
correction & reinforcement & escape extinction & choice of food, 34 yr old female with severe mental retardation with gastroesophageal reflux & projectile vomiting & weight loss, clinical case report, 36304
dynamics of extinction in instrumental alimentary CR, long-trained cats, 29071
extinction in appetitive conditioning, reacquisition of conditioned responding, rats, 10788
extinction treatments in appetitive conditioning, integrity of Pavlovian stimulus outcome associations, male rats, 10765
extinction with vs without functional communication training, problem behaviors, 19 yr old male with severe developmental disabilities, 16541
fluid deprivation, testosterone & conditioned taste aversion extinction rate, male rats, 576
footshock, acquisition & extinction of amphetamine-induced conditioned taste aversion, male rats, 6832
functional analysis & noncontingent reinforcement with vs without extinction, male 3 & 7 & 9 olds with severe problem behaviors, 32157
functional communication training with vs without extinction, self injurious behavior & manual signing, 24 & 29 & 39 yr olds with profound mental retardation, 33122
haloperidol, heroin-induced response-reinstatement after extinction in operant conditioning, male rats, animal model of drug relapse, 6878
inhibitory properties of conditioned stimulus-alone extinction, male rats, 18046
instrumental learning of bar press response, resistance to extinction, young vs mature male rats, 21504
intermittent footshock, reinstatement of extinguished drug- vs food-seeking behavior, rats, implications for model of relapse to drug abuse, 41192
ipsilesional vs contralesional visual &/vs tactual stimuli, unimodal vs cross-modal attentional competition & extinction, female 46 & 62 & 66 yr olds with right hemisphere damage, 36110
nicotine pretreatment, partial reinforcement extinction effect, male rats, 594
NMDA antagonist MK-801, extinction of nictitating membrane CR performance, rabbits, 605
non-contingent priming injections of nicotine, reinstatement of drug-seeking behavior after long-term extinction, male rats, 15013
noncontingent reinforcement & omission contingency to avoid extinction bursts & incidental reinforcement, 13 yr old female with severe aggression, 32179
number of reinforcers during training & VR–VR vs VR–FR reinforcement schedules, key pecking during extinction, pigeons, 18090
olfactory stimuli predictive of heroin availability, reinstatement of drugs-seeking behavior, rats, 34681
partial striatal dopamine depletions, activity level & behavioral deficits on FR bar-pressing task, rats, longitudinal study, animal model of Parkinson's disease, 34555
postconditioning manipulation of contextual cues, instrumental performance on signaled delay of reinforcement schedule, male rats, 18080
pretraining with naloxone-HCL or quaternary naloxone-methiodide or selective mu-peptide CTOP, Pavlovian conditioning & extinction & bradycardiac responses, rabbits, 41467
prior nicotine & genetic factors, acquisition & maintenance & extinction of self administration, 4 rat strains, implications for involvement of operant conditioning or food deprivation, 18338
reward vs extinction, heart rate & skin conductance levels during repetitive motor tasks, 8–13 yr old males with ADHD, 19442
self-injury & aggression & delay in reinforcement & mand training & extinction, 15-yr-old female with autism & severe mental retardation, case report, 42647

stimulus control of social attention as reinforcement for & extinction of self-injurious behavior, 16-yr-old male with severe mental retardation, 42643
strain differences & cholinergic drugs oxotremorine & atropine &/or D2-receptor agents quinpirole & sulpiride, memory retention of Y-maze discrimination task, mice, 34656
taste–tone vs taste–odor compounds paired with lithium-induced illness, taste-potentiated auditory & odor avoidance & extinction resistance & aversion generalization, male rats, 6462
unconditioned stimulus extinction & acquisition, spontaneous recovery, rats, Canada, 21496
use of operant extinction in clinical settings, literature review, commentary, 8878
use of operant extinction in clinical settings, literature review, 8867
white noise or light Pavlovian CS paired with food pellets or liquid sucrose, extinction & spontaneous recovery of responding, male Sprague Dawley rats, 18081

Extracurricular Activities [See Also Fraternity Membership]—Serials

extracurricular activity, career maturity & self-efficacy, adolescents, 25853
involvement in school based extracurricular activities, early school dropout, 7th graders (mean age 13.3 yrs), 6-yr longitudinal study, 24653
participation in traditional extracurricular activities, academic achievement, female vs male 8th graders in poor urban schools, 33459
status category & congruence, participation in extracurricular activities perceived as threatening to cultural assumptions of prestige & privilege, female 7th–8th grade cheerleaders, 5685

Extradimensional Shift Learning [See Nonreversal Shift Learning]

Extramarital Intercourse—Serials

attitudes & descriptive or injunctive norms, willingness to engage in extradyadic sex, male vs female 18–70 yr olds, Netherlands, 18784
interrelationship of sex & love & marriage as predictors of extramarital affairs, 23–36 yr old married adults, 22277
relationship commitment & extradyadic sex & AIDS prevention, adult heterosexuals (mean age 29 yrs) in steady relationships, Netherlands, 41936
research on extramarital affairs & social constructionist therapy model for working with extramarital sex issues, couples, 32192
understanding infidelity within context of ethnic minorities & according to religious traditions in couples therapy, African American vs Asian American vs Hispanic American couples, 43040

Extrapyramidal Symptoms—Serials

amantadine & diperiden, extrapyramidal symptoms, chronic schizophrenic patients (mean age 38.7 yrs) with predominately negative symptoms on antipsychotic & trihexyphenidyl medication, 27452
amantadine vs biperiden, side effects & treatment efficacy in haloperidol induced parkisonism, adults with schizophrenia, Austria, 27563
atypical sertindole vs clozapine & olanzapin & typical antipsychotics & risperidone, extrapyramidal side effects & striatal dopamine D2 receptor binding, 32–39 yr old schizophrenic inpatients, 32495
behavioral & extrapyramidal side effects of sertindole vs haloperidol vs clozapine or risperidone, monkeys, 3200
clinical case series studying cross sectional frequency & incidence & diagnosis & prognostic significance of extrapyramidal signs in Alzheimer's disease, research review, 19604
clozapine induced acute hepatitis & extrapyramidal reaction, cocaine abusing male 44 yr old, case report, 2062
clozapine vs haloperidol vs risperidone vs thioridazine, tacrine-induced tremulous jaw movements, male rats, animal model of extrapyramidal motor symptoms, 41533
clozapine vs risperidone, positron emission tomography assessed D2 & 5-HT-2 receptor occupancy & extrapyramidal effects & clinical response, schizophrenic patients, 9134
cognitive & functional impairment, probable Alzheimers disease patients with vs without extrapyramidal signs, US & France, 39489
combined paroxetine & haloperidol, development of extrapyramidal symptoms, 69 yr old female with recurrent major depressive disorder, case report, letter, 4983
depot neuroleptic medication, extrapyramidal side effects, 46 yr old female with paranoid schizophrenia, case report, 43182
development of clozapine & other new antipsychotics with few or no extrapyramidal effects & risk factors of patient & drug & temporal characteristics in clinical trials & nonhuman primate models, 6847
dopamine receptor subtypes & medial temporal lobe & limbic system & basal ganglia & schizophrenia & extrapyramidal symptoms vs antipsychotic effects, literature review, 1978–1996, 35602
extrapyramidal & other side effects of clozapine vs perphenazine or flupenthixol or zuclopentixol, 21–68 yr olds with schizophrenia, 5083
extrapyramidal side effects of risperidone, 26 yr old male with depressive symptoms, case report, letter, 32367
extrapyramidal signs in handwriting movements, 18–46 yr olds with chronic schizophrenia, 30972
extrapyramidal symptom profiles, patients treated with olanzapine vs haloperidol, 36522
haloperidol vs risperidone, extrapyramidal symptoms, chronic schizophrenic patients aged 18–65 yrs, 36510
lithium induced neurotoxicity & extrapyramidal symptoms at serum lithium levels within therapeutic range, 73 yr old female with bipolar disorder, case report, 32345
metabolic ratios of dextromethorphan/dextrorphan & haloperidol disposition & incidence of extrapyramidal side effects, patients with schizophrenia, China, 36470
movement disorders & serotonin selective reuptake inhibitors, review of case reports, 23899
paroxetine effectiveness & side effect of increased spasticity, female 24 & 30 yr olds with mixed cerebral palsy & depression, case reports, letter, 1853
path model for assessing direct & indirect narcoleptic drug effects on negative symptoms in schizophrenia, 32472
raclopride vs clozapine vs haloperidol dose, vacuous jaw movements & prediction of extrapyramidal side effect onset, male rats, 4 wk study, 7083
risperidone & phenytoin, extrapyramidal symptoms, 31 yr old White male with undifferentiated schizophrenia, case report, letter, 16650
risperidone dosage size & extrapyramidal side effects, 69 yr old female with schizoaffective disorder depressed type, case report, 19923
selective serotonin reuptake inhibitors, extrapyramidal side effects, elderly patients with mental and physical disorders, Ireland, 36450
short-term efficacy of clozapine, neuroleptic-resistant chronic schizophrenic patients with tardive dyskinesia & chronic akathisia & parkinsonism (mean age 43.1 yrs), 43187
tricyclic antidepressant-related extrapyramidal side effects, 24 & 70 yr old females with major depression, 43198
5-HT2 antagonism, extrapyramidal side effects of antipsychotic drugs, rodents & monkeys & psychiatric patients, 5045

Extrapyramidal Tracts—Serials

fluoxetine, extrapyramidal system, 12 yr old female with major depression & panic disorder & history of cannabis & amphetamine abuse, letter, 9095
serotonergic & dopaminergic regulation of extrapyramidal system in Parkinson's disease & Tourette's syndrome & obsessive compulsive disorder, 1912–96, literature review, 11856
serotonin in clinical expression & serotonergic drugs for treatment of diseases of extrapyramidal system, 1965–96, literature review, 12642

Extrasensory Perception [See Also Clairvoyance, Psychokinesis]—Serials

communication of music by ESP, ESP high scorers from general population, 18032
emotionally unpleasant vs neutral targets, forced choice ESP impressions vs guesses, adult volunteers, Scotland, 14695

experimenter bias, ESP performance & perceptual defensiveness, male college students, Iceland, meta analysis, 29022
government-funded research & evidence for existence of psychic functioning, commentary, 14688
government-funded research & evidence for existence of psychic functioning, commentary reply, 14694
government-funded research & evidence for existence of psychic functioning, 14693
judgment of covariation between transmitted symbols & corresponding feedback by receiver in telepathy experiment, believers vs skeptics of ESP, 18031
music as target in ESP ganzfeld experiment, adults, England, 21475
signal processing analysis of forced choice ESP data, adults, 14686

Extraversion—Serials

astrological positions of sun & moon & stars at birth, introversion vs extraversion & emotionality, male vs female college students, New Zealand, 3887
bully/victim problems & Eysenck's personality dimensions, elementary & junior high school students, England, 24654
circumscribed vs global dyadic accuracy of perceptions of competitiveness & extraversion & rivalry, male fraternity members, 3815
construction of Psychological Sense of Community scale & living arrangements & fraternity/sorority membership & school size & extraversion, psychological sense of community on campus, college students, 17702
correlations of SONSO Personality Inventory vs Gordon Person Profile vs Gordon Personal Inventory & relations to extraversion & neuroticism, college students, 17606
current self administered anabolic androgenic steroids, traits related to anxiety & extraversion & aggression, male strength athletes, risk for disinhibitory psychopathology, 19367
demographics & chronic disease status & psychiatric diagnoses & neuroticism & extraversion & depression, disability & somatization & subjective pain, 19–82 yr old depressed primary care patients, 39011
differences in differential effort reactivity & psychophysiological or performance indicators of effort, introverts vs extraverts, 15677
emotional intensity & reactions to reward & punishment & traits of introversion/extraversion & neuroticism, 16–33 yr olds with ADHD symptoms, 23149
emotionally positive vs negative vs neutral stimuli under different processing conditions of attention, ERPs, extraverted vs introverted college students, 6761
extraversion & changes in & beliefs about infant childrearing, mothers &/vs fathers &/vs day care providers of 4 wk–4 mo olds, 6 mo followup, 30170
extraversion & conscientiousness personality traits & small group composition & process & performance & outcome, graduate students, 22414
extraversion & emotionality & sex-role differences, smokers vs nonsmokers, India, 30480
extraversion & neuroticism & daily events, positive or negative daily mood, 35–55 yr old males, 35312
extraversion & neuroticism & introversion, 35–65 yr olds with coronary heart disease, India, 8555
extraversion & neuroticism & other personality traits, outstanding vs average endurance sport athletes vs nonathletes, Germany, 5799
extraversion & neuroticism & psychoticism & ego-strength & adjustment, male college students, India, 7721
extraversion & neuroticism, susceptibility to positive & negative affect, college students, test of theoretical models, 30534
extraversion & openness to experience scores on revised NEO Personality Inventory, marital adjustment on Dyadic Adjustment Scale, 20–78 yr old spouses, 18725
extraverted vs neurotic personality & coping styles & academic peformance, college students, 9922
gender & introversion/extraversion, degree & direction of functional hemispheric asymmetry, students, 18154
introverson-extraversion vs anxiousness vs trait anger, prediction of drinking patterns, male vs female college students, 38776
length of outpatient behavior therapy, 18–77 yr old introverts vs extraverts with anxiety &/or mood disorders, Netherlands, 23750
LSD, affective & thinking disturbances & blackouts as symptom patterns & relation to high vs low extraversion vs neuroticism identified by polyprediction configural frequency analysis, adults, 21877
mastery & extraversion & neuroticism, stress appraisals, college students, 30498
neurobiological foundation of extraversion & psychoticism & neuroticism & relation to depression, 4086
neuroticism & extraversion & dysfunctional attitudes & perceived social support & adjustment to university life, college students, Scotland, 24650
neuroticism & extraversion, positive & negative affectivity for academic vs interpersonal domains, college students, 35309
personality & reaction to teaching methods & atmosphere of teaching situation, introverted vs extraverted children, 18957
personality conceptualizations of H. J. Eysenck comprising neuroticism & extraversion vs J. A. Gray's comprising trait anxiety & impulsivity, children with vs without anxiety disorders, 12095
personality traits & extraversion & happiness, adults, England, 42064
positive or negative mental stressor & extraversion & introversion, impulsive behaviors, 18–40 yr old males, 42069
psychoticism & extroversion & self-esteem & self-reported delinquency, 13–15 yr olds, 2 yr study, Australia, 8308
psychoticism & neuroticism & extraversion & religiosity, 16–19 yr old females, 18562
psychoticism & neuroticism & extraversion, religious beliefs & behaviors, 17–88 yr old Anglican & other Protestant & Catholic twins, Austraila, 8 yr study, 42060
relationship of scores on Measure of Attachment Qualities to extraversion & anxiety traits & NEO Five Factor Inventory scores & 4 category model of attachment, adults, 42054
relationships between extraversion & introversion & neuroticism & regional cerebral blood flow, 22–42 yr old females, Sweden, 41412
reward vs punishment, academic achievement, extraverted vs neurotic 14 yr old males, 37032
rewards for retaining customers vs generating new sales, extraversion in sales performance, sales representatives, 13936
Rosenberg construct of self-esteem & extraversion & neuroticism & lie scales of Junior Eysenck Personality Inventory, male vs female eleventh year students, Wales, 18561
Rosenberg construct of self-esteem & extraversion & neuroticism & lie scales of Junior Eysenck Personality Inventory, male vs female 11th yr students, erratum, 20982
self-esteem & extraversion & neuroticism & psychoticism, uptake of smoking, 11–18 yr old twin non-smokers vs experimental smokers, 3 yr followup, 25910
self monitoring & prediction of self & other neuroticism & extraversion scores, college students, 11752
sensation seeking & extraversion & introversion & impulsivity, rate of temporal discounting of rewards, college students, Poland, 11745
stability in extraversion, social activity & support seeking & perceived social support at midlife, college students, longitudinal study, 15722
Type A behavior pattern, extraversion & neuroticism & dysfunctional beliefs, adult males, implications for cognitive behavioral model, 22571
utility of methodology of R. Lynn for assessment of national character in study of extraversion & neuroticism at state level within nations, adults, US, 22545
visual vigilance task with vs without 40 vs 60 db of white noise, functional reactivity of effort system (P300 amplitude) & arousal levels, introverted vs extroverted university students, 26245

Extrinsic Motivation—Serials

ability to use distinction between self initiated & externally caused movement as cues for detecting presence & nature of goal motivating action, younger vs older 3 yr olds vs 5 yr olds, 18494

attitudes toward & intrinsic vs extrinsic motivation for learning English, 15–18 yr old high school students, China vs Japan, 13800
autonomy supportive vs nonpunitive controlling vs punitive controlling supervisory style, subordinates' intrinsic & extrinsic motivation, college students, 2283
prior autonomy supporting vs externally controlling experiences, reaction to & motivation to engage in new activity, college students, 18017
reliability of revised Age-Universal I-E scale vs original version for use with religious vs nonreligious adults, US & England & Ireland & Northern Ireland, 21007
social perception & expectancy formation & intrinsic vs extrinsic motivational orientation toward activities, college students, 42032

Extrinsic Rewards [See External Rewards]

Eye (Anatomy) [See Also Fovea, Pupil (Eye), Retina]—Serials

ethanol, development of vitreous humor & retina, chick embryos, 38085
exposure to airborne chemicals, sensitivity thresholds for odor & nasal pungency & eye irritation, 21–60 yr olds, 41007
eye position dependent collicular somatosensory activity, awake monkeys, 21650
eyebrow density & position, interpretation of emotional facial expressions, 6–9 & 17–57 yr olds, 14677
hand & mouth & eye preferences on sensory & motor tests measuring lateral preferences, common marmosets, 18162
image forming capability & role of complex eyes in locomotion & feeding & reproduction & interactions with conspecifics & predators, medusae, conference presentation, 14966
visual threshold response to light intensity & color balance with eyelids open vs closed, attenuation of light transmitted for evaluation of light treatments during sleep, 22–43 yr olds, 188

Eye Accommodation [See Ocular Accommodation]

Eye Contact—Serials

eye contact vs aversion during interaction over closed circuit TV vs in person, visual attention & gaze & smiling, 14–26 wk olds & mothers, Canada, 18575
gaze of others & relationship between & cultural meanings of emotions of hazukashii & amae in family reunion situations, Japanese Americans vs US Ss, 38533
personality & social judgment correlates of gaze aversion, male vs female college students, 22476
presence vs absence of E's direct eye contact & head movement & orientation, gestures & recognition of attention, chimpanzees, 6521
water or sucrose with vs without eye contact, calming & crying & heart rate & pain perception & gaze, agitated 2 vs 4 wk olds, 7194

Eye Convergence—Serials

dynamical implementation of torsional vergence component in pure vergence & combined direction/depth binocular eye movements using 3-dimensional search coil technique, adults, 21272
size of reconstituted image in front of vs behind monitor image, accommodation point of stereoscopic 3-dimensional images with binocular disparity, females (mean age 21.1 yrs), 21253
visual stimulation, resting vergence & focus in darkness & role of accommodation, adults, 6226

Eye Disorders [See Also Amblyopia, Cataracts, Color Blindness, Glaucoma, Hemianopia, Nystagmus, Strabismus, Tunnel Vision]—Serials

complex & vivid visual hallucinations, 73-yr-old male with macular degeneration and a history of recurrent major depression, case report, implications for Charles Bonnet syndrome, 22654
degree of functional disability, depressive symptomatology, low vision 71–84 yr olds, 2 yr followup, 8681
electroretinographic analysis of retinal dystrophy, abnormalities in rod b waves & cone a waves, patients, role of delay in activation of inner nuclear layer, 23505
lifetime vs recent psychiatric illness & level of retinopathy, 18–50 yr old patients with Type I diabetes mellitus, 26859
low-dose thioridazine induced retinopathy, 52 yr old male with schizophrenia, case report, 13062
prenatal d-methamphetamine exposure, behavioral & eye development, rats, 38071
prevalence & causes of ocular defects, 3 mo to 25 yr olds with severe mental deficiency, 16171
rare presentation of Laurence-Moon-Bardet-Biedl & Cootard's syndromes, 20 yr old female, case report, 15816
spatial frequencies, color discrimination & neural pathway function, patients with melanoma associated retinopathy (mean age 61 yrs) vs 30–40 yr olds with night blindness, 14548

Eye Dominance [See Ocular Dominance]

Eye Fixation—Serials

amount of contextual constraint of target words, eye movements & fixation in sentence reading, college students, 17838
cold water calorics, EEG changes & eye gaze deviation, 83 yr old female with massive hemisphere CVA exhibiting severe hemispatial neglect, case report, test of arousal hypothesis of neglect, 39562
combined lesions of frontal eye field & superior temporal polysensory area vs inferior temporal cortex, visual saccades vs fixation vs smooth pursuit eye movements, monkeys, 25486
constant vs variable target discriminability, fixation duration control in visual search task, male 25–45 yr olds, 17825
declarative-referential vs imperative-instrumental communication in pointing & reaching & vocalizations & visual checking with social partner, 10–18 mo olds, 11436
development of visual fixation & habituation, new borns, 2 vs 4 vs 6 mo followup, 15225
direction of sudden visual target displacements vs smooth target motion, saccadic latency, monkey, 29360
dissociation between joint attention & geometric ability in eye direction detection, autistic 5.6–17.4 yr olds vs Down syndrome 4.5–12.3 yr olds, 26759
ease of detection of gaze direction using visual search task with straight vs left vs right averted gaze stimuli, college students, 217
eye contact vs aversion during interaction over closed circuit TV vs in person, visual attention & gaze & smiling, 14–26 wk olds & mothers, Canada, 18575
eye fixation location during attentional & arithmetic tasks, lane keeping performance, 18–22 yr old military novice vs experienced drivers, Finland, 28325
eye fixations vs verbal reports as measures of selective attention, adult males, 41180
eye gaze vs standard response mode, PPVT-R scores, 8–12 yr olds, 10482
fixation location & frequency, fixation duration on low- vs high-frequency target words in reading, college students, implications for lexical vs oculomotor eye movement control models, 2779
fixation offset condition, saccadic RT in response to visual targets in prosaccade vs antisaccade tasks, adults, 2770
gaze behavior cues of conspecifics, gaze direction & attention orientation, male rhesus macaques, 37866
generation of spatial code to specify selection of right vs left response, attentional shifts from initial fixation point to stimulus location, college students, replication, 28993
head oscillations during fixation on stimulus moving in same vs opposite direction of head movement, apparent concomitant motion adaptation, 20–40 yr olds, 21282
individual differences in fixation duration & vertex absent vs vertex present degraded visual targets, target recognition, 4 mo olds, 7232
initial fixation position, visual recognition of French vs Arabic words, bilingual vs monolingual 19–52 yr olds, France, 678
magnetic fields & cortical representation of motion defined static vs moving objects presented to left visual hemifield, 20–25 yr olds, 29344
optic flow & eye velocity signals in dorsomedial superior temporal area & computation of direction of self motion, rhesus monkey, 18201
position of head & direction of gaze, RT & ascription of sex to face, 16–40 yr olds, England, 21242

presence of O & reinforcement, gaze alternation & attention-getting behavior via indexical & referential pointing gestures, chimpanzees, implications for intentional communication, 6445
regional cerebral blood flow during eyeblink delay conditioning vs pseudoconditioning vs fixation rest, adults, 18146
right vs left visual field stimulus, eye movements & overt & covert visual attention orienting, visual neglect 61–80 yr olds with parietal & frontoparietal brain lesions, 26996
speaker's vs listener's direction of gaze strategy, novel word learning, 7.5–12.3 yr olds with autism vs mental handicap vs normally developing 20–30 mo olds, 31408
threat vs neutral word stimuli, initial eye fixations & orienting & electrodermal responses, patients with PTSD, 4197
training experience & activity of frontal eye field neurons, plasticity mediating learning of gaze behavior & searching for visual target among distractors, monkeys, letter, 10924
transection of corpus callosum vs brainstem, habituation of ocular fixation & smooth pursuit, cats, 25509
understanding abotu visual perception through gaze following, 5.8–6.6 yr old chimpanzees, experimental replication, 37809
use of morphological & whole word form information during eye fixations on prefixed & suffixed words in reading, college students, France, 14584
video based polar cross correlation method & algorithm, torsion assessment of 3-dimensional eye position during eye movements & projection onto image plane during processing, adults, 205
viewing picture of cocaine cue vs neutral cue, preattentive vs attentive fixations & saccades, recently abstinent crack cocaine-dependent males (mean age 35 yrs), 19387
visual attention disengagement, express saccade facilitation, adults, Belgium, 14501
visual fixation on a peripheral object during simulated locomotion through cluttered environment, heading & path information, adults, 28742
3-dimensional image on retina, stereoscopic depth cues & rapid visual stabilization of eyes in tracking of large moving scenes, humans & monkeys, 2915

Eye Movement Desensitization Therapy—Serials
effectiveness of Pavlovian & Darwinian theoretical approaches in eye movement desensitization therapy, patients with PTSD, literature review, 31096
EMDR vs rapid induction deep relaxation vs simple relaxation methods, vividness of memory based mental images, healthy 24–48 yr olds, implications for PTSD treatment, 8877
emotional processing & outcome of eye movement desensitization and reprocessing therapy, male veterans with chronic PTSD, 32171
errors of context in eye movement desensitization and reprocessing, commentary, 19752
experience of involuntary eye movement in multisaccadic manner, adults, commentary on test of claims of origins of eye movement desensitization, 8720
eye movement desensitization & reprocessing & empathic skill training to resolve early emotional trauma in couples & individual therapy, lesbian couple with dissociative patterns, case report, 27151
eye movement desensitization & reprocessing as therapy for trauma & psychospiritual potentials, 32167
eye movement desensitization & reprocessing treatment, research review, 23738
eye movement desensitization & reprocessing vs exposure in vivo, 9–14 yr old females with spider phobia, 39717
eye movement desensitization & reprocessing vs thumb tapping, autonomic measures, 21–52 yr olds distressed by traumatic memories, 12 mo study, 19762
eye movement desensitization & reprocessing, college students with nonclinical anxiety, 19716
eye movement desensitization & reprocessing, patients with PTSD, literature review, 19753
eye movement desensitization & reprocessing, work place performance, 44–59 yr old professionals, 23740
eye movement desensitization & reprocessing, PTSD, adult female rape victims, 43010
eye movement desensitization & reprocessing, 53 & 68 yr old males with claustrophobia, 27221
eye movement desensitization & restructuring & mentally active vs mental relaxation conditions, T-wave amplitude & heart rate & alpha activity, 21–54 yr olds, Australia, 12852
eye movement desensitization reprocessing, spider phobia, female 18–23 yr olds, 8854
integration of cognitive & behavioral aspects of eye movement desensitization & reprocessing in psychotherapy, patients with personality disorders, 32019
rapid eye movement desensitization & reprocessing treatment, PTSD, 42–55 yr old combat Vietnam War veterans, 1737
rapid eye movement desensitization & reprocessing treatment, PTSD, 42–55 yr old combat Vietnam War veterans, commentary reply, 36297
rapid eye movement desensitization & reprocessing treatment, PTSD, 42–55 yr old combat Vietnam War veterans, commentary, 36309

Eye Movements [See Also Eye Convergence, Nystagmus, Rapid Eye Movement]—Serials
amount of contextual constraint of target words, eye movements & fixation in sentence reading, college students, 17838
antisaccade performance in adult relatives of patients with schizophrenia & patients with schizophrenia vs major depression vs bipolar disorder, 38926
antisaccadic eye movements & attentional asymmetry, patients with schizophrenia, New Zealand & Palau & Papua New Guinea, 12017
attentional demands & oculomotor biases, visual field anisotropies during search, 16–48 yr olds, 21283
changes in visual direction & compression of visual space before saccade, adults, 28765
collicular motor control of somatosensory saccades, monkeys, 21649
combination of visual & lexical & oculomotor information in Mr. Chips ideal-observer model of reading, implications for reading with low vision, 34155
combined lesions of frontal eye field & superior temporal polysensory area vs inferior temporal cortex, visual saccades vs fixation vs smooth pursuit eye movements, monkeys, 25486
conjugate lateral eye movement responses to emotional & cognitive & spatial stimuli during exacerbation of symptoms, 18–60 yr olds with paranoid schizophrenia vs major depression, Poland, 35453
contingency games, kicking & vocalization & reaching & eye movement, 3 yr old female with Rett syndrome, case study, 19663
controlling delay of saccade triggering to isolated target words, word-initial letter information in saccade programming as function of timing of parafoveally available information, adults, France, 28744
cortical EPs in saccades vs antisaccades, 36–42 yr olds, 530
curvature & velocity covariation in relation to smooth pursuit eye movements in 2-dimensional tracking, 19–37 yr olds, test of Two-Thirds Power Law for ocular movement, 34530
direction of sudden visual target displacements vs smooth target motion, saccadic latency, monkey, 29360
dot stimulus configuration, oculomotor scanning, 23–63 yr olds with unilateral posterior parietal vs frontal lobe damage, 36166
dynamical implementation of torsional vergence component in pure vergence & combined direction/depth binocular eye movements using 3-dimensional search coil technique, adults, 21272
EEG & eye movements as measures of & psychophysiological mechanisms in development of delirium, patients admitted to coronary care unit, 35991
egocentric & allocentric placement of biological-motion walker, transsaccadic memory, adults, Belgium, 34160
encoding of shared motor error signals in coordination of multiple eye movements, 38037

encoding of smooth pursuit direction & eye position in dorsal region of area medial superior temporal, male macaque monkeys, 34580
endogenous cueing & temporal allocation, saccadic eye movements & endogenous movements of attention, young adults, 28713
experience of involuntary eye movement in multisaccadic manner, adults, commentary on test of claims of origins of eye movement desensitization, 8720
expert's eye movements during poetry reading & assessment, acquisition of implicit knowledge, poetry expert & college students, Belgium, 6206
eye blink & saccadic eye movements, prediction of performance decrements after fatigue in simulated flight tasks, partially sleep deprived 25–42 yr old pilots, 11048
eye movement desensitization & reprocessing, work place performance, 44–59 yr old professionals, 23740
eye movement desensitization & reprocessing, 53 & 68 yr old males with claustrophobia, 27221
eye movement during parallel & serial visual search, college students, Canada, 41037
eye movement patterns during viewing of whole scenes vs whole vs chimeric vs half stimuli, 60 yr old male with object based neglect after stroke, erratum, 12569
eye movement patterns during viewing of whole scenes vs whole vs chimeric vs half stimuli, 60 yr old male with object based neglect after stroke, 4638
eye movements vs perceptual completion, identification of images as half vs whole objects, 59 yr old male stroke patient with object-based neglect without hemianopia, 16390
eye position dependent collicular somatosensory activity, awake monkeys, 21650
eye-tracking paradigm for spoken word recognition research, 28809
famotidine, smooth pursuit eye movements & clinical ratings, patients with schizophrenia or schizoaffective disorder, 19970
fast vs slow velocity targets, smooth pursuit eye movements, patients with obsessive-compulsive disorder, 8020
fixation location & frequency, fixation duration on low- vs high-frequency target words in reading, college students, implications for lexical vs oculomotor eye movement control models, 2779
fixation offset & bilateral or simultaneous target presentation & global effects, saccadic eye movements, 59–64 yr olds with unilateral neglect due to right parietal lobe damage, 12689
fixation offset condition, saccadic RT in response to visual targets in prosaccade vs antisaccade tasks, adults, 2770
fixation stimulus overlap vs gap, attention & oculomotor control measured by eye movement onset & visual cortical ERPs, 29–56 yr olds, 34297
foveal information, object identification & eye movements, male & female undergraduate students, 28753
frontal premotor cortical functional anatomy of prelearned sequences of horizontal saccadic eye movements at rest vs during execution vs repetition, male 21–27 yr olds, 10994
heart beat & spontaneous finger temperature change discrimination, 18–26 yr old female left vs right lateral eye movers, replication, 3142
high vs low pass spatial frequency filtering of images, eye movements made in response to images of natural scenes, adults, 14532
imminence of saccade, vernier acuity in perception of geometrical relationships, adults, 28736
intensity of initial & ending letters, direction of saccades to eccentric word targets & luminance distribution effect, college students, France, 10623
latency of saccadic eye movements for presentations to left vs right visual fields, adults with schizophrenia, 15936
left–right eye use asymmetry & duration in threat & courtship displays, male Siamese fighting fish, 6480
lesions to angular gyrus & left frontal eye field, shifts of spatial attention & saccades, male 74 yr old with 1st stroke spatial neglect disappearing following 2nd stroke, case report, 19661
memory-guided saccadic RT in ocular-motor delayed response task, schizophrenic adults, implications for pathology of prefrontal cortex, 31016
microstimulation of middle temporal visual area, smooth pursuit & saccadic eye movements, rhesus monkeys, 41323
neural analysis of induced learning in smooth pursuit eye movements, rhesus monkeys, 18165
novelty of foveal instruction stimulus, preferred directions of supplementary eye field neurons during conditioned visuomotor learning, monkeys, 6609
number of eye movements in REM sleep & visual imagery in dreaming, 36 yr old male, 34316
oculomotor behavior in parallel–serial visual search, adults, 14549
open- and closed-loop smooth pursuit response characteristics, 20–51 yr olds with vs without obsessive compulsive disorder vs schizophrenia, 26555
optic flow & eye velocity signals in dorsomedial superior temporal area & computation of direction of self motion, rhesus monkey, 18201
perceived heading direction with real vs simulated eye movement, 27–48 yr olds, 14543
performing 3-D visually guided tasks using a head-mounted display, visual & oculomotor function, 22–27 yr olds, 21250
postsaccadic target blanking, saccadic suppression of image displacement, 21–32 yr olds, 2767
presentation of binocular vs monocular gazepoint probe flashes, perisaccadic visual mislocalizations, adults, 21270
prevalence & patterns of eye tracking dysfunction, schizophrenics in families with multiple cases of schizophrenia, 15932
process of generation of prosody online during oral reading of Japanese sentences as assessed with eye voice span, adults, Japan, 15136
properties of saccades to somatosensory & visual targets, monkeys & adult humans, 21648
P300 latency & eye movement disorders as biological markers of bipolar or major depressive or anxiety disorder or cyclothymia or alcoholism, relatives of probands with bipolar disorder, 11945
regional brain activation measured with positron emission tomography during eye movement paradigms & spatial work memory, healthy adults (mean age 27 yrs), 21289
relationship of saccadic eye movements during visual search to manual response time, adults, 14499
retinal image & extraretinal information, estimation of heading direction in presence of executed &/vs simulated eye movements & rotation, Os, 189
risperidone vs haloperidol treatment, saccadic eye movements, 18–45 yr olds with schizophrenia or schizoaffective disorder, 23936
root mean square error analysis of saccades vs pursuit gain vs phase lag in smooth pursuit eye movements, 18–50 yr olds better vs worse tracking schizophrenic patients, 19215
RT of brain processes preceding execution of pro- & antisaccadic eye movements, 30–50 yr olds, 549
saccade amplitudes & dwell time lengths during instrument vs scenery centered simulator flight tasks, 25–32 yr old male jet aircraft pilots, 21254
saccades & smooth pursuit eye movements, nondemented memory impaired elderly, 16388
saccadic distractibility as seen from SPECT study & relationship to regional cerebral blood flow, male schizophrenic patients, 22831
saccadic eye movement during reading, 23–54 yr olds with visual field defects & contrast sensitivity loss, 27058
saccadic eye movements, vividness of & emotional responses to images of neutral & negative pictures, college students, Australia, applications to treatment of PTSD, 31057
saccadic intrusions & smooth pursuit eye movement, 21–49 yr olds with obsessive compulsive disorder, 22943
screen pulsation & negative vs positive polarity, eye movement control during word examination, adults, 17828
small anticipatory saccades causing abnormal smooth pursuit eye movements, phenotypic marker of vulnerability to schizophrenia, 6–15 yr old children of schizophrenic parents, 7989

smooth pursuit & saccadic responses to target moving toward vs away from fovea, adults with vs without schizophrenia, implications for role of frontal vs posterior cortex function, 7950
smooth pursuit eye movements & saccades during eye tracking, 17–42 yr old monozygotic twins discordant for schizophrenia, implications for genetic liability, commentary, 30986
smooth pursuit eye movements & saccades during eye tracking, 17–42 yr old monozygotic twins discordant for schizophrenia, implications for genetic liability, 31009
smooth pursuit eye movements, patients with deficit vs nondeficit schizophrenia, conference presentation, 12067
smooth pursuit eye movements, 9–18 yr olds with schizophrenia vs ADHD, 22665
spaced vs unspaced text reading, eye movements & word recognition & comprehension, adults, commentary reply, letter, 195
spaced vs unspaced text reading, eye movements & word recognition & comprehension, adult, commentary, letter, 209
spatial frames of reference & integration of retinal & eye or head position information in planning egocentric vs retinocentric sequences of saccades, 4–6 mo olds, 34796
spatial information & decision factors & visual attention, transsaccadic matching, adults, 41024
suppression of magnocellular pathway during saccades, 21284
sustained vs transient motion & varied intensity of visually textured peripheral stimuli, latency of saccadic eye movements, adults, 6224
target in cued vs contralateral to cued location, endogenous redirection of attention in covert orienting of attention task, 21–45 yr olds with chronic schizophrenia, 7976
target motion & velocity, corrective saccade vs accuracy of pursuit eye movements & catch up saccades for extraretinal target, schizophrenic patients with vs without tardive dyskinesia, 4189
transcranial magnetic stimulation, contribution of superior prefrontal cortex & superior parietal lobule in generation of voluntary endogenous & reflexive visually guided saccades, adults, 41353
transsaccadic memory & information integration, 199
unexpected 1st vs 2nd visual target step to new location, spatial & metrical parameters of eye & arm movement response amplitudes, 23–67 yr olds, 10677
variable rate vs variable threshold RT model evaluated by cerebral cortex neuron activation related to saccade production, rhesus monkeys, 21652
video based polar cross correlation method & algorithm, torsion assessment of 3-dimensional eye position during eye movements & projection onto image plane during processing, adults, 205
video compression technology & image processing software for tracking eye movements, implications for visual perception research, conference presentation, 25199
viewing picture of cocaine cue vs neutral cue, preattentive vs attentive fixations & saccades, recently abstinent crack cocaine-dependent males (mean age 35 yrs), 19387
visual attention disengagement, express saccade facilitation, adults, Belgium, 14501
visual problems & vertigo, saccadic & smooth pursuit eye movements during reading, 24–62 yr olds with whiplash, 8677
visual vs linguistic referential context, eye movements toward objects while listening to instructions to manipulate objects, adults, 11260
visualization of scientific data from Mars & tracking eye movements through high-performance computing, commentary, conference presentation, 28294
visualizing vs viewing irregular patterns directly, scanpaths, 18–28 yr olds, 25185

Eyeblink Reflex—Serials

ablation of motor cortex, delay vs trace classical conditioning of eyeblink response, rabbits, 37972
acoustic & visual prestimuli, electrically elicited blink reflex EMG components, 24–30 yr olds, 3126
acoustic startle response, female patients (mean age 38.1 yrs) with sexual assault-related PTSD, 42379
acoustic stimuli & pleasant vs unpleasant vs neutral slides, eyeblink startle reflex amplitude, men (mean age 33.8 yrs) & women (mean age 32.7 yrs) with high vs low harm avoidance, replication, 26246
acoustic warning stimulus onset asynchrony, electrically elicited blink reflex, 19–28 yr old students, 11086
alerting effects on choice RT & photic eyeblink reflex, 18–31 yr olds, 535
attention vs emotion, time course of prepulse inhibition of startle eyeblink reflex EMG, college students, 6803
attentional & emotional processes, blink reflex modulation, 16–38 yr olds, 34622
blink rate during smooth pursuit, children & adolescents with schizophrenia vs normal vs ADHD controls, 30991
blocked vs mixed lateral acoustic startle probe presentation to left vs right ear, affective startle modulation for eyeblink reflexes, college students, 14972
carisoprodol, classically conditioned blink reflex amplitude & duration, male adults, implications for drug tolerance, 41453
closely spaced above & below threshold acoustic stimulus pairs, area & duration & latency of blink reflex, 19–51 yr olds, 29297
cooling of facial nucleus & cerebellar cortex & lateral parvocellular reticular formation & interpositus nucleus, eyeblink & learning process disruption, male rabbits, 37960
EMG components of photic eye blink reflex, 33–81 yr old patients with occipital lobe lesion-induced visual field deficits, 4671
eye blink & saccadic eye movements, prediction of performance decrements after fatigue in simulated flight tasks, partially sleep deprived 25–42 yr old pilots, 11048
eyeblink cross-habituation between tactile & acoustic stimuli, undergraduate & graduate students, 28719
eyeblink rate during rest vs attention & schizophrenia symptoms & neuropsychological performance & neurological signs, 16–65 yr olds with schizophrenia, 26489
eyeblink startle inhibition & prepulse selective attention processing, 18.3–31.3 yr olds, 561
in utero cocaine, nictitating membrane reflex parameters, 90–144 day old rabbits, 7049
inactivation of interpositus nucleus of cerebellum, learning-related activity of pontine nucleus during classical eye blink conditioning, rabbits, 38015
initiating &/vs continuing light or noise CS paired with paraorbital shock UCS, eyeblink & fear, rabbits, 18073
intensity of acoustic prepulse vs eliciting stimuli, startle eyeblink response inhibition, 18–22 yr old undergraduates, 11059
loss of DA in substantia nigra pars compacta, reflex blink excitability, alert vs anesthetized rats with vs without experimental Parkinsonism, 18145
muscimol induced temporary inactivation of cerebellar interpositus nucleus, acquisition of conditioned eye blink response, rabbits, 38120
neuronal linkage between superior colliculus & reflex blink circuitry within brainstem, rats, implications for hyperexcitability in Parkinson's disease, 18144
personality factors, modulation of eyeblink response in reaction to loud acoustic startle probes, adults, England, 22543
pleasant vs unpleasant & high vs low arousal pictorial stimuli, startle responses of eyeblink reflexes & skin conductance levels, adults, 14974
positive vs negative acoustic stimulus onset asynchronies, blink reflex, 18–40 yr olds, 29471
positive vs negative vs neutral picture series, eyeblink reflex magnitude vs corrugator supercilii muscle region EMG activity vs self-report measure of affective state, 18–22 yr olds, 25549
prepulse effects, startle blink reflex & magnitude estimates of startle eliciting stimuli, 17.5–20.5 yr olds, 6764
probe vs context word visual stimuli during attentional blink, perceptual processing of word meanings, adults, 25266
regional cerebral blood flow during eyeblink delay conditioning vs pseudoconditioning vs fixation rest, adults, 18146

response cues, early component of eye blink reflex, 20–30 yr olds, implications for role of upper brain stem, 6707
role of cerebellar cortex in adaptive modification of reflex blinks, rats, 37991
role of cerebellar cortex vs deep nuclei in eyeblink learning, mutant mice deficient in Purkinje cells, 10935
sleep deprivation &/vs bromocriptine, eye-blink rate, 25–50 yr old males with vs without major depression, 22754
spontaneous blink rate in listening vs conversation vs verbal recall tasks, 5.6–16.8 yr olds with ADHD with vs without stimulant treatment, 31411
spontaneous blink rate measure of dopamine function during listening vs conversation vs verbal recall task, 5–16 yr olds with ADHD receiving vs not receiving stimulant therapy, 12314
startle eyeblink facilitation & modification as measure of attentional & information processing, college students, 14984
startle stimuli presented alone vs preceded by tone prepulses vs prepulses presented alone, startle eyeblink reflex inhibition, college students, 41401
unconditioned stimulus modality & intensity, blink startle & electrodermal responses, 17–53 yr old college students, 41407
viewing pleasant vs unpleasant stimuli, blink reflex & P3 wave of ERP measures of acoustic startle response, adults, 18260
weak visual prestimulation effects, early & late components of eyeblink response to bright light flashes, 19–27 yrs olds & 67 yr old male with unilateral occipital lobe damage, 34150
workload in simulated flight task, respiration & eye blinks & variabilities in heart rate & BP, 20–30 yr olds from military academy, Netherlands, 11093
2-tone CS & air-puff UCS in classical discrimination & reversal eyeblink conditioning, hippocampal neuronal activity, male rabbits, 21744

Eyelid Conditioning—Serials
awareness of aversive vs nonaversive contingency in conditioning, discrimination of startle eyeblink & skin conduction responses, 20–35 yr olds, Germany, 6780
central cholinergic blockade effect of scopolamine, classical conditioning of eyeblink & nictating membrane responses in trace & delay paradigms, male rabbits, 38117
cerebellar lesions, eye blink conditioning, rabbits, 37830
direct stimulation of mossy fibers to cerebellum as CS, latency of conditioned eye-blink response, decerebrate ferrets, 37847
eyeblink classical conditioning, 38–67 yr old patients with Huntingtons disease vs probable Alzheimers disease vs cerebellar damage vs Down syndrome with Alzheimer-like neuropathology vs normal Ss, 31916
eyeblink conditioning, 20–73 yr olds with unilateral or bilateral cerebellar lesions, 8667
haloperidol, conditioned eyeblink & hippocampal responses, rabbits, implications for schizophrenia etiology & treatment model, 29612
lesions of cerebellar interpositus vs red nucleus & disruption of efferent pathways & role of ventrolateral thalamic nucleus in classical eyeblink conditioning, rabbits, 6672
limbic thalamic lesions, reversal learning & eyeblink conditioning, male rabbits, 21641
model for Pavlovian eyelid conditioning based on synaptic & cellular organization of cerebellum, 37781
model of corticohippocampal interaction, septal modulation of cholinergic inputs to hippocampus in eyeblink conditioning, implications for cholinergic therapy of memory impairment, 18178
nefiracetam &/or hippocampectomy, eyeblink classical conditioning performance, older rabbits, 21935
nefiracetam, eyeblink conditioning, female rabbits injected with mecamylamine & scopolamine, animal model of learning & memory deficits in Alzheimer's disease, 38176
neural network model of metabotropic glutamate receptor 2nd messenger system in cerebellar Purkinje cells, adaptive timing in classical conditioned nictitating membrane response, 10946
nitric oxide synthase inhibitor, acquisition of classically conditioned eyelid response & associated learning related afferent vs efferent neural plasticity in interpositus nucleus, male rabbits, 3186
NMDA antagonist, early acquisition vs retention of classically conditioned eyeblink response, male rats, 11203
regional cerebral blood flow during eyeblink delay conditioning vs pseudoconditioning vs fixation rest, adults, 18146
role of cerebellar cortex vs deep nuclei in eyeblink learning, mutant mice deficient in Purkinje cells, 10935
sensitivity of eyeblink classical conditioning & other neuropsychological measures to age related changes, 19–65 yr olds with Down's syndrome, 1 yr study, 23199
shift in UCS, dissociation of blocking of conditioned eyeblink & fear, rabbits, 10758
thalamus reticular nucleus vs basal forebrain lesions, conditioned eyeblink & heart rate responses & multiple-unit activity in mediodorsal nucleus of thalamus, rabbits, 29248
use of connectionist network model in predictive timing in cerebellum for learning & performance of conditioned eyeblink responses, 40723
2-tone CS & air-puff UCS in classical discrimination & reversal eyeblink conditioning, hippocampal neuronal activity, male rabbits, 21744
400 msec delay vs 750 msec trace eyeblink classical conditioning paradigm, detection of Alzheimer's disease, 65–85 yr olds, 4 mo followup, 12693
5 vs 10 vs 30 sec intertrial intervals, eyeblink classical conditioning, 20–35 yr olds, 37767

Eyewitnesses [See Witnesses]

Eysenck Personality Inventory—Serials
factor structure & reliability of Italian version of revised Eysenck Personality Questionnaire, 18–80 yr olds, Italy, 21016
fictional vs autobiographical vs self help book in supervised vs unsupervised reading, self description on Eysenck Personality Questionnaire & Personal Orientation Inventory, female college students, 26235
Lie scale scores on Hindi Eysenck Personality Inventory & Trait scale of State-Trait Anxiety Inventory, impulsivity & neuroticism under no motivation to fake good, female Indian students, 17607
reliability & validity of 3-Dimensional Personality Test vs Eysenck Personality Questionnaire Psychoticism scale, 20–59 yr olds, Netherlands, commentary reply, 64
sex & per capita income, extraversion & neuroticism & psychoticism traits on Eysenck Personality Questionnaire, 37 nations, 38774
test scores on Eysenck Personality Questionnaire, adolescents in special education vs regular classes, 28081

Face (Anatomy)—Serials
efficacy of sc sumatriptan, 18–64 yr olds with atypical facial pain, England, 36619
facial stereotypic movements, adults with tardive dyskinesia & severe or profound mental retardation, 8400
hemiregional variation, perceived expressiveness of emotion, male Indian painters vs photographers vs dancers (mean age 28.5 yrs), 41013
infant facial attractiveness & age appearance & knowledge of infant's actual age, perceptions of infants' competence & developmental skills, female care providers, 18950
lesions to postcentral face area, somatosensory thresholds, 11–55 yr olds with left vs right temporal vs frontal vs parietal lobe excisions to relieve cerebral seizures, 39919
name recall and face-name association abilities, 61 yr old female patient with selective left hemispheric medial & lateral temporal lobe damage, 31866
pictorial presentation & visual search of White vs Black faces, multidimensional space vs interference vs race-feature hypotheses of cross-race face classification advantage, college students, 6323
self-concept & psychosocial adjustment, 7–16 yr olds with port-wine stain vs prominent ears, reprint, 31627
stimulus pre-exposure & judgment-making with nonspecific vs imagery instructions, face-name learning, memory impaired 18–65 yr olds, England, 39498
verbal overshadowing effect in face recognition task, college students, 25296

Face Perception—Serials
ability to recognize facial expressions of emotion, 30–50 yr old mothers of 8–16 yr olds with early onset obesity, Italy, 31488
access to identity specific semantic & name information in face recognition test, 18–35 vs 7–15 yr olds, Wales, 22043
accurate identification of isolated features of newborn 48 hrs post-partum, 16–41 yr old mothers, conference presentation, 14509
acute depression vs remission, sad vs neutral vs happy facial expression recognition in left vs right hemifield of vision, depressed patients with major depression vs schizotypal personality disorder, 30781
age & gender, multidimensional face-space, young adults, Japan vs Wales, 28758
association of name & occupation with recognition of unfamiliar faces, 18–64 yr olds, England, 28948
attractiveness &/vs distinctiveness of photograph faces, recognition & memorability, college students, 25315
background color, generalized relational matching of face to faces & names to faces, 4.4–5 yr olds, erratum, 7255
bilateral lesions of amygdala & additional temporal lobe structures, ability to recognize facial expressions of emotion, male 59 & 73 yr olds with herpes simplex encephalitis, case reports, 8600
body vs facial cues, categorical differentiation of animal species, 3 vs 4 mo olds, 7270
categorical perception of facial expressions, 9–10 yr olds vs adults, Netherlands, 18475
categorical perception of morphed facial expressions, 23–39 yr olds, England, 21330
category specific processing of faces & nonwords & textures in extrastriate cortex, Ss, 14873
classification of speech sound from personally familiar & unfamiliar face photographs, college students, UK, 2757
coarse vs fine spatial information, visual face & object processing, 18–50 yr olds, Scotland, 6334
computerized facial composite production system, recognition of composites, college students, implications for police use of composite systems, 24942
concurrent validity of Pictures of Facial Affect & schematic drawings of facial emotional expressions in label based vs context based administration, accuracy of interpretation, 3–6 yr olds, 14245
configurational & featural information & upright orientation & mental rotation, face recognition, adults, 41034
cue availability & affect perception, patients with schizophrenia, 30932
deep vs shallow encoding instructions, face recognition memory, 68 yr old male with dense prosopagnosia, 8637
deficits in facial affect recognition over time, remitted vs acutely ill schizophrenic patients, cross sectional & longitudinal study, 15952
demonstration of leftward perceptual bias on emotive vs nonemotive chimeric stimuli & recognition of facial expressions on whole faces, college & high school students with high vs low alexithymia, 38925
dimensional vs category accounts of emotion recognition, adults, England, 41099
direction of lighting & spatial orientation, identification of inverted faces, college students, 21245
disgust vs contempt facial expression categories & reciprocal meaning relationships with verbal labels, college students, 28994
distinctiveness vs recollective experience in face recognition, 19–35 yr old college students, Sweden, 41141
divided attention & massed vs spaced repetition of novel faces, awareness in recognition memory & recollective experience & feelings of familiarity in facial recognition, adults, 10731
electrophysiological characteristics & ERPs of face specific perception, college students, Israel, 18200
epoch averaged EEG in localization of word & face recognition memory, 18–40 yr olds, 18203
evaluation & integration of & judgments about facial affect features of computer generated face, 18–40 yr olds, application of fuzzy logical model of perception, 14513
face context, recognition memory for voices, college students (mean age 21.3 yrs), Canada, 10716
face only & body only & whole animal inverted stimulus figures, categorical representation of animal species, 3 & 4 mo olds, 11387
face recognition & prospective memory task performance, 53–63 vs 71–85 yr olds, 7417
face recognition & verbal memory & visual stimuli processing, 73 yr old male & 82 yr old female with vascular dementia & comorbid Capgras syndrome, 12651
facial asymmetry of target S, attributions of emotion & personality & appearance judgment, undergraduate students, Japan, 38707
facial emotion recognition & differential impairment of fear, adult female & 64 yr old male with bilateral amygdala damage, 12593
facial expressions of emotion, ERP & visual responsiveness, 7 mo olds, 7262
facial orientation & congruency of visual & auditory speech signals, visual & audiovisual speech perception, 18–30 yr olds, 25222
familiar vs unfamiliar faces & names, associative priming & RT & ERPs in person recognition, 20–34 yr olds, 6341
focus on specific facial component, interpretation of emotional expression, female 5–9 yr olds, 15253
handedness & drawing & categorization & facial recognition & play, 7–11 yr olds with hearing impairment, India, 42871
hemispheric asymmetry in word and face recognition, postlingually deaf 14 yr old male vs congenitally deaf vs normal hearing 13–14 yr olds, 16417
historical & conceptual perspectives on kinesthetic-visual matching vs self-concept model of mirror-self-recognition, human & animals, 34335
imagery & perception in face priming, Japanese & Scottish college students, 37695
imitation vs concentration on faces, facial recognition & memory, college students, 10721
independence of neurological systems for face & object recognition, brain damaged patients, research review, 8589
intact vs jumbled faces, repetition priming of familiarity decisions, college students, Wales, 17918
intra- & inter-modal repetition priming of familiar faces & voices, college students, 28843
judgments of distinctiveness & pleasantness & arousal in photographs of Whites' vs Indians' facial emotions, Canadian vs Indian adults, 22245
judgments of pairs of upright vs inverted human vs monkey faces vs scenes as same or different, monkeys vs human adolescents & adults, 14621
knowledge of American Sign Language, identification of facial expressions of emotion, hearing college students, 3809
labeling & discrimination of facial expressions, aggressive vs nonaggressive 20–65 yr old males with borderline or moderate or mild mental retardation, 12393
lateralization of perception of age & attractiveness & gender & lip-reading & expression of chimeric faces, adults (mean age 20.7 yrs), 29250
maternal poker face & unresponsiveness, heart rate & facial expression & behavior in reunion episode of Face-to-Face Still-Face Paradigm, 6 mo olds, 3493
neuropsychological & anatomical correlates of false recognition of unfamiliar faces & relationship to prosopagnosia, 40–85 yr olds with right hemisphere damage, 16366
neutral vs dysphoric face viewing after hyperventilation vs relaxation, self-rated emotional reactivity, adult female top vs bottom scoring 15 percent on Anxiety Sensitivity Index, 30488
perceived attractiveness of male vs female composite faces vs original faces, Caucasian vs Chinese students vs indigent students, New Zealand & China & Nigeria & India, 3825
perceived distinctiveness of Black vs White faces, 16–38 yr old African American vs Caucasian high school & college students, 26023
perceptual vs memorial basis & familiarity & typicality, caricature recognition in neural network, 21452

performance of verbal & facial recognition tasks & correlations with performance & effort, lateralized changes in regional cerebral blood flow, healthy right-handed adults, experimental replication, 29296
photographs of sad & happy opened vs closed mouth facial expressions, hemispheric asymmetries in perception of emotion, depressed adults, 11987
pleasant vs unpleasant mood, recognition of Black vs White faces, Blacks vs Whites vs Latinos vs Asians, 22251
point-light technique of reduced visual images of actor's face, perception of augmented degraded speech, college students, implications for telecommunications, 14494
positron emission tomographic analysis of neural networks used in face matching task, elderly patients with dementia of Alzheimer's type, 16334
preferential looking technique & stimulus structure & superior colliculus, face preference, healthy newborns (aged 24–155 hrs postnatal), 29729
processing of human faces measured by visual scan path, deluded vs nondeluded schizophrenics, 19213
race & culture of computer generated faces, recognition of affect, 18–41 yr old American vs Japanese undergraduates, application of fuzzy logical model of perception, 14491
recognition bias for critical faces, social phobics, 22903
recognition of mother's vs stranger's face & neural activity measured by event related potentials, 6 mo olds, 34791
relevance shifts in validity of schematic faces dimensions, category learning, college students, Switzerland, comparison with learning in neural network models, 17988
remote memory in anterograde episodic & semantic memory tests of famous face & name recognition & identification & naming, patients with dementia of Alzheimer's type, 26982
role of hippocampus in recognition memory for words & faces, patients with unilateral temporal lobe pathology, 31739
rotations in depth & viewpoint, face recognition of 3-dimensional full-face vs 3-quarters vs profile surface representations, Japanese ATR employees, 28754
self recognition vs procedural artefacts as explanation of face touching in reaction to mirrors, chimpanzees, 34388
similarity judgments for pairs of faces & construction of face-space using multidimensional techniques, adults, Wales, 28757
social familiarity & inversion of familiar objects, facial & object discrimination learning to obtain food rewards, sheep, 14728
stimulus facial features depicting immaturity, perceptions of stimulus youthfulness & helplessness & cuteness, 5–16 yr olds vs college students, 38384
storage & retrieval of names & faces of famous individuals, 65–82 yr olds with Alzheimer's disease, 39497
TV viewing, decoding of emotionally expressive nonverbal behavior, 2nd–6th graders, 11343
unstructured naturalistic judgments vs Facial Action Coding System, assessment of emotions in facial expressions, patients with severe dementia of Alzheimer's type, 31736
upright vs inverted facial orientation, perception of natural-speech auditory & computer-animated visible & bimodal syllables, college students, test of fuzzy logical model of speech perception, 17856
viewing faces vs common objects, activity in fusiform gyrus of extrastriate cortex, adults, 41335
visible speech sound stimuli, dominance of left vs right hemisphere mechanisms for processing photographs of different views of speaking faces, right handed college students, Netherlands, 10931
visual field advantage in language-specific scanning & reading, laterality in chair identification & chimeric face perception, native Hebrew speaking & Arabic–Hebrew bilingual college students, Israel, 34151
visual neglect, facial discrimination, right vs left hemisphere cerebrovascular lesions, 27015

Face Recognition [See Face Perception]

Facial Expressions [See Also Smiles]—Serials

ability to recognize facial expressions of emotion, 30–50 yr old mothers of 8–16 yr olds with early onset obesity, Italy, 31488
acute depression vs remission, sad vs neutral vs happy facial expression recognition in left vs right hemifield of vision, depressed patients with major depression vs schizotypal personality disorder, 30781
affective evaluation of emotionally negative vs neutral vs positive words & faces primed by negative vs neutral vs positive faces & words, college students, Netherlands, 29000
age & gender, facial & verbal expression of emotion & empathy, 5–13 yr olds, 29936
age & sex of perceiver & target & neutral vs smiling facial cues of target, age & stereotype judgments of target photographs, 18–96 yr olds, 22471
alcohol consumption, expressive/emotional facial reactions to laboratory panic provocation procedure & emotional masking, adults with panic disorder, 39085
anxiety-related perception of negative facial expressions & prediction of disorder course, patients with major depression or dysthymic or cyclothymic disorder, 30 wk followup, 38968
attentional biases to pictures of threatening vs happy vs neutral emotional faces, 18–22 yr old dysphorics vs nondysphorics, 19143
categorical perception of facial expressions, 9–10 yr olds vs adults, Netherlands, 18475
categorical perception of morphed facial expressions, 23–39 yr olds, England, 21330
characteristics of facial displays of anxiety, college students, 3905
concurrent validity of Pictures of Facial Affect & schematic drawings of facial emotional expressions in label based vs context based administration, accuracy of interpretation, 3–6 yr olds, 14245
congruence of meaning between facial expressions of emotion & selected emotion terms, college students, 6402
cue availability & affect perception, patients with schizophrenia, 30932
deficits in facial affect recognition over time, remitted vs acutely ill schizophrenic patients, cross sectional & longitudinal study, 15952
degraded imaging, perception of facial expressions in nonverbal telecommunication, 20–35 yr olds, 7161
demonstration of leftward perceptual bias on emotive vs nonemotive chimeric stimuli & recognition of facial expressions on whole faces, college & high school students with high vs low alexithymia, 38925
different multimodal information, perceived facial & vocal expressive behavior, infants, literature review, 25796
dimensional & categorical decoding of emotional concepts of facial expressions, Ss with right vs left cerebral lesions, 42827
dimensional vs category accounts of emotion recognition, adults, England, 41099
disgust vs contempt facial expression categories & reciprocal meaning relationships with verbal labels, college students, 28994
distinctiveness of antecedents & facial expressions of embarrassment & shame & guilt, college students, 11736
emotional experience & facial behavior, psychotherapeutic treatment outcome, severely disturbed patients, 16490
evaluation & integration of & judgments about facial affect features of computer generated face, 18–40 yr olds, application of fuzzy logical model of perception, 14513
evaluation of 4 facial feedback hypotheses for relation between face & emotions, 14682
eyebrow density & position, interpretation of emotional facial expressions, 6–9 & 17–57 yr olds, 14677
face-to-face dialogue, visual control of intelligibility of speech, young adults, Scotland, 28717
facial behavior during speaking vs silent periods, adults with chronic schizophrenia, UK, 1276
facial emotional expression as determinant of volume of ambient air nasal inhalation, forehead/brain temperature & affective states, adults, implications of vascular theory of emotional efference, 29477
facial expression recognition & display, robot, Japan, 33846
facial expressions & posture & gestures & teacher-rated social behaviors & perception, 7–11 yr olds, China vs US, 13778

facial expressions of emotion, ERP & visual responsiveness, 7 mo olds, 7262
facial expressions, visual speechreading & confidence in responses, adults, 25656
familiar toy grasping & mouthing, mouth opening & brow & nose & eyelid movements as expressions of surprise, 5 & 7 mo old infants, 21998
fear & anger vs neutral & physical action imagery conditions, autonomic & facial EMG responses & multivariate response patterning, 21–35 yr old right-handed males, 11088
focus on specific facial component, interpretation of emotional expression, female 5–9 yr olds, 15253
happy & angry & neutral facial configurations, left vs right hand skin conductance, high- vs low-hostile male undergraduates, 29474
hemiregional variation, perceived expressiveness of emotion, male Indian painters vs photographers vs dancers (mean age 28.5 yrs), 41013
high vs low threat, facial expressions & affiliation & emotional contagion & anxiety, female dyads, 18963
imitation vs concentration on faces, facial recognition & memory, college students, 10721
information on physical attractiveness & facial expression, judgments about pain, 19–34 yr olds & patients with low back pain, 4525
intensity & amount of facial reactivity in spontaneous vs posed emotional facial expressions, 58–76 yr olds with Parkinson's disease, 16378
intermodal perception of & preferences for emotional facial expressions, 3–20 yr olds with autism, 4398
J. T. Lanzetta's emotion research on biological substrates of empathy & facial modulation, literature review, 14680
judgments of distinctiveness & pleasantness & arousal in photographs of Whites' vs Indians' facial emotions, Canadian vs Indian adults, 22245
judgments of facial expressions in Hollywood's portrayal of emotion in film, college students, implications for theory of facial affect, 15623
knowledge of American Sign Language, identification of facial expressions of emotion, hearing college students, 3809
labeling & discrimination of facial expressions, aggressive vs nonaggressive 20–65 yr old males with borderline or moderate or mild mental retardation, 12393
lateralization of perception of age & attractiveness & gender & lip-reading & expression of chimeric faces, adults (mean age 20.7 yrs), 29250
localization of brain areas involved in auditory speech perception & lipreading & viewing nonlinguistic facial movements, auditory cortex activation, right handed adults, 28786
major themes of J. T. Lanzetta's research program on facial expression & emotion, 14683
maternal poker face & unresponsiveness, heart rate & facial expression & behavior in reunion episode of Face-to-Face Still-Face Paradigm, 6 mo olds, 3493
meaning attributed to facial expressions of neonates & young infants at 3 days & 1 mo & 3 mo old, college students, Italy, 38701
negative vs positive facial expression of conjugal bereavement & mediation of grief course, adults, 18944
neuropsychological aspects of facial asymmetry during emotional expression, adults, literature review, conference presentation, 37958
nonverbal receptive social-processing abilities, internalizing vs externalizing 9–14 yr olds in psychological treatment, 42209
number & type of facial expressions & gestures to indicate interest in males, female 13–16 yr olds, implications for development of nonverbal courtship behavior, 18598
orofacial physiotherapeutic treatment, facial mobility, patients with Parkinsons disease (mean age 69.94 yrs), Australia, 33021
photographs of sad & happy opened vs closed mouth facial expressions, hemispheric asymmetries in perception of emotion, depressed adults, 11987
race & culture of computer generated faces, recognition of affect, 18–41 yr old American vs Japanese undergraduates, application of fuzzy logical model of perception, 14491
reliability of Matsumoto & Ekman's Japanese & Caucasian Facial Expressions of Emotion, American & Polish & Hungarian & Japanese & Vietnamese & Sumatran adults, 37397
responses to facial & vocal positive vs negative emotional signals using toy social referencing paradigm, 12 mo olds & their mothers, 25895
review of psychophysiological responses to facial stimuli, 14975
review of research program by J. T. Lanzetta on facial expression & emotion, 14681
self reported emotional effort & heart rate & respiration during voluntary facial configurations, adults, 14971
significant other representations in social relations, schema triggered facial affect & motivation & expectancies in transference, female college students, 15615
spontaneity & mimicry of facial expressions, infants of mothers with vs without depressive symptoms, 22119
static vs moving facial emotional expression, dominance & affiliation interpersonal trait inferences, undergraduates, 22473
stimulus facial features depicting immaturity, perceptions of stimulus youthfulness & helplessness & cuteness, 5–16 yr olds vs college students, 38384
subliminal presentation of affect arousing slide prior to slides of leader's facial displays, attitudes toward & beliefs about political leader's personality, undergraduates, 15645
testosterone, smiles & facial appearance & dominance, 17–44 yr old college students, 38058
unstructured naturalistic judgments vs Facial Action Coding System, assessment of emotions in facial expressions, patients with severe dementia of Alzheimer's type, 31736
use of emotional & nonemotional dimensions of face stimuli in judgments of similarity, happy vs sad vs neutral emotion college students, 30495
use of mouth & eyebrow cues, recognition of facial expressions, Japanese monkey vs humans, 21560
use of response scale of Photo Anxiety Questionnaire, discrimination of anxious facial expressions in male vs female photographs, male vs female college students, Netherlands, 2486
variable timing characteristics of reiterant force syllable sequences in tongue, orofacial nonverbal motor control, 22–30 yr olds, 6268
videotape of peer & adult modeling tongue protrusion & mouth opening, imitation of facial gestures, 10–14 & 20–25 wk olds, 34777
viewing of happy vs fearful facial expressions varying in emotional intensity, neural activity in amygdala, adults, 29334

Facial Features—Serials

accurate identification of isolated features of newborn 48 hrs post-partum, 16–41 yr old mothers, conference presentation, 14509
brain asymmetry & perceived own facial attractiveness, college students, test of observer vs owner hypothesis, 29257
case definition of facial phenotype & development of screening tool, 0.2–10 yr olds with vs without fetal alcohol syndrome, 8227
evaluation & integration of & judgments about facial affect features of computer generated face, 18–40 yr olds, application of fuzzy logical model of perception, 14513
eyebrow density & position, interpretation of emotional facial expressions, 6–9 & 17–57 yr olds, 14677
facial asymmetry & psychological & emotional & physiological distress, 18–23 yr olds, 18999
facial asymmetry of target S, attributions of emotion & personality & appearance judgment, undergraduate students, Japan, 38707
facial babyishness vs maturity, personality & demeanor & amount & quality of opposite sex interactions, male vs female college students, 22508
familiar toy grasping & mouthing, mouth opening & brow & nose & eyelid movements as expressions of surprise, 5 & 7 mo old infants, 21998
focus on specific facial component, interpretation of emotional expression, female 5–9 yr olds, 15253

frequency & variability of make-up usage, self-concept in social situations, 20–22 yr old females, 38754
linear discriminant analysis of discriminatory power of various facial features, implications for automatic face recognition systems, 40715
perceived attractiveness of male vs female composite faces vs original faces, Caucasian vs Chinese students vs indigent students, New Zealand & China & Nigeria & India, 3825
stimulus facial features depicting immaturity, perceptions of stimulus youthfulness & helplessness & cuteness, 5–16 yr olds vs college students, 38384
use of emotional & nonemotional dimensions of face stimuli in judgments of similarity, happy vs sad vs neutral emotion college students, 30495

Facial Muscles—Serials
coordination of muscle function in perioral region during lip protrusion & chewing & speech-related activity, 21–41 yr olds, 6285
orofacial physiotherapeutic treatment, facial mobility, patients with Parkinsons disease (mean age 69.94 yrs), Australia, 33021
use of actifier in neurophysiological study of orofacial control, infants & neonates, 738
viewing of stressful vs nonstressful film segments, proprioceptive awareness, adults with temporomandibular disorders, 16244

Facial Nerve—Serials
chorda tympani nerve transection, potassium vs sodium chloride taste aversion conditioning, male rats, 21708
cooling of facial nucleus & cerebellar cortex & lateral parvocellular reticular formation & interpositus nucleus, eyeblink & learning process disruption, male rabbits, 37960
fungiform taste bud denervation, long-term taste preferences for NaCl vs KCl concentrations, male hamsters, 6600
glossopharyngeal &/or chorda tympani nerve transection, conditioned shock-avoidance-induced quinine detection thresholds, male rats, 14881
gymnemic acid, summated chorda tympani nerve response & sweet vs nonsweet taste perception, chimpanzees, implications for phylogenetic differences in higher vs lower primate sense of taste, 6735
inhibitory effects of amiloride, salt responses of chorda tympani nerve at different temperatures, C57BL vs BALB vs 129 mice, 11178
selective desalivation, NaCl & KCl discrimination, rats with vs without chorda typani transection, 29370
sodium vs potassium taste stimulation, integrated chorda tympani nerve responses, Sprague–Dawley vs Fischer 344 rats pretreated with amiloride, 6650

Facilitated Communication [See Augmentative Communication]

Facilitation (Social) [See Social Facilitation]

Facility Admission [See Also Hospital Admission]—Serials
admission criteria for primary inpatient or residential rehabilitation for alcohol or drug abuse/dependence, patients, 9572
general & drug use & medical & psychological & social criteria for admission & patient management guidelines for outpatient ambulatory alcohol detoxification programs, 33028
need for more specialized care & lack of caregiver & psychiatric diagnosis, decision to admit to nursing home due to disruptive behavior problems, relatives of elderly nursing home residents, 5341
participation in clinical trial, mortality & risk of hospitalization & functional deficit & nursing home admission, adults with Alzheimer's disease, 3.5 yr study, 39602
screening process for admission, selection of patients for day care center, schizophrenic patients, Italy, conference presentation, 20268
social position & influence, nursing home admission decision, sponsors of recently admitted nursing home residents, 43409
treatment program characteristics & readmission rates, substance abusing 18–34 vs 35–54 vs 55 yr olds & older, erratum, 13442

Facility Discharge [See Also Hospital Discharge]—Serials
enhanced mental health services including institutional discharge project, use of Alaska state hospital vs correctional facilities, patients with severe mental illness, 6 yr study, 27745
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary, letter, 36781
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary reply, letter, 36786
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, commentary, letter, 36783
functional independence & other factors predictive of outcome following stroke, discharge to home vs nursing home, patients admitted into rehabilitative setting, 20307

Facility Environment [See Also Hospital Environment]—Serials
communicative environment in psychogeriatric day center vs day hospital, 70–82 yr olds with dementia & staff, Scotland, 16299
environmental factors of ideal community living facility, operators of small & medium sized residential facilities vs 18–65 yr old mental health consumers in community residential care facility, 5340
environmental features of stores/supermarkets that provoke vs ease anxiety, agoraphobics, 31086
illustration of social environment of psychiatric inpatient vs acute day hospital/crisis respite program, adult female, implications for normalization concept, 20189
patient & setting characteristics, indirect self destructive behavior, elderly patients in nursing homes, ethical implications, 5333
perceptions of & training experiences in & characteristics of inpatient & outpatient rotations, residents, 36881
physical environment of social work agencies, clients' feelings & behavior, implications for developing log entries for guiding practice, 9420
physical features & homelikeness ratings of residences, adaptive & maladaptive behavior, residents (mean age 36.9 yrs) with mental retardation, 13381
physical features, ratings of homelikeness vs institutionality of residences for mentally retarded people, architects & group home administrators & mentally retarded people & family & college students, 13380
psychological distress levels, male inmates (mean age 32 yrs) housed in restrictive environments, 33126
psychometric properties of Physical & Architectural Characteristics Inventory, program administrators of community & hospital based psychiatric & substance abuse residential treatment programs, 2489
reduction of youth to staff ratios, protection vs termination from placements & subsequent cost estimates & treatment outcomes, troublesome 9–16 yr olds in voluntary residential care, 16896
reorganization of general hospital psychiatric ward, treatment milieu & functioning at discharge & community tenure after discharge, schizophrenic inpatients, Norway, 2 yr retrospective study, 2042
social context of day care center & relations with psychiatric unit & emotional & maturational climate of group, therapy for psychosis, conference presentation, 20158
social environment of psychiatric inpatient vs acute day hospital/crisis respite program, staff & psychiatric patients, 1962

Facility Readmission [See Facility Admission]

Factitious Disorders [See Also Munchausen Syndrome]—Serials
atypical presentation & prolonged persistance of Ganser's syndrome criteria, 54-yr-old male patient, case report, 4045
awareness of caregiver factitious disorder by proxy, mental health professionals vs primary care physicians, 5272
clinical characteristics & psychiatric complaints, male patient with factitious disorder, Canada, case report, 38944

common themes among satanic ritual abuse & sexual masochism & UFO abductions & factitious illness patterns & extreme love experiences, commentary, 35711
complaints of overeating, mother & her 25-mo-old daughter with anorexia nervosa by proxy, case report, Japan, 26822
concurrent factitious disorder & factitious disorder by proxy, 34 yr old nurse, case report, 30750
countertransferential reactions in therapy with patients with factitious disorders, therapists, 23608
determinants of victim designation & factitious sexual harassment, 31196
diagnosis of factitious disorder, 20 yr old male with pain attributed to witchcraft, case report, Zimbabwe, 19126
features & role of self enhancement motives in factitious illness disorders, 35976
Ganser syndrome symptoms & course, 12 yr old male with mild head injury, case report, 31841
interdisciplinary treatment team approach, 24 yr old female with factitious quadriplegia, 23527
management of chronic pain associated with somatization disorder & hypochondriasis & psychiatric conditions, distinction between malingering vs factitious disorder, 4514
patterns of presentation of & reasons for illness induction syndrome, 4 wk–14 yr olds & their parents, England, 8111
pimozide treatment, 26 yr old female patient with factitious disorder, case report, 39831
role in factitious disorder civil litigation, consulting psychiatrists, implications for diagnosis & treatment, 28344

Factor Analysis [See Also Item Analysis (Statistical)]—Serials

additive vs direct product model for analysis of multimethod-multirater job performance data, 21204
age differences, factorial structure & analysis of tests of cognitive abilities, 11–14 yr olds, Sweden, 5949
analysis of relation of general factor to response set & personality measures & circumplex structure of Inventory of Interpersonal Problems, college students, 21023
application of confirmatory factor analysis with mean structures model to Anxious Thoughts Inventory results to estimate invariant difficulty & discrimination item parameters, college students, Spain, 20996
Bayesian estimation of factor score in confirmatory model with polytomous or censored or truncated data, 21192
chi squared vs Normed Fit Index for goodness-of-fit in confirmatory factor analysis of 4-factor structural model of concerns, 7th–10th graders, reanalysis, 14456
Children's Behavioral Classification Project Inventory brief form & factor analysis for behaviorally based classification of emotional disorders, 6–13 yr olds, 14300
cluster vs factor analysis for identification of associated formal services used, 65–85+ yr old Mexican Americans, 28643
color matching data & spectral distributions in color vision adaptation to spectral environment, 28734
comparison of Big-Five Structures of personality traits in Dutch vs English vs German, college students, Netherlands vs US vs Germany, 30501
comparison of criteria for principal component analysis & generalization to cases of 2 or more data matrices for identical variables across experimental groups, 14451
confirmatory & exploratory factor analysis of Neuroticism domain scale of NEO Personality Inventory—Revised, college students, Canada, 37401
confirmatory factor analysis & factor structure of NEO-FFI vs Mini-Markers, measurement of five factor personality structure, college students, 2554
confirmatory factor analysis & 3 factor model of Fear Questionnaire, patients with social phobia, 2587
confirmatory factor analysis of cognitive complexity as measured by Role Category Questionnaire compared to cognitive performance measures, college students, 26237
confirmatory factor analysis of Lifestyle Criminality Screening Form, male prison inmates (mean age 32.04 yrs), 28525
confirmatory factor analysis of Positive Affect Negative Affect Schedule, 10–17 yr olds in summer sport camp programs, Canada, 20994
confirmatory factor analysis of structure of anxiety symptoms & consistency with DSM-IV classification, 8–12 yr olds, Australia, 31119
confirmatory factor analysis of Weinberger Adjustment Inventory, self report measure of general social emotional adjustment, clinical vs nonclinical 10–17 vs 18–30 vs 31–65 yr olds, 34034
confirmatory factor analysis of WISC-III, 6–12 yr old psychiatric inpatients, test of 1–4 factor & nested models, 40809
confirmatory factor analysis of Yale–Brown Obsessive Compulsive Scale, patients with obsessive compulsive disorder, test of 2-factor symptom severity model, 40855
confirmatory factor analysis vs Procrustes rotation, replicability & normative generalizability of 5 factor structure of Revised NEO Personality Inventory, adults, US & China, replication, 2553
confirmatory factor vs common principal component analyses, assessment of validity & stability of structure in psychiatric scales, 14469
construction & factor analysis of subscales of Rehabilitation Situations Inventory, ability to handle difficult behavioral interactions, rehabilitation staff members from inpatient facilities, 17639
content & construct validity & factor analysis of Quality of Life—Cancer Survivors Instrument, cancer survivors, 14360
correlational & factor analysis of organizational culture inventory vs culture gap survey vs organizational beliefs questionnaire vs corporate culture survey, 20–69 yr old employees, England, 2325
criterion validity of factor index scores of WISC-III, children (median age 11.6 yrs) with mild to severe traumatic head injury, experimental replication, 37433
cross cultural generalizability of Child Behavior Checklist & factor analyses of cross informant syndromes, 4–16 yr olds referred to mental health services, Netherlands & France, 34002
cross-cultural generalizability of 8 cross informant Youth Self-Report & Teacher's Report Form, 5–18 yr olds with behavior problems & their teachers, Netherlands, 17638
development & factor analysis & construct validity & internal consistency of Childbirth Schema Scale, assessment of schema formation & revision with childbirth, childbearing females, 14277
development & factor analysis & intercorrelations & internal consistency of Brief Reasons for Living Inventory, assessment of suicidal ideation, 15–18 yr old students & psychiatric patients, 6049
development & factor analysis of Employee Satisfaction Inventory, 18–65 yr old employees, Greece, 28608
development & factor analysis of Missouri Guidance Competency Evaluation Survey, assessment of self-efficacy beliefs for guidance competencies, middle & high school students, 28593
development & factor analysis of model of cross-functional team effectiveness, product development teams, 21143
development & factor analysis of "Things I Worry About" scale, 13–19 yr olds, Northern Ireland, 10409
development of & factor structure & factor analysis of secure vs fearful vs preoccupied attachment style scales, college graduates, 28425
dichotomous item factor analysis of DSM-III-R for nicotine dependence, adults with history of sustained daily smoking, 8256
E. Webb as potential latent originator of 5 factor model of personality & factor analysis of 1915 data, students, 11774
efficacy of Item 2 modification & adequacy & factorial invariance of Social Physique Anxiety Scale, male vs female college students, replication, 33979
evaluation of latent variable models of responses to Need for Uniqueness Scale, college students, application of confirmatory factor analysis, 21022
examination with reliable component analysis of the 5-factor model of normal personal variation of the NEO Personality Inventory Revised Edition, comparison with H. J. Eysenck's 3-factor system, 40817

exploratory & confirmatory factor analyses of Depression & Anxiety content scales of MMPI–2, male inpatients with substance use disorders, 33997
exploratory factor analysis in item analysis vs cluster analysis & confirmatory factor analysis, 34094
exploratory vs confirmatory factor analysis in validation of Norwegian version of NEO Personality Inventory & 5 factor model, noninstitutionalized adults, Norway, 37413
FACOM library for comparing orthogonal or oblique factorial solutions from exploratory analysis, 14438
factor analyses of & determination of overlap between Eysenck Personality Questionnaire & Learning Styles Questionnaire, unpaid volunteers & college students, 5984
factor analyses of items in the Hospital Anxiety & Depression Scale & review of previous studies, psychiatric outpatients (mean age 37.6 yrs), 40858
factor analysis & cross validation of Medical Fear Survey & Medical Avoidance Survey, assessment of blood & injury & injection fears & phobias & prediction of related fainting, 17–76 yr olds, 87
factor analysis & development of reduced versions of Verona Service Satisfaction Scale-82, patients in community-based psychiatric services, 14366
factor analysis & evaluation of locus of control scales, college students, 28451
factor analysis & normalization & multi- vs unidimensionality of handedness data, college students, 14859
factor analysis & norms & reliability of H. J. Eysenck's short personality test of neuroticism & extraversion, adults, Australia, comparison with English sample, 10397
factor analysis & path modeling of Questionnaire of Smoking Urges & subscale size, urges vs expectancies vs intentions, 18–62 old smokers, 7578
factor analysis & personality correlates of Blushing Propensity Scale, male vs female 18–24 yr olds, Portugal, 5995
factor analysis & psychometric properties of Coping Strategy Indicator, seeking social support & problem solving strategies & avoidance, 18–67 yr olds, Belgium, 37398
factor analysis & reliability & validity of Hospital Anxiety and Depression Scale, 18–65 yr old adults & medical patients & medical & psychiatric outpatients & 66 yr olds & older, Netherlands, 34028
factor analysis & reliability of parent involvement scale & perceptions of parent behavior & teenage alcohol problems, 7th–12th grade students, 40849
factor analysis & structure of Mathematics Self-Efficacy Scale—Revised, assessment of math self-effficacy, college students, 34063
factor analysis & structure of NEO Personality Inventory & Goldberg-40, college students, implications for Big Five model of personality, 28445
factor analysis & validity & reliability of Beck Anxiety Inventory, 55–92 yr olds, 33999
factor analysis model with heteroscedastic errors, 151
factor analysis of affect, prediction of abherrent driving behavior & violations, 17–70 yr olds, 42467
factor analysis of Beck Anxiety Inventory items & independence from panic attack symptoms for panic disorder patients with or without agoraphobia, commentary reply, 17635
factor analysis of Beck Anxiety Inventory items & independence from panic attack symptoms, adults with panic disorder with or without agoraphobia, 17636
factor analysis of Beck Anxiety Inventory items & independence from panic attack symptoms, adults with panic disorder with or without agoraphobia, commentary, 17671
factor analysis of behavioral differences & similarities, alcohol preferring vs nonpreferring rat strains, 41265
factor analysis of Brief Symptom Inventory item responses, psychological assessment, rehospitalized vs non-rehospitalized 18–70 yr old spinal cord injury patients following rehabilitation, 83
factor analysis of Conflicts and Problem-Solving Scales, assessment of interparental conflict, effect on child adjustment, couples & their children, 14269
factor analysis of dimensions of Counselor Rating Form vs Counseling Evaluation Inventory, 19–48 yr old students, Canada, 24985
factor analysis of French version of Toronto Alexithymia Scale-20 Items, 17–36 yr olds, France, 2550
factor analysis of Italian version of Myers-Briggs Type Indicator, adults, Italy, 6000
factor analysis of lateralized mental processes, college students, 451
factor analysis of mathematics assessment, mathematics achievement, 12th graders observed since 8th grade, 25106
factor analysis of MMPI-2 basic scales, 18–34 yr old college students, comparison with normative data, 10415
factor analysis of models of collectivism & individualism varied by ingroup & culture, college students, South Korea vs US, 11547
factor analysis of Parent Success Indicator, 10–14 yr olds & their parents, 10385
factor analysis of Privacy Preference Scale vs Privacy Questionnaire, college students, 14276
factor analysis of Quality of Life Questionnaire, cross cultural comparability, learning disabled adults, Great Britain, 5999
factor analysis of Research Training Environment Scale-Revised, college graduate students in counseling psychology, 14372
factor analysis of Self-Perception Profile for Adolescents, multidimensional assessment of domain-specific self-evaluations & global self-worth, Chinese students (grade 10–13), Hong Kong, 25017
factor analysis of self report scales, assessment of schizotypy, research review, commentary reply, letter, 102
factor analysis of self report scales, assessment of schizotypy, research review, commentary, letter, 91
factor analysis of T. R. Hinkin & C. A. Schriesheim's measures of interpersonal power, 20–60 yr old & older supervisees, 28615
factor analysis of thin vs muscular vs overweight physique stereotype traits in semantic differential format & comparison with five factor personality model, college students, replication & extension, 38697
factor analysis of tripartite model of depression & anxiety, college students, 11895
factor analysis of validity scale item responses on MMPI-1, 17–60 yr olds, implications for test development & counseling center use, 28427
factor analysis of Ways of Coping Questionnaire, employed 22-64 yr old African American females, 60
factor analysis of WISC-III, deaf & hard-of-hearing 6–10 vs 11–16 yr olds, 40807
factor structure of achievement test, science achievement, 12th graders observed since the 8th grade, 25107
factor structure of Parental Bonding Instrument, sons' vs daughters' reports of behavior in mothers vs fathers, US vs UK college students, 33970
factor structure of the revised Sensory Profile, 3–10 yr olds without disabilities, comparison with children with disabilities, 37389
factorial analysis of 13 personality scales of MCMI-II, psychiatric patients, 17631
factorial structure & reliability of Hospital Anxiety & Depression Scale questionnaire in combat & examination situations, combat vs military service soldiers vs male vs female college students, 21073
factorial structure of Center for Epidemiologic Studies-Depression Scale, assessment of latent trait-state model of adolescent depression, high school students, 14262
family member freedom & privileges & advanced & basic skills in factor solution for perceptual dimensions of dog-owner relationship, dog owners, 15723
five-factor structure analysis of generality & comprehensiveness of Jackson Personality Inventory, 17–34 yr olds, 10387
forward & backward recall factor analyses, 5–19 yr olds, implications for clinical interpretation, 25066
general linear model framework on structure coefficients in structural equation modeling confirmatory factor analysis, 17763

generalized high threshold model with multidimensional representation vs principal components analysis, analysis of global & specific quality of life items in comparing cross national character, 3602
handedness & factor analysis of hand preference questionnaire, college students, Japan vs Canada, 17877
hierarchical & cross-age confirmatory factor analysis of WISC-III to determine whether same constructs are measured across age span & nature of constructs, 6–16 yr olds, commentary, 37386
hierarchical & cross-age confirmatory factor analysis of WISC-III to determine whether same constructs are measured across age span & nature of constructs, 6–16 yr olds, 37392
hierarchical models for confirmatory factor analysis of Alcohol Expectancy Questionnaire, college students, 1 yr followup, 33953
illustration & procedures for meta-analysis of factor analyses, 10563
impulsivity & antisocial psychopathy & distress & criminal behavior factorial structures in psychosocial functioning, 17–73 yr old pathological gamblers, 4293
independent rotation vs confirmatory factorial analysis as tests of robustness of 5-factor structure across 2 forms of the 16 Personality Factor Questionnaire, 17–88 yr old police applicants & felons, 40829
indeterminacy in the factor analysis model & discussion of behavior domain concept, commentary, 21177
indeterminacy in the factor analysis model, commentary reply, 21174
indeterminacy in the factor analysis model, commentary, 21181
indeterminacy in the factor analysis model, commentary, 21195
indeterminacy in the factor analysis model, commentary, 21154
indeterminacy in the factor analysis model, commentary, 21178
indeterminacy in the factor analysis model, commentary, 21190
indeterminacy in the factor analysis model, commentary reply, 21175
indeterminacy in the factor analysis model, commentary, 21188
indeterminacy in the factor analysis model, commentary, 21194
indeterminacy in the factor analysis model, commentary, 21180
indeterminacy in the factor analysis model, commentary, 21191
indeterminacy in the factor analysis model, commentary, 21189
indeterminacy in the factor analysis model, commentary, 21155
indeterminacy in the factor analysis model, 21176
intelligence & working memory capacity & information processing speed & efficiency in determination of what WISC-III measures, commentary, 37393
internal consistency & reliability & factor analysis of Drug Abuse Screening Test, drug users vs nonusers in employee assistance program (mean age 38.7 yrs), literature review, 28472
item & scale factor analyses of Eysenck Personality Questionnaire & 16- PF Questionnaire, college students, 21008
item response theory analysis of Hare's Psychopathy Checklist—Revised, forensic psychiatric patients & prisoners, US & Canada, 17634
iterative majorizing rotation method for orthogonal simple structure factor solution, 14454
justification for selective use of factor analysis & when & how it should be used in market research, 17442
limitations of covariance structure models & reparameterization of restricted factor analysis model for multitrait multimethod correlation matrices, erratum, 137
looking forward to & perceived usefulness of & anxiety regarding math & science & English & social studies, 8th graders, 17203
measurement & statistics & factor analysis in family psychology research, 40951
multiple regression approach vs standard error scree test, consistency with visual scree test in factor analysis, 10592
over- vs underextraction, principal axis factor analysis with varimax rotation, 10588
parameters & goodness-of-fit of 4-stage confirmatory factor analysis procedure for latent trait models, analysis of criterion referenced examination performance, college students, 21164
predictions of goal perspective theory in & factor analysis of Korean version of Task & Ego Orientation in Sport Questionnaire & Intrinsic Motivation Inventory, 12–18 yr old athletes, Korea, 33983
quantitative reasoning & processing speed in analyses of WISC-III, commentary reply, 37391
recent developments in factor analysis appropriate for personality data, literature review, 1941–1995, conference presentation, 34102
relationships between behavioral items of the revised Sensory Profile & sensory modulation, 3–10 yr olds without disabilities, comparison with children with disabilities, commentary, 37378
shift from traditional to structural factor analytic techniques for psychological model estimation & specification, 2721
statistical test for scree plot, test of equality of & linear decrease in eigenvalues of covariance matrix, 14418
test structure & reliability of White Racial Identity Attitude Scale, 17–51 yr olds, 17563
test structure & reliability of White Racial Identity Attitude Scale, 17–51 yr olds, commentary reply, 17564
test structure & reliability of White Racial Identity Attitude Scale, 17–51 yr olds, commentary, 17569
underextraction of factors & components in maximum likelihood factor analysis &/vs principal components analysis, 10569

Factor Structure—Serials

age & sex, factor structure & scale characteristics of shortened version of Social Competence & Behavior Evaluation Scale, 3–6 yr olds, US vs Canada, 14243
age differences, factorial structure & analysis of tests of cognitive abilities, 11–14 yr olds, Sweden, 5949
assessing customer satisfaction & construct validity & factor structure of Youth Client Satisfaction Questionnaire, 11–17 yr old outpatient clients of community mental health services, 21150
bilateral factor structure in temporal lobe from MRI data, 27–54 yr olds with schizophrenia, 7998
chi squared vs Normed Fit Index for goodness-of-fit in confirmatory factor analysis of 4-factor structural model of concerns, 7th–10th graders, reanalysis, 14456
comparison of Big-Five Structures of personality traits in Dutch vs English vs German, college students, Netherlands vs US vs Germany, 30501
confirmatory factor analysis & factor structure of NEO-FFI vs Mini-Markers, measurement of five factor personality structure, college students, 2554
confirmatory factor analysis & 3 factor model of Fear Questionnaire, patients with social phobia, 2587
confirmatory factor analysis of cognitive complexity as measured by Role Category Questionnaire compared to cognitive performance measures, college students, 26237
confirmatory factor analysis of Time Management Behavior Scale, 19–74 yr olds, 25012
confirmatory factor analysis of Yale–Brown Obsessive Compulsive Scale, patients with obsessive compulsive disorder, test of 2-factor symptom severity model, 40855
confirmatory factor structure analysis of WISC-R for Verbal Comprehension & Perceptual Organization & Freedom from Distractibility, 6.8–14.6 yr old Whites & Mexican Americans & African Americans, 14249
confirmatory factor vs common principal component analyses, assessment of validity & stability of structure in psychiatric scales, 14469
construct & content validity & factor structure of Student Styles Questionnaires, assessment of temperament, African- vs Hispanic-American vs White 8–17 yr olds, 10424

construct validity & factor analysis of taxonomy of biographical & personality items, assessment of dependability & demeanor & ambition, job applicants, 2707
construct validity & factor structure of K-ABC for Mental Processing & Achievement subtests, 6–12 yr olds vs standardization sample, Egypt, 17584
construct validity & factor structure of McCarthy Scales, assessment of cognitive ability, 7 yr olds, Spain, 5961
construct validity & factor structure of 9-word version of California Verbal Learning Test, patients with Alzheimer's disease vs ischemic vascular dementia, 114
construction & validation & factor structure & generalizability & reliability of individual differences scale, assessment of desire for unique conumer products, college students & airline workers, 40949
content & concurrent validity & factor structure of teacher rating scale, assessment of reactive & proactive aggression & covert antisocial behavior, male 3rd–5th graders, 6017
convergence & factor structure of 2 scales for assessing specific traits of personality disorder, college students, 2585
criterion & predictive validity of 5 vs 6 factor personality measures, training & job performance, flight attendant trainees, 10383
cross-sectional age gradients & structure & correlates of intellectual abilities, 70–103 yr olds in Berlin Aging Study, longitudinal study, Germany, 41783
data smoothing procedures, estimation of subtest reliability & uniqueness & general factor characteristic information, original WISC-III standardization sample, 33957
development & factor analyses of Claustrophobia Situations Questionnaire & Claustrophobia General Cognitions Questionnaire, college students with claustrophobic symptoms, 2594
development & factor analysis of Identification with School Questionnaire, Black vs White male vs female 8th graders, 10536
development & factor analysis of Massachusetts General Hospital Hairpulling Scale, chronic hair pullers, test appended, 14312
development & factor analytic validation of Spanish version of Positive & Negative Affect Schedule & cross-cultural convergence in mood structure, 45–65 yr old females, Spain, 33982
development & factor structure & predictive validity of Motivation to Control Prejudiced Reactions Scale, adults, 40822
development & factor structure & reliability & validity of Psychological Well-Being Questionnaire, 20–60 yr olds, India, 5967
development & factor structure of characterological & behavioral self blame attributions about social events measurement, 3rd–9th graders, implications for cognitive diathesis-stress depression model, 28416
development & factor structure of Multicultural Teaching Concerns Survey, assessment of concerns about working with multicultural student populations, teachers, 2684
development & factor structure of self-report Internalizing Symptoms Scale for Children, 8–13 yr olds, 34019
development & factor structure of Social Awareness Inventory & association with related trait constructs, college students, test appended, 6002
development & factor structure of 6-item Attitudes Toward Treating Elderly Patients Scale, assessment of efficacy of & satisfaction from treating elderly, medical & podiatry students, 28467
development & factorial structure of Sexual Desire Inventory, 18–51 yr olds, 17620
development & internal consistency & factor structure & test retest reliability of Paranoia/Suspiciousness Questionnaire, college students, Australia, 10417
development & reliability & factor structure of Multicultural Assessment of Campus Programming questionnaire, college students & faculty & administrative staff, 123
development & reliability & validity & factor structure of Meta-Cognitions Questionnaire, assessment of relationship between metacognition & worry & intrusions, patients with anxiety & normal controls, 37429
development of & factor structure & factor analysis of secure vs fearful vs preoccupied attachment style scales, college graduates, 28425
development of a hierarchical factor structure model for Anxiety Sensitivity Index, outpatients with anxiety disorders, 40911
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, 29817
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, commentary, 29918
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, commentary reply, 29923
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, commentary, 29901
efficacy of Separation & Social Anxiety Scale & factor structure & reliability, relationship of social anxiety to depression & submissive behavior, depressed patients & college students, 4094
examination with reliable component analysis of the 5-factor model of normal personal variation of the NEO Personality Inventory Revised Edition, comparison with H. J. Eysenck's 3-factor system, 40817
exploratory factor analysis of Working Alliance Inventory & California Psychotherapy Alliance Scales & Penn Helping Alliance Questionnaire, 18–65 yr old psychotherapy patients, 14307
factor analysis & concurrent & predictive validity of Missouri Addressing Resistance Scale, 21–46 yr olds with relationship difficulties, 21057
factor analysis & structure of Mathematics Self-Efficacy Scale—Revised, assessment of math self-effficacy, college students, 34063
factor analysis & structure of NEO Personality Inventory & Goldberg-40, college students, implications for Big Five model of personality, 28445
factor analysis of disorganization & psychomotor poverty & hallucinations & delusions, schizophrenic 16–66 yr olds, England, implications for positive/negative phenomenology, 22853
factor analysis of Dissociative Experiences Scale, patients with dissociative identity disorder, 21069
factor analysis of Frankfurt Complaint Questionnaire, self assessment of subjective experiences, adults with schizophrenia, Spain, replication, 2588
factor analysis of mathematics assessment, mathematics achievement, 12th graders observed since 8th grade, 25106
factor analysis of SCL-90-Revised responses, assessment of grief & bereavement after child's death from cancer, parents, 34053
factor analysis of Structured Interview for DSM-III-R, assessment of schizotypal personality disorder, nonpsychotic psychiatric outpatients (mean age 34.6 yrs) & nonpsychiatric patients, Italy, 17624
factor composition of Short Mood & Feelings Questionnaire, assessment of depression, male 1st–7th graders, 14318
factor replication of the Weschler Intelligence Scale for Children-III, 6–15 yr olds with mental retardation or learning disabled or health impairments or emotional disabilities in special education, 40934
factor stability of Dutch version of Cohen-Mansfield Agitation Inventory, assessment of agitation behaviors in dementia, elderly psychiatric patients, letter, 21046
factor structure & assessment of defense styles & hierarchical model, adolescent psychiatric patients vs male juvenile offenders vs adults, 15818
factor structure & construct validity of scores on short vs long form of Bem Sex Role Inventory, college students, 17598
factor structure & construct validity of Multidimensional Self Concept Scale, White vs Hispanic 5th & 8th & 12th grade students, 37537
factor structure & construct validity of MGQ multidimensional questionnaire, assessment of experience of & satisfaction with mammography, patients, Norway, 28574

factor structure & construct validity of Scale for Assessment of Negative Symptoms, patients with schizophrenia or schizoaffective or schizophreniform disorder, 2627
factor structure & convergent validity of Aggression Questionnaire, 17–69 yr old offenders, 14336
factor structure & cross cultural utility of modified State-Trait Anger Expression Inventory, male vs female 25–55 yr olds, American Samoa vs Western Samoa, 17670
factor structure & development of state form of State-Trait-Cheerfulness-Inventory, assessment of cheerfulness & seriousness & bad mood, 14–83 yr olds, Germany vs US, 25032
factor structure & external validity & reliability of Balanced Inventory of Desirable Responding, 18–64 yr old incarcerated males, 6038
factor structure & internal consistency of achievement motivation measure, adult employees, 40851
factor structure & internal consistency of Perception of Birth Scale, perception of labor & delivery experience, females who had vaginal vs unplanned cesarean deliveries, 6084
factor structure & internal consistency reliability of sleep & weight items, Seasonality Score Index of Seasonal Pattern Assessment Questionnaire, 17–67 yr olds, Iceland, 34017
factor structure & interrater reliability & internal consistency & validity of Life Skills Profile, 20–67 yr old psychiatric patients, Australia, 2634
factor structure & multidimensionality of Launay-Slade Hallucination Scale, measurement of predisposition toward auditory hallucinations, psychiatric patients, Australia, 2606
factor structure & psychophysical analysis of sitting comfort vs discomfort, 20–60 yr old office workers & students, 28304
factor structure & reliability & convergent & divergent validity of Body Esteem Scale, male vs female 5th–12th graders, 25016
factor structure & reliability & validity of White Bear Suppression Inventory, college students, Netherlands, 2555
factor structure & reliability & validity of Whitley Index & Illness Attitudes Scale & Somatosensory Amplification Scale, assessment of hypochondriasis, medical patients, 10517
factor structure & reliability of Henderson Environmental Learning Process Scale, assessment of intellectual development & academic achievement, parents of children (mean age 9.4 yrs), 25104
factor structure & reliability of Italian version of revised Eysenck Personality Questionnaire, 18–80 yr olds, Italy, 21016
factor structure & reliability of Mathematics Anxiety Scale, assessment of general sense of worry over & negative feelings toward math, middle & high school & college students, 17708
factor structure & reliability of My Memories of Upbringing scale–Parent form, assessment of rearing behavior, mothers vs fathers of college students, Spain, 37399
factor structure & self vs peer ratings of familiar vs Big Five English language personality adjectives, college students, 1068
factor structure & structural robustness of College Student Reasons for Living Inventory, college students, 17616
factor structure & test reliability & validity of Psychosocial Adjustment to Illness Scale, 21–90 yr old cancer patients, 40884
factor structure & validity of Attributional Style Questionnaire, adults, 17600
factor structure & validity of negative affectivity scale, management students & managers, 10398
factor structure & validity of rehabilitation setting off-road evaluations of fitness to drive, 17–87 yr olds with cerebral damage, 28544
factor structure alcohol effect expectancies of having fun & socializing & aggressiveness & poor behavior & sexual enhancement, 18 yr olds & older vs 12–17 yr olds, 30315
factor structure for people's reactions to & judgments of distributive justice in payment of wages, 17–50 yr old college students, Canada, 26275
factor structure of achievement test, science achievement, 12th graders observed since the 8th grade, 25107
factor structure of Aggression Questionnaire, 17–49 yr old college students, Netherlands, replication, 21009
factor structure of aphasia test battery, 30–45 vs 46–59 vs 60–78 yr olds, Taiwan, 21106
factor structure of Beck Hopelessness Scale, 13–77 yr old outpatients, Canada, 77
factor structure of Brief Psychiatric Rating Scale, assessment of effect of plasma haloperidol & clinical outcome, patients admitted with acute schizophrenia or schizoaffective disorder, 6025
factor structure of Child Behavior Checklist, 8–18 yr olds with serious emotional disturbances, 25052
factor structure of combined item pool of Life Satisfaction Index A & Philadelphia Geriatric Center Morale Scale, assessment of subjective well-being, 60–90 yr olds, Israel, 17588
factor structure of Coping Resources Inventory, assessment of use of cognitive restructuring & problem solving/attribution in successful coping with stress, adults, 17615
factor structure of Coping Strategies Questionnaire, assessment of coping & relationship to pain & disability & depressive mood, hemophiliac patients, 6087
factor structure of Depressive Experiences Questionnaire for Adolescents & interpersonal relatedness & self definition concerns & association with adaptive capacity & maladjustment, 6th & 7th graders, 34926
factor structure of Diagnostic Interview for Children & Adolescents PTSD module, 13–25 yr old Cambodian refugees, 28517
factor structure of Ethical Climate Questionnaire, marketers, 2710
factor structure of expanded Brief Psychiatric Rating Scale, mentally ill homeless individuals, 37428
factor structure of Halstead-Reitan Neuropsychological Test Battery for Children, learning disabled 9-14 yr olds, 2652
factor structure of Hamilton Rating Scale for Depression, differential assessment of depressive symptomatology, 60–92 yr old community dwelling elderly, 40893
factor structure of Impact of Events Scale & stressful life events, normal 19–81 yr olds, England, 40834
factor structure of Italian version of WAIS—R, 19–35 yr olds, Italy vs US vs UK, 17586
factor structure of Kirton Adaption Innovation Inventory, college students, Canada vs Japan, comparison with US & Italian & British data, 21005
factor structure of Maslach Burnout Inventory, teachers, Jordan vs United Arab Emirates, 2671
factor structure of measure of & correlates of affective & continuance & normative commitment, employees in a variety of occupations, Canada, 28607
factor structure of Measure of Ingratiatory Behaviors in Organizational Settings scale, state government employees (mean age 42.6 yrs), 25119
factor structure of Modified Scale for Suicidal Ideation, suicidal young adults, 28487
factor structure of Montgomery-Asberg Depression Rating Scale & Hamilton Rating Scale for Depression, elderly residential care patients with depression, 17667
factor structure of Multifactor Leadership Questionnaire, distinguishability of transactional vs transformational vs laissez-faire leadership, 16–64 yr old employees, Netherlands, 25118
factor structure of Neurobehavioral Cognitive Status Examination & usefulness as cognitive screening instrument, 16–80 yr olds with chronic liver disease, 21120
factor structure of "Nuevo Analisis de Necesidades y Anhelos" questionnaire, measurement of needs & aspirations, 12–18 yr olds, 2528
factor structure of P. Warr's measures of work related affective well being, civil servants (mean age 35.6 yrs) & police officers (mean age 33.3 yrs) & managers (mean age 38.6 yrs), UK, commentary, 34075
factor structure of Revised Behavior Summarized Evaluation Scale, assessment of autistic behavior association with evolution of developmental disabilities, autistic 2–11 yr olds, 2621

factor structure of Role Questionnaire, assessment of role ambiguity & incongruity & conflict, 26–64 yr old high school counselors, 28606
factor structure of scales measuring personal growth & subjective well being & stress resistant personality style & mental health, 18–83 yr old college students, 2529
factor structure of the revised Sensory Profile, 3–10 yr olds without disabilities, comparison with children with disabilities, 37389
factor structure of Transparent Bipolar Inventory as measure of big five personality traits, 70 yr olds & older, Australia, 21006
factor structure of uni- vs multidimensional models of Anxiety Sensitivity Index, patients with panic disorder vs college students, 76
factor structure of Ways of Coping Checklist & measures of health & stress, physicians, Norway, 20995
factor structure of WISC-R, assessment of intellectual giftedness for educational placement, Mexican American 6–16 yr old students, 6121
factor structure of Wisconsin Card Sorting Test, assessment of problem solving & other aspects of executive function, patients with focal or diffuse neurological impairment vs nonpatient adults, 2648
factor structure of 16 PF based on 5 factor model & Revised NEO Personality Inventory, college students, commentary reply, 2525
factor structure of 16PF & revised NEO Personality Inventory, college students, commentary, 2526
factorial nature of rating scale & relationship of eating behavior rating scales to dietary restraint, females (mean age 22.34 yrs), 25067
factorial structure & construct validity of the Work Autonomy Scale, Australian manufacture employees, 37547
factorial structure & dimensionality of questionnaire, assessment of idiocentrism & allocentrism, adults, Sri Lanka, 47
factorial structure & interscale correlations & internal consistency of French version of Angina Pectoris Quality of Life Questionnaire, coronary patients, 14363
factorial structure of Arabic Children's Depression Inventory, 10–16 yr olds, Kuwait, 70
factorial structure of California Psychological Inventory & relationship with five-factor personality model, 17–72 yr olds, 37402
factorial structure of Center for Epidemiologic Studies-Depression Scale, assessment of latent trait-state model of adolescent depression, high school students, 14262
factorial structure of intelligence & Piagetian formal operations tests, 15 yr olds, Singapore, 14244
factorial structure of schizotypal symptoms, 19–70 yr old patients diagnosed with personality disorders, 31151
factorial structure of Wisconsin Card Sorting Test, university students & mixed clinical sample, 28546
factorial validity & dimensionality of Aiken Attitude to Mathematics Scale, 21–65 yr old pretertiary students, Australia, 17712
foreign language translation & factor structure of Revised NEO Personality Inventory, German vs Portuguese vs Hebrew vs Chinese vs Korean vs Japanese vs American samples, 28447
general linear model framework on structure coefficients in structural equation modeling confirmatory factor analysis, 17763
health status, 21.6–93.6 yr olds with learning disabilities, England, test of factor structure & interrater reliability of SF-36 Health Survey Questionnaire scale in 3rd party format, 21128
hierarchical factor structure of Anxiety Sensitivity Index, male vs female college students, Canada, 28522
intercorrelation matrix of shyness & sociability items on Portuguese personality scales, measurement of distinct personality dispositions, college students, Portugal, 17611
internal consistency & construct validity & factor structure & revision of Life Skills Development Scale—Adolescent Form & subscales, assessment of general life skills, 17–19 yr olds, 14242
internal consistency & factor structure of Companion Animal Bonding Scale, 18–94 yr old pet owners, 40791
internal consistency & factor structure of Hopelessness Scale for Children, 12–18 yr old psychiatric inpatients, 101
internal consistency & factor structure of Portuguese version of Self Description Questionnaire III, assessment of self-concept, college students, Portugal, 14264
Italian vs Greek ethnicity, multidimensional factor structure of acculturation, Canada, 38515
item & scale factor structure of Basic Personality Inventory, 18–65 yr old male offenders incarcerated for violent & sexual crimes, 16103
item analysis & factor structure of 37-item love behaviors scale, measurement of behaviors expressing love toward romantic partner, college students, 17608
iterative majorizing rotation method for orthogonal simple structure factor solution, 14454
latent factor structure of mentoring function instrument, employees, 10558
latent factor structure of Postconcussion Syndrome Questionnaire, medical & psychiatric patients (mean age 41.1 yrs), 14340
latent structure of sources of career-relevant mathematics self-efficacy, high school & college students, 17202
measurement equivalence & dedifferentiation of factor structures of processing speed measures, 18–24 yr old college students vs 55–80 yr old community residents, 34082
negative & positive symptom dimension structure as seen in Scales for Assessment of Positive & Negative Symptoms for Schizophrenia, patients with 1st episode schizophrenia, 10464
null vs 1 vs 2 vs 4 factor model of Beck Anxiety Inventory & other psychometric properties, college students, 17613
presentation & factor structure & sociodemographic correlates of DSM-IV alcohol dependence, White vs Black vs Mexican-American 18–40 yr olds & older, 12212
principal-component analysis & factor structure & global ratings of negative & positive symptoms in schizophrenia, VA patients with various psychopathologies, 22862
psychometric properties of Bereavement Phenomenology Questionnaire & ability to measure grief, spouses & offspring of deceased patients, Australia, longitudinal study, 40877
psychometric properties of Computer Attitude Scale, graduate students, 2485
relationships between behavioral items of the revised Sensory Profile & sensory modulation, 3–10 yr olds without disabilities, comparison with children with disabilities, commentary, 37378
reliability & factor structure of adjustment to unemployment scale, professionals, 2708
reliability & factor structure of bipolar adjective semantic differential scales, assessment of evaluative & affective effects of career interviews, 15–16 yr old low achieving students, 17705
reliability & factor structure of Time Structure Questionnaire & Time Management Behavior Scale, working adults, 25120
reliability & factor structure of tolerance for ambiguity scale, college students, 14254
reliability & factor validity of refined Emotional Comfort Scale, assessment of fear level in urban environment, nursing students from urban vs suburban vs rural areas, 14224
reliability & validity & factor structure of Dissociative Experiences Scale, college students, 28438
reliability & validity & factor structure of Dutch adaptation of Ways of Coping Questionnaire, 17–92 yr olds, 17595
reliability & validity & factor structure of Nonverbal Personality Questionnaire, adults, Canada vs Finland vs Poland vs Germany vs Russia vs China, 2558
reliability & validity of short form of WISC—III with 4 factor model, children, clinical applications, 17583
reliability & validity of Symptom Checklist-90-Revised, assessment of self reported psychopathology, acute & involuntary psychiatric inpatients (mean age 35.19 yrs), 10457
salmeterol vs salbutamol, factor structure of quality of life constructs & lung function, individuals with mild to moderate asthma, UK & Australia, 27561

sampling distribution & factor patterns of congruence coefficient using orthogonal Procrustes rotations with simulated data, 17756
sex, factor structure of cognitive & psychomotor aptitude tests, adults, 20979
stability of factor structure of Georgia Court Competency Test, mentally disordered offenders (mean age 33.02 yrs), 28514
structural factors of somatic symptoms, 18–65 yr olds, 1 yr followup, 35987
structure of belief systems, college students, implications for A. Ellis's concept of monotonic irrationality in belief systems, 30514
structure of temperament scales & analysis of personality scales & utility of Big Five as organizing structure for personality attributes, 6–10 yr olds, Russia, 3421
style vs level of creativity & factor composition of M. J. Kirton's adaption-innovation theory, 7732
test-retest reliability & internal consistency & factor analysis of Sexual Beliefs & Information Questionnaire, older adults with sexual functioning problems, test appended, 2574
theoretical development & factor structure of Personal Disturbance Scale, assessment of states of anxiety & depression, adult psychiatric patients, England & Scotland & Canada, 25044
typical neuroleptics, factor structure of Brief Psychiatric Rating Scale, assessment of clinical symptom changes, male patients with schizophrenia, followup study, 28479
utility of factor replication approach to determine factors that are generalizable across samples in tests measuring coping behaviors in work settings, principals & deputy principals, New Zealand, 6128
validity & location of Italian version of Myers-Briggs Type Indicator Form F in personality factor space, adults, 17617
validity of DSM personality disorder clusters by clinicians' ratings, 18–80 yr old patients with Axis II diagnosis, 35694
validity of McCloskey/Mueller Satisfaction Scale, assessment of professional interaction & participation & extrinsic reward & control over work, 22–57 yr old Palestinian nurses, West Bank, 6122
validity of Repression-Sensitization Scale, assessment of emotional control & response style, college students, England, 10419
2-test habituation design & regression analysis of event set by event set factorial multitest design in interpretation of perceptual processing, 5–6 mo olds, 29767
2 vs 3 dimensional factor structure of Hong Kong WISC-R, 5–15 yr olds, Hong Kong, 5958
3- vs 2-factor constructs of Multidimensional Health Locus of Control Scales, clinical vs nonclinical group, Canada, 100
5- vs 4-factor structure of Brief Psychiatric Rating Scale & symptoms, patients with schizophrenia, 40915

Factorial Validity—Serials

clinical validity of Freedom From Distractibility & Processing Speed factors of WISC–III & relationship with other neuropsychological & behavioral measures, 6–16.5 yr olds with ADHD & other disorders, 37453
confirmatory factor analysis vs Procrustes rotation, replicability & normative generalizability of 5 factor structure of Revised NEO Personality Inventory, adults, US & China, replication, 2553
construct & factorial validity of Mattis Dementia Rating Scale, 38.7–93.8 yr olds with vs without probable Alzheimers disease vs mixed dementia, 2650
construct & factorial validity of Spatial Learning Ability Test scores, assessment of complex spatial processing, college students, 17567
correlations between scales of Eysenck Personality Questionnaire-Revised & Personality Questionnaire & Temperament & Character Inventory, college students, 2567
correlations of 3 MMPI-2 validity scales with Michill Adjective Rating Scale & Big-Five factors, undergraduates, 17614
discriminant validity of Meyer & Allen scales of organizational & work commitment, nurses, Canada, 10545
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, commentary, 29918
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, 29817
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, commentary, 29901
divergent validity, neo-Piagetian processing capacity measures, reanalysis of 2 factor-analytic studies, commentary reply, 29923
factor structure of combined item pool of Life Satisfaction Index A & Philadelphia Geriatric Center Morale Scale, assessment of subjective well-being, 60–90 yr olds, Israel, 17588
factor validity & internal consistency reliability of Self-Esteem Index, 3rd–5th grade regular education vs gifted vs learning disabled students, 10402
factorial & divergent validity of Calgary Depression Scale for Schizophrenia vs Hamilton Depression Rating Scale for positive & negative symptomatology, psychiatric patients with schizophrenia, Canada, 6008
factorial measurement properties of Social Physique Anxiety Scale, assessment of social anxiety associated with physique, 13–35 yr old female students & athletes, 5976
factorial validity & dimensionality of Aiken Attitude to Mathematics Scale, 21–65 yr old pretertiary students, Australia, 17712
factorial validity & factor structure of Bulgarian Beck Depression Inventory, male vs female 13–17 yr olds, 14219
factorial validity & invariance in Life Regard Index, measurement of meaning in life, young (mean age 17.8 yrs) vs older (mean age 65.9 yrs) adults, 33936
factorial validity of Group Environment Questionnaire, measurement of group cohesion, musicians, 5975
factorial validity of Structure of Temperament Questionnaire, college students, 10388
factorial validity of Swedish version of Beck Depression Inventory & structural equivalence across gender, nonclinical adolescents, replication, 20978
factorial validity of Tennessee Self-Concept Scale, female medical & nursing faculty members, replication, 17594
incremental validity of WISC-III Full Scale IQ factor scores, prediction of academic achievement measured by Wechsler Individual Achievement Test, children (mean age 12 yrs), 40803
internal consistency & factor structure of Hopelessness Scale for Children, 12–18 yr old psychiatric inpatients, 101
psychometric & factorial validity of Bulgarian version of Coolidge Axis II Inventory, self-report assessment of personality disorders, nonclinical 16–78 yr olds, Bulgaria & US, 21055
reliability & face & construct & factorial validity of Index of Attitudes Toward Homosexuality, 17+ yr old university students, Australia, 14275
reliability & factor validity of Self-Description Questionnaire-II, academically gifted 10–16 yr olds, 37409
reliability & factorial validity of Initiating Heterosexual Contact Scale, female college students (mean age 22.3 yrs), 40812
validity of indicators of Draw a Person &/vs Rorschach tests, emotionally disturbed males with feminine gender identity (mean age 10.2 yrs), Israel, 25045

Factory Environments [See Working Conditions]
Factual Knowledge [See Declarative Knowledge]
Faculty [See Educational Personnel]

Fading (Conditioning)—Serials

backward chaining & reinforcement & fading, water intake, 12 yr old male with total liquid & food refusal & autism & mental retardation & life threatening gastrointestinal problems, 16730
constant time delay vs prompt fading, multiplication teaching effectiveness, male 9–12 yr olds with learning disabilities, 24677

Fads and Fashions [See Also Clothing]—Serials

body mass index & self-reported eating disordered behaviors, female fashion merchandising vs general studies college students, 26829

fashion discourse & expression of countervailing cultural meanings, 20–30 yr old consumers, 40666
role of tattoos in relation to identity & incorporation & ownership & permanence, teenagers, 34932
Failure [See Also Academic Failure]—Serials
antecedent & consequences of pursuit of avoidance achievement motivation, personal goals, 17–48 yr olds, 35316
attributions of quality circle problem solving failure, management vs supporting staff vs blue collar quality circle members, 40585
cognitive model of self regulation, patterns of self regulation & concept of disinhibitory overrides & goal conflicts, commentary, 11772
cognitive model of self regulation, patterns of self regulation failure & approach to self change, commentary, 11789
cognitive model of self regulation, patterns of self regulation failure & implications of ironic process model, commentary, 11787
cognitive model of self regulation, patterns of self regulation failure & incorporation of psychodynamic issues, commentary, 11784
cognitive model of self regulation, patterns of self regulation failure & individual differences & social opinion of failure, commentary, 11773
cognitive model of self regulation, patterns of self regulation failure & perspective of ecologically oriented sociocognitive theory, commentary, 11768
cognitive model of self regulation, patterns of self regulation failure & perspective of personality systems interactions theory, commentary, 11780
cognitive model of self regulation, patterns of self regulation failure & principle of motivational resonance, commentary, 11778
cognitive model of self regulation, patterns of self regulation failure & role of goal conflicts & motivation, commentary, 11779
cognitive model of self regulation, patterns of self regulation failure & role of individual differences & transcendence skills, commentary, 11777
cognitive model of self regulation, patterns of self regulation failure from perspective of animal behavior & autoshaping, commentary, 11788
cognitive model of self regulation, patterns of self regulation failure, commentary, 11786
cognitive model of self regulation, patterns of self regulation failure, commentary, 11771
cognitive model of self regulation, patterns of self regulation failure, commentary reply, 11775
cognitive model of self regulation, patterns of self regulation failure, commentary, 11770
cognitive model of self regulation, patterns of self regulation failure, commentary, 11776
cognitive model of self regulation, patterns of self regulation failure, literature review, 11769
cognitive models of self regulation, patterns of self regulation failure & achievement of goals, commentary, 11785
cognitive vs self control models of self regulation, patterns of self regulation failure, commentary, 11782
factors in therapeutic failure, literature review, 19735
failures & mistakes in family therapy, insufficiency of accounts of failures in literature, 23799
feeling of success at beginning & admission of failure at end of organizational intervention, implications for dynamic effects of assumptions, 40599
nonprofit sector's interest in & ignorance about failure, continuing contribution of resources for battered women & handicapped employment, 13986
oligarchy vs free rider theses on organizational success vs failure, dynamics of private development organization networks, Africa, 13985
sex-role stereotypicality of tasks, attributions for successes & failures of males vs females, students, meta analysis, 3835
success vs failure auditory feedback during easy vs difficult target detection task, emotional arousal & GSR & RT, 17–50 yr old right vs left temporal lobectomy patients, 8579
symbolism of organizational plans, organizational failure & learning with Shoreham Nuclear Power Station, 13971
target's action vs inaction mutability & negative outcome, perceived regret response of target, college students, 30438
test anxiety & intelligence & failure stress, motor-perceptual learning, male children, 29828
use of relevant current situational information in causal inferences for personal success & failure, dysphoric vs nondepressed vs very nondepressed college students, 7911
Failure to Thrive—Serials
definition of failure to thrive & DSM-IV definition & characterization of feeding disorder & biopsychosocial approach to assessment & treatment, male 9 mo old, 31434
presence & treatment of parental psychopathology, nonorganic failure to thrive, 6–18 mo olds, case reports, 4512
Working Model of Child Interview to assess maternal perceptions, 16–42 yr old mothers with 2 wk–67 mo olds with failure to thrive or sleep disorders or attending infant psychiatry clinic, 37384
Fainting [See Syncope]
Fairbairnian Theory [See Object Relations]
Fairy Tales [See Folklore]
Faith Healing—Serials
experiences of religious healing, 14–75 yr old psychiatric patients, India, 39858
factors in decision to choose consulting biomedical vs traditional primary mental health care providers, 15–70 yr olds with conspicuous psychiatric morbidity, Zimbabwe, 32922
history of forgiveness & relationship with religious faith & model of forgiveness & healing, 32052
integration of counseling & psychotherapy & healing, counselors & psychotherapists who use healing techniques, 42902
Jungian therapeutic processes vs traditional healing system of Puerto Rican Espiritismo, 1887
legal issues in parental treatment of their children by faith healing, 20912
Faking—Serials
anxiety measures, detection of faking on role-play tests of assertion, male vs female college students, 5986
coaching & faking instructions, performance on overt vs covert integrity test, college students, 18938
discriminant analysis of Personality Assessment Inventory, detection of feigned schizophrenia or major depression or generalized anxiety disorder, naive vs sophisticated simulators vs patients, 10458
faking good vs bad vs standard report on Subtle–Obvious scales of MMPI-2, 18–69 yr olds, clinical implications, 74
faking personality of stockbroker vs librarian, validity of self report personality inventories vs objective measures of impulsivity, 18–54 yr olds, England, 5977
honest vs fake good condition, validity of NEO Personality Inventory-Revised, college students, Australia, 37412
item response theory appropriateness measurement, detection of faking on personality instrument, respondents, 164
low end specificity of depression measures, fake-good responding, college students, 6013
lying & demand characteristics & role of adverbs, social desirability & impression management, undergraduates (mean age 20.8 yrs), Spain, 11725
MMPI–2 validity scales & indicators, 20–39 yr old feigners of vs patients with schizophrenia or major depression, 33973
normative data for MMPI-2 in child custody litigation & defensive underreporting & self-favorability, parents & stepparents, 40857
standard or "fake good"or prompted honesty instruction & type of behavioral intervention, treatment acceptability ratings, 18–60 yr old direct-care staff at mental retardation facility, 12848
subtle & obvious scales in detection of faking on MCMI-II, college students, 37415
validity of Test of Memory Malingering, faked vs actual memory impairments, 16–84 yr old neurologically impaired patients, 40904
vulnerability of NEO-Five Factor Inventory to self-presentation strategies, personality measurement, 18–52 yr olds, 17618
vulnerability to faking good, Type A Structured Interview Potential for Hostility, adult males, 21127

False Memory—Serials
authenticity of recovered repressed vs false memories involving childhood sexual abuse, sexual offenders, 8297
authority figure influence & historical overview of & psychoanalyst & traumatist approach to recovered memories & false memories of sexual abuse, conference presentation, 32281
Canadian Psychiatric Association position paper on recovery of repressed memories & false memory syndrome, adult survivors of childhood sexual abuse, commentary, letter, 27134
Canadian Psychiatric Association position paper on recovery of repressed memories & false memory syndrome, adult survivors of childhood sexual abuse, commentary reply, letter, 27119
changed vs planted vs erased memories of being touched, vulnerability to suggestibility, 4 vs 10 yr olds, implications for effects on children's courtroom testimony, 22037
clinical evidence & true vs false memory, 40 yr old female victim of child sexual abuse, 23826
conceptual vs perceptual false recognition, adult amnesic patients, 36136
confirmation or disconfirmation of episodes of abuse naturalistically recalled during psychotherapy, patients with dissociative identity disorder, 23621
construction of UFO abduction accounts as false or pseudo memories for escape from awareness of self, 35345
creation of repressed & false memories, commentary, 25299
creation of repressed & false memories, 10723
denial & family secrecy & behavioral reenactment & alcohol-induced blackouts & lying as potential explanations for false memories, perpetrators of childhood sexual abuse, 16037
diagnostic criteria & incidence of false memory syndrome, 18–57 yr old females with continuous vs recovered childhood sexual abuse memories, Canada, 31212
false allegations of sexual abuse created in single interview, 5 yr old female, 39132
false memories, 26 yr old male with schizophrenia, case report, letter, 31019
false recollection of details induced by photo review, 60–75 yr old vs 16–22 yr old adults, 35003
formation of pseudomemories & distinctions between true & false memories of sexual abuse, adults, 1356
Freudian view on memories of child abuse & controversy over therapist influences & therapeutic need for balanced perspective, practitioners, 16489
issues in recovered & false memories, commentary, letter, 34266
issues of psychotherapeutic process in false memory controversy & risk in treatment of sexual abuse victims, implications for communications model, 16435
legal issues & ethical dilemmas associated with false or recovered memories, therapists, 36917
memories of childhood sexual abuse recovered in therapy, 21399
presentation of studied & semantically related & unrelated nonstudied words & forewarning against false recognition effect, avoidance of false memory creation, college students, 37773
psychodynamic perspective on & uncertainty issues in memory & false memory of trauma, implications for psychoanalytic psychotherapy, 27351
recognition memory & high false remember response rate, 67 yr old man with right frontal lobe lesion, 39492
recovered memory in psychoanalysis & false accusations & denials of incest, 4943
recovered or false memories of child sexual abuse & legal treatment of claims in court, 20924
repressed & false memories of child abuse & other traumatic events, research review, erratum, 22999
repressed & false memories of child abuse & other traumatic events, research review, 8150
repressed memory & false memory creation, 28963
review of conceptual issues & controversy of repressed memories of childhood sexual abuse & false memories, implications for feminist psychotherapy, 23629
risks & benefits of recovered memory therapy & potential false memories of childhood sexual abuse & trauma in Ramona v Isabella lawsuit, father accused of incest & his bulimic daughter, 4802
significance of rhetorical structure of psychological experiments investigating suggestibility within context of production of false memories of sexual abuse, children, 39135
single vs repeated exposure to misleading suggestions, creation of false memory for suggested events, college students, 1 wk followup, 2888
sociological & political analyses of false memory controversy, non-Western vs Western psychiatric interpretations, 1681
source of misleading information in written material vs from slides, memory distortions or creation of memories, college students, 28966
suggestibility during attendance of support meetings for incest & cult abuse survivors, recall & creation of false memories, 39 yr old female with dissociation & bipolar disorder, case report, letter, 23664
suggestibility in treatment as explanation for falsification of recovered memories of childhood sexual abuse involving amnesia, female psychiatric patients, 42468
theory of repression & reliability of memory & recovery techniques & guidelines for therapists, adults with false memory syndrome reporting allegations of childhood sexual abuse, 4803
False Pregnancy [See Pseudocyesis]
Fame—Serials
causes for & expressions of & reliance in idolization of pop singers, male vs female 10–11 vs 13–14 vs 16–17 yr olds, 7366
fame, self-consciousness & self-destructive behavior, singers & writers, 35294
type of encoding condition & length of study-test interval, recognition of famous vs nonfamous names, college students, 25314
Familiarity—Serials
ability to discriminate between & lasting representations of conspecifics & transfer of learning to unknown conspecifics, male Wistar rats, 34362
ability to discriminate between familiar & unfamiliar conspecifics, female guppies, 34363
age of acquisition & familiarity & concreteness & imageability in Welsh vs English, bilingual & monolingual high school & college students, 41562
aging & familiarity, credibility judgments & source memory, 17–33 vs 60–87 yr olds, 29805
associations to familiar vs unfamiliar vs novel words & learning of new words, college students & adults, 25250
cagemate familiarity, attachment vs peer attraction in social interaction during play & corticosterone levels, male vs female periadolescent rats, 14756
classification of speech sound from personally familiar & unfamiliar face photographs, college students, UK, 2757
consumer expertise, advertising message learning & product evaluation, management program students, 17438
cue distinctiveness evaluated by cue novelty & contextual appropriateness, effectiveness of ambient odor as retrieval cue in context-dependent memory task, college students, Canada, 34273
diagnostic context model vs intentional recollection & automatic familiarity in process-dissociation model of recognition memory, college students, 21435
direct & indirect stimulus frequency, recognition of object or event, college students, 34279
distinctiveness vs recollective experience in face recognition, 19–35 yr old college students, Sweden, 41141
divided attention & massed vs spaced repetition of novel faces, awareness in recognition memory & recollective experience & feelings of familiarity in facial recognition, adults, 10731
easy vs difficult & familiar vs novel paper folding & story sequencing tasks, microgenetic change in quantity & quality of private speech, 4.8–6 yr olds, Canada, 29778
evaluation of familiar vs unfamiliar persons & objects, college students, implications for structure of reflexion model, 28830

factors affecting & derivation of typicality ratings, 4.3–6 yr old kindergartners & 19–21.3 yr old college students, Greece, test of rating-based procedure, 41655
familiar phrase as peripheral persuasion cue vs literal phrase with same meaning, attitude formation, college students, 30430
familiar vs unfamiliar tasks & perceived control, functional performance, 21–41 yr old vs 59–81 yr old healthy adults, 34792
familiarity & importance of purchase task, buyer's motivated reasoning & vendor selection, 43871
familiarity & recollection independence assumption & list similarity in 2-study-list process-dissociation procedure, college students, Canada, implications for recognition memory, 21414
familiarity & usage & purchase experiences & accessibility, attribute importance, adults, 43865
familiarity & visual cues, discrimination between siblings vs unrelated conspecifics vs heterospecifics, juvenile guppies, 10790
familiarity-based explicit recognition in conceptual processing vs word-identification priming & word-stem completion in implicit perceptual memory, college students, 21453
familiarity of situation, recognition of abstract vs concrete features of interpersonal situations, schizophrenic inpatients, 1273
familiarity, perceptions of outgroup vs ingroup feature homogeneity, male vs female 18–75 yr olds & undergraduate vs MBA students, 3821
familiarity with pleasant vs unpleasant families & social norms, emotion perception, 18–45 yr olds, 7625
familiarity with test apparatus & test environment & treatment with nerve growth factor, acquisition & retention of stepdown passive avoidance response, 11 vs 15 day old mice, 14874
high & low reactive temperament & reactions to unfamiliarity & biological constructs, 29881
implicit vs explicit relation between novel & known terms, acquisition of novel color names, 3 vs 4 vs 5 yr olds, 3359
intact vs jumbled faces, repetition priming of familiarity decisions, college students, Wales, 17918
intra- & inter-modal repetition priming of familiar faces & voices, college students, 28843
intralist & extralist distinctiveness, recall of common vs bizarre sentences, college students, 309
judgment of distance in home based on layout of space vs familiarity with routes between locations, visually impaired vs totally blind vs normally sighted 8–12 yr olds, longitudinal study, 19674
lexical familiarity & meter, syllabic function morpheme omissions, 25–28 mo olds, 21996
lexical familiarity, identification of word initial tokens of /r/ & /l/ in words vs minimal pairs, native English speakers vs Japanese with vs without English experience, 11261
mapping of novel verbs onto novel vs familiar actions, 2 yr olds, 11369
mood, structure of self-concept & information about known other, 17–23 yr old college students, 38758
novel vs familiar laboratory circumstances, plasma beta endorphin level, shy vs outgoing older adults, 21782
number of group members advocating & verifiability of facts & familiarity of issue, acceptance of novel information in group decision making, college students, 256
parent vs unfamiliar interviewer, eyewitness memory & identification accuracy, 5 yr olds, 22038
perception of familiar vs novel extraneous noises occurring at different junctures within synthetic syllable strings, 6 & 9 mo olds, 18496
perceptual vs memorial basis & familiarity & typicality, caricature recognition in neural network, 21452
pre-exposure to object, subsequent filial imprinting to object, junglefowl chicks, 14739
preference for familiar human handlers, rats, 25402
prior exposure to visual stimuli, recognition memory & savings & forgetting, infant macaque monkeys, 6450
rule content familiarity & causality, equivalence of conditionals having negative antecedents & their disjunctive rephrasings, college students, England, test of mental models theory of matching bias, 37724
S-generated bizarre vs common images & sentences, bizarreness effect in noun recall, college students, 307
sex & prior experience, attitudes toward male vs female 65–74 vs 75–99 vs 100 yr olds & older, college students, 7664
social & environmental familiarity, group preferences & spacing behavior & aggressive pecks, hens, 6505
social recognition of familiar vs unfamiliar same-sex conspecific & mate & male dominance hierarchies, male vs female laboratory-reared cuttlefish, 10808
source of activation confusion model of problem familiarity's role in selection of retrieval of answer vs computation during mathematical problem solving, college students, 17945
stability of dyadic dominance & aggressive behavior & recognition of familiar opponent in familiar environment, male crickets, 34437
stimulus familiarity & semantic category, semantic lexical deficit, 57–79 yr olds with Alzheimer's disease, 1572
stranger vs acquaintance & relationship duration & symptom specificity & gender & depression & rejection from roommate & raters, college students, 26167
teaching comprehension of mental states of emotion & belief & pretense, generalization to other task domains & effect of unfamiliar materials & progression of spontaneous play, autistic 4–13 yr olds, 32126
training experience & activity of frontal eye field neurons, plasticity mediating learning of gaze behavior & searching for visual target among distractors, monkeys, letter, 10924
unrelated & unknown vs arbitrarily related & learned items, base rate errors in matching cued physically similar items, adults, implications for interference from pre-existing associations, letter, 6377
victim–offender relationship, motive in homicide, adults, 23107
voice extract length & variation, recognition & short & long term memory for familiar voices & words spoken, Ss, 28947
vomeronasal nerve lesions, preferential nuzzling of unfamiliar conspecific vs own scents, male opossums, 491
5-HT receptor agonist 5-carboxamidotryptamine vs antagonist GR 127935, aversion induced anxiety & cortical extracellular 5-HT release, female guinea pigs in familiar environment vs elevated plus maze, 7044

Family [See Also Biological Family, Extended Family, Family of Origin, Nuclear Family, Stepfamily]—Serials

a model of the nature of family-therapist relationships based on occupational therapists' attitudes, implications for occupational therapy education, 40194
age & own vs other family context & age of survivor, choice between deterministic vs probabilistic treatment of fatal disease, young vs middle-aged adults, 19699
age & sex & social factors, perceptions of cultural age deadlines for family related life course transitions, 18–65 yr olds & older, conference presentation, 3625
American vs foreign prototypes of & consequences of family–state alliances for child welfare, 35031
anxious/resistant attachment in infancy, development of anxiety disorders in childhood & adolescence, 17.5 yr olds from high risk families, 17.5 yr study, 35681
arthritis & family in juvenile rheumatic diseases & adult onset arthritis areas, literature review, 23280
attitudes about families & occupational & organizational factors, involvement with client's family, psychiatric staff (mean age 39.23 yrs), 40315
balancing conflicting family & forensic commitments, forensic experts, 28346
censored variables, estimates of genetic & environmental influences in family studies, 29228
challenges in conducting family-centered mental health services research, children with emotional or behavioral or mental disorders & their families, 43344
changes in federal & state child & family social policies, implications for low-income & vulnerable children & their families, 10287

characteristics of & intervention & prevention strategies, families with environmental &/or social &/or interpersonal &/or economic problems, implications for social workers, 4907
characteristics of "Shade Tree" community-based family resource center & humanistic approach to personal empowerment & responsibility, 27707
child & family & environment variables & choice of assessments for evaluation of early childhood enrichment programs, 17131
child-centered play in family therapy, 27236
Children Youth & Family Consortium, cross disciplinary collaboration between state university & community, 11315
community & family & child empowerment & narrative approach to crisis intervention after homicide, 24214
conceptual approach to familial caregiver role acquisition, implications for nursing research, 9499
contributions of ethnology/anthropology & sociology to studies of marriage & family, Yugoslavia, 26041
degrees of interpersonal interaction & distance over time in intergenerational relations, 4-generation family, 20 yr study, 22273
development & current state of family life studies, Lithuania, 26046
development of community based service network of informal & formal family support programs, prevention of child abuse & neglect, executive directors & frontline practitioners, 32919
development of family research & theory, Australia, literature review, 26033
development of family theory & research, South Africa, 26044
domain-specific choice preferences in life-death decision paradigm & violations of stochastic dominance axiom in large vs small vs family group contexts, adults, US vs China, 11663
East vs West German ideology & political & social structure, attitudes toward traditional gender division of labor & family, male vs female East vs West Germans, 1991, Germany, 11601
effectiveness of family support intervention, female long term AFDC recipients, 27676
enabling practices & empowerment service outcomes, families with members with disabilities, 23522
ethnographic approach to understanding ecology of family service use, ethnically diverse low income families, reprint, 27636
ethnomethodological study of the role of social work in & familial consequences of blood vengeance practice, Bedouin of Israel, 43366
evolution of sociopolitical system & changes in theory & substance of research about families, Poland, 26045
family-based & culture-specific dietary intervention, cancer risk reduction, low-literacy low-income Hispanic American mothers & their 7–12 yr old children, 13187
family centered brief solution-focused therapy model, 21–40 yr olds with schizophrenia & their families & clients, 39724
family centered philosophy & infant–parent interaction in early intervention model for families of children with special needs, 40475
family centered philosophy & infant–parent interaction in early intervention model for families of children with special needs, commentary, 40485
family circumstances & individual characteristics & adolescent peer affiliations, continuity & change in disruptive behavior patterns, adolescents, 16-yr study, New Zealand, 19280
family drug use, cocaine abuse, African American female crack users (mean age 31 yrs), 23034
family early intervention services offered through home visiting programs, community health service providers, 13316
family empowerment beliefs & behaviors & strategies, early childhood educators, 30152
family encouragement, academic achievement, female college students, 20602
family genetic aspects, children & adolescents with depressive disorders, literature review, 30852
family personality & therapy, African Americans, 43036
financial burden on society & family & individual & role change, patients (mean age 71.7 yrs) with early through late stages of Parkinson's disease, 39568
help seeking from agencies & professionals vs family & community for child's mental health problems & role of language, African American vs Latino vs White families, commentary, 27710
help seeking from agencies & professionals vs family & community for child's mental health problems, African American vs Latino vs White families, commentary reply, 27712
help seeking from mental health agencies & professionals vs family & community for child's problems, African American & Latino vs White families, implications for minority alliance & outreach, 16853
history & development of family theory & research, Hungary, 26030
immigration & language & education & family & geographic distribution & socioeconomics & age & availability & use of mental health services, Chicanos, implications for counseling & research & policy, 35055
impact of family & community violence on young children & their families, 31207
individual & family & environmental factors & aggression, 8–14 yr old low income African Americans, 42447
insights for family researchers who want to learn how to teach qualitative research methods, quantitative researcher, resource information appended, reprint, 25140
integration of schools & families & communities through School Development Program, 20546
interdisciplinary & cross-national perspectives on global trends affecting children & their families, 10 countries, 38282
intervention for overcoming of barriers to service, use of mental health services & family & service system empowerment, families with 4–18 yr olds referred for service, 16809
intervention prevention & multiple literacies & social change approaches to family literacy, 9822
knowledge & qualifications for making suitable divorce settlements favorable to children & lifestyles of parents involved, family mediators, 24951
measurement & statistics & factor analysis in family psychology research, 40951
methodology for collection of case record & interview data for qualitative analysis of relationships between family & system of care, emotionally disturbed male 14 yr old, 16801
model for preparing agencies & practitioners for move to family centered services, residential & nonresidential child & youth care workers, 16820
narrative accounts & generative fathering in interpretive family life education, reprint, conference presentation, 26031
perception of role & activities in & implementation of strength based program for families with children with severe emotional & behavioral disabilities, rural child case management staff, 5316
personal storytelling, socialization, middle class families & their 2-yr-olds, Taiwan vs US, longitudinal study, conference presentation, 41901
plans for careers & marriage & family & choice of Black or other racial & ethnic dating & marriage partners, 17–25 yr old Black females, 15459
principles of & issues in strength-based approaches in support of families with multiple risks, 32239
proposed national policy for support of children & families, 35105
psychosocial characteristics & functioning & predictors of psychiatric morbidity, homeless 2–16 yr old children & their parents, UK, 38415
reconceptualization of the family & family counseling, 32247
reflexivity & personal experiences as bereaved mother in qualitative family research using feminism & contextual model of family stress, experimenter & mothers who were bereaved of child, reprint, 26032

schizophrenia age at onset & risk of illness in relatives, 22846
school based vs school plus family intervention, psychosocial determinants of development of cardiovascular disease risk factors, 3rd graders, 17125
school-linked service movement & development of family resource centers, 2005
social & historical & political & cultural context of Black family life, proposal of Black Family Socio-Ecological Context model of idiosyncratic racial disparities, 22229
social relations perspective in boundary changes & composition over family life course, Finland, research review, 30153
sociological research on family theory, Norway, 19th century–present, 30135
sociology of political freedom & its application to family, 35012
strategies for working with families of young autistic children in planning treatment & coping with crises, psychiatric clinicians, 9391
Supportive & Conflicted & Controlling components of Family Environment Scale subscales, college students (mean age 18.6 yrs), 37404
theoretical & methodological influences in political & social change in family theory research, Denmark, research review, 30129
transferability of family concepts into Japanese culture & reliability & validity of Family Environment Scale, assessment of social-environmental family characteristics, housewives, Japan, 20966
trends in demographic indicators of family, past 50 yrs, Canada vs US, conference presentation, 22266
United Nations Convention on Rights of Child & influence of international children's rights issues in US family policy, 14129

Family Background [See Also Family Socioeconomic Level, Parent Educational Background, Parental Occupation] —Serials

abstraction & problem solving & motor control & other neuropsychological parameters, definition of clusters for schizophrenic spectrum disorder, familial vs nonfamilial schizophrenic 16–30 yr olds, 1302
ADHD & psychiatric comorbidity & family history & adversity, risk for psychoactive substance use disorders, 6–17 yr olds, 4 yr study, 31294
background factors associated with genital self mutilation, 38 yr old male, 4278
child & caregiver & situational factors, return to foster care, 0–14.3 yr olds, 9414
clinical vs community proband ascertainment, estimates of familial aggregation of depression, 18–44 yr old depressed female probands, New Zealand, 7936
cognitive characteristics & attitudes & family background, male child molesters with fixated vs regressed typology, 35850
comorbid & family psychopathology & early home environment, early onset dysthymic 18–60 yr olds subtyped with H.S. Akiskal's subaffective dysthymia vs character spectrum disorder criteria, 11937
demographic & child & parent & family variables, participation in longitudinal research, families of children with cystic fibrosis vs congenital heart disease vs no chronic illness, 26872
demographic & clinical & CT scan variables & positive family history, minor physical anomalies, 16–70 yr olds with functional psychoses, England, 1294
demographic & school & family & social factors associated with increased probability of inhalant use, 7th–12th graders, 19398
demographic characteristics & duration & severity & family history of substance abuse, patients with vs without mental retardation, 1447
demographic vs family vs academic vs psychosocial factors, cigarette &/or alcohol &/or marijuana &/or inhalant &/or cocaine use, Mexican American 4th–12th graders, 19377
developmental histories & family background & diagnostic pattern & clinical features & outcomes, adults with adolescent onset of anorexia nervosa, Germany vs Bulgaria, 4 yr followup, 12423
diagnostic validity of family history vs clinical interviews, relatives with psychiatric disorders of elderly with major depression vs dementia of Alzheimer's type, 11843
early vs late onset of excessive alcohol consumption & family alcoholism history, CSF central serotonin turnover & degree of antisocial behavior & psychiatric comorbidity, alcoholic inpatients, 8237
eating & psychological & family characteristics, females with bulimic disorders who completed vs failed to engage in vs dropped out of individual outpatient cognitive behavior therapy, 32139
familial & psychosocial & sociocultural & school based risk factors & self reported violence, 6th–7th grade White vs Black vs other racial or ethnic group males, 3 yr study, 12150
familial aggregation of psychiatric disorders & suicide attempts in community sample, adolescents & their relatives, 35456
family & personal history, risk of developing major depression, patients with Alzheimer's disease with vs without depression, 12638
family background & management & childhood antisocial behavior, prediction of violent offending, male multiple arrestees followed from grade 4 to 11, longitudinal study, replication, 16096
family background & parental attitudes & peer support & behaviors & attitudes, academic achievement, 6th & 8th & 10th graders from Latino or East Asian or Filipino or European immigrant backgrounds, 37034
family background & parental involvement & community integration, academic success, adolescent students, rural Iowa, 4 yr study, 37042
family characteristics, parent expectations & goals in child health supervision & pediatrician emphases, mothers of 2–3 yr olds & pediatricians, 20164
family demographic data & child's developmental characteristics & types of early intervention services offered, 30 mo olds in child care centers, 40077
family history & drinking practices & level of reaction, risk for alcoholism & alcoholic outcome, 28–37 yr old sons of alcoholic vs nonalcoholic adults, 8 yr followup, 8278
family history & elevated systolic BP, cardiovascular reactivity to mental arithmetic stress, male college students, replication, 4625
family history & personality & affect & psychopathology, blood harman & nonharman levels, alcoholic 30–59 yr olds before vs after 6 mo abstinence, 12252
family history, children with elective mutism (mean age 8.9 yrs) vs children with similar behavioral phenotype (mean age 6.8 yrs), 42686
family history of bipolar & affective disorders & hypomania & previous symptoms, new episodes of affective disorders, families, 5-yr prospective study, 22777
family history of Creutzfeldt-Jakob disease & psychosis & dementia & poliomyelitis & organ meat consumption, risk for Creutzfeldt-Jakob disease, 26–81 yr olds, 12692
family history of depression & dementia, patients with 1st episode of major depression after onset of Alzheimer's disease, 12681
family history of personality or other psychopathology, prediction of combat exposure & predisposition to PTSD, male military veteran with PTSD vs anxiety &/vs depressive disorder, 22908
family history of probable Alzheimer's disease & reduced rates of glucose metabolism in brain regions, 50–65 yr olds homozygous for apolipoprotein e4 allele prior to onset of cognitive impairment, 12667
family history of psychiatric disorder & adolescent onset of depression & presence of severe depression in childhood, risk for major depression in adulthood, children & adolescents, 18-yr followup, 22765

family history of psychotic disorders, affective reactivity in thought disorder & diminished right ear advantage on dichotic listening test, 24–55 yr old schizophrenic inpatients vs outpatients, 1278
family poverty history, mental health development trajectories & depression & antisocial behavior, 4–5 yr olds, 29716
family status vs parenting variables vs peer support vs neighborhood risk, academic performance, 12–14 yr old African American junior high school students, 1 yr followup, 9923
family structure & family formation & family & personal characteristics, home leaving behavior, persons (aged 30 yrs or younger) who have left home at least once, 35091
gender & age & family history of alcoholism, alcohol expectancies, 17–35 yr olds, 26672
gender & composition of sibships & ordinal position, effects of social origins on educational attainment, adult siblings, 30142
genograms in counseling practice, couple experiencing difficulties due to wife's depression, 39659
incidence of behavior problems & home environment & family background, 6–11 yr olds, India, 8160
injury severity & preinjury psychiatric & behavioral & adaptive functioning & family functioning & psychiatric history, psychiatric outcome, traumatic brain injured 6–14 yr olds, 3 mo followup, 31831
interrelationships among personal & family & prior service utilization history, 9–20 yr olds with emotional & behavioral disorders placed in interagency community based care system, 16841
intrafamilial stress & family history of emotional problems & past school problems & psychiatric illnesses, prevalence of anxiety disorders, 7–17 yr olds with asthma, 1488
issues in cross cultural patient education, role of cultural background & family in health & illness & treatment beliefs, 24070
lifetime history of Axis I diagnosis & family history & persistence of thumb sucking & rocking from infancy, prevalence of DSM-IV stereotypic movement disorder, intellectually normal 9–48 yr olds, 1347
maternal & child & family factors related to employment status & employment history, single mothers of low birth weight vs full term 3–5 yr olds, 37164
mother child interaction patterns, abusive vs nonabusive families, 19274
needs & presses & family background, delinquent vs normal male juveniles, India, 16112
parent child relationships & developmental & behavioral attachment links & familial & cultural contexts in caregiving system theoretical framework, 3482
parental medical history & separation experiences, heart-focused anxiety & illness fears, college students, 7713
perceptions of family problems & environment & relationships, 18–35 yr old females with borderline personality disorder vs their parents vs normative families, 22941
personal & family history of affective & alcohol abuse disorders & other psychiatric diagnosis & symptomatology, 21–68 yr old HIV seropositive & AIDS patients with vs without iv drug abuse, 12519
plasma beta-endorphin & HVA & MHPG, male 10–12 yr olds naive to drugs of abuse vs at increased familial risk for substance abuse disorder vs with vs without fathers with antisocial personality, 12245
pre & perinatal hazards & family background, twins (mean age 8.4 yrs) with speech-language impairment, instrument appended, 16193
rates for depression & mania & substance abuse & antisocial personality & PTSD & anxiety disorders in mothers & other 1st degree relatives, 10–18 yr olds with asthma, 16268
SES & education & family history, breast cancer knowledge & risk perception & screening & medical procedures, Black vs White adult females, 26935
sex, ethnicity & proximal family environment & cognitive performance, Anglo-Australian vs English vs Greek vs Southern Italian 6th graders, Australia, 15235
similarity in backgrounds & abuse, female Al-Anon members, scale appended, 24332
smooth pursuit eye movement function, cocaine dependent patients with vs without paternal history of alcoholism, 42513
social support & family environment & academic performance & self esteem, antisocial behavior, 21 yr old males vs females assessed since 5 yrs old, longitudinal study, 19304
socioeconomic & personal & drug use & criminal justice characteristics, 18–25 yr old Black vs Hispanic vs White male inmates in the federal correctional system, 39229
use of genograms in counseling & therapy & health care, literature review, 31975
validity of family history vs family study method for diagnosing schizophrenia related disorders, 1st degree relatives of probands with schizophrenia & schizo-affective & affective disorders, 39047

autosomal recessive vs alternative models as mode of disorder inheritance, 27–73 yr old lithium responsive affective disorder patients & their families, Canada, 42247
bias in recruiting probands & relatives, participation in family studies, outpatients with mood or personality disorders, commentary, letter, 1195
client dementia & behavior problems, carers' capacities & motivations & likelihood of institutionalization, caregivers of dependent elderly, 13369
clinical characteristics of substance-induced mood disorders vs independent major depressive episodes, alcohol-dependent adults & their relatives, 39215
clinical depression vs anticipatory grief, caregivers of family members with Alzheimer's disease or other dementias, 13368
clinical vs community proband ascertainment, estimates of familial aggregation of depression, 18–44 yr old depressed female probands, New Zealand, 7936
comorbid alcohol & drug abuse, rates of major depressive disorder, relatives of probands, 22773
comorbidity patterns of panic & other disorders, members of families ascertained for genetic linkage study of bipolar disorder, 38933
conceptualization & development & implementation & evaluation of Family Empowerment Project, 26–40 yr old caregivers of 6–17 yr olds receiving mental health services, 43336
concordance between reports of symptom severity, remitted schizophrenic 22–38 yr old outpatients vs their family members, 4150
conflicts & related outcomes & family expectations for performance & personal advantages, family vs nonfamily members in small family-owned vs non-family-owned businesses, 43804
construct validity of root-mean-square error method, assessment of smooth pursuit eye tracking abnormalities, schizophrenic patients & their relatives, reanalysis, 7951
construction & internal consistency of Five Minute Speech Sample subscales, measurement of kins' expressed emotions, fathers &/or mothers of 15–26 yr old schizophrenics, Holland, followup study, 40831
constructivist interpretivist view of grief within family, individual reactions to loss & use of family as arena for grief, 11558
consumers' use of & families' perception of value of medical treatments & psychosocial services & psychotherapy, families & their mentally ill adult offspring, 1976 vs 1993, 20174
convergent validity of Family History Interview for Personality Disorders & reports of personality disorders, 1st degree adult relatives of Ss in family study on mood & personality disorders, 35701
conversation experiences at home with family in which all other members can hear, 7-yr-old profoundly deaf female, case report, 23502
coping & stress during initial phase of injury & recovery, family members of 6–12 yr olds with severe vs moderate traumatic brain injuries, 16389
counseling & psychotherapy & self help groups, family & social environment, family members of alcoholics & drug addicts, translated article, conference presentation, 20314
criminal prosecution outcomes in intrafamilial & caretaker child sexual abuse cases, 17517
cultural myths about & reactions to & treatment of trauma due to rape & need for social support, female rape victims & their families & significant others, implications for family therapists, 4892
definitions & meaning of situation & feelings about identity of patient, relatives of family members with Alzheimer's disease, commentaries & reply, 16363
degree of relatedness, nepotism in outranking peers, laboratory housed female Japanese macaques, Canada, 34413
demographic characteristics & representativeness of all persons with seriously mentally ill family member, members of National Alliance for Mentally Ill vs state support group, 13108
demographic characteristics of caregiver &/or family member & caregiver burden & service needs, stress, families of adults with mild vs moderate vs severe/profound mental retardation, 31471
demographics, attitudes toward physical discipline & behavior of children in their care & level of agency support, nonrelative foster parents vs kinship caregivers, 24189
density of pedigree of ADHD ascertained through adult proband, female 44 yr old with childhood onset ADHD, implications for adult vs child probands in genetic linkage analysis, 8340
deployment of parents in Operation Desert Storm & child's age & sex, child & family functioning & depression & life stressors, military children, 3442
development & construct validity of Experience of Caregiving Inventory, caregiving in stress-appraisal-coping vs burden framework, related caregivers of patients with serious mental disorders, 28580
development & validity of questionnaire assessing coping strategies, 18–80 yr old relatives of patients with schizophrenia, Italy, 10406
developmental & systems model of therapeutic counseling, persons with HIV & AIDS & family members & significant others, 9234
diagnostic validity of family history vs clinical interviews, relatives with psychiatric disorders of elderly with major depression vs dementia of Alzheimer's type, 11843
diagnostic validity of hypochondriasis in preliminary family study, outpatients & their family members with vs without hypochondriasis, 26879
differential expression of flat affect, 1st degree relatives of male vs female schizophrenic probands, implications for role of genetic heterogeneity in familial risk for schizophrenia, 1283

discharge planning for institutional vs noninstitutional post-hospital care options, Black vs White elderly patients & their families & social workers, 9430
eating & body image attitudes & psychopathological traits, development of anorexia & bulimia spectrum disorders, mothers & fathers & sisters of eating disordered females, transgenerational implications, 4473
economic needs vs preferences in use of market child care vs by relatives, satisfaction & quality of care, employed 15–39 yr old mothers of preschoolers, implications for public policy, 11584
effectiveness of solution focused brief family therapy in children's mental health facility, 4–17 yr olds & their families, Canada, 32226
emotional experiences of family members of seriously mentally ill, Iceland, 42233
emotional trauma to child & duration of episode, outcomes of family abduction events, 16107
engagement in policy making activities in planning cancer care system, cancer survivors & family members & community representatives, 16750
examination of shared psychotic disorder delusions from cognitive perspective, 6–62 yr old family members, case report, 30941
experience & judgment of relative's verbal behavior & affective style in problem solving discussions, bipolar patients, 35536
experience of family caregiving at home, family members caring for 14 mo to 87 yr olds, 9488
experiences & caregiving burden, families with severely mentally ill member, 32958
experiences & interventions, family members of children with traumatic brain injuries, 16316
experiences & use of services & relationships with professional & service providers, Chinese families with 11–20 yr old children with learning disabilities, England, 27657
expressed emotion & burden of care & perceived social role performance & behavior problems, patients' positive & negative symptoms, relatives of schizophrenics and those with schizophreniform disorder, 7991
expressed emotion of patient's adult children or spouse, relapse & course of illness, 60 yr olds & older hospitalized for major depressive disorder, 1 yr followup, 30855
eye tracking & visual attention & schizotypal symptoms, nonpsychotic 1st degree relatives of schizophrenic patients, 35603
factors related to & correlations between parricide & criminal violence rates, Canada, 1962–1985, 35854
familial aggregation of alcoholism, 1st vs 2nd degree relatives of adults with major depression &/or alcohol use disorder, 35468
familial loading for psychotic disorders, onset & persistence of negative symptoms & hospitalizations & social disability & nonrecovery, 16–50 yr olds with psychotic disorders, 4 yr followup, 8001
familial relationship between ADHD & anxiety disorder, 1st & 2nd degree relatives of clinically referred school age males with ADHD vs anxiety disorder, 15821
families' definition & current challenges & successful approaches & helpful information, problem behavior, families with mentally retarded member, 4428
family & personal & consumer resilience, family members of persons with schizophrenia or major depression or schizoaffective or bipolar or personality or other mental disorder, 26406
family adaptation strengths & problems, primary caregivers of family members with head injuries, 4536
family adaptation to child's initial entry into supported employment, parents of adult children with mental retardation, 27800
family history assessment of personality disorders & direct interview methods & demographics & psychopathology & social desirability & interview agreement, adult patients & their 1st degree relatives, 35697
family intervention, long term rehabilitation & community reintegration, 29 yr old male & 32 yr old female with brain injuries, case reports, 5389
family member recognition of & clinical evaluation for dementia, 71–93 yr old Japanese-American males, implications for epidemiology & health screening, 31870
family members' & service providers' roles in termination of mental health services for child, mental health outcomes, children, 6 mo followup, 39983
family support vs peer modeling, alcohol & tobacco & marijuana use & gang involvement, Hispanic 8th graders, 22101
feelings toward mother & father & siblings, 17–19 yr olds entering college, 15309
findings from the evaluation of the Massachusetts Family Support Demonstration Project, families of persons with serious mental illness, 1987–1991, 27678
gene analysis & diagnosis, Huntington disease clinic patients without family history of disorder, 19634
genetic linkage under heterogeneity with markers on chromosome 13, families multiply affected with schizophrenia, 12052
grief therapy based on tasks of mourning, relatives of severely mentally ill, 8782
high vs low expressed emotion & subclinical nonverbal vs paralinguistic symptoms, schizophrenic patients & their family members, 35641
hospital based family support program for coping with chronic illness, self care & best use of health care system, 24263
impact of innovative DNA diagnostic technologies, fragile X families, 4530
impact of multiple AIDS related loss on families of origin & of choice, clinical work with families, 8904
importance of family caregiver's role in Alzheimer's disease & their mental & physical health & support systems & assessment & distress & other issues, literature review, 36748
individual counseling focusing on coping & family & social themes, burden & physical & emotional well being, family caregivers of schizophrenic patients, 5322
individual vs other family members' coping strategies, psychological well-being, 11–100 yr olds living in multigenerational households, 22270
integrated treatment addressing traumatic effects of parental suicide on child & family & state social service agency, 43026
intrafamilial vs extrafamilial perpetrator & number of incidences of sexual assault, disturbed eating behaviors & victimization patterns, female college students, 16180
issues in family caregiving of frail elderly & patients with dementia, 36747
issues in sharing gene inheritance information with other family members, fragile X families, 4548
latent class analysis of observed characteristics, subtyping of alcoholism, relatives of alcoholic probands, 26650
linkage analysis & markers from chromosome 20, lack of evidence for major disease allele & mode of inheritance, probands with bipolar disorder & their families, Denmark, 11961
linkage of schizophrenia to X chromosome markers, families, 39032
markers at dopa decarboxylase on 7p & 7q chromosomes, synthesis of dopamine & noradrenaline & linkage for manic depression, families, Denmark, 19150
mental health educational program preferences, family members (average age 56 yrs) of patients in psychiatric hospital or community center mental health treatment, 42876
missense mutations on S182 Glu246 cells, amyloid beta protein precursor metabolism in skin fibroblasts, patients with Alzheimer's disease & unaffected family members, 16352
mode of inheritance & locus heterogeneity & assumed phenocopy rates, statistical power in detection of linkage, bipolar affective disorder pedigrees, 4107
morbid risk for schizophrenia, 1st degree relatives of schizophrenic probands, Ireland, implications for high familial-genetic loading, 31048
multidisciplinary psychoeducation & support group program, individuals with mental illness & their families, 27486
multiple family groups, addressing behavioral difficulties of children, urban families & their children, 16557

need for more specialized care & lack of caregiver & psychiatric diagnosis, decision to admit to nursing home due to disruptive behavior problems, relatives of elderly nursing home residents, 5341
need importance & satisfaction & role of relationship with family members & same-sex friends, male vs female 12–17 yr olds from intact families, US vs Turkey, 41716
occupational experiences, police officers with vs without parent or close relative in police work, 43991
parental responses to systemic questions & therapist inferences based on responses & report of family member's dysfunction, therapists & parents of adolescents, 4891
participation in support group, family members of mentally ill relatives, 32640
patient's behavior changes, residual coping & burden problems 1 yr after discharge from rehabilitation, relatives or carers of 16–65 yr olds with traumatic brain injury, Scotland, 24236
PC activity, TV usage, child & adolescent & adult members of households, 29699
perceived burden, relatives of patients with obsessive compulsive disorder, Italy, 39089
perceived need for university-based counseling services for gifted children & their families, parents & school personnel & related counseling professionals, 43710
perceptions of mediation as mental health service, 18–71 yr old consumers with mental illnesses & family members, 32851
personal adjustment & caring activities & support needs, 33–66 yr old informal carers for learning disabled discharged from long stay hospitals, 16888
personal characteristics & level of participation in older diabetic patients' primary & diabetes related care & medical encounters, family members, 27734
personal characteristics & level of participation in older diabetic patients' primary & diabetes related care & medical encounters, family members, commentary, 27733
personality traits, relatives of outpatients with depressive or mood disorders, 11993
posttraumatic symptoms & psychological distress, family members of child & adult victims & survivors of fatal bus accident, Norway, 5 yr study, 7878
preferences for accompaniment by family member or friend during routine health care visits & in examination room, patients visiting family medicine center, 32779
premorbid psychometric profile, 18–45 yr olds with first-degree relatives with an affective disorder, 35538
prevalence & patterns of eye tracking dysfunction, schizophrenics in families with multiple cases of schizophrenia, 15932
prevalence of alcoholism among 1st & 2nd degree relatives & 1st cousins, 6–12 yr olds with major depressive vs bipolar disorder, 2–5 yr followup, 7937
prevalence of chronic noncancer pain or disability, 1st degree relatives of chronic pain patients, 16260
proband season of birth, risk of developing schizophrenia, 1st degree relatives of probands with schizophrenia or schizoaffective disorders of schizophrenia spectrum disorders, Ireland, 4159
production of interferon-gamma, adults in families with multiple occurrence of schizophrenia, 30927
projected vs target emitted vs shared emotionally relevant information, appraising family members' anxiety under threat of missile attack, 11–12 yr olds & parents, Israel, 22488
psychiatric symptoms & social adjustment, 5–14 yr old survivors of parent or sibling suicide, 31246
psychoeducational vs family education interventions, families of adults with serious mental illness, 27277
psychological & physical functioning, families of adult males with hemophilia with vs without HIV, 39366
psychological perspectives on next-of-kin & individual organ donation decisions, literature review, 24050
R. D. Hess & G. Handel's Family Worlds & importance of whole-family methodologies for family studies, conference presentation, reprint, 26035
rates for depression & mania & substance abuse & antisocial personality & PTSD & anxiety disorders in mothers & other 1st degree relatives, 10–18 yr olds with asthma, 16268

psychosomatic model of family cohesion & adaptation & parental adjustment, families with 9–15 yr olds with controlled vs uncontrolled asthma, 4549
Q-sort vs observational measures vs Family Adaptability & Cohesion Evaluation Scale, assessment of family structure & relations, 1 vs 2 parent families, 17566
quality of intimate relationships, 19–75 yr old adult children of dysfunctional families with vs without alcoholism, 19371
R. D. Hess & G. Handel's Family Worlds & importance of whole-family methodologies for family studies, conference presentation, reprint, 26035
ratings of family functioning in family of origin vs current family, patients with anxiety disorders vs bulimia nervosa, Canada, 1150
reciprocity & emotional well being & family functioning, family satisfaction, caregivers of parents aged 65 yrs or older, 29983
recognition of drug related problems & peer deviance & family dysfunction, therapeutic relationships & rearrest, 17–55 yr old probationers in substance abuse treatment, 36787
relationship between maternal depressive symptoms & family discord & adolescent psychological adjustment, male vs female 10th- & 11th-graders & their mothers, longitudinal study, 38973

relationship between parental divorce & self esteem, female college students, implications for abusive family climate vs loss of access to biological parent, 15468
relationship of depression & self esteem & life stressors to health, homeostatic interactions between biological & psychosocial & family variables, children with cystic fibrosis, longitudinal study, 23302
relationship with family members & friends, mothers who do vs do not maltreat their children, test of social isolation hypothesis, 4246
relationship with parents & peers & other antecedents, timing of 1st sexual intercourse, 18–22 yr olds, 11 yr retrospective study, 41724
reliability & validity of Children's Perceptions of Interparental Conflict Scale in late adolescence, perceptions of interparental conflict & adjustment, 17–21 yr olds, 33975
reliability & validity of Global Assessment of Relational Functional Scale, assessment of family relationships, 18–57 yr olds with bipolar disorder, 21045
reporting of headache & neck or shoulder pain within family structure, male vs female 20–70 yr olds, Norway, 8468
residential planning & predictors of waiting list use & placement for mentally retarded adults, 55+ yr old mothers of adults with mental retardation living at home, 4.5 yr prospective study, 31467
risk & development & characteristics, children with conduct disorder & their parents & families, literature review, 19287
role of familial vs peer influences in eating attitudes, female 7–11 yr olds, Japan vs US, implications for risk factors for subclinical & clinical eating disorders, 15310
role of family vs community resources in HIV & AIDS prevention & education, 17–23 yr old college students, Malawi, 24069
role of kin support in decisions to participate in productive activities outside home, 14–21 yr old single mothers, 1979–92, 29876
scores on Adolescent Family Life Satisfaction Index relative to parents & siblings & length of residency & age & sex, prediction of alcohol &/or tobacco use, Korean adolescents, Australia, 18577
self-advocacy, families, adults with learning difficulties, England, 31430
self concept & perceptions of family members & family interactions, college students, 3928
sense of entitlement & family functioning, adoptive families of 11–12 yr old children seeking mental health services, Canada, 30132
sex & job & family factors & work goals & personality attributes, social comparisons & perceptions of faring at work, 24–52 yr old dual career couples, 22574
sex & parental status & work–family environment, dual-career adopters vs nonadopters of computer-supported supplemental work-at-home, 10140
sex, ethnicity & proximal family environment & cognitive performance, Anglo-Australian vs English vs Greek vs Southern Italian 6th graders, Australia, 15235
sex, family interaction & career indecision & decision-making self-efficacy, college students, 28155
sex of parent & structural living arrangement & maternal employment outside of home, beliefs about family practices, Indian families with preschool-age child, India, 22276
sex of patient, affective attitudes & behaviors toward patient, relatives of 18–36 yr old schizophrenic patients, 1275
sex, socialization of moral orientation, 23–48 yr old parents & their 1.9–4.9 yr olds, 15301
sibling temperament ratings & parent—child relationship quality & family problem-solving behavior, sibling relationship quality, 4–9 & 6–11 yr old siblings, 3411
size & composition of family network & barriers to support from family, patients with AIDS, implications for patient & family caregiver education, 24240
skill building approach to family intervention, relationship enhancement model of counseling for families of patients in rehabilitation for severe mental illness, 32189
social construction of normal family life, parents of 5–26 yr old children with high functioning autism or Asperger's syndrome, Australia, 39241
social networks & support & family environment & adjustment, 5th & 6th graders with vs without mild mental retardation, 1446
social origins & psychodynamics of beliefs in badness of father figure, 912
social-psychological analysis of interpersonal forgiving & determinants & structure & consequences of forgiving & empathy-forgiving link, college students, test of empathy model of forgiveness, 38675
social relations perspective in boundary changes & composition over family life course, Finland, research review, 30153
social support & family research highlighting problems in social support exchange, patients & families coping with illness & disability, literature review, 1972–94, 19500
social support & later life satisfaction & family relationships, 44–97 yr old male VA nursing home residents, 29986
socialization mechanisms of negative reinforcement & affect dysregulation in family interaction, child antisocial behavior, 6–13 yr old males with conduct disorder & their families, 2 yr followup, 26630
sociocultural factors & family dynamics & separation & somatization, adolescent females with eating disorders, Switzerland, 16181
socioeconomic development & marital satisfaction & harmonious extended family relations & desire for sexual possessiveness in urban marriages, 19–68 yr old husbands vs wives, Turkey, 35079
sociological perspective on family & marital & friendship relationships in later life, elderly, literature review, 35001
sources of network relations instability, application of low auto-correlation mathematical model to family stress data, 26170
spouse &/or child in home & satisfaction with ability to discuss work at home, job satisfaction, nurses, 5513
step-relationships, violence against children, stepparents, 1350
strategies & personal attributes, effective management of daily life & positive transformational outcomes, parents of children with developmental disabilities, 23176
stress & coping resources & adjustment, families with visually impaired children (mean age 10.6 yrs), 4725
suicide attempts & youth & familial drug use, 12–21 yr old runaway homeless, 16019
sustained effects of clinician facilitated vs lecture psychoeducational preventive interventions, 8–15 yr olds & their parent with affective disorder, 32734
systems & structural family therapy approach, relationship with family & interpersonal relationships, 20–45 yr old transsexuals who had applied for sex change surgery, Hong Kong, 27264
systems model of families for developmental & adaptive self stabilization & organization & relationship issues, literature review, 30134
teenage pregnancy, family environment & role satisfaction & social support & psychological symptoms, 29–60 yr old African American nongrandmothers & grandmothers & grandmothers-to-be, 26040
Texas High Risk Youth Program, family cohesion & adaptability & resiliency & reduced drug use, adults & children aged 8+ yrs from low-income families, 43061
themes & imperatives for future research on families of seriously mentally ill, 30746
thought disorders & communication problems in family interaction, 6.9–13.43 yr olds with schizophrenic spectrum vs depressive disorders, 35635
Type A parent–adolescent characteristics & dyad gender & family environment, college students & their 38–64 yr old parents, implications for etiology of Type A behavior pattern, 11556
types & intensity of family accommodation, 2.5–4.5 yr olds with developmental delays, 8 yr study, 12319

typology of stepfamilies based on past orientation & acceptance of difference & focal subsystem & number & ages of children from previous & current marriages, remarried couples, 30159
use of coercive & negotiating strategies in conflict resolution & child's use of similar strategies with peers, mothers vs fathers & their 6 yr olds, 15456
use of mediation strategies in community vs family disputes, mediators, China, 30389
validity of need saliency model for work & family satisfaction & involvement, adults, India, 2310
validity of Perceived Self Efficacy Scale & incorporation of family & adjustment variables & adolescent use, 12–16 yr olds, Australia, 14267
view of testing & counseling process & understanding of genetics & carrier status impact on reproductive decisions & family dynamics, 16–76 yr old normal & normal carrier males in fragile X families, 4574
work & family variables, career satisfaction, dual earner couples, Hong Kong, 10089
work addiction & family of origin & family functioning, literature review, implications for marital & family therapy, 7486
work related stress, family & social relationships & home activities, HIV/AIDS staff & oncologists, 9762
Workplace/Family Stress Scale & contributions from various system levels to work–stress dynamic, fathers in dual income families, conference presentation, 35068
3-stage family transformations process of living with wife or husband or child with depression, spouses, 7892

Family Resemblance—Serials
correlations between the scores of offspring & parents on the NEO Personality Inventory, 18–61 yr olds, 42043
genetic & environmental influences, familial resemblance in alcohol usage, 12–24 yr old twin offspring & their parents, 15555
models of effects of social homogamy vs phenotypic assortment, similarity of fluid ability, monozygotic & dizygotic twins & their spouses, comparison of family environmental & genetic influences, 3034
population genetics model to explain advantages & disadvantages & adaptive strategies of infants resembling their parents, 34504
religiosity & genetic vs environmental influences, familial resemblance of psychopathology & drug use & dependence & stress, adult female twins, 22666
understanding of offspring resemblance to biological vs adoptive parent, adults vs preschool vs 6 vs 7 yr old children, 7279

Family Size—Serials
birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary, letter, 22370
birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary, letter, 22364
birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary, letter, 22385
birth order & number of brothers & sisters, sexual orientation, homosexual vs heterosexual males, commentary reply, letter, 22358
consequences of governmental intervention through family policy with focus on China's population problem & 1 child mandate, implications for Western society, 30149
desires for additional wives vs additional children, fertility & nuptial decision making, monogamous males, Cameroon, 11560
family size & age spacing, sibling relationships & conflict, children, 3459
fertility motivation after childbearing & counterbalancing negative motivation & satiation & delay & desired family size, childbearing decisions, spouses with no vs 1 child, 2 yr study, 11585
motivational factors in desired family size, 15–49 yr old Igbo females, Nigeria, 22268
presence & number of dependent children at home, rates of smoking cessation, male vs female 16–49 yr olds, UK, 24311
psychological presentation based on psychiatric referrals, only children vs children from 2 child families, England, 7861
typology of stepfamilies based on past orientation & acceptance of difference & focal subsystem & number & ages of children from previous & current marriages, remarried couples, 30159

Family Socioeconomic Level—Serials
age & household net wealth & income & taxes, economic risk taking, adults (mean age 48.3 yrs), Sweden, 24847
birth order & proximal family environment & educational & occupational attainment, 11 vs 16 vs 21 yr olds, Australia, longitudinal study, replication & extension, 38538
family variables & life events & sex & parental education & employment status & SES, prediction of parental involvement in career development, high school seniors, 28123
food adequacy & housing quality & financial assets & consumer goods & social resources as characterizations of childrearing environments, urban township families, South Africa, 4 yr study, 35029
likelihood of seeking help from general practitioners for common childhood physical vs behavioral problems, mothers of 9–18 mo olds attending clinics in less vs more affluent areas, UK, 8707
parent characteristics & economic status & community context, grandmother parenting support, 18–34 yr old Black mothers vs fathers, conference presentation, 30085
social class & mobility of parents, risk of psychiatric disorder & coping ability & occupational status, cohort of male 27 yr olds studied from birth, Sweden, 4018
speech during picture identification vs free play vs meal, White vs Black middle class vs working class parents & their 3–5.9 yr olds, implications for language acquisition, 902

Family Structure [See Also Birth Order, Childlessness, Extended Family, Family Size, Monogamy, Nuclear Family, Parental Absence, Patriarchy, Polygamy, Stepfamily] —Serials
assisted reproduction & shifts in structure of modern family from nuclear to nonnuclear & sexuality issues, 24007
attitudes toward women's role & religious affiliation & SES & family structure, attitudes toward centrality of children, citizens of Austria & Great Britain & Ireland & Italy & Netherlands & Germany, 38568
biological family disruption in first 18 yrs of life, adult depression & suicidality, college students, 30695
characteristics & availability of social support networks & child adjustment, Euro- vs Mexican American 5–8 yr olds from single vs 2-parent homes & their mothers, 34906
concept of family as set of dyads, Sweden, literature review, 30154
demographics & lifestyle & family structure, male homeless 6–17 yr olds, Nepal, 34885
differences in interaction style, 10–22 yr old anorexia nervosa patients & their families, Denmark & Sweden, 26836
diversity in lesbian & gay families along dimensions of gender & sexual orientation & generation & age & race & ethnicity, implications for family theories, commentary, 35157
diversity in lesbian & gay families along dimensions of gender & sexual orientation & generation & age & race & ethnicity, implications for family theories, 3694
divorced vs intact family structure, views of relations with grandparents, 18–48 yr old college students, 15469
dyadic perspective on family structure & relationships, 11561
family attachment & structure & socialization of law-abiding belief, major or minor delinquency or alcohol or cigarette or drug use, 11–14 yr olds, 26631
family disruption & stressed marriage & parent child relations, antisocial behavior assessed in childhood vs adolescence vs early adulthood, 7–11 yr olds, longitudinal study, 7371
family environment & parental divorce status, adjustment, high school students, 15311

family functioning & psychopathology & child diagnosis, mothers &/vs fathers & school refusing 7–17 yr olds from 1 vs 2 parent families, 26339
family organization & functioning & roles & cultural values, 1st & 2nd generation Filipino-American families & their clinicians, implications for treatment, 16547
family relations & marital stability & conflict, happiness & self esteem & depression dimensions of well being, 1st married vs remarried vs divorced vs continuously single parent mothers, 7476
family relationships & structure & parental smoking, adolescent onset of smoking, implications for school-based preventive programs, 20538
family social structure & ethnicity & parental practices, selection of child care center, households with 3–5 yr olds, 26061
family structure & career advancement opportunities, turnover & intention to leave job, male vs female managers, 1989–91, 10105
family structure & family formation & family & personal characteristics, home leaving behavior, persons (aged 30 yrs or younger) who have left home at least once, 35091
family structure & financial & life-cycle factors, negative vs positive marital quality, Black vs White 25 yr olds & older, 3614
family structure & formation & personal characteristics & timing of home leaving, 17 yr olds or younger vs 18–24 vs 24–30 yr olds, 25903
family structure & functioning, time spent with family & peers, young (mean age 12.24 yrs) vs middle age (mean age 14.30 yrs) vs older (mean age 16.35 yrs) male vs female adolescents, Australia, 25863
family structure & maternal social support, mother–child relations & child's cognitive/behavioral development, low income adolescent & adult Black mothers & their infants, longitudinal study, 7168
family structure & resources & stressors & SES, materialism & compulsive consumption, 20–32 yr olds from disrupted vs intact families, 33751
family structure & values & mental health needs, South Asians, US, implications for counselors & therapists, 26012
family structure during childhood, socioeconomic attainment & social mobility, adult Black vs White males, 38483
Family System Test representations of parental family constructs & effects of clinical interventions on family structure change, parents of children with physical vs mental disorders, 16550
female or male headed families or married couple or nonfamily households, use of mental health services, 18–65 yr olds & older, 13215
gender & composition of sibships & ordinal position, effects of social origins on educational attainment, adult siblings, 30142
growing up in stepfamilies after divorce vs single-parent vs unstable vs stable intact families, intimate relationships & relational attitudes & well being, 15–24 yr olds, Netherlands, 30166
individual vs other family members' coping strategies, psychological well-being, 11–100 yr olds living in multigenerational households, 22270
likelihood & demographic characteristics over time & consequences for children, single parent families headed by fathers, 1960–90, 11555
maternal depressive symptoms & family structure, daughter school grades & educational aspirations & expectations, White & Hispanic mother & 7th grade daughter dyads, 19171
mediation & separation trauma & anxiety & transition anxiety during divorce, implications for child therapy, 36199
mediation for assistance in transition from nuclear to binuclear family, joint parenting of children, divorcing parents, 7495
membership in single vs dual parent household & SES, educational achievement, Hispanic 8th graders, 37025
mother only vs 2 parent families, school attitudes & performance, African American high school students, 24612
parental & family conflict vs parents' marital status, attitudes towards marriage & divorce, 17–23 yr olds, 15299
parental divorce status & prior closeness with parents & gender, stage of moral development, 17–22 yr olds, 15298
parent–child differentiation & family structure dynamics & ego identity status, differentiation-individuation process, 18–25 yr old females, 18609
pathological narcissism & school success & family composition & parents' education level, secondary final year students, Yugoslavia, 19264
patient attributes & relatives' expressed emotion & household composition as risk factors for relapse, Ss (mean age 20.5 yrs) with schizophrenia & related disorders, Netherlands, 19208
perceptions of own parents' parenting, fathers of 11–14 yr olds, 3648
perinatal biomedical risk & IQ & paternal sociodemographic factors & family composition & paternal caregiving & child development, extremely low birth weight 6–8 yr olds, Japan, 22109
personal & interpersonal & divorce & other family characteristics, interpersonal relationship quality, female college students, 15596
political & religious beliefs & affiliations & job choice & status attainment & family characteristics, 1960s protestors vs nonactivists, follow up study, 35020
psychosocial & academic benefits of living with same vs opposite sex parents, children & adolescents living in single parent households, 41905
Q-sort vs observational measures vs Family Adaptability & Cohesion Evaluation Scale, assessment of family structure & relations, 1 vs 2 parent families, 17566
relationship with mother vs father & family conflict, predictors of psychological adjustment, college students from divorced vs intact family, 15471
self-esteem, 13–18 yr olds from divorced vs intact families, 11429
SES & family structure & Catholic school attendance & number of school changes, dropping out of high school, 8th graders at 10th & 12th grade followups, 40455
sex ratio bias toward males, families of children with neurodevelopmental disorders, commentary reply, 8341
sex ratio bias toward males, families of children with neurodevelopmental disorders, commentary, 8346
sources of network relations instability, application of low auto-correlation mathematical model to family stress data, 26170
theoretical framework for M. Bowen's family systems theory & clinical practice in family therapy, 32217
type & number of siblings & birth order, manic depressive tendencies & past suicidal ideation & attempts, college students., 30651
welfare incentives & recent marriage market, family formation & female-headed households, 10 yr study, 43385

Family Therapy [See Also Conjoint Therapy]—Serials

administration & outcome of experiential exercise for language skills training, beginning marital & family therapists, 13558
adult attachment theory & practice of family therapy, 4904
analysis of school & family & family-school interaction subsystems, family counseling interventions for student behavior problems, school counselors, 33575
application of discursive & narrative analytic techniques & microanalytic method to family therapy process, coping with change following marital separation, family members, commentary, reanalysis, 27280
application of discursive & narrative analytic techniques to family therapy process, coping with change following marital separation, family members, 23774
application of H. J. Aponte's systems based Family-School Interview in school & family conflict situations, 12865
application of solution-focused brief therapy in family medicine, South Korea, 43037
application of theater techniques such as mirroring in family therapy, 27283
application of 2nd order theories to family therapy practice, 32213
application of 2nd order theories to family therapy practice, commentary, 32197

application of 2nd order theories to family therapy practice, commentary, 32238
assertive community treatment & psychoeducational multi-family group vs episodic crisis family therapy, 18–45 yr olds with schizophrenia & their families, 2 yr study, 1754
assessment & therapeutic issues related to gay/lesbian adolescents & families, 23800
attachment theory in adult child & older parent relationships & applications to counseling, 22264
attempts at interaction with adult world, origins of acts of violence & use of alcoholic beverages, teenagers, implications for family intervention, 22966
barriers & perceived barriers to treatment & premature termination from outpatient child therapy, families of 3–14 yr olds suffering from oppositional & aggressive & antisocial behavior, 36318
benefits & challenges to implementation of manual-based & psychoeducational & culturally sensitive family intervention, families of children with sickle cell disease, 27259
bereavement counseling in family context, letter, 8912
bibliometric & content analysis of 1st 10 volumes of Australian & New Zealand Journal of Family Therapy & history of family therapy, "Australia & New Zealand", 4893
blame & its discussion in family therapy, 27245
Bowen family systems & symbolic experiential theory in family therapy, 8893
Bowenian theory of & techniques to promote emotional differentiation, case example of transgenerational therapy, implications for clinicians, 27248
brief individual family consultation vs group psychoeducation, grief & self efficacy & social support & stress & coping, relatives of persons with schizophrenia or other serious mental illness, 1755
Brief Structural/Strategic Family Therapy, treatment outcome on behavior problems & alcohol & drug use, African American & Hispanic high risk 12–14 yr olds, 43044
change process in solution focused marital & family therapy, 12862
characteristics of Windsor Regional Children's Centre, psychotherapeutic family camp, 32227
child-centered play in family therapy, 27236
clients' feedback on therapeutic experiences & meaning, relational processes of affirmation & discovery & congruence of significance to systemic therapy, family members, 12871
client's perceptions of therapist's role as debriefer vs 3rd-party debriefer during family therapy & relationship to therapeutic process, 22–47 yr old respondents & their 8 mo to 14 yr old children, 43028
clinician facilitated vs lecture group discussion intervention, prevention of childhood depression, depressed parent & their 8–15 yr old children, 36314
collaborative family therapy & religious family systems, 27257
collaborative intervention strategy for children involving school & family & community resources, case example, implications for family therapists, 27239
combined treatments consisting of pharmacotherapy & individual psychotherapy & marital/family therapy, biopsychosocial issues involved in chronic mood disorders, 23539

trauma, world views of fatalism & justice & vulnerability & self-view, 24–96 yr olds, 3 yr follow-up, 22526
Father Absence—Serials
family formation & developmental consequences of extended father absence due to WWII, males born between 1929–31 vs 1939–41, West Germany, 785
maternal vs paternal separation, psychosocial functioning, 4–8 yr olds living with mother vs father on military base, 3402
SES & defense styles & role of loss of father vs mother, male vs female 14–20 yr olds, Finland, 3467
social science vs evolutionary predictions of child development & behavior, 25–60 yr olds from father-absent vs father-present households, Hungary, 18420
therapy & reactions to physical & emotional loss of father, sons, implications for family therapists & other professionals, 27114
Father Child Communication—Serials
conceptual analysis of impact of father's approval on a man's sexuality, sons, conference presentation, 29905
open & problem free patterns of communication with parents, decision making processes, 17–19 yr olds & their mothers vs fathers, 11591
parent–child attachment & communication from infancy to middle childhood & later friendship competence, families of children now 20 yrs old, longitudinal study, Germany, 11437
pets & poetry in relationship between Anna & Sigmund Freud, 15774
Father Child Relations—Serials
age & illegal behaviors & involvement of fathers, unmarried 17 yr old & younger mothers, 3.5 yr study, 35018
application of feminist psychology & psychoanalytic theory to entry into gendered identity & cross gender identifications & consciousness of father's relative powerlessness, working class daughters, 7533
assessment of father–child relations, impact on child development & support, sheltered homeless & low-income housed females & their children (mean age 5 yrs), 11587
childhood experience of parental divorce, self esteem & closeness to father & other mediating factors in subsequent depression, 9th graders followed up 6 yrs later, Finland, 30893
communication with mother vs father, 12–19 yr olds in stepfamilies formed after mother's divorce & remarriage vs father's death & mother's remarriage vs biological families, 30161
conceptual analysis of impact of father's approval on a man's sexuality, sons, conference presentation, 29905
cross cultural analysis of father's affirmation & son's self esteem & masculinity & intimacy & construction of sexuality, design implications, conference presentation, 22302
father empathy & participation in child care, development of empathy, 1st grade males & their biological parents, implications for object relations vs social learning theory, 3408
father involvement with child from birth, intellectual & behavioral outcomes, 13–54 yr old fathers & their low birth weight preterm infants, 3 yr study, commentary reply, letter, 8503
father involvement with child from birth, intellectual & behavioral outcomes, 13–54 yr old fathers & their low birth weight preterm infants, 3 yr study, commentary, letter, 8472
father roles & involvement, Caucasian families with 15 mo old 1tborn male toddlers, 15480
fatherly affirmation, fear of intimacy & self-esteem, male college students, Canada vs Netherlands, 22301
father's SES & mother's vs father's education & remarriage & child's age & mother's sole vs joint custody, postdivorce contact with children, fathers, 11568
love for spouse & similarity in childrearing views & traditional role identification & paternal ADHD symptoms, father involvement & parenting practices, parents of 7–12 yr olds with ADHD, 23144
making a commitment & becoming connected & making room for the baby, father-infant relationship, fathers, 26056
maternal & child's & paternal characteristics & familial factors, prediction of father's frequency & share of & satisfaction with involvement with oldest child, 25–60 yr old mothers & fathers, 926
memories of childhood relationship with father, homosexual vs heterosexual males, 15534
narrative accounts & generative fathering in interpretive family life education, reprint, conference presentation, 26031
parental object relations & eating behaviors, daughters' level of eating disturbance, 16–39 yr olds with eating disorders, 16188
parental role & paternal vs maternal involvement, adolescent well being, low income 7–11 yr olds, 11 yr study, 3436
parental warmth & control, sibling differences in internalizing vs externalizing behavior, 1–11 yr old siblings & their mothers vs fathers, 11571
parenting & father involvement & resources in conceptual model, custody type, mothers with joint vs sole custody of their children, 41891
parenting vs nonparenting hassles & child behavior problems, parental psychological symptoms, mothers vs fathers & their 2nd–4th grade children, 11570
paternal involvement & childrearing attitudes & practices & role satisfaction & demographic variables, fathers of 4 vs 8 vs 12 vs 16 yr old first born sons & daughters, 18733
paternal vs maternal play style with child, 16 mo olds & their parents, implications for contribution to cognitive development, France, 7179
perceived fatherly affirmation & self-esteem & fear of intimacy & comfort with masculinity, Canadian vs Dutch male college students, 30146
positive parenting, child misbehavior, middle class White families with 6–7 yr old boys vs girls, 934
psychiatric disorder prevalence & characteristics & relationship to parental psychopathology, 10–12 yr old males & their fathers with vs without substance use disorders, 26653
quantity & quality of father's involvement in childrearing, academic & social performance, Ojibwa 3–11 yr olds, 15484
sex differences in relationships during childhood & adolescence, mother–son &/vs mother–daughter &/vs father–son &/vs father–daughter dyads, literature review, 35088

Fathers [See Also Adolescent Fathers, Single Fathers] —Serials
age & illegal behaviors & involvement of fathers, unmarried 17 yr old & younger mothers, 3.5 yr study, 35018
antenatal & postnatal incidence of depression, 1st time mothers & husbands/partners, Portugal, 22742
demographic & treatment & illness characteristics, attempted or actual parricide, mentally ill males, 8312
effectiveness of & obstacles to involvement in early intervention programs, fathers of children with disabilities, 23544
father roles & involvement, Caucasian families with 15 mo old 1tborn male toddlers, 15480
grief over loss of child, bereaved 27–73 yr old mothers vs fathers, 7512
grief severity 6 mo after child's death, mothers vs fathers whose infants were admitted to pediatric surgery intensive care unit with congenital anomalies, 31597
health care & school/development & social & other events, sorrow & intensity of mood states, 20–47 yr old mothers vs fathers of 7–75 mo olds with neural tube defect, 8606
history of depression or depression during pregnancy, correlates of postnatal depression, 1st time mothers & husbands/partners, Portugal, longitudinal study, 22743
history of paternal involvement in childrearing & family tasks & traditional sex role attitudes, inequitable perceptions of patriarchal vs matriarchal father & family functioning, young adults, 22263
making a commitment & becoming connected & making room for the baby, father-infant relationship, fathers, 26056
memories of childhood relationship with father, homosexual vs heterosexual males, 15534
neuropsychological deficits & general cognitive functioning, 10–14 yr old sons of active vs recovering alcoholic vs nonalcoholic social drinking fathers, 31328
parental involvement with child day care center, mothers vs fathers of children in day care, 35107
paternal antisocial behavior & degree of contact between father & child, conduct problems, 6–13 yr old mental health clinic outpatients, 8169
perceived parenting stress & family functioning, fathers of children evaluated for organ or bone marrow transplantation, 16759
perceptions of own parents' parenting, fathers of 11–14 yr olds, 3648
role of father in intrapsychic life, implications for psychoanalysis, conference presentation, 35390
social origins & psychodynamics of beliefs in badness of father figure, 912
sources of stress, mothers vs fathers of deaf or hard of hearing 9 mo olds, implications for early intervention support services for similar families, 23510
treatment issues & obstacles & multicultural factors in counseling conservatively religious fathers, 32039
Workplace/Family Stress Scale & contributions from various system levels to work–stress dynamic, fathers in dual income families, conference presentation, 35068

Fatigue—Serials
adaptive driver system strategy, defense against adverse effects of fatigue & workload extremes & diminished driver capacity, professional drivers, 43922
alcohol intoxication vs fatigue, cognitive psychomotor performance, adults, 38090
amantadine vs pemoline, fatigue & cognitive function, ambulatory patients with multiple sclerosis, 20076
attributional style, fatigue & psychological distress & number of symptoms & level of disability, 18–45 yr olds with chronic fatigue, UK, 18 mo followup, 1490
biological & psychological & social processes in theory of postoperative fatigue, literature review, 42891
bupropion, selective serotonin reuptake inhibitor induced fatigue, 46, 47, & 50 yr olds, case reports, 36452
burnout & sociodemographics & depersonalization & personal accomplishment & emotional exhaustion, general hospital doctors, Spain, 33274
chronic fatigue & other physical & hypochondriacal & depressive symptoms & quality of life, 18–75 yr olds with major depression vs chronic fatigue syndrome, 26355
cognitive behavior therapy vs progressive relaxation, functional impairment & fatigue & psychological stress outcomes, adults with chronic fatigue syndrome, 23998
consecutive long night flights, stress & fatigue, 25–55 yr old airline pilots, Germany, 43839
daytime sleepiness while driving, automobile accidents, male drivers, England, 43925
development of driver fatigue advisory using mindset & ecology & hazard environment factors in driver perception questionnaire, experienced drivers, Canada, 43926
dextroamphetamine, depression & low energy levels, males with AIDS, 24 wk study, 32579
effect of work glove & type of muscle action on grip fatigue & relationship between physiological muscle performance & subjective perceptional fatigue, 21–55 yr olds, 37257
eye blink & saccadic eye movements, prediction of performance decrements after fatigue in simulated flight tasks, partially sleep deprived 25–42 yr old pilots, 11048
factors affecting validity of self report data on visual fatigue from VDT use, 5839
fatigue effects & task demands, design of in-vehicle countermeasure systems to counteract driver fatigue, drivers using driving simulators, 43915
fatigue related variables & optimism bias, accident involvement, male metropolitan taxi drivers, Australia, 2 yr study, 43914
fatigue symptoms & perception of critical level of fatigue during simulated driving, male drivers, 43927
features of driver fatigue related accidents & near accidents & unintentional drifting out of lane events, adult drivers, Australia, 43919
fenfluramine challenge, prolactin & cortisol responses & depression, patients with chronic fatigue, implications for role of serotonin, commentary on conference presentation, letter, 4508
fenfluramine challenge, prolactin & cortisol responses & depression, patients with chronic fatigue, implications for role of serotonin, reply to commentary on conference presentation, letter, 4579
flight duty times & flight duration, sleep & taskload & fatigue & stress, aircrew on transmeridian flights, 43929
flooring, perceived tiredness & fatigue & discomfort, workers required to stand during job performance, 17403
forward rapid shift rotation, sleep & mood & fatigue & activity & performance, Air Force air traffic controllers, 20827
hours of work & perceptions of causes & magnitiude of fatigue as an industry problem, drivers in heavy road transport industry, 43912
J. Plateau's papers on measurement of sensations of light & fatigue & theoretical & experimental research on law of intensity of source, translated article, 25145
low dose phenelzine, patients with chronic fatigue syndrome, 1 mo followup, 9276
mental fatigue, impression formation, college students, 7684
mental or physical fatigue or tension, intensity & duration of taste responses to bitter vs sour vs sweet substances, adults, 21794
nger & exhaustion reduction breathing intervention, new coronary event, angioplasty patients (mean age 55.6 yrs), 43005
physical & social environmental factors, postpartum fatigue & differentiation from depression & tiredness, new mothers, 26357
physical exhaustion & postnatal depression, 17–47 yr old mothers, Australia, 4083
physical fatigability & exercise capacity & disability & somatization & psychopathology, adults with chronic fatigue syndrome, 31591
pre- vs post-operative physical & mental fatigue, patients undergoing major hip or knee joint arthroplasty, 1 & 7 wk postsurgical followups, 24006
psychophysical & biochemical & acoustic speech analysis & self assessment studies of effects of fatigue, long distance bus & truck drivers, 33826
reliability & validity of Maastricht Interview for Vital Exhaustion, myocardial infarction patients, 2665

severity of disease & cardiac pump function & feelings of exhaustion, patients who underwent coronary angiography, 31720
severity of fatigue & activity level & subjective perception of health, adults with chronic fatigue syndrome (mean age 43.9 yrs), 39389
single vs combination manual handling tasks, risks assessed by ratings of discomfort & exertion & heart rate, adults, 37261
sleep complaints & mood & disability & fatigue & lifestyle, adults with depression vs chronic fatigue syndrome with vs without psychiatric disorder, 38863
solo vs two-up driving operation, driver fatigue, long haul truck drivers, Australia, 43920
technological countermeasures against driver fatigue, professional drivers, 43913
use of Maastricht Interview for Vital Exhaustion vs Maastricht Questionnaire in classification & discrimination of exhaustion, myocardial infarction patients, 2664
viewing conventional vs binocular stereoscopic television, critical flicker frequency measurements of fatigue, expert and nonexpert viewers, 21273
work roles & demographic factors & mental health & fatigue in the workforce, National Health Service trust employees of various occupational groups, England, 40580
working hrs & trip type, fatigue, long distance truck drivers, Australia, conference presentation, 20829

Fatty Acids [See Also Capsaicin, Phosphatides]—Serials

age & deficiency in omega-3 fatty acids vs feeding standard nursery diet, visual attention, rhesus monkey infants, longitudinal study, 29171
alcohol supplementation to high saturated fat vs high polyunsaturated fat with reduced vitamin E & zinc diets during pregnancy, offspring activity & head dipping, rats, 29498
cholesterol lowering therapies & polyunsaturated fatty acid levels & suicide & depression & trauma, letter, 27560
dietary alpha linolenic acid, habituation, mice, 18057
dietary gamma-linolenic acid or safflower oil, ethanol tolerance, male rats, 6996
dietary intake of eicosapentanoic acid & other fatty acids, symptomatology & tardive dyskinesia, schizophrenic inpatients, 1295
fatty acid composition of serum cholesteryl esters & phospholipids, patient with major or minor depression, Belgium, 11980
GM1 ganglioside, aging effects on spatial learning & memory, cognitively impaired aged rats, 29281
intake of n3 & other dietary fatty acids, schizophrenic symptoms & tardive dyskinesia, schizophrenic patients, 4169
omega-3 fatty acid deficiency, home cage stereotyped behavior, monkeys, 562
prenatal ethanol supplemented with linolenic acid vs gamma linolenic acid, 20 & 22 carbon n-6 & n-3 fatty acids & adult brain & body weight & circadian activity & birth weight, mice, 7105
saturated & polyunsaturated fatty acid composition of serum cholesteryl esters & phospholipids, adults with major vs minor depression, 15921

Fear [See Also Fear of Success, Panic]—Serials

abrupt aversive systemic bodily responses in fear acquisition & extinction, college students, 18245
activation of dorsal periaqueductal gray, fear-potentiated startle accompanying high footshock training, male rats, 38003
Alzheimer's disease as metaphor for fears of aging, implications for emphasis on Alzheimer's disease in geriatric research, letter, 8634
AMPA receptor-facilitating drug BDP-12, fear learning & level of conditioned fear acquired, male rats, 41515
analytic treatment, nature of psychotic superego, 25 yr old male suffering from psychotic breakdown & hallucinatory terror, case study, 39766
anterograde electrolytic lesions of fimbria/fornix vs entorhinal cortex vs dorsal hippocampus, contextual fear conditioning, male rats, 37984
antiglucocorticoid properties of dehydroepiandrosterone sulfate, memory of contextual vs auditory fear conditioning, rat pups, 34653
anxiety sensitivity, pain-related fear & escape/avoidance, patients (mean age 38 yrs) with chronic pain, Canada, 16233
avoidance of intimacy & validity of Fear of Intimacy Scale in relation to dating partner & closest same sex friend, 15–17 yr olds, 28453
behavioral vs cognitive-behavioral interventions & etiology & assessment of excessive nighttime fears, children, 36212
benzodiazepine inverse agonist FG 7142 & kainic acid into dorsal raphe nucleus 5-HT pathways with dexfenfluramine, inhibitory avoidance vs 1-way escape in elevated T-maze, male rats, 3219
bias for spider-related information during card vs single-trial format of Stroop task, male vs female 8–12 yr olds with nonclinical spider-fear, 41645
bilateral amygdala lesions, impaired auditory recognition of fear & anger, female in her 50s, case report, 31877
bilateral archistriatum lesions, unlearned fear & avoidance in response to novel object placed in unfamiliar open field, 2 day old chicks, 472
black vs clear contextual fear conditioning comparison, defensive freezing response, 18 vs 23 day old rats, 14734
blocking of NMDA receptor antagonists in amygdala, 2nd order fear conditioning, male rats, 41198
blood & injury & pain sensitivity & anxiety, prediction of syncope & related reactions, 17–40 yr old volunteer blood donors, 11078
BRL 46470A injected peripherally or into amygdala, memory & anticipatory anxiety & innate fear, rats, 11136
childhood activity level & fear, relationship between parenting practices & childhood aggression & depressive symptoms, 4th- and 5th-grade males & parents, 35461
chlordiazepoxide vs oxazepam vs flesinoxan vs fluvoxamine, predictive validity & inter-laboratory reliability of fear vs strychnine-potentiated startle response, male rats, 604
chromosomal loci involved in regulation of contextual & auditory cued fear conditioning, BXD recombinant inbred strains of mice, 29222
cognitive appraisals in claustrophobia, college students, implications for S. Reiss & R. McNally's expectancy model of fear behavior & A. Bandura's self-efficacy theory, 19244
cognitive behavior therapy, danger cognitions, adults with agoraphobia vs social phobia, 4856
combined desensitization & symbolic modeling & reinforcement, reduction of fear of dental exam, 6.3 & 9.7 yr old autistic males, 8869
components & assessment of fear of future illness, 17–85 yr olds, implications for psychologists testifying in litigation over exposure to environmental hazards, 8451
confirmatory factor analysis & 3 factor model of Fear Questionnaire, patients with social phobia, 2587
confounding effects of disgust vs construct validity of fear, high fear self-reports on Snake Anxiety Questionnaire vs discordant behavioral ratings & approach measures, female college students, 35668
conspecific image of own vs different breed, fear reactions, ewes, 14753
construction & test reliability & validity of Dental Fear Assessment Scale for identification of fear-producing elements of dental treatment process, adults, 37376
continuity/discontinuity of normal fear, 7–18 yr olds, 3 yr followup, 25871
corticosterone exposure, contextual & auditory fear conditioning, adrenalectomized rats, 34695
danger of commercial sex & subsequent fear of contagion from within created by HIV/AIDS warning messages on TV, Thailand, 12516
development & construct validity & reliability of Fear of Rape Scale, 16–59 yr old females, 14233
diazepam & buspirone, fear conditioning & odor analgesia, male rats, 597
diazepam, habituation of fear conditioned acoustic startle & freezing behavior responses, young & adult rats, 15077
direct traumatic conditioning & systemic alarms in etiology of phobias, 19232
early vs recent loss of significant others, fear of personal death, adults, Israel, 30492

electrical stimulation of ventral tegmental area dopamine neurons & excitotoxin lesions & quinpirole, potentiated startle & fear motivation, male rats, 14821
electrolyte lesions of medial prefrontal cortex, conditioned inhibition & extinction of freezing & fear potentiated startle, male rats, 37966
emotionality & fearfulness in arena vs novel object vs handling tests, horses, France, 37848
ethanol, conditioned freezing, rats, 38161
excitatory simultaneous & backward fear conditioning, lick suppression & freezing & rearing to CS compounds, rats, 34347
experiences of subjective burden & stigma & fears & worries about future, siblings (mean age 45 yrs) of persons with mental illness, 30756
external events in Belfast & paramilitary symbolism & identification with paramilitary groups, fantasy content, children with emotional problems, Ireland, 19117
facial emotion recognition & differential impairment of fear, adult female & 64 yr old male with bilateral amygdala damage, 12593
fear & anger vs neutral & physical action imagery conditions, autonomic & facial EMG responses & multivariate response patterning, 21–35 yr old right-handed males, 11088
fear & anxiety, adaptive behavior, 7–18 yr olds with mild to moderate intellectual disability, Australia, 1437
fear & depression & anxiety as clinical features of panic disorder in outpatient 8–17 yr olds, 31964
fear & other affective responses, effectiveness of public service announcements on AIDS/HIV, college students, 20134
fear & victimization, perceptions of sentencing, 15–29 vs 30–49 vs 50+ yr old males vs females, Canada, 40748
fear expectancy & disgust & desire for comfort, preference for wildland environments for recreation activities & occupational environments & school activities, rural vs suburban vs urban 8th graders, 40680
fear level & social self-esteem, adults with panic disorder with agoraphobia, Canada, 35670
fear of anger & depression & positive emotions, fear of induced bodily sensations, college students, extension of D. L. Chambless & A. J. Goldstein's fear of fear construct of panic disorder, 22919
fear of crime, literature review, 20903
fear of novel objects & food recognition, naive young ravens, 18107
fear of personal death & judgments of social transgressions from multidimensional perspective, college students, Israel, test of terror management theory, 38764
fear reactions to termination of psychotherapy & psychoanalysis, borderline patients in mid-recovery, 19749
fear related behavior, low vs high body weight quails, 34435
fear related vs unrelated stimuli, startle reflex modulation & autonomic responses, females high in animal vs blood injury fear, Germany, 18249
fearful responding to repeated carbon dioxide inhalation, college students, 6762
fearfulness, patients with vs without physical vs intellectual disabilities, literature review, 15811
fears & worries & anxiety provoking family issues, 12–21 yr olds assessed during medical clinic visits, 24103
frequency & intensity & content of self-reported fears, 6–13 yr olds with vs without mental retardation, 31482
fright reactions to alarm substance under laboratory vs near-natural conditions, captive European minnows, 37884
functional inactivation of lateral & basal nuclei of amygdala by muscimol infusion during fear conditioning, learning, male rats, 38139
gendered perspective on fear & risk & criminal victimization, 42585
hippocampal lesions, Morris water maze acquisition & defensive freezing in conditioned-fear task, C57BL/6J vs DBA/2J vs B6D2F1 male mice, 21673
hippocampal vs cortical lesions, contextual fear conditioning, C57BL/6J vs BALB/c mouse strains, 10934
hypnotherapy & imagination & make-believe, ability to eat, 7 yr old female with conditioned fear of choking, case report, 32632
impact of fear of & experience with crime & violence on lifestyle, 60–92 yr olds living in high-crime areas, 15637
initiating &/vs continuing light or noise CS paired with paraorbital shock UCS, eyeblink & fear, rabbits, 18073
intensity of immediate shock paired to freezing & defecation & side crossing & nose crossing contexts, fear, rats, 34350
intimacy deficits & fear of intimacy & loneliness, adult male child molesters vs rapists vs nonsexually offending inmates, 42568
intra-amygdaloid infusions of NMDA receptor antagonist D, l-2-amino-5-phosphonovalerate, contextual fear conditioning, male rats, 15057
intrahypothalamic tubocurarine & bicuculline, noradrenergic activity in emotional brain area & frontal cortex during fear response, cats, implications for cholinergic vs GABA blockade evoked fear, 642
isolation & retention interval & age & stimulus preexposure, contextual vs generalized auditory-cue fear conditioning, rats, 14737
issues in & therapy for relational dread, males, 12765
knowledge about organ donation & altruism & fears about signing donor card, carrying of signed & witnessed organ donor cards, college students, 32649
knowledge vs no knowledge of happy outcome & blunter vs monitor coping style, emotional responses to frightening film sequence & its happy ending, 9.6–12.1 yr olds, 41618
lesioning of midbrain central gray before vs after fear conditioning, fear potentiation acoustic startle response, male rats, 6620
mass media, perceptions & fear of crime, 3319
monitoring coping style & trait anxiety & fearfulness, 10–12 yr olds, 22123
neuroanatomic model of fear & anxiety & integration of functional neuroanatomy & clinical neurochemistry of panic disorder, 26558
neuroanatomy & physiology of mammalian central serotonin nervous system & neural substrates in fear & defense responses, implications for panic disorder, 31080
nude mutation, fear & activity & responsiveness to novelty & social interaction, nu/+ vs nu/nu mice, 14812
object relations view of sexual arousal & psychodynamics of nonorganic coital pain, females, 319
Pain Anxiety Symptoms Scale vs Fear Avoidance Beliefs Questionnaire vs Fear of Pain Qestionnaire vs Spielberger State-Trait Anxiety Inventory, assessment of anxiety & fear, adults with chronic pain, 17653
paired vs unpaired conditioned stimulus & aversive unconditional stimulus, fear-potentiated startle reflex, college students, 41414
parental medical history & separation experiences, heart-focused anxiety & illness fears, college students, 7713
parents' rearing practices & fearfulness & problem behaviors, clinically referred 8–18 yr olds & their parents, Netherlands, 15817
physical entrapment & hiding places & dark spots in route, fear of crime during walk after dark, female college students, 33817
physiological vs agoraphobia & anxiety vs fear symptom clusters at onset of panic attack, patients with panic disorder, Japan, 22912
posttraining lesions of perirhinal cortex, inhibition of fear-potentiated startle to light & noise, male rats with lesions vs with sham lesions, 34534
predictive validity of fear potentiated startle paradigm as behavioral model for anxiolytic drugs, rats, 6921
predictors of pain disability & fear of movement & injury & reinjury & factor structure & validity of Tampa Scale for Kinesiophobia, chronic low back pain patients, 2668
pretraining vs posttraining amygdala lesions, stress induced freezing & adrenocortical & dopaminergic metabolic activation & defecation, rats, 3067
prolonged fixed duration shocks, cues for fear conditioning & punishment intensification effects, Sprague Dawley rats, 18038
psychoanalytic theories & folklore & symbolism of "vagina dentata" motif & fear of mother, 11810

psychosocial factors, depressive symptoms & ambivalence & fears related to pregnancy, females in 2nd trimester of pregnancy, test of multifactorial model, 30736
public speaking evoked fear, emotions & cardiovascular activity & plasma hormones & immunological parameters, college students, 558
recognition of irrationality of & change in fearful cognitions during midst of panic vs at other times, 20–61 yr olds with panic disorder, 4217
relationship between fear & risk & crime & anxiety in modern society, 42573
reliability & validity of Fear of Spiders Questionnaire vs Spider Phobia Questionnaire, 17–48 yr olds, 17658
reports of fears of medical events & reliability of Child Medical Fear Scale, 6–14 yr old children with emotional disorders vs parents vs health care providers, 40908
risk behavior & triggers of AIDS fear & psychiatric history & media campaign against HIV, suicide mortality, HIV negative 17–70 yr olds, Finland, 1343
role of amygdala in expression & acquisition of conditioned & unconditioned fear responses, 41313
selection for habituation & fearful & aggressive & explorative behavior at human contact, farm mink, 6 yr study, 6582
sex & femininity vs masculinity & disgust, fear of animals, 14–67 yr olds, Australia, 22143
sex & stability of clinically relevant fears, 13 yr olds, 2 yr study, New Zealand, 31111
sex & validity of Fear Survey Schedule for Children & Adolescents, assessment of normative fears, 7–10 vs 11–14 vs 15–18 yr olds, US vs Australia, 28415
shift in UCS, dissociation of blocking of conditioned eyeblink & fear, rabbits, 10758
shock covariation & expectancy biases, fear-relevant biological vs technological stimuli, undergraduates with high vs low fear levels, 34300
social constructionist perspective of fear of femininity, 41927
stereotypical images of criminals & victims, fear, 13–60+ yr old homeless African American vs White upper-middle-class females, 35853
suppression & accessibility of death-related thought in production of increased cultural worldview, terror management, adults, 35299
synthetic predator TMT vs butyric acid odor, conditioned fear & analgesia responses, male rats injected with benzodiazepine reverse agonist FG-7142, 29561
tone & foot shock training trials, fear-potentiated startle, C57BL/6J vs DBA/2J inbred mice, 37823
tone-dependent fear conditioning, heart rate & behavior, male mice, 38066
traumatic stress & related risk factors, male vs female peripheral victims of the M/S Estonia disaster & on-board vs not-on-board rescue ferry workers, Finland, 22901
Type II glucocorticoid antagonists, contextual fear conditioning, rats, 34694
validity & reliability of Retrospective Childhood & Current Adult Fear Survey, assessment of past & current fears for adults, 17–45 yr olds, 25025
values & priorities & fear of conventional & nuclear war, German (mean age 23.9 yrs) vs Israeli (mean age 23.6 yrs) college students, conference presentation, 35306
white noise vs shock unconditioned stimulus modalities & unilateral vs bilateral pretraining amygdala lesions, conditioned fear, male rats, implications for unilateral temporal lobectomy in humans, 10969
5-HT reuptake inhibitors & agonists & antagonists & diazepam, anxiolytic effects & changes in freezing behavior induced by conditioned fear stress, male rats, 6934

Fear of Public Speaking [See Speech Anxiety]

Fear of Strangers [See Stranger Reactions]

Fear of Success—Serials

fear of success, male vs female business students, 1067
sex role identity & self esteem, fear of success, 20–45 yr old females, India, 1065
social success & self-protective social goals & negative emotional states & social perceptions, adults with generalized social phobia, 39099

Fecal Incontinence—Serials

combined medical & positive reinforcement & response cost treatment approach, encopresis, 4 yr old female & 5 yr old male, 13134
laxative vs enhanced toilet training vs biofeedback therapy, 6–15 yr olds with encopresis, 9215
long term treatment outcome, soiling problems, 2–18 yr olds with encopresis, 1 yr followup, 16721
psychotherapy, encopresis, 6–12 yr old victims of sexual assault, commentary, letter, erratum, 12778

Fee for Service—Serials

ethical issues associated with establishing fee structure in private practice in psychology, Canada, 43555
HMO vs fee-for-service systems, physical & mental health outcomes, chronically ill & poor 18–97 yr olds, 4 yr study, 27661
reimbursement implications of using DSM for Primary Care Child & Adolescent Version, commentary, 38869

Feedback [See Also Biofeedback, Delayed Feedback, Knowledge of Results, Sensory Feedback]—Serials

action-oriented feedback from physiotherapists/ergonomists, accident-prevention proposals, hospital supervisors only vs work groups, Sweden, 20863
agreement between managers' self-ratings & others' feedback, implications for training & development & human resources management, 28171
availability of confirmatory evidence & rated accuracy & acceptance of personality feedback, 18–38 yr olds, 42058
badmouthing or negative comments about potential career choices, choice of primary care vs nonprimary care vs other career choices, graduating medical students, 13551
behavioral training techniques for feedback & staff self management, direct care staff in institutions serving dependent populations, 2108
clients' feedback on therapeutic experiences & meaning, relational processes of affirmation & discovery & congruence of significance to systemic therapy, family members, 12871
clinician feedback integrating MMPI–2 & Rorschach findings, clients, 10441
comparative feedback on energy saving, energy consumption behavior & beliefs, metallurgic plant employees, Netherlands, 17481
concern for others, acceptance of & willingness to act on performance feedback, college students, implications for organizational behavior, 22474
constant time delay & instructive feedback, independent seat work, 8–12 yr olds with mild learning disabilities, 17219
constant time delay & instructive feedback, observational learning & & acquisition of grocery words & appropriate peer reinforcement, students with moderate learning disabilities (mean age 10.67 yrs), 17242
consultation and performance feedback, integrity in reinforcement based intervention implementation in classrooms, female 3rd grade teachers, 33418
current use & efficacy of 360 degree feedback & multirater & multisource assessment systems in organizational settings, 37177
daily probes of instructive feedback stimuli, response acquisition, healthy or emotionally disabled or learning disabled 10–11 yr old males, 37085
delivery time of verbal & graphic feedback &/or praise, recording of reinforcer delivery & client's problem behavior, direct care trainers working with mentally retarded persons, 33207
dependence on slower feedback vs feedforward online sensory processes, age related movement slowing in continuous aiming task, 23–77 yr old females, 7267
designing effective 360-degree appraisal feedback processes for organizations, 17319
development & reliability & validity of Feedback on Physical Appearance Scale, 17–35 yr olds, implications for development of body image & eating disturbances, 14331
difficulty of target setting & continuity of feedback, performance improvement, college students, Nigeria, 21337
enhanced health risk appraisal information & feedback, changes in risk behavior, family medicine patients, 9315
environmental consequences, alcohol impaired information processing, 19–25 yr old male social drinkers, 38636

evaluation of 4 facial feedback hypotheses for relation between face & emotions, 14682
feedback & flexibility of expectancies of players & feedback patterns early vs late in season, coaches of female collegiate basketball team, 17416
feedback & item difficulty effects on overconfidence bias, accuracy in judgments, 18–48 yr old college students, 38781
feedback & reinforcement, labor cost & safety behavior, 29–34 yr old male roofers, 5779
feedback & text form & sequence, text recall, college students, 301
feedback environment & task complexity, development of goals & information search strategies & performance improvement, college students, 14678
feedback frequency, immediate vs delayed transfer tasks in concept identification, college students, 25317
feedback intervention, behavior change in terms of clinical resource use, hospital physicians, 32 mo study, 5496
feedback on group performance vs member motivation & ability, group leader cognitions & verbalizations of choice to retain vs transfer subordinates, college students, 14620
feedback patterns & complexity of perceptual map hierarchies, experienced vs inexperienced elementary physical education teachers, 9840
feedback to doctor about existing concordance with patient on health problems & treatments, improved concordance, adult general practice patients, Australia, 13252
fine vs gross discrimination error & confidence in response, feedback study time, college students, 245
fluid intelligence ability, performance on visual serial choice RT task with auditory feedback & error analysis, 60–81 yr olds, 10698
goal setting & feedback applied to teacher behavior, student behavioral changes, 6 yr old males with emotional disturbances, 33543
group decision rule & performance feedback, extent to which use of decision rule was maintained as groups underwent turnover in membership, female college students, 26176
high vs low private self-consciousness, acceptance of general vs specific & positive vs negative Barnum personality feedback, 18–38 yr old college students, 22519
individual failure vs success feedback & ingroup vs outgroup failure vs success feedback, evaluation of ingroup vs outgroup, college students with low vs high self esteem, 15641
informative vs uninformative feedback, agent decision making & preference prediction, adults buying gift for others, 2371
instructions & retrieval sequences & feedback, ability to recall responses to multiple choice items & confidence with which responses were made, college students, 28980
item feedback in self-adapted vs computerized adaptive testing, test performance & anxiety, college students, application of item response theory, replication, 17710
learning-goal vs performance-goal orientation, feedback-seeking behavior, college students, longitudinal study, 28894
locus of control, relationship between self-reported performance feedback & commitment, VA medical center employees, 22577
manuscript peer review & administrative help, publication quantity & quality, authors of journal manuscripts, 13514
metyrapone stimulation test & enhanced negative feedback inhibition, ACTH release from pituitary gland, 42–48 yr old combat Vietnam veteran outpatients with PTSD, 8056
mood after feedback on examination, helping behavior, college students, 26249
mother's inconsistent vs consistent discipline & positive vs negative feedback, misbehavior, 18–32 mo olds, 22080
multirater feedback vs traditional feedback in the appraisal process in the workplace, 28178
negative vs positive input, acquisition of irregular novel verb forms, 4.9–5.6 yr olds, implications for Contrast Theory of negative input, 34824
neuromodulation of inhibitive processes in olfactory bulb model, 28340
no display vs continuous vs limited display of group members' ideas, social matching & social loafing, college business students in computer-supported nominal vs electronic brainstorming groups, 22437
no feedback vs immediate vs delayed feedback, computer assisted learning of how to tell time, 7–10 yr olds, 9880
outcome feedback, overconfident vs underconfident judgments, college students, Israel, 265
participation in goal setting & feedback, perceived organizational support & commitment, 21–60 yr old employees, 20738
perceived self-efficacy & outcome-efficacy & feedback, motivation to improve teaching by attending development workshops, 28–67 yr old social sciences & management university teachers, Canada, 20530
perceptions of job feedback & job experience level & subordinate participation in performance reviews, college students role playing managers & employees, 33617
performance appraisal & decision making accountability, ratee & rater accountability model, multisource feedback effectiveness, 37182
positive vs negative feedback, typical vs current self-appraisals of dimensions related vs unrelated to creative intelligence task, female college students with high vs low global self-esteem, 22539
precision & order of presentation of response options & feedback about inconsistencies, self-reports by microcomputer of frequency of alcohol use, 17–71 yr olds in drinking driver treatment programs, 35808
preference for immediate vs delayed verbal feedback, paraprofessional staff training to teach adaptive skills to developmentally disabled clients, 5492
presence of equally vs less vs more competent partner & feedback, benefits of collaborative problem solving, 6–9 yr olds, 25790
presence vs absence of ego-enhancing feedback & counter vs proattitudinal commitment, reduction of dissonance by engagement in prosocial behavior, female adults, 38760
principles of computer based instruction design & learner control & feedback & screen design & use of group methods & computer anxiety, adults, applicability to workplace, 33794
recurring nonverbal stimuli, extraction of target regularities & ability to extract other regularities after feedback, 4–5 yr olds with specific language impairment vs with normal language development, 26845
reduced frequency of knowledge of results, generalized motor program learning, college students, Germany, 25243
reiteration effect in asymmetry in true vs false assertions & recall confidence in hindsight bias, 14643
role of self-esteem in affective & cognitive reactions to evaluative feedback in academic setting, college students, 40458
self appraisal & role of self enhancement & self consistency concerns, reaction to feedback from others, MBA students, 2270
self esteem & narcissism, evaluations of sources of negative feedback, college students, 19002
self esteem & tendency to seek feedback & work locus of control & supervisory style & organizational behavior & feedback seeking costs & environment, 360 degree feedback attitudes, employees, 37179
self evaluation & videotape feedback, peer interactions, 6th–8th graders with externalizing & internalizing behavior problems, Canada, 13825
self evaluation with vs without performance feedback as predictor of attributions, college business students, 42018
self-verification as means to reinforce clinical progress & therapeutic relationship & as feedback of client's self-views, patients with drug abuse, implications for psychotherapy, 36796
subordinate reactions to use of impression management tactics & feedback by supervisors, undergraduate participants in role play, 13957
task clarification & positive reinforcement & corrective feedback, behavior change in service delivery, 16–61 yr olds & 25–46 yr old public servants & police officers, Australia, 24957

task performance feedback & monetary contingency, amphetamine self-administration, 27–40 yr olds, 6854
task vs ego involvement goals during actual vs imagined forearm movements & negative vs positive feedback, effort inferences & heart rate & EMG, adults, 21800
timeliness of feedback from & influence of entrepreneur, perceived justice of & trust in & commitment to decisions & willingness to reinvest, investors, application of procedural justice theory, 1002
variety & autonomy & feedback, job attitudes & performance, 18–42 yr olds, 2296
verbal rule vs feedback vs verbal rule & feedback conservation instruction, male vs female 4 yr olds, 33435
video feedback, self evaluation of performance, socially anxious 15 yr old White male & college students, implications for clinical treatment, 793
weight related positive vs negative feedback, self reported body satisfaction, White vs Black female undergraduates, 18968
Feeding Behavior (Animal) [See Animal Feeding Behavior]
Feeding Practices [See Also Bottle Feeding, Breast Feeding, Weaning]—Serials
acceptance of Nutramigen protein hydrolysate formula & correlation with mother's willingness to try novel foods, healthy 1–2 vs 7–8 mo olds, 15237
brief vs extended zone discrimination reinforcer assessment procedure, 1–9 yr olds with feeding disorders, 4884
developmental age differences, breast & bottle feeding behaviors, infants during 2 vs 10 vs 18 vs 26 wks of age, implications for behavioral regulation & motivation, Czech Republic, 7265
maternal sensitivity & infant temperament, development of early feeding problems, 10 mo olds & their mothers, 14 mo followup, Sweden, 38276
moral certainty & uncertainty about tube feeding elders & withholding or withdrawal of artificial nutrition & hydration at end stages of illness, long term care nurses, 16928
nasogastric feeding, non-nutritive sucking, mean age 34 & 35 week preterm infants requiring respiratory support, conference presentation, 24051
perceptions of caregivers' feeding styles & practices & future use of feeding styles with children, 18–23 yr old college students, 35108
prefeeding stroking with vs without peri- & intra-oral stimulation, feeding & hospital discharge & nutritive intake & oral motor behaviors, preterm infants, implications for occupational therapy, 13472
pros & cons of F. T. King's ideas on baby-feeding methods & contrast to D. W. Winnicott's ideas, 30611
teaching of toileting & self-feeding skills, young children with disabilities, 20302
test validity of Feeding Scale, global rating scale standardized for observation of mother-child/toddler interactions during feeding, 6 wk–36 mo olds, 37387
3-phase intervention using behavior modification & nutrition monitoring & parent support & other methods, 7 wk–2.7 yr olds with symptoms consistent with posttraumatic feeding disorder, 36175
Feelings [See Emotions]
Feet (Anatomy)—Serials
convention hypothesis & abolishment of genital mutilation & footbinding, human females, Africa & China, 18711
definition & functional characteristics & neurodevelopmental aspects of foot dominance, 18156
foot orientation as seen in medial vs lateral rotation of forefoot & rearfoot/forefoot angle, ground reaction forces during barefoot running, adult males, 14577
footedness & size of human speech sound lexicon, parrots, 34579
Felonies [See Crime]
Female Animals—Serials
ability to cohabit with paired conspecific female during mating season, female S. spilosoma vs S. mexicanus, 10862
aggressive behavior & formation of dominance hierarchies & receptivity of male courtship displays during female–female social interaction, paired female green anoles, 29084
breeding season duration vs female group size, evolution of size of multimale-multifemale groups, primates, 29156
competition & costs of female social & locational transfer, group living Old & New World anthropoid primates, 394
competition for safe spatial position vs for food & risk of predation, female chacma baboons in game reserve, 6526
discrimination & tolerance of intraspecific spiderlings, female prelaying vs nursing C. terrestris spiders, 25397
energy & asynchrony of male signals, ultrasonic communication & sexual selection, female wax moths, 396
evolution of hornedness & analysis of female competition hypothesis, female ruminants, 6525
female aggressive behavior, male group leaving, mountain goats, 37912
group territoriality, lionesses of Serengeti vs Ngorongoro Crater, Tanzania, 37879
infanticide, secondary vs primary females, great reed warblers, Sweden, 41236
left vs right tracheosyringeal nerve lesion, song construction, adult female testosterone-treated canaries, 34542
males visually &/vs vocally removed, extra-pair copulation frequency, western bluebirds, 29109
mate identification by song, female great tits, 14775
paternity & copulation disturbance & female choice, lekking black grouse, 10794
physical restraint vs novel stimulus, social behavior, female rats, 10795
predation risk, estrous cycles, female bank voles, 559
preference for conspecific male calling songs, female Allonemobius fasciatus vs socius, 384
preference for conspecific vs heterospecific mating, female mollies, 10878
previous extreme heating of necrotic fruit, oviposition site, female Drosophila, 29113
reduction in foraging efficiency due to feather clipping, egg laying time & size of clutch & feeding of young & return in following breeding season, female tree swallows, 29196
self-host discrimination & short-term memory, parasitic female wasps, 10887
size & distribution of leks generated by black hole models of female movement patterns, ungulates, 10883
social & sexual preferences for males differing in pigmentation before & after exposure to predatory cichlid, 2–6 mo old virgin female guppies, 10836
song tutoring, song preferences, female domesticated canaries, 29066
sperm depletion vs recent mating & food deprivation, resistance to mating, female water striders, 6503
tactile &/vs visual information about clutch size in nest, incubation behavior & termination of egg laying, female Red Junglefowl, 18116
testosterone, male-like vocal behavior & coloration & precopulatory behavior & rate of warbling, adult female budgerigars, 18235
troop division, conflict & energy demands & wounding & socially induced infant mortality, female lemurs, support for advantage of large groups to compete for resource control, 14770
type of male odor, flank & vaginal marking, female golden hamsters, 21577
2-stage acquisition & consolidation process in sexual imprinting, female zebra finches, 6516
Female Criminals—Serials
boot camp program themes of structured lifestyle with high expectations & opportunity to form positive relationships & alliances, substance abusing incarcerated females, 33128
differences in diagnosis & demographics & abuse & mental health & childhood experiences, male vs female alcoholic offenders, treatment implications, 31347
marital & employment status, criminal behavior, female inmates (mean age 30 yrs), 26715
psychiatric morbidity & social adjustment & criminological characteristics, 16–69 yr old female prisoners, Australia, 12294
theories of female offending & gender gap in crime, 8325
Female Delinquents—Serials
group discussions on meaning of substance abuse & decision to continue vs discontinue substance abuse after release from detention, 13–18 yr old females in juvenile detention facility, 8226

motivation to join gangs & extent of criminal behavior & physical & sexual & psychological abuse victimization, 13–17 yr old female gang members, implications for social work intervention, 12299

Female Genitalia [See Also Ovaries, Vagina]—Serials

convention hypothesis & abolishment of genital mutilation & footbinding, human females, Africa & China, 18711
cultural & health issues associated with female genital mutilation, implications for sexuality counseling, 32837
experiences with & recovery from self-harm of genitalia, female sexually abused during childhood, 42460
male fetuses, genital morphology, neonatal female rats, use of multiple regression analysis, 25354
psychoanalytic theories & folklore & symbolism of "vagina dentata" motif & fear of mother, 11810
social support from family, personality dispositions, 13–47 yr old victims vs nonvictims of vesico vaginal fistula, Nigeria, 23237
spinal cord transection at thoracic vs lumbar levels & bilateral transection of vagus nerves, pupil dilatation & alteration in vocalization threshold to vaginocervical mechanostimulation, female rats, 10966
suppresion of pain by genital stimulation, female humans & rats, literature review, 29454

Female Orgasm—Serials

fluoxetine, co-occurring exercise induced orgasms & difficulty achieving orgasm during intercourse, 50-yr-old female with depression, case report, letter, 32402
partial drug holiday, treatment of fluvoxamine-induced anorgasmia, female 22 yr old with major depression & obsessive compulsive disorder, case report, letter, 13023
spontaneous orgasm with combined use of bupropion & sertraline, depressed 35 yr old female, case report, letter, 23887
vibrator use, sexual attitudes & experiences & reasons for use & orgasmic satisfaction, 18–75 yr old females, 26108

Females (Human) [See Human Females]

Femininity—Serials

attachment style & femininity vs masculinity, college students, 7746
choice of curricular track, psychological androgyny & traditional sex role stereotypes & feminine orientation, 16–18 yr old female students in vocational cosmetology class vs mathematics class, 25912
depictions of femininity in fashion magazine advertisements, perceived meaning of femininity, 13–17 yr old females, Canada, 41698
development of gender schemata in perceptions of masculinity & femininity of heterosexual vs homosexual males & females, 12 vs 16 vs 20 yr olds, France, 34931
discourse analysis of amenorrhea & menstruation in relation to constructions of femininity, 17–40 yr old females with anorexia nervosa, 16182
emotional difficulties in femininity & motherhood, functionally vs organically infertile females vs their mothers, 4535
feminist identity & gender traits, symptoms of disturbed eating, female 17–22 yr old college students, 15510
feminist theorizing & feminine style in rhetoric of Our Bodies Our Selves, 41920
feminization of management qualities in contemporary management texts, 20748
gender issues & re-enactment of sexual trauma in analysis, emotional impact on analyst and 48 yr old female analysand, conference presentation, 32277
Lacanian vs Freudian psychoanalytic perspectives on femininity & castration & phallus, 19066
manifestation & expression of feminine archetype in foundations of organizational psychology, 40515
masculine vs feminine personality characteristics & breast size & age at menarche & regularity of menstruation, left vs right handed female college students, 21682
masculinity & femininity, rating by lay people vs formal gender difference measures, college students, 30509
objectification arising from theory of social representations, evolution of concept of psychological androgyny, 3676
perception of own & same sex best friend's femininity & dominance vs submission, female college students, 3915
primary sense of femaleness & bisexuality & ego ideal in sexual development, females, 41704
psychological impact of devaluation of feminine consciousness & mothering in Western civilization & archetypal dimensions of birth & childbirth as transformation, 26318
relation between femininity & depression & stress, female college students, 15908
salivary testosterone levels & masculine vs feminine sex role identification, 18–42 yr old lesbians within &/vs across couples, 11612
self as feminine & ego as masculine principle of psyche in analytical psychology, commentary reply, 38831
self as feminine & ego as masculine principle of psyche in analytical psychology, 38830
self as feminine & ego as masculine principle of psyche in analytical psychology, commentary, 38818
sex & femininity vs masculinity & disgust, fear of animals, 14–67 yr olds, Australia, 22143
sex role orientation, life satisfaction, male vs female college students, 3679
sex role stereotypes in judgments of male vs female actors with masculine vs feminine script, male vs female 7–12 yr olds, 25890
social constructionist perspective of fear of femininity, 41927
structural model of psychoanalytic components to sexuality & gender identity & the construction of femininity, conference presentation, 30633
target's success in masculine- vs feminine-relevant tasks & competitions, perceived target masculinity/femininity, college students, appraisal & attribution theory, 26090

Feminism—Serials

application of feminist psychology & psychoanalytic theory to entry into gendered identity & cross gender identifications & consciousness of father's relative powerlessness, working class daughters, 7533
argument against C. Hakim's alleged fallacies about employment status & effects of females, commentary, 7537
argument against C. Hakim's alleged fallacies about employment status & effects of females, commentary, 7534
argument against C. Hakim's alleged fallacies about employment status & effects of females, commentary reply, 7538
career plans & attitudes toward marriage & family & feminist ideology & discursive reproduction of gender difference, 24–33 yr old female postgraduates, Greece, 41916
Christian feminist vs evangelical interpretations of marital male domination & female submission patterns in Ephesians 5:22, 41845
class & feminism & personal experiences & model of feminist classroom environment for graduate level clinical training, 33215
computer & cognitive psychology & feminist theory of embodiment & masculine morphology, 17554
construction of individual political identities, 22 & 41 yr old males with history of political activism on women's issues, case studies, 35141
contributions to feminist activism, F. Rush -59, 3675
correlation between racial & womanist identity, Black vs White females, 3462
development & reliability & validity of Liberal Feminist Attitude & Ideology Scale, 18–44 yr old college students vs 19–68 yr old women's studies conference participants, 14272
Erikson's psychosocial theory of development vs feminist developmental theory, implications for counseling borderline personality disorder & anorexia nervosa, 3492
ethical issues of countertransference & development of gender sensitive clinical stance to male & female family members, feminist family therapists, 13616
evolution from personal identity as feminist to professional identity as feminist family therapist, female therapists, 17084
evolutionary basis of male motivation to control female sexuality & expansion of feminist analyses of patriarchy, commentary, 11607
feminism & nurturing & attachment theory in F. Burney's "Evelina, or a History of a Young Lady's Entrance into the World" and " Cecilia, or the Memoirs of an Heiress", 15121

feminist & constructivist perspectives & social class & psychotherapy, White working class female clients, 32010
feminist & postmodern perspective on client–therapist relationship in narrative therapy, couples, 27249
feminist & psychological perspectives on woman as body, 18760
feminist analysis of delayed memories of childhood sexual abuse, adult females, implications for recovery & rehabilitation, 36778
feminist based egalitarian gender ideology & animal rights advocacy, 18+ yr old males vs females, 7544
feminist framework & gender equity in social studies curricula & classrooms & practice of democratic citizenship through open confrontation of conflict, 17118
feminist ideals, countertransference, younger female clinicians working with older female clients who are the caregivers to their spouses, 23830
feminist ideas & disclosure to mother, blame & anger in general & at mothers vs fathers, adult females with vs without history of incest, 4279
feminist identification, sexual arousal & affect toward male dominant vs female dominant sexual scenarios, 18–65 yr old females, 29466
feminist identity & gender traits, symptoms of disturbed eating, female 17–22 yr old college students, 15510
feminist informed prevention program, prevention of body weight & shape preoccupation among in schools, young female students, 33419
feminist leadership in nursing using total quality management, 43483
feminist literature on social class & class attitudes & psychotherapy, 32043
feminist perspective of class as issue in psychological theory & psychotherapy, working class females, 32003
feminist perspective of intervention for alcohol & drug addiction & home based nursing intervention model in context of female relationships, 24328
feminist perspective on couple & sex therapy in treating vaginismus, 23781
feminist perspective on lesbianism, 22371
feminist perspective on practice of supervision & counseling & therapy, male vs female supervisors, implications for gender sensitive supervision & counselor-client relations, literature review, 5478
feminist perspective on reenactment of mother-daughter romance in transference-countertransference relationship & effect on females' development, heterosexual & lesbian 40+ yr old analysands, 19882
feminist perspective on therapist's use of acknowledgment tokens as bias in gender-based thinking, female analysand, 43079
feminist perspective on traditional theories of sexual dimorphism in organizational life, 24760
feminist perspectives on gender & the dynamics of physical abuse towards children, 42445
feminist psychoanalytic & psychosocial theories on gender relations, sexual abuse in therapy, female victims & male offenders, Australia, commentaries & errata included, 5551

history & practices & community structures of sadomasochism practitioners & relation to feminist therapy, 30281
influences of Feminist Therapy Institute & ethical issues & strategies for repressed memory therapy, implications for counselors of child sexual abuse victims, 23607
mutuality in feminist therapy, quality of life & stress adaptation, couples, 27276
political & historical role of feminist therapy, adult survivors of childhood incest & sexual abuse with repressed memories, implications for professional ethics, 23595
psychological problems & feminist psychotherapy issues, upper class females, 32081
relational model focusing on connections & disconnections & mutuality & empowerment, dissociative identity disorder, female inpatients, 42951
review of conceptual issues & controversy of repressed memories of childhood sexual abuse & false memories, implications for feminist psychotherapy, 23629
telos/purpose & feminism & psychoanalysis & family therapy, families with children (aged 9 & 16 yrs) & couples, 43034
two components of feminist sex therapy, 32074
Femoral Nerve [See Spinal Nerves]
Fenfluramine—Serials
acute dexfenfluramine challenge, correlation of prolactin response to aggression, male 23–50 yr olds with personality disorders, 12111
benzodiazepine inverse agonist FG 7142 & kainic acid into dorsal raphe nucleus 5-HT pathways with dexfenfluramine, inhibitory avoidance vs 1-way escape in elevated T-maze, male rats, 3219
chronic amphetamine & fenfluramine coadministration, alcohol & water intake, alcohol dependent vs nondependent male rats, 29637
chronicity & dose of dexfenfluramine, anorectic tolerance & role of serotonin & cholecystokinin & neuropeptide Y, 628
D- & L-fenfluramine with & without D-amphetamine, psychomotor functioning, 24–32 yr old males, 18286
d-fenfluramine & metergoline following amphetamine injection into nucleus accumbens, responding for CR, rats, implications for role of serotonin in incentive motivation, 6888
d-fenfluramine, female 35 yr old with refractory panic disorder, case report, letter, 9083
d-fenfluramine in morning vs afternoon, prolactin & cortisol responses, healthy 27–38 yr olds, 29457
d-fenfluramine, number of binges, obese females with binge eating disorder, 13055
d-fenfluramine, prolactin & cortisol responses, 20–63 yr old patients with major depression, 26466
d-fenfluramine, serotonergic mediated plasma prolactin release, currently manic 27–44 yr olds with bipolar disorder, 12009
d-fenfluramine, skin conductance & induced anxiety, 18–36 yr olds, 18299
d-fenfluramine, taste responses to sucrose vs quinine, male rats, 21850
dexfenfluramine & 5-HT agonist 8-OH-DPAT, impulsivity in delay-of-reward paradigm, male rats, implications for relation of impulsivity to alcohol consumption, 7031
dexfenfluramine adjunctive to group exercise & education treatment, weight loss & self esteem & anxiety & depression, obese infertile females, 4740
dexfenfluramine, energy metabolism & metabolite pattern changes, obese male rats, animal model of satiety & body weight reduction, 11110
discrimination of fenfluramine &/vs phentermine, male rats, 38159
fenfluramine & serotonin deficiency, female with premenstrual dysphoric disorder, 30842
fenfluramine challenge, prolactin & cortisol responses as indicators of 5-HT activity in mania, patients with bipolar mood disorder, 15930
fenfluramine challenge, serotonergic response patterns, female 18–45 yr olds with bulimia nervosa, 35942
fenfluramine, food intake & carbohydrate/protein ratio & mood & performance on computer tasks, normal weight adults, 15031
fenfluramine, MDMA & amphetamine discrimination, male rats, 6815
fenfluramine, prolactin & cortisol plasma levels & serotonergic system, depressed vs nondepressed patients with Parkinson's disease, 32446
fenfluramine, regional brain glucose metabolism & serotonin responsivity, 19–44 yr old drug free inpatients with major depression, comment & reply, 23866
flunarizine vs trifluperazine vs haloperidol vs methiothepin, dexfenfluramine induced indole depletion & 5-HT uptake by synaptosomes & brain concentrations of drug & active metabolite, male rats, 3253
interactions of fenfluramine with psychotropic & antidepressant medications, 55 yr old female with generalized anxiety disorder, case report, letter, 23882
low vs high dosages of d,l-fenfluramine vs d-fenfluramine, neuroendocrine responses, healthy male volunteers, 11118
MDMA vs fenfluramine vs 5-methoxy-6-methyl-2-aminoindan, activation of extracellular dopamine in nucleus accumbens & rewarding vs aversive responses in conditioned place preference, rats, 3248
methylphenidate & fenfluramine treatment, parental ratings of outcome, 5–13 yr olds with low intelligence & ADHD, 4 yr followup, 32337
methylphenidate vs 3 doses of fenfluramine, behavior & clinical & cognitive ratings, 5–14 yr olds with mental retardation or borderline IQ & ADHD, 27389
pemoline & fenfluramine, craving & depression & relapse prevention, long term abusers of alcohol & cocaine, case reports, letter, 20336
pretreatment with p-chloroamphetamine vs MDMA vs d-fenfluramine, head twitches & serotonin syndrome & neuroendocrine response to d-fenfluramine & other serotonergic agonists, male rats, 15092
prolactin response to d-fenfluramine before vs after fluvoxamine treatment, outpatients (mean age 32.3 yrs) with obsessive compulsive disorder, 39822
serotonergic function assessed by prolactin response to fenfluramine, males with compulsive vs noncompulsive personality disorder, 16656
serotonin agonist d-fenfluramine, serum prolactin response, 23–50 yr old male postwithdrawal alcoholics, Ireland, 8235
serotonin function & plasma tryptophan levels & prolactin response to fenfluramine, healthy adult males vs females, 41452
single dose fenfluramine challenge relative to body weight, plasma drug concentration & prolactin response & physical & psychological symptoms, healthy male vs female 25–60 yr olds, 11175
subjective & mood altering effects & abuse liability of phentermine &/vs fenfluramine vs d-amphetamine, 21–35 yr olds, 3197
systemic vs 4th icv-administered fenfluramine, metergoline attenuation of intra-oral food intake reduction, intact vs chronic decerebrate male rats, implications for caudal brainstem contribution, 29294
5-HT releaser & reuptake inhibitor d-fenfluramine, open field stress & ACTH & corticosterone levels & dopamine & norepinephrine turnover in medial frontal cortex, 4 vs 21 mo old female F344 rats, 11144
5-HT3 receptor antagonist ondansetron, prolactin responses to d-fenfluramine challenge, 21–45 yr old healthy males, 15015

Fentanyl—Serials
BW373U86 with vs without nalbuphine or fentanyl or morphine, fentanyl vs bremazocine vs water discrimination, female pigeons, 3258
effect of high initial dose & day-to-day titration of fentanyl, analgesia & pain management, patients with uncontrolled cancer pain, 24037
fentazin anesthesia for labyrinthine surgery, guinea pigs, 15090
predictable vs unpredictable footshock, self administration of oral fentanyl, male vs female rats, 29572
reinforcing & subjective effects of opioid analgesic fentanyl in presence vs absence of cold water stressor, drug-free 21–30 yr olds, 21940
safety & efficacy in pain management, direct conversion from oral sustained release morphine to transdermal fentanyl, 33–77 yr old cancer pain patients, 32694
Fertility—Serials
age & reproductive status, estimate of female's value, male Macrocheles muscaedomesticae, 2997
behavioral ecology of difficulties reducing fertility & resource consumption & reproduction & sustainability, adult males vs females, 11524
childrearing styles & parental characteristics & parent child relationship, in vitro fertilization vs other formerly infertile vs fertile parents of 2–4 yr olds, Netherlands, 7514
clozapine, fertility, psychotic patients, letter, 32391
comparative & evolutionary analyses of ovarian activity & parental behavior & socioendocrinology of infant care & postpartum fertility & sexual behavior, Goeldi's monkeys, 21559
contraceptive use & expectation of fertility & understanding of reproductive physiology & pregnancy prevention program, patients with thalassemia or sickle cell disease treated with iron chelators, 42708
desires for additional wives vs additional children, fertility & nuptial decision making, monogamous males, Cameroon, 11560
evolutionary modeling & suicidal ideation & reproductive status & family interaction, 18–51 yr olds & older vs members of high suicide risk groups, Canada, 4248
family building characteristics & persistent high fertility rate, ever married females 15 yrs old & older, Nigeria, 22304
fertility & suicide rates, adults, France, 1950–85, 12154
fertility & suicide rates, 15–85+ yr olds, 12155
fertility rate & education level & labor participation, 15–19 yr old females, cross national comparison, 11609
fertility status & demographic & sexual partner & health variables, condom use for contraception &/or sexually transmitted disease prevention, divorced or separated female 20–49 yr olds, 9318
illusion of fertility control & adult attachment tendencies, contraceptive behavior & efficacy, 16–24 yr old college students, 26128
male body length & frontal femoral width & body size ratio of mating partners & number of mature eggs, duration of premating struggle & mating & number of successful matings, waterstriders, Canada, 6546
social & economic & cultural basis & fertility impact of preferences for sex of offspring, female 15–54 yr olds, Nepal, 11586
wealth in herd size & sex biased parental investment of resources & sibling number & birth order, competition for heritable wealth & fertility & reproductive success, Gabbra pastoralists, Kenya, 7465
Fertility Enhancement—Serials
etiology & treatment of anejaculation in context of spinal cord injuries & testicular cancer, infertile males attending sperm retrieval clinic, Canada, 23524
Fertilization—Serials
chemosensory processes associated with spawning & fertilization & other reproductive behaviors, gelatinous zooplankton, literature review, conference presentation, 14961
function of prolonged post-insemination mate association, fertilization & paternity & female re-mating, bulb mite, 14783
mate selection & simultaneous parasitic spawning tactics in lek-like mating system, roaches, 29193
mate switching, male copulatory access during female fertile period & fertilization success & paternity of clutch, pied flycatchers, 37891
variation in sperm precedence between & within Ss during mating, individual differences in fertilization success, male flies, 37904
Fetal Alcohol Syndrome—Serials
alcohol, fetal development & pre-ovulatory oocytes, human females, 35811
auditory ERP latencies & amplitudes, discrimination of developmental cognitive disorders, 4–15 yr olds with fetal alcohol vs Down syndrome, 12323
case definition of facial phenotype & development of screening tool, 0.2–10 yr olds with vs without fetal alcohol syndrome, 8227
cognitive & language & physical development, children with fetal alcohol syndrome, followup study, 8234
diagnostic criteria for etiological relationship to ADHD, children with fetal alcohol syndrome, letter, 42535
EEGs, 4–15 yr olds with vs without fetal alcohol syndrome vs Down's syndrome, implications for diagnosis, 8348
fetal alcohol syndrome, development of Tourette's syndrome & hyperactivity & attention disorder, mentally retarded female 8.9 yr old, case report, 4356
fetal alcohol syndrome, 23 yr old adopted American Indian male, case report, 16078
hearing & language & speech & vestibular & dentofacial disorders, 3.7–26.9 yr olds with fetal alcohol syndrome, 31302
hearing & speech & language & vestibular disorders in fetal alcohol syndrome, literature review, children, 35800
immediate vs delayed recall & spatial memory deficits, children with fetal alcohol syndrome, 12261
MRI assessed basal ganglia size, 8–19 yr olds with fetal alcohol syndrome, 31325
perceptions on risks associated with alcohol consumption during pregnancy, 16–38 yr old Hispanic & Anglo females, 38644
prenatal ethanol exposure, parvalbumin-expressing GABAergic neurons of medial septum, adult rats, implications for fetal alcohol syndrome, 41497
programing & planning & self-regulatory behavior & verification & use of feedback, 9.7–18.7 yr olds with fetal alcohol syndrome or fetal alcohol effects, 8258
research regarding effects of moderate drinking on fetus, molecular changes in fetal brain & mutations on L1 gene & reductions in long term potentiation, rats, implications for fetal alcohol syndrome, 18273
specific types of number processing deficits, adolescents & adults with Fetal Alcohol Syndrome & fetal alcohol effects, 12235
Fetal Exposure [See Prenatal Exposure]
Fetishism—Serials
fetishistic interests & arousal & family background & early physical development, adult fetishists vs gender-conforming vs nonconforming transvestites, diagnostic implications, 7558
psychoanalytic & behavioral approaches & organic causes for fantasies & sexual attraction toward uniforms, 22357
psychoanalytic & feminist & historical analysis of fetishism in 17th century English Cavalier poetry, 18369
psychoanalytic interpretation of creativity & relation to fetishization & work, 30615
psychoanalytic perspective on fetishistic role of transitional love objects in lives of fictional adults depicted in works by C. Ozick, 11238
Fetus—Serials
concentrations of iso-amyl acetate & iso-valeric acid, behavioral & discriminatory responses, mouse fetuses, 29448
fetal memory & correlation of & healing process for prenatal trauma & social violence, commentary, 15172
fetal memory & correlation of prenatal trauma & social violence, 15178
individual differences in neurobehavior functioning prior to birth, infant temperament, fetuses followed for 6 mos, longitudinal study, 18424
memory & maternal reports of fetal activity, fetal hyperactivity & hypoactivity in later childhood, 41611

neurobehavioral development, healthy fetuses examined from 20 wks to full term, longitudinal study, 18423
repeated exposure to moderate doses of alcohol, motor response frequency & duration, rat fetuses, implications for sensitization to toxic and chemosensory aspects alcohol, 29520
research regarding effects of moderate drinking on fetus, molecular changes in fetal brain & mutations on L1 gene & reductions in long term potentiation, rats, implications for fetal alcohol syndrome, 18273
Fever [See Hyperthermia]
Fibrillation (Heart)—Serials
use of ECT in presence of atrial fibrillation & need for anticoagulation therapy, elderly patients with affective disorders, 9189
Fibromyalgia Syndrome [See Muscular Disorders]
Fiction [See Literature]
Field Dependence—Serials
academic achievement & sex & field dependence-independence cognitive style, 13–16 yr olds, 37047
age differences & field dependent vs field independent cognitive styles & social play behavior, 3–5 yr olds, 29933
culture & gender & childrearing practices & socialization, cognitive style of field independence vs dependence, Black South African vs African American 4th & 5th graders, South Africa vs US, 37031
differences in field dependence/independence, male vs female 20–47 yr olds in accounting/finance vs marketing vs management majors, Canada, 43663
field dependence & cognitive ability & academic achievement, Anglo- vs Mexican-American 4th graders, 5645
grade level & field dependent vs independent cognitive style & sociocognitive transaction, reasoning about speed, 6th & 8th & 10th graders, Israel, 2–3 mo followup, 18478
play behavior, field dependent vs field independent 3–5 yr olds, 22134
signaling & notetaking & field independence vs dependence in text comprehension & recall, college students, conference presentation, 43642
sociocultural background, field dependence/independence, junior secondary school students, Africa, 22017
yoga training, field independence & perceptual acuity, adults, 10 mo followup, 19003
Field Instruction [See Curricular Field Experience]
Field Trips (Educational) [See Educational Field Trips]
Field Work (Educational) [See Curricular Field Experience]
Fighting [See Aggressive Behavior]
Figurative Language [See Also Metaphor]—Serials
cognitive science based approaches to computational modeling of semantics in study of figurative language, 11270
cognitive science in study of figurative language, 11265
conceptual metaphors in immediate idiom comprehension, college students, 41565
idiom use in classroom communication, primary school teachers of 6–11 yr olds with vs without language disorders, 40484
neurolinguistic models of comprehension of metaphor and idiom, 11259
nonlinguistic & perceptual aspects of cognitive processing of metaphor & other figurative language, literature review, 11269
psycholinguistics & figurative language, literature review, 11267
puns as second thoughts superimposed on & deflecting prior statement, 15144
recognition of sarcasm & Gricean & Echoic models of irony, frontal lobe damaged 18–55 yr olds, 8625
syntactic & semantic effects, errors in speech of idiom pairs, adults, 21333
understanding of meaning & meanness & humor in irony, 5–6 vs 8–9 yr olds vs adults, 25743
use of religious symbols & idioms in subjective experiences, 40+ yr old females with anorexia nervosa, 39319
Figure Ground Discrimination—Serials
computer model of low-level processing principles related to physiology of peripheral auditory system, Gestalt group of auditory figure/ground phenomena, 10648
edge assignment & figure–ground segmentation in short term visual matching, college students, 14510
Facade theory of 3-dimensional vision & figure–ground perception of 2-dimensional pictures, 34153
figure &/vs ground color incongruity, image combination in short- vs long-term visual memory, 18–33 yr olds, England, 41162
figure–ground segmentation measured by size & brightness parsing & symmetry judgments, 53 yr old female with closed head injury, 42784
image segmentation into figures & background in lower visual field, perception of illusory contours, Os, implications for anatomical discontinuity along horizontal median in visual cortex, 6245
order specific vs nonspecific motion responses in direction discrimination of random block kinematograms, Os, 41030
Figures of Speech [See Figurative Language]
Fiji—Serials
cultural & sociopolitical influences & sources & management of ethnic conflict, Somalia vs Fiji, 3595
regional & sex & age & methodological differences, suicidal behavior of Fijians vs Indians, Fiji, 31249
statistics for violence by self vs others, victims, 1969–89, Fiji, 12164
Filtered Speech—Serials
complete vs unfiltered fundamental acoustic frequency, communication accommodation in dyadic conversation, college students, 38231
speech intelligibility assessment method based on consistency among speech parameter vectors, implications for human performance on perception of filtered speech, 17863
Financial Assistance (Educational) [See Educational Financial Assistance]
Fine Motor Skill Learning—Serials
phoneme perception & fine motor skills & mental age, auditory comprehension of language, 4.0–7.8 yr olds with receptive language delay & articulation difficulties, Australia, 8435
verbal skills & continuous performance fine motor skills & cognitive tempo as 2nd order dimension of temporal information processing, male adolescents, 34832
Finger Tapping—Serials
delayed auditory feedback, synchronization of finger tapping & auditory signals, adults (mean age 24 yrs), 25234
eye movement desensitization & reprocessing vs thumb tapping, autonomic measures, 21–52 yr olds distressed by traumatic memories, 12 mo study, 19762
finger tapping & motor vs cognitive task performance, patient with left intralaminar thalamic nuclei lesion, case report, 23439
finger tapping & short-term memory processing, duration & variability of tapping intervals, college students, Canada, 21410
functional magnetic resonance imaging of motor cortex activation during finger tapping task, schizophrenic 19–44 yr olds, 39030
MRI localization of neural systems activated during performance of precisely timed finger tapping movements, 18–31 yr olds, 41352
oral levodopa, finger tapping rate & clinical progression, 34–74 yr olds with Parkinson's disease, 9252
rhythmic finger-tapping task & fast segmentation of neural processing in schizophrenics, 30993
task requirements & optimal biomechanical performance, impulse to collide with obstacle & force related control in choice of aiming fingertip to tap against obstacle, college students, 28826
Fingers (Anatomy)—Serials
cortical fields activated by self paced finger movement vs visually triggered movement, males, Sweden, 29322
event related coherence as tool for studying dynamic interaction of spatially separated brain regions in relation to finger movement, adult, 11028
gratings of alternating ridges & grooves, spatial discrimination & tactile learning, adults, 21235
interkey timing in piano playing &/vs typing performance, skilled pianists, 41052

keyswitch make force, finger flexor muscle activity & fingertip applied force, 24–45 yr old right-handed experienced typists, 40693
proximal-distal vs oblique vs medial-lateral nonmoving-oriented patterns, sensitivity of middle vs index finger of right vs left hand, 21–36 yr olds, implications for class 1 & 2 anisotropies, 25170
spatial threshold for discrimination of grating orientation, assessment of tactile spatial acuity at lower lip & each fingertip, adults, 10616
Finland—Serials
attraction to on-ice hockey fights & fight history & group size, personal involvement in crowd disorders, adult males, Finland vs Canada, 18985
changes in relationship between smoking & drinking, 12–18 yr olds, 1977–93, Finland, 41729
conformity to institutional norms in creation of isomorphism across organizations & impact of nationalism on language of publication of 19th century newspapers, Finland, 1771–1963, 28215
epidemiology of mental disorders, Finland, literature review, 35481
experiences of single-case evaluation studies of social work practice, England & Finland, conference presentation, 40082
intergenerational & educational factors, sex-atypical career choice, adolescent females, 8 yr study, Finland, 29907
Lahti Project experimental community action program, prevention of alcohol-related harm, Finland, 13194
per capita alcohol consumption & suicide mortality by age, 15 yr old & older males, Finland, 1950–91, 12158
postdecisional dissonance in consumerism, commodified self-concept, 18–22 yr old students, US vs Finland, 18984
prevalence of hearing threshold loss, 8 mo to 18.4 yr olds, Sweden vs Denmark vs Finland, 16413
psychiatric rehabilitation & decentralization & psychiatric hospital capacity for mentally ill, Denmark & Finland & Iceland & Norway & Sweden, 16950
recent ECT & completed suicide, suicide victims, 1 yr study, Finland, 19995
relation between hostility & workplace sickness absences, municipal employees, Finland, 4-yr study, 37227
reliability of clinical vs research diagnoses of schizophrenia, 16 yr old birth cohort, 11 yr study, Finland, 42326
sex, annual incidence of mental disorders, 15–64 yr olds, Finland, 5 & 16 yr followups, 11900
social relations perspective in boundary changes & composition over family life course, Finland, research review, 30153
Fire Fighters—Serials
gender harassment, African American female firefighters, 26104
neutral vs hot thermal environment, physiological & psychological responses, 24.6–34.10 yr old male firefighters, 29487
patterns of social interaction, exclusion within firehouse, 26–42 yr old African American female fire fighters, 35221
perceptions of work stress & organizational approaches to stress management, 21–60 yr old firefighters, Australia, 33711
physiological & psychophysical & psychological responses to firefighting training drills, male firefighters, 10143
Fire Prevention—Serials
evaluation of Kid Safe fire safety training program, 3–5 yr olds, test appended, 5604
safety training program, behavioral approach of reducing public housing fires, low income heads of households, 5236
Firearms [See Weapons]
Firesetting [See Arson]
FIRO-B [See Fund Interper Rela Orientat Beh Ques]
Five Factor Personality Model—Serials
adaptational style & traits in 5-factor model of personality, college students, 15725
affective & cognitive & social dimensions of individual differences in propensity toward aggression & fit into personality space defined by Five-Factor personality model, adults, Italy, 1050
agreement in liking & change in acquaintance level, consensus on impressions of dorm mates' Big Five personality traits, college freshman residents of dormitory clusters, 1 yr study, 22434
associations between five factor model of personality domains & DSM-IV ratings, patients with personality disorder, 35693
athletic &/vs disability status & social identity, scores on trait dimensions of 5-factor model of personality, disabled vs nondisabled athletes vs nonathletes, 8469
Big five personality model & RIASEC (Realistic & Investigative & Artistic & Social & Enterprising & Conventional) vocational interest model, college students, Belgium, 38756
comparison of Big-Five Structures of personality traits in Dutch vs English vs German, college students, Netherlands vs US vs Germany, 30501
concurrent validity of Five Factor Personality Model & FIRO-B & Learning Style Questionnaire, managers & employees, 10394
confirmatory & exploratory factor analysis of Neuroticism domain scale of NEO Personality Inventory—Revised, college students, Canada, 37401
confirmatory factor analysis & factor structure of NEO-FFI vs Mini-Markers, measurement of five factor personality structure, college students, 2554
conscientiousness dimension of five-factor personality model & driving accident involvement, drivers, 3872
consensus & self-other agreement & meta-accuracy on Big Five factors for target person, family members & friends & coworkers, 18894
construction & validation of Short Adjectives Checklist of Big Five, adults, 53
correlations between the scores of offspring & parents on the NEO Personality Inventory, 18–61 yr olds, 42043
correlations of 3 MMPI-2 validity scales with Michill Adjective Rating Scale & Big-Five factors, undergraduates, 17614
criterion & predictive validity of 5 vs 6 factor personality measures, training & job performance, flight attendant trainees, 10383
dimensional relationship & comprehensiveness & convergent validity of five-factor vs RIASEC models of personality, working adults, 25033
E. Webb as potential latent originator of 5 factor model of personality & factor analysis of 1915 data, students, 11774
Ego Control & Ego Resiliency & the Five-Factor Model of Personality, behavioral & emotional problems, 7–17 yr old mental health clinic-referred outpatients, 39150
examination with reliable component analysis of the 5-factor model of normal personal variation of the NEO Personality Inventory Revised Edition, comparison with H. J. Eysenck's 3-factor system, 40817
exploratory vs confirmatory factor analysis in validation of Norwegian version of NEO Personality Inventory & 5 factor model, noninstitutionalized adults, Norway, 37413
factor analysis of thin vs muscular vs overweight physique stereotype traits in semantic differential format & comparison with five factor personality model, college students, replication & extension, 38697
factor structure of Transparent Bipolar Inventory as measure of big five personality traits, 70 yr olds & older, Australia, 21006
factorial structure of California Psychological Inventory & relationship with five-factor personality model, 17–72 yr olds, 37402
Five Factor Inventory & well-being & gender, wish content & self estimation of wish coming true, college students, 30506
Five Factor Model of Personality & Type A behavior & self monitoring & subjective well being & locus of control, franchise business owners, 26267
five-factor structure analysis of generality & comprehensiveness of Jackson Personality Inventory, 17–34 yr olds, 10387
genetics & environment, heritability of five-factor personality model dimensions of NEO Personality Inventory scale facets, 16–68 yr old monozygotic & dizygotic twin pairs, Canada, 2546

independent rotation vs confirmatory factorial analysis as tests of robustness of 5-factor structure across 2 forms of the 16 Personality Factor Questionnaire, 17–88 yr old police applicants & felons, 40829
lacunae & likeableness in Big Five Model of personality, adults, 35369
limitations of & alternative to Five Factor Model of personality & method for uncovering nomothetic from idiographic personality processes, 15760
meta-analysis of relation between Big Five Factor of personality & job performance, Europe, 22567
MMPI-2 measurement of conscientiousness factor of NEO Personality Inventory, college students, 5979
NEO-Personality Inventory 5 factor model vs Myers-Briggs Type Indicator, measurement of personality, adults, 2536
neuroticism & extraversion & openness & conscientiousness scores on NEO Personality Inventory vs adult norms, nationally certified executive search recruiters, 10077
neuroticism & openness & extraversion & agreeableness & conscientiousness, self efficacy, employees in self managed work groups, 2313
omission of W. V. Clarke's work in history of development of Extraversion & Neuroticism & Agreeableness & Conscientiousness & Openness in 5-factor model of personality, commentary, 19039
perceptions of predictive validity of NEO Five Factor Inventory & Wonderlic Personnel Test, Black vs White college students, US, 20993
perfectionism & big-five personality factors, college students, 26252
personality characteristics using taxonomy of Five-Factor Personality Model, euthymic bipolar disorder vs recovered unipolar depressed patients, Canada, 26436
personality profile based on five-factor model & life satisfaction, happy vs unhappy males & females, 42084
persons & situations & items, Big Five personality trait variance, 20–49 yr olds, replication, 18967
relationship between need for cognition construct & domains of Big-Five Factor Model of Personality, 17–22 yr old college students, 30537
relationship of scores on Measure of Attachment Qualities to extraversion & anxiety traits & NEO Five Factor Inventory scores & 4 category model of attachment, adults, 42054
reliability & validity of bipolar measure of Big-Five personality dimensions & correlation with EPI & Personal Attributes Questionnaire & Masculine Behavior Scale, adults, 10423
sex & use of Five-Factor Model & Structural Analysis of Social Behavior, assessment of parental representations & dimensions of personality, college students, 25029
shopping motives & personality traits, college students, application of 5 factor model of personality, 10174
social desirability, Big Five personality testing for personnel selection, meta analysis, 10412
structure of motives causing positive vs negative emotional states & motives characteristic of Big Five personality model, high vs low reactive Type A vs Type B persons, 11721
structure of temperament scales & analysis of personality scales & utility of Big Five as organizing structure for personality attributes, 6–10 yr olds, Russia, 3421
use of the Big Five model & dominance to assess factor structure of personality, chimpanzees, 34438
use of 5-factor model of personality to determine personality differences, recovered patients with unipolar depression vs euthymic patients with bipolar disorder vs patients with schizophrenia, 38903
validity of alternative instruments in assessment of 5 factor model of personality, 25038
validity of Italian version of Individuation Scale & Five Factor Model of personality, Italian 18–62 yr olds vs American 17–37 yr olds, 40813
validity of RIASEC model of vocational personalities & Five Factor model, assessment of individual differences & prediction of educational achievement, college students (mean age 23.4 yrs), 17603
vulnerability of NEO-Five Factor Inventory to self-presentation strategies, personality measurement, 18–52 yr olds, 17618
5 factor model of personality & related personality profiles of 6 group typology of adjustment, 18–54 yr olds, 7741
5-factor model personality traits & agentic vs communal stressor in problem- & emotion- & relationship-focused coping responses, college students (mean age 21 yrs), 15703

Fixed Interval Reinforcement—Serials

behavior analysis with fixed time extinction schedule, pigeons, application of linear analysis in determination of transfer function & predictability of behavior, 14440
behavioral effects of GBR 12909 & 5-HT uptake inhibitors & agonists & dopamine agonist & fixed interval schedule of stimulus termination & second-order schedule of iv drug self administration, monkeys, 34667
discrimination learning in initial vs prolonged FI & peak interval training, peak response distribution, pigeons, 357
dopamine D1 & D2 agonists & antagonists, time estimation ability during FI and peak interval training, male rats, 6892
FI vs VI reinforcement, response rate & memory for delay, pigeons, 18045
fixed-time liquid food delivery schedules, fecal boli excretion, male rats, 10776
multiple FI & FR schedules, pentobarbital discrimination & generalization to amobarbital & diazepam & PCP & d-amphetamine, male pigeons, 614
pimozide induced dopamine depletion & continuous vs FI schedules of reinforcement, self-administered brain stimulation, male rats with intracranial electrode implants, 29246
residence time in concurrent foraging patch with fixed times to prey arrival, homing pigeons, 25403
risky vs risk-free foraging, preference for fixed vs variable delay option to food, starlings, 37855
temporal control in brief vs long unscheduled transition in interval duration during fixed-interval reinforcement schedule, rats, 37826

Fixed Ratio Reinforcement—Serials

alternative reinforcer & condition & FR schedules of reinforcement, food & amphetamine & fluid intake, male baboons, 41454
antagonist effects of clocinnamox, suppression of opioid agonists at neural receptors under schedule-controlled food reinforced responding, monkeys, 6842
choice of variable vs fixed ratio reinforcement schedules, pigeons, 14727
concentration of ethanol concurrently available under FR reinforcement schedules, responding, male rhesus monkeys, 641
continuous vs VR vs FR reinforcement schedules, within-session patterns of operant response rate, male gerbils, 34393
demand curve similarities of progressive vs FR schedules of food delivery, hens, 21493
dopamine agonists & antagonists, cocaine induced operant responding for associated stimulus & reinforcing effects under food & cocaine reinforcement, male rats, 11224
models of fixed & variable ratio schedule performance, homing pigeons, test of predictions of P. R. Killeen's mathematical principles of reinforcement, 34351
mu opioid agonist nalbuphine, FR schedule-controlled responding & tolerance & sensitivity to rate-decreasing effects of naltrexone & other mu & kappa opioid receptors, pigeons, 29548
multiple FI & FR schedules, pentobarbital discrimination & generalization to amobarbital & diazepam & PCP & d-amphetamine, male pigeons, 614
muscimol induced changes in responses to FR reinforcement using ethanol vs sucrose, male rats, implications for role of ventral segmental area GABA A receptors, 6925
number of reinforcers during training & VR–VR vs VR–FR reinforcement schedules, key pecking during extinction, pigeons, 18090
oral caffeine pretreatment, FR reinforced smoked cocaine self administration, male rhesus monkeys, 11120

provocation frequency & point subtraction in FR reinforcement task, free-operant aggressive responding, male 22–33 yr olds, 37798
short vs long sessions with open vs closed economies, performance under FR food reinforcement schedules, hens, 18056
Flashbacks [See Hallucinations]
Flexibility (Personality) [See Adaptability (Personality)]
Flexion Reflex—Serials
avoidance vs classical contingency training with varied shock CS & tone UCS intervals, learning of leg flexion response, dogs, 344
Flextime [See Work Scheduling]
Flicker Fusion Frequency [See Critical Flicker Fusion Threshold]
Flight Attendants [See Aerospace Personnel]
Flight Instrumentation—Serials
rotating vs fixed map & 2- vs 3-dimensional electronic flight deck displays, flight path control & terrain awareness, student pilots, 20866
saccade amplitudes & dwell time lengths during instrument vs scenery centered simulator flight tasks, 25–32 yr old male jet aircraft pilots, 21254
Flight Simulation—Serials
active vs passive control of aircraft, opto-kinetic cervical neck reflex, military pilots, 34193
adaptive task allocation, monitoring of automation failure during flight simulation, 18–28 yr old nonpilots, 24888
backward transfer technique, efficiency of part vs whole task training for desktop flight simulator, 18–30 yr olds, 2870
computer generated imaging in flight simulation & visual motion perception & virtual environments, 10242
delayed displays in flight training simulators, acquisition of 2-axis compensatory manual control task & maintenance or straight & level flight, college students, 17489
display location of automated task, monitoring performance during flight simulation, nonpilots, 24889
early vs late order confirming vs disconfirming aircraft information, probability estimates of aircraft hostility levels & engagement decisions, Army tactical control officers for air defense system, 2344
exposure to simulated aircraft vs normal environment, hypoxic stress & visual acuity & Softperm contact lens movement & residual astigmatism, 21–39 yr olds, implications for US Air Force aviators, 16718
flight simulator training, validity of Simulator Sickness Questionnaire disorientation subscale vs physiological measure of postural instability, male Navy aviators, 17581
gravity-induced loss of consciousness, instrument flying performance, Canadian Forces pilots, 10161
head position & attitude interpretation & spatial orientation in flight simulation, pilots, 34190
optical blur, performance on simulated instrument flight-rule approaches, 21–56 yr old pilots, 203
predictive validity of perceptual & psychomotor & cognitive tasks in computer aided aptitude test, flight training success, 22–24 yr old male senior air force cadets, Korea, commentary, 28604
traffic volume & complexity & overload in computer based simulated task, workload changes, 21–29 yr old Air Force traffic controllers, 14001
validation of videotape as analogous situation for a flight, adults with a phobia of flying, 40860
Flooding Therapy [See Implosive Therapy]
Fluency [See Verbal Fluency]
Fluid Intake [See Also Water Intake]—Serials
action of naloxone & naltrexone & morphine & other opioid alkaloids, propensity to drink alcoholic beverages, rats, 7041
alternative reinforcer & condition & FR schedules of reinforcement, food & amphetamine & fluid intake, male baboons, 41454
angiotension II, ethanol vs water intake, male rats, 606
BAY k 8644 with vs without nimodipine, ethanol preference & intake & food & total fluid intake, alcohol-preferring rats, 18282
beta-estradiol vs antiestrogen tamoxifen, voluntary alcohol consumption & immobility in swim test of depressive behavior & aggression toward intruders, gonadectomized male vs female mice, 3225
calcium channel antagonists, ethanol preference & intake & food & total fluid intake, alcohol preferring rats, 11124
carbohydrate & preferred vs aversive taste solutions with vs without food, discriminative fluid intake conditioning, female rats, test of nutrient–flavor vs malaise analog hypotheses of conditioning, 6422
carbohydrate drink, psychomotor performance during 24 hr nuclear biological chemical warfare simulation wearing protective mask & clothing, male Army personnel, Netherlands, 7101
carbohydrate infusions after vs not drinking saccharin, saccharin intake, rats, implications for behavioral associative processes, 41510
carbohydrate infusions, stimulation & suppression of saccharin intake & condition satiety, female rats, 34697
Chinese herbal medicine NPI-028 & its derivatives, suppression of alcohol intake, alcohol-preferring vs Fawn-Hooded rats, 11180
chronic amphetamine & fenfluramine coadministration, alcohol & water intake, alcohol dependent vs nondependent male rats, 29637
combined treatment with amperozide & naltrexone, alcohol intake, high alcohol drinking rats, 6962
daidzin & daidzein & peurarin plant extracts, ethanol intake, female rats from selectively-bred P line, animal model of alcoholism, 21879
daily shock, preference for ethanol consumption, rats, 11131
development of inexpensive liquid reinforcement dispenser, chimpanzees, 40978
development of nutrition knowledge survey, assessment of relationship between nutrition knowledge & milk consumption, 50–89 yr olds in community wellness program, 14359
diadzin, ethanol consumption, male Wistar rats, 29556
ethanol consumption & predisposing polygenes in congenic animal models, mice, 29040
fixed-time liquid food delivery schedules, fecal boli excretion, male rats, 10776
glucose & tolbutamide, morphine enhanced & angiotensin II reduced alcohol consumption, male rats, 29552
icv vs iv cholecystokinin with vs without its CCK-sub A receptor antagonist Devazepide, dose-dependent glucose appetite & consumption, prepubertal pigs, 6817
isovolumetric isotonic vs hypertonic saline vs glucose vs maltose gastric preloads, postingestive inhibitory intake controls measured by independent milk ingestion, 12 day old rat pups, 6757
milk vs sucrose vs water, crying & hand-in-mouth engagement, healthy newborns, 38271
morphine, enhanced ingestion of 2 vs 20 percent sucrose solution in taste reactivity test, male rats, animal model of hedonic assessment, 11192
naloxone, conditioned taste aversion mediated suppression of ethanol intake on limited access schedule, male rats, 21833
nonalcoholic beer with vs without 10% added ethanol, alcohol intake & preferences & operant reinforcement, male rats, 631
nutritive sucking patterns, bottle fed 1–3 mo olds with vs without colic, 11307
periodic naltrexone, propensity of alcohol intake, male rats, 25602
role of endorphins in alcohol drinking behavior after abstinence period & development of experimental addiction, animals, 7102
sex differences in alcohol preference & drinking patterns, Sprague-Dawley rats during early postpubertal period, 29033
single exposure to alcohol, malformations & changes in body weight of offspring, male rats, 38078
sociodemographic & psychosocial factors, adherence to dietary & fluid restrictions, patients on hemodialysis, 24056
taste aversion training to ethanol, retardation or prevention of high alcohol drinking, male & female rats from alcohol preferring vs high alcohol drinking rat lines, 21890

TRH analog TA-0910, alcohol intake during limited access protocol, alcohol preferring rats accustomed to continuous access, 29581
uncontrollable response contingent vs independent vs no water deliveries, finickiness of quinine vs water ingestive behavior, male Wistar rats, 18055
2% sucrose with vs without 10% ethanol solution, increased daily self administration in continuous access operant paradigm, rats, 11200
Fluoxetine—Serials
abuse liability of sertraline vs alprazolam vs dextroamphetamine & examples of fluoxetine abuse, male 18–46 yr olds, commentary, 26663
acute fluoxetine vs pargyline vs desipramine, cortical 5-HT receptors, male rats, 29518
acute or chronic fluoxetine, basal & stress-induced norepinephrine in the hippocampus, male rats, 34690
acute vs chronic fluoxetine, extracellular serotonin concentrations in frontal cortex, rats, implications for role of 5-HT1A receptors, 15047
adverse events & tolerability of fluoxetine with vs without lithium, 21–85 yr olds with depressive or schizoaffective or other disorders, Germany, 12934
alpha-ethyltryptamine with vs without fluoxetine pretreatment, startle plasticity measured by prepulse inhibition & habituation, male rats, 21885
amantadine, fluoxetine induced anorgasmia, 41 yr old female with depressed mood, case report, 23859
amitriptyline hydrochloride vs fluoxetine hydrochloride vs toloxatone, morning vs evening thyroid function & clinical outcome, 19–60 yr olds with major depression, 9057
amitriptyline vs citalopram vs fluoxetine, depression in 24–64 yr olds, 1.5 yr study, 19158
amitriptyline vs fluoxetine, functional reactivity of cutaneous microcirculation, Ss with major depression, 9129
Axis I & Axis II comorbidity & anxiety sensitivity & depression & anxiety & hostility & problem solving & quality of life, depressed completers vs noncompleters of fluoxetine trial, 27459
cerebral & cerebellar gray & white matter volumes, patients with unipolar depression responding or not responding to fluoxetine, 39007
citalopram vs fluoxetine, 21–73 yr olds with unipolar major depression, France, 19961
clozapine treatment response with vs without fluoxetine augmentation, schizophrenic outpatients with persistent positive or negative symptoms, 19927
concurrent use of fluoxetine & SCIRC-deprenyl, affective & behavioral & motoric improvements, 19 yr old female with Huntington's disease, case report, 9279
current vs historical physical illness, quality of life & response to fluoxetine, depressed 60 yr olds & older, 23930
Depression & Anxiety List rating scale, assessment of early symptomatic changes in fluoxetine treatment, 19–68 yr olds with major depression, 14297
desipramine & fluoxetine treatment during infancy, number & type of leukocytes in CSF, adolescent rhesus monkeys, 29522
desipramine vs fluoxetine, behavioral effects in forced swimming test, rats, implications for depression, 29532
diagnosis & pharmacologic treatment of hypochondriasis & efficacy of fluoxetine vs placebo, 23879
drug safety monitoring of fluoxetine, 14–94 yr olds with mental disorders, England, 6 mo followup, 36434
eating disorder symptomatology & severity of depression, depressed outpatients before vs after fluoxetine treatment, 26448
effects of ingested psilocybe fungi vs prescribed fluoxetine, 27 yr old male with body dysmorphic disorder, serotonergic implications, case report, letter, 12976
efficacy & safety & tolerability of fluvoxamine vs fluoxetine, 21–61 yr old depressed outpatients, 32508
efficacy & tolerability of fluoxetine, depressive & general psychiatric symptoms & cognitive functioning, 65 yr old & older geriatric inpatients, 5078
efficacy & tolerability of fluoxetine, 16–81 yr olds with psychiatric disorders with vs without disturbance of serotonin metabolism, 32474
efficacy & tolerability of moclobemide vs fluoxetine, 21–60 yr olds with double depression, 27403
efficacy of fluoxetine & side effects, elderly outpatients with dysthymic disorder, 1844
efficacy of fluoxetine treatment, 20–58 yr olds with chronic pathologic skin picking, 43185
efficacy of fluoxetine vs desipramine & imipramine in terms of adverse effects & compliance & time to adequate dose, patients with major depression, 1 & 3 & 6 mo followups, 19975
efficacy of fluoxetine vs sertraline or paroxetine, male in mid 20s with social phobia, case report, letter, 32564
fluoxetine & behavior therapy, 8 yr old male with selective mutism, case report, letter, 16427
fluoxetine & bupropion, nocturnal panic symptoms, 47-yr-old female with recurrent major depression, case report, letter, 16667
fluoxetine & clomipramine, tachycardia & other cardiac side effects, 83 yr old female with depression, case report, 12930
fluoxetine & doxepin, cardiac conduction & refractoriness, 18–75 yrs olds with major depression, 32348
fluoxetine & lifetime history of panic disorder or histrionic personality, hypochondriacal concerns & anxiety, patients with major depressive disorder, 12961
fluoxetine & naltrexone, hostility, male heroin addicts, Italy, 5020
fluoxetine & prior social learning, pins & dorsal contact in rough play, juvenile rats, 11152
fluoxetine & psychotherapy, 37 yr old female with recurrent nonpsychotic unipolar depression & work-home struggle, case report, 31974
fluoxetine & topical aluminum chloride, anxiety-related hyperhidrosis, male 51 yr old with public speaking phobia, case report, letter, 12941
fluoxetine & tryptophan depletion, vulnerability to depressed mood & quality of life, healthy adults (mean age 32.2 yrs), 29505
fluoxetine & valproic acid, 67 & 81 yr old females with epilepsy or major depressive state, case reports, 32397
fluoxetine, abstinence, 21–65 yr old detoxified alcoholics, 20321
fluoxetine addition to pimozide & benztropine treatment, development of galactorrhoea, 15 yr old female with psychotic symptoms & convulsions, letter, 12928
fluoxetine, anger attacks, female patients with major depression, 9062
fluoxetine as adjunctive treatment, alcoholic 27–62 yr old males in voluntary inpatient drug treatment, 24312
fluoxetine, birth outcomes, pregnant females with depression & anxiety & other conditions, prospective study, commentary, 27445
fluoxetine, birth outcomes, pregnant females with depression & anxiety & other conditions, prospective study, 27398
fluoxetine, co-occurring exercise induced orgasms & difficulty achieving orgasm during intercourse, 50-yr-old female with depression, case report, letter, 32402
fluoxetine, depressed 24–63 yr olds with HIV, Australia, 5042
fluoxetine, depression, patients with renal failure undergoing hemodialysis, 5200
fluoxetine discontinuation, relapse, elderly outpatients with dysthymic disorder, 23874
fluoxetine, extrapyramidal system, 12 yr old female with major depression & panic disorder & history of cannabis & amphetamine abuse, letter, 9095
fluoxetine, fine motor retardation, 18–65 yr old inpatients with major depressive episode, Netherlands, 9152
fluoxetine, food & caloric & carbohydrate intake & number of eating occasions, normal weight 21–34 yr olds living in residential laboratory, 11133
fluoxetine, homicidal ideations upon cocaine abstinence, 27 yr old male, case report, 19966
fluoxetine, hypoprothrombinemic response of warfarin, chronically anticoagulated 51–81 yr olds, 32412
fluoxetine induced anorexia, 25 yr old female with bulimia & antecedents of anorexia nervosa, commentary reply on case report, letter, 36525

fluoxetine induced anorexia, 25 yr old female with bulimia & antecedents of anorexia nervosa, commentary on case report, letter, 36499
fluoxetine induced hyponatremia & inappropriate secretion of antidiuretic hormone, 84 yr old female with depression, letter, 27448
fluoxetine induced syndrome of inappropriate secretion of antidiuretic hormone, depressed 74–89 yr olds, 4997
fluoxetine induced syndrome of inappropriate secretion of antidiuretic hormone, depressed elderly patients, commentary, letter, 4998
fluoxetine, induction of Raynaud's phenomenon, female 54 yr old with bipolar disorder, case report, 36497
fluoxetine, laterality during dichotic listening to words & complex tones, adults with major depression, 9044
fluoxetine, major depression, 60 yr olds & older, 19977
fluoxetine, male 24–62 yr olds with premature ejaculation, 32703
fluoxetine, motor retardation, 18–65 yr old patients with major depression, Netherlands, 39833
fluoxetine, nitrazepam induced behavioral sleep, day old chicks, 599
fluoxetine, obsessive compulsive & social behavior, mentally retarded 26 yr old male & 42 yr old female with autism, case report, letter, 32445
fluoxetine or paroxetine or sertraline, behavioral symptoms, children under 7 yrs old with developmental disorders, 16611
fluoxetine related lingual dyskinesia, patient with tardive dyskinesia, commentary with reply included, letter, 32449
fluoxetine, selective mutism, 5–14 yr olds with comorbid anxiety disorders, 9056
fluoxetine, severity & changes in hostility & stress & depressive symptoms & negative thinking, outpatients with major depression, 27405
fluoxetine, stability of reversed vs positive neurogenerative symptoms through relapsing or recurrent depressive episodes, 18–65 yr old outpatients with atypical unipolar major depression, 30891
fluoxetine, suicidal behavior, 18 yr olds & older with anxiety disorders, 3 yr followup, 16666
fluoxetine, suicidal ideation & muscle aches, 72 yr old Chinese male with poststroke depression, case report, 27432
fluoxetine therapy or ECT, pathophysiology of cerebral perfusion abnormalities assessed through brain technetium-99m hexamethylpropyleneamineoxime uptake ratios, healthy Ss & depressed patients, 42880
fluoxetine, tobacco smoking & alcohol drinking patterns, smokers (mean age 35.5 yrs) with major depression & alcohol dependence, 12 wk study, conference presentation, 33038
fluoxetine, tonic regulation of aggression & postorbital eye spot darkening, male lizards, 29531
fluoxetine treatment, basal ganglia choline levels and volume measured via proton magnetic resonance spectroscopy, patients with depression, 32513
fluoxetine vs d-amphetamine, rest/activity & locomotion, male rats, animal model of akathisia, 3284
fluoxetine vs desipramine, binding parameters of platelet imidazoline binding site & alpha2-adrenoceptor, adult patients with major depressive disorder, 5084
fluoxetine vs imipramine vs parachlorophenylalanine, food intake & hyperactivity on running wheel & weight loss, female rats, model of obsessive compulsive disorder, 3187
fluoxetine vs lithium, conditioned taste aversion to sucrose, male rats, 7033
fluoxetine vs m-chlorophenylpiperazine, emotional & physical aspects of symptom response, female 28–44 yr olds with PMS and premenstrual dysphoric disorder, 32559
fluoxetine vs nortriptyline, mood & neurological function & functional & cognitive ability & neuropsychological rehabilitation, elderly with poststroke depression, 32698
fluoxetine vs paroxetine, depression symptoms & withdrawal symptoms, learning disabled patients with affective disorders, letter, 16617
fluoxetine vs phenelzine, patients with mood-reactive atypical depression, 13025
fluoxetine vs sertraline, adults with major depression, 27461
fluoxetine vs sertraline treatment, development of paresthesias & alopecia, 36 yr old female with dysthymia, case report, letter, 16616
fluoxetine vs tricyclic antidepressant treatment, L-5-hydroxytryptophan induced plasma cortisol & prolactin increases, 20.1–61.2 yr old patients with major depression or obsessive compulsive disorder, 36481
fluoxetine vs tricyclic antidepressants, IQ & language development, mothers & their 1.3–7.2 yr olds exposed in utero, 29809
fluoxetine vs valproate, 36 yr old female with kleptomania & bipolar disorder, case report, letter, 32442
fluoxetine with vs without estrogen replacement therapy, females aged 60 yrs old & older with major depression, 32531
fluoxetine with vs without total sleep deprivation, hastening of depressive symptomatology, bipolar depressed inpatients, 36417
fluoxetine, 17 yr old female with body dysmorphic disorder & major depression, case report, letter, 39813
fluoxetine, 22–53 yr olds with extreme anger, 19972
fluoxetine, 22–55 yr olds with PTSD, commentary, letter, 5023
fluoxetine, 6.3 yr old male with body dysmorphic disorder, case report, letter, 27387
fluvoxamine & fluoxetine, metabolic interaction of enantiomers, addicts on methadone treatment, 32399
fluvoxamine & fluoxetine treatment, reduction in CSF 5-HIAA & MHPG & HVA, 18–65 yr olds with major depression, 32540
imipramine–fluoxetine interaction, blood levels of tricyclic antidepressant, 39 yr old female with depressed mood & bipolar disorder & suicidal ideation, letter, 1838
limited half life & side effect profile of fluoxetine in treatment of comorbid anxiety & depression, 5094
long term efficacy of fluoxetine, patients with dysthymia, 6 mo study, France, 36523
moclobemide vs fluoxetine, 18–64 yr olds with major depression, 27430
nonresponse to fluoxetine after 2 vs 4 vs 6 wks, prediction of nonresponse after 8 wks, patients with major depressive disorder, commentary, letter, 12965
paroxetine vs fluoxetine, platelet serotonin parameters, 23–54 yr old patients with major depression, 12 wk study, 32349
pharmacokinetics interactions & clearance rates following abrupt switch from fluoxetine to paroxetine, 42–69 yr olds with major depression or other mood disorder, 12962
pindolol, response to fluoxetine, patients with major depression, 23863
placebo response & drug side effects & nonresponse to fluoxetine after 2 vs 4 vs 6 wks, prediction of nonresponse after 8 wks, patients with major depressive disorder, commentary reply, letter, 13024
plasma fluoxetine & norfluoxetine & therapeutic response, patients with major depression, conference presentation, 39785
plasma levels of fluoxetine & norfluoxetine, clinical outcome, 15–70 yr olds with moderately severe obsessive compulsive disorder, 12991
platelet serotonin & plasma free MHPG levels, pre- vs post-fluoxetine vs maprotiline treatment, outpatients with major depression, Taiwan, 30864
postnatal cocaine & fluoxetine exposure, acoustic startle response, rats treated with serotonin agonists 8-hydroxydipropyl-aminotetralin or 1-(m-cholorphenyl) piperazine, 38093
receptor specific serotonin reuptake inhibitors fluoxetine vs paroxetine generalization of discriminative effects of ethanol, male rats, 29589
response to fluoxetine, 75–101 yr olds with major depression with vs without Alzheimer's disease vs vascular dementia vs stroke, 20107
risperidone & fluoxetine, obsessive sexual thoughts, male 27 yr old with pedophilia & comorbid dysthymia, case report, implications for paraphilia as obsessive compulsive spectrum disorder, letter, 1803

safety & efficacy & tolerability & side effects of moclobemide vs fluoxetine, patients with major depression, 9149
safety & tolerability of addition of moclobemide to paroxetine or fluoxetine, 25–64 yr olds with intractable major depression, 9081
serum & red blood cell folate vs vitamin B-12 vs homocysteine concentrations, depressive subtype & response to fluoxetine therapy, outpatients with major depression, 22759
side effect of fluoxetine, memory recall of early life events, 42–57 yr olds with depression, case reports, 32518
switch to paroxetine following withdrawal of fluoxetine due to fluoxetine induced akathisia, 47 & 54 yr old females with severe recurrent major depression & refractory depression, case reports, letter, 32351
toxic interaction of fluoxetine and phentermine, 22 yr old female with major depression with atypical features including weight gain, case report, letter, 12944
variability of effect sizes & other outcome measures among multisite clinical trials, 60+ yr old outpatients on fluoxetine treatment for major depression, 27454
venlafaxine vs fluoxetine efficacy & safety, patients with major depression, 5008

Fluphenazine—Serials

amphetamine vs apomorphine, dopaminergic sensitivity of prolonged treatment with fluphenazine decanoate, socially living capuchin monkeys, 38126
ceruletide, perioral movements & striatal dopamine receptor adenylate cyclase system, male rats chronically treated with fluphenazine, implications for pathogenesis of tardive dyskinesia, 567
clozapine vs fluphenazine, regional cerebral glucose metabolism, 21–47 yr old male schizophrenics, 32380
clozapine vs fluphenazine, stimulus effects of serotonin agonist m-chlorophenylpiperazine in vivo vs in vitro, rats, animal model for subjective effects of psychotropic agents, 15030
diphenhydramine dependence & neuroleptic noncompliance, male 32 & 38 yr olds with schizophrenia being treated with fluphenazine, implications for outpatient treatment strategies, letter, 1277
dosage level of reduced maintenance fluphenazine decanoate regime, predictors of relapse, schizophrenic outpatients, 2 yr followup, 16630
fluphenazine vs clozapine with vs without idazoxan, global psychosis & positive & negative symptoms, 26–48 yr olds with treatment resistant schizophrenia or schizoaffective disorder, 9108
standard vs low vs targeted dose of fluphenazine & applied vs supportive family management, relapse & rehospitalization, patients with schizophrenia (mean age 29.6 yrs), 31980

Flurazepam—Serials

flurazepam withdrawal, GABA type A receptor function, rats, 34693

Fluvoxamine—Serials

adverse events & overall safety profile of fluvoxamine, depressed 65–97 yr old patients, 16665
antidepressant therapy with fluvoxamine vs placebo, depressed HIV positive 20–61 yr olds, 23906
characteristics of response vs nonresponse to brofaromine or fluvoxamine, patients with social phobia, 13049
chronic fluvoxamine, melatonin secretion as evidence of drug tolerance, medicated chronic schizophrenic 19–36 yr olds, 5099
chronic fluvoxamine treatment, hormonal & psychological responses to buspirone, 22–41 yr old males, 15000
clomipramine vs fluvozomine, reactivity to inhalation of 35% cardon dioxide, panic disorder patients, 36491
combined clozapine & fluvoxamine treatment, increased clozapine serum levels, 25 & 42 yr old males with paranoid schizophrenia, case report, 12990
desipramine or fluvoxamine, timing behavior on FI peak or interval bisection procedure, female rats, 596
dose reduction of clomipramine or fluvoxamine & relation to symptoms, patients with obsessive compulsive disorder, 32478
dothiepin vs fluvoxamine, focused vs divided visual selective detection in oddball paradigm & RTs to peripheral & central targets, male adults, 7107
efficacy & safety & tolerability of fluvoxamine vs fluoxetine, 21–61 yr old depressed outpatients, 32508
efficacy & safety of sertraline vs fluvoxamine, prevention of recurrence of depressive episodes, patients with recurrent unipolar depression, Italy, 2 yr followup, 32413
efficacy & tolerability of fluvoxamine vs clomipramine, 18–66 yr olds with obsessive compulsive disorder without coexisting major depression, 12992
elimination pharmacokinetics in serum following overdose with fluvoxamine, female 32 yr old with recurrent depression, case report, letter, 1861
fluvoxamine & fluoxetine, metabolic interaction of enantiomers, addicts on methadone treatment, 32399
fluvoxamine & fluoxetine treatment, reduction in CSF 5-HIAA & MHPG & HVA, 18–65 yr olds with major depression, 32540
fluvoxamine & interaction with various opioid receptor subtype agonists, pain perception, male ICR mice, 29608
fluvoxamine &/vs cognitive behavior therapy, patients with panic disorder with vs without agoraphobia, 6 mo followup, 12728
fluvoxamine, anxiogenic response to carbon dioxide inhalation, 24–59 yr olds with panic disorder & agoraphobia, 32499
fluvoxamine augmentation of clozapine therapy, clinical global improvement & Brief Psychiatric Rating Scale scores & negative symptoms, 20–46 yr olds with chronic schizophrenia, 27453
fluvoxamine, cholecystokinin-4 induced panic attacks, 23–49 yr old outpatients with panic disorder, 26577
fluvoxamine, depression & anxiety & other psychopathology, 18–50 yr old bulimia nervosa inpatients, 39802
fluvoxamine induced akathisia & response to propranolol & trihexiphenidyl, male 38 yr old with obsessive compulsive disorder & kleptomania, case report, letter, 13059
fluvoxamine induced dose dependent increases in clozapine plasma concentration, 32 yr old female with schizophrenia & bulimia & obsessive compulsive disorder, case study, letter, 27434
fluvoxamine maintenance, prevention of relapse, patients with bulimia nervosa successfully treated with psychotherapy, 9064
fluvoxamine, male 19 yr olds with body dysmorphic disorder with vs without delusional disorder, Israel, case reports, implications for validity of DSM-IV diagnostic entities, 5044
fluvoxamine, preoccuation with & time & money spent shopping, 30–55 yr olds with compulsive buying, 13 wk study, 36420
fluvoxamine, seizure length during ECT, patient with major depression, 32608
fluvoxamine, suicidal ideation, psychiatric patients, meta analysis, 1975–1991, 19952
fluvoxamine, symptoms, 18–45 yr olds with premenstrual dysphoric disorder, 27408
fluvoxamine, symptoms, 22–61 yr olds with panic disorder & depression, 27455
fluvoxamine, symptoms, 45–57 yr old Vietnam combat veterans with PTSD, 27435
fluvoxamine, total serum cholesterol, 19–54 yr old obese females in behaviorally oriented weight reduction treatment, 5006
fluvoxamine vs brofaromine, 20–50 yr olds with panic disorder with vs without agoraphobia, 13070
fluvoxamine vs dothiepin, psychomotor & cognitive abilities, 21–50 yr old males, 6880
fluvoxamine vs imipramine vs placebo, depressive symptoms, 18–65 yr olds with major depression, 12954
fluvoxamine vs imipramine vs placebo, 18–65 yr old outpatients with major depressive disorder, 19932
fluvoxamine vs maprotiline, cardiovascular effects as seen in EKG changes, 20–65 yr olds with major depressive disorder, 9084

fluvoxamine vs paroxetine, depressive symptoms & side effects, 25–60 yr old outpatients with major depression, 7 wk study, 36463
fluvoxamine vs paroxetine, 20–70 yr olds with major depression with mood-congruent psychotic features, 39834
fluvoxamine vs tricyclic antidepressants, changes in depression & EKG, depressed patients, 5030
high vs low depression, fluvoxamine or cognitive therapy outcomes, patients with panic disorder, 8 wk followup, 8700
lithium vs fluvoxamine, recurrent episodes of depression, adults with unipolar disorder, 3-yr followup, 16626
minimum effective fixed fluvoxamine dose treatment vs placebo, 18–65 yr olds with major depressive disorder, 32580
ondansetron instead of cisapride, relief from nausea & gastrointestinal upset caused by fluvoxamine, adults, commentary, 32383
partial drug holiday, treatment of fluvoxamine-induced anorgasmia, female 22 yr old with major depression & obsessive compulsive disorder, case report, letter, 13023
pharmacokinetics & clinical efficacy & brain & plasma levels of fluvoxamine, 18–65 yr olds with obsessive compulsive disorder, 32557
probability of recurrence in long term fluvoxamine vs lithium treatment, patients with unipolar depression, 36 mo followup, 12967
prolactin response to d-fenfluramine before vs after fluvoxamine treatment, outpatients (mean age 32.3 yrs) with obsessive compulsive disorder, 39822
prolonged fluvoxamine therapy, symptoms, adults with treatment resistant refractory dysthymia, letter, 16609
tolerability & safety of combined treatment with fluvoxamine & clomipramine, serum clomipramine & 8 hydroxylated metabolites, depressed & obsessive compulsive patients, 1865
vitamin C, paroxetine- & fluvoxamine-associated bleeding, 33-yr-old female with panic disorder, case report, letter, 43195

Focusing (Visual) [See Ocular Accommodation]

Folic Acid—Serials
serum & red blood cell folate vs vitamin B-12 vs homocysteine concentrations, depressive subtype & response to fluoxetine therapy, outpatients with major depression, 22759
serum vitamin B12 & folic acid, episodic memory, 75–96 yr olds, Sweden, 3548

Folie A Deux—Serials
examination of shared psychotic disorder delusions from cognitive perspective, 6–62 yr old family members, case report, 30941
shared obsessive compulsive disorder as variant of folie a deux, married couple, case report, letter, 22915

Folk Medicine—Serials
beliefs about & use of & expected outcomes from folk healing practices, 23–55 yr old Hispanics with HIV, 32624
cognitive-behavioral & psychodynamic approach in context of cultural/racial sensitivity & indigenous folk medicine intervention model, children traumatized by political violence, 23643
cosmobiological balance of emotional & spiritual worlds & phenomenological structuralism in traditional medical thought, China, 16719
explanatory models of & social impact of & role of traditional healing practices for & management of epilepsy in developing countries, Africa & India & China & South America & Middle East, 16296
Jungian therapeutic processes vs traditional healing system of Puerto Rican Espiritismo, 1887
shakuyaku-kanzo-to, neuroleptic treatment induced hyperprolactinemia, male inpatients with schizophrenia (mean age 57.1 yrs), 36534
traditional beliefs about conception & fetal development & infertility, abortion practices & attitudes, Ekiti Yoruba village females, Nigeria, 22272
traditional healing rituals, culturally specific social work interventions, Negev Bedouin, Israel, 5289
traditional vs western orthodox psychiatric hospital treatment, readmission rates & societal role performance, discharged mentally ill patients, Nigeria, 24276

Folk Psychology—Serials
commonsense reconstruction of & scientistic critique of Freudian psychoanalysis, commentary, 11812
commonsense reconstruction of & scientistic critique of Freudian psychoanalysis, commentary, 11803
commonsense reconstruction of & scientistic critique of Freudian psychoanalysis, 11799
development of understanding of belief as it relates to communicative encounters & folk psychology, preschool age children, 3460
empirical studies of common sense psychology & relevance to philosophical debate, 10343
use of propositions in folk psychology in characterization of propositional attitudes, 17553

Folklore—Serials
beliefs about shape & motions & relative location of earth & sun & moon & day–night cycle & influence of folk models, 5.7–8.4 yr olds, India, 18512
clincal use of fairy tales & dreams by Jungian analyst, 19726
critique of B. Bettelheim's analysis & interpretation of Goose Girl fairy tale, 15114
fairy tales' relationship to symptoms & ways of behaving & experiencing, male patient in psychoanalysis, 36366
psychoanalytic theories & folklore & symbolism of "vagina dentata" motif & fear of mother, 11810
themes of female psychosocial & adult mid-life development & aging in fairy tale "Snow White", 7377
themes of female psychosocial & adult mid-life development & aging in fairy tale "Snow White", commentary, 7346
use of Medicine Cards derived from Native American legends about observing animal life in control theory & reality therapy, 32047

Folktales [See Folklore]

Followup (Posttreatment) [See Posttreatment Followup]

Followup Studies—Serials
condition of training & stability of existing motor patterns, treadmill stepping performance, 3 vs 7 mo old infants, 1 mo followup, 29833

Food—Serials
ability to identify food stimuli & taste complaints & acuity & depression, 24–46 vs 66–91 yr olds, 22748
assessment of food & cocaine seeking behavior in presence of internal vs external cues, rhesus monkeys, implications for drug abuse treatment, 41455
attention to external stimuli, habituation to repeated presentations of food cues, college females, implications for control of ingestion, 17899
beliefs about symptoms & food & health & mood disturbance & consulting behavior & eating habits & attitudes, adults with food intolerance, 23325
brood size & hierarchy & breeding season food resource variability, body mass & wing length & fledging order & time, swift nestlings, 41258
carrot addiction & role of beta carotene, 49 yr old female, case report, 31317
cognitive behavioral therapy, salivary & cardiovascular reactivity to high risk binge food, female 18–40 yr olds with bulimia, 12830
development of inexpensive solid food reinforcement dispenser, chimpanzees, 40977
dietary restrictions of patients on monoamine oxidase inhibitors, tyramine content in Chinese food, commentary, 34727
fear of novel objects & food recognition, naive young ravens, 18107
food abundance & intake, breeding territory size, male rock pipits, 41210
food reflex excursions during normal vs dissociative learning, brain cholinergic system substances & mechanisms, male rats, 41306
food sensitivities & plasma beta-endorphin as marker of response to physiological stress, elderly high vs low in self reported frequency of illness from environmental chemical odors, 1485

food shopping & nutrition label reading, male vs female high school students, 25891
food vs nonfood related differential vs nondifferential outcomes in equivalence learning, 22–39 yr olds with Prader-Willi syndrome, 35982
foraging synchrony & group size & distribution of food resources, Yakushima macaques, 18093
intermittent footshock, reinstatement of extinguished drug- vs food-seeking behavior, rats, implications for model of relapse to drug abuse, 41192
least prompts instructional procedure for microwave oven food preparation, 31–45 yr old females with disabilities, 43428
meal frequency & composition & undernutrition, 55–96 yr olds living in rural areas, implications for undernutrition prevention program development, 35002
neural network simulation of learning to predict & algorithm of evolutionary tasks, food finding ability & fitness, commentary, interpretation of results as form of relearning, 5866
number of meals & snacks & conformity to parents & self esteem & body image, pyramid fat & sugar food scores & self efficacy for making healthful food choices, 14.2–19.1 yr olds, 15176
Nutrition for a Lifetime System, fat & fiber & fruits & vegetables in food purchases, 19–77 yr old supermarket shoppers, 39963
positive & negative associations with specific foods & threatening vs nonthreatening body parts, cognitively restrained vs unrestrained female dieters vs nondieters, 30494
presentation of familiar vs novel food to whole group vs only to infants, interaction with group members concerning food, 4.5–12 mo old capuchin monkeys, 37870
psychological significance of relations with food, 3868
repeated food cues, physiological & subjective responses to food over time, 17–38 yr old females with bulimia nervosa, 42674
salivary responses to repeated presentation of palatable food cues, obese vs nonobese female college students, implications for satiety vs reinforcing value of food, 4441
seasonal effects on acquisition & distribution of prey & predictions of kin selection & tolerated theft & risk-reduction reciprocity & trade models of sharing, hunters, Melanesia, commentaries & reply, 30076
special dietary requirements of patients on monoamine oxidase inhibitors & levels of tyramine in foods, commentary reply, 34723
special dietary requirements of patients on monoamine oxidase inhibitors & tyramine content of kosher pizza, commentary, 34651
tyramine content of previously restricted foods in MAO inhibitor diets, implications for eating disorders & other psychiatric conditions, 29633
understanding of environment related noxiousness in food, 4–6 yr olds, 7281
visible vs hidden & profitable vs unprofitable food source, foraging behavior, Mongolian gerbils, 388
visual stimuli paired with food in blocked vs unblocked exposure condition, latent inhibition, male rats, 41205

Food Additives—Serials

low vs high saltiness preference & soups with vs without umami additives, changes in soup pleasantness ratings, 19–47 yr olds, 10615
neonatal monosodium glutamate, food intake & weight gain & hypothalamic dopamine & proopiomelanocortin peptides & coat coloration, yellow obese vs black lean male mice, animal model of obesity, 6845

Food Deprivation—Serials

ambient temperature & food availability vs restriction, thermoregulatory capacity & total food intake & gross food efficiency & body weight, male rats, 11046
amount of food & parental feeding rates & chick age relative to siblings & food distribution, aggression & siblicide, cattle egret nestlings, 10821
decibel intensity of stressful noise, eating & exploring & grooming & resting & defecation, food deprived rats, 18255
electrolytic lesions of ventromedial hypothalamus, time course of day-night pattern of locomotor activity in running wheel during prolonged fasting, male rats, 456
food abundance & dominance status of Gadwalls, kleptoparasitism of American Coots by Gadwalls, American Coots & Gadwalls, 18111
food access & brood size, filial cannibalism, male fantail darter fish, 25416
food deprivation & body weight & synthetic glucocorticoid dexamethasone, hypothalamic preproneuropeptide Y & corticotropin releasing factor messenger RNA expression, hamsters vs rats, 7001
food deprivation & estrus stage, estradiol-induced LH surge & running wheel activity, female hamsters, 11047
food deprivation & sight & sound of another bird feeding, social facilitation of appetitive phase of feeding & amount of food consumed & number of pecks, chickens, 2968
food deprivation, cocaine-induced conditioned place preference, rats, 34637
food deprivation or icv adrenaline, EEG & EKG & EMG & EOG patterns of postprandial slow wave & REM sleep, pigeons, 14933
food deprivation, predatory encounter behaviors & cannibalism, fed vs unfed 1st-instar spined assassin bugs, 6537
food deprivation, preferences for nonnutritive mineral oil emulsion with fatty flavor vs sweet tasting saccharin solution, rats, followup, 21769
food provisioning, natal dispersal behavior, male vs female ground squirrels, 29161
food restriction & reinforcement & body weight, progressive ratio performance, male rats, implications for appetite motivation, 29053
food restriction, opioid receptor binding in brain stem, male rats, implications for functional changes, 14893
food restriction vs satiation & water with PCP vs ethanol in concurrent self-reinforcement, drug-maintained responses & deliveries & break points in behavioral economics of demand, male monkeys, 18333
glucocorticoids & food restriction, diurnal rhythms of serotonin 5-HT2C & corticosteroid receptor gene expression in hippocampus, rats, 41470
increased hunger & increase in time since last performance of non-nutritive sucking & ingestion of milk, motivation to suck & physiological processes, calves, 34358
kinematics of dodging movements during food protection, male vs female food-deprived rats, 2957
kinship & food quantity & relative size, context dependent kin discrimination & frequency of aggression, marbled salamander larvae, 2963
level of saccharin intake & food deprivation, rate of acquisition of cocaine iv self administration & subsequent self administration of oral ethanol, male rats, 6898
moderate hunger vs 24 hr food deprivation, time organization of frontal-motor cortex interneuron interactions, cats, 41344
palatable vs nonpalatable oral stimulation & food deprivation, magnitude & time course changes in appetitive & consumatory behavior, preweanling rat pups, 29159
photoperiod & running-wheel access & food restriction, activity-based anorexia & anticipatory behavior, male rats, 21759
presence vs absence of food & negative affect stressor, physiological response & headache intensity, 18–30 yr old students who suffer from migraines vs tension-type headaches, 39385
prolonged fasting & refeeding, circadian rhythms & body temperature & activity level, male rats kept in constant darkness, 25533
rate & schedule of reinforcement & amount of food access, rate of maintained operants, pigeons, 41204
restricted food access, food hoarding & intake & body weight set-point & fat content vs lean mass, obese male rats, 11042
serotonergic & GABAergic agents, oral stereotypies & standing & preening & drinker directed activity & pacing, female food restricted breeder fowls, 6955

short-term food deprivation vs chronic dietary restraint, reaction time on the Stroop Color and Word Test, college students (mean age 21.8 yrs), Canada, 31532
sperm depletion vs recent mating & food deprivation, resistance to mating, female water striders, 6503
total fasting, 5-HT- vs A23187-induced platelet Ca2+ release, 15–50 yr old inpatients with atopic dermatitis or bronchial asthma, Japan, implications for depression, 25620
wheel-running-induced dopaminergic activation, eating, nonfood-deprived male rats, 14959
5-HT vs norepinephrine vs GABA vs neuropeptide Y, neuronal responsiveness in ventromedial hypothalamus & locomotor activity in light vs dark phase & plasma catecholamine, food deprived male rats, 6654

Food Intake [See Also Eating]—Serials

alprazolam, food intake patterns, 22–44 yr old males, 41463
altering food texture, prevention of precipitous weight loss, 74–93 yr olds with behavioral intolerance to food texture & dementia, 19592
alternative reinforcer & condition & FR schedules of reinforcement, food & amphetamine & fluid intake, male baboons, 41454
ambient temperature & food availability vs restriction, thermoregulatory capacity & total food intake & gross food efficiency & body weight, male rats, 11046
anorexia induced by indomethacin &/vs total parenteral nutrition, plasma & mononuclear cell & ileal cytokinesis & ulceration & meal number & size, female rats, animal model of Crohn's disease, 6576
aspects of milk ingestion which elicit non-nutritive sucking, male calves, 34418
BAY k 8644 with vs without nimodipine, ethanol preference & intake & food & total fluid intake, alcohol-preferring rats, 18282
bestatin, chronic alcohol consumption & food & water intake & weight, genetically selected high alcohol consuming rats, implications for human treatment of alcoholism, 7090
body weight, limiting food & drink at meals & avoiding unnecessary fat & calories in snacks & exercising regularly & drinking little or no alcohol, normal weight 18–65 yr olds, 13184
calcium channel antagonists, ethanol preference & intake & food & total fluid intake, alcohol preferring rats, 11124
carnitine supplementation, normalization of food intake depressed during total parenteral nutrition, male rats, 6964
chlordiazepoxide, food intake, male rats with activity anorexia, animal model, implications for treatment with benzodiazepines, 18311
cholecystokinin octapeptide dose & sucrose with vs without pyloric cuff inflation, gastric volume & distention & food intake & satiety, male rats, 11040
cholecystokinin receptor antagonist devazepide, hyperphagia mediation measured by food intake, male vs female obese rats, implications for eating disorders in females, 7087
cholecystokinin vs bombesin dose combinations, glucose intake & microstructural licking behavior, male rats, implications for role of neural receptors & peptides, 10985
chronic icv cytokine dose, night- vs daytime food & water intake & body weight, male rats, animal model of CSF cytokinesis & anorexia in chronic CNS disease, 11187
chronic mild stress, sucrose intake & hedonic sensitivity relative to weight loss, mice & rats, animal model of depression, 6807
chronic norpseudoephedrine vs amphetamine, food & water intake & diuresis, male rats, 7015
d-fenfluramine, taste responses to sucrose vs quinine, male rats, 21850
development & effectiveness of contact eatometer, study of circadian rhythyms of feeding behavior, rats, 21209
dexfenfluramine, energy metabolism & metabolite pattern changes, obese male rats, animal model of satiety & body weight reduction, 11110
diazepam & abecarnil, anxiolytic effects & food intake & locomotor activity & counteraction by flumazenil, food deprived rats, animal model of anxiety, 7045
dietary intake of eicosapentanoic acid & other fatty acids, symptomatology & tardive dyskinesia, schizophrenic inpatients, 1295
dietary variety, energy intake, male hamsters, 383
dosage level of cromakalim, gastric emptying & subsequent food intake & taste aversion, male rats with subdiaphragmatic vagotomy, 6866
dosage level of neuropeptide Y in hypothalamic suprachiasmatic nucleus vs lateral cerebral ventricle, food intake, male rats, 14849
energy density & fat content of diets, satiety & food intake, literature review, 18236
estradiol receptor antagonist MER-25, taste aversion & food intake, male mice vs female gerbils, 591
fenfluramine, food intake & carbohydrate/protein ratio & mood & performance on computer tasks, normal weight adults, 15031
fixed-time liquid food delivery schedules, fecal boli excretion, male rats, 10776
fluoxetine, food & caloric & carbohydrate intake & number of eating occasions, normal weight 21–34 yr olds living in residential laboratory, 11133
fluoxetine vs imipramine vs parachlorophenylalanine, food intake & hyperactivity on running wheel & weight loss, female rats, model of obsessive compulsive disorder, 3187
food abundance & intake, breeding territory size, male rock pipits, 41210
food access & brood size, filial cannibalism, male fantail darter fish, 25416
food deprivation & sight & sound of another bird feeding, social facilitation of appetitive phase of feeding & amount of food consumed & number of pecks, chickens, 2968
food exposure, serum insulin & fatty acids & plasma glucose concentrations & salivation & hunger & desire to eat & consumption, obese binge-eating vs obese nonbinge-eating females, Finland, 31509
food intake & life expectancy, 75–97 yr old demented vs nondemented nursing home patients, Italy, 28 mo follow-up, 26976
food intake & relatedness, growth rates & communal feeding, subsocial spiders, Greece, 37915
food restriction & reinforcement & body weight, progressive ratio performance, male rats, implications for appetite motivation, 29053
forced treadmill vs wheel running & food & water intake, circadian rhythm entrainment & phase shifting measured by locomotor activity level, male mice, 6740
gape growth in relation to body mass & gender & nourishment status, sexually dimorphic red winged blackbird nestlings, 18098
glucagon like peptide-1 amide, regulation of feeding, fasted vs satiated rats, 645
GR 68755, d-amphetamine induced mood & cognitive performance & appetite & food preference & caloric & macronutrient intake, 18–45 yr old males, 603
habitat foraging cost variability, meal patterns, cats, 34485
high vs low fat &/vs sugar diets, spontaneous motor activity, B/6J vs A/J mice strains, animal model of obesity, 6574
icv neuropeptide Y dose with food present vs absent, hyperinsulinemia measured by serum insulin & glucose levels & food & water intake, female rats, 11165
imposed exposure to mint- vs strawberry-flavored vs plain water, neophobic behavior with novel mint-flavored food, water-deprived male rats, 34356
individual vs same-sex crowded housing, food & water intake, male vs female rats, 6479
intensive behavioral treatment with negative reinforcement contingencies, 2.8 & 3 & 3.5 yr olds with food refusal, 8853
lesions induced by intracerebral infusion of ibotenic acid in sublenticular extended amygdala, food reward & reinforcement effects, male rats, 29047
level of eating restraint, perceptions & estimations of caloric intake, adult females, 11734
light therapy, food intake & affective symptoms, 17 yr old & older females with bulimia nervosa, Canada, 13085
long fibre free diet, intake of long vs short inert fibre & rumination, sheep, 34412
long term fluromethylhistidine, spontaneous locomotor activity & food intake & brain histamine & catecholamines & 5-HT & amino acids, mice, 630

mate guarding during sexual consortship, travel distance & foraging compromise constraints on expended & consumed energy, wild male baboons, 370
measuring feeding motivation using second-order food reinforcement schedule & conditioned stimulus, pigs, 10764
morphine, food intake, male vs female rats vs mice, implications for etiology of anorexia nervosa, 6983
naltrexone, food pleasantness ratings & intake, male 18–30 yr olds, implications for opioid involvement in food palatability, 7113
neuropeptide Y in lateral ventricle, meal size & total daily food intake, male baboons, 11205
noncontingent food delivery, nociceptive thresholds, rats with hypophysectomy vs adrenalectomy, implications for hormonally mediated hypoalgesia, 21659
novel neuropeptide Y & its DNA & mRNA from hypothalamus, food intake stimulation through activation of hypothalamic feeding receptor & inhibition of adenylate cyclase, rats, letter, 18158
oxytocin & estrus cycle & endocrine profile, weight gain & food intake, female slowly vs rapidly growing Sprague-Dawley rat variants, 7100
palatability of food ingested, extracellular levels of dopamine & DOPAC & HVA in nucleus accumbens, male rats, 3082
palatability of pasta & tomato sauce adjusted by oregano levels, food attractiveness & intake & eating rate, college students & employees, 10620
perceived predation risk, food intake & fuel deposition behavior during migration, male blackcaps, Sweden, 41228
pregnanolone vs allopregnanolone vs alphaxalone vs 5 beta pregnanediol & reversal with steroid antagonists, food intake & hyperphagia, male rats, role of GABA receptor, 6852
prenatal ethanol, interleukin-induced fever & motor activity & plasma ACTH & corticosterone & food intake, male rats, 15108
pretest vs posttest feeding, facilitation of acquisition of conditioned avoidance learning based on neurohumoral processes & plasma glucose, male rats, 2934
qualities & descriptive social norms of food, frequency of food consumption, 12–15 yr olds, Australia, 11317
recent food vs alcohol vs tobacco intake & time of day & month of year of testing, cardiovascular activity at rest vs in response to stress, 35–55 yr old males, England, 25546
reduced energy diet & meal patterns, tobacco smoking & coffee drinking, females (mean age 28 yrs), 30312
role of corticotropin releasing factor receptors & cortisol & catecholamines in food intake regulation, goldfish, 29470
selective 5-HT agonist CP-94,253, pellet & sucrose intake & feeding behavior & meal duration & satiety, male rats, 38124
sensitization of amphetamine induced stereotypy, acquisition & retention of tolerance to amphetamine hypophagia, male rats, 3293
serum leptin & ob mRNA in adipocytes, mechanisms of neuropeptide Y in regulation of link between food intake control in brain & leptin, obese adults, commentary, 4470
short-chain sugar derivative 2-Buten 4 Olide, satiety & feeding behavior, male monkeys, 3249
social-cognitive predictors of fruit & vegetable intake, 7–11 yr olds, 29724
specific alteration of rhythm of environmental temperature stress, histidine preference changes & ingestive behavior, male albino rats, implications for effects on central & peripheral nervous system, 10967
sport nutrition education program, nutrition knowledge & dietary intake & food choices, 14–18 yr old female softball players, 34891
systemic vs 4th icv-administered fenfluramine, metergoline attenuation of intra-oral food intake reduction, intact vs chronic decerebrate male rats, implications for caudal brainstem contribution, 29294
taste aversion, energy intake after parenteral dehydroepiandrosterone, lean vs obese rats, 648
temporal clumping of food resources, equality of food sharing among competitors, dominant vs subordinate clone amagos, 29125
tested quantitative scale & inventory for assessment of fruit-vegetable consumption self-efficacy, 11–17 yr olds, 37403
time of day, ingestive behavior on ryegrass vs white clover, sheep, 34453
transplantation of fetal dopaminergic cells into lateral hypothalamic area, food intake & body weight, male rats, 29395
vegetative & reproductive sward, intake rate & intake per bite & time per bite, lactating ewes, 34460
voluntary vs trained wheel running & body weight gain & dietary self-selection, female rats, 21773
weaning strategies & within & between-litter variation in milk & solid food intake, dog pups, 6510
weight/volume & energy content of ingested food, subsequent satiety & food intake, adults, 18226
wheel-running-induced dopaminergic activation, eating, non-food-deprived male rats, 14959
written & auditory forms of suggestion, dietary intake & weight loss & perception of food, adults, 32633
5-HT receptor agonists administered into paraventricular hypothalamus, neuropeptide Y induced feeding, male rats, 11141
5-HT vs norepinephrine vs GABA vs neuropeptide Y, neuronal responsiveness in ventromedial hypothalamus & locomotor activity in light vs dark phase & plasma catecholamine, food deprived male rats, 6654
5-HT 1A &/or 1B receptor agonists CP-94,253 & RU-24969, food intake & behavioral satiety sequence duration & frequency profiles, male rats, 11142
8-OH-DPAT, incentive value of food & food-consumption & reinforced instrumental performance, rats, 6818

Food Preferences—Serials

acid base status, self selection of dietary protein & maintenance of acid base homeostasis, male cats, 18225
age & eating style & choice of food, females with seasonal affective disorder, 30868
color & size & location of artificial fruits, preference for hexose vs sucrose fruits & avoidance of sucrose, Cedar waxwings vs European starlings, 18094
familiarity with pasture, importance of social interactions in food selection & choice of foraging location, lambs, 6528
flavor preference conditioning, postlunch caffeine-paired target drink consumption & mood dip alleviation, 18–23 yr old caffeine users vs nonusers, 7046
food deprivation, preferences for nonnutritive mineral oil emulsion with fatty flavor vs sweet tasting saccharin solution, rats, followup, 21769
food palatability & dietary restraint, hunger & eating attitudes & cephalic phase insulin release, 19–27 yr old normal-weight females, 6754
food preferences & eating attitudes, Black vs White females, implications for risk of developing anorexia & bulimia, 11699
food selection & temporal consumption patterns, obese females with vs without binge eating disorder, 42658
foods served, occurrence of food & general neophobia & correlations of neophobia between parents & children, parents & 2–17 yr olds, 18426
foraging competition & preferred vs less preferred resource availability, food choice & foraging rate, pigeons, implications for learning, 29170
foraging strategies in switching between preferred flower species, skipper butterflies, England, 34424
frequency of & motivation for & geographical location effects on eating at fast food restaurants, senior citizens, 5821
galanin administration in paraventricular vs amygdaloid nucleus, diet selection, male rats, 29618
intragastric maltodextrin Polycose & abdominal vagotomy with intact hepatic branch, carbohydrate-conditioned flavor preferences, female rats, 6671
kinship & familiarity, acquisition of diet selection & transfer of preferences from conspecific, gerbils, 2989
long vs short daylength & body/fat mass, diet selection, hamsters, 21760
low vs high saltiness preference & soups with vs without umami additives, changes in soup pleasantness ratings, 19–47 yr olds, 10615

moralization of eating preferences into values & disgust, health vs moral vegetarians (mean age 26.6 yrs), 30478
naltrexone, food pleasantness ratings & intake, male 18–30 yr olds, implications for opioid involvement in food palatability, 7113
nectar sugar concentration & volume, concentration preference & energy intake rate, rufous hummingbirds, 10875
neurotoxin lesion induced selective cell loss in hippocampus, memory for odor guided social transmission of food preferences, rats, 10930
olfactory & gustatory thresholds, individual differences in food preferences, male vs female 19–53 yr olds, commentary reply, 10608
olfactory & gustatory thresholds, individual differences in food preferences, male vs female 19–53 yr olds, commentary, 10613
palatability of food ingested, extracellular levels of dopamine & DOPAC & HVA in nucleus accumbens, male rats, 3082
palatability of pasta & tomato sauce adjusted by oregano levels, food attractiveness & intake & eating rate, college students & employees, 10620
qualities & descriptive social norms of food, frequency of food consumption, 12–15 yr olds, Australia, 11317
scout recruitment & conditioning during foraging, acceptability of unfamiliar food, leaf cutter ant workers, Costa Rica, 10845
social & asocial learning, stability of socially learned tradition of food preference, domesticated female Norway rats, 37825
social transmission of food preference during nestling vs early fledgling stages, subsequent food preferences, juvenile captive house finches, 371
specific alteration of rhythm of environmental temperature stress, histidine preference changes & ingestive behavior, male albino rats, implications for effects on central & peripheral nervous system, 10967
sport nutrition education program, nutrition knowledge & dietary intake & food choices, 14–18 yr old female softball players, 34891
Stroop task stress, salivation to food cues & food liking & hunger & fullness & arousal ratings, dietary-restrained vs nonrestrained female 18–35 yr olds, implications for eating disorder habituation, 6792
taste preference thresholds for food associated sugars, squirrel monkeys, 21767
tested quantitative scale & inventory for assessment of fruit-vegetable consumption self-efficacy, 11–17 yr olds, 37403
voluntary vs trained wheel running & body weight gain & dietary self-selection, female rats, 21773

Football—Serials

representativeness in market for bets on National Football League games, 6346

Foraging (Animal) [See Animal Foraging Behavior]

Forced Choice (Testing Method)—Serials

accuracy in detection by neuropsychological test protocols of clinical malingerers, neuropsychologists, application of forced-choice test, 25085
aural laterality in forced-choice judgments of melodic contour, college students, 41044
critical values of passing scores, assessment of guessing on true-false & multiple-choice tests, 17577
mathematical model of multiple event forced choice tasks in signal detectability theory, 14448
signal processing analysis of forced choice ESP data, adults, 14686
2-alternative forced choice identification vs categorical same/different discrimination procedures, identification of /t/ & /d/ tokens in English words, 23–36 yr old native speakers of Mandarin, US, 679

Forebrain [See Also Diencephalon, Nucleus Basalis Magnocellularis, Telencephalon]—Serials

aging & toxin induced lesions of cholinergic cells in basal forebrain, discriminability & response bias to visual stimuli in operant task, 3 vs 18 mo old male rats, 34581
amperozide, forebrain c-fos expression, rats, 41499
anterior lateral hypothalamus lesions, rewarding value of attenuated stimulation at medial forebrain sites, male rats, 6652
bilateral neostriatal/hyperstriatal injections of presynaptic cholinergic antagonist toosendanin, memory formation & retention following passive avoidance training, day old chicks, 34595
characterization of singling-related neuronal activity in nuclei HVc & robustus archistriatalis, adult male zebra finches, 25530
copulation activity, Fos-like immunoreactivity in forebrain, male quail, 29331
habit forming amphetamines & opiates & cocaine & nicotine & PCP & cannabis, potentiation of rewarding electrical brain stimulation at medial forebrain bundle, 29636
hierarchical organization in forebrain nucleus HVc of auditory temporal context sensitivity in song, adult male zebra finches, 29325
Leu- & Met-enkephalin in intermediate medial hyperstriatum ventrale vs lobus parolfactorius & amnestic effects in peck-avoidance training, 2 day old chicks, 21831
low vs moderate vs high maze-learning performance & acute swimming stress, 3H-flunitrazepam & 3H-Ro 5-4864 receptor bindings in synaptosomal/mitochondrial forebrain membranes, chicks, 11164
memantine & neurokinin B, loss of basal forebrain cholinergic cells & radial maze performance, NMDA treated & entorhinal cortex lesioned rats, 21933
metrifonate, learning & brain cholinesterase activity & extracellular levels of acetylcholine, basal forebrain-lesioned rats, 21862
neonatal cocaine, scopolamine-induced hyperactivity & impaired habituation & development of forebrain cholinergic neurons, rat pups, 41441
neurobehavioral vs neurobiological consequences of transsynaptic vs lesion vs pharmacological modulation of basal forebrain, research review, 25472
NMDA receptor blockade in anterior forebrain, song learning & development, juvenile male zebra finches, 25558
opportunistic feeding innovations & forebrain size & behavioral plasticity & structural evolution, North American vs British Isles birds, methodology application, 29145
organization & cognitive functioning of basal forebrain & pontine cholinergic systems, literature review, 29275
ovariectomy & estrogen replacement, nerve growth factor trkA messenger RNA levels in basal forebrain, female rats, implications for cognitive deficits in aging & Alzheimer's disease, 3083
passive avoidance training, activity of calmodulin-dependent protein kinase in forebrain & antagonist KN-62 induced amnesia, day old chicks, implications for 3-stage model of memory, 18189
pattern of connectivity in telencephalo-habenulo-interpeduncular system, goldfish, 14887
presence vs absence of p75 nerve growth factor receptor, survival of cholinergic forebrain neurons involved in learning & memory, neonatal mice, 25500
relation of forebrain cholinergic system & attention & cognitive & memory functions, monkeys, 1958–94, literature review, implications for Alzheimers disease patients, 8656
repeated administration of diazepam vs NMDA antagonists, water intake & activity level & forebrain biochemistry, male rats, animal model of anxiety, 11147
repeated generalized seizure inductions, acute vs long-lasting forebrain vs brainstem seizure susceptibility, mice, 41357
saporin injections into medial septal area & nucleus basalis magnocellularis, water maze & radial arm maze performance, male rat, 34531
SDZ ENA 713, spatial learning impairment & neurochemistry of cholinergic neurons, basal forebrain lesioned rats, 21899
selectivity of response for conspecific songs in anterior forebrain neurons, 30 vs 60 day old zebra finches, 41188
song- & order-selective neurons in the songbird anterior forebrain & vocal development, 29–45 day old male songbirds, 29051
tetracycline transactivator control of CaMKII transgene expression, explicit & implicit memory storage in spatial & fear conditioning & role of hippocampus & forebrain, modified mice, 25447

thalamus reticular nucleus vs basal forebrain lesions, conditioned eyeblink & heart rate responses & multiple-unit activity in mediodorsal nucleus of thalamus, rabbits, 29248
theory of basal forebrain cholinergic afferent involvement in selective influence on cortical cells involved in stimulus context & meaning in learning & morphological changes of cholinoceptive cells, 25506
visual recognition & discrimination, neuronal activity in medial septum & diagonal band of Broca & substantia innominata & nucleus basalis of Meynert during visual operant task, monkeys, 34560
YM-43611 dopamine-like receptor antagonist, c-Fos modification & immediate early gene expression, rat forebrain, antipsychotic treatment implications, 34675

Foreign Language Education—Serials

contemporary Mexican perspectives on cross-cultural encounters to develop guidelines for foreign language education, 41855
language transfer & blocking & vocabulary instructional techniques, acquisition of Chinese vs French words, year 7 students, Australia, 36978
multisensory & structured language instruction, foreign language aptitude & oral & written proficiency, 10th graders with vs without risk for problems in foreign language learning, 2 yr followup, 28084
order of vocabulary word pair list presentation, 2nd language learning, 11–13 yr old high school students, 24610
voiced stop spirantization & phonemes in ESL speech, Spanish speakers, 7151

Foreign Language Learning—Serials

academic predictors of foreign language proficiency, 10th- & 11th-graders, 43646
achievement motivation & study habits, English language performance, secondary school students, Nigeria, 1990, 43633
age & production of English vowels & 2nd language learning, Italian speakers who arrived in Canada between 2–23 yrs of age vs English speaking natives, 7147
age, ability to learn fluent reading, adult foreign speakers of languages with non-Latin scripts, 14631
age of second language acquisition, perception of speech in noise, 20–49 yr old bilingual Spanish speakers with early vs later English acquisition vs monolingual English speakers, 37678
applicability of subset principle in 2nd language acquisition, adult learners of French, 675
attitudes & cultural background & familiarity of cultural content of stories, reading comprehension, Arab students learning Hebrew vs Jewish students learning English, Israel, 5636
attitudes & motivation & perceived competence & anxiety & global personality traits, second language learning & frequency of communication, adults, Canada, replication, 7145
attitudes toward & intrinsic vs extrinsic motivation for learning English, 15–18 yr old high school students, China vs Japan, 13800
attitudes toward learning second language & culture, 8th grade Arab minority students, Canada vs Israel, 17189
contextualist perspective of & multiple discourses & identities in terms of investment & agency in 2nd-language learning, 7th & 8th grade Chinese-speaking immigrants, 2-yr study, 5605
extended exposure to authentic spoken English, perceptual mastery of English /r/ and /l/, Japanese 26–48 yr olds, 684
feasibility & value of empirical technique for assessing content & construct validity of self-assessment instrument of foreign language skills, educational placement, college students, 6100
keyword mnemonic, long term learning & retention of 2nd language vocabulary, college students, 14667
Language Development Kit, English language acquisition, deaf 3–11 yr olds, Nigeria, 31922
language transfer & blocking & vocabulary instructional techniques, acquisition of Chinese vs French words, year 7 students, Australia, 36978
lexical decision test of foreign language vocabulary learning, Russian vs German native speakers vs learners, 2184
method for measuring attrition of communicative competence, Spanish speaking Ghanaian college students, 41575
neurolinguistic full access theory of impact of universal grammar on 2nd language acquisition, adults, 32 comments & reply included, 29274
order of vocabulary word pair list presentation, 2nd language learning, 11–13 yr old high school students, 24610
quantity of language input factors, lexical learning, bilingual 8–30 mo olds, 29813
spatial representation of native vs 2nd language in Broca's & Wernicke's cortical brain areas, bilingual Ss who acquired 2nd language during infancy vs early adulthood, 37976
teachers' perceptions of students' foreign language skills & affective characteristics, native language skill & foreign language aptitude, female 9th–10th graders & their teachers, 13758
verbal knowledge background & keyword training for vocabulary acquisition, male Year 9 & female Year 10 students with vs without strong verbal Italian background, Australia, 40426
voiced stop spirantization & phonemes in ESL speech, Spanish speakers, 7151
1st & 2nd language reading & 2nd language knowledge, 2nd language learning, beginner vs upper level English speaking students enrolled in French courses, 7131
2-alternative forced choice identification vs categorical same/different discrimination procedures, identification of /t/ & /d/ tokens in English words, 23–36 yr old native speakers of Mandarin, US, 679

Foreign Language Translation—Serials

applicability & adaptation & standardization of Bengali version of modified Ego Function Assessment Scale, 20–23 yr old college students, India, 14253
bias in & guidelines for test translation in cross cultural research, 28682
color & semantic context in picture vs word stimuli, forward vs backward word reading & translation, bilingual college students, Netherlands, 17929
comparison of Big-Five Structures of personality traits in Dutch vs English vs German, college students, Netherlands vs US vs Germany, 30501
concurrent validity of Minnesota Multiphasic Personality Inventory-2 & Personality Assessment Inventory Spanish versions, Hispanics with behavior or mental disorders (mean age 41.99 yrs), 37434
concurrent validity of Spanish versions of Mini-Mental State Examination & Mental Status Questionnaire & memory concentration tests, Hispanics with vs without Alzheimers disease, 31896
construct validity & internal consistency of Japanese translated Beck Hopelessness Scale, 18–91 yr old community residents, Japan, 10428
construct validity & reliability of Arabic translation of Self Description Questionnaire, assessment of self concept, 5th & 6th & 8th grade males vs females, U Arab Emirates, 40811
cross cultural generalizability of Child Behavior Checklist & factor analyses of cross informant syndromes, 4–16 yr olds referred to mental health services, Netherlands & France, 34002
demographics & general knowledge measure & depression score & results of Danish adaptation of National Adult Reading Test, norms for 8 neuropsychological tests, 64–83 yr olds, Denmark, 28554
development & validation of American English version of Pavlovian Temperament Survey, 18–82 yr old college students & community residents, 21010
development & validation of Korean version of NEO personality Inventory-R, Korean Catholics (mean age 34 yrs) & 17–61 yr old Korean Americans, 33989
development & validity of Chinese version of Matson Evaluation of Social Skills with Youngsters, adolescents, Hong Kong, 20981
development of Cantonese version of vocabulary subtest of WAIS-R, 16–19 yr old Cantonese-speaking Chinese students & correctional inmates, Hong Kong, 20980

development of Chinese version of Self-Report Altruism Scale, 11–28 yr old social service members, Hong Kong, 2527
factor analysis of French version of Toronto Alexithymia Scale-20 Items, 17–36 yr olds, France, 2550
factor analysis of Self-Perception Profile for Adolescents, multidimensional assessment of domain-specific self-evaluations & global self-worth, Chinese students (grade 10–13), Hong Kong, 25017
factor structure & reliability of Italian version of revised Eysenck Personality Questionnaire, 18–80 yr olds, Italy, 21016
factor structure of Italian version of WAIS—R, 19–35 yr olds, Italy vs US vs UK, 17586
factorial validity & factor structure of Bulgarian Beck Depression Inventory, male vs female 13–17 yr olds, 14219
factorial validity of Swedish version of Beck Depression Inventory & structural equivalence across gender, nonclinical adolescents, replication, 20978
feasibility & reliability of German form of Autism Diagnostic Interview-Revised, 5–29 yr olds with autism, Germany, 10456
foreign language translation & factor structure of Revised NEO Personality Inventory, German vs Portuguese vs Hebrew vs Chinese vs Korean vs Japanese vs American samples, 28447
Fuld cholinergic deficit profile & WAIS-R Japanese version, patients aged 44–92 yrs with Alzheimer type dementia vs vascular dementia vs frontotemporal dementia vs hydrocephalic dementia, Japan, 34049
internal consistency & concurrent validity & reliability of Hindi adaptation & translation of Social Support Questionnaire, 15–49 yr old females, India, 14227
internal consistency & factor structure of Portuguese version of Self Description Questionnaire III, assessment of self-concept, college students, Portugal, 14264
internal consistency & split-half reliability & validity of German version of Sickness Impact Profile, 15–76 yr olds with hypoxemia & chronic obstructive pulmonary disease, 28404
internal validity of French version of Dutch Eating Behaviour Questionnaire, obese vs normal weight patients, France, 37407
interrater variability of Danish version of Geriatric Depression Scale, hospitalized elderly, Denmark, 10434
issues involving Likert scale use & translation process & English version adaptations, Insulin Management Diabetes Self-efficacy Scale, 29–81 yr old urban Puerto Ricans, 33949
norms for Danish adaptation of Harvard Group Scale of Hypnotic Susceptibility Form A, 19–63 yr olds, Denmark, comparison with US & Australian & Canadian samples, 5950
parameters of personality test item characteristic curves & differential item functioning, translation errors vs cultural bias, 18–65 yr olds, East Germany vs West Germany, 2534
phonological &/vs orthographic basis for masked translation priming of cognates vs noncognates, Hebrew vs English dominant bilingual adults, Israel, 41566
potential for misinterpretation of South African Wechsler Bellevue Adult Intelligence Scale, commentary, 10421
predictive validity of optimism vs pessimism index of the Chinese version of the Life Orientation Test, undergraduates & working adults, Hong Kong, 37405
psychometric & factorial validity of Bulgarian version of Coolidge Axis II Inventory, self-report assessment of personality disorders, nonclinical 16–78 yr olds, Bulgaria & US, 21055
psychometric properties of Spanish version of Rationality/Emotional Defensiveness Scale, assessment of emotional expression & cancer risk factor, adult females with breast cancer, Spain, 28431
psychometric properties of the Chinese version of the Eating Disorders Inventory, 18–28 yr old Chinese college students, Hong Kong, 28492
reliability & criterion validity of Russian versions of General Health Questionnaire & Goldberg scales & Bradford Somatic Inventory, 18–65 yr olds in Chernobyl disaster area, Belarus, 82
reliability & validity of Arabic version of Study Process Questionnaire, college students, United Arab Emirates, 2672
reliability & validity of Malayalam version of 16 Personality Factor Questionnaire Form C, 22–26 yr olds, India, 14280
reliability & validity of Spanish version of Geriatric Mental State-Automated Geriatric Examination for Computer Assisted Taxonomy, assessment of dementia & cognitive disturbances, elderly, Spain, 6077
reliability & validity of the Palestinian version of Student Alienation Scale, 14–21 yr olds, 33972
reliability of Chinese version of Occupational Stress Indicator, 23–41 yr old clinical nurses vs industrial workers, Taiwan, 28610
sensitivity & specificity & factor structure of Spanish version of Geriatric Depression Scale, 65 yr old & older Mexican Americans with psychiatric diagnoses, 6027
sex-differentiated evaluation of Swedish version of Rheumatology Attitudes Index, male vs female 20–55 yr olds suffering from neck & back pain, Sweden, 28485
students' evaluations of university teaching using the Chinese version of the Students' Evaluations of Educational Quality Instrument, college students, Hong Kong, comparison with North American data, 40935
Swedish translations of Autism Behavioral Checklist & Childhood Autism Rating Scale, screening & diagnosis of autism spectrum disorders, 2–17 yr olds with mental retardation &/or physical disability, 28500
test-retest & interrater reliability & standardized videotape method training of Japanese version of Barnes Akathisia Scale, evaluation of neuroleptic-induced akathisia symptoms, raters, 14311
test retest reliability & concurrent validity of Spanish version of Mannheim Interview on Social Support, 15–55 yr old psychiatric outpatients, Spain, 37461
test retest reliability of German translation of Myers-Briggs Type Indicator, personality assessment, 18–38 yr olds, Austria, 2522
test retest reliability of Japanese version of Inventory to Diagnose Depression Lifetime Version, adults with family history of depression, Japan, 10462
transferability of family concepts into Japanese culture & reliability & validity of Family Environment Scale, assessment of social-environmental family characteristics, housewives, Japan, 20966
translation of Chinese versions of International Version of Mental Status Questionnaire & Hypochondriasis Scale, normal vs demented old age home residents, Hong Kong, 6020
translation of French measure of motivational styles into English, 60–98 yr old nursing home residents, 17590
usefulness of covariance structure analysis in asymmetrical & symmetrical models of bilingual word processing, native Dutch speaking adults, Netherlands, 14455
usefulness of translated versions of Diagnostic Interview Schedule in determining rates of major depression, postnatal Vietnamese vs Arabic females, Australia, 42275
validity & location of Italian version of Myers-Briggs Type Indicator Form F in personality factor space, adults, 17617
validity of Arabic version of Eating Disorders Inventory vs semi-structure interview by psychiatrist, female 7th–12th graders, Saudi Arabia, 6009
validity of Chinese version of International Version of Mental Status Questionnaire, normal vs demented 61–94 yr olds, Hong Kong, 6019
validity of Chinese version of Rating Scale for Aggressive Behaviour in Elderly, psychogeriatric inpatients (mean age 74 yrs), Hong Kong, 37444
validity of Hungarian version of Just World Scale, 18–49 yr olds, Hungary vs Germany vs Slovenia, 2531
validity of Icelandic translation of Basic Personality Inventory, bilingual native Icelandic graduate students, North America, 1 mo followup, 2523

validity of Italian version of Individuation Scale & Five Factor Model of personality, Italian 18–62 yr olds vs American 17–37 yr olds, 40813
2 vs 3 dimensional factor structure of Hong Kong WISC-R, 5–15 yr olds, Hong Kong, 5958
Foreign Languages—Serials
digit span with vs without articulatory suppression, 18–30 yr old native speakers of Chinese vs English vs Finnish vs Greek vs Spanish vs Swedish, test of working memory theory, England & Finland, 28946
high variability perceptual training program, aquisition of the English /r/–/l/ perceptual contrast & production, Japanese adults, 37663
self reported English vs Panjabi use, British-Asian 15–16 yr olds, England, 18438
theoretical framework & architecture & implementation & evaluation of a system for segment-based automatic language identification, 38233
traditional vs error correction teaching strategy using English vs Spanish words, spelling accuracy, 6th & 7th graders with vs without learning disabilities in bilingual migrant education program, 33438
Foreign Nationals [See Also Foreign Students, Foreign Workers]—Serials
construct validity of cross-cultural adjustment questionnaire, international students & expatriates, Belgium & Taiwan & US, 10418
evaluation of research on effects of cross-cultural training on adaptation & work performance, expatriate personnel, 5748
self-efficacy & self-monitoring, cross-cultural adjustment, American expatriate military personnel, Europe, tests appended, 3906
Foreign Organizations—Serials
anticipation of pay me vs self help vs unsure responses to foreign aid, college students, Malawi, 887
Foreign Policy Making—Serials
hypotheses for structure of perceptions of post-Cold War era foreign policy threats, college students, 25982
international policy & domestic relations beliefs & threat assessment & attribution for Soviet Union's liberalization toward Eastern Europe, subscribers to "International Security', 5 yr followup, 22201
intra-alliance bargaining model based on game theory, application to US–Bosnia policy 1991–1995, 22330
role theory, prediction of compliance with nuclear nonproliferation regime & foreign policy, foreign officials, Ukraine & Belarus, 18748
tying hands vs sinking costs strategies in communication of foreign policy interests, 22323
Foreign Students—Serials
attitudes toward & desire for & amount of contact with Americans, 18–42 yr old male Saudi Arabian students in US, 30074
country of origin & sex & age & proficiency in Japanese language & length of residence, adjustment, postgraduates from China vs Taiwan, Japan, 9951
language proficiency & learning & study strategies, academic achievement measured by GPA & credits earned & withdrawals, freshman international students, 24625
personality traits & coping & social support & emotional distress in readjustment to home culture, 18–20 yr old international high school & college exchange students, Japan, longitudinal study, 25869
verbal & mathematical reasoning ability tests vs CTY Spatial Test Battery, prediction of academic success in international school, native English speaking vs ESL 6th graders, 37536
Foreign Study—Serials
perceptions of host country & citizens & stereotypes & attitudes toward & perceived variability of host country citizens, US college exchange students assessed before vs after studying in West Germany or UK, 7679
Foreign Workers—Serials
Indian cultural value orientations, management practices, Western-trained expatriate managers, India, 43770
risk for HIV/AIDS & guidelines for culture & gender sensitive prevention strategies, Mexican migrant laborers, implications for counselors, 36654
Forensic Evaluation—Serials
Bayesian interpretive approach to assessment of malingering & presentation of test results in court or forensic settings, 33868
certification requirements, performing sanity examinations for state courts, psychiatrists & psychologists & nonpsychiatric physicians & social workers, 20427
clinical & legal & ethical problems in serving as both clinician & forensic evaluator, psychotherapists, 33313
content for criminal forensic reports, forensic psychologists & psychiatrists, 33892
demographic vs clinical variables, variance in fitness to stand trial assessments, adults, Canada, 33870
forensic concept of severe mental disorder among personality disordered, forensic psychiatric investigations, prosecuted males, 10298
free market competition & external regulation in forensic science services, England, 5871
inpatient vs outpatient pretrial mental health evaluations, forensic mental health program directors & forensic clinical directors, 10295
legal standards of forensic psychiatry & forensic psychiatric examination, Italy, 10275
mild traumatic brain injury & diagnostic ambiguity & forensic neuropsychiatric evaluation, 19648
MMPI-2 profiles, 18–73 yr old male pretrial defendants referred for psychiatric evaluation, conference presentation, 28519
norms & reliability & validity & generalizability of instruments assessing parenting competencies for child custody evaluations, 28403
ordering of pretrial forensic evaluation instead of civil commitment for mentally ill arrestees, judges in Massachusetts, 33890
patient demographic characteristics & treatment & recidivism rates for forensic conditional release programs in California vs New York vs Oregon, mentally ill offenders, 36829
platelet MAO activities as biological marker in forensic psychiatry examinations, 18–56 yr old nonpsychotic males, Sweden, 37320
potential legal sources of bias during forensic neuropsychological evaluations, neuropsychologists, 37340
practice parameters for forensic evaluation, children & adolescents with possible physical or sexual abuse, 33279
pretrial forensic examination of psychiatric disorders & suicidality & criminal responsibility, 15–68 yr olds who committed arson vs homicide, 4378
seizure kindling of limbic system accompanied by psychotic reaction, male 40 yr old, implications for differential diagnosis techniques in forensic evaluation, 1300
statutory & common law criteria, assessment of reasoned evaluation & communication of case in fitness to stand trial evaluations, accused persons, 10293
structured computer assisted diagnostic interview, assessment of psychiatric symptoms & diagnosis of Axis I DSM-III disorders, male 15–50 yr olds undergoing forensic psychiatric evaluation, Sweden, 1187
validity of symptom validity testing as neuropsychological assessment of remote memory, 25 & 31 & 47 yr old males evaluated for competency to stand trial, 6070
window of detection & provision of chronology & resistance to countermeasures of radioimmunoassay of hair vs urinalysis, detection of substance abuse in retrospective & prospective forensic evaluation, 2447
3rd party presence during forensic psychiatric examination & civil & criminal litigation, 33872
Forensic Psychiatry—Serials
aggressive behavior during long term clozapine vs after withdrawal, forensic schizophrenic patients who committed felonies against life & body of others, 19947
balancing conflicting family & forensic commitments, forensic experts, 28346
clinical & legal issues & liability & clinical risk management, patients with rapid cycling bipolar disorder, 22799

comparison of application of knowledge from professionals with different backgrounds to 3 case vignettes in forensic psychiatry, 27 & 36 yr old males & 36 yr old female, UK, 43950
content for criminal forensic reports, forensic psychologists & psychiatrists, 33892
credible forensic psychiatric evaluation in sexual harassment litigation, 17513
deceptive portrayals of PTSD in pulp fiction & press, abuse of PTSD diagnosis in forensic settings, commentary reply, 26574
deceptive portrayals of PTSD in pulp fiction & press, abuse of PTSD diagnosis in forensic settings, commentary, implications for Vietnam War veterans, 26573
deceptive portrayals of PTSD in pulp fiction & press, abuse of PTSD diagnosis in forensic settings, 12096
decision making on diversion from prosecution into psychiatric care, Scotland, 43970
diversion vs liaison services, psychiatric advice & assessment, New Zealand, 14117
enhancement of risk management by psychodynamic understanding of internal world of offender patient & unconscious meaning of forensic act & interactions between patient & environment, 42945
ethics in forensic psychiatry, 1959–1994, bibliography, 9806
evaluation of forensic day treatment program, personality disorder symptoms & hostility & general psychopathology, 17–64 yr old perpetrators of sexual vs nonsexual crimes, 20371
excellence in forensic psychiatry & pressures on quality of forensic work, 14119
forensic psychiatry, standard of ethics, UK vs US, commentary, 24921
forensic psychiatry, UK vs US, 24917
forensic psychiatry, UK vs US, commentary, 24919
forensic psychiatry, UK vs US vs Australia vs New Zealand, commentary, 24923
forensic treatment & rehabilitation of mentally ill criminal offenders, adult male criminal, case report, implications for biopsychosocial interventions, 31967
future research & service developments & legal issues in forensic psychiatry, 28343
guidelines for psychotherapeutic & legal & clinical & forensic use of delayed traumatic recall, 1134
history of legal & forensic psychiatry system, Italy, 10274
issues of forensic psychiatry under Islamic law, 2443
item response theory analysis of Hare's Psychopathy Checklist—Revised, forensic psychiatric patients & prisoners, US & Canada, 17634
legal &/vs medical-ethical principles &/vs proprietary governing prearraignment forensic psychiatric evaluation, 28348
legal issues in sexual harassment cases, implications for role of forensic psychiatrists in evaluation & validation of claims, 5876
legal issues of & opposition methods to expert opinions of forensic psychiatrists testifying in legal proceedings, 43978
legal reforms & relationship between criminology & psychiatry, development of insanity defense, implications for psychiatrists & forensic psychiatrists, US vs Australia, 5885
legal standards of forensic psychiatry & forensic psychiatric examination, Italy, 10275
movement from child mental health system to adult civil or state forensic mental health systems, 15–16 yr old psychiatric inpatients, 11 yr longitudinal study, 40007
risk assessment & identification & management & training issues, forensic psychiatrists, 37319
role of forensic psychiatrists in debate concerning adoption of Black children by White families, 3641
role of inheritable biological factors within framework of behavioral genetics & law, genesis of repetitive antisocial behavior, implications for forensic psychiatry & psychology & insanity defense, 2445
role of serotonin in suicidality & violence & impulse disorders & paraphilias & clozapine therapy, implications for forensic psychiatrists, 1970–95, literature review, commentary, 31184
role of serotonin in suicidality & violence & impulse disorders & paraphilias, implications for forensic psychiatrists, 1970–95, literature review, 1346
somatic morbidity, 16–66 yr old juvenile delinquents & criminals who underwent forensic psychiatry exams, Sweden, 37318
testimony of treating psychiatrist vs forensic expert in litigation of psychiatric patients, 43976
use & misuses of psychiatry in sexual harassment litigation cases, 17510
use of Lacanian postmodern framework approach to overlapping effects of law & psychiatry within the context of guilty but mentally ill verdicts, defendants, 20918
1985 Supreme Court decision making assistance of psychiatrist constitutional right binding on state & federal government in order to plead defense, defendant in murder case, 20923
3rd party presence during forensic psychiatric examination & civil & criminal litigation, 33872

Forensic Psychology—Serials

assessment of malingering in forensic psychodiagnostic evaluations, consultant-expert witnesses, 14149
complexity of manifestations of dissociative disorders & recovered memories of childhood abuse & trauma, implications for forensic psychologist role in educating attorneys & providing court testimony, 7876
components & assessment of fear of future illness, 17–85 yr olds, implications for psychologists testifying in litigation over exposure to environmental hazards, 8451
content for criminal forensic reports, forensic psychologists & psychiatrists, 33892
Daubert v Merrell Dow Pharmaceuticals & expert testimony & forensic psychological expertise, conference presentation, 33895
development & current status & future trends in police psychology, 14170
developments in correctional psychology, early 1970s to mid-1990s, 13502
early development & current models of education & training in psychology & law/criminal justice, 14125
ethical & legal & professional issues in conflict between therapeutic & forensic roles, clinicians, 20487
evaluations & cases related to legal issues, threats & stalking & attacks by clients & therapists' safety concerns & strategies, psychologists, 13611
frequency of use of Rorschach test/method in forensic psychology research & practice, 1974–95, 10276
history & present status of forensic psychology & recommendations for training & ethical code & research & register for forensic psychologists, South Africa, 33867
issues in combining psychology & law into forensic psychology, 14122
legal & ethical issues in presence of 3rd party during forensic neuropsychological evaluation, 24922
paper & pencil inventory scales, measurement of deceptive strategies in contexts of mental health adjustment & maladjustment, forensic clients, 10448
reliability of forensic psychiatric assessment of need for treatment in nonpsychiatric offenders, psychiatrists, Sweden, 24918
role of mental health professionals as experts in harassment & discrimination litigation, 10282
roles as consultant or expert witness during sentencing hearing, forensic psychologists, 14144
use & misuse & actual outcomes of insanity defense plea to absolve criminal responsibility, indicted defendants in Baltimore, 1991, implications for forensic psychology, 14147
use of Rorschach testimony in court, forensic psychologists, 10277

Forgetting—Serials

acquisition & forgetting, age-related differences in multitrial free recall performance, 18–94 yr olds, 25744
age, comprehension of prior knowledge vs intention vs failure to recall vs desire components of forget in 4–5 vs 6–8 yr olds, England, 34799
appointment keeping on a routine day vs less scheduled day, remembering, college students, 41161

context shift effect & forgetting of stimulus attributes in Pavlovian differential fear conditioning paradigm, male rats, 18092
direct vs indirect memory task of intentional forgetting for remembered vs cued words, retrieval inhibition & reinstatement, 8–11 vs 18–26 yr olds, 22025
directed forgetting of categorized vs unrelated word lists, 18–29 vs 59–81 yr olds, 6354
directed forgetting of disturbing material, patients with obsessive compulsive disorder, 8055
discriminability measures of effect of retention interval duration on memory performance & rate of forgetting, macaques with vs without brain lesions, commentary, 6693
family history & neuropsychological correlates, subjective memory changes, 43–85 yr old relatives of patients with Alzheimer's disease, 31813
forgetting rates over intervals in organic amnesia, adult patients with focal temporal lobe vs diencephalic vs frontal lobe lesions, 36102
identifying nonmemory effect performance decrements in animal memory research, implications for research design & human animal cognition parallels interpretation, 34400
intentional forgetting of stereotypical information from long term memory, college students, 30511
intervening activities vs retention interval, prospective memory, 18–19 vs 65 yr olds & older, Belgium, 7227
issues in forgetting & disregarding & other selective activities of body & brain & consciousness according to W. James, 42115
long-term forgetting measured by memory tests performance decay, 14–43 yr olds with severe closed-head injury, 26953
neural network catastrophic forgetting & sleeping brain consolidation mechanisms, model of learning & sleep & role of hippocampus, 33857
performance on recency vs recognition memory tests, 22–29 vs 65–88 yr old females, 22004
probability of presense of information on subsequent test, information processing in directed forgetting paradigm, college students, 2871
retrieval inhibition as means of accomplishing theorized adaptive functions of forgetting, college students, 14633
retroactive interference vs exposure to the event, rate of forgetting in delayed matching-to-sample, pigeons, 34366
secondary memory & task demands during encoding & encoding & rehearsal time, memory & forgetting, college students, 25305
subjective memory complaint & somatic vs affective depression, 55–91 yr olds, 7901
theories about how learning & memory take place & causes of forgetting & need for teacher awareness of encoding process, implications for school learning, 34291
word-list forgetting, delayed recall performance, 20–35 yr olds vs 60–80 yr olds, 25739

Forgiveness—Serials

construct & concurrent & predictive validity & reliability & development of Interpersonal Relationship Resolution scale, forgiveness in family & couples therapy, 19–77 yr olds, 28437
development & reliability & validity of Enright Forgiveness Inventory, assessment & construct validity of interpersonal forgiveness, college students vs their same-sex parents, 2520
forgiveness intervention, forgiveness & self-esteem & hope & depression & state-trait anxiety, female 24–54 yr old incest survivors, 8763
history of forgiveness & relationship with religious faith & model of forgiveness & healing, 32052
judgments of blame & willingness to forgive romantic partner's hurtful behavior, college students, 26162
modified forgiveness intervention model in family psychotherapy, parent survivors of adolescent suicide, 12857
object relations theory & religious aspects of forgiveness process, 35047
phenomenological analysis of relationship between forgiveness & reconciliation & methodology of N. Fow, 19028
rational & moral aspects of forgiving & receiving forgiveness & self forgiveness, clarity in therapeutic encounters, counselors, 4771
social-psychological analysis of interpersonal forgiving & determinants & structure & consequences of forgiving & empathy-forgiving link, college students, test of empathy model of forgiveness, 38675

Form and Shape Perception—Serials

absolute & relative gap size, visual search for closure, college students, 41031
absolute vs graded circle sizes, tactile discrimination accuracy on cartographic displays, legally blind adults, commentary, letter, 19673
absolute vs graded circle sizes, tactile discrimination accuracy on cartographic displays, legally blind adults, commentary reply, letter, 19676
access to semantic information during form & color matching tasks, college students, France, 14525
acquisition of form representation in anterior inferotemporal cortex through learning & relationship to neuronal tuning & association, monkeys, 6665
adult demonstration of appropriate actions, attention to shape or material of solid objects in making inferences, 2 yr olds, Japan, 41647
age & model familiarity, frequency of hidden-feature inclusions in drawings, 4–9 yr olds, 15232
attentional processes in perceptual organization by element clustering vs shape formation, college students, 28726
bias of perceived length for Muller-Lyer configurations in single fin-set configurations, humans, 21248
binocular disparity & motion parallax, surface detection, Os, 28776
block & figure color & display combinations & differing delays, memory of individual features vs feature relations, 3 mo old infants, 7211
cognitive & task control strategies to & attentional constraints on controlling perceived direction of rotation of transparent sphere, adults, 21288
color & global & local shape response choice task performance, ERP measurements, right-handed 23–32 yr olds with normal vision, test of continuous information transmission models, Germany, 28773
color & shape of object, RT & selection negativity in ERPs, adults, 41011
concurrent discrimination of color & brightness & texture & length & location & motion, 1- vs 2-object interference, 18–58 yr olds, test of visual attention model of surface & boundary subsystems, 17821
configural & physical knowledge, segregation of 3-dimensional adjacent similar vs dissimilar objects, infants (mean age 8 mo), 29806
contrast & blur space constants, perceived location of static blurred edge, adults, 6222
contrast polarity of edges, parallel coding of collinearity within visual search grouping of solid regions, 19–37 yr olds, England, 25190
correlation between illusion produced by 3-dimensional Mueller-Lyer figures & retinal image vs 3-dimensional coordinate form defined figure shape, college students, 206
cortical regions & visual object shape recognition, normal adults (mean age 22.6 yrs), 34552
curve radius & driving competence, speed choice in steering through curve, 22–47 yr old licensed drivers, Netherlands, 28327
cylindrical object's products & motions of inertia, dynamic touch exteroception & exproprioception of inertia tensor, college students, 10614
damage to inferior temporal vs parietal cortex, perception of rotated or different shapes, patients & nonhuman primates, 8657
degree of perceptual correlation between form & color during early stages of perceptual analysis, adults, 28741
developmental changes & use of attentional & visual cues in perception of object unity, prelingual infants, 34803
edge assignment & figure–ground segmentation in short term visual matching, college students, 14510
figure–ground segmentation measured by size & brightness parsing & symmetry judgments, 53 yr old female with closed head injury, 42784
form from motion perception, 30–82 yr olds with acquired brain damage, 42835

fragmented form processing in visual neglect, 52 yr old male with left side hemiplegia & unilateral left neglect, 12627
geometrical organization of architectural space & professional background, aesthetic & emotional responses, 22–35 yr old chemistry vs architecture majors, 187
Gestalt vs cognitive vs neurophysiological vs computational approach to study of illusory brightness & contour phenomena, literature review, 212
habituation & dishabituation to recognition of intact &/vs contour-deleted line figure exemplars & variants, 12 mo olds, 38334
height of stimuli & combinations of pairs of circles & squares & triangles, evaluation of linear sizes of figures, adults, 14498
high level shape recognition, 21–47 yr olds with unilateral anterior inferior temporal lobectomy, 24011
horizontally vs vertically folded & cut rectangles, comparison of parts by figuring equivalent fractions vs making perceptual judgments, 5th–6th graders, application of Piagetian theory, 22019
identification & episodic recognition for haptically presented 2-dimensional line drawings, college students, 34288
illumination & shading, perception of local surface orientation, adults vs computer simulated ideal observer, 14531
image complexity, sequence of stages in visual recognition of grids & geometrical figures & schematical drawings of faces, 25–36 yr olds, 14529
imminence of saccade, vernier acuity in perception of geometrical relationships, adults, 28736
inability to make good representational decisions & deficient motor skills & misperception of drawing, drawing process & inaccuracies, art majors vs other college students, 29642
inertia tensor role in selective perception by dynamic touch, adults, 10606
inhibition of 1 hemisphere, perception of 3-dimensionality of objects as assessed with holograms of spherical surfaces, 19–57 yr olds, 14507
integration of object form & color perception & spatial location in working memory in prefrontal cortex, monkeys, 29349
judgment of rectangular areas using gestural strategies, blind 5.3–8 yr olds, 8680
local vs global representation & encoding processes in visual mental rotation of possible vs impossible object shapes, college students, 37703
location vs object based visual attention, college students, replication, commentary, 18014
location vs object based visual attention, college students, replication, commentary reply, 18016
lorazepam, visual acuity & accommodation & oculomotor balance & perceptual integration of visual forms, healthy 20–30 yr olds, France, 3216
monohaptic vs dichhaptic finger exploration, interhemispheric interaction during letter shape & meaning recognition & naming, left vs right handed 21–28 yr old males, 37957
nonlinear Hebbian network applied to learning how to detect disparity in random-dot stereograms, 17501
object curvature & shape & illumination direction, lightness perception in 3-D curved objects, 25–30 yr olds, 10638
object orientation & size, response time & error rates in visual perception of affine-invariant coordinates, Os, 14545
partial color vs shape information, ERPs & lateralized readiness potentials during stimulus identification, right handed adults with normal vision, 18214
partial occlusion of moving object, perception of object unity vs form, 4.5–5.5 mo olds, 25794
path structure & task complexity of part A vs B of Trail Making Test, implications for generating alternative pathways & interpreting results, 10484
perception of brightness differences in Ehrenstein figures & illusory contours in phase-shifted line gratings & contrast polarity, 20–40 yr olds, 6225
perception of crucial edges & surfaces, drawing lamellar models & geometrically congruent wire models, 3rd vs 5th vs 7th graders, Scotland, 15211
perception of shape based on shading vs edge contour cues, 39 yr old female with carbon monoxide poisoning induced brain damage, 8609
perception of shape of 3-dimensional opening structure while in expanding motion, adults, Japan, 6234
perception of visual contour in depth perception, Os, 41026
polar projection, perception of euclidean structure from apparent motion, adults, 6223
post-habituation responses to complete vs broken rod test displays, perception of object unity, 2 vs 4 mo olds, 15226
practice, rate of search for target defined by conjunction of movement & form, 18–25 vs 60–75 yr olds, 11358
prefrontal cortex inferior convexity lesion size, visual pattern association & color matching task performance, monkeys, 34573
processes in visual perception & attention for targets defined by shape or form, pigeons, literature review, 18041
psychophysics & anatomy & neurophysiology, orientation specific processing of visual contours & surfaces, 21257
raised line shapes & unfamiliar 3-dimensional objects, accuracy & sensitivity in detecting bilateral symmetry, college students, test of haptic system discrimination, 21229
reflectance vs brightness vs perceptual shape as basis for discrimination during early stages of visual processing, perception of 3-dimensional shapes in 2-dimensional displays, naive adults, 213
retinal shape similarity of uncompleted elements or perceived shape of completed elements, perceptual grouping, college students, 6240
role of color & shape in perceived location of illusory conjuctions prior to location of visual objects, college students, 14520
role of different hemispheres in comparison of triangles presented in right vs left visual field, adults, 14512
role of receptive field surround characteristic of neurons in middle temporal visual area for computation of object shape, use of motion cues in 3-dimensionality, primates, 21620
role of temporal visual area in shape recognition, primates, 6624
shape & contour orientation, visual search for orientation target, 21–34 yr olds, 41020
shape integration impairment during biological object recognition, elderly male with bilateral inferior temporal lobe lesions & category-specific visual agnosia, 23363
shape learning & 3-dimensional form perception, adults, 17839
size relative to whole object & degree of protrusion & strength of boundaries, salience of visual part in shape perception & object recognition, adults, 34154
slant & shear parameter values in deformed shape viewing, relatedness of perspective & projective transformations in shape pattern discrimination, college students, Belgium, 37637
smoothness of the velocity field & frequency & amplitude & density & surface complexity, detecting 3-D surfaces & optic flow, undergraduate & graduate students, 28730
spatial frequency & amplitude of edge modulation & object width, perception of size & shape, Os, 190
speeded discriminations of whole vs occluded vs mosaic shapes, college students, Canada, 37633
subjective orientation in visual cortex using optical imaging of intrinsic vs single-unit signals, contour perception, cats, 21705
tactile capability to discriminate between 2 objects differing in size &/or shape, California sea lion, 10753
transient & sustained form & color nonspatial visual attention, ERP effects, 21–37 yr olds with normal vision, 29410
typical contours, discrimination & recognition of unfamiliar solids, 4–5 yr olds, Scotland, 15212
use of illusory contours & shape perception in paintings by Ellsworth Kelly, 28771
use of Local Tau 1 vs 2 & spherical vs oval ball with vs without rotation, interception time, male adults (mean age 26 yrs), 25205
variability of amplitude & frequency, perceptual similarity of shapes, college students, 17820
vertex vs midsegment breaks in square vs circle contours, attention to & object recognition of simple line drawings, pigeons, 21511

viewpoint dependency in shape-based visual object representation & recognition, adults, 10632
3-dimensional bilateral symmetry bias in judgments of 2-dimensional figural identity & orientation, adults, 34156
Form Classes (Language) [See Also Adjectives, Adverbs, Nouns, Pronouns, Verbs]—Serials
acquisition of relative clauses with gaps & lack of relative operators due to lacuna & compensation consistent with universal grammar, children & adults, 29785
development of & criteria for obtaining word classes in taxonomy of linguistic descriptors of personality in Spanish language, 683
discrimination learning & response transfer in generalized equivalence classes, adults, 6376
lexical decision & processing of closed vs open class words presented in isolation vs context, adults, 10705
pretraining & expansion of class size, learning new equivalence class formation using simple-to-complex protocol, college students, 21400
structural & functional properties of cleft constructions & their discourse contexts in task related dialogs & spontaneous conversation, 21968
Form Perception [See Form and Shape Perception]
Fornix—Serials
ACTH analog ORG2766 administered 2 wks vs 7 mo after fimbria lesion, recovery of Morris maze performance, male rats, 3289
anterograde electrolytic lesions of fimbria/fornix vs entorhinal cortex vs dorsal hippocampus, contextual fear conditioning, male rats, 37984
bilateral fimbria lesions & housing in standard vs impoverished social conditions, Morris maze acquisition & spatial orientation performance, male rats, 496
cathodal sections of fimbria-fornix vs ibotenic lesions of hippocampal cells, place & spatial learning in swimming task & circadian activity, rats, 11021
fimbia fornix lesions, rotational behavior & hyperresponsiveness to amphetamine, rats, implications for intact hippocampal system as necessary for sensitization, 6606
fimbria-fornix lesions with aspiration vs electrolytic technique & effect on overlying cortical structures, beam walking assessment of sensorimotor performance, female rats, 6631
fimbria-fornix lesions with vs without nicotine, auditory sensory processing & EPs in hippocampus, male rats, implications for effects of nicotine on auditory gating in schizophrenics, 29245
inferior parietal vs bilateral fornix lesions, route running retention, male monkeys, 6599
lateral vs medial vs postcommissural septal lesions, elevated plus-maze vs shock-probe burying test behaviors, male rats, animal model of anxiety, 10981
lesion of perirhinal cortex vs fornix fimbria transection & partial forebrain commissurotomy, object in place memory & role of visual object information, rhesus monkeys, 14835
partial unilateral mechanical transection of fimbria fornix, changes in brain tissue water over time, male rats, 2 hr–7 mo follow up, 10942
spatial & cue navigational abilities in water maze tasks, male rats with fimbria/fornix vs caudate putamen lesions, 25462
unilateral vs bilateral fimbria fornix transection & enriched environment, Morris maze performance, rats, 34588
5-HT1A antagonist WAY 100635, amelioration of visuospatial & other cognitive impairments, adult marmosets with fornix transections, implications for treatment of Alzheimer's disease & dementia, 18296
FORTRAN [See Computer Programing Languages]
Forward Masking [See Masking]
Foster Care—Serials
altruistic motivation & morale & commitment, attitudes toward relationship with biological parents & need for support & perception of child's behavior & needs, foster carers, Ireland, erratum, 9417
bonding studies in permanency planning, children in foster care system, 27708
child & caregiver & situational factors, return to foster care, 0–14.3 yr olds, 9414
demographics & time between Level I & II assessments & health status & completion of referrals made by Foster Care Health Project, 0–18 yr olds entering foster care, 16864
family centered intensive case management providing individualized services, seriously emotionally disturbed 5–12 yr olds referred for out of home placement in foster care, 9410
family contact & quality of relationships & continuing informal support, 16–19 yr olds leaving care of local authorities, England, followup study, 9402
foster care &/vs special education for emotional or behavioral disorders, school related problems, students, 17245
foster care, physical & mental development, birth to 3 yr olds, 2 yr study, 30174
foster care vs mental health center vs community residence, externalizing & internalizing symptoms & overall mental health, 4–16 yr olds, Canada, 16870
group care vs treatment foster care models of residential care, peer perceptions & staff assumptions & strategies for supervision, male adolescent offenders, 17008
historical & contemporary context of & issues in & differential approaches to family reunification within framework of permanency planning & family preservation, 9429
individualized wraparound strategy vs foster care services, placement outcomes & adjustment, 7–15 yr olds with emotional & behavioral disturbances & their foster or biological &/or adoptive families, 9405
intensive casework program in family reunification, 1–17 yr olds in foster care, 1 yr study, 9415
maintenance of sibling relationships in child care placement, less than 5 to 12+ yr olds in foster & adoptive placements, Scotland, implications for social workers, 27694
matching temperaments of foster parents to adolescent foster children, foster care adjustment, foster families, 16845
motivation, role perception & view of foster person, foster mothers (mean age 50.48 yrs) for persons with mental retardation, Israel, 20234
parental visitation, permanency planning & prediction of family reunification, 12 yr olds & younger in foster care, 1 yr study, 9407
pediatric & developmental & psychiatric needs, children in foster care system, 27705
physical health & mental health & behavioral characteristics before vs during foster care, children with substantiated physical maltreatment or neglect while in foster care, 20226
professional foster care & psychiatric intervention, mentally ill parents with 0–10 yr old children, Denmark, 32868
psychosocial functioning, probability of reunification with family, 2–16 yr olds in foster vs kinship care, 9426
quantity & type of foster care placements & age, behavioral maladjustment, 5–18 yr old foster children referred for therapy, 16839
rate of developmental delay in children with & without prenatal drug exposure & need for research to address other factors affecting child development, implications for foster care, 23155
social work practice in relation to & developments & outcomes of & profile of reunification & families & circumstances, children & adolescents in foster care, England, 9411
therapeutic foster care program & NTU psychotherapy clinical approach, African American 2–18 yr olds, 42933
timing of & hazards associated with exit from substitute care to family/guardian vs adoption vs running away, 16 yr olds & younger in foster care, 9406
training to raise awareness of religious influences in family foster care, foster parents & their foster children & social workers, 24209
treatment foster care, placement permanency & behavior problems & discharge status & social skills & psychological adjustment, children & adolescents, 36719
type of maltreatment & behavior problems, utilization of mental health services, 2–17 yr olds in foster care, 9365
wraparound services in schools, prevention of restrictive educational & out of home placements, special education students with emotional & behavioral disabilities, 10009

Foster Children—Serials
child & caregiver & situational factors, return to foster care, 0–14.3 yr olds, 9414
demographics & time between Level I & II assessments & health status & completion of referrals made by Foster Care Health Project, 0–18 yr olds entering foster care, 16864
disruption of relationship with biological or foster parent, crisis & emergency psychiatric intervention, foster children, implications for clinicians & child welfare planners, 16860
intensive casework program in family reunification, 1–17 yr olds in foster care, 1 yr study, 9415
matching temperaments of foster parents to adolescent foster children, foster care adjustment, foster families, 16845
motivation, role perception & view of foster person, foster mothers (mean age 50.48 yrs) for persons with mental retardation, Israel, 20234
parental visitation, permanency planning & prediction of family reunification, 12 yr olds & younger in foster care, 1 yr study, 9407
pediatric & developmental & psychiatric needs, children in foster care system, 27705
quantity & type of foster care placements & age, behavioral maladjustment, 5–18 yr old foster children referred for therapy, 16839
social work practice in relation to & developments & outcomes of & profile of reunification & families & circumstances, children & adolescents in foster care, England, 9411
Foster Homes [See Foster Care]
Foster Parents—Serials
demographics, attitudes toward physical discipline & behavior of children in their care & level of agency support, nonrelative foster parents vs kinship caregivers, 24189
disruption of relationship with biological or foster parent, crisis & emergency psychiatric intervention, foster children, implications for clinicians & child welfare planners, 16860
health newsletter, attitudes about child development & behavior, foster parents, 16789
matching temperaments of foster parents to adolescent foster children, foster care adjustment, foster families, 16845
motivation, role perception & view of foster person, foster mothers (mean age 50.48 yrs) for persons with mental retardation, Israel, 20234
training to raise awareness of religious influences in family foster care, foster parents & their foster children & social workers, 24209
Fovea—Serials
arrangement of test & referent stimuli in visual hemifields in relation to each other, size discrimination of 2-dimensional contour images in fovea, adults, 14504
smooth pursuit & saccadic responses to target moving toward vs away from fovea, adults with vs without schizophrenia, implications for role of frontal vs posterior cortex function, 7950
spatial frequency & peripheral vs foveal target area & retinal eccentricity, RT & accuracy of texture segmentation, adults, 14526
Foveal Vision—Serials
controlling delay of saccade triggering to isolated target words, word-initial letter information in saccade programming as function of timing of parafoveally available information, adults, France, 28744
foveal information, object identification & eye movements, male & female undergraduate students, 28753
foveal load & visual context, peripheral letter recognition, graduate students, 6246
foveal vs extrafoveal vision, structure & dimensionality of internal representations in learning & classification of Gabor signals, 20–30 yr olds, 2772
luminance & 2-channel chromatic shifts in cone weightings & spectral shape, threshold detection of spectral sensitivity in photopic white background across parafoveal retina, Os, 215
number & overlapping vs nonoverlapping layout or peripheral windows in multiwindow systems, interference with foveal vision during current task performance, adults, 10192
Fragile X Syndrome—Serials
autistic behaviors & anxiety & neuroanatomical & molecular-genetic correlates, 6–16 yr old girls with fragile X syndrome, 42155
behavioral arousal & verbal & nonverbal behavior, 5–37 yr old males with fragile X syndrome vs Down's syndrome, 4501
behavioral features & treatment implications, patients with fragile X or Prader-Willi or Williams syndrome, 31585
behavioral patterns & speech difficulties & physical features of fragile X syndrome, 4543
cellular & subcellular localization & associations of Fragile X mental retardation protein, rats & mice & humans, 31587
CGG trinucleotide repeat expansion in fragile X mental retardation gene, 19–90 yr olds with schizophrenia or schizophreniform or related disorders, etiological implications, 19201
characteristics of FMR1 gene & its mutations & methods of identification in fragile X studies, 4529
chromosomal abnormalities, 9 & 10 & 18 yr olds screening positive for FMR-1 mutation, 4565
clonidine, problem behaviors, 3–14 yr olds with fragile X syndrome, 5188
cognitive & emotional behaviors, 1–51 yr old males with autistic vs nonautistic subtype of fragile X syndrome, 4509
cognitive development & adaptive behaviors, 16–64 mo old males with fragile X syndrome, 4519
distribution & frequency of FMR1 gene alleles, developmentally disabled, 4400
goals of & counselor role in genetic counseling for fragile X syndrome, workshop summary, 4510
impact of innovative DNA diagnostic technologies, fragile X families, 4530
IQ scores, 3–18.7 yr old females with fragile X syndrome, longitudinal study, 4507
issues in sharing gene inheritance information with other family members, fragile X families, 4548
MRI studies of neuropathology in fragile X syndrome, 4496
neuroanatomical role of amygdala in fragile X syndrome, 4505
occurrence & characteristics of fragile X syndrome, 49 yr old male, Nigeria, 23233
perceptions of treatments & diagnosis' psychosocial impact & effect on reproductive decisions & health care access, parents of children diagnosed with fragile X syndrome, 4562
shyness & social behavior & CGG repeat size & neurocognitive function, 18–45 yr old females with pre- vs full-mutation fragile X syndrome, 4564
sleep neurophysiology, males (mean age 9.91 yrs) with fragile X syndrome, 4555
studies of psychological & emotional features of fragile X syndrome, 4547
syndrome-associated behavioral characteristics & family stress, 1–12 yr olds with fragile X vs Prader Willi vs Williams Beuren syndrome & their parents, Germany, 35925
view of testing & counseling process & understanding of genetics & carrier status impact on reproductive decisions & family dynamics, 16–76 yr old normal & normal carrier males in fragile X families, 4574
Frail [See Health Impaired]
France—Serials
clinical & epidemiological & developmental & prognostic characteristics, North African vs native French 18–35 yr old patients with schizophrenia, France vs Algeria, 4187
cultural effects on advertising creative process & models of strategy development, advertising professionals, France, 17443
fertility & suicide rates, adults, France, 1950–85, 12154
MMPI profiles of eating disorder subtypes, hospitalized patients, France vs US, 42662
psychotropic medications prescribed, 15–100 yr olds with sleep disorders, France vs Canada, conference presentation, 27439
social networks & support & depressive symptomatology, community-dwelling older adults (mean age 75.2 yrs), France, 22741

socioeconomic structure & changes in lifestyles & quality of life, inhabitants of Aix-en-Provence, past 300 yrs, France, conference presentation, 30025
views of immigrant assimilation, mayors, France, 41853
Frankness [See Honesty]
Fraternal Twins [See Heterozygotic Twins]
Fraternity Membership—Serials
length of group membership & assumed similarity of opinion with ingroup vs prospective member, certainty of opinion, newcomer vs veteran fraternity members, 30361
types of resistance from fraternity little sister programs, Black vs White female college students, 38682
Fraud—Serials
appropriate use of public funds in representative payee arrangements for reduction of disability income misuse, commentary reply, letter, 9441
peer influence & favorable attitudes & frequency of drinking, use of fake identification to obtain alcohol, White vs Black college students, application of social learning theory, 26134
publicly derived funds in representative payee arrangement for reduction of disability income misuse, commentary, letter, 9413
publicly derived funds in representative payee arrangement for reduction of disability income misuse, relationship to cocaine use & schizophrenic relapse, commentary, letter, 9445
publicly derived funds in representative payee arrangements for reduction of disability income misuse, commentary, letter, 9416
reconsideration of evidence of Sir Cyril Burt's fabrication & falsification of data in monozygotic twin studies of intelligence, 33917
welfare fraud & benefit-related & public exposure stigma, 40091
Free Association—Serials
free association & neutrality in structure of psychoanalytic situation, 19873
relationship & twoness, imaginative spontaneity & free association, analytic patients, 19875
Free Recall—Serials
assessment of metamemory knowledge about strategies & strategy use in free recall task, 16–23 yr olds, France, 17982
associative processes in study lists, false recall & recognition of nonpresented words, Air Force recruits & college students, 34283
auditory &/vs visual free recall modalities, word learning & rate of learning, 16–50 yr olds with moderate to severe closed head injury, 12599
causal factors & grammar categories & hierarchical levels, free recall of TV stories, 4 & 6 yr olds & adults, 25793
context type & age, cued vs free recall, 17–29 vs 61–84 yr olds, 21438
developmental changes in free recall & frequency judgement, Korean & American 6th grade vs 10th grade vs college students, 41656
differential output interference, spontaneous trait cue advantange in cued vs free recall, college students, 6372
direct vs indirect memory task of intentional forgetting for remembered vs cued words, retrieval inhibition & reinstatement, 8–11 vs 18–26 yr olds, 22025
encoding context of list strength, free recall vs frequency estimation vs recognition memory, college students, Canada, 10733
environmental contextual cues, free recall, 18–40 yr olds, 28971
exact information about items for current trial, effects of presentation modality & concreteness & set size on long term free-reconstruction-of-order task, college students, 25310
free recall in incidental learning paradigm, mentally retarded 19–29 yr olds, Canada, 42645
free recall vs recognition survey techniques, morphological & relational & functional features of egocentered networks, 18–32 yr olds, Germany, 35280
headings & topic familiarity, expository text recall & summarization, college students, implications for education, 5648
hypermnesia on repeated free recall for words appearing with high vs low frequency in English language, college students, 17989
incidental recall of colors, 4.1–4.9 vs 6.3–6.9 vs 8.7–9.3 vs 19–25 yr olds, 3372
low vs high word frequency, free recall vs item recognition vs fragment completion test performance, college students, Canada, 6387
music-induced mood at encoding & presence vs absence of observable retrieval cues, mood-state-dependent learning & free vs cued recall, 19–39 yr olds, 37715
note taking & summary writing vs note taking & review during pauses in class lectures, free recall of lecture content, college students in introductory psychology course, 24607
presentation of studied & semantically related & unrelated nonstudied words & forewarning against false recognition effect, avoidance of false memory creation, college students, 37773
provision of information about task difficulty, & task-specific memory self-efficacy & free recall, 16–25 vs 63–86 yr olds, 41641
related vs unrelated words & implicit vs explicit tasks, recall memory, adults with vs without Asperger's syndrome, 19259
relative strength model of free recall of strong vs weak items in pure- vs mixed-strength word lists, college students, 34292
repetition, conceptual implicit memory test of category instance generation & free recall, adults, 10727
reviewing self-produced accounts of events, accuracy in free recall vs information recognition, college students vs high school students, implications for pretrial eyewitness testimony, Australia, 10724
scoring procedures, recency effect in free recall, patients with Alzheimer's disease, Italy, 4653
semantic vs nonsemantic word encoding, free recall & perceptual & conceptual priming, 19–47 yr olds with closed head injury, Israel, 39564
serial position of items in word list, effect on recall, adult seizure patients after surgery on left vs right hippocampus with vs without sclerosis, 16332
serial position vs word frequency, primacy effect in free recall & word stem completion & implicit memory, college students, activation-elaboration role in dissociation effects in connectionist models, 28972
Target Event Cue Object connectionist theory, explanation of recognition failure & free recall & cued recognition exceptions, 18003
task specific vs task independent speed of information processing measures, free recall performance, 15–33 yr old college students vs 65–88 yr olds, 7216
time interval & vehicle plate number type, recall of license plates with new vs old numbering system, male vs female adults, Nigeria, 21394
transfer across form & modality in written & auditory word & pictorial implicit memory tests & free recall, college students, UK, 21396
twofold retrieval by associative pathways free recall & frequency estimation model as predictor of incongruency & expectancy based illusory correlation effects, college students, US & Portugal, 10719
validity of recognition discriminability long delay free recall & discrepancy from California Verbal Learning Test, retrieval deficits, patients with moderate or severe closed head injury, commentary, 21119
validity of recognition discriminability long delay free recall & discrepancy from California Verbal Learning Test, retrieval deficits, patients with moderate or severe closed head injury, commentary, 21101
validity of recognition discriminability long delay free recall & discrepancy from California Verbal Learning Test, retrieval deficits, patients with moderate or severe closed head injury, commentary, 21105
validity of recognition discriminability long delay free recall & discrepancy measures, detection of retrieval deficits, patients with moderate or severe closed head injury, commentary reply, 21121

verbal vs auditory vs visual stimulation, primacy effect in free recall for stimulus materials, college students, 2884
verbal vs S-performed tasks under focal vs divided attention, encoding of item-specific vs relational information & recall, college students, Germany, experimental replication, 21408
word learning & retention under free & cued selective reminding, patients with preclinical & early Alzheimer's disease (mean age 79.3 yrs), 3 yr followup, 23408
Free Will [See Volition]
Freedom—Serials
biopsychosocial conceptions of freedom & choice & purpose in mental disorder & its treatment, 26364
Frantz Fanon's doctrine of therapeutic violence & freedom & his psychoanalytic interpretation of internal colonial relationship, conference presentation, 18686
influence of subjective feelings of freedom & lack of freedom on client's motivation to change, 42947
judgments of rights of child & adults to freedom of speech & religion in society & school & family, 1st vs 3rd vs 5th vs 7th graders vs college students, Canada, 41714
perceptions of freedom in leisure, leisure activity involvement, 14–17 yr old Mexican Americans, 25870
sociology of political freedom & its application to family, 35012
subject–object dichotomy in conceptual variance of free will vs determinism, 3299
theory of social representations based on polarities of post-Hegelian social science & implications for need for independent thinkers to free themselves from constraints of symbolic social environment, 3822
Frequency (Pitch) [See Pitch (Frequency)]
Frequency (Response) [See Response Frequency]
Frequency (Stimulus) [See Stimulus Frequency]
Frequency Distribution [See Also Normal Distribution, Skewed Distribution]—Serials
ANCOVA based on robust measures of location at empirically determined design points in independent random variable distributions, 34110
frequency distribution of analogical reasoning performance to detect bimodality, 5–11 yr old elementary school students, 29788
hierarchical clustering algorithm using probabilistic similarity measure, location of appropriate clusters of attributes from dichotomous or frequency data, 2722
population distribution, maximum likelihood vs a-posteriori estimation in simulated computerized adaptive testing using D. Andrich's rating scale model, 28625
sample size & inconsistent results & role of human intuition, 34237
sampling distribution of swap rate under normality assumptions vs bootstrapping using real selection data, selection based on entrance examination rates, university applicants, 2719
statistical power of Kolmogorov–Smirnov test vs comparing means & other robust measures of location in independent random variable distributions, 34109
use of normative vs ipsative configural frequency analysis in personality research, situation anxiety, 28666
Freud (Sigmund)—Serials
A. Freud's opposition to uncensored publication of letters between S. Freud & Jung, 10347
analysis of Freud's correspondence regarding art of letter writing & compulsion to write & resulting image of Freud, 19053
analysis of Freud's correspondence to Secret Committee of psychoanalysts & relation to group dynamic process, 19078
anti-Semitism & similarities & differences between Freud & Jung, 17549
application of social developmental model of bereavement to Freud's lifelong experiences with grief & critique of Freud's drive-based theory of grief, 19075
commemoration of publication of Freud's "Studies on Hysteria", 11813
commonsense reconstruction of & scientistic critique of Freudian psychoanalysis, commentary, 11812
commonsense reconstruction of & scientistic critique of Freudian psychoanalysis, commentary, 11803
commonsense reconstruction of & scientistic critique of Freudian psychoanalysis, 11799
connectionist model of conscious & unconscious mental activity in Freudian case study of hysteria, 14111
connectionist model of conscious & unconscious mental activity in Freudian case study of hysteria, commentary, 14115
conscious & unconscious interactions, therapeutic alliance & treatment outcomes, Freud & Wolf Man, 19055
constraint of unconscious fantasy by J. Lacan's sinthome vs Freud's Jewish Science, 38819
content & self analysis of Freud's Irma's Dream of 1895 as beginning of psychoanalytic theory, 11807
differences in Freud & Jung's interpretations of D. P. Schreber's Memoirs & implications for psychoanalytic method & doctrine, 40761
dramatization as major process among means of representation & dream mechanisms in Freud's "The Interpretation of Dreams", 38828
editing of Freud's letters & related issues, 19058
Freud & S. Ferenczi controversy over design of the psychoanalytic relationship, 30624
Freudian theoretical interpretation of female child sexual abuse, commentary, 4288
Freudian theoretical interpretation of female child sexual abuse, commentary reply, 4286
Freudian theoretical interpretation of female child sexual abuse, commentary, 4238
Freudian theoretical interpretation of female child sexual abuse, commentary, 4273
Freudian theoretical interpretation of female child sexual abuse, commentary, 4231
Freudian theoretical interpretation of female child sexual abuse, commentary, 4290
Freudian theoretical interpretation of female child sexual abuse, 4285
Freudian view on memories of child abuse & controversy over therapist influences & therapeutic need for balanced perspective, practitioners, 16489
Freud's & J. Lacan's psychoanalytic interpretations of repetition compulsion & death instinct, 15771
Freud's concept of death drive & repetition & interpretation by J. Lacan, 15772
Freud's difficulty in appreciating music & relation of Freudian theoretical concepts to Freud's favorite operas, 19051
Freud's explanations of Little Hans's phobia in terms of toxicological theory vs displacement vs sibling rivalry vs flight from pleasure & sexual theories of children & primal fantasies, commentary, 11817
Freud's explanations of Little Hans's phobia in terms of toxicological theory vs displacement vs sibling rivalry vs flight from pleasure & sexual theories of children & primal fantasies, commentary, 11804
Freud's explanations of Little Hans's phobia in terms of toxicological theory vs displacement vs sibling rivalry vs flight from pleasure & sexual theories of children & primal fantasies, 11808
Freud's influence on R. D. Laing & Laing's preoccupation with trauma & deception, 22636
Freud's psychoanalytic interpretation of neighbor, 38822
Freud's relationship & correspondence with E. Fluss & influence on choice of medical school, 19052
historical account of Freud's influence on & cultural adaptations of psychoanalysis, Japan, 33912
hypothesis of blind spot in Freud's countertransference in analysis of Ferenczi's patient Elma, 12890
implications for Freud's psychological explanation of religious behavior in light of his modification of his theory of neurosis & anxiety, 30591
institutional & scientific & personal relational patterns in correspondence of Freud & S. Ferenczi, 19072
interactional perspective of Freud's analysis of Dora, 3984
issues in correspondence & relationship between Freud & E. Jones, 10344
issues in relationship & correspondence between Freud & Ferenczi, 10341
issues in relationship & correspondence between Freud & Jung & analysand S. Spielrein, 10340

J. Lacan's & Freud's views on imaginary secularity & negations of religious belief, 38815
J. M. Keynes's homosexuality & problem of premature ejaculation & economic ideas & observations about Freud's work, 15756
Jung's & Freud's projections of caricatures of "Oedipus & Narcissus" & "Perseus" & "Beauty and the Beast" as different mythic attitudes toward the unconscious, 22603
Jung's & Freud's projections of caricatures of Oedipus & Narcissus as different mythic attitudes toward the unconscious & similarities between Jung's & O. Rank's exile from psychoanalytic group, commentary, 22618
mixing of symmetry & asymmetry underlying logical thought, implications for Freud's theory of unconscious, 11811
narcissism & fantasy & aggression & ambivalence in Freud's theory of preoedipal internal objects & preoedipal guilt, adult analysands, 22638
narratives & multiple meanings in & hermeneutic nature of dream interpretation, application to Freud's dream of "Irma's Injection", 22639
Oedipal themes in Freud's letter "A Disturbance of Memory on the Acropolis", 30631
overlap & divergence issues in Freud's early theorizing on hysteria & contemporary trauma theory, implications for psychotherapy, 22717
personal vs classical myth in Freud's experience at the Acropolis, conference presentation, 30601
perspectives on Freud–Ferenczi controversy & confrontation between drive-based & object-relations psychoanalytic theories, conference presentation, 26317
perspectives on Freud's leadership of Vienna Psychoanalytic Society, 27836
pets & poetry in relationship between Anna & Sigmund Freud, 15774
professional & personal relationship of Freud & S. Ferenczi & conflicts regarding independence & transference neurosis, 17538
psychoanalysis & perspectives on Kabbalah & Freud & Melanie Klein, 22604
psychohistorical & theoretical perspective on Freud's vs S. Ferenczi's conceptualizations of trauma & transference depression, 1098
psychological consequences of societal moral orientation in Freud's treatment of obsessionally neurotic Rat Man, 16572
representation & affect in interpretation & Freud's examination of "aliquis" episode, 1114
request for dream analysis & Freud's response in correspondence & Adlerian perspective, adult female, 1927, commentary, 28374
request for dream analysis & Freud's response in correspondence & J. Jastrow's position on dream interpretation, adult female, 1927, commentary, 28381
request for dream analysis & Freud's response in correspondence, adult female, 1927, commentary, 28372
request for dream analysis & Freud's response in correspondence, implications for history of psychology & experimental psychodynamics, commentary, 28382
rule of neutrality in psychoanalysis & variations of Freud's interpretation, 16582
S. Ferenczi's interpretation of Freud's dualistic position on mind body issues, 29655
S. Zizek's & Freud's interpretations of postmodern anti-Semitism & Jewish monotheism, 38823
symbiotic qualities of relationship between Ferenczi & Freud, 10337
themes & outcomes of British Psycho-analytical Society's "Freud-Klein Controversies", 1942-1944, 26315
theories of man & consciousness & history & understanding of psyche & culture, Freud & G. Vico, 37360
viability of Freud's project for scientific psychology based in neurophysiology & need for distinction between neurological vs cognitive vs psychodynamic unconscious, commentary, 11806
viability of Freud's project for scientific psychology based in neurophysiology & need for distinction between neurological vs cognitive vs psychodynamic unconscious, 11821
views of Freud's interpretation of phallic psychosexual stage, Black college students, South Africa, 1108

Freudian Psychoanalytic School—Serials

analysis of black hole phenomenon using Freudian & Kleinian & self psychology & phenomenological & interactional channels, 56 yr old female with severe narcissistic personality disorder, 1100
Freud's difficulty in appreciating music & relation of Freudian theoretical concepts to Freud's favorite operas, 19051
Lacanian vs Freudian psychoanalytic perspectives on femininity & castration & phallus, 19066
new classical models of observing-participation & mutual enactment in psychoanalysis, 3986
new classical models of observing-participation & mutual enactment in psychoanalysis, commentary, 35375
new classical models of observing-participation & mutual enactment in psychoanalysis, commentary, 35388
new classical models of observing-participation & mutual enactment in psychoanalysis, commentary reply, 35379
personal vs classical myth in Freud's experience at the Acropolis, conference presentation, 30601
relationship between the analyst's attitudes & treatment techniques in Anglo-American Freudian psychoanalysis, 32279
S. Ferenczi's interpretation of Freud's dualistic position on mind body issues, 29655

Friendship—Serials

achievement goals & orientation of students' friends toward academic effort & achievement, 8th graders, 33478
allocentrism & idiocentrism & perception of friendship, male vs female 15–18 yr olds originally from individualist vs collectivist cultures, Netherlands, 22146
application of temporal parameters to loneliness & friendship formation & dissolution & adjustment experiences, 8–15 yr old males vs females, 18607
attitudes toward intimacy in friendships, Jewish vs Bedouin 7th & 9th & 11th graders, Israel, 22095
balance of power, emotional closeness & satisfaction & liking & self-disclosure & rewards in same-sex friendships, male vs female undergraduates, 35219
behavioral & dispositional expectations for actual classroom vs prototypic best friends, male vs female 2nd & 4th & 6th graders, 29928
business friendship cognitive script & experience, successful transaction process & outcome, real estate agents, 15580
chronic dependency behaviors in friendships with other Black females, overextension of help giving, African American females, social work implications, 7540
contribution of participant observation research method to understanding friendship making, 4–9 yr olds, 21206
defensive comparison of teaching effectiveness of close friend & colleague teaching same subject matter, high school teachers, 43584
development of perceived functions of family & friends, 6–11 vs 17–26 vs 35–61 yr olds, Turkey, 7334
dyadic friendship qualities, relationally vs overtly aggressive 3rd–6th graders, 18573
dyadic negotiation or competition in potential conflict situations, friendship continuation, 8-yr-olds, 41707
early maturation & heterosexual vs same-sex friends & prepubertal vulnerability, psychological distress, adolescent females, 4 yr study, 25679
emotions & reciprocity in relationships with close friend vs younger sibling, 1st born 5 yr olds, 18629
extrarelationship intimate involvement & intrarelationship reciprocity & relationship commitment, perceived betrayal in mateships & friendships & coalitions, college students, 11661
family environment assessed by parents & friendship, child self perceptions of adjustment & well being, 4th–6th graders & their parents, Canada, 18565
frequency of alcohol use & alcohol related problems & friends' drinking, 16–20 yr old college freshmen, 3 yr study, implications for screening measure use, 23095
friendship between mediator & complainant &/or interpersonal hostility between disputants, choice of mediation strategy, university residence hall assistants, 30382
friendship, group performance in friendship vs acquaintance groups, students (mean age 28.21 yrs), 30362

friendship network density, indirect vs direct aggression, male vs female college students, 3745
friendship pair similarity & valuation of height &/vs weight &/vs age &/vs politics &/vs exercise, social group membership & desirability, male vs female & Black vs White college students, 38657
friendship processes & influence on well being, assistance for effective use of friend networks, 55–84 yr olds, intervention implications, 22162
friendship quality & self esteem, 7th & 8th graders, 5 mo study, 18579
generation & SES, size & density of kinship vs friendship networks, Mexican American vs White single mothers, 7488
goal achievement vs friendship motivation, peer group entry processes & outcomes, male vs female 10–12 yr olds, Canada, 18634
having friends & friendship quality & identity of friends, developmental significance of friendships, children & adolescents, conference presentation, 7330
high vs low stress, quality of marriage & life & immediate & extended family & friendships, 22–40 yr old married students, Australia, 11714
intervenors in disputes & criteria for intervention, parents vs friends, 7617
intimacy & conflict & affective expression & other interpersonal processes in game playing & talking & other activities, physically abused male vs female 9–14 yr olds & best friend, 8145
knowledge of in-group friendship with out-group member, intergroup attitudes, adults, test of extended contact hypothesis, 35220
lay beliefs on causes of relational satisfaction among best friends, college students, 981
mainstream vs specialized social setting, friendship formation, male normally developed children vs children with communication disorders vs cognitive developmental delays, 19440
meaning of social interactions in transition from acquaintanceship to friendship, young adults, 41982
motive & situational importance & best friend vs acquaintance relationship, acceptability of lying by self vs other, 30–40 yr old females, Netherlands, 42050
name generator & interpreter method of obtaining friend & pal & peer data, delineation of peer networks in complete network, 14–18 yr olds, Ireland, 25880
nature & development of friendship between former spouses, 38558
patient companionship & sociodemographic & clinical variables, persons accompanying patient to hospital & community response to mental illness, psychiatric outpatients, Senegal, 20170
patient sociodemographic & clinical characteristics, persons accompanying patients to hospital as community response to mental illness, psychiatric hospital outpatients, Senegal, 20169
peer & friendship factors & body dissatisfaction & weight loss behaviors & disturbed eating, adolescent females, research review, implications for prevention interventions, 31516
perceived friendship quality, prediction of school achievement & adjustment during transition to grade school, male vs female kindergartners, 5684
perception of body & issues in friendship & role of experts, physically disabled elementary school age children, 4554
perception of own & same sex best friend's femininity & dominance vs submission, female college students, 3915
perceptions of pecking order of social world & peer influence & friendship groups & smoking behavior, 11-yr-olds & 13-yr-olds, 41723
personality trait ambiguity & frienship level, self–peer agreement in personality judgment, college student roommates, 22529
personality traits & sex of one's close friends, female college students, 42051
physical & relational aggression & prosocial behavior, peer rejection & acceptance & reciprocal friendships, male vs female 3rd vs 6th graders, 22132
pre-adolescent chumship as buffer against psychopathology & weak vs strong family support & parental bonding, high school (mean age 16.7 yrs) students, Israel, 38374
prevalence of friendship & characteristics of friendship networks, unpopular vs average vs popular 5th & 6th graders, 18566
primacy of & presence vs absence of cross sex friendships, social & cognitive competence & family composition & endorsement of sex role stereotypes, Black vs White 3rd & 4th graders, 18583
probability model for clique structure in friendship networks, 6th graders, Sweden, 37561
processes of influence & antisocial behavior, 13–14 yr old males & their friends, 18553
reactions to anger-provoking situations involving best friends & casual acquaintances, 11–12 yr old & 13–15 yr old males vs females, 11480
resemblance between drawn figures of self with friend & pictorial strategies, 6–8 & 9–11 yr olds, Italy vs Bolivia vs Lebanon, 29920
self-esteem & social competence & externalizing behavior, male 7–12 yr olds with difficulties making &/or keeping friends, 7326
sex & age & personal network ties with friends & associates & workplace & family & changes in macro-social structure, urban residents, China, replication, 25995
sex & loving & liking & previous romantic involvement & friendship length as predictors of current sexual attraction with closest platonic cross-sex friend, 17–26 yr old heterosexual undergraduates, 38608
sex, perceptions of positive vs negative friendship dimensions in sports, 8–16 yr olds, 15332
sex, speech characteristics, 18–28 yr old friend dyads, 3303
sex typed behaviors of hypothetical peer, preferences for child most exemplifying stereotyped traits of own sex in friendship judgments, K–2nd vs 3rd–6th graders, 7392
sexual correctness & Christian understanding & theological acceptance & nature of adult cross sex friendships, 26001
significance of friendships & adaptation in life course, 26149
similarity in cognitive complexity & interpersonal attraction to friends or dating partners, 17–36 yr old college students, 38655
social acceptance vs rejection vs preference vs liking, friendship & popularity, 3rd vs 4th vs 5th vs 6th graders, 9944
social background information, memory for sentiment relations, undergraduates, 7615
social support or friendships, marital satisfaction & stability, husbands & wives in couples in vs not in therapy, 43015
social support via friends within vs outside of a retirement community & depression, aged adults, 40126
sociological perspective on family & marital & friendship relationships in later life, elderly, literature review, 35001
sociometric choice & peer nominations for friendship & aggression & isolation & social withdrawal, 7–8 yr olds, Italy, 41679
staff turnover & frequency of visitors & presence of close friends, depressive symptoms, nursing home residents, 20261
transformation of romantic relationship to friendship, adult lesbian ex-lovers, application of psychoanalytic relational theories, 7569
use & effectiveness of social support processes in conversations between friends about negative life events, preadolescents vs adolescents vs adults, 11432
use of toys in symbolic representation of & building blocks to friendships, growth of ego functions & precursor to latency development & use in psychotherapy, 3–6 & 10 & 15 yr olds, 11425

Frontal Lobe [See Also Gyrus Cinguli, Motor Cortex, Prefrontal Cortex]—Serials

ablation of medial agranular region of frontal cortex & neglect of contralateral stimuli, binding of striatal glutamatergic & dopaminergic receptors & spontaneous recovery from neglect, rats, 498
acute diazepam & buspirone, spontaneous & environmental stress induced noradrenaline efflux in frontal cortex, rats, 6861

acute vs chronic fluoxetine, extracellular serotonin concentrations in frontal cortex, rats, implications for role of 5-HT1A receptors, 15047
ADHD comorbid with tic disorder, frontocortical activity measured by postimperative negative variation amplitudes, 11 yr olds, 26366
age & illness duration, executive system dysfunction & positive & negative symptoms, 36–89 yr old male vs female patients with schizophrenia, Ireland, 42346
age, ability to hold 2 rules in mind & inhibit strong response tendency, 3.5–7 yr olds, implications for frontal cortex development & functioning, 737
amantadine hydrochloride, frontal lobe syndrome symptoms, brain-injured 27–50 yr olds, implications for dopaminergic use, 32447
AMPA lesions in Broca's band, performance on RT task & acquisition of conditional visual discrimination task, rats, 21679
attentional processes in target discrimination, 26–55 yr olds with frontal vs temporal lesions, 12670
attractive vs repulsive emotional charge of visual stimuli, cerebral activity in frontal & parietal lobes, 20–34 yr olds, 38013
bilateral apraxia, 63 yr old right-handed female with damage to right mesio-frontal area, case report, 39527
bilateral lesion of globus pallidus & dysfunction of frontal cortical area, amnesia & loss of psychic self activation, 52 yr old female, case report followed over 10 yrs, 23449
bilateral thrombotic lesions in frontal cortex, water-maze acquisition, male rats, animal model of stroke, 41354
brain phosphorus metabolism in frontal lobe & anxiety, 18–50-yr-olds with vs without panic disorder, 31118
cerebellar hypoplasia & frontal lobe cognitive deficits, 10–23 yr old autistic patients vs 10–16.7 yr old survivors of childhood acute lymphoblastic leukemia, 30659
cerebral glucose metabolism, cortical & subcortical circuits based on theoretical models, never-medicated schizophrenics, 7970
chronic desipramine vs mianserin, noradrenaline vs acetylcholine vs high potassium induced intracellular calcium, frontal cortical neurons, rats, 25614
clinical & anatomical & histological characterizations in nosology of fronto-temporal dementia, literature review, 1606
clinical profile of pseudodepression with mental inertia vs pseudopsychopathy with impulsivity personality syndrome, 7-yr-old female with focal left-frontal lesion, clinical case report, 23384
cognitive & memory deficits underlying confabulation, 48-yr-old male with anterior communicating artery aneurysm, 39516
cognitive deficits due to aging vs focal frontal lesions, conditional associative learning, 18–38 vs 63–83 yr olds, Canada, 36108
combined lesions of frontal eye field & superior temporal polysensory area vs inferior temporal cortex, visual saccades vs fixation vs smooth pursuit eye movements, monkeys, 25486
confabulation & frontal lobe function & impaired perfusion of medial diencephalic & orbital & medial frontal cortex, female 32 yr old with alcohol induced Korsakoff's amnesia, case report, 12585
correct motoric CR to tone, delayed food reinforcement & changes in neuron activity in frontal cortex, dogs, translated article, 10968
current clinical view of ADHD & model incorporating prefrontal lobe executive functions that explains associated cognitive & behavioral deficits, 42588
damage of dopaminergic & serotonergic systems, description of mental state & neuropathology of frontotemporal dementia, 38 yr old female, case report, 4688
decreases over time in cerebral blood flow function in frontal lobe & other cortical regions, cognitive performance, 65–89 yr olds with confirmed or probable Alzheimer's disease, 12589
degree of frontal lobe atrophy, negative symptoms, 18–60 yr old alcoholic male inpatients, 31334
development of vertical & superior frontal lobes & appearance of vertical-subvertical lobe tracts & resorption of inner yolk sac, postembryonic maturation of predatory behavior, cuttlefish, 37964
dopamine & serotonin & metabolite levels in frontal cortex & striatum, autopsied cocaine users, 12238
dorso-lateral prefrontal cortex vs orbito-frontal cortex dissociation measured by Wisconsin Card Sorting Test & Object Alternation Test, inpatients with obsessive–compulsive disorder vs schizophrenia, 35445
dot stimulus configuration, oculomotor scanning, 23–63 yr olds with unilateral posterior parietal vs frontal lobe damage, 36166
dual task performance, behavioral dysexecutive syndrome, adults with frontal lobe brain damage, 23364
dysfunctional ventromedial frontal lobe, family & friends' reports of verbal vs physical aggression & violence & effect on work & family, Vietnam veterans who had penetrating head injuries, 12616
early affective experiences & maturation of orbitofrontal cortical systems, development of affect regulation & psychopathology, infants, 7865
EEG assessed disruption of left frontal & temporal connections & level of syndrome symptomology, 20–54 yr old schizophrenic patients, Canada, 39054
effectiveness of neuropsychological assessment of frontal lobe pathology in identification of learning disabilities, learning disabled vs nonlearning disabled 7–12 yr olds, 4419
executive function & cognitive phenotype & development of prefrontal lobe functions, 8.8–12.2 yr old females with X0,45 vs mixed genotype of Turner's syndrome, 8497
expression of mRNAs for NMDA receptor subunits in prefrontal & parieto-temporal & cerebellar cortex, schizophrenic patients, 12016
extent & pattern of tissue volume deficit & cerebrospinal fluid volume enlargement, 26–44 yr olds vs 45–63 yr olds with alcoholism, 35816
false recognition of visual vs auditory vs pseudoword vs pictorial stimuli, male 66 yr old with right frontal lobe infarct, implications for encoding & retrieval processes in episodic memory, 1622
family patterns of gyral morphology in posterior perisylvian region, 5–13 yr olds with developmental language disorder, 16130
flupenthixol vs ritanserin pretreatment, clozapine binding to D1 dopamine & 5-HT-2 & other receptors in dorsolateral & medial frontal cortex, healthy adults, 6974
forgetting rates over intervals in organic amnesia, adult patients with focal temporal lobe vs diencephalic vs frontal lobe lesions, 36102
frontal & parietal EEG activity, 13–15 mo old infants with depressed vs nondepressed mothers, replication, 26445
frontal & posterior association cortex interactions, role of conditional learning & corollary discharge & remembered representations in computational mechanisms theory of mind ability, animals & humans, 461
frontal choline acetyltransferase & superoxide dismutase & glutathione peroxidase activity & malondialdehyde & o-tyrosine, postmortem brains of elderly with Alzheimer's disease or Down's syndrome, 11842
frontal cortex blood flow & negative symptoms, 24–40 yr old unmedicated schizophrenic patients, 19221
frontal EEG asymmetry & sociability, maladaptive behavior, 4 yr olds interacting in play quartets, 7325
frontal hemisphere EEG activity & neuropsychological testing, prediction of antisocial personality disorder & self ratings of childhood behavior problems, 21–25 yr old males with antisocial traits, 12112
frontal lobe & autonoetic consciousness, episodic memory, adults, 25322
frontal lobe & lateral ventricular & total cerebral volume anomalies, 6–17 yr olds with depression, 12006
frontal lobe & learning & memory test identification of brain dysfunction, patients with frontal vs nonfrontal vs no infarctions secondary to ruptured intracranial arterial aneurysm, 36048

frontal lobe & thalamostriatal & motor neuron neuropathology & asymmetrical types of frontotemporal dementia & characteristics of personality change & disinhibition & apathy, postmortem study review, 4672
frontal lobe damage, everyday social problem solving, 20–83 yr olds with frontal lobe lesions vs dementia, 16319
frontal lobe N-acetylaspartate, patients with schizophrenia (mean age 35.7 yrs), 30956
frontal lobe volume, frontal lobe functioning, adults (mean age 70.5 yrs) with age-associated memory impairment, 31791
frontal lobe vs posterior lesions & concurrent phenylalanine level, cognitive functioning, 17–39 yr olds with phenylketonuria, 8491
frontal premotor cortical functional anatomy of prelearned sequences of horizontal saccadic eye movements at rest vs during execution vs repetition, male 21–27 yr olds, 10994
frontal vs non-frontal ERP indexes during Wisconsin Card Sorting Test activation, college students (mean age 20.5 yrs), 29404
functional imaging of role of frontal & striatal & temporal areas & receptor function in schizophrenia, literature review, 4192
functional magnetic resonance imaging of frontal lobes, language lateralization, 8.8–17.5 yr olds with partial epilepsy, 34043
general intelligence & memory & frontal lobe functioning, response to reinforcement & extinction & time-out as psychosocial disturbance management, brain-injured patients, 31732
habituation & novel stimuli & conditioned fear, UCS production of frontal cortical & hippocampal acetylcholine, rats, implications for basal forebrain involvement in attention, 6758
increased manganese & copper superoxide dimutase activity in postmortem frontal & temporal lobes, 29–52 yr olds with psychosis, implications for etiological role of free radicals, 12054
injections of phencyclidine vs MK-801 vs 3-((+)2carboxypiperazin-4yl)propyl-1-phosphate into various sites of nucleus accumbens & frontal cortex, lever press behavior, rats, 6846
inositol & inositol monophosphatase levels in frontal & occipital cortex & cerebellum, postmortem brains of 29–86 yr old suicide victims & patients with bipolar disorder, 42165
integrative functions of frontal association cortex with magnetoencelphalography, 22–65 yr olds, 29358
intracerebral phospholipase A2, apomorphine induced circling behavior, rats, implications for breakdown of phospholipids & resultant hypodopaminergy in frontal cortex in schizophrenia, 6841
intrusive thoughts at seizure onset & desire to vocalize & orobuccal movements & speech arrest, 29–56 yr olds with neoplastic or vascular left frontal lesions, case reports, 12643
item recognition & estimation of word occurrence frequency, 20–56 yr old patients with frontal lobe lesions, 31803
L-dopa with benserazide, semantic priming in lexical decision task, 20–43 yr olds, test of dopamine modulation hypothesis of increased signal-to-noise ratio in frontal lobe semantic network, 6949
lesions to angular gyrus & left frontal eye field, shifts of spatial attention & saccades, male 74 yr old with 1st stroke spatial neglect disappearing following 2nd stroke, case report, 19661
levels of kynurenic acid & activities of kynurenic acid synthesizing enzymes kynurenine aminotransferase I & II in postmortem frontal & temporal cortex, 46–69 yr olds with Downs syndrome, 19462
long-term food restriction, density of serotonin transporters in frontal cortex, young vs old male rats, implications for etiology of eating disorders, 34613
memory for temporal order reconstruction of semantically related vs unrelated word lists under intentional vs incidental learning conditions, 67–76 yr olds with frontal lobe lesions, 23434
memory performance, brain damaged 40–64 yr olds vs healthy 20–39 vs 40–64 vs 65–79 yr olds, test of frontal lobe dysfunction hypothesis of age-related decline in memory, 4711
midline cerebral morphology, 49–86 yr olds with frontotemporal dementia vs Alzheimer's disease, 36100
Milwaukee Card Sorting Test scores, test performance & delineation of frontal lobe executive ability, 46–90 yr olds with vs without neurological disorder, 14346
minimized activation of preexisting schemata, rule detection performance, adults with frontal lobe lesions, UK, 16310
monoamine & metabolite & tryptophan concentrations in frontal cortex & hypothalamus & gyrus cinguli, suicide victims, Sweden, 35709
MRI abnormalities in frontal vs temporal lobes vs posterior cerebral hemispheres, 20–55 yr olds with chronic schizophrenia or schizoaffective disorder, 26525
nature & extent of frontal lobe dysfunction, 21–40 yr old patients with closed head injury in post acute phase, 12612
neuroimaging & behavioral abnormalities & neuropsychological results, 62 yr old female with dementia of frontal lobe type, case report, 8653
neurophysiological & neurobehavioral & neuropsychological functioning of orbital frontal cortex & relation to obsessive compulsive disorder, humans & nonhuman primates, 503
neuropsychological assessment sensitive to frontal lobe dysfunction, assessment of cognitive deficits, 18–65 yr old patients with obsessive-compulsive disorder, 26578
palilalia & unilateral spatial neglect from lesion following subcortical hemorrhage in frontal lobe, 55 yr old male, case report, 16347
performance on neuropsychological tests & frontal lobe & implicit &/or explicit stem completion, healthy 66–87 yr olds, 21684
performance on putative tests of frontal vs temporal lobe memory functions, subclinical compulsive checkers vs non-checkers, clinical implications, 1321
prevalence of orthostatic hypotension & heart disease & low blood pressure & falls & fractures, patients with Alzhemer's disease vs frontotemporal dementia vs vascular dementia, 31854
psychiatric manifestations relating to mood disorder & drug therapy & frontal lobe dysfunction, patients with multiple sclerosis, letter, 31894
psychotic symptoms & frontal lobe impairment & psychiatric ward situational factors, emergence & persistence of violent behavior, psychiatric inpatients, 43423
quinpirole vs amphetamine vs SKF 82958 induced locomotor activity & stereotypy, female rats with lesions of hippocampus vs basolateral amygdala vs frontal cortex vs nucleus accumbens, 25493
radiofrequency lesions of thalamus vs frontal cortex, spatial learning & memory, male rats, 6626
recognition memory & high false remember response rate, 67 yr old man with right frontal lobe lesion, 39492
recognition of sarcasm & Gricean & Echoic models of irony, frontal lobe damaged 18–55 yr olds, 8625
recordings of taste responsive neurons in orbitofrontal cortex to astringent taste of tannic acid vs other tastes, male rhesus macaques, 21627
regional & laminar synaptic density, postmortem brains of 51–77 yr olds with frontal lobe degeneration of non-Alzheimer type, 12636
regional cerebral blood flow & neuropsychological performance, 41–77 yr olds with probable frontotemporal-type dementia, 31762
regional cerebral blood flow during Wisconsin Card Sorting Test & sensorimotor task performance, 22 yr old male monozygotic twin with frontal lobe damage, 1589
regional cerebral blood flow in frontal & temporal lobes during neuropsychological tasks & role of local circuit neurons in pathophysiology of schizophrenia, 1962–94, research review, 1270
relative frontal or parietal hypoperfusion, quantified EEG & SPECT abnormalities in brain regions, elderly with dementia, 4700
representation of object-centered space in frontal lobe, monkeys, 29341

risperidone vs antipsychotics vs alpha2 vs 5-HT receptor antagonists, central 5-HT system activity, rat frontal cortex & raphe nucleus, schizophrenia & schizoaffective disorder treatment implications, 34666
role of frontal cortex in dissociation between visual perception of object & awareness of object's inherent spatial & nonspatial information for mediating visuomotor control of accurate movements, 224
semantic processing, implicit & explicit conceptual memory test performance, 61–77 yr olds with frontal lobe lesions, 26977
sensitivity of Modified Card Sorting Test & equivalence with Wisconsin Card Sorting Test, patients with vs without frontal lobe dysfunction, literature review, 107
sensitivity of 5-Point Test to frontal lobe dysfunction, assessment of nonverbal figural fluency, patients with neurological disease vs psychiatric disorders, 23430
serial RT & mirror reversed vs unreversed tracking tasks, 43 yr old female with circumscribed lesion to supplementary motor area of left mesiofrontal cortex, case report, 23358
sex, spatial maze performance, rats given medial frontal lesions, 14848
social & interactive behaviors & frontal activation asymmetry, 4.1–5.2 yr olds, reprint, 29872
spatial temporal dipole model analyses of neuronal activity involved in P300 activity for target vs novel events, frontal lobe location, adults, 14937
spatial working memory & strategy formation, 19–69 yr olds with frontal lobe excisions, 16358
stimulus attributes & distractor load, visual search & attention, male 67 yr old with right frontal lobe infarction & visual neglect vs female 71 yr old with fronto-parietal lesion, case reports, 36095
stimulus change & load during auditory target detection task, frontal & prefrontal-limbic P300 ERP indices of information processing, patients with panic disorder, 8019
symptomatological differences, 48–78 yr olds with frontotemporal dementia vs vascular dementia with dominant frontal lobe syndrome, 39557
tomography assessment of blood flow in right frontal & parietal cortex, attention on auditory continuous vs repeat tasks, male 42–46 yr old combat veterans with PTSD & comorbid substance abuse, 8043
treatment with 3-nitropropionic acid, frontostriatal pathway integrity as assessed with object retrieval detour task, baboons, model of Huntington's disease, 6658
verbal regulation of movement, movement initiation, male 53 yr old with supplementary motor area syndrome secondary to dominant supplementary motor area lesion, 2051
5-HT1A receptor binding in orbital frontal cortex, postmortem brains of schizophrenic patients, implications for hypothesized abnormal glutamatergic innervation in schizophrenia, 4183

Frustration—Serials
behavioral traits, training & task performance, stumptailed macaques, 21567
continuity & stability & change in reactivity & regulation during frustrating situation, male 5 mo olds, longitudinal study, 11427
frustrating & problematic patient behaviors & attributes, family physicians, 13620
hostility & hearing protection behavior & protection motivation theory components & low frustration tolerance, male industrial workers exposed to potentially hearing-damaging noise, 5794
repeated stressor & level of importance & frustration & appraisal, approach vs avoidance coping behavior, 24–57 yr olds, 1 yr longitudinal study, 7717
self-control & frustration & emotionalism & precipitating incidents in theory of riot participation, 15393
sex, reactions to frustration, 6–9 vs 14–17 yr olds, India, 7347
temperament & arm restraint & toy removal frustration, heart period & cardiac vagal tone, infants evaluated at 5 & 10 & 18 mos, 709

Fulfillment [See Satisfaction]
Functional Knowledge [See Procedural Knowledge]

Functionalism—Serials
emergent models of supple dynamics in mental functionalism in artificial intelligence, 40714
integration of ecological psychology & functional explanation as alternative to internalist theories on concept of mind, commentary, 34227
integration of ecological psychology & functional explanation as alternative to internalist theories on concept of mind, commentary reply, 34219
integration of ecological psychology & functional explanation as alternative to internalist theories on concept of mind, 34220
J. Wakefield's view of mental disorders in terms of functional & evolutionary concepts & contribution of value elements to psychiatric nosological categories, commentary, 7863
J. Wakefield's view of mental disorders in terms of functional & evolutionary concepts & contribution of value elements to psychiatric nosological categories, commentary reply, 7877

Fund Interper Rela Orientat Beh Ques—Serials
concurrent validity of Five Factor Personality Model & FIRO-B & Learning Style Questionnaire, managers & employees, 10394
correlation between Kirton Adaption Innovation Inventory, assessment of cognitive style & interpersonal needs professional adults, UK, 40850
FIRO-B Wanted Inclusion & Affection & Total scores, discrimination of successful graduation from peer-culture residential program, male 13–17 yr olds with behavior disorders, 20264

Fundamentalism—Serials
fundamentalism & prediction of suicide & homicide rates, 4264
intrinsic & extrinsic & quest religious orientations & social desirability & fundamentalism, psychological & spiritual well being, college students, 15411
marital satisfaction & communication patterns, homogamous vs heterogamous fundamentalist Protestant couples, 913
religious beliefs & doubts, college students with low vs high religious fundamentalist ideals, 7448
religious fundamentalism, attributions regarding unemployment problem scenario among homosexual vs single mother vs student target group & attitudes toward intergroup helping, adults, Canada, 42019
value differences underlying theological objections to Christian counseling, evangelical Protestants, 36554
world view, fundamentalist vs nonfundamentalist Muslims, US & Lebanon, implications for rational choice theory, 26002

Funding—Serials
assertive continuous treatment program & consolidated funding & capitation in integrated service agencies, client outcomes, mentally ill patients, 9351
clinical activity & ethical & practical & funding issues in pilot project for assessment & hospital admission, male mentally disordered remand prisoners, England, public policy impications, 40217
extent & characteristics of published psychiatric research carried out without external funding, medical schools, US & Canada, 40993
external funders & museum curators & other stakeholders' conflicting pressures, popular vs accessible vs scholarly aspects of art exhibitions, art museums & their managers, 10088
factors affecting residency program choice, applicants interviewed for yr 1 psychiatry positions, 1989–93, implications for decreased funding for psychiatry training positions, 13559
fiscal frameworks & equality policy, organizational quality & level of expenditure on special education, 7th–9th graders, Norway, 13863
grant funds for urban historically Black college in partnership with Head Start centers, Head Start coordinators pursuing BA degree in early childhood education, 33409
guidelines for writing proposals to obtain research grants, 20400

Home & Community-based Waiver Program, trends in Medicaid fund allocation, persons with developmental disabilities, 2020
housing & vocational facilities provided by rehabilitation organizations & funding, schizophrenic patients, France, 16956
income tax checkoffs for funding child abuse prevention programs & patterns of donations, 1991–92, 5234
interstate variation in SAT & ACT scores & positive relation between public expenditures & states student achievement, 9933
National Institutes of Health & government funding for behavioral research, 20389
objectives & processes of grant funded vs commercial pharmaceutical development of pharmacological interventions for alcohol use disorders, 2079
peer review process of & strategies in applying for research funding from National Institute of Mental Health, grant support research applicants, 33158
reexamination of theories & assumptions & practices of & proactive development of public policy & funding for lifelong career development & counseling, commentary, 10036
social service needs & possible effects of changes in federal funding, HIV positive mothers & their children, 32900
traditional vs performance based monitoring of long term vs newer purchase of service contracts for State financing of community based mental health services, 20225
Funerals [See Death Rites]
Future—Serials
achievement motivation & sports related future orientation, sports careers, 16–19 yr olds, Norway, 43847
age & gender & regional differences, responses to Dutch version of Prediction of Future Events Scale, adults, Netherlands, 7702
applications of field theory in mass studies, values & anxieties & attitudes toward future, college students, Russia & Estonia, 18974
development of Future Anxiety Scale, measurement of personality tendencies in apprehension & fear of unfavorable changes in remote personal future, 2565
future directions for encounter of relational psychoanalysis & religion, 36374
future life events expectancies & positive & negative affect, affective & anxiety treatment clinic patients, application of Helplessness/Hopelessness model of anxiety & depression, 32867
future residential & financial provision, 41–89 yr old primary carers of 40–77 yr old relatives with intellectual disabilities living in their home, 36749
issues in future of personality psychology, 15755
issues in managed care & impact on future of psychiatry, commentary, 36689
issues in managed care & impact on future of psychiatry, commentary, 36682
issues in managed care & impact on future of psychiatry, 36668
J. Habermas' theory of systems & lifeworlds & general conflict, current & future trends & cultural change in American society's postindustrial structures & postmodern culture, 11531
mental time travel through reconstruction of past & imagination of future, humans vs nonhuman animals, 34243
past vs present vs future orientation, future expectations & attitude toward importance of college life, college students, Japan, 17211
recommendations for future development of personality psychology, 15754
theory of unconscious mental life & predictions for 2nd century of psychoanalysis, 1123
vision for future of Christian counseling through redemption of psychology & business & managed care & partnering with church, 36561
WHEN model of question answering about future events in context of 12 mo calendar year expressed as temporal interval between present time & time of future event, college students, 14595
Fuzzy Set Theory—Serials
application of fuzzy set theory to marketing scale allowing responses with degrees of membership in more than 1 response category, college students, 126
application of user modeling & fuzzy techniques in computerized selling using electronic sales assistant & usability in hypertext like information systems, 20888
development & evaluation of fuzzy linguistic model for prediction of risk for carpal tunnel syndrome in occupational settings, 24–72 yr olds, 40685
development of linguistic choice process for group decision making using concepts of fuzzy majorities & nondominated alternatives, 18842
fuzzy clustering model based on aggregation operators to define degree of simultaneous belongingness of object pairs to cluster, 2725
linguistic modeling within fuzzy set theory of consensus in group decision making, experts, 18837
review & fuzzy model of contrafreeloading, animals, 37883
use of multiple cue integration paradigm to test ability of fuzzy logical model of perception to account for direct & indirect retrieval performance across study & test conditions, college students, 18005
GABA Agonists [See Gamma Aminobutyric Acid Agonists]
GABA Antagonists [See Gamma Aminobutyric Acid Antagonists]
Galanin [See Peptides]
Galvanic Skin Response—Serials
electrodermal activity & EMG responses to bimanual tasks & imagery & request to execute actions, hemiplegic anosognosic patient, implications for unconscious motor activation, 8603
electrodermal responses to distress cues vs threatening vs neutral stimuli, psychopathic males, England, 26714
evoked brain potentials & electrodermal activity & parenting, patients with schizophrenia vs cluster A personality disorders vs normals, implications & guidelines for cognitive therapy, 30801
imipramine or reboxetine vs paroxetine treatment, electrodermal activity & heart rate, inpatients suffering major depressive episodes, 19921
intermodality change stimulus & habituation & training trials, electrodermal orienting & allocation of processing resources, 17–41 yr olds, 6798
maternal exposure to influenza & cold in pregnancy, electrodermal activity of 3 yr olds whose mothers were exposed vs not exposed to influenza & cold in pregnancy, 41408
nomenclature & instrumentation & recording procedures & units of measurement in measurement of electrodermal activity, implications for standardization of methodology, 21772
pleasant vs unpleasant & high vs low arousal pictorial stimuli, startle responses of eyeblink reflexes & skin conductance levels, adults, 14974
presence of coactor vs audience others in neutral vs aversive situations, arousal measured by self-report & electrodermal responses, meta analysis, 38062
psychopathology index of MMPI & electrodermal responses, 18–68 yr old patients with affective disorders, 26469
relationship between electrodermal lability & personality dimensions, patients with anxiety vs panic disorder with vs without agoraphobia, 22896
self induced mental imagery & age & sex, cardiac rate & skin temperature & electrodermal activity, 5–15 yr olds, 11360
short vs long latency for the GSR response, electrodermal & cardiovascular activities, 5th & 6th graders, Slovakia, 38270
threat vs neutral word stimuli, initial eye fixations & orienting & electrodermal responses, patients with PTSD, 4197
unconditioned stimulus modality & intensity, blink startle & electrodermal responses, 17–53 yr old college students, 41407
Gamblers Anonymous [See Twelve Step Programs]
Gambling [See Also Pathological Gambling]—Serials
age & sex, gambling behavior, 4th vs 6th vs 8th graders, cognitive developmental perspective, 3357
arcade behavior, slot machine gamblers, England, 33727

attractiveness of gambles & preference inferred from pricing & rating vs choice, preference reversals for equal probability gambles, adults, 6306
branch independence violations in judgment of gambling outcomes, college students with buyer vs seller viewpoint, 28834
casino use & gambling behavior, college students, 2343
choices & ratings of strength of preference between gambles, college students, test of interval independence vs configural weighting in utility theory, 37694
consequence monotonicity & uncertainty, gambling choice behavior, college students, 21373
decision complexity, performance in decision making under risk, adults, application of horse race betting data, UK, 2802
factors in support of legalization of certain drug & sexual & gambling activities, adults, 22197
frequency of & early onset of gambling involvement & experiences & problematic gambling behaviors, American Indian vs non-Indian 14–19 yr olds, impact of gambling availability, 19314
gain vs loss & payoff probability & presentation mode, perception of & choice preferences for linguistic vs numeric risk in lotteries, adults, 17427
high vs low self determination, degree of involvement in gambling, males vs females, Canada, 2342
issues in & cognitive & self-help & behavioral & controlled therapies & psychotherapy for pathological gambling, bibliography, 12784
model & estimation of complexity, high vs low risk decisions on horserace betting, adults, UK, 43856
monotonicity violations in choice of gamble vs fixed amount of money, college students, replication, 17887
motivation, misconceptions about random sequences of heads & tails, undergraduates (mean age 22.1 yrs), Canada, implications for gambling behavior & principle of independence of events, 17928
negative affect & coping skills, formerly homeless substance abusing military veterans with gambling problem, 12140
preference reversals for equal probability gambles, adults, commentary reply, 6307
preference reversals for equal probability gambles, adults, commentary, 5911
quantitative synthesis approach & strategies to standardize nomenclature, prevalence of gambling problems, 13–20 yr olds, meta analysis, Canada & US, 4291
representativeness in market for bets on National Football League games, 6346
residence on or near reservation, problematic & pathological gambling behaviors, American Indian vs non-Indian adults, 19315
risk attitudes & portfolio choices & lottery participation & validity of hypothetical risky choice questions, 16+ yr olds in representative vs high income group, Netherlands, 24830
selective hypothesis testing in probability overestimation & gambling, college students, 28850
sex, gambling & problem gambling, 18 yr olds & older, 4259

Game Theory—Serials
analysis of 1989 Chinese student movement's development & outcome, application of game theory, 30014
claiming effect & player cooperation in sequential social dilemmas vs ultimatum bargaining games, college students, 30366
determination of first mover, sequential bargaining, economics & business administration students, Sweden, implications for game theory, 2832
fixed sets under best reply correspondence, solution to games with expected utilities with rank dependent probabilities, 2724
hyper-rational decision making & game theory, Wall Street bond traders, 17880
intra-alliance bargaining model based on game theory, application to US–Bosnia policy 1991–1995, 22330
manipulation of Allocator vs Recipient offers during modified Ultimatum game, expectation & fairness satisfaction of equitable allocation, adults, Israel, implications for game theory, 22441
motivation by fairness & envy & altruism & selfishness in ultimatum game, lawyers, implications for economics, 978
role of individual rationality considerations in learning to coordinate social conventions, 2809
visible vs nonvisible green sunfish predators & companion fish & mirror treatments, Tit for Tat & predator approach behavior, individual & pairs of female mosquito fish, replication, 21588

Games [See Also Chess, Childrens Recreational Games, Computer Games, Prisoners Dilemma Game, Simulation Games] —Serials
claiming effect & player cooperation in sequential social dilemmas vs ultimatum bargaining games, college students, 30366
community governmental policy toward sale & use of illegal drugs seminar game, national & community drug policy makers, implications for using psychological principles of peace & conflict, 18666
cooperation in intergroup vs 2- vs 4-person games of chicken, male undergraduates, Israel, 35198
cooperative game intervention, group cooperation & socio-affective relations, 6–7 yr olds, Spain, 22102
efficacy of monopoly for building mnemonic memory, psychology college students, 5614
extensive form zero sum poker games with imperfect & asymmetric information, randomization of pure strategies & adaptive learning, informed vs uninformed college students, 21441
"internal game" approach as model of drug addiction, implications for rational choice theory, commentary, 23058
"internal game" approach as model of drug addiction, implications for rational choice theory, 23050
learning & instructional foundations of sport & games, 9886
learning deception skills in game-play context, 9–14 yr olds with autism, 26770
pathological gambling symptoms & guilt & mood, 20–39 male vs female game machine users, Australia, 43857
personality traits & paranormal beliefs & interest in satanic practices, adult male fantasy role-playing gamers vs satanic dabblers, 30067
play & game as metaphors for maternal–infant relationship & preoedipal psychodynamic aspects of psychoanaltyic technique, 15766
School Behaviour Game as a measure of children's perceptions of school, problematic vs non-problematic 8–11 yr olds, implications for guidance & counseling, 40932
"Stack-the-Deck" table game, social skills training & generalization, institutionalized mildly & moderately mentally retarded 16–17 yr olds with behavior problems, 16543
structural constraints & social component of sequential resource dilemma game, position effect in request behavior & decision making, college students, 35199
use of games & workbooks in cognitive behavioral therapy with elementary school children reluctant to undergo counseling, implications for school counselors, 33571
within-group communication, group decision & individual choice in assurance & chicken team games, male college students, Israel, 980

Gamma Aminobutyric Acid—Serials
acute dose of phenelzine, plus-maze induced anxiety & brain GABA levels, male rats, 7022
androgenic neurosteroid activity at GABA receptor complexes, sexual receptivity, ovariectomized rats, 6895
baclofen vs bicuculline attenuation of effects of antidepressants, immobility in forced swim test, rats, implications for role of GABA B receptors in action of antidepressants, 15067
barbiturates, molecular & GABA-A receptor actions, tolerance & dependence, rats, 21861
binding at forebrain sites of GABA-benzodiazepine receptor complex, quail selectively bred for short vs long tonic immobility responses to manual restraint, 15046
candidate gene linkage study of GABA type A receptor subunits, panic disorder pedigrees, Iceland & US, 42363
cholecystokinin neuronal system & interactions with GABA & 5-HT & role in anxiety, literature review, 1943–96, 29382

chronic exercise, open field locomotor activity & GABA-A binding in corpus striatum & urination & defecation, male rats, 10943
continuous FG 7142, anxiety during elevated plus maze & benzodiazepine/GABA receptor coupling response to challenge dose of FG 7142, male rats, animal model of anxiety, 15009
dianabol, cerebral cortical GABA receptors & relation to pro-aggressive & anxiolytic behavior, rats, 571
diazepam challenge, plasma levels of GABA, 18–25 yr old sons of alcoholic fathers, 12215
diazepam, conductance of GABA channels activated by low concentrations of GABA, rat cultured hippocampal neurons, 38094
D4 receptor subtype clozapine, GABAergic modulation of excitatory transmission in cortical & thalamocortical & extrapyramidal pathways, monkeys, implications for schizophrenia treatment, letter, 3256
estradiol benzoate, effects of progesterone & other neuroactive steroid on pain thresholds through action at GABA receptors, female rats, 3214
excitatory & inhibitory GABAergic neuronal activation in whisker/barrel cortex during normal behavior, hamsters, 41342
flurazepam withdrawal, GABA type A receptor function, rats, 34693
GABA agonist muscimol vs GABA-A antagonist bicuculline in medial hyperstriatum ventrale, amnesia & retention in passive avoidance task, day-old chicks trained with strong vs weak aversants, 11117
GABA in suprachiasmatic nucleus, circadian behavior & resetting circadian clock, hypothalamic slices from rats, 34589
GABA interacting neurosteroids, decrease of pentobarbital sleep, socially isolated vs group-housed male mice, 11167
GABA transaminase or reuptake inhibitors & GABA agonists, sexual motivation vs receptivity vs exploratory behavior, female rats, 25555
gamma hydroxybutyric acid pretreatment, severity of naloxone-precipitated opiate withdrawal, 23–42 yr old male opiate dependent inpatients, 8276
glutamate deficiency & GABA function hypotheses of neuropathology in schizophrenia, 42315
interaction between zopiclone & GABA-A receptor binding & sensitivity, research review, 1977–95, conference presentation, 3209
intra-amygdala injections of GABA agonist vs antagonist, memory for reward magnitude, rats, 21697
mesolimbic dopaminergic systems & GABA-A & NMDA receptors in alcohol dependence & withdrawal & intake & tolerance, literature review, 12230
molecular genetic methods for delineation of role of GABA type A receptor complex & GABA transmission, genetic variation in behavioral responses to ethanol, literature review, 3030
muscimol induced changes in responses to FR reinforcement using ethanol vs sucrose, male rats, implications for role of ventral segmental area GABA A receptors, 6925
neuropeptide Y receptor ligands, punished responding behavior in conflict test & modulation by GABAa receptor ligands, male rats, animal model of anxiety, 41439
neurosteroidal modulation of GABA-A & mitochondrial diazepam binding inhibitor receptors, immobilization stress-induced antinociception & anxiety & ascorbic acid & motor activity & toxicity, male mice, 18328
olfaction & GABAergic neurotransmission in olfactory bulb & modulating role of steroids & effect on intermale aggression, mice, conference presentation, 10952
opioid & GABAergic & serotonergic mechanisms in dorsal raphe nucleus, inescapable shock-induced potentiation of antinociceptive responding to low-dose morphine, male rats, 38163
piracetam & aniracetam, antinociception induced by baclofen & bicuculline & picrotoxin & baclofen induced muscle relaxation, mice, implications for inhibition of GABA B receptors, 6899
plasma GABA levels, 2–21 yr olds with Prader-Willi syndrome or Angelman syndrome, 19438
pregnanolone vs allopregnanolone vs alphaxalone vs 5 beta pregnanediol & reversal with steroid antagonists, food intake & hyperphagia, male rats, role of GABA receptor, 6852
pregnenolone vs pregnenolone sulfate vs dehydroepiandrosterone vs dehydroepiandrosterone sulfate, working memory & memory impairing effect of ethanol, male mice, 3252
prenatal ethanol exposure, parvalbumin-expressing GABAergic neurons of medial septum, adult rats, implications for fetal alcohol syndrome, 41497
pretreatment vs posttreatment plasma GABA, response to divalproex sodium vs lithium, 19–58 yr olds with bipolar disorder in acute manic episode, 16647
prolonged acoustic exposure, induction of c-Fos expression in GABA positive somata in cochlear nucleus as seen with double labeling technique, gerbils, 14980
reduced GABA/benzodiazepine receptor sensitivity to benzodiazepines, 30–45 yr olds with PMS, 31633
reinforcing effects of GABA A receptor blockade, self infusion of picrotoxin into ventral tegmental & adjacent areas, rats, 29305
rewarding properties of putative neurotransmitter gamma-hydroxybutyric acid in conditioned place preference paradigm, male rats, 41490
serotonergic & GABAergic agents, oral stereotypies & standing & preening & drinker directed activity & pacing, female food restricted breeder fowls, 6955
stress & dopamine-GABA interactions, hypothesized environmental &/vs genetic vulnerability for & etiology of schizophrenia, 42307
test of hypothesized relationship between abnormalities in parvalbumin-containing subclass of neurons & altered GABA neurotransmission in prefrontal cortex, patients with schizophrenia, 39068
tiagabine blockade of GABA uptake, mood & quality of life & cognitive effects, 16–77 yr olds with focal epilepsy, 36614
zolpidem vs bretazenil vs ZG-63 vs loreclezol vs diazepam, motor impairment & ligand binding & benzodiazepine agonist action at GABA-A receptor subunit, alcohol tolerant vs alcohol nontolerant rats, 11226

Gamma Aminobutyric Acid Agonists [See Also Muscimol]—Serials

acamprosate administration, alcohol deprivation effect in operant free choice paradigm, rats given continuous vs limited ethanol access, 41471
acamprosate, alcohol abstinence, newly detoxified alcohol dependent 21–65 yr olds, Germany, 48 wk followup, 2074
acamprosate pharmacotherapy for alcohol dependence, 5062
administration of GABA agonists in nucleus accumbens shell, feeding behavior, satiated rats, 41525
baclofen, spatial learning & activity & thigmotaxia, male rats, 6995
GABA agonists & PCP & bicuculline, muscimol-like discrimination, male rats, 25580
GABA transaminase or reuptake inhibitors & GABA agonists, sexual motivation vs receptivity vs exploratory behavior, female rats, 25555
gaboxadol, nocturnal & REM & NREM sleep, 22–31 yr old males, 29537
guvacine vs nipecotic acid vs clonazepam, posthypoxic myoclonus & subsequent tolerance, male Sprague-Dawley rats, animal model of cardiac arrest, 29564
intra-amygdala injections of GABA agonist vs antagonist, memory for reward magnitude, rats, 21697
mixed GABA receptor agonist progabide with bicuculline vs CGP 35348, sexual behavior & motor coordination & locomotor activity, male rats, 18265
persistence of defective serotonergic and GABAergic controls of growth hormone secretion, 38–52 yr old long-term abstinent patients with alcoholism, 31344
role of benzodiazepine-GABA receptor complex in modulating ethanol & sucrose consumption, rats, 38147
subtype of alcoholism, acamprosate effectiveness, alcohol dependent patients, Austria, 5055

Gamma Aminobutyric Acid Antagonists [See Also Bicuculline, Picrotoxin]—Serials
cannabimimetics or baclofen administration with vs without CGP 35348 pretreatment, motor inhibition, adult male rats, implications for GABA receptors involvement, 627
detectability of memory enhancing effects of GABA antagonist CGP 36742 or nootropic agent oxiracetam following learning experience, mice, implications for formation of long term memory trace, 619
GABA-transminase inhibitor vigabatrin & social isolation, exploratory behavior on elevated plus maze model of anxiety & open field test, rats, 636
intraseptal flumazenil vs benzodiazepine binding inhibitor, spatial working memory vs anxiety vs locomotor activity, male rats, 25583
mixed GABA receptor agonist progabide with bicuculline vs CGP 35348, sexual behavior & motor coordination & locomotor activity, male rats, 18265
pentylenetetrazol & bicuculline & icrotoxin & strychnine & memantine, ethanol-induced behavioral sleep & body temperature, rats, 38076
potent activity of GABA antagonist CGP 36 742 over range of doses, retention performance on social recognition tasks, male rats, 618
Ganglia [See Also Basal Ganglia]—Serials
modulatory proctolin neuron, motor pattern selection in stomatogastric & esophageal ganglion & paired commissural ganglia, crabs, 41310
sympathetic denervation of facial skin & cervical ganglionectomy, electrodermal responses, freely moving rats with clomipramine induced depression, animal model of endogenous depression, 18159
temperature & trifluoperazine, mitotic index of head neural ganglion & calmodulin, 3-mutant line Drosophila larvae, 21712
Ganglion Blocking Drugs [See Hexamethonium, Mecamylamine, Nicotine]
Ganglion Cells (Retina)—Serials
contrast & position of edge flashed within receptive fields, positional signals from monkey ganglia in magnocellular vs parvocellular pathways, 6642
2-stage model of cone & post-receptoral sampling of motion reversal effect in peripheral vision, adults, 14515
Gangs (Juvenile) [See Juvenile Gangs]
Ganser Syndrome [See Factitious Disorders]
Gastrointestinal Disorders [See Also Colon Disorders, Gastrointestinal Ulcers, Vomiting]—Serials
age & sex & weight & tobacco & alcohol use & health insurance type & clinic location, recommendations by physicians for lifestyle changes, 19–87 yr old gastroesophageal reflux disease patients, 39931
alexithymic characteristics, 28–69 yr old patients with peptic ulcer vs erosive gastritis, 42695
coherence & coping skills & psychological well being, young vs old gastro-intestinal cancer patients, 27526
correction & reinforcement & escape extinction & choice of food, 34 yr old female with severe mental retardation with gastroesophageal reflux & projectile vomiting & weight loss, clinical case report, 36304
duration & frequency & dysphonation of naturally occurring cries pre & postevening feeding, 4-wk-olds with Wessel's vs nonWessel's colic, 42719
functional & somatic symptoms & psychiatric morbidity, 16–65 yr old Asian vs White outpatients with gastrointestinal disorders, England, 23286
gliadin rich diet, changes in emotionality & spatial memory, rats, animal model of gluten induced enteropathy/coelia disease, 3137
history & invasiveness or seriousness of & age at 1st sexual & physical abuse, pain & somatic symptoms & functioning & psychological distress, female 18–70 yr olds with gastrointestinal disorders, 4541
nutritive sucking patterns, bottle fed 1–3 mo olds with vs without colic, 11307
perceived causes & procedures & reasons for improvement, satisfaction with family physicians' medical care, 18–65+ yr old dyspepsia patients, 39381
risperidone, pancreatitis, 32 yr old male with chronic undifferentiated schizophrenia, case report, letter, 23862
symptomatology & prevalence of intestinal & gastrointestinal complaints, comorbidity with depressive & anxiety & phobic disorders, 20 yr olds, 10 yr study, Switzerland, 7845
Gastrointestinal System [See Also Intestines]—Serials
cholecystokinin octapeptide dose & sucrose with vs without pyloric cuff inflation, gastric volume & distention & food intake & satiety, male rats, 11040
sodium chloride-induced short-term aversion learning, visceral information processing in medial parabrachial nucleus, male rats, 37815
stress & gastrointestinal symptoms, 20–45 yr old females with vs without diagnoses of irritable bowel syndrome, 31604
Gastrointestinal Ulcers—Serials
anorexia induced by indomethacin &/vs total parenteral nutrition, plasma & mononuclear cell & ileal cytokinesis & ulceration & meal number & size, female rats, animal model of Crohn's disease, 6576
anxiety & anger expression, male 25–60 yr olds with gastric ulcers, India, 1516
demographic & psychosocial factors in prognosis following ranitidine treatment, 17–78 yr old patients with duodenal ulcers, 1–3 yr followup, 23268
knowledge & attitudes & practice preferences & awareness of Agency for Health Care Policy & Research guidelines in prevention & treatment of pressure ulcers, family physicians, 33148
poor social support & alexithymia, prediction of severity of ulcerative changes on gastrofiberscopy, 30–65 yr olds, Japan, 23256
relaxation therapy & behavioral counseling, 20–40 yr old males with duodenal ulcer, 32665
stressful life events, onset of peptic ulcer, peptic ulcer patients vs controls, 31601
type-A behavior pattern, 20–55 yr old male duodenal ulcer patients, India, 16265
Gating (Sensory) [See Sensory Gating]
Gaussian Distribution [See Normal Distribution]
Gay Liberation Movement [See Homosexual Liberation Movement]
Gay Males [See Male Homosexuality]
Gay Parents [See Homosexual Parents]
Gazing [See Eye Fixation]
Gender Differences [See Human Sex Differences]
Gender Identity—Serials
academic psychology's vs transgender liberation theories of personal gendered embodiment, 18765
art therapy, 26–44 yr old transgender males with AIDS, 16689
authoritarianism & gender role identity & behaviors & attitudes, perceptions of power of females & feminists, undergraduates, 18763
body esteem & eating attitudes & gender-role orientation, 6–11 yr olds, 18559
concepts of gender identity & sex & coming out experiences, 24–68 yr old male to female transgenderists, 41940
correlation of personality characteristics & masculine gender identity, female college students, 1062
development & implementation of identity-focused counseling group for men aimed at facilitating masculine identification, 24–45 yr old males on active duty in military, 43030
development & integration of sex & racial & ethnic & sexual & class identities, literature review, 29873
disputes within sex & gender movements & inclusion/exclusion processes & construction of collective identity, male homosexuals & transsexuals & lesbians, 30265
ethnography of perceptions of gender identity & sexuality & aging, female 64–82 yr olds, 29982
etiology of gender identity in unrecognized neonatal genital ambiguity, subsequent sex reassignment, adolescent raised without stigma as girl who declared male identity at 14 yrs old, 8485
exploration of behavior exhibiting gender identity issues in visit to primary care pediatrician, 6 yr old male, commentaries, 38411

gender & gender role & attitude & experience & leader emergence, leadership behavior, college students, 41978
gender identity construction in high school gender related studies, 17130
gender issues & re-enactment of sexual trauma in analysis, emotional impact on analyst and 48 yr old female analysand, conference presentation, 32277
homophobic & homosexuality issues & school based paradigm developed to assist adjustment to social & sexual identity, gay & lesbian adolescents, 24686
impact of race & gender & sexual orientation & relationships & career & religious beliefs & political beliefs & self concept on identity, 18–22 yr old African-American females, 25901
issues & problems around adjustment to gay identity & social acceptance, young adult males with learning disabilities, 16149
issues in defining & explaining mixed sex people with female & male characteristics, implications for surgical & hormonal treatments for transsexuals & use of heterosexual & homosexual terminology, commentary, 22378
issues in defining & explaining mixed sex people with female & male characteristics, implications for surgical & hormonal treatments for transsexuals & use of heterosexual & homosexual terminology, 22373
issues in defining & explaining mixed sex people with male & female characteristics, implications for surgical & hormonal treatment for transsexuals & use of hetero & homosexual terminology, commentary reply, 22374
issues in transsexualism & sex & gender from psychoanalytic perspective, 41937
J. Lacan vs J. Benjamin's notion of gender identity & sexuality in psychoanalysis, 26308
Latino gay bar with transvestites as social & surreal space for familylike interaction, role of alcohol in reconstruction of gender/sexuality roles, bar patrons, 22360
narrative or interpersonal & multiple & decentered notions of subjectivity & sexuality & gender, implications of taking multiple subjectivity seriously for psychoanalytic theorizing & practice, 11798
neuroticism & gender-role orientation, body dissatisfaction, male vs female adults, Canada, 3668
neutrality vs nature & nurture vs prenatal predisposition theories of psychosexual identity & development & clinical management of intersexed newborns & infants, commentary reply, 19496
neutrality vs nature & nurture vs prenatal predisposition theories of psychosexual identity & clinical management of intersexed newborns & infants, commentary, 19527
neutrality vs nature & nuture vs prenatal predisposition theories of psychosexual identity & development & clinical management of intersexed newborns & infants, 19497
object relations & ego psychology conceptualization of male heterosexual identity development, 16 yr old male in therapy for sexual identity confusion, case study, 26404
perceptions of external forces & structural associations, supportive resources & obstacles to identity expression, lesbian vs gay male 14–18 yr olds, 11632
phases to establishing sexual identity, male-to-female & female-to-male transsexuals, case studies, 22363
physical attractiveness rated by college students, female children with gender identity disorder, Canada, 7840
pimozide, 23-yr-old male with learning disability & gender dysphoria, case report, 32504
postoperative functioning & gender identity, 15–20 yr old transsexuals who underwent sex reassignment surgery, 32607
psychoanalytic theories of sexual identity & psychosexuality & anatomy & psychic reality, 1109
psychoanalytic theory of gender identification & object choice as basis of sexuality & lesbian eroticism, 7779
psychosexual development & sense of masculinity, males with gender identity disorder treated in school setting from age 10–20 yrs, 4063
rigidity vs fluidity in feminist vs other psychoanalytic theories of gender identity formation, 11815
schooling, formation of student gender identities, White male preservice social studies teachers, 13797
self esteem & gender role identity & body image, mothers & their 11–16 yr old premenstrual & menstrual daughters, Canada, 25907
self narratives constructed to define a differently gendered "true self," 31–47 yr old transsexuals, 15533
sense of female identity & gendered parenting practices, self-esteem, 18–23 yr old females, 41924
sex & gender identity in post-modern society & psychoanalytic theory & practice, conference presentation, 30588
sex & sex identity in learning styles & differences across teachers & school subjects, 16–71 yr old secondary adult education students, 33473
sex & sexual orientation of caller & urgency of call, altruistic response, adults, 42017
sexual identity & personal & social development & social & public policy issues, 4–9 yr old children of gay or lesbian parents, literature review, 18608
sexual minority status, self & sexual identity & social & psychological adjustment, Black male homosexual 16–21 yr olds, 11622
social construction of & psychoanalytic & postmodern conceptions about role of gender & sexuality in lesbian identity, 7774
structural model of psychoanalytic components to sexuality & gender identity & the construction of femininity, conference presentation, 30633
teaching of women's vs traditional history, attitudes toward history & contribution of history to gender identity, male vs female 14–16 yr old secondary school students, Netherlands, 13801
3 dimensional model of identity formation & gender identity formation & identity complexity, 11–14 yr old African American females, longitudinal study, conference presentation, 41737

Gender Identity Disorder—Serials

difficulties in definition & assessment of DSM-IV gender identity disorder based on 3 phenomenological axes, 22719
etiology & diagnosis & assessment & associated psychopathology & model & treatment & biological & psychosocial correlates of gender identity disorder in children & adolescents, literature review, 38908
gender identity in male & parent–child relationships, male analysands with gender related struggles, commentary, 32270
incidence of separation anxiety disorder & internalizing vs externalizing correlates, male children who did vs did not meet full diagnostic criteria for gender identity disorder, 7880
sex differences in quality of peer relations vs comorbidity vs degree of cross-sex-typed behavior in relation to sex disparity in referral rates for gender identity disorder, males vs females, 35501
sex hormones & incidence of hyperandrogenic disorders, female-to-male transsexualism, 19–44 yr old females with vs without gender identity disorder, etiological implications, 42691
symbiotic-separation problems & gender identity problems & repression, male 28 yr old with anorexia nervosa, case report, 19473
validity of indicators of Draw a Person &/vs Rorschach tests, emotionally disturbed males with feminine gender identity (mean age 10.2 yrs), Israel, 25045

Gender Role Attitudes [See Sex Role Attitudes]

Gender Roles [See Sex Roles]

General Anesthetics [See Also Ether (Anesthetic), Thiopental]—Serials

general anesthesia, memory for pre- vs intraoperative presented words, 18–66 yr old surgical patients, Netherlands, 14634

General Aptitude Test Battery—Serials

type of organization & target audiences for & perception of advantages & disadvantages of General Aptitude Test Battery, 21146

General Health Questionnaire—Serials

correlation between General Health Questionnaire & California Psychological Inventory & self-ratings of stress & alcohol consumption, government employees, England, 5972

multiple regression analysis of General Health Questionnaire & GHQ-28 & Impact of Events Scale for PTSD screening, survivors of fire (mean age 37.5 yrs), England, 28524
predictive validity of General Health Questionnaire & Beck Depression Inventory vs DSM-III-R criterion, screening for depression & psychiatric morbidity, unemployed workers given notice, Finland, 2637
prevalence of mental health problems after natural disaster & validity of General Health Questionnaire for problem assessment, victims of bushfire, Australia, 12 & 20 mo followups, 40883
psychometrics of 30-item General Health Questionnaire & Edinburgh Postnatal Depression Scale & utility in psychiatric morbidity screening after miscarriage, 16–44 yr old females, China, 40879
validity of General Health Questionnaire & Beck Depression Inventory vs Schedules for Assessment of Neuropsychiatry, screening for psychiatric morbidity, patients with chronic fatigue syndrome, 2593

General Practitioners—Serials
assessment of needs for & interest in continuing medical treatment related to management of patients with schizophrenia, family physicians & general practitioners, Canada, 27884
attitude toward presence of clinical medical students during consultations with general practitioners & support for community based general practice medical training, patients, 33194
awareness of sources of research evidence & its influence on fundholding practices, fundholders & general practitioners, England, 43542
benzodiazepine prescribing patterns, general practitioners, Spain, 9041
causal attributions about & normalizing explanations for common bodily sensations, frequent attenders of general practitioners, 13266
clinical judgment analysis of tacit & explicit policies in prescribing decisions for computer presented hypothetical cases, 31–55 yr old general practitioners, UK, 13519
composition of consultations with government primary health care physicians & satisfaction ratings, patients, United Arab Emirates, 32803
contact with & health care provision to schizophrenic patients & views of mental health services, general practitioners, 43346
current working relationships with mental health professionals & attitudes toward developing closer working practices with psychiatrists in primary care settings, general practitioners, Australia, 5249
decision balance, assessment of implementation of comprehensive secondary mental health prevention programs, general practitioners, 13224
development of educational modules in health/disease prevention, geriatric patients, implications for primary care practitioners, 36874
development of Patient Requests Form, assessment of expectations & requests from general practitioners, 16–87 yr old patients, UK, 10520
diagnostic accuracy of general practitioner vs neuropsychological assessment, prevalence of dementia, 65–103 yr olds, Netherlands, 1 yr followup, 25078
doctor & patient characteristics & consultation context, identification of psychological distress & mental disorders in patients, general practitioners, England, 13244
educational program, diagnosis & management of alcohol related problems in standardized patients, family vs general physicians, Canada, conference presentation, 9706
family medical history taking & value as aid in decision making, general practitioners, England, 43047
feedback to doctor about existing concordance with patient on health problems & treatments, improved concordance, adult general practice patients, Australia, 13252
frequency of & reasons for consultation of general practitioners, patients with eating disorders, Scotland, 31515
general practitioner's lifestyle advice, changes in smoking or alcohol consumption or diet or exercise behavior, patients, meta analysis, 36639
identification & management of patients with substance misuse problems, general practitioners treating patients 15 yrs old & older, England, 4331
patient General Health Questionnaire scores, physician interview technique & case recognition ability, general practitioners & 18–64 yr old patients, England, 30646
perception of general practice as career, junior doctors, 40301
presence of medical student in practice, time spent in patient care vs teaching, nonacademic vs academic family physicians, 9735
prevalence & management & outcome of common psychological disorders, primary care patients, 22712
provision of outpatient mental health care in nonhospital settings & patient characteristics, psychiatrists vs psychologists vs general medical physicians vs other health professionals, 13298
rates of & reasons for consultation with & frequency of risk assessment at last visit to general practitioner prior to completed suicide, male vs female under 35 yr olds, England, retrospective study, 5246
sense of burden & financial constraints & incentives & use of prescription to cope with workload & perception of demanding patients, prescribing behavior, general practitioners, 13636
SES & health & sex & insurance status of patients, decisions made by general practitioners, 15–65+ yr old patients & their physicians, 24148
sources & frequency of interruptions during consultations & effects on patients, general practitioner, 13232
structured approach to management of schizophrenia in general practice, patients with nonaffective psychosis, 32835
tripartite methodology with questionnaires & individual interviews & nonparticipant observations, characteristics of partnerships, general practitioners, UK, 13271
use of & attitudes toward complementary medicine, primary care physicians, England, 43545
use of self administered computerized assessment of common mental disorders, clinical improvement in patients, general practitioners, England, 13251
verbal response mode & empathic understanding & concern & warmth, psychological treatment of patients with emotional problems, general medical practitioners, 5251
work load & stress, anxiety & depression levels, general practitioners, 13610

Generalization (Cognitive) [See Cognitive Generalization]

Generalization (Learning) [See Also Response Generalization, Stimulus Generalization]—Serials
capability of connectionist models of learning default categories & generalization of inflectional morphology, 3304
category familiarity & prototypical structure, discrimination learning of checkerboard stimuli & generalization to recognition paradigm, 18–35 yr olds, application of face inversion effect, 37719
facilitative effects of experimentally established self-instructions to sorting tasks & generalization to other tasks, 4–4.5 yr old preschool children, 43628
generalizability analysis of sources of variability in speechreading performance on nonsense syllables & words & sentences, 18–45 yr olds with normal hearing, 221
generalizability of training effects vs practice, problem solving performance on Wisconsin Card Sorting Test vs modified Vygotsky Concept Formation Test, 24–54 yr old patients with schizophrenia, 7948
generalization & accuracy of quantitative evaluations in 1–12 vs 10–20 element range, gray crows, 29080
generalization & maintenance of social skills training in multiple settings with sighted peers, 8–11 yr old visually impaired females & sighted male & female peers, follow up, 27529
immediate & long-term effects of seeding procedure, estimation of countries' populations, college students, 4 mo study, 17965
multiple FI & FR schedules, pentobarbital discrimination & generalization to amobarbital & diazepam & PCP & d-amphetamine, male pigeons, 614

natural cues within prompt levels using classroom instruction of next dollar strategy, acquisition of generalized purchasing skills, 12–15 yr olds with mild to moderate intellectual disabilities, 12385
nodal number & existing class sizes, equivalence class formation, college students, application of simultaneous protocol of baseline conditional & emergent relations training, 35204
novel artifacts with base objects & appended parts with vs without function information, feature selection & attentional processes in naming & similarity judgments of new words, 3 yr olds vs adults, 7276
prediction of short vs long line comparison on generalization test performances, emergence of equivalence & perceptual classes, college students, 41064
preferred playmate choice & generalization & level of social skills among mutually preferred child pairs, autistic 4–5 yr olds in early intervention program, 23165
presence vs absence of reward-associated visual cues, maze learning, honeybees, 25392
reliance on examples vs abstract rules in learning process, high school & college students, 37762
report-do-report correspondence training, academic setting & setting-time generalization of praise-prompting behaviors, 3rd graders, 27972
serial reaction time protocol test of analogical transfer, procedural learning, patients (mean age 51.9 yrs) with Parkinson's disease, 19602
"Stack-the-Deck" table game, social skills training & generalization, institutionalized mildly & moderately mentally retarded 16–17 yr olds with behavior problems, 16543
successful outcome of cooperation & salience of social category, generalization of attitudes toward cooperation partner to outgroup, Dutch 14–16 yr olds with Turkish partner, Netherlands, 7385
taste–tone vs taste–odor compounds paired with lithium-induced illness, taste-potentiated auditory & odor avoidance & extinction resistance & aversion generalization, male rats, 6462
teaching comprehension of mental states of emotion & belief & pretense, generalization to other task domains & effect of unfamiliar materials & progression of spontaneous play, autistic 4–13 yr olds, 32126
training & generalization of contextually appropriate affective behavior, autistic 11.3–18.9 yr olds, 1 mo followup, 8863
training in discrimination of bilaterally symmetrical vs nonsymmetrical patterns, learning & generalization of symmetry or asymmetry, bees, 10770
use of examples, analogical problem solving & reasoning & transfer & generalization, students, application of computer-based learning environment, 28974
word reading & picture labeling vs reading comprehension methods, emergence of reading comprehension & oral picture labeling, 4–10 yr olds with intellectual disability, 2223

Generalization (Response) [See Response Generalization]
Generalization (Semantic) [See Semantic Generalization]
Generalization (Stimulus) [See Stimulus Generalization]
Generalized Anxiety Disorder [See Anxiety Disorders]

Generation Effect (Learning)—Serials

conceptual & perceptual processes, generation effect in implicit memory in word-stem completion, college students, France, 17996
generated vs imposed information, verbal & spatial short term memory, late middle aged & elderly with dementia of Alzheimer's vs frontal lobe type, France, 16379
generation effects & source memory, older adults with dementia of the Alzheimer type, 36122
impairment in word list generation task, older adults with ischemic vascular dementia vs Alzheimer's disease, 36067
item-order distinction & generation effect, long-term memory, adults, 17967
self generated vs externally presented product name, memorability of advertisement, college students, 5829
self-generation vs reading of word lists, recall of word occurrence frequency, 13–57 yr olds with left vs right frontal vs temporal lobe damage, 12679
source monitoring in recall of self- vs other-generated vs new solutions to word puzzle in unconscious plagiarism paradigm, paired college students, 37780

Generation Gap—Serials

favorable & unfavorable aspects of grandparents' behavior, 53–89 yr old grandparents & parents & 6–18 yr old grandchildren, Taiwan, implications for educational programs, 7490

Genes—Serials

activity of ribosomal genes & differential expression of genes with age, 0–25 vs 29–48 yr olds with Down's syndrome, 16169
administration of lithium chloride vs saccharin during conditioned taste aversion training, modulation of expression of immediate early genes c-Fos & fos B & zif/268 & CREM, rats, 15053
alcohol dehydrogenase 2 & aldehyde dehydrogenase 2 & cytochrome P-450IIEI polymorphism, facial flushing & alcohol drinking behavior, males with alcoholic liver disease, Japan, 39218
allele & genotype frequencies of DNA polymorphisms at catechol O-methyltransferase gene, adults with vs without bipolar disorder, Spain, 22764
allelic mutation in 5-HT B2C receptor genes, response to clozapine, schizophrenic patients resistant to conventional neuroleptics, 15950
amino acid sequencing of genes encoding 5-HT-1D-alpha vs 5-HT-1D-beta receptors, 18–79 yr olds with panic disorder, Japan, 1317
anesthetic agents, suppression of afferent & neuronal activity in spinal cord & formalin induced c-Fos immediate early gene, 3 day old rats, implications for pediatric anesthesiology, 11230
apolipoprotein E-epsilon4 allele frequency, cognitive impairment, 58 yr olds & older with early vs late onset depression, 4119
apolipoprotein E-epsilon4 allele frequency, cognitive impairment, 58 yr olds & older with early vs late onset depression, commentary reply, 30869
apolipoprotein E-epsilon4 allele frequency, cognitive impairment, 58 yr olds & older with early- vs late-onset depression, commentary, 30853
apolipoprotein E gene as risk factor for development of Alzheimer's disease & possible role of genotyping for differential diagnosis & drug treatment of Alzheimer's disease, 36081
association of serotonin transporter gene & affective disorder & suicidal behavior, patients with bipolar disorder, France, 38964
behavioral & quantitative trait analysis of genes influencing alcohol withdrawal symptoms, high risk vs resistant mice, animal model of physiological dependence, 34494
behavioral disturbance & apolipoprotein E epsilon 4 allele, elderly patients with Alzheimers disease, letter, 23445
brightness discrimination training, immediate early gene messenger RNA expression in hippocampus vs cerebellum vs cerebral cortex regions, male rats, 25475
c-fos & c-jun gene expression in conditioned defensive reflex, edible snail, 34497
c-fos AS-ODN to hippocampus, acquisition & retention of brightness perception, 7 wk old male rats, 25474
candidate gene linkage study of GABA type A receptor subunits, panic disorder pedigrees, Iceland & US, 42363
cDNA sequence of zinc finger transcription factor & regulated mRNA expression in brain neurons, rats, 6594
CGG trinucleotide repeat expansion in fragile X mental retardation gene, 19–90 yr olds with schizophrenia or schizophreniform or related disorders, etiological implications, 19201
characteristics of FMR1 gene & its mutations & methods of identification in fragile X studies, 4529
chromosomal fragile site 1q21 in etiology of schizophrenia, patients, letter, 30966
desipramine, changes in mRNA levels of c-fos & c-jun & zif268 in hippocampus & locus coeruleus, 8-wk old male rats, 41447

differentiation & survival of sensory & motor neurons in brainstem, Brn-3.0-/- mice with severe behavioral & physiological problems, 29221
distribution & frequency of FMR1 gene alleles, developmentally disabled, 4400
DNA analysis of glucocerebrosidase gene for mutation identification, 22 yr old non-Jewish male with Gaucher disease & family members, 8490
dopamine D2 vs D3 vs D4 receptor & transporter gene polymorphisms & mood disorder, patients with unipolar vs bipolar mood disorder, Japan, 30884
dopamine D3 receptor gene MscI allele frequency & childhood/early adolescence vs adult-onset heterogeneity, 13 yr olds & older with schizophrenia, Canada, 35612
dopamine-related genes & relationship to CSF monoamine metabolites, healthy 29–56 yr olds, Sweden, 10962
ethanol consumption & predisposing polygenes in congenic animal models, mice, 29040
fetal alcohol exposure, performance of alternation task & expression of immediate early gene RNA in brain areas, female rats, 7010
frequency of alleles of marker at pancreatic phospholipase A2 gene locus, adults with bipolar affective disorder, 19148
frequency of apolipoprotein E4 allele & Alzheimer's disease & other effects of early aging, females (mean age 48 yrs) with Down's syndrome, 31466
frequency of high vs low activity alleles of catechol-o-methyltransferease gene & bipolar or unipolar depressive disorder, adults, 42272
gene analysis & diagnosis, Huntington disease clinic patients without family history of disorder, 19634
gene inactivation & single cell recording, assessment of genetic role in neural plasticity, mice, 34603
gene–environment interaction & season of birth effect in & morphology of schizophrenia, adults, 4152
genetic testing for apolipoprotein E & controlling treatment costs of Alzheimers disease, letter, 36084
genome involvement in processes of learning & memory, 34507
genomic response modulation to birdsong in caudomedial neostriatum & relation to nuclear gene regulation, male zebra finches, 34583
genotypic & allelic frequencies of polymorphisms of catechol-O-methyltransferase gene, adults with schizophrenia (mean age 47 yrs), Taiwan, 30948
Gly-11-Arg polymorphisms & deletion variant in dopamine D4 receptor gene, allele frequencies in genotypes, patients with schizophrenia or bipolar or obsessive compulsive or panic disorder, 11885
human genome & nucleotide repeat sequences in degenerative & developmental neuropsychiatric CNS diseases, 42816
identification of apolipoprotein E & presenilin 1 & presenilin 2 genes as important loci in genetics of Alzheimer's disease, literature review, 16330
identification of genes controlling ion permeability in motor neurons & muscle, 37948
identification of psychostimulant regulated gene essential for establishing cocaine or amphetamine sensitization, male rats, 41297
intragenic polymorphisms in MAO-A & MAO-B genes, allelic frequencies & genetic predisposition, schizophrenic patients, 12029
intron/exon structure of presenilin 1 gene & mutation in splice acceptor site for exon 9, family with early onset Alzheimer's disease, 16362
issues in genes theorized as possible allelic mutations in autism, letter, 26778
linkage analysis of bipolar vulnerability genes, family pedigrees showing bipolar illness, 35514
linkage to gene for glutamate GluR5 receptor, individuals with schizophrenia, 30947
low activity catechol-O-methyltransferase & dangerous behavior, patients with schizophrenia, 35634
methylphenidate, hyperactivity of mutant coloboma resulting from abnormalities in presynaptic function attributable to SNAP-25 gene deficits, mice, 6583
molecular genetics, etiology of Alzheimers disease, literature review, 31816
molecular genetics of normal & abnormal color vision & molecular biology of visual pigments & regulation of genes at long & mid wave sensitive pigment gene locus, 3027
mutation in G alpha protein gene & disorder susceptibility, patients with bipolar disorder, 35560
neuronal activity regulated pentraxin, immediate-early genes in neurons of hippocampus & cortex by synaptic activity & subsequent long term neural plasticity, rats, 11017
number of apolipoprotein E epsilon 4 & rate of cognitive decline, patients with Alzheimer's disease, 31844
olfactory deprivation, cellular expression of Bc1-2 gene in olfactory bulb, young rats, implications for olfactory experience related neural plasticity in cell survival, 14863
overexpression of human S100 beta gene in hippocampus, spatial & temporal exploratory behavior in T-maze, transgenic CD1 mice, animal model of short term memory impairment, 6589
physiology of trichromatic color vision vs polymorphic color vision resulting from pigment gene arrangements on X chromosome, Old vs New World monkeys, letter, 18131
polymorphic microsatellite & biochemical variability of catacholamine pathway, patients with schizophrenia with vs without neuroleptic drug treatment (mean age 36.1 yrs), 31050
polymorphism at site of dopamine D3 receptor gene & phenotype, psychiatric symptoms, patients with 1st episode schizophrenia, 12040
polymorphism in gene encoding of serotonin receptor exons & adjacent intron regions, psychiatric inpatients with depressive vs bipolar disorders, Japan, 30811
polymorphisms of HLA DQB1 gene locus, male Chinese inpatients with schizophrenia, Singapore, 1299
positional candidate approach to research on candidate genes with effects on agonistic behavior & offense, mice, conference presentation, 10910
quantitative trait loci to understand contribution of genes to cognitive ability & IQ, 34496
regional inhibition of long term potentiation, spatial learning, mice lacking Thy-1 gene, 10912
relationship of chronic Fos-related antigens to chronic treatment inducement of delta-FosB in brain, male rats, 41312
role of E4 allele of apolipoprotein E gene in genesis of illness, schizophrenic 20–90 yr olds, 15943
role of locus coeruleus in neuronal gene expression, sleep vs waking states, brain lesioned vs unlesioned rats, 25459
sequence variants of dopamine D1 & D2 & D3 receptor genes, susceptibility to alcohol dependence, alcoholic adults, 19389
serum leptin & ob gene mRNA secreted by adipocytes with vs without weight loss & maintenance of lower weight, percentage of body fat, obese adults, implications for food intake regulation, 4438
steroid hormone & neurotransmitter regulation of gonadotropin releasing hormone gene expression & subsequent influence on reproductive behavior, rats, literature review, 3036
studies of long term potentiation & depression & behavioral learning, role of immediate early genes in learning & memory, literature review, 3028
tropicamide, hypersensitive pupil dilation, 37–77 yr olds with vs without apolipoprotein E epsilon 4 allele, implications for Alzheimer's disease, Japan, 29557
use of single gene mutant mice in behavioral analysis of complex learning & memory & construction of null mutant mice, literature review, 3039
YM-43611 dopamine-like receptor antagonist, c-Fos modification & immediate early gene expression, rat forebrain, antipsychotic treatment implications, 34675
5-HT2A receptor polymorphisms, patient with seasonal affective disorder, 30892

Genetic Counseling—Serials

attitudes about eugenics & nondirectiveness, genetic counselors, 40306
Code of Ethics for National Society of Genetic Counselors, erratum, 13638

confidentiality & other issues in genetic testing for Huntington's disease, monozygotic twins, commentary, letter, 12666
confidentiality & other issues in genetic testing for Huntington's disease, monozygotic twins, commentary reply, letter, 12696
development of & case-based approach to practice-based competencies for accreditation of & training in genetic counseling graduate programs, 27865
development of Familial Cancer Program for genetic counseling, rural Vermont residents, 39952
education about maternal serum multiple marker screening delivered by genetic counselor vs pamphlet vs primary physician, anxiety & knowledge, pregnant females, 9324
experience of Third Reich, attitudes & opinions about abortion & prenatal diagnosis & disability & society & doctor–patient relationship, East vs West German genetic counselors, 33253
familial conflict about access to genetic information, case discussion among genetic counselors, conference presentation, 39942
family communication in genetic counseling, 24–59 yr old females with hereditary breast or ovarian cancer, longitudinal study, 32749
general knowledge of BRCA1 mutations, 32–73 yr olds with previous diagnosis of breast cancer vs 1st degree relatives of breast cancer patients, 39964
genetic counseling & screening for cystic fibrosis, health concerns & plans for sperm aspiration from epididymis or in vitro fertilization, male 28–46 yr olds with congenital absence of vas deferens, 13188
genetic counseling protocols & issues related to BRCA1 testing, 39929
genetic precounseling & counseling issues, sisters who lost their mother to cancer, case report, commentary, 39936
genetic precounseling & counseling issues, sisters who lost their mother to cancer, case report, commentary, 39940
genetic precounseling & counseling issues, sisters who lost their mother to cancer, case report, 39951
goals of & counselor role in genetic counseling for fragile X syndrome, workshop summary, 4510
interest & attitudes about BRCA1 testing, 21–60 yr old females, development of model informed consent process, 39930
issues of right not to know & medical management decisions & pre & postsurgery interactions in cancer risk counseling, females with or at risk for cancer, case reports, 39959
methods & guidelines for quality improvement of counseling services, genetic counselors, 27929
nature of genetic problem & patient & counselor & consultation content & complexity of information, outcome of genetic counseling, patients & genetic counselors, 20137
origin & definition & implementation of systemically-based psychotherapeutic techniques in genetic counseling, 32743
perceptions of treatments & diagnosis' psychosocial impact & effect on reproductive decisions & health care access, parents of children diagnosed with fragile X syndrome, 4562
potential value of qualitative research methods in genetic counseling, 32735
practice-based competencies for accreditation of & training in genetic counseling graduate programs, 27866
procedures & services provided & differences from general genetic counseling, cancer risk counselors, 39958
psychological distress predictors of use of genetic testing for cancer risk, adult members of hereditary breast ovarian cancer families, 36036
psychological knowledge about & roles in genetic counseling, psychologists, literature review, 16817
risk of or actual genetic disorder & perceived personal control & coping behavior, genetic counselees, Israel, 39395
view of testing & counseling process & understanding of genetics & carrier status impact on reproductive decisions & family dynamics, 16–76 yr old normal & normal carrier males in fragile X families, 4574

Genetic Disorders [See Also Albinism, Chromosome Disorders, Huntingtons Disease, Phenylketonuria, Porphyria, Sex Linked Hereditary Disorders, Sickle Cell Disease]—Serials
autosomal dominant form of late onset hereditary sensory ataxic neuropathy in 2 generations, siblings, 16386
behavior disorder, 15-yr-old male with terminal deletion of the long arm of chromosome 3 & severe mental retardation & dysmorphic features, 39362
behavioral & cognitive features of fatal familial insomnia & their distinction from dementias, 35–61 yr olds, 8592
c-Harvey-Ras polymorphism & prevalence of allele fragments, association with other psychiatric disorders, autistic adults, role of G protein secondary messenger system, 16125
characteristics of neurofibramatosis type 1& correlations with mental retardation & learning disability & other cognitive deficits, 36124
clinical & neuropathological features of autosomal dominant inheritance of presenile dementia & hypokinesis & presence of prion protein abnormalities, family members, 16387
clinical features & diagnosis & medical treatment & nursing care, 33-yr-old male with dihydropteridine reductase deficiency, case report, 39391
cogitive & motor neuropsychological deficits, 32–62 yr old neurofibromatosis type 1 patients with vs without affective disorder, Sweden, 42848
cytosine adenine guanine trinucleotide repeats in mutation range on chromosome 12p, dentatorubral-pallidoluysian atrophy, schizophrenic patients, Sweden, 12041
deletion of chromosome 22q11 & prevalence of bipolar affective disorder, 5–34 yr olds with velo-cardio-facial syndrome, 19512
development & implementation of neuroimaging methodologies, knowledge of neurobiologic mechanisms of developmental brain disorders, literature review, 42699
DNA analysis of glucocerebrosidase gene for mutation identification, 22 yr old non-Jewish male with Gaucher disease & family members, 8490
emotional status & perceived family functioning & health, primary caregivers of children with Battens disease vs other chronic & less severe medical illnesses, 19507
experience of predictive genetic testing for familial adenomatous polyposis & level of risk for disease development, desire for continuation of bowel screenings, patients, 4550
genetic defect of CAG trinucleotide repeat in dentatorubral pallidoluysian atrophy & translation of wild type & mutant genes into proteins p190 & p205, 38–59 yr old patients, 19667
genetic disorders & environment, behavior, individuals with mental retardation, 39295
genetic haemochromatosis, 59 yr old female & 54 yr old male with dementia, case reports, 42147
hereditary spastic paraplegia with comorbid dementia, siblings, Fiji, 12660
onset, clinical & neuropathological features of autosomal dominant cerebellar ataxia type I & link to locus for spinocerebellar ataxia type 2, patients from unrelated families, 16321
personal experience with risk & perceived frequency of occurrence or preventability of risk & trait anxiety, unrealistic optimism with regard to genetic risk, female adults & 16-19 yr olds, 4578
psychological distress predictors of use of genetic testing for cancer risk, adult members of hereditary breast ovarian cancer families, 36036
psychosocial problems & family adjustment, 6–14 yr olds with beta-thalassemia major & their families, Cyprus vs Greece vs Italy vs UK, 26893
risk of or actual genetic disorder & perceived personal control & coping behavior, genetic counselees, Israel, 39395
short vs long term memory & lexical-semantic knowledge, word span performance, children with Williams syndrome, Italy, 1630
simple cellular systems for explanation of specific features of molecular processes related to involvement of triplet repeat sequences in human hereditary diseases, 41298

spatial ability & visual-motor integration during object-drawing tasks, 9–10 yr olds with Williams syndrome, 23148
SPECT study of cerebral blood flow & cognitive performance, adult males with X linked bulbospinal neuronopathy, Denmark, 4714
use in research on role of gonadotropin-releasing hormone in behavior & reproductive physiology, hypogonadal mice, 38035
verbal & spatial long- & short-term memory, children with Williams syndrome, 26896
white matter hyperintensities & cognitive deterioration, manifestations of hereditary cerebral hemorrhage with amyloidosis, presymptomatic carriers of codon 693 mutation, Netherlands, 4650

Genetic Dominance—Serials
mutation in amyloid precursor protein gene & autosomal dominant inheritance of Alzheimer's disease, 55 & 60 yr old sisters, Japan, case report, 23436

Genetic Engineering [See Also Eugenics]—Serials
Cu/Zn-superoxide dismutase transgene insertion & morphine & mu opiate receptor, locomotor stimulation & sensitization & reinforcement of drug-seeking behavior, male transgenic vs wild-type mice, 25570
genetic engineering of mouse strains as models of human amyotrophic sclerosis & Huntington's & Alzheimer's & Parkinson's & other neurodegenerative diseases, 12575
genetically engineered strain of mice as animal model of Alzheimer's disease, 29206
neurological & neuropsychological tests & related paradigms for assessment of behavioral disturbances, transgenic & knockout mice, conference presentation, 37941
use in research on role of progesterone receptor as coordinator of regulatory events in induction of sexual receptivity, progesterone receptor knockout mice, conference presentation, 38040
use in studies of behavioral neuroendocrinology, mice with induced disruption of estrogen receptor gene, conference presentation, 38042
use of genetically altered mice in behavioral endocrinology research, conference presentation, 37947

Genetic Linkage—Serials
ability to tolerate hypoxic exercise & genetic loci of major effect on differences in tolerance, mice, 37946
allelic association between dopamine D1 & D2 & D3 & D4 receptor genes, patients with schizophrenia, France, 30961
apolipoprotein E gene as risk factor for development of Alzheimer's disease & possible role of genotyping for differential diagnosis & drug treatment of Alzheimer's disease, 36081
apolipoprotein E genotype & Alzheimers disease & dementia, implications for clinical approach, 23418
application of transmission disequilibrium test to genotype data, genetic linkage between & parental transmission of allelic markers on chromosome 22q12, schizophrenic offspring, 12075
assessment of psychiatric status of maternal vs paternal uncles & aunts, evidence for pseudoautosomal locus for schizophrenia, schizophrenic patients, 12065
association of serotonin transporter gene & affective disorder & suicidal behavior, patients with bipolar disorder, France, 38964
candidate gene linkage study of GABA type A receptor subunits, panic disorder pedigrees, Iceland & US, 42363
chromosome 18 linkage to polymorphic microsatellite markers, 19 yr olds & younger to 30 yr olds & older with manic depression & their family members, 15910
chromosome 18 linkage to susceptibility for affective disorders, families with multiple patients with bipolar disorder, Belgium, 38971
density of pedigree of ADHD ascertained through adult proband, female 44 yr old with childhood onset ADHD, implications for adult vs child probands in genetic linkage analysis, 8340
excess comorbidity between affective disorders & alcoholism, families of 17–65 yr old probands hospitalized with nonpsychotic bipolar vs unipolar depression vs alcoholism, Germany, 11851
familial loading for psychotic disorders, onset & persistence of negative symptoms & hospitalizations & social disability & nonrecovery, 16–50 yr olds with psychotic disorders, 4 yr followup, 8001
familial relationship between ADHD & anxiety disorder, 1st & 2nd degree relatives of clinically referred school age males with ADHD vs anxiety disorder, 15821
genetic association of human leukocyte antigen DRB1*04 & DQB1*0602 allele on chromosome 6p21.3, schizophrenic patients & mothers of schizophrenic offspring, England, 19220
genetic linkage of GluR6 glutamate receptor gene & schizophrenia spectrum disorders, pedigrees with multiple cases of schizophrenia, England vs Iceland, 19191
genetic linkage of schizophrenia & bipolar disorder & behavioral traits, 30735
genetic linkage under heterogeneity with markers on chromosome 13, families multiply affected with schizophrenia, 12052
genetic markers & linkage for vulnerability locus for schizophrenia & associated disorders in chromosome 8p region, high density schizophrenic families, Ireland & Northern Ireland, replication, 19202
genetic similarity & mate & sperm selection, female Swedish sand lizards, 25419
genotype & allele frequencies for D2 dopamine receptor polymorphisms, African Americans with severe substance abuse with at least 2 1st degree relatives with past or present substance abuse diagnosis, 1386
genotypic & allelic frequencies of polymorphisms of catechol-O-methyltransferase gene, adults with schizophrenia (mean age 47 yrs), Taiwan, 30948
hypersensitivity to CO_2 & familial genetic risk for panic disorder, adults with panic disorder, 1320
impact of innovative DNA diagnostic technologies, fragile X families, 4530
linkage analysis & markers from chromosome 20, lack of evidence for major disease allele & mode of inheritance, probands with bipolar disorder & their families, Denmark, 11961
linkage analysis of bipolar vulnerability genes, family pedigrees showing bipolar illness, 35514
linkage at chromosome 17, families with non-Alzheimer's dementia vs late-onset familial Alzheimer's disease, 36058
linkage of schizophrenia to X chromosome markers, families, 39032
linkage to gene for glutamate GluR5 receptor, individuals with schizophrenia, 30947
linkage to tyrosine hydroxylase gene, members of families with unipolar or bipolar affective disorder, UK, erratum, 22800
mapping of quantitative trait loci for open field behavior, mice, 37942
markers at dopa decarboxylase on 7p & 7q chromosomes, synthesis of dopamine & noradrenaline & linkage for manic depression, families, Denmark, 19150
mode of inheritance & locus heterogeneity & assumed phenocopy rates, statistical power in detection of linkage, bipolar affective disorder pedigrees, 4107
multipoint sibling pair analysis of quantitative traits in behavioral genetics, conference presentation, 10908
multivariate multipoint linkage analysis of behavioral genetic data, sibling pairs, conference presentation, 10907
mutation in G alpha protein gene & disorder susceptibility, patients with bipolar disorder, 35560
pattern of affective disorder, 1st & 2nd degree relatives of patients with schizophrenia or schizoaffective disorder, UK & US, conference presentation, 7965
psychosocial factors & genetic relatedness, risk for affective & other psychiatric disorders, 6–17 yr old offspring of parents with bipolar disorder & their adult parents, 7938
PTSD & dopamine D2 receptors gene, 35–66 yr old Vietnam veterans exposed to severe combat conditions, replication, 31416
P300 latency & eye movement disorders as biological markers of bipolar or major depressive or anxiety disorder or cyclothymia or alcoholism, relatives of probands with bipolar disorder, 11945

quantitative trait loci to understand contribution of genes to cognitive ability & IQ, 34496
regression method for estimation of individual genotypic factor scores in linkage analysis, detection of quantitative trait loci, simulated multivariate twin data, 3026
research into genetic elements of behavior & personality & ethical issues in genetic linkage studies of psychiatric disorders, 1133
role of gene defect in chromosome 18 linkage on etiology of bipolar illness, 6–45 yr olds with bipolar or bipolar spectrum disorder & their Jewish & Belgian family members, Belgium, 15911
tics & obsessive compulsive & attention deficit symptoms as bilineal transmission of Tourette's disorder phenotypes, descendants & married-in spouses of 4-generation pedigree, 8479

Genetics [See Also Behavioral Genetics, Eugenics, Population Genetics]—Serials
ability to reproduce successfully, patterns of familial risks, Ss with schizotypal disorder vs schizophrenia, 12020
abstraction & problem solving & motor control & other neuropsychological parameters, definition of clusters for schizophrenic spectrum disorder, familial vs nonfamilial schizophrenic 16–30 yr olds, 1302
activity of brain tryptophan hydroxylase, intensity of intermale aggression & accumulated attacking time, inbred mice strains with short attack latencies, 3078
age & testing conditions & ambient temperature variations & body weight, isolation induced ultrasonic vocalization, N: NIH strain rat pups, 10751
age of disorder onset & genetic anticipation & imprinting, probands with bipolar disorder & their 1st–3rd degree relatives with vs without affective or other mental disorders, Romania, 35528
aggression levels & competitive ability, male wild mice of unrelated vs 1st cousin vs full sibling parents, 21603
allele & genotype frequencies of DNA polymorphisms at catechol O-methyltransferase gene, adults with vs without bipolar disorder, Spain, 22764
alleles of apolipoprotein E & beta-amyloid deposition, autopsied 85 yr olds & older with vs without Alzheimer's disease, Finland, commentary, letter, 12629
allelic association between dopamine D1 & D2 & D3 & D4 receptor genes, patients with schizophrenia, France, 30961
alpha-bungarotoxin-binding nicotinic cholinergic receptors, genetic correlation of inhibitory gating of hippocampal auditory EPs, male mice, 7085
alterations in gene coding for neurotropic factors, schizophrenic patients, Spain, 42349
apolipoprotein E genotype, 65+ yr olds with late onset sporadic Alzheimer's disease, Taiwan, 23416
apolipoprotein epsilon-4 allele frequency, elderly with Alzheimer's disease from research clinic vs community, implications for selection bias, 12686
artificial selection on inter-pulse interval of courtship song signal, male Drosophila melanogaster, 10874
assembly of tau protein into paired helical filaments & in form of protease resistant polymers of molecules, pathology of Alzheimer's disease, 1933–94, literature review, 8666
association between serotonin receptor & MAO A gene alleles & neuroticism or extraversion, 70+ yr olds, Australia, 21604
attitude heritability & reinforcement & political conservatism, college students, replication, 15679
autosomal recessive vs alternative models as mode of disorder inheritance, 27–73 yr old lithium responsive affective disorder patients & their families, Canada, 42247
back crossing vs chromosome substitution on Y chromosome, geotaxis, male fruit flies, 29226
behavioral stress responses on shock probe/defensive burying test in fresh vs home cage environment, genetically selected aggressive vs nonaggressive male wild house mice, 14811
bestatin, chronic alcohol consumption & food & water intake & weight, genetically selected high alcohol consuming rats, implications for human treatment of alcoholism, 7090
censored variables, estimates of genetic & environmental influences in family studies, 29228
characteristics & effects of voluntary alcohol consumption, C57BL/6J vs DBA/2J rat strains & their BXD recombinant inbred offspring, genetic model of trait loci controlling alcohol consumption, 11137
cheek swab collection by mail as inexpensive & noninvasive method for DNA data collection, 37579
clinical characteristics & pharmacologic treatment responses, patients with idiopathic vs secondary & familial vs sporadic restless legs syndrome, 19511
clinical vs community proband ascertainment, estimates of familial aggregation of depression, 18–44 yr old depressed female probands, New Zealand, 7936
colony-level reproduction & survivorship & queen production & genetic relatedness, swarm-founding social wasps, 25426
comorbidity patterns of panic & other disorders, members of families ascertained for genetic linkage study of bipolar disorder, 38933
critical examination of Jung's theory of archetypes & belief in genetic basis of unconscious content, 7770
cross-sequential analysis of genetic influences, cognitive ability, 41–84 yr old monozygotic vs dizygotic twins reared apart vs together, longitudinal study, Sweden, 25445
current trends in research on role of multiple genes in manic depression, 4116
Darwinian sexual selection theory, role of genetics in evolution of language & social intelligence & cerebral cortical growth in high population frequency of schizophrenic & affective psychosis, 1274
demographic & clinical & CT scan variables & positive family history, minor physical anomalies, 16–70 yr olds with functional psychoses, England, 1294
diagnostic accuracy & confusability of diagnostic categories as applied to Diagnostic Interview for Genetic Studies, sensitivity & specificity of RDC & DSM-III-R, patients, 22705
diagnostic boundaries of behavioral phenotype for autism & genetic heterogeneity, monozygotic vs dizygotic same-sex preschool age to young adult twin pairs with autism, 12325
diallel analysis of genetic & developmental influences, ultrasound calling, 3 day old mice, 29216
differences between dopamine D2 & D4 receptors & role of genetics of D4 receptors in etiology of schizophrenia & response to antipsychotics, 22847
differential diets &/vs major histocompatibility complex genetic loci in 2 C57BL mice strains, mice urine odor discrimination, male Long-Evans hooded rats, 6579
differential lateral septal vasopressin & intermale aggression, male wild-type rats, 34495
disruption of adenosine 3,5 monophosphate signaling pathway to mushroom body vs central complex brain structures, associative olfactory learning, Drosophila, 21601
disruption of 1 or both alleles of D1 dopamine receptor gene, locomotor stimulant effects of cocaine & conditioned place preferences, mice, 14809
DNA analysis & genetic marker & maternal origin of extra inverted duplicated chromosome 15, 9–25 yr old patients with infantile autism, 26761
dopamine D2 receptor 311 Cys genetic variants, alcoholism or clinical characteristics of subgroups, adults, Germany, 8238
drug abuse/dependency & antisocial personality in biologic vs disturbed adoptive parent & family environment, development of drug abuse/dependency, female 18–45 yr old adoptees, 1388
early fostering experience, major histocompatibility complex-based mate preferences, female mice, 37865
education & genetic variation for cognitive ability, Mini-Mental State Examination performance, 50–88 yr old identical twins, 6074
emotional closeness & risk for substance use disorder, 16–63 yr old monozygotic vs dizygotic twins, 37945
environmental factors & stress vs genetic factors , pathology & behavior, C57BL/6 vs DBA/2 in bred mice strains, animal model of diathesis stress hypothesis, 41292
environmental vs genetic factors, attitude similarity & social contact, male vs female 17–88 yr old monozygotic vs dizygotic twin pairs, Australia, 3033

epidemiological & neurobiological foundations for genetic studies in schizophrenia, 31038
epidemiology & genetics of obsessive-compulsive disorder, literature review, 31116
ethanol self administration by sucrose substitution initiation procedure, male rats from high vs low alcohol sensitive strains, 21843
ethical & legal & social issues in genetic cancer susceptibility testing, children, 32653
etiologic heterogeneity & drug free plasma HVA concentrations, psychotic patients, 22838
evaluation of maternal-effects model of IQ heritability, meta-analysis, 41293
evidence of genetically programed circadian oscillator in neural retina cultured from golden hamsters, circadian rhythms of melatonin synthesis, 14967
evolutionary & ontogenetic perspectives of & basic biological-genetic & social-cultural architecture of human development, 25674
expanded CAG/CTG trinucleotide repeats at autosomal & chromosomal loci & bipolar disorder, 42261
expanded trinucleotide CAG/CTG repeats, patients with schizophrenia or bipolar disorder & parents from affected probands, Wales & England & Ireland & Germany & Italy & Portugal & Austria, 26412
explanation of directed mutation & phenocopies & other anomalies of neo-Darwinism on basis of cellular quantum system & its measurement, 37943
exposure to parasitoid wasp in laboratory environment, parasitism levels & natural selection for larval encapsulation ability, rover vs sitter larvae of Drosophila melanogaster strains, 3029
familial aggregation of alcoholism, 1st vs 2nd degree relatives of adults with major depression &/or alcohol use disorder, 35468
familial aggregation of spelling disability, children (mean age 11.2 yrs) & their 1st degree relatives, Germany, 12437
familial risk & clinical presentation of disorder, 18–70 yr olds with early vs late onset panic disorder & their 1st degree relatives, 35660
family functioning & parental problem drinking, alcohol use & misuse, 12–18 yr old adopted vs biological offspring, 16086
family genetic aspects, children & adolescents with depressive disorders, literature review, 30852
family history of cognitive disabilities in first-degree relatives, autistic & mentally retarded children, Canada, 26745
findings related to cytochrome P450 isozymes & other developments in pharmacogenetics, importance of clinical & cross ethnic observations, literature review, 3242
food deprivation & body weight & synthetic glucocorticoid dexamethasone, hypothalamic preproneuropeptide Y & corticotropin releasing factor messenger RNA expression, hamsters vs rats, 7001
frequency of apolipoprotein E4 allele & Alzheimer's disease & other effects of early aging, females (mean age 48 yrs) with Down's syndrome, 31466
gene analysis & diagnosis, Huntington disease clinic patients without family history of disorder, 19634
gene-environment interactions in Alzheimer's disease and vascular dementia, 23453
genetic & environmental effects, anxiety & depression & alcohol consumption, 18–25 yr old monozygotic & dizygotic twins, 37949
genetic & environmental effects, personality & human aggression, meta analysis, 15701
genetic & environmental etiology of low general cognitive ability, monozygotic vs same-sex dizygotic twin pairs at ages 14 vs 20 vs 24 vs 36 mo, longitudinal study, 31480
genetic & environmental factors & treatment compliance, ADHD children & their families, literature review & prospective study, commentary, letter, 31423
genetic & environmental factors, ADHD children & their families, literature review & prospective study, 16129
genetic & environmental factors, alcohol use & smoking, 12–14 yr old vs 15–16 yr old vs 17–25 yr old twins, 34923
genetic & environmental factors in discrimination of 2 types of alcoholism, adopted alcoholic 28–47 yr olds, Sweden, replication, 1401
genetic & environmental factors, parent-rated antisocial behavior & neurotic symptoms, 8–16 yr old same sex twins, Wales, 26363
genetic & environmental influences, antisocial behavior & autonomy & social responsibility, adolescents, 3 yr study, 25896
genetic & environmental influences on etiology of left-handedness, adolescent twins & their parents, 25686
genetic & environmental influences on seasonal mood change, 16–86 yr old male vs female twins, Canada, 37944
genetic & environmental influences, self-reported parent–son relationships, 11-yr-old individual male twins, 6 yr follow-up, 22096
genetic & environmental origin of individual differences in respiratory sinus arrhythmia, 34–63 yr old twins, 36046
genetic & molecular biology & pharmacology advances in study of dopamine D1 & D2 in mammalian brain, implications for psychiatry, literature review, 21613
genetic analysis of IQ & peripheral nerve conduction velocity relationship, 18 yr old twins, Netherlands, 29225
genetic aspects of obsessive-compulsive disorder, literature review, 39097
genetic basis of altered metabolism of amyloid beta-protein precursor & tau protein in pathogenesis of aging & Alzheimer's type dementia, 1907–95, research review, 8630
genetic basis of personality, 18–25 vs 30–60 yr old monozygotic vs dizygotic twin pairs, Canada, 3441
genetic biological essentialism vs environmental social constructionism vs interactive theories of etiology of homosexuality & development of sexual identity & preference, 18792
genetic contribution to etiology of depression, 30839
genetic discrimination & antidiscrimination employment provisions of Americans with Disabilities Act, 33879
genetic disposition for primary nocturnal enuresis, 6 & 10 & 11 yr old children of 3 German families, letter, 42715
genetic etiology & age, childhood depressive symptoms, 8–16 yr old twins, Wales, 26479
genetic etiology of common familial disorders, discussion of Human Genome Project, 22706
genetic factors in childhood & adolescent behavioral disorders, 22964
genetic factors in planum temporale asymmetry, schizophrenic patients & their 1st degree relatives, England, 35594
genetic factors, male & female sexual orientation, literature review, 30255
genetic factors, self vs informant reports of childhood life events, 8–17 yr old twins, UK, 800
genetic feminization of pheromones, sexual orientation & behavior, male Drosophila, 34611
genetic influence on individual differences in cross-situation & situation-specific behavioral responses, 24 mo old twins, 34943
genetic influences & prevalence of mental illness among half-siblings, adoptees with vs without schizophrenia & biological vs adoptive relatives, Denmark, 19200
genetic labeling & individualism & public policy, implications for children, 30024
genetic liability to major depression, experience of stressful life events, monozygotic & dizygotic female twins (mean age 30 yrs), 35534
genetic linkage of schizophrenia & bipolar disorder & behavioral traits, 30735
genetic mutations in familial cases & genetic risk factors & interaction of environmental factors, Alzheimer's disease as multifactorial disorder, 1965–95, research review, 8601
genetic predisposition & stress related to sudden death of only child & subsequent development of breast cancer, 45 yr old female, case report, 26854
genetic relatedness & coalitions & social behaviors, white-nosed coatis, 29121
genetic transmission of stuttering & susceptibility & persistence & recovery, 2–7 yr old male vs female stutterers & immediate & extended family members, followup study, 39339

genetic variations in brain size & neuronal features & neurogenetic bases & evolution of cognitive & behavioral processes, 442
genetic vs environmental etiology of minor physical anomalies in schizophrenia, erratum, letter, 12061
genetic vs environmental influences on age of 1st intoxication & onset of alcohol problems, male monozygotic vs dizygotic twins concordant for alcohol dependence, 12233
genetic vs environmental influences, perceived competence & self worth & personality, 10–18 yr old twins vs stepsiblings vs full siblings, erratum, 25892
genetic vs environmental influences, variation in alcohol consumption, 17–55 yr old female twins, 5 yr study, 26138
genetic vs evolutionary factors as basis for homosexual orientation, 26113
genetic vs psychosocial factors in etiology of depression, 30828
genetic vulnerability to biological stress & link between fluctuating asymmetry during development & IQ, implications for reconciling antagonism between advocates of nature vs nurture, 38306
genetics & abnormal brain development & amino acid neurotransmitters as biological basis of schizophrenia, 31051
genetics & environment, child–family interactions & sibling dyad relationships, 8–17 yr olds, 38537
genetics & environment, health & disease & related behavioral factors, 20018
genetics & environment, IQ, 4.01–26.41 yr old unrelated sibling dyads of same age, 33472
genetics & environments, individual differences in leisure time interests, 17–18 yr old male identical or fraternal twins, 15693
genetics & sensitization & conditioned stimuli & etiology of PTSD based on findings of sensitivity to loud sounds, 31071
genetics, verbal & spatial & speed of processing & memory abilities, 80–95+ yr old same sex twin pairs, Sweden, 34501
genetics vs environment & sex, affect & somatic symptomatology of depression, same-sex Danish twins aged 75 yrs and older, 39000
genetics vs family environment, prevalence of schizophrenic thought disorder, adopted offspring of schizophrenic biological mothers, Finland, 22864
genome involvement in processes of learning & memory, 34507
guidelines on informed consent process in genetic testing for cancer susceptibility, adults, 32648
gustducin taste receptor cell specific guanine-nucleotide binding protein, taste transduction & behavioral responses, mice with mutation of alpha-gustducin gene, letter, 18220
heat effects on nerve growth factor-differentiated PC12 cells, model of abnormal tau protein in paired helical filaments & neuronal degeneration in Alzheimer's disease, 1963–95, research review, 8572
heredity & environment & social experience in children's mental development, 41667
heredity vs cultural & environmental causes of individual differences in cognitive functioning, 21364
heritability & continuum vs categorical approaches to ADHD, 4–12 yr old twins & siblings, Australia, 35881
heritability & repeatability of mate choice & copying, female guppies, 21535
heritability of features of interhemispheric asymmetry of EEG & psychological characteristics, adult 1st-degree relatives of 16–60 yr olds with schizophrenia, 12073
heritability of inhibitory gating of P50 auditory evoked potential, 21–51 yr old monozygotic vs dizygotic twins, implications for genetic studies of schizophrenia, 18136
heritability of P3 wave & other components of visual ERP assessed during performance of cognitive task, 17–18 yr old male monozygotic vs dizygotic twin pairs, 18209
heritable characteristics & biological parents with substance abuse/dependency or antisocial personality, antisocial behavior & adopted parents' behavior, 12–18 yr olds, erratum, 15479
human handling, animal breeding & welfare & genetics, animals in extensive farming production systems, 14699
hunter & fighter & wader theories of genetic evolution of ADHD symptoms, 16134
hyperserotoninemia, immunological abnormalities, autistic children (mean age 10.1) with vs without major histocompatibility complex, 31447
identification of apolipoprotein E & presenilin 1 & presenilin 2 genes as important loci in genetics of Alzheimer's disease, literature review, 16330
individual rights to privacy & societal conditions & legislative controls in genetic testing & screening for the Human Genome Project, 33316
intelligence theories & IQ tests & issues in genetic & environmental factors & sex & ethnic differences, commentary, 18923
intelligence theories & IQ tests & issues in genetic & environmental factors & sex & ethnic differences, commentary, 18933
intelligence theories & IQ tests & issues in genetic & environmental factors & sex & ethnic differences & methodological issues, commentary, 18928
intelligence theories & IQ tests & issues in genetic & environmental factors & sex & ethnic differences, commentary, 18929
intragenic polymorphisms in MAO-A & MAO-B genes, allelic frequencies & genetic predisposition, schizophrenic patients, 12029
issues in genetic imprinting & behavioral sexual dimorphism resulting from study of cognitive function in Turner's syndrome, 39386
issues in high vs low intelligence & consistency of fitness & heritability, 21605
issues in how brain development is shaped by genetic & environmental factors, implications for psychoanalysis, 37989
issues in interlocus contest evolution & intraspecific Red Queen process of antagonistic coevolution of species with enemies, 41296
issues in sharing gene inheritance information with other family members, fragile X families, 4548
lateral effects & methylphenidate response & parent characteristics of covert visual spatial attention, 6–12 yr old males with vs without ADHD, 23168
laterality of dermatoglyphics on hands as genetic sign of right hemisphere dominance, 3–10 yr olds with Williams syndrome, Russia, 35966
leukocyte mitochondrial DNA deletion, adults with bipolar disorder, implications for subtype pathophysiology, 4101
likelihood of comorbidity of anxiety or depressive or other mental disorder & role of genetic factors associated with personality traits in cause & variation of comorbidity, 11879
MAO-A alleles, alcohol dependence, Han Chinese & aboriginal males, Taiwan, 12231
mate choice based on territory quality & song repertoire of males other than social mate, survival of offspring based on selected genetic benefits, female great reed warblers, letter, 2961
maternal infections during pregnancy as assessed through maternal recall & obstetric complications & familial loading, subtypes of schizophrenia, maternity patients, 22836
maternal vs paternal transmission, age at onset & diagnosis & chronic motor tics & obsessive compulsive behavior & phenotypic expression, 1st degree relatives of patients with Tourette's syndrome, 35656
metabolic drug interactions & genetic component & role of cytochrome P450 system in action of antidepressants, clinical implications, conference presentation, commentary, letter, 15079
metabolic drug interactions & genetic component & role of cytochrome P450 system in action of antidepressants, clinical implications, conference presentation, commentary reply, letter, 15021
molecular genetic components of social structure & dispersal & interpack relationships, wild dogs, South Africa, 1989–94, 29119

molecular genetic methods for delineation of role of GABA type A receptor complex & GABA transmission, genetic variation in behavioral responses to ethanol, literature review, 3030
molecular genetics of bipolar disorder, 15905
molecular genetics of normal & abnormal color vision & molecular biology of visual pigments & regulation of genes at long & mid wave sensitive pigment gene locus, 3027
morbid risk for schizophrenia, 1st degree relatives of schizophrenic probands, Ireland, implications for high familial-genetic loading, 31048
mouse paw preference using altered forms of R. L. Collin's paw preference test, inbred mice strains, 34525
mouse strain, 5-HT receptor densities & binding sites & anxiety responses, mice, genetic model of anxiety related behaviors, 14805
multifactorial inheritance in bipolar affective disorder, 39006
mutation in amyloid precursor protein gene & autosomal dominant inheritance of Alzheimer's disease, 55 & 60 yr old sisters, Japan, case report, 23436
mutation of ciliary neurotrophic factor gene, 19–64 yr old Japanese schizophrenic patients, Japan, 42344
natal dispersal, social & genetic & reproductive factors, female horses, 10867
news media's presentation of findings about role of genetics & behavior in social issues, 38475
nongenetic basis of cycle frequency in bipolar disorder, female monozygotic twins, 26475
overlap of genetic risks for disease, 1st degree relatives & patients with Alzheimer's disease (mean age 74.9 yrs) or Parkinson's disease (mean age 67.8 yrs), 36114
overview of schizophrenic genetic research, 1995 World Congress on Psychiatric Genetics, 7999
parental generation with ratio of affected mothers to fathers of 9:1, patients with maternally inherited Alzheimer's disease, 12607
parity & prenatal effects, motor & sensorial development & body weight, fostered mice pups from 2nd vs 3rd litters, 21602
paternally vs maternally derived X chromosome, social cognition, 6–25 yr old females with Turner's syndrome, 39396
pedigree of familial Alzheimer's disease, case report, India, 39550
postnatal & preadolescent & postadolescent somatic & motor development & temporal onset of motor deficits & pattern of Purkinje cell degeneration, mutant rats, 6593
predation risk, genetic divergence in female mate choice & male mating behavior, guppies from Tacarigua vs Oropuche Rivers, 6509
predator exploration & avoidance & influence of genetic factors, P vs S strains of paradise fish, 37898
presentation with agitated depression with psychosis & twin with hypomania & depression, use of lithium, male 67 yr old inpatient, implications for onset & genetics of bipolar disorder, 22753
prevalence of alcoholism among 1st & 2nd degree relatives & 1st cousins, 6–12 yr olds with major depressive vs bipolar disorder, 2–5 yr followup, 7937
proportion of symptom variance accounted for by environmental vs genetic factors, 4–12 yr old same sex twin pairs with depression & their mothers, 15924
psychiatric issues related to predictive genetic testing for Huntington's disease, 14–56 yr olds, case reports, 36140
psychological variables & genetic liability to disorder, discrimination from schizophrenic patients, high risk 1st degree relatives of schizophrenics, 19185
psychophysiological & neurological & genetic factors associated with autism, literature review, 4403
PTSD & dopamine D2 receptors gene, 35–66 yr old Vietnam veterans exposed to severe combat conditions, replication, 31416
P300 latency & amplitudes of ERPs, male siblings with 2 or more 1st degree alcoholic relatives with vs without early onset alcohol dependence, 19355
relationship between genetics & stuttering, literature review, 1482
review & criticism of research on hereditary nature of schizophrenia & other mental illnesses, 26418
right shift theory of handedness & genetic balanced polymorphism for cerebral specialization & cognitive processing, commentary, 6590
right shift theory of handedness & genetic balanced polymorphism for cerebral specialization & cognitive processing, commentary, 6581
right shift theory of handedness & genetic balanced polymorphism for cerebral specialization & cognitive processing, commentary reply, 6578
risk for speech disorders, adopted vs nonadopted children with speech disordered biological vs adopted parent, 42678
RNA polymerase chain reaction-based screening techniques to identify candidate clones, application to schizophrenia & bipolar disorder, 28564
role of genetics & gene mutations in memory, drosophila & honeybees, 34500
role of heredity & environment in creativity, 38761
self organizing neural networks for adaptive control & genetic & nongenetic based learning & hybrid learning system, 14116
severe bilateral familial schizencephaly & EMX2 mutation, 8 & 10 yr old brothers with severe neurologic deficits and mental retardation, case reports, 36090
sex & age & genetic & environmental factors, age at first sexual intercourse, 27–70 yr old monozygotic vs dizygotic twins, Australia, 35159
sex & ethnicity, role of genetic factors in prevalence of migraine, Caucasian- vs African- vs Asian-American adults, 12488
sex & personality, genetic & environmental contributions to life events, adult identical & fraternal twins reared together vs apart, 15713
sex, age at onset, families with male &/vs female sibling pairs with schizophrenia or chronic schizoaffective disorder, Germany, 1268
sex differences & nonadditive genetic influences in covariance matrices of Multidimensional Personality Questionnaire data, 27–64 yr old monozygotic & same & opposite sex dizygotic twin pairs, 30491
shyness & social behavior & CGG repeat size & neurocognitive function, 18–45 yr old females with pre- vs full-mutation fragile X syndrome, 4564
social failure vs heritable dispositions, high vs low psychological effort put forth to obtain & guard short-term mates, 13–20 yr old brother pairs & sister pairs, 38678
state vs trait related marker status of transmembrane potential of immortalized lymphoblasts, 16–78 yr olds with bipolar illness & their 23–70 yr old siblings from Old Order Amish pedigree, 4081
strategies for determining the genetics & pathophysiology of schizophrenia, conference presentation, 30985
taste aversion training to ethanol, retardation or prevention of high alcohol drinking, male & female rats from alcohol preferring vs high alcohol drinking rat lines, 21890
temporal lobe asymmetry, 19–82 yr olds with schizophrenia or schizophrenia related illnesses, implications for genetic factors in asymmetries in familial schizophrenia, 15940
test of association between 5-HT2A receptor polymorphism & pathogenesis of bipolar affective disorder, patients with bipolar affective disorder, 38997
tetrahydroprogesterone vs progesterone vs dexamethasone vs corticosterone, pituitary response to acute emotional stress & vasopressin gene transcription in hypothalamus, male rats, 11182
validity of Spontaneous Selective Attention Task for use as vulnerabilty marker for schizophrenia, 10–18 yr old monozygotic vs dizygotic twins in families segretating schizophrenia, 40889
value of psychoanalytic ego centered vs genetic/neurochemical theory in conceptualization of schizophrenia etiology, 30958
view of testing & counseling process & understanding of genetics & carrier status impact on reproductive decisions & family dynamics, 16–76 yr old normal & normal carrier males in fragile X families, 4574
water temperature, acquisition & retention in visible platform task, S100 beta transgenic mice, implications for hippocampal long-term potentiation & depression, 6588

1-yr prevalence & comorbidity & genetic correlation of major depression & generalized anxiety disorders, female twins, followup study, 11896
Geniculate Bodies (Thalamus)—Serials
experimental strabismus during infancy, cortical binocular neuron loss & size changes & recovery of cells in lateral geniculate nuclei, macaques, 6615
functional pattern of connectivity between visual cortex & lateral geniculate nucleus, cats, 10987
heart rate conditioning to auditory CS, inputs to neurons in medial subnucleus of medial geniculate nucleus & changes in synaptic efficacy, albino rabbits, 10980
light flash intensity, visual EP augmentation vs reduction & locus of origin in visual cortex vs lateral geniculate nucleus, male rats, animal model of sensation-seeking, 6722
responses of cells of parvocellular & magnocellular systems, dichromatic vs trichromatic marmosets, 25507
single unit activity in auditory thalamic reticular nucleus & medial geniculate body after icv nerve growth factor, female rats, 29629
Genital Disorders [See Also Endocrine Sexual Disorders, Gynecological Disorders, Hermaphroditism, Infertility, Male Genital Disorders]—Serials
etiology of gender identity in unrecognized neonatal genital ambiguity, subsequent sex reassignment, adolescent raised without stigma as girl who declared male identity at 14 yrs old, 8485
psychosexual implications of vulvar diseases & treatment, conference presentation, 23266
social support from family, personality dispositions, 13–47 yr old victims vs nonvictims of vesico vaginal fistula, Nigeria, 23237
Genital Herpes [See Herpes Genitalis]
Genitalia (Female) [See Female Genitalia]
Genitalia (Male) [See Male Genitalia]
Geniuses [See Gifted]
Genocide [See Also Holocaust]—Serials
cultural & societal & psychological origins of genocidal & youth violence, commentary, 19313
cultural & societal & psychological origins of genocidal & youth violence, commentary reply, 19306
genocidal trauma & related psychiatric disorders & family system changes & therapy, Bosnian refugees & their 14 & 16 yr old children who survived Serbian genocide, US, commentary, 32219
genocidal trauma & related psychiatric disorders & family system changes & therapy, Bosnian refugees & their 14 & 16 yr old children who survived Serbian genocide, US, 32253
genocide, ability of health & social care system to meet needs, refugee children, Rwanda, 24112
psychosocial dissonance & Cambodian genocide during the Democratic Kampuchea, 22324
role of nations & nongovernmental organizations & individuals as active bystanders in help & care & prevention of violence & mass killings & genocide, 22208
Genotypes—Serials
aggressiveness & survivorship & home range size, male wild type vs mice heterozygous for t-haplotypes, 3031
alcohol dehydrogenase & aldehyde dehydrogenase genotypes, alcohol dependent Atayal & Ami & Bunun & Paiwan aborigines, Taiwan, 4 yr followup, 39200
alcohol dehydrogenase 2 & 3 allele frequencies, Mission Indians from Southern California, 34509
allele & genotype frequencies in tyrosine hydroxylase & dopamine D2 & D4 receptor polymorphisms, 20–90 yr olds with schizophrenia, Sweden, 26497
allelic or genotype frequency response to G-protein receptor gene & chromosome 18p markers, excellent lithium responders with bipolar disorder or recurrent major depression, 16661
allozyme-level analysis of genetic correlates of geotaxis, drosophila melanogaster hybrids, 3037
antipsychotic drug therapy, extrapyramidal side effects of tardive dyskinesia & akathisia & parkinsonism, schizophrenic patients with nonfunctional CYP2D6 alleles, Scotland, 39786
Apo-E allele & performance on cognitive ability tests, elderly with Alzheimer's disease, 1617
ApoE genotype as prognostic indicator of development of Alzheimer's disease, elderly with memory impairment, 2 yr prospective study, 19657
apolipoprotein E gene as risk factor for development of Alzheimer's disease & possible role of genotyping for differential diagnosis & drug treatment of Alzheimer's disease, 36081
apolipoprotein E genotype & Alzheimers disease & dementia, implications for clinical approach, 23418
apolipoprotein E genotype & cognitive decline & dementia, 75 yr olds & older, 6 yr study, implications for prediction of late onset Alzheimer's disease, 8574
apolipoprotein E genotype & isoforms in susceptibility for Alzheimer's disease, literature review, 42805
apolipoprotein E genotype & late onset depression vs current depression with vs without history of depression, patients (mean age 75 yrs) with Alzheimer's disease, 31745
apolipoprotein E genotype & psychosis, 12–87 yr olds with young-onset vs elderly-onset schizophrenia vs 50–93 yr olds with vascular dementia vs Alzheimer's disease, Japan, 30987
apolipoprotein E genotype, rate of cognitive decline, patients with probable Alzheimer's disease, 5.5 yr longitudinal study, 19611
apolipoprotein E genotype, 65+ yr olds with late onset sporadic Alzheimer's disease, Taiwan, 23416
apolipoprotein E genotypes & frequency of specific allele, 57–88 yr olds with major depression, implications for irreversible dementia in late life, 12014
apolipoprotein E genotypes & serum cholesterol & triglycerides & high/low density lipoprotein-cholesterol, patients with Alzheimer's disease vs multi-infarct dementia, 31914
apolipoprotein E locus variability, phenotypic expression of various psychiatric symptoms, patients with Alzheimer's disease (mean age 73.6 yrs), 19622
apolipoprotein epsilon-4 allele frequency, elderly with Alzheimer's disease from research clinic vs community, implications for selection bias, 12686
apolipoprotein genotypes & late onset nonfamilial Alzheimer's disease vs Down's syndrome vs Creutzfeldt-Jakob disease, Jews aged 70 yrs, Israel, 23399
application of transmission disequilibrium test to genotype data, genetic linkage between & parental transmission of allelic markers on chromosome 22q12, schizophrenic offspring, 12075
A1 vs A2 allele of D2 dopamine receptor gene, personality correlates of addiction severity & withdrawal symptoms, male cocaine abusers, 16076
changes in anxiety & exploratory behaviors & activity, 6–12 wk old female autoimmune NZB x NZW F1 hybrid vs NZW mice, model of systemic lupus erythematosus, 16261
ciliate neurotrophic factor null mutant allele & schizophrenia, 25–65 yr old schizophrenic patients, Japan, 22822
clinical & neuropathologic heterogeneity & apolipoprotein E genotype, deceased 55–84 yr olds with corticobasal degeneration, 36137
CYP2D6 genotype & plasma levels of nortriptyline & 10-hydroxynortriptyline, depressed 25–65 yr olds, Sweden, 7902
CYP2D6 genotype & susceptibility to antipsychotic drug-induced dystonia & chronic movement disorders, poor metabolizers (mean age 47 yrs) with schizophrenia, England, 35589
cytochrome P-450 2D6 gene polymorphism genotype, patients with neuroleptic malignant syndrome, 4570
dopamine D4 receptor genotypes & novelty seeking, 25–61 yr olds, Sweden, replication, 29311
estimation of Type I & II error rates from computer simulation of quantitative trait loci mapping for genome-wide search, BXD recombinant inbred mice, 3024
executive function & cognitive phenotype & development of prefrontal lobe functions, 8.8–12.2 yr old females with X0,45 vs mixed genotype of Turner's syndrome, 8497
family history of probable Alzheimer's disease & reduced rates of glucose metabolism in brain regions, 50–65 yr olds homozygous for apolipoprotein e4 allele prior to onset of cognitive impairment, 12667

frequency of apolipoprotein E4 genotype, 19–55 yr olds with schizophrenia, Taiwan, 39045
genetic association of human leukocyte antigen DRB1*04 & DQB1*0602 allele on chromosome 6p21.3, schizophrenic patients & mothers of schizophrenic offspring, England, 19220
genotype & allele frequencies for D2 dopamine receptor polymorphisms, African Americans with severe substance abuse with at least 2 1st degree relatives with past or present substance abuse diagnosis, 1386
hippocampal volume & cognitive ability & apolipoprotein E epsilon 4 allele presence, cognitively normal twins (mean age 62.5 yrs), 34506
human behavioral genetics & evolutionary evidence for biological mechanisms of randomness, genotype diversification vs canalization of phenotypes, 41294
interaction of antidepressants with drug metabolizing enzymes, genetic polymorphisms in variability of antidepressant response & side effects & drug-drug interactions, 21892
neurodevelopmental model for schizophrenia involving actions of schizophrenia genotype & canalization & stochastic events, 35642
phenotypic & genotypic correlations of parameters of visual EPs & indices of verbal & nonverbal & general intelligence, 18–25 yr old monozygotic vs dizygotic twins, 10909
polymorphic microsatellite & biochemical variability of catacholamine pathway, patients with schizophrenia with vs without neuroleptic drug treatment (mean age 36.1 yrs), 31050
positive vs negative apolipoprotein E genotype, effects of tetrahydroaminoacridine on cortical EEG arousal, patients with Alzheimer's disease, Finland, 23460
prenatal cocaine exposure & genotype, intermale agonistic behavior, male mice, 34498
presence of apolipoprotein E allele, rate of cognitive decline & deterioration, patients with Alzheimer's disease, 3 yr longitudinal study, 19621
presence of apolipoprotein e4 genotype, rate of cognitive or functional decline, patients with Alzheimer's disease, commentary, 19641
presence of arylsulfatase A variants & genotype, 25–68 yr olds with major depression, 7929
presence of diabetes & hypertension & heart disease & stroke & apolipoprotein E e4 genotype, patients with Alzheimer's disease &/vs vascular dementia, 19636
presence of D2 dopamine receptor gene variant & vulnerability to substance abuse, psychostimulant- vs opiate-preferring drug users vs substance abusers with no preference vs heavy polysubstance users, 31331
prevalence of & impact of ApoE allele genotypes on development of Alzheimer's disease, 100–109 yr olds, Japan, 8566
prevalence of TaqI A1 & B1 alleles & individual vs haplotype short tandem repeat polymorphisms at dopamine D2 receptor gene locus, alcoholic Chinese Han vs Atayal vs Ami males, Taiwan, 8264
random amplified polymorphic DNA markers & estimated genotypes of workers specialized by foraging, eusocial wasps, 6587
regression method for estimation of individual genotypic factor scores in linkage analysis, detection of quantitative trait loci, simulated multivariate twin data, 3026
relationship between apolipoprotein E alleles & rate of cognitive decline, patients with probable Alzheimer's disease, 3 yr longitudinal study, 19586
sex & genotype of alcohol dehydrogenase 2 & mitochondrial aldehyde dehydrogenase, alcohol consumption, alcoholics, Japan, 8252
simulations of interactions between genes & environment and relation to developmental outcomes, 25449
standardization of maternal environment by means of embryo transfer, intermale aggression, genetically selected aggressive & nonaggressive wild house mice, conference presentation, 10914
traits & symptoms defining phenotype connected with specific genotype, schizophrenic patients, 4155
twin study of late-onset depression and apolipoprotein E epsilon-4 as risk factors for Alzheimer's disease, elderly males vs females with vs without dementia, 31892

Genuineness [See Sincerity]

Geographic Regions [See Geography]

Geographical Mobility—Serials

geographic mobility & marital status, religious & ethnic identification, adult Jews, 18701
geographical distribution & prevalence of & relationship to sociodemographic factors, schizophrenic patients, 4157
marital solidarity & social & geographic mobility, childbearing decision, adult married couples, 12 yr study, 38573
mobility & school functioning, kindergartners & 1st graders from low income families, 5686
movement patterns between mainland US & Puerto Rico, low income adults with HIV seeking health care services, Puerto Rico, conference presentation, 26910
prevalence & migration to inner city London, schizophrenic 15–54 yr olds, England, 1986 vs 1991, 35615

Geography—Serials

age & gender & regional differences, responses to Dutch version of Prediction of Future Events Scale, adults, Netherlands, 7702
application of behavior analysis to human geography & explanation of human landscapes, 38478
attitudes toward & experiences of physical punishment, students from Northeastern vs Southern universities, 7506
availability of alcohol as determined by geographic & socioeconomic & drinking characteristics, driving after drinking alcohol, drivers, 12223
environmental & geographical & social & psychological factors, risk of winter depression, psychiatric nurses, Scotland, 4089
geographical location & public consensus & sensation seeking & architectural style, design review & public preferences, adults, 37265
geographical region, numbers & sex of sexual partners & condom use & injecting drug use & perception of AIDS risk, 15–59 yr olds, Great Britain, 8532
geographical variation in incidence rates & environmental factors in etiology, under 73 yr olds with probable presenile Alzheimer's disease, 1974–88, Scotland, 8662
geographical variation in incidence rates & risk factors & length of survival, adults with probable presenile Alzheimer's disease vs vascular dementia, Scotland, 8661
landmark & configurational & route geographical knowledge of Europe, 7–11 yr olds, England vs Italy, 7208
learning & acquiring information from large geographical maps, college students, 9962
links between psychology & human geography, 40681
month & hemisphere of birth, patients with schizophrenia, Australia & New Zealand, 7977
perceptions of European Community & regional identities, college students, Scotland vs Andalucia, 22240
photoperiod & temperature & gender & type of food & origination locality, food hoarding & consumption, pouched mice, 14764
position of affective & proximate relations, typology of personal telephone networks & telephone usage patterns, adults, 18398
race & geographic location of actors, favorable rating, 18–41 yr olds, implications for in-group bias theory, 26210
region of country & changes in Attitudes Toward Women Scale scores over time, male vs female college students, 1970–1995, meta analysis, 22347
sacred geography, psychological well-being, Navajos, 30083
sex & ethnicity & geographical area & form of tenure & overcrowding, suicide rates, 20–29 vs 30–49 yr olds vs 50 yr olds & older, 4 yr followup, 1986–1989, Sweden, 31217
size estimations of continents, 11–12 yr olds, England, 24627

Geriatric Assessment—Serials

clinical utility of Boston Naming Test, assessment of dementia, cognitively intact vs impaired geriatric physical rehabilitation inpatients, 6040

clinical utility of Hooper Visual Organization Test, screening assessment of cognitive ability, 60–95 yr old cognitively intact vs mildly vs severely impaired geriatric rehabilitation patients, 28563
discrimination of dementia in elderly from other psychogeriatric disorders, primary health care nurses, 19650
epidemiology & risk factors & assessment & diagnosis & treatment, older adults with psychotic symptoms, 42883
factors that predict mobility recovery, subacutely ill patients (mean age 79.5 yrs) admitted to a geriatric rehabilitation unit, Italy, letter, 36586
frequency of functional problems & related risk factors, poor inner city 70 yr old & older Blacks, US, 22173
Geriatric Depression Scale vs Hamilton Rating Scale for Depression, assessment of depressive symptoms, 60–80 yr olds with Generalized Anxiety Disorder, 28468
Geriatric Mental State Schedule vs Brief Assessment Schedule Depression Cards vs 5-item Symptom Check List vs geriatrician's diagnosis, screening for depression, nondemented patients, Australia, 89
health & functional status in activities of daily living, newly admitted Black male vs female nursing home residents (mean age 71.1 yrs), 36584
implementation of National Resident Assessment Instrument, rates of decline & improvement in 8 physical health conditions, nursing home residents, 40867
implementation of Resident Assessment Instrument, physical & cognitive & communicative & psychosocial function improvement & decline, nursing home residents, 40894
implementation of Resident Assessment Instrument, probability of hospitalization, nursing home residents, 40885
outpatient geriatric evaluation & management vs usual outpatient primary care, health care utilization & cost, outpatients aged 55 yrs and older, 24 mo study, 40073
reliability & clinical utility of revised version of Resident Assessment Instrument, nursing home residents, 40887
reliability & validity of telephone administered Collateral Source Geriatric Depression Scale, geriatric patients, 1-yr study, 28464
reliability of home care version of Minimum Data Set derived from Resident Assessment Instrument, assessment of needs & strengths in determining functional potential, older home care clients, 40886
sensitivity & specificity & factor structure of Spanish version of Geriatric Depression Scale, 65 yr old & older Mexican Americans with psychiatric diagnoses, 6027
test retest reliability & classification congruence between standard form & Short Geriatric Depression Scale, classification of depression, 55–75 yr olds, 21054
use of mobility & technical aids for activities of daily living, single adults aged 75 yrs & older, Netherlands, application of the R. Andersen & J. F. Newman model, 39986
validity of Geriatric Depression Scale-Short Form as screening instrument, 65–89 yr old outpatients with major depression or bipolar affective disorder or dysthymia or organic affective syndromes, 84

Geriatric Patients—Serials

age & education, neuropsychological test performance, cognitively intact vs impaired geriatric inpatients, 29821
age & sex & cognitive status & hallucinations or delusions & mood & alcohol use & physical activity of daily living & health, aggressive behavior, elderly in rural outreach program, 11844
age, positive & negative symptoms & extrapyramidal side effects following haloperidol, 55–83 yr olds with chronic schizophrenia, conference presentation, 32584
appropriateness of Beth Israel/UCLA Functional Status Questionnaire for assessment of physical & social & psychological status, geriatric ambulatory medical patients, 21132
attitudes toward restraint use with older patients, nurses, U K vs Greece, 20473
attitudes toward sexuality & sexual expression in cognitively impaired vs intact residents, nursing home staff, 43406
attitudes toward use of nasogastric feeding tubes for severely demented patients, geriatric nurses, Italy, 27022
benzodiazepines, stupor, male 63 & 65 yr olds in need of diagnostic interview & treatment, case reports, 13065
brain stem EP abnormalities, depressed 60 yr olds & older with vs without vascular disease, 38986
breast cancer screening practices for females aged 65 yrs & older, physicians, 23348
chronic nonsteroidal anti-inflammatory drugs, cognitive status, elderly inpatients, implications for prevention of cognitive decline, 9249
clozapine, institutionalized male patients (mean age 72+ yrs) with bipolar I disorder, conference presentation, 32542
cognitive & physical functioning & discharge destinations, 71–99 yr old hip fracture patients with or without cognitive impairment, 35974
community development geriatric mental health outreach program, elderly patients, 13321
correlates of verbal & physical agitation, 63–85 yr old geropsychiatric patients with Alzheimer's disease, 23457
costs of hospital owned minibus vs privately rented taxi service to transport patients, psychogeriatric day patients, Australia, 13407
cross validation of Delirium Rating Scale, geriatric psychiatry patients with delirium or dementia or other psychiatric disorders vs medical patients, 21113
cultural values & ideas concerning table manners & food habits, patients in geriatric care, 20289
decision making capacity & informed consent, elderly patients, 10281
demographics & therapy characteristics & symptoms & social integration & activities of daily living, geriatric clients with schizophrenia evaluated by their case managers, 30 mo study, 4180
dependency & discharge changes after implementation of National Health Service & Community Care Act, geriatric inpatients from psychogeriatric wards, UK, 24193
dependency & discharge changes after implementation of National Health Service & Community Care Act, geriatric inpatients from psychogeriatric wards, UK, 36721
depression & cognition, activities of daily living & ambulation recovery, 60–99 yr old medical rehabilitation inpatients, 32834
development & validity of confusion scale, 65–75+ yr old hospitalized patients, 21067
discrepancies between recorded and actual causes of death & suggestions for improvement of death certificates, geriatric center residents, letter, 25951
DSM-IV classification of common geriatric disorders, elderly patients, 11866
effectiveness of open access to multidisciplinary community psychiatric service, elderly, 2 yr study, 24191
efficacy & tolerability of fluoxetine, depressive & general psychiatric symptoms & cognitive functioning, 65 yr old & older geriatric inpatients, 5078
epidemiology & etiology & treatment & diagnosis of generalized anxiety disorder & panic disorder, older vs younger adults, literature review, 39075
epidemiology & treatment ofpsychiatric disorders & government regulations & psychiatric roles in long trm care, geriatric patients, 40002
ethical considerations in telling lies to cognitively impaired elderly patients, hospital staff, case vignettes, 27923
food intake & life expectancy, 75–97 yr old demented vs nondemented nursing home patients, Italy, 28 mo follow-up, 26976
frequency of suicidal ideation, 60 yr old & older primary care patients, 22963
functional abilities assessed by Direct Assessment of Functional Status Scale, 45–86 yr olds with schizophrenia, conference presentation, 39042
gender & rate of interaction, female vs male staff & patients with dementia in a residential care facility, 32972
geriatric evaluation & management vs usual primary care, use of emergency room & outpatient & inpatient services & costs & health & functional status & well being, 58–86 yr olds, 8 & 16 mo followups, 24109
geriatric nutritional clinic, providing comprehensive & interdisciplinary care, 66–93 yr old geriatric patients with nutritional problems, 20197
implementation of Resident Assessment Instrument, probability of hospitalization, nursing home residents, 40885

indications for annual laboratory tests for hemoglobin & leucocytes & thrombocytes & urea & creatinin & electrolytes & urine microscopy, elderly psychiatric inpatients, Netherlands, letter, 2043
inpatient self medication program, ability to self medicate on discharge & medication compliance at 1 mo & medication knowledge & morale, geriatric patients, Canada, 9534
institutional compliance with Patient Self Determination Act, nursing home residents, 36754
interrater variability of Danish version of Geriatric Depression Scale, hospitalized elderly, Denmark, 10434
mechanism of action & pharmacology & efficacy & tolerability of fluoxetine & fluvoxamine & sertraline & paroxetine & citalopram, geriatric depression, literature review, 5082
medical interviewing skills in managed care setting, diagnosis & outcomes of care, geriatric patients, literature review, 24144
multidisciplinary team based model of psychogeriatric assessment, UK, commentary, letter, 13274
national trends in state mental hospitals, 65+ yr olds literature review, 33010
nortriptyline vs phenelzine vs fluoxetine with vs without lithium vs ECT, time to treatment response, 60–92 yr olds with depression nonresponsive to tricyclic antidepressants, Canada, 5014
nortriptyline vs phenelzine vs fluoxetine with vs without lithium vs ECT, time to treatment response, 60-92 yr olds with depression nonresponsive to tricyclic antidepressants, Canada, erratum, 27386
periventricular & subcortical signal hyperintensities, depressed elderly patients, 11965
personality disorders in geriatric depression, 22739
plasma citalopram enantiomers & metabolites, patients (mean age 77.2 yrs) with dementia & behavioral disturbances, conference presentation, 32411
positive vs negative affect states, 70–104 yr old nursing home residents with vs without Alzheimer's disease, 12634
prevalence & patient characteristics related to use of physical restraints, elderly patients in geriatric care facilities, Sweden, 27740
prosthetic rehabilitation in older patients with major lower limb amputation, literature review, 27768
recurrence & relapse & longitudinal outcome in & pharmacologic & electroconvulsive prophylaxis of geriatric depression, literature review, 32556
relational resilience in understanding relationship to God, clinicians & elderly patients, 11495
reliability & clinical utility of revised version of Resident Assessment Instrument, nursing home residents, 40887
safety & efficacy of risperidone treatment, hospitalized psychogeriatric patients (aged 65–95 yrs) with agitation or psychosis associated with dementia or major mood disorder and physical disorders, 43206
selection bias during recruitment of patients & controls & relatives for family study, 60 yr old or older inpatients with dementia of Alzheimer's type vs major depression, 4004
self esteem & attitudes toward care of elderly, senior medical school students, 20472
sexual assault & PTSD, 82 yr old demented female, case report, 35671
social & clinical & discharge factors, length of stay, 60 yr olds & older in geropsychiatric hospital, 33005
specialist training, fact selection & ranking of importance in diagnosis of elderly patients, geriatricians vs geriatric psychiatrists vs internists, Netherlands, 20433
suggested elements of behavioral health interventions, institutionalized elderly with mental disorders, 5334
suicide notes & elderly patients & psychotherapy, 31229
time course of antidepressant response to ECT, over 65 yr olds with current major depressive episode, England, 36552
underdiagnosis & undertreatment of geriatric depression in primary care settings, 1960
validation group therapy, problem behavior & use of physical restraint & psychotropics & positive social interaction & psychosocial well-being, nursing home residents with dementia, longitudinal study, 32978
validity of Geriatric Depression Scale-Short Form as screening instrument, 65–89 yr old outpatients with major depression or bipolar affective disorder or dysthymia or organic affective syndromes, 84
willingness to refer elderly patients for elective surgical operations & patients' age & comorbidity & institutionalization & living habits & signs of dementia, 25–63 yr old medical doctors, Finland, 40310

Geriatric Psychiatry—Serials

age of onset & previous depressive episodes & sociodemographics & clinical characteristics, depressed elderly, 12005
Alzheimer's disease as metaphor for fears of aging, implications for emphasis on Alzheimer's disease in geriatric research, letter, 8634
application of GPSYCH electronic medical record system & searchable database to evaluation of efficacy of trazodone for behavioral problems, elderly with Alzheimer's disease, 5173
consensus statement for geriatric psychiatry, 27105
dementia vs other diagnoses & precipitants to referral & outcome & placement at discharge, 14–83 yr old memory clinic attenders, implications for non-geriatric neuropsychiatric services, 31809
dementing disorders & principles of management of psychiatric disorders, elderly & young patients, literature review, 39512
development & standard setting & results of Examination for Added Qualifications in Geriatric Psychiatry, 30–86 yr old psychiatrists, 10530
development of & epidemiological issues & training in psychogeriatric services, Hong Kong, 8705
diagnostic &antipsychotic treatment issues in elderly psychotic patients, 39044
epidemiology & risk factors & assessment & diagnosis & treatment, older adults with psychotic symptoms, 42883
epidemiology & treatment ofpsychiatric disorders & government regulations & psychiatric roles in long trm care, geriatric patients, 40002
evolution of primary care geriatric psychiatry program with clinical activity based on consultation-liaison work, fellows, 33210
outcome of assessment by psychogeriatric consultation services, patients with memory problems and/or depressed mood, Canada, 27673
psychogeriatric nursing status & health services utilization, profile for psychiatric service delivery, 60–93 yr olds living in rural areas, 41787
rates of moderate to severe depression & levels of pathways to care, consultation with family physician & referral to psychiatric services & inpatient admission, depressed elderly, 13230
type & amount of geriatric training vs differences in programs offering geriatric training, adult psychiatry residency training program, 27873

Geriatric Psychotherapy—Serials

deficiencies in masters programs & courses on aging & older adults, clinical psychologist trainees, Australia, 20435
epidemiology & risk factors & assessment & diagnosis & treatment, older adults with psychotic symptoms, 42883
life cycle perspective on pharmacotherapy & psychotherapy treatment of major depressive episodes & clinical & outcome correlates, elderly unipolar non-delusional ambulatory patients, 39008
risk of suicide, 67 yr old male with major depression & obsessive-compulsive disorder, case study, 31251

Geriatrics—Serials

American Association for Geriatric Psychiatry's Summer Research Institute in Geriatric Psychiatry, postresidency & postdoctoral fellows & junior faculty interested in careers in geriatric psychology, 40269
classification of normal vs pathological aging & knowledge level & demographic factors & geriatric experiences & attitudes toward geriatrics education, 20 yr old & older family physicians, 13605

delirium as independent predictor of adverse outcomes of hospitalization, newly admitted geriatric patients (mean age 82 yrs), UK, commentary, 36582
delirium as independent predictor of adverse outcomes of hospitalization, newly admitted geriatric patients (mean age 82 yrs), UK, 36585
development of educational modules in health/disease prevention, geriatric patients, implications for primary care practitioners, 36874
evaluation of & geriatric education model, aging knowledge & skills, teachers from health-related disciplines, 36872
evaluation of structure & marketing & client characteristics & service options & staffing & patterns & finances of Program of All-inclusive Care for Elderly, commentary, letter, 13229
evaluation of structure & marketing & client characteristics & service options & staffing & patterns & finances of Program of All-inclusive Care for elderly, commentary reply, letter, 13225
evaluation of structure & marketing & client characteristics & service options & staffing & patterns & finances of Program of All-inclusive Care for Elderly, commentary, letter, 13231
factors that predict mobility recovery, subacutely ill patients (mean age 79.5 yrs) admitted to a geriatric rehabilitation unit, Italy, letter, 36586
haloperidol vs reduced haloperidol, plasma concentrations, 60–99 yr olds vs schizophrenic patients (mean age 31.3 yrs), 9051
incidence of dementia disorders, 85 yr olds, 3 yr followup, Sweden, commentary, 23394
incidence of dementia disorders, 85 yr olds, 3 yr followup, Sweden, 23360
intergenerational program to promote fitness & caring, college student volunteers & mature adults, 16774
nature of caring in volunteerism in geriatric settings, 16895
personality disorders in geriatric depression, 22739
prevalence of psychotic symptoms, patients with Parkinson's disease & dementia, commentary, letter, 36083
prevalence of psychotic symptoms, patients with Parkinson's disease & dementia, commentary reply, 36096
psychogeriatric training, specialization in geriatrics & treatment & knowledge of dementia, general practitioners/internists & neurologists/psychiatrists, Germany, 20432
self esteem & attitudes toward care of elderly, senior medical school students, 20472
use of instrumental measures in geriatric psychopharmacology, elderly with psychosis or depression or Alzheimer's disease, 1836

Germany [See Also East Germany, West Germany]—Serials

attachment security & concepts of ideal children, mothers of 2 yr olds, northern vs southern Germany, 18620
biochemical indicators of abuse & driver's license reinstatement, drunk driving offenders, Germany, 23060
East vs West German ideology & political & social structure, attitudes toward traditional gender division of labor & family, male vs female East vs West Germans, 1991, Germany, 11601
factors influencing public acceptance or rejection of psychotropic drugs, 16 yr olds & older, implications for treatment, Germany, 27391
historical review of neuropsychological rehabilitation, 1914–1996, Germany, 16952
humor perception, factor structure of taxonomy of jokes & cartoons, adults, Italy vs Germany, 22566
lifetime & 6 mo prevalence of mental illness, homeless males, Germany, 15869
prevalence of mental illness, 18 yr olds & older, Germany vs US, 6 mo study, commentary, 26385
prevalence of mental illness, 18 yr olds & older, Germany vs US, 6 mo study, 11890
prevalence surveys & demographic characteristics, problem & pathological gambling, adults, Germany & Netherlands & Spain, 4237
problem vs emotion-focused coping styles & physical symptoms, college students, US & Canada vs Malaysia vs Germany, 3896
psychoanalytical contributions of K. Landauer & South West German Psychoanalytic Study Group, conference presentation, 17547
relationship between law & industry associations & power & trust & interfirm relations, buyers & suppliers & representatives of trade associations, Germany vs England, 43811
religiousness, German-Americans vs West Germans, test of demand-side vs supply-side social science theories, 41846
sociohistoric background & organization & financing of deinstitutionalization & outpatient care in mental health services, Germany, 32849
weight & body fat treatment program, active duty military personnel, Germany, 20841

Gerontology—Serials

behavioral treatment for depression, medical rehabilitation inpatients (mean age 78 yrs), 23745
characteristics & frequency of attributing old age vs specific medical condition as etiology of functional limitation, community dwelling 60–89 yr olds, 22185
coverage of gerontological issues in clinical & counseling psychology programs, training directors of APA accredited doctoral programs, 43504
development of educational modules in health/disease prevention, geriatric patients, implications for primary care practitioners, 36874
disproportionate investment of resources by National Institute on Aging for Alzheimer's disease, implications for gerontology, commentary reply, letter, 12572
disproportionate investment of resources by National Institute on Aging for Alzheimers disease, implications for gerontology, commentary, letter, 12613
driving cessation, depressive symptoms, older drivers (mean age 72.1 yrs), 6 yr study, 34998
dynamics of successful aging using qualitative research of exemplars, 74 yr old female in long term care, 29989
evaluation of & geriatric education model, aging knowledge & skills, teachers from health-related disciplines, 36872
explication of factors determining level of care given & received by cohorts in stages of later life, 22182
Facts on Aging & Mental Health Quiz scores, audiologists vs speech-language pathologists vs occupational vs physical therapists, 5477
gerontology-related information using World Wide Web, 11503
human development, quality of life in old age & health & coping functions & social relations & recreational activity, 77–87 yr olds, 25956
incidence of dementia disorders, 85 yr olds, 3 yr followup, Sweden, commentary, 23394
incidence of dementia disorders, 85 yr olds, 3 yr followup, Sweden, 23360
issues related to aging & sexuality, elderly, literature review, 30285
model for culturally responsive geropsychological assessment, older clients of diverse minority cultures, 7414
physical & psychosocial factors, sexual function, elderly males, 25955
prevalence of self-reported sleep disturbances & association with physical & psychological health, 65–100 yr old participants of Cardiovascular Health Study, 35993
problems of social network measurement & network structure, elderly, 22184
program to enhance quality of undergraduate education in aspects of aging, psychology instructors, conference presentation, 36880
rationale & procedures for examining statistical power in ANOVA designs of psychology of aging empirical studies, 21171
sense of coherence view of world & one's life & strengths perspective in gerontological social work, 32909
structured experiential exercises & discussion activities, confronting attitudes toward death & developing resources for encountering death of others, educators & students in gerontology studies, 33197
summary of psychological theories of aging from the 1940s–1990s, 22178

Gestalt Psychology—Serials
contributions to social psychology, Gestalt psychologist S. E. Asch, obituary, 41972
Gestalt perspective on movement as metaphor & therapeutic impact of physical exercise on counseling process, depressed female, 19742
gestalt principles in & measure of figure segregation & completion in perception of complex line drawings, college students, Japan, 14541
influence of F. Brentano's thoughts on unity of consciousness on C. von Ehrenfel's theory of higher order & cross modal perceptual gestalt, 2459
postmodern shift & theoretical & clinical implications of views on "self" & "multiple selves" in psychotherapy, 10339
seeing gestalt in cartoons, organization of visual information in cartoon humor, 21366
Gestalt Therapy—Serials
integration of object relations theory & gestalt techniques for promotion of self structuralization, patients with disorders of self, 32025
Gestation [See Pregnancy]
Gestures—Serials
accessibility of children's mathematics problem solving strategy information expressed only in gestures, teachers & college students, 24546
aging, quality of gesture production in communication of object description, female 18–34 vs 62–87 yr olds, 3739
appreciation of the mental impact of own communicative signals, 2.5 yr olds, 38336
articulatory characteristics of lingual consonants involving tongue-tip gesture, native speaker of Castilian Spanish, 3311
declarative-referential vs imperative-instrumental communication in pointing & reaching & vocalizations & visual checking with social partner, 10–18 mo olds, 11436
facial expressions & posture & gestures & teacher-rated social behaviors & perception, 7–11 yr olds, China vs US, 13778
gestural signals & communicative interactions, pigtail macaques, cognitive implications, 29149
gesture restriction & lexical access difficulty, fluency & frequency of pauses in speech production with spatial vs nonspatial content, adults, 15143
gesture-speech coordination, mothers & their 10–18 mo olds, followup study with 15 mo olds, 11390
gesture use during Piagetian conservation & direction-giving & narrative tasks, blind 10–12 yr olds, 31928
judgment of rectangular areas using gestural strategies, blind 5.3–8 yr olds, 8680
length of gaze & tongue protrusions as shows of interest, imitation vs exploration of interesting objects, 3–4 week olds, 18489
manual movement initiation time in single gestural vs dual verbal gestural tasks, college students, 21962
manual pointing gestures, early language acquisition, 8 mo olds, 6 mo study, 15207
number & type of facial expressions & gestures to indicate interest in males, female 13–16 yr olds, implications for development of nonverbal courtship behavior, 18598
patterns of visual signalling & emergence of single word speech & role of gestures & vocalizations in transition to spoken language, hearing impaired vs normal hearing 6 mo olds, 15 mo study, 16416
presence of O & reinforcement, gaze alternation & attention-getting behavior via indexical & referential pointing gestures, chimpanzees, implications for intentional communication, 6445
presence vs absence of E's direct eye contact & head movement & orientation, gestures & recognition of attention, chimpanzees, 6521
prompting & repetition & reinforcement procedure, gestural yes-no responding, profoundly mentally retarded 32–33 yr old females, 27217
protodeclarative pointing & gaze monitoring & pretend play deficits, detection of autism or developmental delay, 18 mo olds reassessed at 3.5 yrs old, England, 4395
spontaneous production & use of 2-element combinations of gestures &/or words, 1.3 & 1.7 yr olds, Italy, 25738
symmetrical cross-modal interference effects, processing of verbal & gestural information, adults, 6318
teaching model for spontaneous use of semantic relations through multipointing, 5.6 yr old male with autism & learning disabilities, 40203
use of iconic gestures, captive gorillas, 29184
videotape of peer & adult modeling tongue protrusion & mouth opening, imitation of facial gestures, 10–14 & 20–25 wk olds, 34777
visual gesture &/vs auditory stimuli, speech perception & listening comprehension, aphasic patients, 8638
Ghana—Serials
educational level & SES & religious affiliation, rural vs urban women in polygynous vs monogamous marriages, Ghana, 35080
indirectness & interchangeability in 1st- & 2nd- & 3rd-person pronoun & reference index usage, pragmatic values & meanings in context-dependent social discourse, speakers of Akan, Ghana, 38237
sex, visual-spatial ability, 18–40 yr old college students, Ghana vs Norway, 21241
social organization & savings & earnings behavior, female child & adolescent head-load carriers, Ghana, 41823
Ghettoes—Serials
optimism about future & violent resistance to Nazis during WWII, Jews in Warsaw vs Lodz Ghetto, Poland, 25983
similarities in responses to extreme & unremitting stress, WWII eastern European ghetto residents & patients with dissociative identity disorder, 19260
Gifted—Serials
ability of product portfolio samples to predict successful performance in gifted program 4 yrs later, gifted K–2nd graders, 33567
academic achievement in context of life of spirit & virtue & self realization of goals & enactment of motivations, gifted students, 9997
age & sex, psychological type, academically talented 3rd–6th vs 8th–10th graders, 20681
behaviors & strategies used when school was not challenging, teacher reaction & curriculum differentiation, high potential 5th–9th graders, 13891
"broad & inclusive" vs "creativity as productivity & achievement" view in definitions & research & assessment of gifted children, 43713
collaboration between artists & educators, development of education for students with special talents in arts, 9998
concept of & empirical support for multipotentiality, gifted students, literature review, 41612
construct validity of Internalizing Symptoms Scale for Children, assessment of internalizing social-emotional symptoms, gifted 3rd–6th graders, 6047
construct validity of Structure of Giftedness Model, categories of intellectual ability vs original & creative thinking vs reactive talent, 7th–9th vs 10th–12th graders, 13887
development of metacognitive concepts about thinking, gifted vs nongifted children, research review, 18459
differentiation & cross cultural validation of Perception of Ability Scale for Students, test of academic self-concept, gifted vs average vs learning disabled 10–13 yr olds, Africa vs New Zealand, 34059
drawing development & artistic giftedness & relation to working memory capacity, 4 vs 6 vs 8 vs 10 yr olds, Canada, 29815
early college entrance, academic performance & social adjustment, gifted college students, 10001
economic disadvantage & class bias, academic achievement & identification of giftedness, lower class women, 33455
EEG during problem-solving, gifted vs nongifted 18–19 yr olds, Slovenia, 41392
ethnicity & gender & vulnerability factors & locus of control, gifted vs nongifted 5th–7th graders, 29798
factor structure of WISC-R, assessment of intellectual giftedness for educational placement, Mexican American 6–16 yr old students, 6121
factors in success or underachievement, highly able 9–11 yr olds, England, 17263

factors influencing intellectual & social & emotional development, gifted Asian American students, implications for educational identification & curriculum needs & school counseling, 10002
hometown population & parental educational level & academic comfort, prediction of educational aspirations, 14–18 yr old gifted Black vs Hispanic vs Asian vs Native American high school students, 28109
identification & definition of comorbid giftedness & learning disabilities & related educational & intervention issues, students, 35905
identification & evaluation procedures & curriculum & instruction & changes in beliefs & stereotypes, resolution to underrepresentation of minority students in gifted programs, 13888
impact of having gifted sibling, self perception & learning style, same vs opposite sex gifted 14–18 yr olds & their nongifted 11–21 yr old siblings, 7250
implications of research on & recommendations to enhance effectiveness of group brainstorming in gifted education, 43712
incidence of self nominations in peer nomination forms to designate classroom peers with superior abilities or talents, 4th–8th graders, 13889
integrated curriculum model, examination of talent development process & restructuring curriculum to meet needs of talented & other learners, 10004
IQ, time allocation during problem solving, 7th–8th graders, 748
levels of thinking about child's social & emotional development, parents of gifted children & adolescents, application of model of parental reasoning, 7513
life change events & life stress & depression & drug use & suicide ideation, gifted vs nongifted inner city 7th–8th graders, 30687
metacognitive reading strategies, reading comprehension think aloud task performance, gifted reading disabled 10–12 yr old elementary students, implications for individualized instruction, 9999
model based on natural abilities & systematically developed skills, terminology & labels for giftedness & talent in field of gifted education, 9996
Model Mathematics Program with flexible instruction, math computation & concept skills & participation & competitive performance, gifted elementary school students, Appalachia, 10000
myth of lone genius & social dimensions of creativity & integration in chaos theory, commentary, 7743
myth of lone genius & social dimensions of creativity, commentary reply, 7731
organization & elaborations of story plots & language skills, conceptual structures of narratives, verbally gifted 6 yr olds, Canada, 7268
overexcitability assessment as method for identifying giftedness beyond traditional means, 10th & 11th graders identified vs nonidentified as gifted, Canada, 43708
perceived need for university-based counseling services for gifted children & their families, parents & school personnel & related counseling professionals, 43710
perceptions & attitudes toward school & achievement & parental achievement orientation & social factors, urban Black 5th & 6th graders in gifted vs potentially gifted vs regular education programs, 5713
performance on Halstead-Reitan Neuropsychological Test Battery for Children, learning disabled or gifted 9-14 yr olds, 2655
psychoanalytic perspectives on childhood adaptation to exceptional talent, self-esteem & pathology in adult emotional adjustment & interpersonal relations, conference presentation, 26311
recruitment & retention of Black & other minority teachers in gifted education, 43709
reliability & factor validity of Self-Description Questionnaire-II, academically gifted 10–16 yr olds, 37409
scores on Rorschach Indexes of Schizophrenia & Depression & Coping Deficit as indication of psychopathology vs creative thinking, 12–17 yr olds in early college entrance program, 18563
self-efficacy beliefs, mathematical problem-solving, middle school gifted vs regular education male vs female 8th graders, 13890
sex & grade level, self actualization scores, gifted 12–14 yr olds, 3448
sex role orientation & self concept, male vs female 10th–12th graders in gifted challenge program, 13892
strategic vs nonstrategic behavior, recall performance, gifted vs nongifted children, 3358
subscales of Learning & Study Strategies Inventory, identification of academic success & students with learning & study risks, freshmen in early college entrance program, 10003
testosterone, spatial cognition, male & female gifted vs nongifted elementary school students, 2 yr study, 25772
typology of perfectionism & healthy vs dysfunctional perfectionistic types, academically talented 6th graders, 43711
validity of original thinking measured by ideational fluency, prediction of performance of real world creative activities, gifted 7–8 yr olds, 7240

Gilles de la Tourette Disorder—Serials

ability of 99mTc hexamethylpropylene single photon emission tomography to distinguish obsessive compulsive behavior from Tourette's syndrome, patients from families with history of tic disorders, 35426
auditory oddball paradigm with 3 tones, mismatch negativity of ERPs, 7.5–15.2 yr olds with Tourette's syndrome or tic symptoms vs ADHD, 15820
augmentation of serotonin reuptake inhibitor with risperidone, 16–59 yr olds with obsessive compulsive disorder or trichotillomania or Tourette's syndrome, South Africa, 32551
brain morphometry, 6.6–14.4 yr old males with ADHD with vs without Tourettes syndrome, 19595
characteristics of obsessive–compulsive symptoms, 19–83 yr old patients with Tourette syndrome vs with obsessive–compulsive disorder vs with Parkinson's disease, 38864
cognitions & autonomic anxiety & sensory phenomena associated with repetitive behaviors, outpatients with obsessive-compulsive disorder &/vs Gilles de la Tourette's syndrome, 35673
corticotropin releasing factor activity in CSF, neurobiological vulnerability to stress & anxiety, patients with Tourette's syndrome &/vs obsessive compulsive disorder, 11832
cross-cultural similarities & differences in etiology & prevalence & clinical characteristics & treatment outcome, 10–45 patients with Tourette disorder, literature review, 42841
current severity & symptoms & related childhood academic difficulties, employment status & type of work & job discrimination & choice & satisfaction, 18–78 yr olds with Tourette's syndrome, Canada, 4706
deprenyl, tic severity & hyperactivity, 7–16 yr olds with comorbid Tourette's syndrome & ADHD, 9063
diagnosis of Tourette's syndrome & haloperidol treatment & social interventions, behavior problems & tics, learning disabled 28 yr old male, 8708
discontinuation & reinitiation during long term methylphenidate treatment, tic symptom frequency & severity, male 8–14 yr olds with Tourette's syndrome & ADHD, 13034
EEG spectral frequency analysis, 8–41 yr olds with obsessive compulsive disorder &/vs Tourette's syndrome, 26554
efficacy & safety of remoxipride, 15–18 yr olds with Tourette's syndrome, 9250
expected vs unexpected location, RT in hold vs shift of attention, 41–63 yr olds with Huntington's disease vs Tourette's syndrome, 1574
experience or fear of intolerable side effects & effectiveness of medication, discontinuation of haloperidol, 10–47 yr olds with Tourette's disorder, implications for medication psychoeducation, 1941
features of comorbid Tourette's syndrome & autism & bipolar disorder, 15–38 yr olds, case reports, 7800
fetal alcohol syndrome, development of Tourette's syndrome & hyperactivity & attention disorder, mentally retarded female 8.9 yr old, case report, 4356
haloperidol, Tourette syndrome, 35 yr old female with severe mental retardation, 27446

haloperidol vs pimozide, plasma prolactin & tic severity & extrapyramidal symptoms, children & adolescents with Tourette's syndrome, 13170
herpes simplex, tic exacerbation, 11 yr old female with Tourette's syndrome & ADHD & obsessive-compulsive disorder treated with clonidine & other drugs, case report, letter, 31153
historical account & current knowledge of Tourette's syndrome, 1885–present, literature review, 31867
maternal vs paternal transmission, age at onset & diagnosis & chronic motor tics & obsessive compulsive behavior & phenotypic expression, 1st degree relatives of patients with Tourette's syndrome, 35656
methylphenidate & dextroamphetamine, tic severity, males (mean age 9.4 yrs) with ADHD & comorbid Tourette's syndrome, 36613
morphology of corpus callosum, 6–16 yr olds with Tourette's syndrome vs ADHD, 19083
motor response pattern of autogenic startle reflex, 11–53 yr old males with Tourette's syndrome, 31872
neurobiological model of pathogenesis & genetic & risk factors of Tourette's syndrome & related obsessive-compulsive disorders, 26997
neuroimaging studies & involvement of corticostriatal circuitry in pathophysiology of Tourette's syndrome, 42829
neuroleptics with vs without serotonin reuptake inhibitors, adolescents with Tourette's syndrome with vs without comorbid obsessive compulsive disorder, letter, 9080
neuropsychological deficits & learning disabilities, 6–18 yr olds with Tourette's syndrome, 16394
neuropsychological performance, 6–18 yr olds with Tourette's syndrome with vs without obsessive compulsive and/or attention deficit symptoms, 31755
onset of Wernicke's encephalopathy, partial abatement of motor tics, male 48 yr old with Tourette's syndrome, case report, 31851
persistent dyskinesia & obsessive compulsive behavior after alcohol withdrawal, 27 yr old male, case report, 26952
pharmacotherapy for tics & associated behavioral problems, children & adolescents with Tourette's syndrome, 32373
plasma tryptophan & kynurenine & neopterin & tetrahydrobiopterin, 12–38 yr olds with Gilles de la Tourette syndrome, 1620
platelet serotonin transporter protein reduction, children & adolescents with obsessive compulsive disorder vs Tourettes syndrome, 31115
prepulse inhibition magnitude & deficits in sensorimotor gating, male 7–15 yr olds with ADHD with vs without Tourette's syndrome, 1419
presence & characteristics & functional impact of nonobscene socially inappropriate behavior, 14–82 yr olds with Tourette's syndrome, US & UK, 1591
pretreatment BP & tic severity, behavioral & tic responses to oral clonidine, 5–18 yr olds with Tourette's syndrome, implications for role of central noradrenergic systems, 24040
psychosocial & psychoeducational & neuropsychological status, frequency of learning disabilities, 6–14 yr olds with Tourette's syndrome with vs without ADHD, 8641
quantitative EEGs during music perception vs performance of hand movements, 20–67 yr olds with Tourette's syndrome, 16329
risperidone, tic symptomatology, 8–53 yr olds with Tourette's syndrome, 5176
RT on continuous performance test of attention, young males with Tourette's syndrome, 23473
septum pellucidum cavum vergae abnormality, 12 & 14 yr old White males with Tourette's syndrome, 16375
serotonin reuptake inhibitors in treatment of obsessive compulsive disorder & Tourette's syndrome & trichotillomania & related dopaminergic mechanisms, 1977–95, literature review, 12974
short term risperidone safety, 11–16 yr olds with Tourette's syndrome or chronic tic disorders with or without obsessive compulsive symptoms, erratum, 13004
stereotyped echopraxic self-injurious behavior, 27 yr old female with severe Tourette's syndrome, case report, 4648
strep & other infection triggered autoimmune neuropsychiatric disorders, 10–14 yr old males with obsessive compulsive disorder &/or Tourette's syndrome, case reports, reprint, 30648
study design, conclusions about efficacy of risperidone in treatment of adolescent tic disorders & Tourette's disorder, commentary, letter, 9253
study design, conclusions about efficacy of risperidone in treatment of adolescent tic disorders & Tourette's disorder, commentary reply, letter, 9286
symptoms & intervention & assessment & role of school psychologist for children with Gilles de la Tourette syndrome, 34837
temporal sequence & topographic distribution of brain electric fields in continuous EEG, adults (mean age 36.4 yrs) with Tourette syndrome, Germany, 27012
tics & obsessive compulsive & attention deficit symptoms as bilineal transmission of Tourette's disorder phenotypes, descendants & married-in spouses of 4-generation pedigree, 8479
tramadol, 23 yr old female with Tourette's syndrome & obsessive compulsive disorder, case report, 36508
transdermal nicotine patch administration, tics & other symptoms, 9–15 yr olds with Tourette's syndrome, 32543
transdermal nicotine patch application, improvement in tics, nonsmoking males with Tourette's syndrome (mean age 30.6 yrs), 16 wk study, 36076
traumatic combat related experience & development of PTSD, disease severity, 27 yr old male with Tourette's syndrome, Israel, case report, 27021
treatment efficacy of haloperidol vs pimozide, 7–16 yr olds with Tourette's syndrome, 43181
visual field defects as biological markers, 20–52 yr olds with Gilles de la Tourette syndrome, letter, 8664
visuospatial priming & latent cognitive inhibition, children vs adults with Tourette's disorder, 8651
vocal & motor tic development with risperidone withdrawal, 12.2 yr old Hispanic schizophrenic male, case report, letter, 32520
volume of globus pallidus & caudate & putamen, male children with ADHD with vs without Tourette's syndrome, 23146

Girls [See Human Females]

Glands [See Also Endocrine Glands, Pancreas, Salivary Glands]—Serials

learning behavior & immune response, thymectomized male mice, screening model for cognitive enhancer, 21696
ovary & poison gland change, behavioral ontogeny & functional stages, intranidal vs extranidal ponerine worker ants, implications for physiological maturation vs age polyethism, 29114
piracetam & tacrine, learning & memory in open field & passive avoidance & water-maze & neurotransmitter & corticosterone & white cell levels, thymectomized male rats, 41524

Glaucoma—Serials

methylphenidate, glaucoma comorbid with ADHD, 55 yr old male, case report, letter, 36413
paroxetine, development of acute angle closure glaucoma, 70-yr-old woman with symptoms of major depression, case report, letter, 32452
relaxation training, acute stress reactivity of intraocular pressure to short-term achievement-related stressor, 20–68 yr old open-angle glaucoma patients, Germany, 16732

Global Amnesia—Serials

alterations of peak distribution of auditory ERPs, 51 yr old male with transient global amnesia, case report, 31873
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, 42845
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, commentary, 42798
severe amnesic syndrome, 72 yr old male with isolated right thalamic softening, case report, 11 yr study, 23470

severe global amnesia presenting as Wernicke's encephalopathy/Korsakoff's syndrome & right temporal lobe infarction with hippocampal atrophy, 53 yr old female alcoholic patient, case report, 23484
Globulins [See Also Antibodies, Immunoglobulins]—Serials
antidepressant treatment, total serum protein & albumin & beta- & gamma-globulin concentrations, major & treatment-resistant depressed adults, 32434
carbohydrate-deficient transferrin & condensation products in blood as state markers for alcoholism, 4343
correlation of urinary levels of alpha1-microglobulin & ulinastatin & nullification by MPTP, male mice, implications for Parkinson's disease & other neuropsychiatric disorders, 38157
corticosteroid binding globulin & basal & postdexamethasone serum cortisol or corticotropin levels, adults with major vs minor depression, 15922
lectin binding to surface glycoproteins, mate recognition cues, sibling Coullana species, conference presentation, 14960
ratio of urinary alpha-Microglobulin & ulinastatin levels, patients with schizophrenia vs bipolar disorder vs major depression, 30765
serum L-tryptophan availability & total serum protein & albumin & alpha 2 globulin, depressed adults, Belgium, 4109
social stress induced hyperstimulation of hypothalamo pituitary adrenal axis, corticosteroid receptor binding in spleen & plasma binding globulin levels, rats with vs without adrenalectomy, 6753
transcortin & serum corticosteroid binding globulin, illness severity & post-DST cortisol & ACTH, depressed patients, Belgium, 11979
Globus Pallidus—Serials
attempted suicide by carbon monoxide poisoning & resulting bilateral globus pallidus infarction causing obsessive-compulsive disorder, 34 yr old Hispanic male with depression in remission, case report, 42201
bilateral lesion of globus pallidus & dysfunction of frontal cortical area, amnesia & loss of psychic self activation, 52 yr old female, case report followed over 10 yrs, 23449
changes in affect & motivation or isolated athymhormia from damage to globus pallidus & limbic & cingulate circuit, male 40 yr old following accidental carbon monoxide intoxication, case report, 8628
clozapine vs metoclopramide vs haloperidol, extracellular amino acids in ventral pallidum & globus pallidus, female rats, 6850
globus pallidus lesions, adults with secondary major depression, 16342
ibotenic acid induced lesions of caudate nucleus & globus pallidus, effect of ablation of subthalamic nucleus on neuronal degeneration in substantia nigra reticulata & movement disorders, male rats, 25491
kainate lesions in globus pallidus neurons, neophobia & conditioned taste aversion, male rats, implications for feeding information acquisition & storage & retrieval, 21656
lesions in dorsolateral vs dorsomedial vs ventrolateral vs ventromedial neostriatum vs ventral pallidum vs globus pallidus, serial organization of syntactic grooming, male rats, 18281
Glossolalia—Serials
glossolalia frequency & context & associated behaviors & feelings & meaning & association with psychopathology, speakers vs witnesses, 38917
Glossopharyngeal Nerve [See Cranial Nerves]
Glucagon—Serials
glucagon like peptide-1 amide, regulation of feeding, fasted vs satiated rats, 645
Glucocorticoids [See Also Dexamethasone]—Serials
adrenalectomy with vs without corticosterone replacement, increases in glucocorticoid levels after stress & subsequent changes in c-fos mRNA expression, male rats, 21655
amygdala nuclei lesions, glucocorticoid induced modulation of learning & memory for spatial cues, male rats, 10999
chronic stress, neurotrophic factor effects on glucocorticoid induced age related hippocampal damage, conference presentation, 1626
chronic vs acute prednisone, hippocampal dependent explicit vs hippocampal independent implicit memory, 22–73 yr olds with non-CNS related disease, 20086
diazepam & N-methyl-b-carbonline-3 carboxamide, behavioral reactivity to novel stressful stimuli, male transgenic vs B6C/3FI mice, 41513
effects of overexposure to glucocorticoids from sustained stress, hippocampal volumes & role in depression & PTSD, rats & humans, literature review, 19131
glucocorticoid receptor agonist & antagonist in basolateral &/or central nucleus of amygdala, memory storage, male rats, 38153
glucocorticoids & food restriction, diurnal rhythms of serotonin 5-HT2C & corticosteroid receptor gene expression in hippocampus, rats, 41470
glucocorticoids, platelet & CNS serotonergic transporter binding sites & serotonin uptake capability & imipramine induced uptake inhibition, male rats, implications for human depression, 25616
luteal phase of menstrual cycle, glucocorticoid feedback regulation in HPA axis & mRNA expression in lymphocytes, 20–39 yr old females, implications for premenstrual irritability & dysphoria, 41400
mineralocorticoid receptor antagonist RU 28318 &/vs glucocorticoid receptor antagonist RU 38486, immobility & defensive burying, rats, animal models of fear & anxiety, 15051
plasma sialyltransferase & lymphocyte glucocorticoid receptor binding parameters as indicator of hypothalamic-pituitary-adrenal axis functioning, patients with unipolar depression vs schizophrenia, 35483
repeated stress exposure, sensitivity to glucocorticoids vs insulin hypoglycemia, rats, 3173
stria terminalis & amygdala lesions & adrenalectomy, glucocorticoid induced modulation of memory formation for inhibitory avoidance & spatial learning, male rats, 14875
Type II glucocorticoid antagonists, contextual fear conditioning, rats, 34694
Glucose [See Also Blood Sugar]—Serials
degree of anxiety induced by test taking, plasma glucose & cortisol & prolactin, female medical students, 6759
food exposure, serum insulin & fatty acids & plasma glucose concentrations & salivation & hunger & desire to eat & consumption, obese binge-eating vs obese nonbinge-eating females, Finland, 31509
glucose & tolbutamide, morphine enhanced & angiotensin II reduced alcohol consumption, male rats, 29552
glucose, declarative verbal memory & nondeclarative priming, healthy 17–22 vs 61–80 yr olds, 38130
glucose, memory improvement in object recognition, male mice, 37838
glucose regulation, cognitive processes & relation to Alzheimer's disease & diabetes, 1971–94, literature review, 8480
glucose vs insulin, memory storage & long term retention, male mice, 6953
glutamate vs glucose, inhibitory avoidance memory impairments induced by intra-amygdala propranolol, male rats, 10970
hassles & anger & hostility & fasting insulin & glucose levels, nondiabetic spouse caregivers of patients with Alzheimers disease, 15–18 mo follow up, 29493
icv neuropeptide Y dose with food present vs absent, hyperinsulinemia measured by serum insulin & glucose levels & food & water intake, female rats, 11165
icv vs iv cholecystokinin with vs without its CCK-sub A receptor antagonist Devazepide, dose-dependent glucose appetite & consumption, prepubertal pigs, 6817
nicotine dose &/vs noise level, mood & blood concentrations of glucose & beta endorphin & ACTH & cortisol, 21–35 yr old male smokers, 29549
poststress glucose treatment, behavioral impairment from shock in the learned helplessness model of psychopathology, male rats, 41424
posttraining glucose & drugs acting on cholinergic system, retention of habituation response, male mice, implications for cholinergic mechanisms involved in memory storage, 3235

taste stimulant saccharin concentration & glucose, fluid licking rates & volume ingested as measures of negative feedback signal magnitude, male rats, test of oropharyngeal hypothesis of satiety, 6732

Glucose Metabolism—Serials

abnormal local cerebral glucose metabolic rates, traumatically brain injured 12–59 yr olds with long term behavioral & cognitive deficits, 1–5 yr followup, 1575

abstinence & relapse, neuropsychological functioning & cerebral glucose metabolism, adult patients with severe chronic alcoholism, 32 mo study, 39206

audiovisual stimulation, regional cerebral glucose metabolism in parietal & temporal areas, healthy 32–38 vs 43–61 yr old Down's syndrome patients at risk for Alzheimer's disease prior to dementia, 42649

brain glucose activity levels, anorectic &/vs depressed female patients, Belgium, implications for influence of weight loss & depressive symptomatology, 38848

brain hypometabolism of glucose, females with bulimia nervosa (mean age 26.2 yrs), 31499

cerebral blood flow & rate of glucose metabolism as evidence for abnormalities in subgenual prefrontal cortex, adults with bipolar & unipolar depression, commentary, 35520

cerebral blood flow & rate of glucose metabolism as evidence for abnormalities in subgenual prefrontal cortex, adults with bipolar & unipolar depression, 35523

cerebral glucose metabolism, cortical & subcortical circuits based on theoretical models, never-medicated schizophrenics, 7970

cerebral glucose metabolism revealed by positron emission tomography & neuropsychological functioning, 11–15 yr old females with Turner's syndrome, 8459

cerebral glucose metabolism, 14–29-yr-old females with anorexia assessed before vs after weight gain, 31498

cerebral hypometabolism & brain metabolic changes, 2 families (aged 18–55 yrs) with familial Alzheimer's disease & APP717 Val to Ileu mutation, Italy, 42828

changes in carbohydrate & glucose metabolism & role of regulatory hormones in anorexia nervosa, research review, 4437

chronic neurotoxic doses of PCP, regional brain glucose metabolism at 24 hrs vs 10 days, female rats, implications for PCP induced psychosis, 3211

complexity of forced choice tone recognition task, regional cerebral glucose utilization patterns, healthy 25–35 yr olds, 10959

correction for expansion of CSF spaces, cerebral glucose metabolism & atrophy & corresponding neuropsychological results, patients with probable Alzheimer's disease, 20095

disulfiram & flumazenil, regional cerebral glucose metabolism & benzodiazepine receptor binding & neuropsychology, alcoholic adults (mean age 48 yrs), retrospective study, 27558

family history of probable Alzheimer's disease & reduced rates of glucose metabolism in brain regions, 50–65 yr olds homozygous for apolipoprotein e4 allele prior to onset of cognitive impairment, 12667

fenfluramine, regional brain glucose metabolism & serotonin responsivity, 19–44 yr old drug free inpatients with major depression, comment & reply, 23866

glucose metabolism in anterior & posterior cingulate cortex, 17–59 yr old unmedicated males with schizophrenia, 30983

hippocampal glycogen to glycogen phosphorylase a & electrographic activity & behavioral exploration activity levels, rats, 29209

interictal cerebral glucose hypometabolism, cognitive & language functioning, 15–59 yr olds with refractory focal epilepsy of left vs right mesiotemporal origin, 12577

local cerebral glucose metabolic rate in olfactory cortical projection, schizophrenic male 20–36 yr olds, 4142

methylphenidate, regional brain glucose metabolism, 24–45 yr olds, implications for role of dopamine D2 receptors, 21929

peripheral thyroid hormone levels & cerebral blood flow & glucose metabolism, patients with major depression or bipolar disorder, 22778

physostigmine, clinical symptoms & brain glucose metabolism & cerebral blood flow, patients with progressive supranuclear palsy, 16618

positron emission tomography vs 8F-flurodeoxyglucose assessment of cerebral glucose metabolic rate, wandering, 61–87 yr olds with vascular dementia, Japan, 8627

psilocybin with ketamine vs dextroamphetamine, regional cerebral glucose rates, healthy 27–45 yr olds, application of psilocybin model of psychosis, 29631

regional cerebral glucose metabolism, 6–12 yr olds with continuous spike & wave discharges during slow sleep, implications for etiology of Landau-Kleffner syndrome, 16349

regional cerebral glucose utilization, ability to monitor source of remembered information & related reflective cognitive processes, detoxified alcoholic patients, 4357

temporal lobe glucose metabolic rates, unmedicated outpatients with schizophrenia (mean age 31.4 yrs), 12062

tetrahydrocannabinol intoxication, brain glucose metabolism assessed with positron emission tomography, chronic marihuana abusers, 8286

tone recognition task performance levels & PET scan regional cerebral glucose utilization patterns, 25–35 yr olds, 29301

transdermal nicotine, regional cerebral glucose metabolism & semantic memory, 79 & 81 yr olds with Alzheimer's disease, 16757

venlafaxine vs bupropion, responsiveness & regional cerebral glucose metabolic rate, unipolar depressed outpatients, 23901

weight loss, cerebral glucose metabolism, low-weight females with depression vs anorexia nervosa, 35408

zolpidem, cerebral glucose metabolism during 1st non-REM sleep period, males, implications for memory, 3217

Glue Sniffing—Serials

practitioner decision making & responses to glue-sniffing, social workers, Scotland, 43556

Glutamic Acid—Serials

ablation of medial agranular region of frontal cortex & neglect of contralateral stimuli, binding of striatal glutamatergic & dopaminergic receptors & spontaneous recovery from neglect, rats, 498

AMPA receptor-facilitating drug BDP-12, fear learning & level of conditioned fear acquired, male rats, 41515

anatomical distribution of NMDA glutamate receptor binding during Lat maze performance, Naples high- vs low-excitability rats, implications for neural model of ADHD, 29357

CA1 vs CA3 long term potentiation during spatial learning & memory, mice bred without metabotropic glutamate receptor 5, 41395

central facilitation of glutamate receptors, retention of olfactory & transient spatial memory, male rats, 11012

chronic maternal ethanol exposure, brain development & hippocampal glutamate & NMDA binding sites, near-term fetal guinea pigs, erratum, 6810

connection between pharmacology of glutamate & schizophrenia, 43192

detection of G-protein-coupled metabotropic glutamate membrane receptors in taste buds, taste of monosodium glutamate, rats, 18150

dopaminergic modulation of glutamate induced neuronal spontaneous activity in nucleus accumbens & neostriatum, rats, 21666

glutamate deficiency & GABA function hypotheses of neuropathology in schizophrenia, 42315

glutamate dysfunction & cognitive deterioration in shizophrenia pathogenesis, 42324

glutamate receptors in dorsal periacqueductal grey, anxiolytic consequences in elevated plus maze, male rats, animal model of anxiety, 41491

glutamatergic input in nucleus accumbens during conditioned emotional response, NMDA receptor blockade & synaptic release of dopamine, male rats, translated article, 11004

in vitro exposure to aluminum, long term potentiation & glutamate release in hippocampus, male rats, 38102

induction of long term potentiation, phosphorous 32 labeling of AMPA-type glutamate receptors & activation & autophosphorylation of calmodulin-dependent protein kinase II, 37955
intra-amygdala CNQX, aversively motivated retention & reactivity to footshock & anxiety & locomotor activity, male rats, 25594
local striatal nicotine with vs without nicotine vs glutamate receptor antagonists vs glutamate receptor agonists vs kainic acid, excitability of nigrostriatal dopaminergic terminal axons, male rats, 6900
long term haloperidol, glutamate functioning & vacuous chewing movements, female rats, animal model of glutamatergic activity associated with tardive dyskinesia, 615
monosodium glutamate after visual reminder at different intervals following passive avoidance learning, transient loss of memory on retention tests, day old chickens, 3282
neonatal monosodium glutamate, exploratory behavior & habituation, rat pups, animal model of stress, 41448
neural network model of metabotropic glutamate receptor 2nd messenger system in cerebellar Purkinje cells, adaptive timing in classical conditioned nictitating membrane response, 10946
NMDA vs AMPA receptor antagonists, morphine & amphetamine induced place conditioning & behavioral sensitization, male rats, implications for glutaminergic mechanisms, 25623
posttraining temporal course of 3H-AMPA glutamate receptor binding in hippocampus, synaptic plasticity mediating learning & memory in inhibitory avoidance, rats, 18149
protein synthesis inhibitors & protein kinases inhibitors & glutamate receptor blockers, memory for visual discrimination & amnesia in passive avoidance learning model, 2 day old chicks, 3285
repeated cocaine, glutamate & NMDA receptor expression & immunoreactivity in ventral tegmental area dopamine pathways, male rats, 11132
sigma receptors, NMDA & dopaminergic neurotransmission & regulation of glutaminergic system, implications for psychiatric disorders, literature review, 10940
spatial memory influencing doses of metabotropic glutamate receptor agonists vs antagonists, open field behavior, male rats, 14889

Glutamine—Serials

acetylcholine & glutamine, dynamics of calcium & polyphosphoinositide regulatory system activity in development of adaptation, cat cerebral cortex, 34576
ECS or imipramine, cyclic AMP accumulation induced by ibotenate & glutamate in rat cerebral cortical slices, 14870
expression & distribution of gGluR1 mRNA receptors in cochlear neurons & coexpression in spiral ganglion neurons with NMDA & non-NMDA receptors, guinea pigs & rats, 14877
glutamate vs glutamine, methionine sulfoximine induced amnesia for passive avoidance training, day old chicks, implications for astrocytic activity in memory consolidation, 6905
hippocampal long-term potentiation in vivo, expression of specific glutamate receptor subunits, male rats, 21752
inhalation anesthesia, kainate induced glutamate release from cerebellar granule cells, 8 day old rats, 21942
ligand binding to glutamate receptor subtypes & benzodiazepine/GABA receptor complex in brain during repeated alcohol withdrawal induced seizures, rats, 7099
role of cholinergic & glutaminergic cortical structures in synchronization in short term memory, monkeys, 34532
unilateral vestibular destruction, compensation of righting response over time, mutant mice deficient in delta 2 protein of ionotropic glutamate receptors, 14806

Glycine—Serials

allosteric glycine site of NMDA receptor & 7-chlorokynurenate in striatum & nucleus accumbens, motor behavior & haloperidol & SCH 23390 induced catalepsy & snout contacts, male rats, 18170
alpha$_1$-adrenoceptors & NMDA & glycine-B receptors, learning defects, 22–24 mo old vs 3.5–4 mo old rats, 34698
concentration & microheterogeneity glycophorms of alpha-1-acid glycoprotein, patients with major depressive disorder, 12003
glycine & glycyldodecylamide, phencyclidine & amphetamine induced hyperactivity, rats, 41472
glycine adjuvant therapy, negative & depressive & cognitive symptoms, 20–60 yr olds with treatment resistant schizophrenia, 32431
glycine, NMDA receptor-mediated neurotransmission, adults with schizophrenia, 23889
glycine/NMDA receptor antagonist, reversal of deficit in prepulse inhibition, rats, implications for development of novel antipsychotic agents, 6835
oral glycine antagonist L-701,324 vs polyamine receptor antagonist eliprodil, ethanol withdrawal induced audiogenic seizures, male rats, 18309
oral glycine, serum glycine & adverse effects & neuroleptic levels for haloperidol & clozapine, schizophrenic patients, 1837

Glycogen—Serials

hippocampal glycogen to glycogen phosphorylase a & electrographic activity & behavioral exploration activity levels, rats, 29209

Glycoproteins [See Globulins]

Goal Setting—Serials

assigned vs participative goal setting, intersection stopping & turn signal use & safety belt use, pizza delivery store employees, 24899
emotional stability, experience of anticipatory & reactive stress associated with goals, young adults, 6–7 mo follow-up, 22536
goal importance & development of the Importance of Goals Scale, delinquent vs at-risk vs not-at-risk 12–16 yr old students, Australia, 40927
goal setting & anxiety & perceptual-motor performance, 18–36 yr olds, 28818
goal setting & feedback applied to teacher behavior, student behavioral changes, 6 yr old males with emotional disturbances, 33543
goal setting & self monitoring during self regulated practice, acquisition of dart throwing skill, 14–16 yr old females, 22059
goal setting &/vs imagery training, free throw performance, female college basketball players, 20834
goal setting &/vs self-instruction, acquisition & maintenance & generalization of reading comprehension strategy, 4th–6th graders with learning disabilities, replication, 28071
goal setting vs commitment vs self efficacy vs trait efficacy vs ability vs self satisfaction, tennis performance, 19–23 yr olds, 14036
goal vs implementation intentions, goal completion, 19–33 yr olds, 35319
group goal setting, sport team performance & building & cohesion, 33725
group goals & group efficacy, subsequent task performance, college students in triads, 15601
group vs individual goal setting, performance & personal goals & perceived goal difficulty, novice male bowlers (mean age 21.6 yrs), 37234
high vs low self-evaluation on error-checking task, goal setting &/vs task performance, adults, 35327
nonparametric statistical analysis of goal attainment scaling data, evaluation & development of quality of services & personal goal outcomes, clients in programs in education & health & social work, 148
participation in goal setting & feedback, perceived organizational support & commitment, 21–60 yr old employees, 20738
participative vs assigned vs self set goal setting methods in team's training plans, goal attributes, university track & field athletes, 24803
perceived motivational climate & dispositional goal orientation, intrinsic motivation & self efficacy, college tennis students, 10150
person & process & situation & product goal structures in motivation, high vs low creative people, 26264

person centered planning, parent participation in individual educational planning transition meetings & discussion of post-school issues, mentally retarded adolescent students & their parents, 37135
personal stakes & anticipatory emotions of potential success or failure, volitions & goal-directed behavior & sales performance, medical supply salespersons, 3 mo followup, 17342
positive appraisal & goal process narratives & coping responses, psychological well-being, adult caregivers whose partners died of AIDS, 30546
process- vs performance-oriented goals, processes that support performance, male golfers, England, 43848
process of resolving value differences in psychosocial rehabilitation & perspectives on goal setting & rehabilitation process & autonomy & competence, rehabilitation workers & their clients, 33020
self esteem & social identity & perceived similarity to ingroup members, goal setting & task performance, college students, conference presentation, 38780
self handicapping during goal setting & long term use with vs without short term goals, improvement in exercise performance, female adults, 10155
structural & process & content aspects of goal constructs in cognitive & personality & motivation research, implications for taxonomic organization, 3875
theory of social intelligence & point vs interval activity strategies for cognitive processing & goal setting & behavior & personality traits, 11763

Goals [See Also Educational Objectives, Organizational Objectives]—Serials

ability to use distinction between self initiated & externally caused movement as cues for detecting presence & nature of goal motivating action, younger vs older 3 yr olds vs 5 yr olds, 18494
achievement goal orientation & success perceptions & personally controllable attributions & achievement-related affect in physical education, 11–16 yr olds, England, 37082
achievement goals & orientation of students' friends toward academic effort & achievement, 8th graders, 33478
achievement of happiness as goal of psychoanalytic therapy, reprint, 16580
advertising decisions & success, social campaigns with economic vs mixed vs noneconomic objectives vs standard campaigns, company informants & marketing partners, 14057
age & social role, future time perspective in goals & aspirations, 20–64 yr old females, Canada, 7532
aggressive vs withdrawn vs problem solving response style to ambiguous provocation & social goals & self efficacy perceptions, 9.9 yr olds, 11433
antecedent & consequences of pursuit of avoidance achievement motivation, personal goals, 17–48 yr olds, 35316
antecedents & consequences of mastery & performance-approach & performance-avoidance goals, college students, test of hierarchical model, 14674
approach vs avoidance personal goals & subjective well-being, 17–48 yr old undergraduates, semester-long study, 42061
birth order & sex & gender composition of sibling dyad, advice about life plans & personal problems & satisfaction with support & sibling influence, 16–19 yr olds with 13–23 yr old siblings, 25906
cognitive model of self regulation, patterns of self regulation & concept of disinhibitory overrides & goal conflicts, commentary, 11772
cognitive models of self regulation, patterns of self regulation failure & achievement of goals, commentary, 11785
competitiveness & competitive orientation & trait sport confidence, outcome self efficacy & goal vs win importance, male 19–54 yr old marathon runners, Philippines, 40645
concrete vs abstract consumer purchase goals, stages of information processing, graduate students as consumers, 43875
congruence of group & individual goals & attitudes & relationship to group performance & cohesion, level of group development, male fire fighters, 30392
construct of goal driven framework, consumer decision making, 21–36 yr olds, 43867
control mastery theory & idiographic plan formulation method for assessing plans for college & conscious & unconscious goals & obstructions & attitudes, female college students, 24659
critical pathways defining services from admission to discharge to achieve optimal goals in interdisciplinary rehabilitation program for postacute brain injury, 5384
depressive symptoms & personal project appraisals, 18–32 yr old university students, Finland, 2 yr study, 7932
dimensionality of J. R. Hollenbeck et al self report measure of goal commitment on computer tasks, college students, 38757
dopamine & deprivation & saliency attribution neurobiological models of goal directed motivational behavior, literature review, 29339
ego & task orientation goals & perceived ability, cognitive & somatic anxiety & confidence, 10–18 yr old athletes prior to fencing tournament, 24804
failure avoidance vs competence attainment goals & intrinsic motivation, college students, 3893
family factors & child's marital status & education & age, plans to leave & expectations about length of stay, continuing vs return coresident adult children in parent households, 11562
feedback environment & task complexity, development of goals & information search strategies & performance improvement, college students, 14678
goal based self health promotion & maintenance, 23–49 yr old female community health nurses, 5517
goal beliefs & thoughts about positive & negative life events, happiness judgment, adults, 38778
goal change, knowledge acquisition & transfer during purchasing process, college students, 5817
goal commitment as moderator between goal level & performance, college students, 11719
goal directed hand movement preparation & execution in response to central or peripheral visual cues, attention allocation, participants, conference presentation, 28847
goal importance & development of the Importance of Goals Scale, delinquent vs at-risk vs not-at-risk 12–16 yr old students, Australia, 40927
goal orientation & place dependence & interference attribution, setting vs activity based goal interferences, helicopter skiers vs winter backcountry users, 15576
goal orientations & conceptions of athletic ability, motivation, 11–17 yr olds, England & France, 7367
goal setting & self monitoring during self-regulated dart throwing practice, motoric skill & self-efficacy & self-reactions & intrinsic interest, 14–16 yr old high school females, 11403
goal vs resource interdependence, individual productivity, 5th graders, 7263
goals & expectations & evaluations of obesity treatment, obese female participants (mean age 40 yrs) from clinical trial of diet & exercise, 48-wk study, 19992
goals of solution focused intervention, recovering alcohol-dependent single parent mothers & their children, 32223
goal–subgoal conflict, planning ability in 3D Computerized Tower of Hanoi problems, patients with unilateral prefrontal cortical neurosurgical lesions vs temporal lobectomies, 42823
high vs low salience of situational vs personal goals, across-category product choice & formation of consideration sets, college students, 24850
hopes & aspirations as promotion focused goals vs duties & responsibilities as prevention focused goals & goal strength, emotional responses to goal attainment, college students, 22532
impact of power asymmetry on dynamics of conflict, goals of unofficial 3rd party intervention in protracted intergroup conflict, Arab & Jewish educators, 20928
inclusion of social interest in solution choice, goal attainment, elementary & junior high & high school students in solution-focused Adlerian therapy groups, 8776
intrinsic task interest & induced mood & processing goals, task performance, college students, 3910

knowledge level & cognitive qualities & self efficacy & goal structure, decision making & problem solving, managers in accounting, 43769
laddering hierarchy of goals, goal attainment, college students as consumers, means-end model, 43860
learning-goal vs performance-goal orientation, feedback-seeking behavior, college students, longitudinal study, 28894
learning vs outcome goals, performance of simple vs complex scheduling task, business students, 273
learning vs performance goals with vs without self evaluation, self efficacy & skill in fraction solving & motivation & task orientation, 4th graders, 13721
method of payment & choice of self set goals & self esteem, choice of goal difficulty & perceived task success expectancy & perceived total valences of job performance, college students, 10699
minimum goals & aspiration values, feelings of success, negotiators, 22442
model of organizational time as socially constructed variable experienced in present & represented by clock & organic & strategic & spasmodic clusters, implications for knowledge codification & goals, 2260
motivation & conscious performance goals & performance on work tasks, 2900
motivation & quality of life approach to defining rehabilitation goals, mentally retarded persons, 24290
motivation for & goal of learning, strategy choice, learners, literature review, 17174
motivational impact of conceptions of future & recollections of past & current exigencies, 14676
multidisciplinary school team goals & recommendations & characteristics of referred elementary & secondary school students, team members & school personnel, 5 yr follow-up, Canada, 20685
nature of commitment to accomplishment goals vs security goals on interactive effect of goal expectancy & goal value on goal commitment, college students, 42093
pain chronicity, depression & anxiety & work goal cognitions, 20–68 yr olds, 1504
parental & peer & partner & spiritual support, well being & institutional & goal commitment & self esteem, Black vs White college freshmen vs 15–29 yr olds vs pregnant adolescents, 15305
pathway vs agentic goal-directed thinking, definitions & self-reports of hope, children & adults, application of developmental model to social & group contexts, instruments appended, 38681
pathway vs agentic goal-directed thinking, definitions & self-reports of hope, children & adults, application of developmental vs other models to social & group contexts, commentary, 38658
perceived ability & learning vs performance goals & meaningful vs shallow cognitive engagement, academic achievement, college students, 9924
perceived goals in teaching maneuvering vs anticipating skills, skid training course instructors vs students, 20877
person & process & situation & product goal structures in motivation, high vs low creative people, 26264
personal & organizational & societal goals of empowerment, workers in agricultural cooperative, Nicaragua, 5784
personal goals & social support from partner, satisfaction with close relationship, married or unmarried males & females, Germany, 11554
positive vs negative information & response frame & goal, personnel layoff decision making, 18–52 yr old college student mock managers, 28180
predictions of goal perspective theory in & factor analysis of Korean version of Task & Ego Orientation in Sport Questionnaire & Intrinsic Motivation Inventory, 12–18 yr old athletes, Korea, 33983
process- vs performance-oriented goals, processes that support performance, male golfers, England, 43848
professional athletic aspirations & expectations, career goal discrepancy, African American male college students on NCAA Division I athletic team, 28260
reasons for choice of easy vs intermediate vs difficult task, 4.5–6.3 yr olds, 799
relationships among critical reasoning & personal goals & general intellectual ability & information-processing style, college students, 43635
relative functional identification with functional area vs organization as whole, information sharing norms & integrated goals, marketing managers, 40668
relative weighting given to goals vs preconditions as explanations of actions requiring substantial vs modest amounts of skill or money, college students, New Zealand, 35340
resource availability, conflict & resolution strategies vs prosocial task related behavior & attainment, same sex dyads of African American 3.2–5.2 yr olds in preschool centers, 778
reward type & presentation, activity of prefrontal neurons during spatial delayed response tasks, monkeys, implications for role of prefrontal cortex in goal directed behavior, letter, 14888
self enhancing vs self defeating ego orientation, task & avoidance orientation & academic achievement & self perceptions & anxiety, 6th & 8th graders, Norway, 22137
sex, self- &/vs other-focused goal content & salience of interpersonal concerns in everyday problem solving, 10–12 vs 18–28 vs 40–59 vs 60+ yr olds, 7378
social & emotional goals of Special Olympics International, social competence & self esteem, 9–37 yr old mentally retarded athletes assessed before vs 4 mo after participation in World Games, 8390
social goals & responses to social failure & implicit personality theories, 4th–6th graders, 22098
structural & process & content aspects of goal constructs in cognitive & personality & motivation research, implications for taxonomic organization, 3875
supported vs unsupported goals & aspirations & length of incarceration, well being, 21–53 yr old males in maximum security correctional facility college program, 20375
T. Tomaszewski's theory of action & contributions to Polish scientific psychology, 2460
task-focused goals treatment, mathematics learning, low achieving 2nd–4th graders with vs without learning disabilities, 43595
task vs ego involvement goals during actual vs imagined forearm movements & negative vs positive feedback, effort inferences & heart rate & EMG, adults, 21800
teachers' goal setting & attributional processes & resultant teacher efficacy, impact on students' achievement of cognitive & affective goals, 2162
telos/purpose & feminism & psychoanalysis & family therapy, families with children (aged 9 & 16 yrs) & couples, 43034
transition to university, goal contents & well-being & life context, 18–32 yr old students, 2 yr study, Finland, 33511
understanding predominant goals & strategies for pursuing goals & motivational analysis in capturing dynamic nature of personality, 15683

God Concepts—Serials

anthropomorphism in God concepts as representation of conceptualization of nonnatural entity, college students, 14582
development & factor analyses of Spiritual Assessment Inventory, measurement of spiritual maturity & awareness of & relationship with God, undergraduates, 25022
development & reliability & validity of God Image Inventory & God Image Scales, adults, 37406
God-centered & abstract vs concrete cognitive style, workplace attitudes, college students, 2301
object relations theory of Christian images of God, conference presentation, 30064
psychotherapy as cooperation with God & as eschatological work & as Spirit centered work in integration with theology, 27136
relational resilience in understanding relationship to God, clinicians & elderly patients, 11495
relationship with God & psychospirituality & understanding of developmental bonding in treatment, adult survivors of physical & emotional & sexual abuse, 12152
reliability & validity of integrated God control subscale in Multidimensional Locus of Control Scale, college students, 11762

religiously based object relations oriented psychotherapy, personal adjustment & God image & object relations development, patients with depression, 39662
traditional methods & paradigms of kairos time & psychological dynamics of friendship in Christ concept & spirituality, 30059
Gonadotropic Hormones [See Also Luteinizing Hormone, Prolactin]—Serials
castration & selective replacement of estradiol & testosterone & 11-ketotestosterone, hypothalamic immunoreactive gonadotropin-releasing hormone neurons, male cichlids, 25497
gonadal hormones & HVA plasma level across menstrual cycle, females (mean age 32.6 yrs), 29445
identity & independence development, 17–23 yr old males treated with gonadotropin releasing hormone for hypogonadotropic hypogonadism, 20082
lithium maintenance, testosterone & prolactin & LH & FSH at 22–24 mo vs 2–5 yrs vs more than 5 yrs, euthymic stable males with bipolar disorder, 12996
role of testicular hormones in sex-typical movement patterns during evasive dodging to protect food item, male vs female rats, 38033
steroid hormone & neurotransmitter regulation of gonadotropin releasing hormone gene expression & subsequent influence on reproductive behavior, rats, literature review, 3036
testosterone replacement therapy, mood & arousal & enjoyment to auditory sexual stimuli, hypogonadal vs eugonadal adult males, 36609
use in research on role of gonadotropin-releasing hormone in behavior & reproductive physiology, hypogonadal mice, 38035
Gonadotropin [See Gonadotropic Hormones]
Gonads [See Also Ovaries, Testes]—Serials
chronic 7-alpha-methyl-19-nortestosterone vs testosterone, copulation & other steroid dependent sexual behaviors, male hamsters with vs without orchidectomy, 18240
Goodenough Harris Draw A Person Test—Serials
Bender Gestalt Test vs Goodenough-Harris Draw A Person Test indicator scores, emotional maladjustment screening, maladjusted vs borderline vs non-maladjusted primary school aged children, Ireland, 54
Goodness of Fit—Serials
application of Akaike Information Criterion to backward & forward search tests in covariance structure analysis, 14421
approximation to conditional distribution of goodness-of-fit indexes for checking Rash model, 33928
chi squared vs Normed Fit Index for goodness-of-fit in confirmatory factor analysis of 4-factor structural model of concerns, 7th–10th graders, reanalysis, 14456
consideration of individual personality traits & institutional & interpersonal & behavioral factors, determination of goodness of fit of health care systems & elderly, conference presentation, 32848
covariance structure analysis of partially additive ipsative data using restricted maximum likelihood estimation, 14420
fitting of polytomous item response theory models to multiple choice tests, 10568
goodness of fit & equating issues in use of Rasch item response model in multiple choice testing, 10587
goodness of fit of ideal vs quasi vs noncircumplex models of interpersonal traits, adults, 42066
mixture index of fit, estimation of importance of differential item functioning, 28644
null vs 1 vs 2 vs 4 factor model of Beck Anxiety Inventory & other psychometric properties, college students, 17613
parameters & goodness-of-fit of 4-stage confirmatory factor analysis procedure for latent trait models, analysis of criterion referenced examination performance, college students, 21164
power of U3 statistic vs sum of number of Guttman errors, ability to determine unexpected item score patterns or person fit, 10577
type & number of deviant item scores in calibration sample & use of iterative procedure to remove misfitting patterns from dataset, power of nonparametric person-fit statistic, 6144
WISC-III subtests & invariance & fit of differentially difficult items, severely & profoundly deaf 8–16 yr olds, 40806
Government—Serials
American vs foreign prototypes of & consequences of family–state alliances for child welfare, 35031
differences in & union of government & economic & political systems, China & Hong Kong, 18674
effects of rally forces during Persian Gulf War, public opinion of US Congress & federal government & President Bush & personal finances & economy, members of public, 18756
establishment of community & government institutions & intergroup competition & cooperation & collective action, evolution of hotel populations around Niagara Falls, 20793
idiosyncratic philosophy & paucity of civic virtue as key elements in conceptual definition of corruption in world politics, 22321
perceived controllability & responsibility for problem & sympathy & anger, willingness to offer help to government in need, 18–71 yr olds, Nigeria, 22576
political regime type, removal of foreign leader following military defeat, 22322
public opinion on term limits & voting behavior in Congressional elections, 30219
sociopolitical & potential participation in local government, adults, Norway, 7527
views on prevention of mental disorders, 9325
1985 Supreme Court decision making assistance of psychiatrist constitutional right binding on state & federal government in order to plead defense, defendant in murder case, 20923
Government Agencies—Serials
agencies for & approach to child abuse & sexual abuse & neglect & position of children as witnesses & content analysis of alleged sexual abuse, child victims, Netherlands, 14148
approach of Home Office Mental Health Unit to assessment & management of risk, UK, mentally ill offenders, 43945
collaboration between US Air Force & Dept of Veterans Affairs & university psychiatry department regarding inpatient unit, 36763
evaluation policy of Substance Abuse & Mental Health Services Administration & implementation in evaluation of prevention & rehabilitation programs, 16811
feminist theoretical approach to ethnography of gender practices in state institutions, 30228
government agencies as mediators in public policy conflicts, 14167
integration of crisis management & psychological debriefing & counseling in Post Office trauma care & response program, UK, 32934
Kings Fund Review & personal & political & social pressures, structure & process of psychotherapy clinic & targeting psychoanalysis, psychotherapists, England, 9364
learning disability definitions & identification criteria & operationalization procedures, state departments of education, comparison with 1990 data, 12369
organizational adaption to managed care environment, agencies serving children & families, 16855
overview of research priorities of Office on AIDS at National Institute of Mental Health & focus on prevention & disease effects & coping with sequelae of infection, 12522
programs to improve responsiveness & efficiency of recruitment & hiring & training of state government employees, Wisconsin Division of Merit Recruitment & Selection, 17288
research experience program sponsored by local businesses & government agencies, senior college students in teams, 24560
research on prevention of mental disorders, Institute of Medicine & National Institute of Mental Health reports, 1994, 9296
role of risk assessment in Probation Service in England & Wales, mentally ill offenders, UK, 43949
state-wide efforts to increase participation in diagnostic outreach centers, Hispanic & African American & Asian families with relative with Alzheimer's disease, 5259

training needs assessment & data collection & methods & post-training evaluation in state government agencies, 40532
3-tier interagency structure, collaborative agency & school planning & service provision, high school students with intellectual disabilities approaching adulthood, 5388
Government Bureaucracy [See Government]
Government Personnel [See Also Law Enforcement Personnel, Military Personnel, Police Personnel, Public Health Service Nurses]—Serials
beliefs about necessity & ability to pursue policy issue areas, Black vs White male vs female state legislators, 35122
females' instrumental & expressive power in corporate & government networks, male vs female corporate & government relations managers, 13944
fit of psychological type with organization, work success, government agency managers & professionals, 20741
legal & ethical dilemmas & need for professional competency & supervision standards, government agency counselors, England, 13648
misperception of public opinion toward death penalty, adult citizens vs state legislators, 5889
political regime type, removal of foreign leader following military defeat, 22322
race & gender, promotion decisions for top management positions in US federal government department, White males & females & males & females of color, 28190
racial & political views of community press & perception of quality & fairness & usefulness of press coverage, Southern Black elected officials, 30106
relationship between line & staff officials in local government councils, Nigeria, 24761
Voting Rights Act, increase in Black officeholdings, Mississippi, 1964–1993, 38586
workplace violence in US Postal Service & management of technological change that produces stress & frustration & weakens employee integration & undermines social control, 16094
Government Policy Making [See Also Foreign Policy Making, Laws, Legislative Processes]—Serials
administrative processes, paternity & child support policy, county social service agencies, Wisconsin, implications for gender relations, 35101
analysis of & recommendations for cultural & mental health aspects of government's refugee resettlement policy, implications for international social welfare, 11527
analysis of development of work & family policy & reasons for failure of policy to adequately meet needs of families, Canada, 26043
attitudes toward immigration reform, Mexican vs Anglo Americans located in counties near Texas-Mexico border, 41850
authoritarian personality & cognitive & cultural prejudices, support & vote for California's Proposition 187, Latino vs Caucasian college students (mean age 23.63 yrs), 18757
background & accomplishments of mental health reform in Georgia, 1992–96, 27633
behavioral & social sciences, government policy making on public health, 20175
behavioral analysis of welfare system & working & policy reform initiatives, 32921
beliefs about necessity & ability to pursue policy issue areas, Black vs White male vs female state legislators, 35122
challenges & opportunities for psychology in health care & other social reforms associated with US schools, 24522
changes in federal & state child & family social policies, implications for low-income & vulnerable children & their families, 10287
changes in social service policies, aging community, implications for social work practitioners, 9419
child care & educational social policies & their contradictory implications for protectionism & competency, children, England, 22308
collaboration of state mental health system & multi-institutional interdisciplinary academic group to develop statewide infrastructure for policy relevant mental health services research, 32777
community governmental policy toward sale & use of illegal drugs seminar game, national & community drug policy makers, implications for using psychological principles of peace & conflict, 18666
comparison of crack cocaine vs cocaine hydrochloride drug action & usage patterns & implications for federal sentencing policy, literature review, 26666
consequences of governmental intervention through family policy with focus on China's population problem & 1 child mandate, implications for Western society, 30149
cost effectiveness & outcomes of integrated continuum vs traditional delivery of mental health & substance abuse services for children & adolescents & impact on mental health policy, commentary, 32791
critical oral history as applied phenomenological psychology of burden of nuclear responsibility in Cuban Missile Crisis, 18661
critical oral history as applied phenomenological psychology of nuclear burden in Cuban Missile Crisis, commentary, 18677
decision making concerning life threatening risks, appraisal of alternatives & public policy & laws & communication, 15392
demographic data & federal & state policies on stepfamilies & stepparent stepchild relationships & model covering legal protections for stepchildren & rights & obligations of stepparents, 30162
dilution of requirement for social work students to understand & confront institutionalized inequality & discrimination in society following government review, UK, 1994–95, 43503
effectiveness of background checks for driving while intoxicated vs random preflight alcohol testing as strategies for prevention of alcohol misuse, airline pilots, 31326
elimination of cultural norm & legal doctrine of parental rights & imposition of rigorous standards for parenting & rights of children, 22292
enabling component as policy oriented concept in restructuring education & community health & social services & accelerating reform, implications for school psychologists, 20683
evaluation policy of Substance Abuse & Mental Health Services Administration & implementation in evaluation of prevention & rehabilitation programs, 16811
extent & basis for support for legislation declaring English official language, respondents to 1992 American National Election Study, 41909
feasibility & desirability of closing Vermont's only state psychiatric hospital, 42884
feminist theoretical approach to ethnography of gender practices in state institutions, 30228
free market competition & external regulation in forensic science services, England, 5871
future aging politics & age-based public policy, 11510
genetic labeling & individualism & public policy, implications for children, 30024

changes in list of APA accredited doctoral & internship training programs in professional psychology, annual report, 40260

characteristics & components of effective school psychology training program & processes & faculty & students, 36943

characteristics of school psychology graduate education, implications for entry-level & doctoral specialty definition, 36947

conceptual level & supervision environment & anxiety, developmental level, counselor trainees, 24417

creation of core curriculum for education & training, school psychology students, Canada, 20528

curricular content of child clinical vs school psychology practitioner training programs, 9708

demographics & educational backgrounds & current positions & incomes & career goals & supervised experiences, graduates of advanced degree programs in sport psychology, 1989–94, 43491

Department of Defense Psychopharmacology Demonstration Project, training in prescription of psychotropic medications, doctoral level psychologists, 24446

development of criterion-referenced measurement for assessing instructional effectiveness & student progress toward learning objectives, graduate psychology instructors & their students, 28589

evaluation of collaboration & empowerment & diversity training goals in community psychology MA training program, students & recent graduates & key community people, Canada, 9684

factor analysis of Research Training Environment Scale-Revised, college graduate students in counseling psychology, 14372

genderist philosophy as foundation for transformation of marriage & family therapy-accredited master's program, 43513

historical & political & empirical perspectives on the Confluent Education program, 40277

individual productivity & degree granting university & research topics, authors in school psychology, 1987–97, 20393

instructor characteristics & orientation & focus & method of instruction in initial psychotherapy course, Masters vs PhD program instructors, 5498

model for development of religious graduate education in professional psychology, 40271

models of & major issues in supervision & metasupervision in training & practice, sport psychologists, 9685

perceptions of heterosexual bias & discrimination within professional psychology graduate program, student members of APA Division 44 Society for Psychological Study of Lesbian & Gay Issues, 9713

perceptions of professional development, psychology graduate students, US & Canada, 20424

person factors & training environment, research interest, applied psychology graduate students, 27869

predictors of research productivity & science-related career goals, counseling psychology doctoral students in APA accredited programs, 17042

prestige of master's level training programs in rehabilitation counseling associated with research & training institutes, program directors, 5473

program & job related activity, 28–56 yr old clinical vs counseling psychology graduates, 20384

psychologists & mythologists & including myths in graduate psychology education, 38184

research training environment, research productivity & science-related career goals, college graduate & doctoral students in counseling psychology, commentary, 17038

research training environment, research productivity & science-related career goals, college graduate & doctoral students in counseling psychology, commentary, 17027

research training environment, research productivity & science-related career goals, college graduate & doctoral students in counseling psychology, commentary, 17026

research training environment, research productivity & science-related career goals, college graduate & doctoral students in counseling psychology, commentary, 17049

retention & satisfaction & employment outcomes, 20–50 yr olds in Master's level psychology program, 5490

scores barely above guessing level on Facts on Aging Quiz 2, progress in learning facts on aging in training, undergraduate & 1st & final semester majors in communicative disorders, 20443

status of graduate training in psychometrics of psychological measurement, survey of programs offering graduate psychology degrees, 20439
strength & integration of domains of interface between social & counseling psychology, commentary, implications for graduate training & practitioners, 27844
stressors & enhancers resulting from training, marriage & family therapy graduate students & spouses, 33222
teaching of controversial memory recovery techniques for suspected childhood sexual abuse & facilitated communication in APA accredited clinical vs counseling psychology PhD & PsyD programs, 36878
teaching techniques for beginning level graduate course in family therapy, 33204
tips for preparing for internship, psychology graduate students, 24441
training & education & skill development in psychotherapy & psychodiagnosis, psychological practice, commentary, 13543
validity of Graduate Record Examination as a predictor of graduate psychology program performance, graduate students, 34070
weaknesses in current psychology graduate training curriculum & advancements in statistics & measurement & research methods, 2110

Graduate Record Examination—Serials
classification by combined Verbal & Quantitative GRE scores, prediction of completion of PhD in psychology, graduates of master's level psychology program, 14370
correlation between GRE scores & GPAs, male vs female 21–53 yr old Black vs White college students, 5642
structured self-paced self-study, GRE scores, undergraduates, 17172
validity of Graduate Record Examination as a predictor of graduate psychology program performance, graduate students, 34070

Graduate Students—Serials
advantages to completing master's thesis in industrial & organizational psychology, 13573
characteristics & components of effective school psychology training program & processes & faculty & students, 36943
contact based intervention, attitudes toward severely mentally ill, graduate Masters of Social Work students, 9728
development & validation of Quantitative Attitudes Questionnaire, measure of attitudes toward quanitative research methodology, doctoral vs master's students in research vs teaching oriented schools, 10525
features of psychoanalytic institutes & inhibition of creativity of candidates, implications for psychoanalytic education, 13556
paired-comparison ranking technique vs M. C. Jacob's decision grid for assisting with internship selection decisions, graduate students, 17066
perceptions of gender bias in classroom, emotional reactions & levels of distraction & subsequent performance, graduate students, 13787
perceptions of heterosexual bias & discrimination within professional psychology graduate program, student members of APA Division 44 Society for Psychological Study of Lesbian & Gay Issues, 9713
perceptions of sexual harassment & sex discrimination, male vs female graduate students, 24643
priming, self-reports of experienced stressors & strains, working MBA students (average age 29.3 yrs), 40452
test essay vs personal statement & amount of help received with personal statement, correlations with nontest indicators of writing skill, graduate school applicants, 28018

Graduation (School) [See School Graduation]

Grammar [See Also Morphology (Language), Phonology, Semantics, Syntax]—Serials
ability to form implicit grammatical rules, 3–5 yr olds with specific language impairment, test of extended optional infinitive vs implicit rule deficit vs surface accounts of grammar difficulty, 42682
abstract knowledge, performance in artifical grammar learning, adults, 21362
acquisition of relative clauses with gaps & lack of relative operators due to lacuna & compensation consistent with universal grammar, children & adults, 29785
applicability of subset principle in 2nd language acquisition, adult learners of French, 675
binding domain & orientation properties of grammar acquisition, specific language impaired 3.8–7.7 yr olds, 12433
causal factors & grammar categories & hierarchical levels, free recall of TV stories, 4 & 6 yr olds & adults, 25793
clinician &/vs parent intervention, grammar facilitation, 3.7–5.8 yr olds with problems in expressive grammar, 5 mo followup, 27808
cognitive link in impaired use of operational signs & punctuation marks, 78 yr old male with amnestic aphasia, case report, 23428
contractibility & grammatical class & occurrence of nonomission errors, production of morpheme BE, 4.5–5.1 yr olds with specific language impairment, 39337
elicitation & adaptation characteristics of tasks, processing of grammatical structures, agrammatic speakers vs other nonfluent vs fluent aphasic patients, commentary, 16204
elicitation & adaptation characteristics of tasks, processing of grammatical structures, agrammatic speakers vs other nonfluent vs fluent aphasic patients, 16200
expert database theory & formal grammar, development of command menu language & design of graphic based human computer interactions & enhanced ability to interact with system, users, 14075
expressive & receptive use of conjunctions before & after when using Clinical Evaluation of Language Fundamentals–R, 8.5–15.8 yr olds with severe to profound hearing loss, 36171
grammar structure of simple dyadic conversation, memory for conversation, college students, 28952
grammatical categories & vocabulary in spoken & written sentence production, brain damaged male, implications for orthography & phonology processes, 19642
grammatical complexity & speech rate & repetition of sentences, sentence comprehension, patients with Alzheimer's disease (mean age 72 yrs), 23475
grammatical gender, facilitation &/vs inhibition in Italian language lexical access priming, college students, 18399
grammatical morpheme difficulties, 4–7 yr olds with specific language impairment, Italy, 42676
grammatical priming, naming of inflected vs uninflected noun & verb targets, 4th graders, Australia, 18465
grammatical rule adherence & chunk strength, classification in artificial grammar learning, 55–71 yr old amnesic patients with damaged diencephalon or hippocampal formation, 8618
grammatical rule adherence & chunk strength, classification in artificial grammar learning, 55–71 yr old amnesic patients with damaged diencephalon or hippocampal formation, erratum, 19618
grammaticality & specific item similarity & chunk frequency, recognition & classification memory judgments in artificial grammar learning, college students, 37777
group instruction, grammatical awareness & knowledge that genitive but not plural nominative & accusative words should contain apostrophes, 9–11 yr old elementary school students, England, 24606
high vs low temporal resolution in infancy, vocabulary & grammatical development, 1.3–2.4 yr olds, followup study, 15257
impact of listener's/reader's prior contact with language on parsing, viability of models based on use of fine grained lexical records, 11271
implicit grammar learning & explicit series completion tasks & WAIS-R measured IQ, 18–77 yr olds, 17992
intrasentential assignment of reference to pronouns & anaphors, grammatical specifically language-impaired 9.3–12.10 yr olds, 35959
issues in social mores & use of masculine generic grammatical terms & interpretation of Draw-A-Person & other personality tests, 17609
knowledge based on grammatical rules vs associative chunk strength, classification in artificial grammar learning, college students, 37783

letter-string feature frequency, classification performance in artificial grammar learning, college students, Canada, test of chunk frequency hypothesis, 41133
lexical structure of manner of motion verbs, processing of reduced relative clauses, 41579
meaning of universal connectives against hypothetical conditional connective in selection task, young adults, Spain, 17944
modifier attachment preferences in sentence parsing, adults, Belgium, 18401
morphemes that mark tense as clinical marker, 4.3–5.7 yr olds with specific language impairment vs language equivalent 2.5–5.6 yr olds, 16212
nature of number representation underlying singular & plural count nouns in English, subject-verb agreement, undergraduates, 34207
negative vs positive input, acquisition of irregular novel verb forms, 4.9–5.6 yr olds, implications for Contrast Theory of negative input, 34824
parental role in development of displaced reference, deaf 2 & 3 yr olds who communicate via homesign, 2-yr study, 41574
parser sensitivity to types of dependencies & grammatical constraints in sentence comprehension, college students, Italy, 7134
perceived gramatically acceptable patterns of name & pronoun co-reference, adult competent speakers of English, 34743
phonetic & grammatical complexity & lexical development, 18–33 mo old late talkers, 1480
phonological organization of prosody as grammatical system, disambiguation of syntactic structure, 11284
probabilistic classification vs artificial grammar learning, nondeclarative learning task performance, 26–61 yr olds with Huntington's disease, 8616
pronoun case marking in complement sentences, eye movement assessment of parsing speed, adults, test conditions appended, 18409
prosodic influences on grammatical morphology, children with impaired speech systems, 39343
reciprocal verbs, initial sentence parsing, undergraduates, 41564
regular & irregular verbs, productivity & representation of past tense marking, 6 yr olds with specific language impairment vs age matched & mean length of utterance matched controls, 26848
rule & memory model of past tense overregularization in language learning development, children, 744
sensitivity of implicit learning vs explicit knowledge in 1st vs 2nd order dependencies & transfer in grammar, adults, 37775
sensitivity to structural contrasts in grammatical knowledge, preschoolers, literature review, 15254
speech fluency & clause & syllable structure & response latency characteristics of conversational utterances, 3–5.5 yr old male stutterers vs age matched male nonstutterers, 26847
spontaneous grammatical corrections, 61 yr old male with anomic aphasia and right hemiparesis, case report, 27009
stimuli generated from artificial grammar, ability to discriminate items' conformity with grammatical rules & well- vs ill-formed items on liking test & rule conformity knowledge, adults, 10725
subject verb agreement, sentence comprehension, college students, conference presentation, 29680
subject–verb vs object–verb agreement-marking cues, sentence interpretation, college students, Hungary, 29676
symbolic rules for grammar & associative memory for words in human brain, 34232
the application of optimality & neural networks theory to the universality of grammar, 33854
truth–value judgment task measurement of knowledge of grammatical & pragmatic principles of pronoun interpretation, 3–7 yr olds & adults, 25745

Grammar Schools [See Elementary Schools]

Grandchildren—Serials

challenges of grandparents as caregivers of grandchildren, implications for counselors, 3624
close vs not-so-close relationship with grandparents, 16–37 yr old grandchildren, 15453
demographic characteristics & prevalence of grandparents raising grandchildren, 38564
divorced vs intact family structure, views of relations with grandparents, 18–48 yr old college students, 15469
favorable & unfavorable aspects of grandparents' behavior, 53–89 yr old grandparents & parents & 6–18 yr old grandchildren, Taiwan, implications for educational programs, 7490
intergenerational transmission of abuse, granddaughters sexually abused by grandfathers, case report, letter, 12139
ontogenetically differentiated reproductive strategy & paternity confidence & ratings of paternal vs maternal grandmother vs grandfather solicitude, 16–80 yr old grandchildren, 11573
parental divorce, affective & associational & functional solidarity with grandparents, adult grandchildren, 7496
sex, mutual support, 70+ yr old Black vs White grandmothers & their 18–50 yr old grandchildren, 30127

Grandiosity—Serials

avoidance of negative affect & illusions of unrealistic optimism & overly positive self-evaluations, 18–58 yr old repressive females, 18986
delusion of self as Antichrist, 49 yr old male with paranoid schizophrenia, case report, 31039
multigenerational patterns & trauma & parental grandiosity in child abuse & neglect & development of self, role of psychoanalytically based play therapy, 10 yr old male, 23834

Grandparents—Serials

age differences & early childhood contact with grandparents, attitudes toward public policies for support of elderly, 18–90 yr olds, 41794
attitudes & behavior & contributions & obstacles in success & development of educational programs, 50–70 yr old & older grandparents, Taiwan, 5618
challenges of grandparents as caregivers of grandchildren, implications for counselors, 3624
close vs not-so-close relationship with grandparents, 16–37 yr old grandchildren, 15453
content analysis of newspaper discourses & child care attitudes & characteristics, 44–65 yr old grandmothers, Australia, 22183
demographic characteristics & prevalence of grandparents raising grandchildren, 38564
development of curriculum based on strengths & educational needs of grandmothers, nonconsanguineous 51–76 yr old grandmothers & mothers & 7–18 yr old granddaughters, 20570
divorced vs intact family structure, views of relations with grandparents, 18–48 yr old college students, 15469
favorable & unfavorable aspects of grandparents' behavior, 53–89 yr old grandparents & parents & 6–18 yr old grandchildren, Taiwan, implications for educational programs, 7490
grandmother co-residence & parenting & child development, adolescent mothers & their infants with adequate growth vs failure to thrive, 7164
Grandparent Strengths and Needs Inventory scores, grandparents & their adult children & grandchildren, Japan, implications for grandparent educational program development, 30006
intergenerational transmission of abuse, granddaughters sexually abused by grandfathers, case report, letter, 12139
mother grandmother relationship & maternal parenting practices, coresiding vs noncoresiding low income African American young mothers vs grandmothers of 3 yr olds, 18743
ontogenetically differentiated reproductive strategy & paternity confidence & ratings of paternal vs maternal grandmother vs grandfather solicitude, 16–80 yr old grandchildren, 11573
parent characteristics & economic status & community context, grandmother parenting support, 18–34 yr old Black mothers vs fathers, conference presentation, 30085
parental divorce, affective & associational & functional solidarity with grandparents, adult grandchildren, 7496

perception of influence & contributions & education needs of grandparents & obstacles that limit their success, African American vs Caucasian vs Hispanic grandparents vs parents vs grandchildren, 35006
perception of roles of grandmothers & grandfathers as source of affection & caregiving & reassurance of worth & reliable alliance, adolescents & young adults, Belgium, 30155
ratings of autistic child's adaptive functioning, parents vs grandparents, 31419
sex, mutual support, 70+ yr old Black vs White grandmothers & their 18–50 yr old grandchildren, 30127
teenage pregnancy, family environment & role satisfaction & social support & psychological symptoms, 29–60 yr old African American nongrandmothers & grandmothers & grandmothers-to-be, 26040

Graphical Displays—Serials
alternative perspective on graphs as semiotic objects & rhetorical devices & conscription devices useful in eliminating problems with assessment & inappropriate attribution of student difficulties, 24580
computerized graphical representation methods as substitute for traditional hypothesis testing, commentary, 14416
configural & digital information in graphical displays with vs without historical information, detection of temporality in terms of RT & hit rate & false alarms, graduate students, 17456
congruence of computerized interface of graphical case record with practitioner work style, 5841
conventional vs graphical &/or tree-based vs informative textual Prolog trace outputs, computer program debugging, undergraduate programmers, England, 43937
correlation estimates from perceptions of geometric characteristics of scatterplots as example of intuitive decision making, college students, 17833
development & validity of structured criteria for visual inspection of multielement functional analysis data, interrater agreement with graphs, interns vs experts, 37580
display characteristics, bias estimates of whisker length of regular & notched boxplots, college students, 10711
ecological approach to interface design applied to high technology ICU hemodynamic monitoring & control, critical care nurses & nursing students & college students, 33798
equivalence of perception of visual & auditory graphical displays, college students, 6216
external cognition & processing of graphical representations, 263
formal vs self-training, perceptions & use of graphical user interface systems, business personnel, 2388
graphic recording of cancer patient's pain level on bedside chart, interventions for pain control, hospital staff, 24270
graphical display of history of psychotherapy for use in psychiatric training, 13564
graphical representation of multidimensional item response theory analyses, 28620
graphics visualization computer software for empirical research in graph interpretation, 10240
knowledge map vs text format presentation & presence of structural icon at recall, immediate vs delayed recall, college students, test of spatial–semantic display processing model, 37785
limitations of univariate & advantages of multivariate graphical displays, application to National Assessment of Educational Progress data, 21199
linear configuration & reference strategy, perception & immediate memory for simplified graphs, college students, commentary reply, 41160
manual & nonmanual data & dual-task experiment & scattergram method, college students, 34142
nature of negotiation processes, computer characterization & graphic visualization of interactive processes & development of database, 24903
none vs static vs animated computer graphics with vs without metaphors, learning of biotechnology concepts, college students, 20537
perceptual structure of visual line graphs vs auditory displays depicting simulated time series data, implications for data presentation applications, college students, 17455
procedure for graphically determining optimal sample interval for behavior pattern, 14698
promotion of cognitive vs emotional interest by adding entertaining text & illustrations vs summary illustrations with captions, scientific text recall, college students, 24611
proximity compatibility principles, display designs related to task proximity & underlying information processing mechanisms, designs in aviation & graphs & decision aiding, 17464
Rankine vs single-sensor single indicator display, abnormality detection & diagnostic performance, novice undergraduates vs expert graduate students vs professional operators, 28302
representational analysis & task taxonomy & mapping of relational information displays, 6355
spatial arrangement of social network graph data, perceptions of & judgments about structural features of network, college students, 37628
table vs line vs bar graph & high vs low data complexity & user familiarity with display, performance, college students, 41078
verbal vs graphic stimulus presentation, intromission vs extromission beliefs about vision, 7–15 vs 18–42 yr olds, 11316
virtual worlds with assistance through organizational grid &/vs map principles, wayfinding & navigating in virtual environments, 20–45 yr olds, 10607
visual reasoning & systemic mapping between conceptual & spatial relations during graph interpretation, college students, 6308

Graphology [See Handwriting]

Grasping—Serials
amount of visual information & object size, time & speed in reaching & grasping, college students, 17873
changed gravity, grasping performance, healthy 23–45 yr old males, 21319
cup size & weight & handle size, grasping pattern, 20–45 yr old women, includes commentary on implications for occupational therapists, 40196
force & amplitude & frequency of oscillations of the isometric pincer grasp, mirror movements, 24–40 yr olds, 25241
grip force adjustments to stabilize hand-held load during arm movements, 24–40 yr olds, implications for role of CNS models in motion planning & control, 34187
injections of arginine vasopressin into cerebral ventricle or cisterna magna & stimulation with filament vs artificial nipple, grasping & oral capture, fetal rats, 11019
perceived constraints imposed by objects & intervening apertures, adjustment in orientation of hand in preparation for grasping, adults vs 9–10 mo olds, 25780
power vs precision grasping in development of prehension, 6–8 vs 9–11 vs 12–14 vs 15+ mo olds, experimental replication, 38273
selectively reaching & grasping target object in presence of nontarget objects, transport & grasp kinematics, 19–33 yr olds, Wales, 28825
task & organismic constraints on coordination system, joint freezing & postural contributions to performing prehension task combining reach & grasp skills, 23–28 yr olds, 10682
transport & grasp kinematics in goal-directed prehension movements under binocular vs monocular vs memory-guided condition, 20–28 yr old college students, Wales, 34143
trunk assisted reaching in wrist transportation to prehension involving small vs large objects, right-handed 19–51 yr olds, 21320

Gravitational Effects—Serials
allozyme-level analysis of genetic correlates of geotaxis, drosophila melanogaster hybrids, 3037
back crossing vs chromosome substitution on Y chromosome, geotaxis, male fruit flies, 29226
changed gravity, grasping performance, healthy 23–45 yr old males, 21319
gravitational acceleration cues in computer-simulated trajectories of rising & falling objects, object absolute size & distance estimates, adults, 17823
gravitational cues, haptic perceptions of vertical & horizontal & oblique orientations, college students, 10609

gravity-induced loss of consciousness, instrument flying performance, Canadian Forces pilots, 10161
gravity induced loss of consciousness, total & regional cerebral blood flow during recovery, male baboons, 551
hypergravity exposure & visual error corrective feedback, elevator illusion, adults, 6806
pointing at memorized targets & knowledge of arm position in microgravity vs on ground location & during restriction of vision, Spacelab crewmembers, 21321
reduction of gravitational inputs conveyed by otolith system, directional errors in line bisection task, brain damaged patients with unilateral neglect, 16364
vestibulo-ocular reflex during yaw & roll head movements in microgravity & re-adaptation to gravity, 28–43 yr old cosmonauts, 14951
visual reference frame & gravito-inertial forces, visually perceived eye level, 20–46 yr olds, 6242

Great Britain [See Also England, Scotland, Wales]—Serials
accuracy of traditional quota sampling opinion polls to actual election results for Labour vs Conservative political parties, 1992–97, Great Britain, 40956
anxiety & situational & cognitive stressors & practice teaching vs instructional preparation & predictive models, British vs Canadian male vs female student teachers, Canada, 24540
assessment & opinion of police, general public, Great Britain, 5892
case management vs care management vs care programming British treatment approaches, 39603
educational psychology perspective on understanding & managing of ADHD, Great Britain, 23152
evaluation of opinion poll performance in 1997 Election, Great Britain, 40948
experience of British social workers with National Health Service with focus on view of health care as social service, implications for changes in US health care system, 32897
geographical region, numbers & sex of sexual partners & condom use & injecting drug use & perception of AIDS risk, 15–59 yr olds, Great Britain, 8532
history & future of special hospitals for mentally abnormal offenders & relation to National Health Services, Great Britain, 27814
parameters & social contexts of crying & weeping & tearfulness, male vs female 20–42 yr olds, Great Britain vs Israel, 11764
perspectives on & conceptualization of ADHD, US vs Great Britain, 23171
primary school suspensions & expulsions & students' levels of unmet educational &/or social needs, local education authorities, Great Britain, 2198
proportional mortality ratios of suicide & related psychological problems & other possible reasons, 16–75 yr old male farmers, England & Wales, 39159
public acts of schizophrenia & perceptions of mentally ill offenders & psychiatry & related legislation, Great Britain, 26513
rationale & methods of national psychiatric morbidity surveys, 16–64 yr olds, England & Scotland & Wales, 38923
relationship with children's school, black parents of Caribbean or Indian origin, case study, Great Britain, 24557
separation of housing & support to provide continued improvement of life & benefits of supported living, people with learning disabilities, Great Britain, 32976
sex differences, religious mobility, 18 yr olds & older, UK, 26000
social & clinical theory & brief psychotherapy, Britain vs US, 19758
use of cost information in evaluating community care services for people with learning disabilities, Great Britain, 32889
war experiences & mental health problems in elderly & involvement of health professionals in administration of war pensions, Britain, letter, 42187

Greece—Serials
development & factor analysis of Employee Satisfaction Inventory, 18–65 yr old employees, Greece, 28608
repatriation & host country socioeconomic structure & parental educational values, education of young children, Pontian 1st–6th graders & their parents, Greece, 40457
structure & development of quantitative-relational thought, 10–16 yr olds, India vs Greece, 736

Grief—Serials
anticipatory & current grief reactions & management, caregivers of patients with Alzheimer's disease, 40118
application of social developmental model for coping with death in families with multicultural backgrounds, 26042
application of social developmental model of bereavement to Freud's lifelong experiences with grief & critique of Freud's drive-based theory of grief, 19075
appraisal & coping & resources in conjugal bereavement & health, elderly females widowed 1–12 mo before assessment, 3898
arrangements for & performance of euthanasia, adaptation to disease & grief in survivors, people with AIDS, 1542
bereavement counseling in family context, letter, 8912
bereavement following death of a twin, parents & siblings, 30130
bereavement following death of patient in psychiatric inpatient unit, schizophrenic inpatients, 5380
Bereavement Response Scale & caregiving & bereavement as indicated by narrative accounts, bereaved partners of males who died of AIDS, 30553
bereavement responses, spouses vs adults who had lost a parent vs parents who had lost a child, Australia, 1 yr study, 22553
brief trauma/grief focused psychotherapy, posttraumatic stress & depression symptoms, early adolescents exposed to earthquake, Armenia, 32026
caregiving & bereavement context, coping & mood during 5 mo prior to through 5 mo after partner's death, HIV+ vs HIV- 24–57 yr old caregiving partners of males with AIDS, 13360
caregiving & bereavement, psychosocial resources, HIV+ vs HIV- imminently vs nonimminently bereaved caregivers of men with AIDS (mean age 38.4 yrs), longitudinal study, 36026
characteristics & treatment of grief, widows & widowers, 31961
clinical & biological aspects of bereavement & loss induced depression, humans & nonhuman primates, 30823
clinical depression vs anticipatory grief, caregivers of family members with Alzheimer's disease or other dementias, 13368
cognitive coping strategies in bereavement experience at death of child with developmental disabilities, 34–72 yr old mothers, 42704
conceptions of death & model for death education, grieving children, 13691
concurrent traumatization & complicated bereavement, survivors of multiple AIDS related losses, counseling implications, 4605
constructivist interpretivist view of grief within family, individual reactions to loss & use of family as arena for grief, 11558
contribution of social work practice to care of people who are dying or bereaved & need for incorporation of spiritual dimension in practice, hospital social workers & bereaved & dying persons, 36715
criteria for diagnosis of complicated grief disorder & inclusion in nosology of mental disorders, bereaved adults, 38921
critique of psychoanalytic model of mourning & multifactorial approach to bereavement, female patient with neurosis, 1104
cultural responses to process of dying & grieving, Chinese &/vs Japanese &/vs Vietnamese &/vs Filipino Americans, 38474
Darwin & Freud & G. H. Pollock vs G. C. Engel & J. Bowlby & M. Hofer, views of normal grief as good & adaptive vs bad & pathological & disease, commentary, 11720
Darwin & Freud & G. H. Pollock vs G. C. Engel & J. Bowlby & M. Hofer, views of normal grief as good & adaptive vs bad & disease, commentary reply, 11738

Darwin & Freud & G. H. Pollock vs G. C. Engel & J. Bowlby & M. Hofer, views of normal grief as good & adaptive vs bad & disease vs syndrome, commentary, 11765
Darwin & Freud & G. H. Pollock vs G. C. Engel & J. Bowlby & M. Hofer's views of normal grief as good & adaptive vs bad & disease, 11739
death of offspring, marital communication & self identity, grieving parents, 3647
deconstruction of guilt saturated narrative & construction of alternative narrative in short term therapy, grief over & understanding of son's suicide, couple, case report, 1685
depression & anxiety & personality measures, bereaved spouses vs adult offspring vs parents, Australia, 12 mo study, 41877
developmental & sociocultural & gender role perspectives on issues of loss & grief, adult males in psychotherapy, 23600
disorder onset & treatment, 71 yr old female with monosymptomatic hypochondriacal psychosis with infestation delusion precipitated by grief, case report, 31021
distinction between complicated grief & bereavement-related depression & anxiety, widowed 40–80 yr olds 6 mo after their deceased spouses' hospital admission, 11913
duration of disease & stigmatization & multiple losses, anticipatory grief, caregivers for patients with HIV/AIDS, 2029
dysfunctional interaction & civil litigation for mortuary's negligence, grief-stricken survivors of deceased relatives, 28345
effectiveness of 8 wk bereavement psychotherapy group, 7–11 yr olds whose parent &/or sibling died, 4908
emotion vs problem focused counseling, levels of distress in 2nd yr of bereavement for death of spouse, widows & widowers under 65 yr olds, Netherlands, 23654
emotional stages in grief reaction to death of teammate & cognitive & behavioral strategies available to sport psychology professionals, surviving team members, 36293
experiences & perceptions of death & grieving, 13–18 yr old nonviolent adjudicated urban males vs suburban high school students, 4377
factor analysis of SCL-90-Revised responses, assessment of grief & bereavement after child's death from cancer, parents, 34053
family member characteristics & social support & objective & subjective burden & expressed grief, family members of individuals with schizophrenia or affective disorders, 27735
feelings of inadequacy & emotional reactions & course of grief & psychological distress & intensity of stress, mothers who experienced perinatal loss, 4 yr followup, Netherlands, 26253
frequency & severity of symptoms & social support & functional status & grief intensity after spousal bereavement, elderly with subsyndromal vs major depression, 11995
genetic predisposition & stress related to sudden death of only child & subsequent development of breast cancer, 45 yr old female, case report, 26854
grief & depressive reactions following miscarriage, male vs female members of couples, 12 mo study, 4502
grief & intrusive thoughts & avoidance & distress & wishes for children, mothers vs fathers of intellectually disabled children, 3-yr study, 4423
grief over loss of child, bereaved 27–73 yr old mothers vs fathers, 7512
grief severity 6 mo after child's death, mothers vs fathers whose infants were admitted to pediatric surgery intensive care unit with congenital anomalies, 31597
grief therapy based on tasks of mourning, relatives of severely mentally ill, 8782
grief vs episodic stress response in coping with loss of ability, 37799
identification with family & counseling parents on speaking to surviving children at death of sibling, mental health professionals, 43327
impact of social & psychological variables on grief process, birth mothers of babies adopted out, 11572
individual losses, precontemplation & contemplation & readiness to change substance abuse behavior, dually diagnosed psychiatric inpatients, 3991
inner child representations in psychic life & social world, bereaved parents in self-help group for death of child, 27261
insightful & positive vs negative emotion word use, physical & mental health & postbereavement distress, adult males whose partners died of AIDS, implications for computer-based text analyses, 30524
integration of behavioral & cognitive & symbolic approaches to foster griefwork, 24 yr old bereaved female with recurrent death related nightmares, 23550
letter writing as a therapeutic technique, trauma &/or loss, case example of 28 yr old male amputee, implications for family therapy, 27268
loss & grief & adjustment & coping & developmental issues, young & middle aged adults with chronic illness, literature review, implications for social work, 30704
loss & humiliation & entrapment, depression onset, 30832
loss induced trauma & grief & depression & PTSD & subsequent treatment, female 59 yr old, case report, 38868
loss of parent & mourning process, 22-yr-old male treatment for 10 yrs, case report, China, 24116
meanings attributed to grief & sexual intercourse & death of child, couples, conference presentation, 35078
models of grief as developmental task & life crisis & coping skills & psychosocial development, bereaved adolescents, 3404
multiple loss & bereavement in AIDS, HIV infected & at risk groups, literature review, 31660
negative vs positive facial expression of conjugal bereavement & mediation of grief course, adults, 18944
object relations & grief & body image & verbalization during psychoanalysis, patients with physical illness, 27331
participation in gay community-related activities & AIDS-related bereavement & physical health status & social support, change in depressive symptomatology, gay men with AIDS, longitudinal study, 31688
perceived presence of deceased loved one & personality constructs, implication for grieving theories, 26248
perceptions of bereavement after hypothetical loss of adult son vs spouse, college students (mean age 22.3 yrs) & adults (mean age 50.2 yrs), Israel, 30027
personal growth through grief & painful life losses, literature review, 1973–95, 25690
posttreatment course of bereavement-related depression, elderly patients treated with nortriptyline or placebo with vs without interpersonal psychotherapy, 2 yr study, 23549
prevalence & course of major & minor & subsyndromal depressions following spousal bereavement, widows & widowers, 2 yr study, 42290
psychiatric & personality & social environmental & demographic & pregnancy-related risk factors for prediction of grief intensity, 19–41 women experiencing involuntary pregnancy loss, Netherlands, 35981
psychometric properties of Bereavement Phenomenology Questionnaire & ability to measure grief, spouses & offspring of deceased patients, Australia, longitudinal study, 40877
psychosocial factors & parental bereavement after suicide vs car accident, 33–75 yr old parents of 18–35 yr old deceased males, 8155
reflexivity & personal experiences as bereaved mother in qualitative family research using feminism & contextual model of family stress, experimenter & mothers who were bereaved of child, reprint, 26032
religious beliefs & practices in grieving process, adults, 18695
self-reflective & ruminative coping with negative emotions & social friction, psychological distress & depressed mood, recently bereaved male partners, 12-month longitudinal study, 30520
separation from & losing close friends & difficulty staying afloat, psychological distress & intrusive memories & neuroticism, survivors vs bereaved relatives of river boat disaster, England, 4067
sex, differences in grief intensity, 18–37 yr old parents of deceased 0–12 mo old infants, Netherlands, 11731

sex, outcomes of bereavement, Chamorros vs Non-Chamorro adults, Guam, conference presentation, 38519
specificity of clinical feature of distinct quality in DSM- IV criteria for melancholia, melancholic vs nonmelancholic depressed patients vs bereaved persons, Australia, 35552
spiritual encounters with deceased children, grief process, bereaved parents of pediatric cancer patients, 39459
stress & grief response, 17–56 yr old partners of women who suffered miscarriage, England, 15878
suicidal ideation & bereavement & psychosocial variables, HIV positive vs negative male caregivers of partners with AIDS, 2 yr prospective study, 42747
support group ideology & interpersonal emotion management, adults in divorce recovery vs bereavement support groups, 39726
symbolic interaction model of assessment & intervention in social worker facilitated grief work, social network development, members of a mutual aid bereavement group, 32208
symptoms of complicated grief & active vs passive suicidal ideation, bereaved 50–85 yr olds, 42496
symptoms of complicated grief associated with to posttraumatic distress vs depression, sleep, bereaved 60+ yr olds, 38467
terminal illness & death of child from cancer, health status, mothers & fathers, 12 mo study, 8539
the experience of disenfranchised grief & loss after incest by daughters & non-offending mothers, implications for therapy, 26611
theoretical explanations of mood & well-being in data analysis of bereavement processes, male caregivers whose partner died of AIDS, 12-mo study, 30015
theory based preventive intervention program, bereavement stress, parents whose 12–28 yr olds died following accident or homicide or suicide, 23542
Tibetan Buddhist book "Bardo-thodol" for the dying & resolution of grief, 38496
traditional Jewish mourning processess & dynamics of Halakha after death of loved one, 22228
transference-countertransference reactions & termination of group psychotherapy treatment, adolescent females facing loss of parent with AIDS, 27238
traumatic grief, mental & physical health, future widows & widowers, 6 wk & 6 & 13 & 25 mo followups, 30528
treatment of bereavement & mortality in Shakespeare's tragedies & comedies, 7120
unstructured narratives of grief & marital tension experiences, research methodology & focus, parents 11 mo–32 yrs after child's death, 26274
validity of Bereavement Risk Index, 15+ yr olds whose spouse died from lung cancer, 2 mo prior to death & 6 wk & 6 & 13 & 25 mo following death, 14281
war vs road accident related cause of relative's death, psychological symptoms & well being, bereaved adolescents, Israel, 35301
Wilsonian Method of concept analysis of bereavement at death of sibling, literature review, 41879

Grooming Behavior (Animal) [See Animal Grooming Behavior]

Gross Motor Skill Learning—Serials

constant vs variable practice conditions & practice distance, acquisition & retention of tossing skill, patients with Alzheimer's disease, 1 wk & 1 mo followups, 8583
knowledge of results, learning of a spatiotemporal movement pattern, college students, Germany, 28828

Ground Transportation [See Also Motor Vehicles, Railroad Trains]—Serials

hours of work & perceptions of causes & magnitiude of fatigue as an industry problem, drivers in heavy road transport industry, 43912
voluntary helmet use, head injury, 5–18+ yr old cyclists, New Zealand, 20882

Group Cohesion—Serials

certainty vs uncertainty orientation & open vs closed leadership & high vs low cohesion, group decision making, college students, Canada, test of groupthink theory, 38664
classroom social environment, fluidity of relationships & changes in social group stability, 4th–5th & 7th–8th graders, 1 yr study, 9956
coaches' leadership behaviors, team cohesion, male vs female 13–19 yr old high school vs 18–33 yr old junior college baseball & softball players, 18564
congruence of group & individual goals & attitudes & relationship to group performance & cohesion, level of group development, male fire fighters, 30392
gender composition of 4-person teams, decision quality & time on task & interpersonal cohesion in male oriented decision task, male vs female college students, 3765
group cohesiveness, social loafing & social compensation, secretarial students, 38668
group goals & group efficacy, subsequent task performance, college students in triads, 15601
increased work pressure & supervisory behavior, work group cohesive behavior, manufacturing employees, 22428
leadership behaviors, team cohesion, high school vs college baseball or softball players & coaches, 28261
member educational similarity & emotional support & socializing, social support network continuity, female adults who returned to school in midlife, 10 yr study, 26183
midtreatment level of cohesion & patterns of cohesion development in group climate as predictors of therapeutic gain, 20–43 yr old group members, 43032
personal community network turnover & intimate tie persistence & durability, adults, Canada, 10 yr study, 26184
personal network stability & core–periphery membership structure, recently widowed 59–85 yr olds, 1 yr study, 26175
responsibilities for group progress & cohesion & managing ambivalence & client functioning, meeting group goals, social work leader of interaction oriented group for schizophrenic clients, 32252
sacrifice behavior & group cohesion & conformity to group norms, 16–43 yr old male team cricket players, New Zealand, 43850
segregation matrix index for cohesive group detection in social networks, 37556
social comparison standard vs loafing by group members, performance motivated by potential for group evaluation, college students, 18866
social structural embeddedness vs strength of ties in interpersonal relations stability, male college students, 26165
sociometric measures of group density & cohesiveness & satisfaction & performance, undergraduates, 30371
stability & bistability & instability in small group influence patterns, college students, longitudinal study, 15565
tension & dysphoria & leader support & control, space crew cohesion & interaction in flight simulation, male cosmonauts, 14986
therapeutic relevance of cohesion in group therapy, reprint, 12861
use & acceptance of client anger, recidivism & group cohesion in involuntary group counseling, adults arrested for DUI offenses, 20344
written cognitive pretraining, self disclosure & cohesion in time limited group psychotherapy, 22–62 yr old incest perpetrators & nonoffending spouses of incest perpetrators & incest survivors, 32237

Group Counseling—Serials

burnout & communal orientation & perceptions of balance in relationships with group members, 20–78 yr old leaders of self help groups, 24483
Campbell Interest & Skill Survey in development & application of group counselling & team building technique, 23763
cognitive approach to group counseling, social problem solving & employment preparation, 9th & 10th graders, 5716
cognitive-behavioral group counseling, prevention of HIV transmission, 18–65 yr old gay & bisexual males, 39448
contemporary theories of female development & social & self perception, eating disorder prevention program, preadolescent girls, 27244
culturally appropriate group counseling, self identity & social support & safe sex & HIV knowledge & attitudes & risk reduction, HIV positive vs negative homosexual male Asians & Pacific Islanders, 5163

culturally responsive group counseling model, Mexican American adolescents with behavior problems or disorders, 36313
development & implementation of identity-focused counseling group for men aimed at facilitating masculine identification, 24–45 yr old males on active duty in military, 43030
distributional vs linear vs pluralistic approaches to use of time in groups, social workers & group members, 24211
ethical decision making in group work & professional code of ethics & practice wisdom, social workers, 24185
group care vs treatment foster care models of residential care, peer perceptions & staff assumptions & strategies for supervision, male adolescent offenders, 17008
group counseling intervention, behavioral adjustment, male 2nd & 5th–6th graders exhibiting disruptive behavior, 33577
group counseling project, acting-out behaviors, at risk inner-city elementary school students, 33568
group couples therapy held in office vs via personal computers in couples' homes, 12872
group intervention focused on planning & perseverance at prosocial behavior & flexibility, 2nd graders with & without emerging behavior problems, 33385
group sexual counselling, female survivors of childhood sexual abuse, 23785
group vs home based aerobic exercise, participation & fitness & eating patterns & treatment adherence & weight change, obese females, 23964
group work services, special needs, adolescent immigrants from former USSR, 27237
identification & group counseling of elementary school student victims of violence who may have developed PTSD, school counselors, 10007
individual vs individual & group parent training with behavioral &/or cognitive methods, emotionally abusive & neglectful 16–38 yr old parents, conference presentation, 39759
individualistic vs collective vs combined group counseling approach, social commitment & individualism-collectivism & perceived counselor effectiveness, college level Korean immigrants, 19845
job clinic attendance with small group counseling vs receipt of unemployment compensation, reemployment, unemployed scientists, 17280
midtreatment level of cohesion & patterns of cohesion development in group climate as predictors of therapeutic gain, 20–43 yr old group members, 43032
narrative approaches to coping in group work, adults with fibromyalgia, 32661
psychodynamic & developmentally informed approach to group therapy, 8.5–10 yr old males with ADHD, 27263
psychoeducational group intervention, social & emotional burdens, 18–68 yr old family members of AIDS patient, 27270
psychoeducational group intervention, stress & depression & anxiety alleviation, heterosexuals with HIV/AIDS (mean age 36.8 yrs), 39446
psychological & behavioral symptoms associated with eating disorders, group therapy intervention strategy, eating disordered mothers & their children, 31501
rationale & design & implementation of a support & education group, 51–80 yr old parents with disabled children, 23790
school-based & group administered Adolescent Coping with Depression Course, 14–15 yr olds with depression, Australia, 1659
school based counseling group, self concept & ability to relate with others & popularity, 5th grade children of divorce, 5721
stress inoculation training in group counseling vs computer guidance programs, anger control, male military veterans with maladaptive anger, 27227
structured module including victim empathy & relapse prevention, cessation of denial of guilt, rapists vs child molesters, 17010
symbolic interaction model of assessment & intervention in social worker facilitated grief work, social network development, members of a mutual aid bereavement group, 32208
unilateral individual vs group intervention vs Al-Anon, personal problems & marital consensus & change in drinking partner, partners of alcohol dependent adults resistant to change, 20310
use & acceptance of client anger, recidivism & group cohesion in involuntary group counseling, adults arrested for DUI offenses, 20344

Group Decision Making [See Also Choice Shift]—Serials
antecedent conditions of groupthink & information processing errors in group decision making, 1003
application of group support systems tools to research development activities & implementation processes, 22412
assessment & analysis of accuracy of quantity judgments, small groups, literature review, 15578
certainty vs uncertainty orientation & open vs closed leadership & high vs low cohesion, group decision making, college students, Canada, test of groupthink theory, 38664
communication of confidence information & observation of trading activity, group judgment accuracy & learning through market interaction, MBA students in laboratory financial market, 18836
conjunctive vs disjunctive group decision rule with vs without knowledge of distribution of players, allocation to ingroup vs outgroup members under ultimatum bargaining conditions, MBA students, 26174
decision making in cults, application of J. L. Janis's groupthink model, 15646
decision-making processes integrated with degree of participation, work satisfaction & performance, employee involvement group participants, 43780
design methodology for embedding decision guidance into group decision support systems, 20897
development of linguistic choice process for group decision making using concepts of fuzzy majorities & nondominated alternatives, 18842
discussion of strategy & invitation of input & summarization of agreement, quality of survival problem solving decisions, group members, 41994
evaluative interaction model & factors in group utilization of information in decision-making, 41985
gender composition of 4-person teams, decision quality & time on task & interpersonal cohesion in male oriented decision task, male vs female college students, 3765
group decision procedure & reliance on memory vs complete information access & computer mediated vs face to face communication, information sharing & group decision quality, college students, 18846
group decision rule & performance feedback, extent to which use of decision rule was maintained as groups underwent turnover in membership, female college students, 26176
group decision support systems & facilitated solution of multicriteria problems during computer supported meetings, 15572
group decision support systems, effective facilitation in workstation vs keypad meeting environments & behavior & choice of technology, meeting facilitators, 15579
group decision support systems, perception of role of facilitator, workshop meeting participants, 15564
group discussion, individual vs committee job evaluation ratings, evaluation committee employees, test of symbolic vs rational hypotheses of committee job rating quality, 37183
group representation & decision rule criterion, justice preferences among majority vs minority groups, college students, 18833
group support computerized systems, relationship & role building in group facilitation meetings, facilitator & technical support person, 15606
group vs individual level analyses of raw & rescaled data, managers vs students, India, evaluation of subtractive vs ratio model of equity judgments, 17332
groupthink theoretical issues & implications & research suggestions, 30384

homogeneity of task-relevant information & task demonstrability, communication & group member ability effects on quality of decision making, college students, 41988
immediate vs delayed vs group-discussion judgment, propensity to use naked statistical evidence in legal liability decision making, undergraduates, Canada, 20915
impersonal & interpersonal aspects of computer mediated communication, implications for intentional depersonalization of media & Group Decision Support System effects, 18410
individual's self-reported confidence & influence in decision making of freely interacting group, college students, 38684
influence of member's cognitive centrality & majority vs minority status on group decision making, college students, Japan, 38667
information, group &/vs group member decision making & choice, college students, 15577
integration of prospect theory & group behavior research in study of negative domain decision making, groups, management implications, literature review, 985
leadership outcome vs process directiveness, group decision making, college students & city council members, 30379
leadership style & devil's advocacy, process & outcomes of & groupthink symptoms in group decision making, 17–21 yr olds, 7600
linguistic modeling within fuzzy set theory of consensus in group decision making, experts, 18837
multi-attribute decision support & problem complexity, perceived difficulty of & satisfaction with individual vs group decision making on personnel selection problems, college students, Netherlands, 17295
multiple anchors in 2 party single issue negotiation, anchoring induced bias in individual & group judgments, MBA college students & experienced managers, 21375
number of group members advocating & verifiability of facts & familiarity of issue, acceptance of novel information in group decision making, college students, 256
organization of deliberative turn taking & conversation, jurors, 992
power & distribution norms & type of need & scope of future interaction, small group negotiation to receive resources, college students, 17527
procedural constraints, collective decisions in constitutional negotiation, first ministers, Canada, 1981, 7523
prototype of distributed system for multiuser negotiation simulation, 20892
psychometrics of Decision-making Questionnaire, assessment of effectiveness & confidence & information in making tactical & strategic organizational decisions, college students, 17724
rank of lone female job applicant & affirmative action officer suggestions vs demands, mock screening committee member affect & perceived control & decisions to award interviews, college students, 40534
reactions to & repetition of partially shared vs unshared information to contribute to group discussion & decision making, college students, 15597
relative susceptibility to systematic judgmental bias, individuals vs groups, application of social decision scheme model, 2813
role dimensions in group support systems & meeting problems, development of research-driven facilitation training project, 15570
social psychological factors, group decision making, school psychologists in school-based multidisciplinary diagnostic teams, implications for treatment outcomes, 35206
strong vs weak social identity, escalation of commitment in mock political decision making groups, college students, 7603
system dynamics group model building project to create platform for organizational change & build consensus & commitment, middle level managers of multinational company, 17386
team structure & workload, team decision making performance & communication during work task, college students, 1005
time & postdecisional voice, membership status & satisfaction, voting majority vs minority subgroups of data-processing employees, 11652
time pressure & task differences, influence modes & accuracy in decision-making groups, college students, 18850
variations in perceived & communicative influence strategies among members, use of group decision support systems in decision making task, members of intact groups, 15599
within-group communication, group decision & individual choice in assurance & chicken team games, male college students, Israel, 980
1 sided evidence in mock legal dispute, prediction of number of jurors favoring 1 sided outcome & judgments of confidence, college students, 5886

Group Development—Serials

congruence of group & individual goals & attitudes & relationship to group performance & cohesion, level of group development, male fire fighters, 30392
constructivist model of small group development, application to group therapy, 16546
content of & cooperation required in computer mediated communication, small group development, male &/vs female college students, 28332
dependency leader & disciplinarian & conciliator & nonconformer role scripts, college students in self analytic groups, test of theory of stages & central roles & social realities in group development, 3752
designated leader & internal vs external task, developmental patterns in groups, 24–58 yr old administrators & professionals & social sciences graduate students, 30393
development of & participation in management learning organizations, business administration college students, 17138
group tasks vs individual projects, group development & task pacing & deadline pressure, undergraduates, 26180
midtreatment level of cohesion & patterns of cohesion development in group climate as predictors of therapeutic gain, 20–43 yr old group members, 43032
process model of development of groupthink, 15589
reliability & validity of Group Development Questionnaire, 18–66 yr old members of various groups, 2493
role of conflict & aggression in development of small group, 30365

Group Discussion—Serials

attitudes toward government TV advertising, discussion group attendance, 15–64 yr olds, England, 5826
classroom exercise of role playing & group discussion, empathetic multicultural awareness & coping with non-English speaking environment, college students, 5682
construction of meaning through classroom discussion of dramatized story, yr 5–6 students, UK, 24616
critical thinking in childhood & use of community of inquiry process in early childhood education & development of autonomous democratic personality, 15230
discussion patterns & role of team leader in group discussion of shared & unshared information, medical residents & interns & students in decision making teams, 5531
factors affecting exchange of unshared information in small group discussions, college students, Belgium, replication, 7631
focus group interviews, development of research project on therapeutic process with dually diagnosed psychiatric emergency room clients, psychologists & social workers & addictions counselors, 28668
group decision procedure & reliance on memory vs complete information access & computer mediated vs face to face communication, information sharing & group decision quality, college students, 18846
group discussion, change in antagonistic social representations about tobacco, adults, 3742
group discussion, individual vs committee job evaluation ratings, evaluation committee employees, test of symbolic vs rational hypotheses of committee job rating quality, 37183
group discussion of advice vs social comparison vs motivation, performance on Space Fortress computer game, 17–30 yr olds, 26179

group discussions on meaning of substance abuse & decision to continue vs discontinue substance abuse after release from detention, 13–18 yr old females in juvenile detention facility, 8226
group identity vs perceived consensus explanation of discussion effect, cooperation in social dilemmas, female college students, 11648
high vs low amount of social anxiety, responses to discussion groups with heterogeneous vs homogeneous member status, female college students, 18998
immediate vs delayed vs group-discussion judgment, propensity to use naked statistical evidence in legal liability decision making, undergraduates, Canada, 20915
interactional group discussion, reductions in overuse of injections, public health center prescribers, 17056
leadership style & devil's advocacy, process & outcomes of & groupthink symptoms in group decision making, 17–21 yr olds, 7600
live theater, role playing & thought & discussion related to substance abuse, at risk 9th–12th graders, 13429
movies about teenagers & subsequent discussion group, self-esteem, adolescents, 11444
open classroom meetings, social responsibility & interest & sense of mutuality within & across grades, 2nd–5th graders, 33509
perceptions of powerlessness & powerfulness, female child care workers, 26067
reactions to & repetition of partially shared vs unshared information to contribute to group discussion & decision making, college students, 15597
recurring themes in focus groups on stories related to work attitudes, adults with history of psychological disorders, 30759
size & impact of bias towards discussing common task & team experience information & performance, undergraduates, 26169
small group intervention vs formal seminar, knowledge about appropriate management of acute childhood diarrhea & prescribing practices, prescribers, 17059
small group tutorials to augment didactic components of human sexuality course, college students, Canada, conference presentation, 33382
strategies for selection of materials for introductory psychology course & use of student led panel discussion to enhance overall student directed learning approach, 13696
structured experiential exercises & discussion activities, confronting attitudes toward death & developing resources for encountering death of others, educators & students in gerontology studies, 33197
trait shyness, perceptions of intelligence during leaderless discussion group meetings, college students, Canada, 22435
within-group communication, group decision & individual choice in assurance & chicken team games, male college students, Israel, 980

Group Dynamics [See Also Group Cohesion, Group Development, Group Discussion, Group Participation, Group Performance, Group Size, Group Structure, Intergroup Dynamics] —Serials

analysis of Freud's correspondence to Secret Committee of psychoanalysts & relation to group dynamic process, 19078
application of group support systems tools to research development activities & implementation processes, 22412
application of Tavistock Group Relations Model to systemic perspective on group & organizational behavior in community mental health & protective service settings, 5300
application of theory of narcissism to organizational behavior & group dynamics & implications for self-esteem & legitimation processes, 40593
assessment of need for new journal covering group psychology & group psychotherapy to integrate diverse topics in group dynamics & group intervention, literature review, 1980–95, 39737
assumptions & components of values-based intervention model for sports team building process, 33715
avoidance & safe wandering basis behavior set following aggregation & dispersion & homing observed in nature, synthesis of group behavior in multiagent systems in simulations & physical mobile robots, 5864
behavior theory-referenced validity of observational methodology in assessment & analysis of small group behavioral interactions, 20949
burnout & communal orientation & perceptions of balance in relationships with group members, 20–78 yr old leaders of self help groups, 24483
changes in affiliative structure of playmate associative patterns, 12–66 mo old daycare students, Canada, 7376
church congregation recovery process after discovery of minister's sexual involvement with female parishioners, 18697
complementarity & hostility & interpersonal rigidity & positive regard for others & group integration, band members, US & Canada, 18857
computer model of shared & unshared information in group discussion, 43931
concepts & practical perspectives on sports team building, 33716
consultation with experiential groups & significance of groups in training, therapists, 13552
cooperative behaviors & interactions & achievement & small group interactions, 6th graders trained in cooperative learning skills vs untrained 6th graders, 43653
cooperative game intervention, group cooperation & socio-affective relations, 6–7 yr olds, Spain, 22102
counseling research with human inquiry groups, actual research example & role conflict & validity & data analysis problems, 27157
crisis, attribution & emergence of charismatic leadership in group, college students, 999
decision making in cults, application of J. L. Janis's groupthink model, 15646
development & evolution of roles, small group, 30383
development & reliability & validity of Multidimensional Sportspersonship Orientation Scale, adolescent amateur athletes, 33995
development of effective social support in team building, student athlete team members, 33722
diffusion of competency in collective learning, 10127
distributional vs linear vs pluralistic approaches to use of time in groups, social workers & group members, 24211
ecological theory of similarities & differences in mutual assistance support groups, 19–68 yr old African Americans with sickle cell disease, 9220
effectiveness & types & implementation of work teams in organizations, literature review, 17373
emotional reactions & status characteristics, status differences, adults, 30370
ethnic diversity in groups, effectiveness & feasibility of brainstorming ideas & attraction to groups, Anglo-American vs Anglo & Hispanic & Asian & African American adults, 22432
examination of diversity vs "we" concepts in community psychology, 18869
existentialism & social philosophy & psychoanalytic phenomenology of pathogenesis & development of collective egos & relations within & between groups, 15125
extraversion & conscientiousness personality traits & small group composition & process & performance & outcome, graduate students, 22414
factorial validity of Group Environment Questionnaire, measurement of group cohesion, musicians, 5975
feminist perspective on societal & relational propagation of gender roles & misogyny, adult male rugby players, 26152
goal specificity & communication & incentives for goal attainment & high vs low cultural collectivism, group performance loss, managers living in city vs on kibbutz, Israel, 22420
group-as-whole concept of acting out missing leader, consultancy or psychotherapy group members, commentary, 23792
group-as-whole concept of acting out missing leader, consultancy or psychotherapy group members, commentary, 23794
group decision rule & performance feedback, extent to which use of decision rule was maintained as groups underwent turnover in membership, female college students, 26176
group dynamics & group psychotherapy, commentaries, 27273

group goal setting, sport team performance & building & cohesion, 33725
group identification & voter communication & individual characteristics, voter turnout, college students, Netherlands, 11598
group identity vs perceived consensus explanation of discussion effect, cooperation in social dilemmas, female college students, 11648
group polarization toward high achievement, net gain in encouragement, college students, Australia, 7599
group process variables & client characteristics, support groups as intervention of choice, female victims of assault or battered females with symptoms of PTSD, 20009
group processes & transference relationships in group drama therapy for children, England, 32194
group relations theory & W. Bion's concept of work group & basic assumptions group, group administration & management process, social work & other administrators & managers, 30377
group selection as important evolutionary force in vehicle based theory of human evolution, implications for evolutionary biology, commentary, 29229
group selection as important force in vehicle based theory of human evolution, implications for evolutionary biology, commentary, 29212
group selection as important force in vehicle based theory of human evolution, implications for evolutionary biology, commentary, 29230
group selection as important force in vehicle based theory of human evolution, implications for evolutionary biology, commentary, 29219
group selection as important force in vehicle based theory of human evolution, implications for evolutionary biology, commentary, 29224
group selection as important force in vehicle based theory of human evolution, implications for evolutionary biology, commentary, 29217
group selection as important force in vehicle based theory of human evolution, implications for evolutionary biology, commentary reply, 29231
group size & group status, trait ratings & in-group heterogeneity & identification, college students mean age 22 yrs, 30359
homogeneity of task-relevant information & task demonstrability, communication & group member ability effects on quality of decision making, college students, 41988
illusory correlation effect in identification of differences between social categories, college students, 7662
indirect communication leadership technique in group psychotherapy, 8892
indirect team building intervention strategies, cohesiveness in sport & exercise groups, 33719
industrial & organizational psychology perspective of training for team building, coaches of youth sports, research review, 33723
integrative & distributive & avoidance conflict management styles & problem source vs problem analysis approach for characterizing conflict, college students in small task-oriented groups, 22426
intergroup collective induction, college students, 15585
intersubjectivity & social microcosm & here & now in support group, nurses, 27904
intra-reference group conflict, role expectations of secondary school principals, teachers, Nigeria, 33344
intragroup dynamics, activism & organizational success, grassroots peace organization, 979
leader conditionality or task orientation vs empathy or relationship orientation early vs late in group life, group member adjustment, 18–65 yr olds, test of situational leadership theory, 38669
length of planned pauses & presence vs absence of trained facilitator & recorder, reduction of production blocking during brainstorming, interacting groups, 22433
map based on pattern of communication within & between a posteriori subgroups, high school teachers, extension of L. S. Festinger's work on communication within apartment courts, 5573
model of status belief diffusion with incorporation of group process theories, 30381
multitrait-multimethod construct validity of measures of team process, military air crewmen, 14390
nature of & services provided by suicide survivors groups, 32621
nature of small group social interactions in mediation of science learning, 1st graders & their teacher, 17153
neighborhood collective efficacy, violence, neighborhood residents, 41989
newcomer & racial status of new target person, social evaluations of newcomers in task groups, White female groups with White vs African American female newcomer, 15571
no display vs continuous vs limited display of group members' ideas, social matching & social loafing, college business students in computer-supported nominal vs electronic brainstorming groups, 22437
number of group members advocating & verifiability of facts & familiarity of issue, acceptance of novel information in group decision making, college students, 256
organizational development & group dynamic theory perspective in hands on approach to sports team building interventions, 33726
participation & productivity in small group activities, psychology students, literature review, 33501
patterns & sequences in internal group dynamics, 41992
patterns of social interaction, exclusion within firehouse, 26–42 yr old African American female fire fighters, 35221
perceptions of group & individual processes & interactions, 26–44 yr old disabled athletes & 23–47 yr old able-bodied staff members of wheelchair expedition, Russia, 41979
performance & perceptions & outcomes of individual vs team negotiators in intergroup vs interindividual vs mixed negotiations, graduate business students, 11656
phase model of large group conformity & independence, 3769
positive illusions vs disillusionment & performance expectations of individuals vs groups, undergraduate business students, 26166
prediction of others' behavior, tacit coordination of actions in collective recall vs group decision making tasks, college students, 7640
pride & respect, self esteem & group behavior, college students & sorority members, 22492
prior task & group experience, group performance & level of member ability & recognition of member expertise, undergraduates, 26171
process & impact of disengagement, individual athletes & teams, 33720
process model of development of groupthink, 15589
processes associated with verbal behaviors of informal member leaders & interaction patterns with nonleaders, 24–58 yr old participants in conference with formal leaders, 3774
reexamination of D. McMillan's & D. Chavis' (1986) theory of sense of community, 18856
role of group leader, containment of destructive behavior in new psychotherapy group & effect on group processes, patient with borderline personality disorder new to group, 32241
role of group leader, separation individuation & group contagion & capacity to be alone & projective identification during beginning & ending of psychodynamic group psychotherapy, 8883
same vs mixed sex group composition, satisfaction with group process & language & opinion change during asynchronous computer mediated communication, college students, 11659
self- or public-perceived threats & group status or distinctiveness, self-stereotyping as group member, 17–55 yr old college students, Netherlands, 26182
self & other acceptance & emotional climate, college students in personal development groups, application of interpersonal theory to small group processes, 38666
sex & age & individual differences, resource utilization & other task behaviors within groups, Black adolescents, South Africa, 29893
sex & attitudes & influences in use of computer based group support systems, college students, 30360

sex, interactions & structure of online vs face to face mutual help groups, individuals with depression, 23978
small groups as information processors during cognitive tasks, literature review, 15581
social psychological factors, group decision making, school psychologists in school-based multidisciplinary diagnostic teams, implications for treatment outcomes, 35206
sociometric measures of group density & cohesiveness & satisfaction & performance, undergraduates, 30371
sports team building research & interventions, research review, 33718
stability & bistability & instability in small group influence patterns, college students, longitudinal study, 15565
structural organization of small group interactions during collective activity in science class, 4th & 5th graders & their teacher, Canada, 43667
structures & problems & values of teamwork in primary health care & ways to encourage team working, counselors, 23557
support group ideology & interpersonal emotion management, adults in divorce recovery vs bereavement support groups, 39726
system dynamics group model building project to create platform for organizational change & build consensus & commitment, middle level managers of multinational company, 17386
taboo breaking, defense patterns & interaction & participation in group psychoanalysis, psychoanalytic institute trainees & faculty members & their regressed patients, reprint, 32233
theoretical approaches to research on small groups, North America, commentary on literature review, 38656
theoretical approaches to research on small groups, North America, literature review, 38676
theoretical framework for structured vs nonstructured debate & dialectical inquiry vs devil's advocate methods, 251
therapeutic group climate of sexual offender treatment programs, adult male offenders in probation programs & residential centers, United Kingdom, 43018
time involved in & attitudes toward group work demographic & background data, individual & group academic performance, masters of business administration students, 22423
trait shyness, perceptions of intelligence during leaderless discussion group meetings, college students, Canada, 22435
work norms & behavior in work situations shared by group members & organizational commitment & job satisfaction, governmental managers & workers, Israel, 5790

Group Health Plans [See Health Maintenance Organizations]

Group Homes—Serials

community housing services, adaptive behavior & skill development, deinstitutionalized 19–67 yr olds with intellectual disabilities, Wales, 2 yr study, 16843
effectiveness of supportive apartments vs group homes vs board-and-care homes operated for profit, adults with psychiatric disabilities, 1 yr followup, Canada, 24204
experiences during transition from traditional group home to congregate living model providing housing support, mental health service consumers, 24205
experiences in group living intermediate care units, elderly dementia patients, implications for prevention of institutionalization, 4 yr followup, 20266
management style & quality of care in community residential homes vs mental hospital long stay wards, staff & patient satisfaction, adults, 5277
nature & cause of stress, managers of community homes for people with intellectual disabilities, Wales, 37194
parent education & training vs family therapy, group care homes for neglected & abused children, 2031
perceptions of living near group homes for the mentally or physically disabled, neighbors vs non-neighbors, 43372
perspective taking & socialization, staff & youth in developmental child & youth care agencies & group homes, 16851
physical features & homelikeness ratings of residences, adaptive & maladaptive behavior, residents (mean age 36.9 yrs) with mental retardation, 13381
physical features, ratings of homelikeness vs institutionality of residences for mentally retarded people, architects & group home administrators & mentally retarded people & family & college students, 13380
public education campaign, knowledge about & wariness toward & social integration of mentally ill patients, neighbors of supported houses for mentally ill, 5318
self concept & perceptions of quality of life, 21–35 yr olds with learning disabilities living in group homes vs with their families, 1434
sexual behavior & group home sexual policies & training programs, 16–59 yr olds with autism, 26776
siting strategies used in group housing development & community responses, mental health agencies, 43400
StreetCity community housing project, homeless adults, Canada, 32884
therapeutic interventions, residential youths, 32020

Group Instruction—Serials

criterion referenced methods in combination group & individualized instruction, deaf & hard of hearing students, application to computer course, 24684
feminist perspective on group supervision & training, 9723
group educational intervention, memory self efficacy & performance, depressed vs nondepressed older adults, 12714
group instruction, grammatical awareness & knowledge that genitive but not plural nominative & accusative words should contain apostrophes, 9–11 yr old elementary school students, England, 24606
Interactive Working Groups process-oriented instructional program, learning style & examination performance, medicine & dentistry & biomedical university students, 33427
principles of computer based instruction design & learner control & feedback & screen design & use of group methods & computer anxiety, adults, applicability to workplace, 33794
update of E. Halloway & R. Johnston's review on group supervision, counselor trainees, 1960–83, literature review, 9715

Group Participation—Serials

communication media & cooperative advertsing & brand competition, manufacturer participation rate, 43880
demographics & external support resources & group involvement & structure as predictors of benefits of support groups, 25–82 yr old family members with 17–88 yr old mentally ill member, 32214
development & results of Mood Disorders of Metropolitan Toronto project to train self-help group facilitators & produce handbook, executive director & training consultant & group facilitator, Canada, 17032
developmental perspective of youth participation in organized activities & formation of civic identity & behavior 15+ yrs later, literature review, 29948
differences in course design & moderator behavior, patterns of participant interaction in text based interchanges in computer mediated conferences, adults, 27967
efficacy of group for facilitators working with clients on early communication skills in augmentative & alternative communication program, 12–21 yr old clients, 9655
Employment Support Network as group support intervention, emotional & job search support & leadership & peer support & flexibility & self management, unemployed adults, 28139
equal distribution of information within group, information sharing & participation in computer mediated vs face to face problem solving tasks, college students, 3767
experiences & emotions & meanings associated with phases of process of self help building, evolution of social relations from individual to collective action, 30394
experiences with & adjustment to hearing loss & role of group aural rehabilitation, 28–78 yr olds with hearing loss, 24287
expression of egalitarian gender role expectations, reinforcement of male & female tasks participation & leadership, adults in mixed-sex groups, 22438
group involvement in group psychotherapeutic processes in state mental hospitals, chronically mentally ill, 9541

inclusion of highly participatory peer in lower functioning group, participation in music therapy sessions, 79–94 yr old residents with Alzheimer's disease or related dementias, 16686
individual vs group monetary incentives, productivity on card sorting task, college students, 28858
initiation severity & companionship, group attractiveness & frustrated & lonely & depressed feelings & decision to join group, 18–23 yr olds, Netherlands, 35210
low vs high trait self-esteem & possibility of random exclusion vs removal by group vote, preference for working in group vs alone on worthwhile vs worthless task, college students, 38663
membership in organizations, political participation, Cuban American & Mexican American & Cuban American adults, 30207
membership in voluntary associations & suicide rates, 15 countries, 1981, 4266
participation & productivity in small group activities, psychology students, literature review, 33501
participation in Aid to Families With Dependent Children program, divorced vs never married single mothers, 9428
participation in support group, family members of mentally ill relatives, 32640
perceived status of & identification with group, biased ratings on typical & nontypical traits, members & nonmembers of student associations, Netherlands, 22466
perceptions of costs & social benefits of high vs low active groups, functioning & stages of coalition development, community volunteers, 3566
propensity to join groups & psychological well being, college students, 18867
race & marital status & living with partner, domestic violence victims, females attending support group vs referred by social workers, 43351
self help partnership group participation, social reintegration, discharged psychiatric patients, translated article, 23976
sex, dyadic & group interaction in standardized playgroup setting, 4 vs 6 yr olds, 29851
sex, participation in & satisfaction with professional association activities, educational administration faculty, 24544
time & postdecisional voice, membership status & satisfaction, voting majority vs minority subgroups of data-processing employees, 11652
traditional vs modified model of task role collaboration, participation & productivity, 4th–5th graders, 43614
use & evaluation of cooperative group learning & observed interactions during group activity, 3rd grade males & females & their teachers, 20556

Group Performance—Serials

anonymity level & transactional vs transformational leadership styles, group potency & effectiveness, undergraduate work groups, 22440
congruence of group & individual goals & attitudes & relationship to group performance & cohesion, level of group development, male fire fighters, 30392
degree of difference in & relative vs absolute ability, status differentiation in task oriented group, adults, Australia, 983
determinants of team performance-related assertiveness, college students, implications for team member selection & training, 17294
development of & participation in management learning organizations, business administration college students, 17138
effectiveness of brainstorming groups in product design firm, CEO & managers & engineers & other staff, 20798
electronic communication mode & task complexity & completion time & perceived information load, small group performance & member satisfaction, MBA students (mean age 33.45 yrs), 26164
extraversion & conscientiousness personality traits & small group composition & process & performance & outcome, graduate students, 22414
feedback on group performance vs member motivation & ability, group leader cognitions & verbalizations of choice to retain vs transfer subordinates, college students, 14620
friendship, group performance in friendship vs acquaintance groups, students (mean age 28.21 yrs), 30362
goal specificity & communication & incentives for goal attainment & high vs low cultural collectivism, group performance loss, managers living in city vs on kibbutz, Israel, 22420
group goal setting, sport team performance & building & cohesion, 33725
group goals & group efficacy, subsequent task performance, college students in triads, 15601
group tasks vs individual projects, group development & task pacing & deadline pressure, undergraduates, 26180
homogeneity of task-relevant information & task demonstrability, communication & group member ability effects on quality of decision making, college students, 41988
implications of research on & recommendations to enhance effectiveness of group brainstorming in gifted education, 43712
length of planned pauses & presence vs absence of trained facilitator & recorder, reduction of production blocking during brainstorming, interacting groups, 22433
newcomer & racial status of new target person, social evaluations of newcomers in task groups, White female groups with White vs African American female newcomer, 15571
opinions of information organization ability & hospital management hierarchy, staff effectiveness, intensive care nurses vs physicians, Norway, 43796
output decay & blocking as function of total group output & matching of output with average group rate of processing, dynamic systems model of idea generation rate in brainstorming groups, 3736
patterns & sequences in internal group dynamics, 41992
Peer & Self-Evaluation System for & acquisition of accountability & other attitudes & skills needed for team work in cooperative group learning approach, teachers & students, 13799
prior task & group experience, group performance & level of member ability & recognition of member expertise, undergraduates, 26171
productivity & reciprocal influence & generalizability of memory principles in collaborative vs individual recall, college students, 41164
recall & organization of categorized lists, college students in collaborative vs nominal groups, 41122
shared values, team performance, college students, Scotland, 15573
size & impact of bias towards discussing common task & team experience information & performance, undergraduates, 26169
social comparison standard vs loafing by group members, performance motivated by potential for group evaluation, college students, 18866
social comparison vs verbalization, idea generation & performance perception in group computer brainstorming, college students, 3763
sociometric measures of group density & cohesiveness & satisfaction & performance, undergraduates, 30371
sociometric measures, prediction of team performance in workplace, 18–21 yr old military cadets, 18853
task interdependence & reward interdependence, group cooperative behavior & performance, 18–22 yr olds, implications for organizational work redesign, 33692
team competency training effectiveness measured by group performance of complex tasks, male Navy aviators, 38683
team structure & workload, team decision making performance & communication during work task, college students, 1005
time involved in & attitudes toward group work demographic & background data, individual & group academic performance, masters of business administration students, 22423

assessment of need for new journal covering group psychology & group psychotherapy to integrate diverse topics in group dynamics & group intervention, literature review, 1980–95, 39737
attending group therapy & informative orientation sessions during treatment, increased participation in outpatient aftercare, substance-dependent males, 13438
awareness of maladaptive behaviors & high risk situations & empathy with victims & enhancement of prosocial behaviors in group treatment program, males convicted of sexual & physical assault, 23789
behavioral group approaches to sex therapy focusing on interpersonal &/vs sexual problems, sexually dysfunctional single males, 36591
behaviorally oriented social skills training &/vs supportive group therapy &/vs fluphenazine, psychotic relapse & social adjustment, male outpatients with schizophrenia, 19695
benefit of intensive group oriented evening treatment program, patients with mood &/or personality disorders, Canada, 39732
brief group psychoeducation with vs without additional group psychotherapy sessions, females with bulimia nervosa (mean age 25 yrs), Canada, 32201
brief interpersonal group therapy, academic achievement & self concept & social acceptance & locus of control, low achieving 2nd–6th graders, Israel, 19847
clinical issues in termination process of long-term open-ended psychodynamic therapy groups, 23779
cognitive behavioral approach to group work project, rearrest & protection of physical safety, 16–20 yr old African American & Latino males on probabtion, 23775
component of group therapy program for enhancement of intimacy skills & reduction in loneliness, sexual offenders, Canada, 9658
confidentiality in group therapy & informed consent, 23797
constructivist model of small group development, application to group therapy, 16546
Coping with Depression course as part of aftercare, relapse & maintenance, clinically depressed psychiatric inpatients or outpatients, 8841
countertransference in response to narcissistic defenses of patients in group psychotherapy, 43042
couples vs gender specific group intervention, spouse abuse & conflict resolution & relationship, 19–46 yr old probationers with vs without alcohol abuse & their partners, 6 mo follow up, 16545
current trends & future challenges in managed behavioral health care, implications for group psychotherapy, 23801
design & effectiveness of time limited professionally led support group to address unique concerns, 24–34 yr olds with cancer, 32663
development of group design for psychosocial needs, HIV-negative gay males, 23783
development of Therapeutic Group Interaction Factors Scale, assessment of presence of therapeutic factors in group process, 14306
didactic & observation & experiential participation & group leadership methods for teaching group work, social work students, 33178
disruption of group cotherapy processes by members' anxiety & aggression, ability to contain & transform destructive impulses, children with aggressive & disruptive behavior problems, 32256
drama group therapy, interpersonal relations, mentally ill homeless inpatients, 36578
dream appreciation method as warm-up phase of psychodrama & re-enactment & sharing feelings about & metaphors of dream with group members, 12878
dynamic & supportive individual & group psychotherapies & psychosocial skills training, clinical & social outcomes, schizophrenic patients, literature review, 4809
dynamic group psychotherapy, development of individual psychotherapy skills, mental health professional trainees, 36859
dynamics & process of play & peer interaction based group therapy, developmentally delayed & emotional traumatized Latino inner city prelatency age children, 8 mo study, 4909
early adolescent development & separation & independence & transference-countertransference issues & effective supervision, psychoanalytically oriented group psychotherapy, preadolescents, 32210
Early Memories Procedure in psychotherapy group, substance abusing prisoners, 43470
eclectic Islamic approach to group therapy, male outpatients, Saudi Arabia, 27235
effectiveness of group psychotherapy, children & adolescents, literature review, 39729
effectiveness of inpatient vs outpatient disease & recovery vs cognitive-behavioral group therapy, 27–52 yr olds with personality & substance abuse disorder, 27778
effectiveness of school-based cognitive-behavioral & family centered group intervention, prevention of onset & development of anxiety problems, 7–14 yr olds, Australia, 39644
effectiveness of short vs long term social group work, female survivors of childhood sexual abuse, meta analysis, 32202
effectiveness of 8 wk bereavement psychotherapy group, 7–11 yr olds whose parent &/or sibling died, 4908
effects of time limited group therapy, 21–45 yr old outpatients with personality disorders vs group dropouts, 23760

efficacy & applicability & efficiency of time limited short term group therapy, clinical trials & literature review, 23793
efficacy of group intervention format, patients with sexual dysfunction, 13135
efficacy of 24-wk group treatment program, infertility, 22–40 yr old obese females, 21–36 mo followup, 12864
existential model of group therapy, chronically mentally ill patients, 27258
experience & benefits & problems with telephone & computer group practice, social work professionals (mean age 49 yrs), conference presentation, 43375
factors affecting group psychotherapy treatment outcomes, patients with bulimia nervosa, literature review, 32232
family centered brief solution-focused therapy model, 21–40 yr olds with schizophrenia & their families & clients, 39724
family systems approach to group therapy, at risk 13–15 yr olds & their parents, 39730
foundation matrix of cultural values & standards & myths & biological characteristics, transcultural group psychoanalysis, 12889
group art therapy, empowerment & crisis intervention, grieving females after stillbirth, 9209
group-as-whole concept of acting out missing leader, consultancy or psychotherapy group members, commentary, 23792
group-as-whole concept of acting out missing leader, consultancy or psychotherapy group members, commentary, 23794
group behavior modification, coping with fear of long term complications, patients with diabetes mellitus, 16735
group cognitive behavioral therapy, poor & minority females with depression, 32118
group coping skills with time & arousal management & cognitive restructuring & social skills, relapse reduction & treatment goals achievement, schizophrenic 18–60 yr olds, 6 mo followup, 12859
group cotherapy & therapists' role, facilitation of parental transference & formation of adult relationships, severely emotionally disturbed 7–11 yr olds with attachment & object relations problems, 32254
group counselling efficacy & diagnostic indicators, 18–68 yr old self-identified codependents, 16553
group dynamics & group psychotherapy, commentaries, 27273
group intervention program, reduction of vulnerability & domestic violence & balance of power in relationship, female victims, 3 mo followup, 8919
group intervention program, reduction of vulnerability & domestic violent behavior & balance of power in relationship, female victims, 3 mo followup, commentary, 8913
group intervention program, reduction of vulnerability & domestic violent behavior & balance of power in relationship, female victims, 3 mo followup, commentary reply, 8920
group interventions in junior & high school settings, clinicians & graduate students, 28114
group involvement in group psychotherapeutic processes in state mental hospitals, chronically mentally ill, 9541
group oriented milieu therapy day treatment program, patients with longstanding personality disorders with major depression & dysthymia & anxiety, commentary reply, letter, 20283
group oriented milieu therapy day treatment program, patients with longstanding personality disorders with major depression & dysthymia & anxiety, commentary, letter, 20278
group processes & transference relationships in group drama therapy for children, England, 32194
group psychoanalytic psychotherapy in general hospital setting, 23–60 yr olds with psychosomatic illness & somatizing disorder, 9235
group psychoeducation & supportive psychotherapy, 28–60 yr old male veterans with schizophrenia, 8903
group psychotherapy dream work models & theoretical orientations, 8890
group psychotherapy dynamics & therapist's task & difficulties, mildly learning disabled institutionalized adults with emotional & maturational problems, 8899
group psychotherapy, psychodynamic processes underlying HIV/AIDS risk taking & fears & dealing with developmental issues, low risk adolescent vs high risk institutionalized juvenile offenders, 8895
group rational emotive behavior therapy, 25–55 yr old male Type A insurance representatives, 1762
group social work intervention, depression & self-esteem, 23–61 yr old female survivors of child sexual abuse, 31978
group therapy as alternative to individual therapy, difficult & verbally abusive male 35 yr old analysand, 32070
group therapy concepts & methods in educational settings, children & teenagers, 39734
group therapy conducted by graduate students & professor, psychosocial functioning, 6–16 yr old psychiatric hospital & residential treatment facility patients, 32216
group therapy for resolution of early loss & as context for healthy re-parenting experiences, adult children of alcoholics, 33056
group therapy, 13–17 yr olds with social problems & learning disabilities, 19846
group treatment, anger management, 21–43 yr olds with moderate to severe mental retardation, 8909
group treatment with educational & social support & cognitive behavioral components, mothers with postpartum depression, Australia, 32234
group vs multifamily behavioral treatment, patients with obsessive compulsive disorder, 43049
group workshop, self concept, 20–60 yr old Latin American female immigrants, Canada, 39728
groupwork in mental health services, female survivors of childhood sexual abuse, England, 20198
guided imagery in family of origin group therapy, 16554
health care policy & managed care & group psychotherapy & patient–provider therapeutic alliance, group psychotherapists & patients, conference presentation, commentary, 32245
health care policy & managed care & group psychotherapy & patient–provider therapeutic alliance, group psychotherapists & patients, conference presentation, commentary, 32259
health care policy & managed care & group psychotherapy & patient–provider therapeutic alliance, group psychotherapists & patients, conference presentation, 32250
high vs low expectancy of positive outcome of cognitive behavioral group treatment, patients with social phobia, 39708
identification, group psychotherapy, reprint, 16556
inclusion of social interest in solution choice, goal attainment, elementary & junior high & high school students in solution-focused Adlerian therapy groups, 8776
indirect communication leadership technique in group psychotherapy, 8892
individual & group cognitive therapy, recovery & residual & positive symptoms, 19–55 yr old psychiatric inpatients with acute psychosis, 9 mo follow-up, 32123
individual & group methods in psychoanalytic community, mother with Munchausen syndrome by proxy, England, 13385
inner child representations in psychic life & social world, bereaved parents in self-help group for death of child, 27261
integration of group based psychotherapy in therapeutic communities, Czechoslovakia, 32224
interactive psychoeducational group therapy, differentiation of self representations from traumatic schemata, traumatized females, 39731
long term process oriented group psychotherapy, adult female survivors of child sexual abuse, 8915
milieu group therapy & leader role, ethnic based paranoia & cultural awareness, ethnically diverse chronically mentally ill group members, 32204
model of group centered psychoanalytic psychotherapy & levels of therapeutic regression in group, 32285
model of group cognitive behavioral therapy, coexisting PTSD & substance use disorder, females, 8787

model of large group interpretive psychotherapy in community meetings, psychiatric inpatients, 32255
model of large group interpretive psychotherapy in community meetings, psychiatric inpatients, commentary, 32220
model of time limited group psychotherapy, patients with personality disorders, 23759
modular psychoeducational & group therapy program in community mental health center, patients with mental disorders, 27241
multi-family play groups, families with a parent in addiction recovery, 33039
multiple family group therapy with separate group sessions for parents & children, socially isolated families with long-standing dysfunction in child & family psychiatric unit, 32195
multiple family groups, addressing behavioral difficulties of children, urban families & their children, 16557
mutual recognition in psychodynamic group psychotherapy, 13–17 yr olds with learning disabilities & related psychosocial problems, 8902
open group psychotherapy with 3 facilitators, children of Holocaust survivors, Israel, 8916
outcome & process differences, psychotherapy clients treated by professional vs lay therapists in time limited group psychotherapy, 8888
outpatient group therapy, transition to independent living, 16–22 yr olds in long term residential care, 27255
perceived importance of therapeutic factors in group psychotherapy, adult children of alcoholics, 16972
perceptions of & experience with breaches of confidentiality, therapists leading psychotherapy groups with chemically impaired physicians, implications for reform of confidentiality laws, 13654
pivotal group member & other central figures in group therapy, treatment-destructive resistance, clients, 39723
power & other problems in cotherapy analytic groups, supervisors & students, commentary, 23802
predictors associated with treatment response to cognitive-behavioral group therapy, adults with specific or generalized social phobia, 39722
premature & planned & forced termination of long term psychoanalytic group psychotherapy, 23773
premature treatment termination in group therapy, 23796
pretraining, group psychotherapy satisfaction & therapeutic & peer factors, 14–18 yr olds in a residential treatment facility, 27254
process of & themes & issues & interventions used in time limited group psychotherapy, sexually abused 7–11 yr old males, 32258
psychoanalytic theories of intersubjectivity & dream analysis, females in group psychotherapy for childhood molestation & abuse, 39767
psychoeducational vs recovery oriented group treatment approach, outcomes, drug & alcohol abusing patients, 9598
reminiscence functions in life review group & normative data for Reminiscence Functions Scale, 64–83 yr old male veteran psychiatric inpatients, 8752
representation of group as internal object & transferential relationship between individual & group, 23784
response to group therapy, symptom frequency & self esteem & depression & social adjustment, females with bulimia nervosa, 2 yr followup, Canada, 12870
responsibilities for group progress & cohesion & managing ambivalence & client functioning, meeting group goals, social work leader of interaction oriented group for schizophrenic clients, 32252
restrictive behavior & impulsivity vs frequency of bingeing & vomiting & client characteristics, prediction of dropout from group therapy, bulimic females, 4901
role of group leader, containment of destructive behavior in new psychotherapy group & effect on group processes, patient with borderline personality disorder new to group, 32241
role of group leader, separation individuation & group contagion & capacity to be alone & projective identification during beginning & ending of psychodynamic group psychotherapy, 8883
same sex analytic group therapy, acceleration of therapeutic process, sexually abused males in individual treatment, 39727
satisfaction with training & role & impact of supervision, neophyte group therapy trainees, Canada, 9709
self consciousness & negative affect & impulse cues & narcissistic vs avoidant personality, abstinence following group behavioral & cognitive psychotherapy, females with bulimia nervosa, 31521
self psychology & object relations theory perspectives on termination in group psychotherapy, 23798
short & long term efficacy of cognitive behavioral group treatment, abdominal complaints & coping strategies & avoidance behavior, irritable bowel syndrome patients, 6 mo to 4 yr followup, 32666
short-term group intervention, early maternal loss, 24–56 yr old females, 39733
short-term group intervention for children who witness violence between their parents, 5 yr olds who were unmanageable & aggressive in school, 39739
spontaneity & individuality & emotional expression & problem resolution through 4 forms of Venezuelan psycho-opera, 32643
structure of & interventions in group therapy with large groups of disturbed/conduct disordered adolescents, 23765
structured needs-based group intervention, cancer-related knowledge & attitudes & mood state, 7–17 yr old siblings of childhood cancer patients, 32203
structured psychodynamic group art therapy technique, global functioning & interpersonal assertiveness & sociability & responsibility, 13–17 yr old psychiatric inpatients, 4899
supervision of combined behavioral & psychodynamic social skills training groups, patient attitudes & relationship between supervisees & supervisors, 24428
systemic framework for group therapy, mothers separated from husbands, 23761
taboo breaking, defense patterns & interaction & participation in group psychoanalysis, psychoanalytic institute trainees & faculty members & their regressed patients, reprint, 32233
termination process in time limited group psychotherapy, 23787
theories of devaluation process in women & therapeutic guiding principles for psychodynamic group work with women, 43076
therapeutic group climate of sexual offender treatment programs, adult male offenders in probation programs & residential centers, United Kingdom, 43018
therapeutic play group, psychosocial development through peer group relations & school & home & community adjustments, latency age males with hearing impairments, 2 yr followup, 9237
therapeutic relevance of cohesion in group therapy, reprint, 12861
therapist focusing & leader skill of psychologists vs natural helper nonprofessional group leaders & therapeutic relationship, treatment outcome, time-limited group psychotherapy members, 43017
trait self esteem & valuation of group membership enhanced by general information vs symbolic laminated card, 18–44 yr olds in process-oriented group psychotherapy, test of social identity theory, 38674
transference-countertransference reactions & termination of group psychotherapy treatment, adolescent females facing loss of parent with AIDS, 27238
transference neurosis & functions of regression in group psychotherapy, commentary, 27260
transference neurosis in group psychotherapy in light of advances in totality of treatment relationship & self psychology, commentary, 27281
transference neurosis in group psychotherapy, 27240
transformation of perception of trauma in group therapy, child Holocaust survivors, 39738
traumatic early object relations & regression, maintenance of boundaries & therapist's role as group leader vs figure of authority, adolescents in group therapy, 32228

unique benefits of group therapy for Blacks & Latinos & guidelines for training therapists for work with ethnic minorities, 23772
use of personal construct group work to reduce HIV risk taking, 14–17 yr old adolescents & juvenile justice offenders, 32251
use of small & large groups in modalities of social action & education & training & psychotherapy, 30378
utility of TAT, assessment of outcome group treatment, female sexually abused 7–9 yr olds, 28516
validation group therapy, problem behavior & use of physical restraint & psychotropics & positive social interaction & psychosocial well-being, nursing home residents with dementia, longitudinal study, 32978
written cognitive pretraining, self disclosure & cohesion in time limited group psychotherapy, 22–62 yr old incest perpetrators & nonoffending spouses of incest perpetrators & incest survivors, 32237
1-session small vs large-group treatment session of exposure & modeling, 18–55 yr old patients with spider phobia, Sweden, 8789
3 factor framework for responding to inpatient group therapy treatment termination, 23758

Group Size—Serials

attributions & group size & exposure time, microcomputer task performance, 5th & 6th graders, Canada, 3347
breeding season duration vs female group size, evolution of size of multimale-multifemale groups, primates, 29156
category size, judgment of category variability, students, 26207
changes in group size, maternal behavior & infants' social milieus and networks, free-ranging rhesus monkeys, 25396
class size, evaluation of teaching quality, college students, Spain, 13783
domain-specific choice preferences in life–death decision paradigm & violations of stochastic dominance axiom in large vs small vs family group contexts, adults, US vs China, 11663
effect of group size on vigilance & response to hidden threatening stimuli, single & mixed species groups of captive adult red-bellied & saddleback tamarins, Northern Ireland, 41237
environmental characteristics & colony size & density, interspecific brood parasitism rates by diederik cuckoos & egg recognition, red bishops, 10858
factors affecting exchange of unshared information in small group discussions, college students, Belgium, replication, 7631
foraging synchrony & group size & distribution of food resources, Yakushima macaques, 18093
group size & group status, trait ratings & in-group heterogeneity & identification, college students mean age 22 yrs, 30359
group size & individual vigilance hypotheses, animals, 417
group size & pecking order & aggression, establishment of dominance of hierarchies & subsequent welfare, hens, 34454
group size of unattached satellite males clustered around nesting sites, competition for fertilizations with females, horseshoe crabs, 375
high vs low child–caregiver ratio in public day care center, verbal interactions, preschool children & caregivers, 2 yr study, Sweden, 13312
impulsivity & age & fight history & group size, desire to escalate a fight, adult males at an ice hockey game, Canada, 35259
influence of minor dry season on activity patterns & feeding behavior & ranging & group size & grouping patterns of lowland rain forest chimpanzees, Ivory Coast, 41224
large vs small group vs family context, risk preferences & framing of choice outcomes in life/death decision problem, adults, 2839
number of species & individuals & social group size & vertical stratification & polyspecific associations, cercopithecid species, 18114
nurse led small group activities, residents' social & emotional behavior & staff use of restraints & psychotropics, nursing home staff & residents with Alzheimer' disease & other dementias, 13375
phase model of large group conformity & independence, 3769
predation pressure & intergroup resource defense & conspecific threat, group size & composition, langurs, 21590
size & impact of bias towards discussing common task & team experience information & performance, undergraduates, 26169
small vs large groups with vs without rearing helpers, scent marking & aggression toward male vs female strangers, breeding female vs male marmosets, group recruitment & immigration implications, 41274
social group size, overall antipredatory vigilance vs vigilance while foraging, golden marmots, 29092
status characteristics of members, dynamic model for formation of dominance structures in small task groups based on social psychological theory of expectation & social network research, 15642
stimulus valence & relative group status & size, social discrimination in positive & negative outcome allocation to ingroup vs outgroup, adolescents & adults, 7624
theoretical approaches to research on small groups, North America, commentary on literature review, 38656
theoretical approaches to research on small groups, North America, literature review, 38676
troop division, conflict & energy demands & wounding & socially induced infant mortality, female lemurs, support for advantage of large groups to compete for resource control, 14770
troop size & food availability, troop fission, baboons, test of probability model, 29129
use of small & large groups in modalities of social action & education & training & psychotherapy, 30378
work unit size, work experiences & satisfaction, professional services employees, 2291
1-session small vs large-group treatment session of exposure & modeling, 18–55 yr old patients with spider phobia, Sweden, 8789

Group Structure—Serials

designated leader & internal vs external task, developmental patterns in groups, 24–58 yr old administrators & professionals & social sciences graduate students, 30393
development & evolution of roles, small group, 30383
extraversion & conscientiousness personality traits & small group composition & process & performance & outcome, graduate students, 22414
factors affecting exchange of unshared information in small group discussions, college students, Belgium, replication, 7631
Galois mathematical lattice analysis, definition & structure of containment among cliques & actors within social networks, 15575
group composition & stability & birthing seasons & dispersal patterns, reproductive strategies, male vs female cotton-top tamarins, 14786
group formation & composition & dispersal patterns, reproductive strategies with monogamy vs cooperative polyandry, male vs female tamarins, 14767
individual's similarity to the demographic composition of the workgroup, individual-level attitudes, life insurance company employees, 33667
influence of member's cognitive centrality & majority vs minority status on group decision making, college students, Japan, 38667
mood & salience of distinguishing information as seen in stereotype consistency regarding group members, perceptions of groups as homogeneous, college students, 3826
patterns & sequences in internal group dynamics, 41992
sex composition of work group, job satisfaction, male vs female employees, 33653
survey of psychology predoctoral internship programs to examine practices of leaders & structure & content of group supervision & leader perception, training directors, commentary, 36885

target membership in majority vs minority vs equal number sex category & target sex & dominating vs dominated social status, perceived sex membership salience, college students, 7627
team sex & racial composition, perceptions of effectiveness of cross-functional teams, engineers & attorneys & other professionals, conference presentation, 43760
team structure & workload, team decision making performance & communication during work task, college students, 1005
text content of minority groups with ingroup–outgroup similar or dissimilar characteristics, judgments of likeability, French Canadian college students, Canada, 7601
Group Testing—Serials
IQ through use of group intelligence test, 13–18 yr old students from urban vs rural areas, Greece, 40799
verb form & individual vs group conditions, procedural variation in action memory, college students, 25300
Group Therapy [See Group Psychotherapy]

Guilt—Serials
cognitions & negative affect in multidimensional model of trauma related guilt & associated psychopathology, male combat veterans vs battered females, 4051
conceptual & methodological issues in dispositional & state measurement of shame vs guilt, 6005
deconstruction of guilt saturated narrative & construction of alternative narrative in short term therapy, grief over & understanding of son's suicide, couple, case report, 1685
development & psychometric validation of Trauma-Related Guilt Inventory, college students with history of trauma & 19–65 yr old battered females & Vietnam combat veterans, 14314
development of Shame/Guilt Recognition Questionnaire, assessment of accurate distinction between affective states of shame & guilt, counseling psychologists (mean age 44.57 yrs), 33948
developmental tasks of midlife & clinical work amidst self hatred & separation & survivor guilt, female patient, case report, 12796
discrepancies between personal values & prejudiced responses, experienced compunction, White college students with low vs high prejudice toward Blacks, erratum, 7686
distinctiveness of antecedents & facial expressions of embarrassment & shame & guilt, college students, 11736
dysfunctional families in childhood, shame & guilt as adult, 18–25 yr old undergraduates, 11559
E. Fromm's vs recent psychoanalytic views of guilt, 3983
evolution of concept of social attractiveness & role in shame & humiliation & guilt & psychotherapy, 38766
family socialization experiences in form of inductive vs affective vs coercive style of parental control, proneness to feelings of guilt & shame, college students, retrospective study, 38373
guilt & reactions to & perceived effectiveness in alleviating school vs eating & exercise related guilt-invoking events & depression & eating disturbances, female undergraduates, 11831
guilt & relationship to anxiety & depression, 21–70 yr olds with vs without obsessional compulsive disorder, 8044
guilt, obsessive-compulsive symptoms, adults with obsessive-compulsive disorder, Canada, 19243
internal self awareness & self reflectiveness factors of Private Self-Consciousness subscale, shame & guilt & personal & social identity & self monitoring, college students, 3951
machiavellianism & morality-conscience guilt, 26–41 yr olds, 3892
narcissism & fantasy & aggression & ambivalence in Freud's theory of preoedipal internal objects & preoedipal guilt, adult analysands, 22638
relations between shame & guilt & embarrassment & judgments of character, 35347
reliability & validity of Interpersonal Guilt Questionnaire, neighborhood safety organization members vs mental health professionals vs drug addicts vs college students, 17612
remembered parental practices, scenario-evoked shame & guilt, male vs female college students, 38769
role of comparison questions in physiological detection of deception, guilty vs innocent 18–81 yr olds in mock crime experiment, 18252
separation & exile from parental figures, reactivated feelings of guilt & repetition compulsion, adults who experienced trauma in childhood, Sweden, 18921
shame & guilt & self critical cognitions & perfectionism, males vs females, 22549
suicide after PTSD & experiences of guilt & despair, 34-yr-old Vietnam veteran, case report, 31236
traumatizing experiences & defense of self-blame & survivor guilt & self-healing, Holocaust survivors, implications for psychoanalytic psychotherapy, 27338

validity of venue change surveys, false identification of bogus media items & presumption of guilt, jury-eligible community members, 33959
Gustatory Perception [See Taste Perception]
Gymnastic Therapy [See Recreation Therapy]
Gynecological Disorders [See Also Menstrual Disorders]—Serials
ability to self diagnose & self treat vulvovaginal candidiasis & common genitourinary tract problems, female patients with vs without previous diagnosis of vulvovaginal candidiasis, 31589
classification & psychological correlates of & role of psychiatrist in assessment & treatment of chronic gynecologic pain, 4568
general & health locus of control & depression & psychopathology & self esteem & achievement motivation, females with vesico vaginal fistula, Nigeria, 23236
personality & affective distress & life events & sexual & relationship factors, females with chronic pelvic pain, literature review, 35995
sexual self-schema as predictor of sexual dysfunction, 24–73 yr old female gynecological cancer survivors, 23342
valproic acid, development of hyperandrogenism & polycystic ovaries, females with bipolar disorder, letter, 27409
Gynecologists—Serials
attitudes toward social & genital sexual contact between patients & internal medicine specialists vs psychiatrists vs obstetrics-gynecologists, medical students, 13613
Gynecology—Serials
applicability of Health Belief Model to cervical cancer & gynecological & Pap smear test screening beliefs & behaviors, 18–23 yr old undergraduate females, 43277
attitudes concerning pelvic examinations, 16–80 yr old females, Norway, 36649
distress & anxiety & depression & satisfaction with services, obstetric-gynecology inpatients, 5273
gynecologic care and sexuality issues for women with disabilities, 43268
patient referral & psychiatric morbidity & satisfaction, evaluation of psychiatric consultation liaison service to obstetric-gynecology hospital, medical staff & nurses & inpatients, Australia, 5371
psychiatric morbidity & patient characteristics, 18–65+ yr old medical vs gynecological vs surgical patients in rural vs urban hospitals, Austria, 30710
Gyrus Cinguli—Serials
age, role of anterior attention system in Stroop color–word task interference & EEG activity, 18–28 vs 62–78 yr olds, 34593
auditory discrimination task, activation of left superior temporal gyrus & right caudate, schizophrenic patients (mean age 34.8 yrs), 35630
cerebral blood flow in temporal & posterior & cingulate & prefrontal areas when listening to affect laden autobiographical material, adults, 6621
discrete cingulum bundle lesions, acquisition or performance of spatial working memory tests, rats, 21681
dopamine metabolism in anterior cingulate cortex, postmortem brains of 21–71 yr olds with schizophrenia, commentary reply, letter, 8005
dopamine metabolism in anterior cingulate cortex, postmortem brains of 21–71 yr olds with schizophrenia, commentary, letter, 7990
electrical nerve stimulation resulting in painful vs nonpainful sensations, activation of somatosensory vs cingulate cortex as detected with MRI, adults, 14926
functional anatomy & neurochemistry of cingulate gyrus, patients with depression, literature review, 30836
glucose metabolism in anterior & posterior cingulate cortex, 17–59 yr old unmedicated males with schizophrenia, 30983
hypnotic suggestions to alter unpleasantness of noxious stimuli without changing perceived intensity, pain affect encoded in anterior cingulate vs primary somatosensory cortex, adults, 41351
limbic thalamic & cingulate cortical & hippocampal neuronal correlates of discriminative approach learning, rabbits, implications for amygdaloid efferent involvement, 21639
neuroimaging of functional neuroanatomy of anterior cingulate in limbic cortex & neurotransmitter systems, study of change & therapy effects in depressive disorders, literature review, 11959
nucleus accumbens vs anterior cingulate vs amygdala lesions, emotional & motivational behavior, monkeys, 6677
quinolinic acid lesions of anterior or posterior cingulate cortex, acquisition & performance of conditional visual discrimination task in early vs late stages of learning, rats, 21621
Stroop interference task involving sadness- vs nonsadness-laden words, cingulate activation, mood-disordered adults (mean age 36.6 yrs), implications for abnormal limbic system activity in depression, 19153
Habitat Selection [See Territoriality]
Habitats (Animal) [See Animal Environments]
Habits [See Also Hair Pulling, Tobacco Smoking]—Serials
habit reversal intervention, pica, 6 yr old male with normal intelligence, 19838
original & simplified habit reversal procedures, children with habit disorders, literature review, 4888
personality characteristics & spontaneous modification of smoking habits, persistent vs non- vs exsmokers after their 1st myocardial infarction, 5 mo followup, Netherlands, 31718
pro-environmental habits & attitudes & beliefs about & choice criteria for purchasing products, change in purchasing habits, 20–70 yr olds, 33814
strength of habit acquired during training & time to study & respond to stimulus word, recollection vs memory slip in cued recall test, college students, Canada, 6378
training habits & reasons for participation & gender differences & attitudes toward eating & weight control, runners vs triathletes, 2340
Habituation—Serials
acquisition of motor skill task requiring balance during beam walking & intrasession habituation in activity box, normal vs ataxic lurcher mutant mice, 6443
age, spatial memory & habituation, 3–9 wk old C57BL/6 mice, 25361
alpha-ethyltryptamine with vs without fluoxetine pretreatment, startle plasticity measured by prepulse inhibition & habituation, male rats, 21885
attention to external stimuli, habituation to repeated presentations of food cues, college females, implications for control of ingestion, 17899
brief airpuff stimuli, cardiovascular response magnitude & latency & habituation, male normotensive vs spontaneously hypertensive rats, 11091
cognitive habituation & ERPs, 16 yr old & older headache patients, 31767
cyclic adenosine monophosphate analog & phosphodiesterase inhibitor, long term habituation to visual danger stimulus, male crabs, 7050
delta opioid antagonist naltrindole, attention-related heart rate orienting & CRs during habituation & conditioned bradycardia, rabbits, 38109
development of visual fixation & habituation, new borns, 2 vs 4 vs 6 mo followup, 15225
diazepam, habituation of fear conditioned acoustic startle & freezing behavior responses, young & adult rats, 15077
dietary alpha linolenic acid, habituation, mice, 18057
environment habituation & amphetamine-induced conditioned activity, male rats, 6813
eyeblink cross-habituation between tactile & acoustic stimuli, undergraduate & graduate students, 28719
giant fiber pathway & altered habituation of neural escape circuit in memory mutants that affect cyclic adenosine monophosphate, Drosophila, implications for synaptic plasticity, 18152
habituation & dishabituation of proleg withdrawal reflex, sphinx hawk moth larvae, 11022
habituation & dishabituation to recognition of intact &/vs contour-deleted line figure exemplars & variants, 12 mo olds, 38334

habituation & novel stimuli & conditioned fear, UCS production of frontal cortical & hippocampal acetylcholine, rats, implications for basal forebrain involvement in attention, 6758
habituation & orientation & motor behavior & range & regulation of state & autonomic stability & abnormal reflexes, infants of HIV positive vs HIV negative mothers, 19557
habituation & P50 auditory EP suppression, patients with schizophrenia (mean age 33.3 yrs), 35592
habituation & rating procedure parameters, assessment of neuroleptic-induced vacuous chewing movements & locomotion, rats, 6876
habituation & recognition memory & auditory temporal processing efficiency, early identification of language impairment, 6–10 mo olds with vs without family history of language impairment, 11329
habituation following repetitive stimulation, threshold & amplitude & latency of startle reaction, rats, 18077
habituation of tap withdrawal response, magnitude & frequency of nonmechanosensory withdrawal behavior, worms, implications for neural circuitry, 29389
habituation period & thermal apparatus temperature & light: dark cycle, thermal nociception & latency, rats, 41406
habituation, preferences for novel visual stimuli, 0–4 mo olds, 1 vs 2 vs 3 vs 4 mo followup, 15251
habituation to office noise with vs without background speech during memory for prose tasks, college students, 43894
individual variation in startle response & habituation & association with CNS & autonomic & myogenic activity, 7–11 yr old males, 3162
intermodality change stimulus & habituation & training trials, electrodermal orienting & allocation of processing resources, 17–41 yr olds, 6798
learning & processes of habituation & classical & operant conditioning, children with profound intellectual disability, 12389
legshock CS paired with tailshock UCS, tail-flick antinociception as associative learning vs pairing-specific enhanced sensitization vs protection from habituation in spinal conditioning, male rats, 14844
long term baclofen, recognition memory & novelty detection for spatial locations of stimuli using habituation paradigm in open field, rats, 7092
long-term validity of habituation measures for prediction of temperament, 5 mo olds, 16 mo study, 34952
melanocortin peptides & corticosterone, habituation of prey-catching behavior, male Bufo cognatus, 25564
methodological & other issues & research on habituation of sexual arousal, literature review, 29458
neonatal jaundice & respiratory complications, contingency learning & habituation performance, 5–11 mo olds, 26897
neonatal monosodium glutamate, exploratory behavior & habituation, rat pups, animal model of stress, 41448
parametric features of swim cycle number habituation, marine mollusca, 6734
peripheral substance P, learning in avoidance & habituation tasks, rats with & without naloxone, 21927
post-habituation responses to complete vs broken rod test displays, perception of object unity, 2 vs 4 mo olds, 15226
posttraining glucose & drugs acting on cholinergic system, retention of habituation response, male mice, implications for cholinergic mechanisms involved in memory storage, 3235
presentation of complex sounds, habituation & quantal duration of neuronal responses in caudomedial neostriatum, adult zebra finches, 29258
prey concentration, habituation of predation, territorial male vs gravid vs nongravid female 3 spined sticklebacks, 411
prior habituation & stress responses to water immersion, learning & memory in spatial task, aged rats, 18068
psychomotor stimulant response & behavioral sensitization & conditioned locomotion & cocaine habituation and induced seizures, C57BL/6J vs C57BL/6ByJ, mice, 41466
rate sensitive habituation, Caenorhabditis elegans, 2941
repeated swim stress, peripheral-type benzodiazepine receptors, rats, 6768
selection for habituation & fearful & aggressive & explorative behavior at human contact, farm mink, 6 yr study, 6582
selective attention in reading time under neutral vs habituation vs Stroop vs negative priming conditions of Stroop Color & Word Test, 17–35 yr olds vs 60–84 yr olds, 7421
serotonin receptor, startle reactivity & habituation & prepulse inhibition, serotonin receptor gene knockout vs wild-type mice, 41449
short vs long-term habituation of sexual arousal, male undergraduates, 37801
smoking status & psychosis-proneness, habituation & prepulse inhibition of the acoustic startle reflex, 19–45 yr old males, 42074
spatial exploration & habituation & reaction to task complexity, male rats with medial prefrontal cortex lesions, 29292
spectral lights, visual responses for identification of stimulus determinants of sensitization, 4 mo olds, 29765
startle stimuli presented alone vs preceded by tone prepulses vs prepulses presented alone, startle eyeblink reflex inhibition, college students, 41401
stimulation of bilaterally symmetrical clusters of tail sensory neurons in siphon withdrawal reflex, lateral restriction of short term & long term habituation, Aplysia californica, 14738
stimulus habituation & recovery & duration & brief exposure, stability & continuity of visual attention, new borns, 5 mo study, England, 15205
thalamic lateral internal medullary lamina & posterior nuclei lesions, learning & spatial memory & habituation, male rats, 21698
threshold level tail stimulation & role of homosynaptic depression, habituation of sensory neurons that contribute to tail siphon withdrawal reflex, Aplysia californica, 14882
training & subsequent habituation to capture & venipuncture, cortisol responses, capuchin monkeys, 29449
transection of corpus callosum vs brainstem, habituation of ocular fixation & smooth pursuit, cats, 25509
visual contact vs minimal exposure to E, habituation to humans, flighty vs docile strains of domestic chicks, 356
windowed average vs linear vs 2nd-order polynomial regression criteria for measuring habituation in infants, 25124

Hair—Serials

effect of hair size & speed & spacing on fluid flow & performance of olfactory hairs within olfactory antennae, conference presentation, 14957
hair color & cosmetic use, perceptions of job applicant's professional ability, female 16–65 yr olds, 11688
sertraline induced hair loss, female 21 yr old with dysthymia & 37 yr old with major depression with psychotic features, case reports, letter, 9042

Hair Loss [See Alopecia]

Hair Pulling—Serials

augmentation of serotonin reuptake inhibitor with risperidone, 16–59 yr olds with obsessive compulsive disorder or trichotillomania or Tourette's syndrome, South Africa, 32551
carpal tunnel syndrome, 16-yr old female with trichotillomania & depression, case report, letter, 15985
comparison of demographic & clinical features, 7–17 yr olds with trichotillomania vs obsessive-compulsive disorder vs anxiety disorder, 38918
development & factor analysis of Massachusetts General Hospital Hairpulling Scale, chronic hair pullers, test appended, 14312
diagnosis & assessment & psychosocial methods of intervention for social work practice, patients with trichotillomania, literature review, 39133
diagnosis related to obsessive compulsive disorder & pharmacotherapy of trichotillomania, literature review, 12983
increased pain sensitivity using topical medication, repetitive hair pulling, 38 yr old female, case report, 9150
light therapy, 24 yr old female with trichotillomania & seasonal affective disorder, case report, letter, 36545
morphometric abnormaliaties of caudate or lenticulate or putument or white matter volumes, females with trichotillomania, 35675

motivational factors & severity & suicidal & depressive history, 12–54 yr old females with trichotillomania with vs without comorbid self injurious behavior, 23001
neuropsychological functioning, 18–50 yr old females with trichotillomania, 15984
phenomenology & demographics & comorbidity & neurobiology & treatment, patients with trichotillomania, literature review, 26379
reliability & validity of Massachusetts General Hospital Hairpulling Scale, chronic hair pullers, 14325
rights in psychotherapy, 4 yr old female with trichotillomania, 12786
selective serotonin reuptake inhibitors, 14–42 yr old patients with trichotillomania, 12981
self monitoring & dissociative hypnotic techniques & relaxation & mental imagery, 3–17 yr olds with trichotillomania, case report, 13104
serotonin reuptake inhibitors in treatment of obsessive compulsive disorder & Tourette's syndrome & trichotillomania & related dopaminergic mechanisms, 1977–95, literature review, 12974
Halcion [See Triazolam]
Halfway Houses—Serials
demogrpahic & socioeconomic characteristics, alcoholic residents of Oxford House self help residential treatment facility, 33052
Hallucinations [See Also Auditory Hallucinations, Drug Induced Hallucinations, Hypnagogic Hallucinations, Visual Hallucinations]—Serials
aggressive behavior & self harm, obedience to command hallucinations, psychotic patients, 12043
analytic treatment, nature of psychotic superego, 25 yr old male suffering from psychotic breakdown & hallucinatory terror, case study, 39766
assessment & validation of poverty & hallucinations & delusions & disorganization dimensions of symptoms, patients with schizophrenia, UK, 1288
childhood hallucinations preceding first psychotic episode, 15–35 yr old patients with psychosis, 22833
conceptual history of pseudohallucinations, 1192
definition & clinical usage of concept of pseudohallucinations, psychiatrists, 4040
delusions & hallucinations & effect of underlying level of learning disability on psychopathology of Alzheimer's disease, Ss with Down's syndrome (aged 42–65 yrs at death), 42650
desmopressin induced ADHD & pseudohallucinations, male 5 yr old & female 7.9 yr old with primary nocturnal enuresis, case reports, letter, 9292
diagnostic reliability & assessment & design in study of effectiveness of cognitive restructuring, hallucinations & delusions, schizophrenic patients, literature review, 4848
ECT, time-limited delusionality & hallucinations in clear sensorium, 79 yr old male with major depression, case report, 32630
flashbacks of nonexistent events, 52 yr old male Vietnam veteran with chronic PTSD, case report, letter, 31100
hallucination as pure culture in sign systems of W. R. Bion & C. Levi-Strauss, 42128
naltrexone treatment of hallucinogen persisting perception disorder, male 22 & 23 yr old LSD abusers, case report, letter, 23900
neural network model of degeneration of frontal cortex synapses receiving temporal lobe projections, pathogenesis of delusions & hallucinations & course of positive symptoms in schizophrenia, 1301
prevalence & symptom correlates of subclinical hallucinations & delusions, nonpsychotic 13–21 yr olds from residential program or day treatment center, 35447
prevalence of hypnagogic & hypnopompic hallucinations & symptoms of sleep disturbances & mental disorders, 15–100 yr olds in general population, England, 31932
psychiatric & neurologic & neuroimaging & neuropsychological factors in 'illusory visitors', 62–83 yr olds presenting for psychiatric or neurologic evaluation & treatment, 39610
qualitative changes in hallucinations after inpatient treatment, 21–69 yr olds with schizophrenia or schizophreniform or mood or schizoaffective disorders, commentary, 24268
qualitative changes in hallucinations after inpatient treatment, 21–69 yr olds with schizophrenia or schizophreniform or mood or schizoaffective disorders, commentary reply, 24275
sodium lactate, flashbacks or other intrusive PTSD symptoms, patients with PTSD vs panic disorder, 22895
stress & coping theory of R. S. Lazarus & S. Folkman, coping with hallucinations, 18–55 yr old DSM-IV schizophrenics & other patients, 30967
zolpidem induced psychotic reactions with hallucinations, female 30 & 36 yr old psychiatric patients, case reports, 23905
Hallucinogenic Drugs [See Also Bufotenine, Lysergic Acid Diethylamide, Peyote, Phencyclidine, Psilocybin]—Serials
potency & binding selectivity profiles of ibogaine vs 12-hydroxyibogamine, rats, 7080
psychopharmacology of hallucinogenic drugs, 3183
repetition & interval of N,N-dimethyltryptamine dose, tolerance & subjective psychedelic effects & ACTH & prolactin & cortisol & heart rate & BP responses, 22–45 yr old experienced users, 12260
Hallucinosis [See Alcoholic Hallucinosis]
Halo Effect—Serials
individual differences approach to the halo-accuracy paradox, 19–27 yr olds, 21170
physiological arousal, creation of halo effect in attitudes toward & behavior in blood donation, male college students, Germany, 3732
Haloperidol—Serials
acute haloperidol, cerebral cortex blood flow, unmedicated 26–41 yr olds with chronic schizophrenia, 27413
acute treatment with apomorphine or haloperidol, open field behavior, male & female adult rhesus monkeys treated with lead during 1st yr postpartum, 38096
acute vs chronic haloperidol, dopamine release mediated by impulse flow through medial forebrain bundle in nucleus accumbens & striatum after tetrodotoxin infusion, male rats, 6875
age, positive & negative symptoms & extrapyramidal side effects following haloperidol, 55–83 yr olds with chronic schizophrenia, conference presentation, 32584
blockade of NMDA & dopaminergic receptors with MK-801 &/or haloperidol, locomotor activity in & habituation of exploration of novel spatial configuration of objects, male mice, 7053
buspirone vs haloperidol, agitation manifested by physical tension & motor activity, elderly nursing home residents with Alzheimer's disease, 20068
carbamazepine & haloperidol, EKG QTc prolongation, 35–80 yr olds with schizophrenia & without heart disease, Japan, retrospective study, 19944
chronic eltoprazine vs haloperidol, time course of & tolerance to anti-aggressive action & post-cessation rebound phenomena, male rats, 11174
chronic haloperidol vs REM sleep deprivation, REM sleep rebound & involvement of dopamine receptor up-regulation, male rats, 38155
chronic lithium, basal & stress- & muscarinic- & pilocarpine- & haloperidol-induced c-†i fos †n mRNA expression, male rats, 34685
chronic methamphetamine, cataleptic effects of dopamine agonist SCH23390 & haloperidol, male mice, 7005
clozapine & haloperidol, vacuous jaw movements, aged rats, 34715
clozapine or haloperidol, dopamine receptor messenger RNA expression in hippocampus or entorhinal cortex, male rats, 38151
clozapine vs haloperidol vs risperidone vs thioridazine, tacrine-induced tremulous jaw movements, male rats, animal model of extrapyramidal motor symptoms, 41533
clozapine vs metoclopramide vs haloperidol, extracellular amino acids in ventral pallidum & globus pallidus, female rats, 6850

coadministration or discontinuation of rifampin & haloperidol, plasma haloperidol & clinical responses, schizophrenic patients, implications for treatment of concomitant tuberculosis in schizophrenia, 1831
cocaine & dopamine agonists haloperidol or SCH 23390, cocaine-induced behavioral sensitization in photocell arena locomotor activity, male rats, 11169
cocaine & haloperidol & clozapine & other neuroleptics, acute orobuccolingual dyskinesia, model of paleocortical escape, 19942
combined paroxetine & haloperidol, development of extrapyramidal symptoms, 69 yr old female with recurrent major depressive disorder, case report, letter, 4983
cost-benefit ratio of risperidone & haloperidol in treatment of schizophrenia, commentary, letter, 19968
cost-benefit ratio of risperidone & haloperidol in treatment of schizophrenia, commentary reply, letter, 19925
CSF & plasma & urinary HVA before & after haloperidol withdrawal, dopamine turnover, schizophrenic male patients, 9037
d-amphetamine vs haloperidol, procedural learning, healthy 18–45 yr old males, England, implications for abnormal learning processes in schizophrenia, 21874
diagnosis of Tourette's syndrome & haloperidol treatment & social interventions, behavior problems & tics, learning disabled 28 yr old male, 8708
dopamine & haloperidol, amphetamine-induced stereotypy & locomotion, male rats, 29526
dose response study of efficacy & side effects of haloperidol & sertindole, psychotic symptoms, schizophrenic 18–65 yr olds, 43207
effectiveness of low vs standard dose medication of haloperidol with oral neuroleptics, patients with schizophrenia, Finland, 2 yr followup, 9088
efficacy & course of response & tolerability of divalproex vs haloperidol, hospitalized 18–65 yr olds with bipolar disorder & acute mania, 16644
emergence of parkinsonian syndrome as adverse interaction of tacrine & haloperidol, 72-yr-old female with psychosis, case report, letter, 13006
experience or fear of intolerable side effects & effectiveness of medication, discontinuation of haloperidol, 10–47 yr olds with Tourette's disorder, implications for medication psychoeducation, 1941
extrapyramidal side effects from medication change from clozapine to haloperidol, 31 yr old male with long-standing schizophrenia, case report, 39789
extrapyramidal symptom profiles, patients treated with olanzapine vs haloperidol, 36522
factor structure of Brief Psychiatric Rating Scale, assessment of effect of plasma haloperidol & clinical outcome, patients admitted with acute schizophrenia or schizoaffective disorder, 6025
flupenthixol or D2 receptor agonists or antagonists or phenoxybenzamine, haloperidol induced increase in prolactin release from GH4C1-hD2 cells, 7017
haloperidol & clozapine, latent inhibition, rats, 34725
haloperidol & metabolites, platelet MAO-B & placenta MAO-A, implications for impact of haloperidol metabolites on MAO-B activity in schizophrenics, 6881
haloperidol &/vs scopolamine, licking behavior, thirsty rats, 6862
haloperidol, acute stress or prelimbic brain region electrical stimulation extracellular levels of dopamine in nucleus accumbens, rats, test of depolarization block hypothesis, 21871
haloperidol challenge, positron emission tomography of D2 dopamine receptor density, neuroleptic naive schizophrenic 22–35 yr olds, Sweden, commentary & reply, 26492
haloperidol, conditioned eyeblink & hippocampal responses, rabbits, implications for schizophrenia etiology & treatment model, 29612
haloperidol decanoate, SPECT-assessed striatal/frontal dopamine D2 receptor occupancy, 20–61 yr olds with schizophrenia, 36502
haloperidol, dopamine & norepinephrine & serotonin & metabolites & psychiatric symptoms, neuroleptic-free 15–36 yr olds with schizophrenia, 32480
haloperidol dose, serum haloperidol, 45–83 yr olds with schizophrenia vs Alzheimer's disease & other organic mental syndromes, 19951
haloperidol, duration of chewing bursts, guinea pigs, 15034
haloperidol, dynorphin & substance P & enkephalin mRNA expression in early onset acute vs late onset tardive vacuous chewing movements, male rats, animal model of parkinsonism, 18284
haloperidol, electron transfer inhibition of neuronal nitric oxide synthase, pig brain tissue, implications for pathogenesis of schizophrenia, 25585
haloperidol, heroin-induced response-reinstatement after extinction in operant conditioning, male rats, animal model of drug relapse, 6878
haloperidol, latent inhibition, healthy adults (mean age 26.3 yrs), model of schizophrenic attentional disorder, 22867
haloperidol, phentermine-induced affective psychosis, 32 yr old female with family history of affective disorders, case report, 26654
haloperidol plasma concentration, relapse prevention, 21–48 yr old schizophrenic patients, 3 yr followup, conference presentation, 9024
haloperidol, susceptibility & potentiation of immobility responses elicited during restraint inducing stimuli, guinea pigs vs hamsters vs rats, 29577
haloperidol, time dependent changes of serum soluble interleukin-2 receptors, male schizophrenic 19–41 yr olds, 1830
haloperidol, Tourette syndrome, 35 yr old female with severe mental retardation, 27446
haloperidol vs amisulpride, motor skills & problem solving & strategy & subjective effort & automatization of task, healthy 20–30 yr olds, 38145
haloperidol vs bromocriptine, response accuracy & latency for spatial vs nonspatial working memory, 19–37 yr olds, 38128
haloperidol vs clozapine, platelet 3H-dopamine uptake, male rats, implications for variable findings in schizophrenia research, 13056
haloperidol vs clozapine vs olanzapine vs other 5-HT receptor specific antagonists, attenuation of PCP induced hyperlocomotion, male mice, 18293
haloperidol vs D1 dopamine antagonist SCH 23390 vs GBR 12783 induced locomotor activity vs immobility in behavioral despair test, mice, 15102
haloperidol vs pimozide, plasma prolactin & tic severity & extrapyramidal symptoms, children & adolescents with Tourette's syndrome, 13170
haloperidol vs reduced haloperidol, plasma concentrations, 60–99 yr olds vs schizophrenic patients (mean age 31.3 yrs), 9051
haloperidol vs remoxipride, quality of life & negative symptoms, 18–65 yr olds with schizophrenia, 43115
haloperidol vs risperidone, extrapyramidal symptoms, chronic schizophrenic patients aged 18–65 yrs, 36510
haloperidol vs sulpiride vs D1 receptor antagonist SCH23390, mRNA expressions, male mice, 41503
haloperidol vs thioproperazine vs spiperon vs clozapine vs thioridazine, dopamine release & metabolism in dorsal striatum, male rats, 3267
haloperidol with vs without scopolamine vs metergoline with vs without scopolamine vs scopolamine vs placebo, cognitive processes & behavior, 20–33 yr old healthy males, conference presentation, 34721
high dose haloperidol, patients with schizophrenia vs nonschizophrenic psychosis, commentary reply, 1863
high dose haloperidol, patients with schizophrenia vs nonschizophrenic psychosis, commentary, 1869
hyperkinesia, 7 yr old male with autistic disorder treated with haloperidol & valproic acid, 26746
hyperprolactinemic potency of haloperidol vs sulpiride, improvement of hysterical neurosis of conversion type, 24–64 yr olds, 13031
incorporation of arachidonic acid in resting platelets, turnover of membrane phospholipids before vs after haloperidol, 25–50 yr old schizophrenic males, 13080
isofloxytepin or haloperiodol, prolactin plasma levels, male vs female schizophrenia patients in neuroleptic therapy, 19953

leukocyte associated blood dyscrasias of eosinophilia & neutropenia, patients treated with clozapine vs haloperidol, 32338
lithium carbonate & amitriptyline vs haloperidol & amitriptyline, 31.5–51.5 yr old patients with delusional depression, 32401
loading dose oral vs depot haloperidol decanoate, plasma haloperidol & reduced haloperidol, patients with schizophrenia, Taiwan, 5037
loading dose technique to convert haloperidol from oral to depot treatment, schizophrenic patients, 13071
long term chlorpromazine vs haloperidol, response of adenylate cyclase to GTP binding proteins & dopamine in striatal membranes, male rats, 15071
long term haloperidol, glutamate functioning & vacuous chewing movements, female rats, animal model of glutamatergic activity associated with tardive dyskinesia, 615
low dosages of haloperidol & D2 receptor occupancy, 31 yr old female & 38 yr old male with schizophrenia, letter, 32432
mechanism of haloperidol cytotoxicity for hippocampal neurons & vitamin E protection at cellular & molecular levels & role of free radicals, rats, 15005
metabolic ratios of dextromethorphan/dextrorphan & haloperidol disposition & incidence of extrapyramidal side effects, patients with schizophrenia, China, 36470
methylphenidate preceded by haloperidol, RT during continuous performance test, male 68–148 mo olds with ADHD, implications for incentive motivation theory of sustained attention, 9107
microgram doses of haloperidol, open field behavior & amphetamine induced hyperactivity & apormorphine & bromocriptine induced hypoactivity, male mice, 6857
MK-801 vs haloperidol, amphetamine- & stress-induced behavioral sensitization, male rats, 3286
model of behavioral & monoaminergic variables, prediction of symptom exacerbation risk following haloperidol withdrawal, 20–63 yr old schizophrenic males, 4191
neostigmine, basal & haloperidol evoked increase in dialysate dopamine levels in dorsolateral vs fundus striata, male rats, 25598
neuroleptic malignant syndrome paradigm & clinical spectrum of neurotoxicity induced by lithium alone vs lithium-haloperidol vs lithium-nonhaloperidol neuroleptic groups, 32423
neuroleptic treatment, depressive symptoms, acute schizophrenic & schizoaffective patients with different haloperidol plasma levels, 3 wk followup, 43153
neuropeptide substance P vs haloperidol, learning & memory in discrimination learning task, food-deprived goldfish, implications for dopaminergic system, 29586
nitric oxide, haloperidol induced supersensitivity to cocaine, rats, 32503
observed drug level 24 hrs after single test dose, prediction of haloperidol steady state plasma level to achieve maintenance dose, schizophrenic or schizoaffective patients, prospective study, 9091
olanzapine vs haloperidol, patients with schizophrenia or schizophreniform or schizoaffective disorder, 32565
olanzapine vs haloperidol, responsiveness to or continuance of primary negative symptoms, inpatients with schizophrenia, 32566
opioid receptor changes in brain regions after long term haloperidol treatment & development of vacuous chewing movements, male rats, 15091
oral glycine, serum glycine & adverse effects & neuroleptic levels for haloperidol & clozapine, schizophrenic patients, 1837
pathways of formation of reduced haloperidol pyridinium derivative in human liver & basal ganglia cells, implications for haloperidol treated schizophrenic patients, 587
patient characteristics & prevalence & severity of depressive symptoms & cortisol during acute exacerbation & following haloperidol treatment, 17–50 yr olds with chronic schizophrenia, 12056
pharmacokinetics & pharmacodynamics of coadministration of nefazodone & haloperidol, healthy male 22–31 yr olds, 6820
reduction of haloperidol treatments & effect on agitation levels, 73–99 yr olds with agitated senile dementia, 32598
risperidone vs haloperidol, dopaminergic & serotonergic activity in prefrontal cortex, male rats, 18343
risperidone vs haloperidol, psychotic symptom & psychopathology scores & extrapyramidal side effects, 1st admission schizophrenic patients, 13015
risperidone vs haloperidol, schizophrenic patients, letter, 12939
risperidone vs haloperidol treatment, saccadic eye movements, 18–45 yr olds with schizophrenia or schizoaffective disorder, 23936
risperidone vs haloperidol, verbal working memory, treatment-resistant schizophrenics (mean age 41.47 yrs), 43137
risperidone vs haloperidol vs methotrimeprazine, psychotic anxiety & positive & negative symptoms & severity ratings & extrapyramidal symptoms, schizophrenic 18–50 yr old inpatients, France, 9040
roxindole vs talipexole vs haloperidol vs clozapine, apomorphine induced climbing & conditioned avoidance & catalepsy, mice & rats, 21815
safety & adverse effects of antipsychotic olanzapine vs haloperidol, schizophrenic patients, 32353
safety & tolerability & dose response efficacy of olanzapine vs haloperidol treatment, 18–65 yr olds with schizophrenia, 1 yr study, Europe & South Africa & Israel & Australia, 36416
safety of haloperidol treatment & prevalence of haloperidol dyskinesias, 2.3–8.2 yr olds with autism, prospective study, 36424
severity of catalepsy after haloperidol injections, development of vacuous chewing movements, rats, animal model of parkinsonian signs & tardive dyskinesia, 6932
short- vs long-term haloperidol, cocaine place conditioning, male rats, implications for cocaine abuse treatment among schizophrenic patients, 18308
single-dose amphetamine & haloperidol & cocaine, time-dependent rebound cue states in amphetamine vs water vs haloperidol discrimination, male rats, 18275
sociability & impulsivity in extraversion, effects of haloperidol on critical flicker fusion frequency & arousal, males (mean age 27.66 yrs), 34643
streptozotocin-induced diabetes & combination of chronic treatment with haloperidol, brain dopamine & 5-HT receptors, male rats, 21920
subchronic clozapine vs haloperidol, forelimb force & press-while-licking task duration, male rats, 29621
trazodone vs haloperidol, agitated behaviors, elderly patients with dementia, 23935
treatment efficacy of haloperidol vs pimozide, 7–16 yr olds with Tourette's syndrome, 43181
1–5 mg/day haloperidol, plasma levels & dopamine D2 receptor occupancy, 20–43 yr old patients with schizophrenia or schizoaffective disorder, Canada, 39816
8-OH-DPAT & ritanserin, haloperidol induced catalepsy & changes in extracellular levels of striatal dopamine, male rats, 34678

Halstead Reitan Neuropsych Battery—Serials

development & psychometric properties & administration & scoring methods & interpretive strategies & clinical validity of Halstead-Reitan Neuropsychological Battery Category Test, 37499
factor structure of Halstead-Reitan Neuropsychological Test Battery for Children, learning disabled 9-14 yr olds, 2652
modal profile shapes for Halstead-Reitan Neuropsychological Battery, patients referred for neuropsychological evaluation, 14345
performance on Halstead-Reitan Neuropsychological Test Battery for Children, learning disabled or gifted 9-14 yr olds, 2655
profile components & clinical usefulness of Wechsler Adult Intelligence Scale—Revised vs Luria-Nebraska Neuropsychological Battery vs Halstead Reitan Neuropsychological Battery, adult patients, 28552

Hand (Anatomy)—Serials

additional food as sensory stimulation, suppression of hand-mouthing behavior, inpatient & profoundly mentally retarded 30.5 yr old male, 19839

age-related changes in interlimb & spatiotemporal coupling, development of asymmetrical bimanual coordination, 6 mo olds, longitudinal study, 41639
amount & timing of visibility of hand, optimization of directional accuracy in aiming movements, college students, 17879
assessment of subclinical tremors in EMG from musculus abductor digiti quinti in hand during isometric contraction, stuttering 15–33 yr olds, 39341
classical conditioning procedure using warm & cold water for UCS & tone for CS, bilateral hand reflex & skin temperature, 22–35 yr olds, 11079
egocentric vs allocentric constraints, bimanual & homologous vs homolateral vs heterolateral 2-limb coordination, college students, Belgium, 37690
grip force adjustments to stabilize hand-held load during arm movements, 24–40 yr olds, implications for role of CNS models in motion planning & control, 34187
hand & mouth & eye preferences on sensory & motor tests measuring lateral preferences, common marmosets, 18162
hand grips during locomotor & manipulative behavior, chimpanzees, implications for evolution of hand morphology & tool behaviors in humans, 2973
in-hand skills of rotation, 3–6.9 yr old males vs female vs 28–39 yr old adults, 38331
laterality of dermatoglyphics on hands as genetic sign of right hemisphere dominance, 3–10 yr olds with Williams syndrome, Russia, 35966
left vs right hemispheric lesion & motor hypokinesia, variants of alien hand syndrome, 54–69 yr olds with mesial frontal & callosal lesions due to anterior cerebral artery infarction, case report, 39470
manual pointing gestures, early language acquisition, 8 mo olds, 6 mo study, 15207
medical terminology for ritual handwashing, 42376
mental representation of hand movements, patients with unilateral left or right parietal lobe lesions, 19649
motor hand function, 4–7 yr olds with developmental speech & language disorders, England, 39345
perceived constraints imposed by objects & intervening apertures, adjustment in orientation of hand in preparation for grasping, adults vs 9–10 mo olds, 25780
prenatal dermatoglyphic markers, monozygotic twins concordant vs discordant for schizophrenia, 12032
proximal-distal vs oblique vs medial-lateral nonmoving-oriented patterns, sensitivity of middle vs index finger of right vs left hand, 21–36 yr olds, implications for class 1 & 2 anisotropies, 25170
public self-consciousness & ability to control behavior, hand movements during deception, adults, 38203
red nucleus lesion, reaching vs grasping with limb contralateral to lesion, female rats, 6692
response interruption & differential reinforcement, hand-mouthing behavior, 66 yr old profoundly mentally retarded male, 19833
right-hemisphere cognitive ability measured by use of tactile input in cross-modal matching, 60 yr old female patient with alien hand sign after corpus callosum ischemic infarction, 42785
sensorimotor hand function, patients with parietal lesions, implications for parallel & serial processing of haptic information, 1590
sign location frequency & accuracy & handshape & movement production, 9–20 yr olds with autism, 42612
task & organismic constraints on coordination system, joint freezing & postural contributions to performing prehension task combining reach & grasp skills, 23–28 yr olds, 10682
trunk assisted reaching in wrist transportation to prehension involving small vs large objects, right-handed 19–51 yr olds, 21320

Handedness—Serials

age & selective attention & handedness & reading ability, right ear advantage in dichotic listening of consonant-vowel stimuli, 6–12 yr olds, meta analysis, 22036
age, hand preference strength & direction for bimanual coordination, tufted capuchins vs rhesus macaques, 6547
anomalous lateralization of cognitive functions, 39–77 yr old left & right handed patients with unilateral brain damage & aphasia, implications for genetic model, 12574
asymmetrical behavioral bias toward right forelimb usage, European & South American cane toads, implications for evolution of handedness in higher vertebrates, 3050
brain asymmetry, language ability & tool use & hand preference, humans vs animals, 6423
cerebral lateralization & handedness & cognitive function, IQ & language ability, severely mentally retarded 32–50 yr olds with vs without Down's syndrome, 8395
control of limb movements & development of manual asymmetries & discrimination & programming of appropriate neuromuscular resources, 34191
correlation between auditory & visual perceptual asymmetries in language processing, right vs left handers, meta analysis, 34744
differentiation of drawings by 2nd graders vs adults with preferred vs nonpreferred hand, 7 yr olds vs college students, 34786
dimensionality & relationship among handedness & accidents & propensity for cognitive failures as measured by the Cognitive Failures Questionnaire, Navy personnel (mean age 21.5 yrs), 28406
dimensionality & relationship among handedness & accidents & propensity for cognitive failures as measured by the Cognitive Failures Questionnaire, Navy personnel (mean age 21.5 yrs), errata, 33955
factor analysis & normalization & multi- vs unidimensionality of handedness data, college students, 14859
fin preference in pectoral stridulation sound production, catfish, 10827
foci of research on handedness in chimpanzees, 1941 to present, literature review, 18163
genetic & environmental influences on etiology of left-handedness, adolescent twins & their parents, 25686
genetic trait of degree of lateralization of paw usage, mouse strains, 18128
hand preference & hand skill, 3–5 & 11–13 yr olds with autism vs learning disabilities, England, 12316
hand preference & performance variability, intensity of mirror movement, left vs right handed college students, 21318
hand preference & sex, current & relative stature & predicted adult height, 5–11 yr olds, 7172
hand preference during uni- & bimanual tasks, 4–11 mo old rhesus macaques, implications for hemispheric specialization, 41287
hand preference vs skill vs strength as index of handedness, male vs female 20–28 yr olds, Ireland, 478
hand skill & strength of hand preference, strong vs weak vs predominantly right-handed adults, 6602
hand skill asymmetry, right-handed 21–38 yr old professional musicians, 41048
handedness & drawing & categorization & facial recognition & play, 7–11 yr olds with hearing impairment, India, 42871
handedness & factor analysis of hand preference questionnaire, college students, Japan vs Canada, 17877
handedness & motor directionality & performance parameters of directionality in perceptual & motor tasks, 2nd graders, Czechoslovakia, 11402
handedness & visual attentional cues, interlimb asynchrony during bimanual drawing, college students, Belgium, 11015
handedness & visual motion sensitivity, 17–54 yr olds with dyslexia, 31460
handedness & visuospatial & mathematical skills & speech problems & immune disorder vulnerability, male vs female 18–53 yr olds, England, test of cerebral lateralization theory, 10938
handedness according to zygosity & chorion type, 6–28 yr old twin pairs, Belgium, 18476
handedness norms, sexual orientation, homosexual vs heterosexual males, 1938–63, 11616
handedness, risk of tardive dyskinesia, outpatients with schizophrenia or schizoaffective or affective disorder maintained on neuroleptics, 5074

handedness, unimanual object-proximity task performance, college students, implications for visuospatial attentional control, 41047
haptic vs bipedal vs quadrupedal reaching task, hand preference, brown capuchin monkeys, 21687
interference between concurrent tasks, right vs left-handed adults, test of functional cerebral distance vs statistical bias vs manual dominance vs 2-factor models, 29255
intra or infrapyramidal mossy fibers in the hippocampus, paw preference, mice, 18173
laterality & directional preferences, rotational behaviors, 3–5 yr olds, 38312
left vs right handedness, history of difficult birth & childhood cognitive & behavioral abnormalities & persistent auditory hallucinations, schizophrenic 15–58 yr olds, UK, 1305
line bisection using left vs right hand & judgment of prebisected lines, normal right vs left handed 4–5 vs 10–12 yr olds, 14508
manual laterality while solving visually & tactually guided food reaching tasks, spider monkeys, 14851
manual performance & direction & degree of laterality, 8.3–12.5 yr old monochorionic vs dichorionic monozygotic vs dizygotic twin pairs, France, 18469
masculine vs feminine personality characteristics & breast size & age at menarche & regularity of menstruation, left vs right handed female college students, 21682
maze orientation & handedness & initial hand use, intermanual transfer of learning, adults, replication, 11013
monohaptic vs dichhaptic finger exploration, interhemispheric interaction during letter shape & meaning recognition & naming, left vs right handed 21–28 yr old males, 37957
mouse paw preference using altered forms of R. L. Collin's paw preference test, inbred mice strains, 34525
paw preference, housecats, 25487
postures & bimanual coordination & paw preferences & other paw & digit use patterns during food handling, female rats, 502
quantification of right shift theory of atypical cerebral dominance, 10918
reading ability & handedness, 11.2–13.9 yr olds, New Zealand, 18436
relation between handedness & mortality as way to introduce research methods, teachers of college students, 13712
right hand use & right hemisphere activation, line bisection with right hand vs head-mounted miner's lamp, 24–83 yr olds with left visual neglect, 42806
right shift theory of handedness & genetic balanced polymorphism for cerebral specialization & cognitive processing, commentary, 6590
right shift theory of handedness & genetic balanced polymorphism for cerebral specialization & cognitive processing, commentary, 6581
right shift theory of handedness & genetic balanced polymorphism for cerebral specialization & cognitive processing, commentary reply, 6578
right vs left vs mixed handedness, patients with schizophrenia vs affective psychosis vs schizoaffective psychosis, 4167
salivary testosterone & dichotic listening, left vs right handed adults, Canada, 10984
schizotypal personality traits & manual hand preference for skilled & less skilled tasks, nonclinical students (mean age 21.3), Canada, 42083
sign language acquisition & hand preference development, young children of deaf parents, longitudinal study, 34783
test-retest reliability of observational method for determining body turning bias & associations between turning bias & sex & handedness, adults, 10369
theoretical analysis of association between nonright-handedness & neurodevelopmental disorders, 12659
tool using vs other tasks, hand preferences, tufted capuchin monkeys, 21611

Handicapped [See Disabled]

Handicapped (Attitudes Toward) [See Disabled (Attitudes Toward)]

Handwriting [See Also Cursive Writing, Printing (Handwriting)]—Serials

action plans for writing vs drawing, 4–6 yr olds unschooled in writing & college students, 734
adaption of reaching model to computer simulation of handwriting model for motor control, 6282
dysgraphia in dementia of Alzheimer's type, adults, 31797
evidence of damage to graphemic buffer in shorthand vs alphabetic handwriting, 45-yr-old female with brain damage following stroke, Italy, case report, 39531
extrapyramidal signs in handwriting movements, 18–46 yr olds with chronic schizophrenia, 30972
increasing cognitive impairment, regression of geometric copying & handwriting skills, 75 yr olds & older with vs without dementia at different stages, Sweden, screening implications, 12610
role of visual & kinesthetic function in upper case print vs cursive writing, 57 yr old female with right posterior cerebral atrophy & afferent dysgraphia & case dissociation, Italy, case report, 12678
sex & Urdu vs English handwriting samples, inferences of donor masculinity vs femininity, bilingual undergraduate judges, Pakistan, 18964
validity of graphoanalysis method, prediction of correlation between personality traits & handwriting elements, college students, 22578
writing with word processors vs pen & paper, writing quality & syntactical maturity, 11 yr olds, England, 13742

Happiness—Serials

achievement of happiness as goal of psychoanalytic therapy, reprint, 16580
component analysis of preferred-stimulus presentation & contingent withdrawal program for increasing indices of happiness, 28–41 yr olds with profound mental & physical disabilities, replication, 38853
concept of self worth as hindrance to obtaining inner peace & happiness & staying in moment as key concept of rational emotive behavior therapy, 27204
convergent validity of Depression-Happiness Scale & Crown-Crisp Experiential Index, college students, Ireland, 5990
correlation of the attention paid to & the organization & selective retrieval of positive vs negative life events & subjective well-being, happy vs unhappy college students, 35352
demographic characteristics & personality traits & enviromental factors, happiness, 18–65 yr olds, Taiwan, 40832
development of questionnaire for assessment of happiness based on just perceivable increments of pleasure/pain, interpersonal comparability with other questionnaires, adults, 14274
E's conflicting & nonconflicting angry & happy emotion communications about novel toy, reactions to toy, 10 mo olds, 11423
goal beliefs & thoughts about positive & negative life events, happiness judgment, adults, 38778
happy vs sad mood, RT & reliance on general knowledge structure on recognition task, college students, 2861
importance of love in perceived happiness measured by A. H. Maslow's hierarchy of needs, college students, 15707
increases of indices of happiness, movement vs minimal movement, 25–47 yr olds with profound mental & physical disabilities, replication study, 26350
parents' divorce, family & peer relationships & happiness & self esteem & depression & risk taking, adolescents, 15287
perceived significance of romantic love for marital happiness & satisfaction, single vs married 18–82 yr olds, Austria & Switzerland, 41882
perceived sources of happiness, 18–60 yr olds, Taiwan vs Western countries, 30091
perceptions of factors in happiness, 18–25 yr old college students, Canada vs El Salvador vs US, implications for theories of collectivism & individualism, 15625
personality profile based on five-factor model & life satisfaction, happy vs unhappy males & females, 42084
personality traits & extraversion & happiness, adults, England, 42064

pleasantness & arousal, attitude formation & message elaboration in response to persuasive communication, college students, 38710
positron emission tomography assessed neuroanatomical correlates of happiness & sadness & disgust, females, conference presentation, 37978
probability & magnitude of event outcome, elation vs disappointment, college students, Netherlands, 35295
psychoanalytic perspective on power & origins of unhappiness, implications for psychotherapy, 1693
religiosity, happiness, college students, England, 22546
sadness &/or happiness, autonomic reactivity & pulmonary function, asthmatic 8–17 yr olds, 35992
transitional stress, mental & physical health & overall happiness, Chinese students, Japan, 17197
Haptic Perception [See Cutaneous Sense]
Harassment (Sexual) [See Sexual Harassment]
Hardiness—Serials
appraisal & coping model of protective factors & resilience vs ethnocentric bias & decontextualization of sociocultural influences, African American youth exposed to violence, 22239
concept analysis of resilience, implications for psychiatric mental health nursing, 27632
concept of & factors influencing resiliency, children & adolescents & adults with severe burns, 35978
conflict between research on children's resiliency vs bonding following removal from psychological parents & return to biological parents in parental rights cases, 20913
coping styles & personal life investment & levels of adaptation & resilience, physical risks, 70–103 yr olds, Germany, 25958
Differential Resiliency model of nonpathological approach to resilience in social work practice, 24–35 yr old children of alcoholics, conference presentation, 42537
dispositional regulation & resiliency & emotionality, sympathy & personal distress, kindergarten–3rd graders & their parents & teachers, 34908
family functioning & conflict & temperament, resilience vs vulnerability to internalizing vs externalizing behavior problems & aggression rated by teachers vs mothers vs independent Os, 2–5 yr olds, 7382
family resilience & adaptation to stress, literature review, 26036
family resilience as useful framework for overcoming crisis & stress, 27282
gender & hardiness & social support, well-being, 60–70 yr olds, 32758
hardiness & severity of abuse & identity of perpetrator, adult adjustment, adult female survivors of childhood sexual abuse, implications for family therapy, 32206
hardiness & stress & temperament & coping & burnout, health care professionals, 40308
health problems & resiliency factors & targets for intervention & environmental protective factors, health promotion program planning, 12–14 yr olds from low income urban environment, 9305
measures of risk & children's resiliency to high risk environments, Texas state & local area assessment of needs for substance abuse prevention services, 43387
positive illusions & cognitive coping strategies associated with resilience, female college students sexually abused as children, 8116
positive vs negative illustrations of psychological sense of community & resilience, 26–46 yr old African-American single mothers raising children in risky communities, 18731
protective factors & successful adaptation, adults in Kauai Longitudinal Study originally assessed as high-risk resilient children & youth, 26236
resilience as character trait, persons with learning disabilities, literature review, 8373
resilience to psychopathology & stress & adversities & risk factors & moderating processes, 11931
risk & resiliency, adjustment, individuals with learning disabilities, 23186
school environment & cognitive & belongingness & extracurricular needs, self concept & motivation & academic achievement in promoting resiliency, Hispanic high school students, 9949
structure of the Coping & Adaptation & Resilience construct, elderly, 38466
themes & construction of meaning of life & patterns of interaction & adaptation & developmental risk & resilience, 10–13 yr old ex-street boys attending voluntary learning center, South Africa, 34757
Hashish—Serials
perinatal hashish exposure, sociosexual approach behavior & mesolimbic dopaminergic activity, adult rats, 7012
Hate—Serials
developmental tasks of midlife & clinical work amidst self hatred & separation & survivor guilt, female patient, case report, 12796
indifferent vs participatory role in Holocaust & influence of group-culture beliefs, Germans, 25972
object relations theory & religious aspects of hatred as defense mechanism, 35397
structural & political variables in criminalization of hate, 25976
theological-ethical analysis of hate and hostility, application of H. R. Niebuhr's concept of evil imagination & the dialectical structures of human faith, 18699
Hawaii—Serials
adherence to Western vs traditional values, incarcerated vs nonincarcerated 19–55 yr olds, Hawaii, 30425
AIDS & homosexuality & dance in Hawaii, 41939
Hazardous Materials [See Also Insecticides, Poisons, Teratogens]—Serials
attitudes & beliefs & perceptions regarding risks from chemicals, toxicologists vs members of public, Canada, implications for risk communication, 17482
attitudes & perceptions about on-site nuclear waste storage risk, adults living near existing nuclear power plants, 14079
car exhaust toxicity & use as suicide method, 1950–84, 4270
components & assessment of fear of future illness, 17–85 yr olds, implications for psychologists testifying in litigation over exposure to environmental hazards, 8451
concerns & perceptions of risks related to transportation & storage of radiological waste, adults, 14083
exposure vs nonexposure to organic solvents, neuropsychological performance, male journeyman painters (mean age 38 yrs), 31568
field validity of psychometric model of risk perception regarding nuclear reactor, Midwestern community residents, 14085
gestational PCB exposure, developmental neurotoxicity, children, literature review, 39351
lifetime exposure to organic solvents, neuropsychiatric symptoms, male house painters vs carpenters, Sweden, 10141
occupational styrene exposure, peripheral sensorimotor neuropathy & color vision deficits, industrial workers, case reports, implications for biological monitoring, 24791
perceived barriers to compliance with & knowledge of Hazard Communication Standard requirements, employers & their organizations, 14009
stressful experience of toxicological disaster, health & health-related behavior, community residents, literature review, 37269
Hazards—Serials
cross cultural analysis of perceptions of risks from hazardous technologies & activities, college students, Australia, 18960
forms of empowerment & relation to citizen participation & local environmental hazards, 3573
hazard evaluation of nature & level of physical load & comparison with guidelines, ship maintenance workers, 40634
individual differences in desire for control & ambiguity intolerance & demographic characteristics & personal worry & perceived risk of technological hazards, 22–79 yr old females, 22554
no vs moderate alcohol, hazard perception, 18–25 yr old non-drink-drivers vs DWI offenders, 19360
vagueness about probability & magnitude of loss, evaluation of hazard risks, college students, 17927

Head (Anatomy)—Serials
angle–angle vs displacement–angle control display gains, performance with mouse vs head controlled input device, 19–36 yr olds, 28300
eye position, thresholds for detection of full field visual rotation, adults, implications for visual coding according to head centered craniotopic vs retinal based reference system, 14519
head circumference & brain size & Alzheimer's disease, adults (mean age 78.3 yrs), 39552
head circumference at birth, schizophrenic patients, replication, Japan, 26499
head circumference, under 16 yr olds with autism vs other pervasive developmental language disorders, England, 8363
head stabilization & reflex mechanisms, 65–73 vs 79–88 yr olds, 29793
increased head circumference, White 17–86 yr olds with schizophrenia or schizoaffective disorder, 22823
macrocephaly & clinical features, 3–38 yr olds with autism, 31426
model of spatial orientation & intrinsic dynamics of head-direction cell ensemble in rat limbic system, 21722
nuchal hump size & function, male vs female responses, Nicaraguan cichlid fish, 29087
salient extramaze visual landmark location, head direction cell activity & spatial reference memory in radial arm maze, female rats, 21492
validity of test of effects of long duration centrifugation, head movements in 4 directions, adults, implications for etiology of Sickness Induced by Centrifugation, 16238
Head Banging—Serials
naturalistic assessment & treatment of self injurious head banging, 11 yr old male with multiple disabilities, case report, 4014
Head Injuries [See Also Brain Concussion]—Serials
accuracy of original weighted vs revised proration computational formula of seven subtest short form of WAIS-R, patients with closed head injury or presumed dementia, 37373
age at onset & severity of head injury & brain lesion characteristics, semantic & episodic memory, children (mean age 10.1 yrs), 12 mo study, 26998
age, behavioral outcomes & psychopathology & adaptive & cognitive functioning, 6–16 yr olds with mild vs moderate vs severe closed head injury assessed 3–60 mo postinjury, 16239
age vs loss of consciousness vs time after injury, impaired attention in executive processes, 14–61 yr olds with mild closed head injury, 16380
anterograde memory preservation despite complete autobiographical & partial verbal & visual lexical memory loss, male 58-yr-old with mild head trauma & focal retrograde amnesia, Italy, case report, 36073
auditory &/vs visual free recall modalities, word learning & rate of learning, 16–50 yr olds with moderate to severe closed head injury, 12599
characteristics of epilepsy following minor head trauma, 6–65 yr olds, 8582
clinical assessment, adult patient with persistent symptoms after mild head trauma, literature review, 39482
cognitive & somatic & personality functioning, 17–47 yr old victims of mild traumatic brain injury, 12646
cognitive & somatic personality functioning, 17–47 yr old victims of mild traumatic brain injury, erratum, 27003
cognitive impairments, 33 yr old patient who experienced PTSD & minor head injury following traffic accident, case report, 38862
concurrent validity of WAIS-R 7 item subtest short form, patients with closed head injury or dementia, 2651
consistent vs varied mapping semantic category memory search tasks, automatic process development, patients with closed head injuries, 23471
criterion validity of factor index scores of WISC-III, children (median age 11.6 yrs) with mild to severe traumatic head injury, experimental replication, 37433
cross validation of MMPI-2 correction items, adult patients with mild & recent head trauma, 28545
diagnosis of chronic posttraumatic vs analgesic rebound headache, 41 yr old male accident victim with 15 yr headache & depression history, commentary, 39371
diagnosis of chronic posttraumatic vs analgesic rebound headache, 41 yr old male accident victim with 15 yr headache & depression history, commentary & commentary response, 39397
diagnosis of chronic posttraumatic vs analgesic rebound headache, 41 yr old male accident victim with 15 yr headache & depression history, 8501
diotic vs dichotic auditory digits at slow vs fast presentation, selective impairment of auditory attention, patients with closed head injury vs right hemisphere cerebrovascular accidents, Germany, 4533
earlier closed head injury, language functioning in areas of syntax & semantics & pragmatics, 9–17 yr olds, 31802
family adaptation strengths & problems, primary caregivers of family members with head injuries, 4536
figure–ground segmentation measured by size & brightness parsing & symmetry judgments, 53 yr old female with closed head injury, 42784
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary, letter, 23468
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary, letter, 23481
financial incentives & recovery, patients with minor vs severe closed head injury, meta analysis, commentary reply, letter, 23371
frontal/executive deficits & memory problems & perceptual distortions in etiology of Capgras syndrome, 74 yr old female with closed head injury & premorbid amnesia, case report, 4690
Ganser syndrome symptoms & course, 12 yr old male with mild head injury, case report, 31841
history of depression & suicide attempt resulting in skull defect & intracranial metallic foreign bodies, safety of ECT, 34 yr old male, case report, 9177
information processing & sustained & focused & divided attention & supervisory attentional control, 15–58 yr olds with severe closed head injuries, Netherlands, 31890
information processing capacity & memory impairment, 17–50 yr old males with closed head injury, 31789
injury severity & preinjury psychiatric & behavioral & adaptive functioning & family functioning & psychiatric history, psychiatric outcome, traumatic brain injured 6–14 yr olds, 3 mo followup, 31831
IQ measures, assessment of cognitive & neuropsychological & general abilities & daily functioning, personal injury claimants with brain damage due to head injury, 1560
learning disabilities involving mathematics & spelling & reading following right hemisphere injury in infancy, 17 yr old male, case report, 4684
mean RTs of cognitive processing, adults with closed head injury, meta analysis, 16323
mild head injury, Symbol Digit Modalities & Digit Symbol Substitution Test & Speed of Comprehension Test, male rugby players (mean age 22.1 yrs), 36094
MMPI-2 scores, patients with moderate–severe vs minor–mild head injury in vs not in ongoing litigation, 43968
morphemic units as output of orthographic lexicon, 45 yr old male with brain injury, 12578
multilevel modelling alternative to MANOVA, prediction of recovery of speed of information processing, 17–70 yr olds with closed-head injury, longitudinal study, Canada, 4721
naming performance, 7–17 yr olds with closed head injury or posterior fossa tumor or acute lymphoblastic leukemia, 26992
nature & extent of frontal lobe dysfunction, 21–40 yr old patients with closed head injury in post acute phase, 12612
neuropathology & sequelae & measurement & recovery of mild head injury, literature review, 31808
neuropsychological or academic or psychosocial outcomes, children & adolescents with mild head injury, literature review, 1970–1995, 42833
neuropsychological rehabilitation, cognitive functioning, 18–60 yr olds with mild head injury, 27483

neuropsychological studies, adults with mild head trauma, meta analysis, 39483
neuropsychological test scores, head injured adults in litigation vs not in litigation, 23281
obsessive compulsive disorder following mild closed head injury, 16–45 yr olds, 1587
outpatient psychological care after hospital discharge, cognitive & emotional & neurobehavioral problems & family stress, closed head injury patients, 1 yr followup, 33015
performance in Sustained Attention to Response Task paradigm & self- vs relative-reported everyday attentional slips, 18–65 yr olds with traumatic brain injury, England, 36133
postconcussion syndrome, 6–15 yr olds with mild vs moderate vs severe head injuries, 36120
posttraumatic rapid cycling unipolar mania, head injured male 24 yr old with no genetic predisposition to affective disorder, case report, 1492
PTSD & long term changes in psychological distress & self concept & occupational & social functioning, 17–86 yr olds with minor head injury, 6 mo & 3 yr followups, 12694
reinitiation of outpatient occupational therapy, 21 yr old female with traumatic brain injury, case report, 13474
relatively intact retrograde memory with anterograde amnesia & cognitive deficits, 26 yr old male with head injuries, England, case report, 12677
remote memory for famous events, 35–86 yr olds with unilateral temporal lobe tumors vs traumatic brain injuries, 36107
reported head injury & gender & age of onset of & predisposition to Alzheimer's disease, older adults with Alzheimer's disease vs other dementias vs no dementia, 31875
Rorschach assessment of personality structure & related functioning, 24–59 yr old closed head injury patients, 4660
selectively impaired recognition of living vs nonliving things, patients with head injuries or brain damage & visual agnosia or prosopagnosia, replication & extension, 36105
self-appraisal of cognitive difficulties & performance on the Wechsler Memory Scale-Revised & WAIS-R & MMPI-2, male patients with closed-head injury (mean age 46.4 yrs), 36087
self-reported concussion symptoms vs objective malingering test, assessment of feigned head injuries, college students vs patients 35 yrs old & younger with mild head injuries, 8623
semantic vs nonsemantic word encoding, free recall & perceptual & conceptual priming, 19–47 yr olds with closed head injury, Israel, 39564
simulated vs psychogenic vs focal pure retrograde amnesia & use of unconscious knowledge, 38-yr old female with mild head injury, case report, 12582
simultaneous &/vs delayed auditory & pictorial stimulus presentation, oral picture naming & matching to sample performance, male 40 yr old with head injury, 39506
single &/vs dual task performance, patients with focal anterior vs posterior brain lesions vs acute vs subacute closed head injuries, 8655
supervisory control on Stroop test under paced vs self paced single vs dual task condition, 16–42 yr olds with closed-head injury, 4644
surgery & intensive orthopedic rehabilitation, pain & physical functioning & concomitant cognitive function, 47 yr old male with closed head injury, case report, 32691
validity of Amsterdam Short Term Memory Test & Distraction Test, detection of feigned memory deficits, patients with closed head injury vs their healthy 1st degree relatives, 21114
validity of Dissimulation Index neuropsychological assessment, head injured litigants vs nonlitigants, 6076
validity of Paced Auditory Serial Addition Test, neuropsychological assessment of attention & concentration & information processing speed, adults with possible closed head injury, 21116
validity of recognition discriminability long delay free recall & discrepancy from California Verbal Learning Test, retrieval deficits, patients with moderate or severe closed head injury, commentary, 21101
validity of recognition discriminability long delay free recall & discrepancy from California Verbal Learning Test, retrieval deficits, patients with moderate or severe closed head injury, commentary, 21119
validity of recognition discriminability long delay free recall & discrepancy from California Verbal Learning Test, retrieval deficits, patients with moderate or severe closed head injury, commentary, 21105
validity of recognition discriminability long delay free recall & discrepancy measures, detection of retrieval deficits, patients with moderate or severe closed head injury, commentary reply, 21121
voluntary helmet use, head injury, 5–18+ yr old cyclists, New Zealand, 20882
working with head injured vs other rehabilitation patients, stress & job satisfaction & psychopathology, nurses, 33272

Head Start [See Project Head Start]

Headache [See Also Migraine Headache, Muscle Contraction Headache]—Serials

biofeedback assisted relaxation therapy, 20–60 yr olds with posttraumatic headache, 5126
cognitive habituation & ERPs, 16 yr old & older headache patients, 31767
diagnosis of chronic posttraumatic vs analgesic rebound headache, 41 yr old male accident victim with 15 yr headache & depression history, commentary & commentary response, 39397
diagnosis of chronic posttraumatic vs analgesic rebound headache, 41 yr old male accident victim with 15 yr headache & depression history, commentary, 39371
diagnosis of chronic posttraumatic vs analgesic rebound headache, 41 yr old male accident victim with 15 yr headache & depression history, 8501
efficacy of psychological treatments of chronic benign headache disorders, 9213
elements of neuroticism & relation to headache symptomatology, college students, 26875
etiology & symptoms & age at onset & response to treatment of benign vs symptomatic headaches precipitated by cough vs exertion vs sexual excitement, 10–81 yr olds, 23275
frequency & clinical features & pathophysiology of headaches associated with multiple sclerosis & dementia & sleep apnea & Chiari type I malformation & HIV infection, literature review, 39392
Medical Outcomes Study Short Form SF-20 & SF-36 health surveys, quality of life measurement in chronic headache disorders including migraine, 37521
nonpharmacological &/vs pharmacological treatment of recurrent headache disorders, literature review, 12715
presentation with headache & psychiatric symptoms, male 50 yr old with cerebral mucormycosis, case report, letter, 1567
relationship of HIV 1 associated headache to systemic & neurologic & psychiatric disease, ambulatory HIV seropositive patients, 5 yr longitudinal study, 19558
reporting of headache & neck or shoulder pain within family structure, male vs female 20–70 yr olds, Norway, 8468
sumatriptan, panic-like symptoms & migraine headache attacks, adults, letter, 13003
use of 22- vs 29-gauge needles to obtain CSF for psychiatric research comparing neurochemicals, postlumbar puncture headache, female volunteers vs those recovered from eating disorder, 10597
validity of Coloured Analog Scale, measurement of intensity & aversive component of pain, 5–16 yr olds with recurrent headaches, 28496
22- vs 29-gauge needles & post-lumbar puncture headaches, females recovered from eating disorders (mean age 25.5 yrs), 32651

Health [See Also Holistic Health, Mental Health, Public Health]—Serials

ability to disclose traumatic events in writing during brief period & effect of written disclosure on self-reported mental & physical health, trauma survivors with PTSD, Israel, 4204
age & socioeconomic background & health status & cognitive function, prospective memory, 35–80 yr olds, Sweden, 41784

AIDS status & disease progression, relationship between health values & physical & mental health status, HIV infected patients, 23330
alcohol abuse & dependency & consumption patterns & health related quality of life, 18–86 yr old primary care patients, 42544
analysis of 2 health-related social identities & reliability & validity of Exercise Identity Scale & Wellness Rejector Identity Scale, college students & government employees, 40924
anemia & erythrocyte sedimentation rate & white blood count & blood glucose & serum iron & potassium, subjective & objective health & quality of life, 80 yr olds, 5 yr followup, 1502
anxiety & depression & self esteem & health, college students in vedic science curriculum, Cambodia, 5591
applicability of Physical Performance Test, healthy elderly vs patients with Alzheimer's disease, implications for use in epidemiological surveys, letter, 19669
appraisal & coping & resources in conjugal bereavement & health, elderly females widowed 1–12 mo before assessment, 3898
appropriateness of Beth Israel/UCLA Functional Status Questionnaire for assessment of physical & social & psychological status, geriatric ambulatory medical patients, 21132
articles from 'Journal of Adolescent Health', July–December 1993, bibliography, 7167
aspects of participation in mustard gas testing during WWII, lifetime PTSD & psychiatric & physical health outcomes, male military veterans, 12442
assessment of human machine interactions, theoretical model representing consciousness/environment interactions with quantum wave mechanics, application to human health, 29007
career progress & unequal access to organizational benefits & experience of sexual harassment, psychological & physical health impacts, male vs female police officers, 24897
caregiver characteristics & stressors & resources, negative vs positive appraisals, 51–86 yr old husbands caring for wives with dementia, 32957
childhood & early adolescent behavior problems, sexual intercourse patterns, 10th & 11th grade students, 2 yr study, implications for health risk, 7383
childhood socioeconomic conditions & sense of coherence & adult social class & adult health, adults, Sweden, 43238
cognitive & neuropsychological performance & functional status, 65–84 vs 85–99 yr olds, implications for increased risk for cognitive decline & dementia with age, 11499
community education levels, health status & stress & network support, 65–94 yr olds living in community, 15376
comorbid Axis I & Axis II diagnosis, psychosocial adjustment & health status, 14–70 yr old heart or kidney or lung or liver transplant candidates, 1927
comparison with same age peers & own health 1 yr earlier as points of reference for current ratings of health status, 77–98 yr olds, Sweden, 7416
concept of being healthy as expression of personal worth & social values & existential principles, 11698
concepts of health & healing & related activities, 25–80 yr old nurses vs alternative healers, 24478
conceptual model of organizational climate & job gender context as antecedents of & work related variables & psychological states & physical health as consequences of sexual harassment, females, 39140
critiques of & social science perspectives on World Health Organization's definition of health, 30477
current health & mental health status, PTSD, Vietnam veterans, New Zealand, 31097
current psychological adjustment & validity of Family-of-Origin Scale, assessment of perceived health of family of origin, 18–26 yr olds, 17699
definition & practice based on wellness theory, clients with disabilities, implications for social work education, 36647
definition of health & disease promotion & protection behavior & health & healthy lifestyle, health promotion researchers, 43289
definitions of work, health & well-being & social policies & research, human females, literature review, 1974–96, 37146
demographic & cognitive impairment & other health & illness factors related to excessive sleepiness & daytime napping, risk of mortality, 65 yr olds & older, 4 yr study, 12458
demographic & health status characteristics, spending preferences, 65–84 yr olds & older, Canada, 2372
demographic & health variables, risk behaviors for HIV, Black vs Hispanic vs White out of treatment injection drug users, 27601
demographic & instrumental activity & other clinical characteristics, 100–106 yr olds living in urban areas, Italy, conference presentation, 29978
demographic characteristics & mental & physical health, homeless females living in hostels, England, 7438
demographic characteristics & service record & physical & psychological health, suicide rate & trends, 18–59 yr old police personnel, Australia, 1843–1992, 8084
demographic factors & health behavior, self rating of health as good vs poor, 65 yr olds & older, 18652
demographic factors & overall psychological & physical aspects of stress, prediction of work related stress, social workers, England, 5520
demographics & time between Level I & II assessments & health status & completion of referrals made by Foster Care Health Project, 0–18 yr olds entering foster care, 16864
depressive symptoms & overall self-rated health, 65 yr olds & older residing in rural low SES community, 41786
development & factor analysis & reliability of summary scale scores for Medical Outcomes Study 36-Item Short Form Health Survey, 20–69 yr old surgical patients, replication, UK, 40921
development & reliability & validity of Dental Value Questionnaire, assessment of dental health value, 20–72 yr old employees of outpatient medical clinic, 40925
development & reliability & validity of Schedule of Racist Events, assessment of racism & related physical & mental health consequences, 15–70 yr old African Americans, scale appended, 5988
development & validity & reliability of Warwick Child Health & Morbidity Profile, preschoolers, England, 10518
differences between young-old vs old-old in physical & mental well being & family issues & formal & informal support systems, 66 yr olds & older, 22168
distress & physical health & performance & cortisol & testosterone levels & appraisals of harm vs threat following hurricane, college students, 43911
educational background & age, health status, 18–90 yr olds, 1919
effectiveness of occupational therapy, psychosocial well being & daily functioning & physical health, elderly, meta analysis, 13468
effects of 5 types of shift schedule changes, health & social life & attitudes toward new shift system, workers, 14006
emotional disclosure of stressful life events, mood disturbance & pain & joint condition & physical dysfunction, 22–79 yr old patients with rheumatoid arthritis, 3 mo study, 39379
emotional status & perceived family functioning & health, primary caregivers of children with Battens disease vs other chronic & less severe medical illnesses, 19507
environmental & individual characteristics affecting & cognitive appraisal & coping related to & short & long-term outcomes in occupational health, 1991–1995, literature review, 14013
environmental factors & housing satisfaction & health & well being & morale & marital harmony, military spouses, 20844
everyday cognitive competence in activities of daily living as measure of functional health, nondemented 60–95 yr olds, 7 yr study, 22186
expressed vs suppressed anger & gastrointestinal & respiratory & musculoskeletal disease & other health risks, urban bus drivers, 12493

facilitating anxiety & emotional instability & complaints about physical health, low vs high reactive 18–26 yr olds, Poland, 12103
factor structure of Ways of Coping Checklist & measures of health & stress, physicians, Norway, 20995
feminist theorizing & feminine style in rhetoric of Our Bodies Our Selves, 41920
frequency of TV viewing & negative health behaviors & health & psychosocial conditions, 9th–12th graders, 29912
functional status assess with Mini-Mental State Examination & Geriatric Depression Scale & rating of activities of daily living performance, 100–108 yr olds, Italy, conference presentation, 29980
functioning & psychological & social factors, surgical & anesthesiology techniques & radiotherapy & antiemetics & other chemotherapy & support therapy, elderly with neoplasm, conference presentation, 32722
health & functional ability, life satisfaction, 65+ yr olds living at home, England, 2.5–3 yr study, 25948
health & functional ability, onset & course of anxiety & depression & other psychiatric morbidity, 65–85 yr old & older inner city vs semi-rural residents, 2.5–3 yr followup, 11882
health & functional ability, 65–79 yr olds in longterm residential care vs living at home, Finland, 40125
health & functional status & demographic characteristics & social support networks, changes in service level, 66 yr olds & older, 18 mo study, 2035
health & functional status in activities of daily living, newly admitted Black male vs female nursing home residents (mean age 71.1 yrs), 36584
health & modes of communication & access to health information & perception of aging, 30–74 yr olds with cerebral palsy, Australia, 39477
health & psychosocial factors, health related quality of life, 20–64 yr old patients with diabetes, Finland, 42687
health & sources of work stress & work-based social support, psychiatric technicians caring for severely & profoundly mentally retarded in residential facility, 5516
health & well being & quality of personal relationships, heterosexual students (mean age 23.6 yrs) & university staff (mean age 38.9 yrs) with vs without intimate relationship, 24079
health outcomes, healthy household members living with (mean age 48 yrs) vs without (mean age 45 yrs) mentally ill, 38914
health-related quality of life research, patients with epilepsy, 36149
health status & health care utilization patterns, sheltered care facility residents with severe mental illness, 10 yr study, 20235
health status & psychosocial factors, hospital readmission, patients aged 55 yrs old & older with cardiovascular disease, 27748
health status & sexual preference & predictability of person with AIDS, anxiety reactions to initial encounter, males vs females (mean age 18.5 yrs), Netherlands, 23318
health status, activities of childrearing & daily functioning, families of extremely low birth weight neonates, 4 yr study, Sweden, 16263
health status perception & pain & role functioning due to physical & emotional & social problems, outpatients at clinical liaison psychiatry clinic vs mood disorder clinic, 3996
health status, 21.6–93.6 yr olds with learning disabilities, England, test of factor structure & interrater reliability of SF-36 Health Survey Questionnaire scale in 3rd party format, 21128
HMO vs fee-for-service systems, physical & mental health outcomes, chronically ill & poor 18–97 yr olds, 4 yr study, 27661
hospital based home visiting program, child health & well being, 13–20 yr old low income African American mothers, 5370
hospitalization observations & self-perceived health & living conditions, 65 yr old & older females, Greece vs Sweden, 5224
implementation of National Resident Assessment Instrument, rates of decline & improvement in 8 physical health conditions, nursing home residents, 40867
implementation of Resident Assessment Instrument, physical & cognitive & communicative & psychosocial function improvement & decline, nursing home residents, 40894
independence & medical fitness & age related diseases, driving ability, elderly, 22175
individual personality & behavioral differences, subjective health complaints, shift workers, 14011
injury & psychological & physical illness experience & health careers, victims of violent crime, 8323
institutional barriers to sexual health at federal & provincial & local levels, impact on adolescent sexual health & implications for perpetuation of social inequalities, Canada, 24140
intuitive parenting vs reflecting on own parenting behavior & infant health & behavior problems, 21–41 yr old mothers, 41899
issues in women's health & application of psychosomatic medicine, 5158
length of experience with shift work, health complaints related to circadian controlled factors, police officers, 14017
length of time in orphanage, eating & medical & stereotyped behavior problems, adopted Romanian children (mean age 31.5 mo), Canada, 29709
malignant effects of automobile dependence on society & human & environmental health, 37267
marital & parental & employment status, inequalities in health, female 31–60 yr olds, Norway, 22336
marital relationship & adjustment, health, 24–75 yr old females with chronic fatigue & immune dysfunction syndrome & their spouses, 35975
marital support & support from other adults & role function & satisfaction with health care, emotional & physical adjustment, husbands of wives with breast cancer, 1 yr study, 31701
Medical Outcomes Study Short Form SF-20 & SF-36 health surveys, quality of life measurement in chronic headache disorders including migraine, 37521
memory & health & aging, 35–80 yr old cohorts, prospective study, 29807
memory vs competence vs psychomotor training intervention, cognitive ability & health & well being, 75–89 yr olds, conference presentation, 2054
mental illness & social environmental & physical background, susceptibility to suicide, under 25 yr olds who committed suicide, implications for support for surviving family, 31221
methodological & psychometric & practical qualities of SF-36 Health Survey of general health status, 65 yr olds & older, 21130
models of shiftwork & health, 33714
neuroticism & languidness & morningness, prediction of health & sleep complaints, female nurses working shifts, 14008
neuroticism & somatic factors & future health status expectation, rheumatoid arthritis patients, 31622
new pet dog, emotional & family & social interactions & health & well being, 8–12 yr olds & their families, 1 yr study, 7357
number of consecutive night shifts worked, impact of sleep duration & quality on health & well being, permanent night vs rotating shift nurses, circadian adaptation explanations, 13998
occupational stress & mental & physical health, absenteeism & decreased productivity, bus drivers, 24752
optimism & reported physical symptoms & daily hassles, male vs female undergraduates, 7734
oral health status & impact on self perception & quality of life, promotional & preventive strategies, elderly, literature review, 13182
overall health & efficacy of practical interventions in preventing major causes of morbidity & mortality, postmenopausal females, discussion of Women's Health Initiative, 20180

pain intensity & perceived health & daily functioning, patients with chronic or recent onset low back pain, Netherlands, 31636
parental support, physical health status, adolescents, 38418
patterning of ill health associated with social advantage & disadvantage, 18–59 yr old females, UK, 4007
patterns of maternal ill health over 9 data collection points from delivery to 6 mo intervals past infant discharge, mothers who delivered low birth weight infants, 24072
perceived family criticism, psychosocial/somatic & biomedical heathcare utilization & social support & mental health & physical function, outpatients (mean age 48.8 yrs), 35074
perceived interference of health impairments with valued life activities & quality of life, 18–41 vs 65–95 yr olds, 1137
perception of parental caring, health status in midlife, males, 35 yr followup, 43300
perception of role change after traumatic brain injury, social support & stress levels & health problems, parents vs partners, 1593
perceptions of & frequency of receiving baby talk, functional health & need for succorance & self esteem, community living vs nursing home resident elderly, 9515
perceptions of health & health promoting behaviors, 65–89 yr old retired nuns, 13195
perceptions of parental caring, health status in midlife, male college students, 35 yr followup, 24085
personal & family characteristics & health related factors associated with & prevalence of depressive symptoms during child's 1st yr, 17–37 yr old mothers with HIV, 19549
physical & behavioral & sociocultural influences, health status & risk for diabetes, adult Mississippi Choctaw Indians, 26862
physical & mental health & substance use & health services utilization, homeless vs domiciled free-clinic users, US, 22219
physical & psychological health, African Americans acutely vs nonacutely exposed vs unexposed to sulfuric acid, 12441
physical & psychological health status, 18–42 yr old heroin users entering methadone maintenance program, Australia, 13448
physical disability & assessments of health, 25–74 yr old Blacks vs Whites, 15 yr study, conference presentation, 31588
physical health & mental health & behavioral characteristics before vs during foster care, children with substantiated physical maltreatment or neglect while in foster care, 20226
policy development & research regarding parental leave & parental functioning, 33609
premorbid vs postillness self rated health, recovery from major medical event & physical disability after event, 65–97 yr olds, 6 wk & 6 mo followups, 9294
prescription drug insurance coverage & health status, prescription drug use, 55–75 yr olds, Canada, 43334
pretreatment depression & other psychological variables & smoking status & activity level & physical health, prediction of attrition during multidisciplinary weight loss treatment, obese adults, 5123
prevalence of functional disabilities & depression, male vs female elderly, Bahrain & Burma & Korea & Egypt & Indonesia & Jordan & Sri Lanka & Thailand & Tunisia, 19091
prevalence of self-reported sleep disturbances & association with physical & psychological health, 65–100 yr old participants of Cardiovascular Health Study, 35993
Primary Care Evaluation of Mental Health Disorders & Older Americans Resources & Services Questionnaire & Health-Related Quality of Life Measure, outcome evaluation, social workers, 14335
psychological demands & job control & social support, perceived workplace health & safety risks, 15–65 yr old personnel, Europe, 24787
psychological stress, increase of salivary induced aggregation of Streptococcus gordonii, dental students, implications for oral health, 11062
psychology's role in understanding positive consequences of seeking & gaining control for individual mental & physical health & application of biopsychosocial model, 11754
psychophysiological determinants of health & disease, 6808
psychosocial & health & demographic variables, acceptability of end of life decisions under terminal vs nonterminal conditions with very low quality of life, 60–100 yr olds, 22164
psychosocial & health status & use of health care services & appropriateness of HIV testing & delivery of results, HIV seropositive 18–29 yr olds diagnosed at 13–21 yrs old, 23327
psychosocial correlates of job strain & health risk, female corporate employees, 37203
quality of sleep & awakening & physical & psychological state & relationships, quality of life, adults with insomnia, 12478
rate & correlates of depressive symptoms, community dwelling 75 yr olds & older, Israel, 19165
reasons for & health consequences of relocating late in life, 70 yr olds & older, 6 yr study, 7411
reciprocal nature of risk behaviors & health cognitions of driving & drinking & smoking, 8th–10th graders, 3 yr study, 783
relatedness & emotional arousal & perceived health & interpersonal network & caregiver role, adult offspring of patients with dementia, 13353
relationship of body dissatisfaction & restrained eating & core wellness to physical self-esteem, 16–72 yr olds, 38753
relationship of depression & self esteem & life stressors to health, homeostatic interactions between biological & psychosocial & family variables, children with cystic fibrosis, longitudinal study, 23302
relationships among ego strength & hardiness & self esteem & efficacy & optimism & maladjustment, model of health proneness, college students & other adults, 3878
reliability & concurrent & predictive validity of self report measures of health & well being & number of prescription medications & medical symptoms, females aged 70 yrs & older, 40922
reliability of home care version of Minimum Data Set derived from Resident Assessment Instrument, assessment of needs & strengths in determining functional potential, older home care clients, 40886
religion, subjective health, Black vs White elderly, 29721
religious activities & physical health & social support, depressive symptoms, 65 yr olds & older, 30866
report of Pew-Fetzer task force for integration of biomedical model & psychosocial factors in health, 13189
rhythmical photostimulation, EEG & heart rate tension & breathing amplitude & tapping rate & subjective assessment of health, adult males, 11066
ritual female circumcision, sexual function & health, females, Africa, 22234
role of cynical hostility & powerful others health locus of control expectancies in prediction of regimen adherence, 23–88 yr old hemodialysis patients, 35969
self rated health & mortality, 45–60 yr old males, Lithuania vs Netherlands, 10 yr study, 20017
self-ratings of health status, prediction of treatment response, depressed elderly patients, 11985
sense of coherence & negative affectivity & general health, male farm supervisors (mean age 38.5 yrs), South Africa, 42095
SES & health status & mortality, 43240
severity & health related quality of life & bodily pain, 35–74 yr old outpatients with obesity, 8410
severity of fatigue & activity level & subjective perception of health, adults with chronic fatigue syndrome (mean age 43.9 yrs), 39389
sex, psychosocial or subjective health impairments, police officers working rotating shifts, 13999
sexual &/or physical abuse, health status, 18–70 yr old females, 43237
sexual ornamentation & physical condition & immune defense against parasites, male house sparrows, 21573

short form Mental Outcomes Study 20-Item questionnaire based assessment of well being & functioning, 18–65 yr old euthymic patients with bipolar disorder, 11951
sleep quality & number of psychosomatic & digestive complaints, circadian rhythm of oral temperature & heart rate, oil refinery workers tolerant vs intolerant of shift work, 14025
sleep quality vs quantity, health & well-being & sleepiness, college students, 37802
social & emotional support & involvement & health & economic condition & sociodemographic characteristics, loneliness, 65+ yr olds, 15375
social relationships at work & self esteem & experience of prejudice or discrimination, health, African American vs European American workers, 28248
social support & retrospective perception of premorbid relationship, satisfaction with support & own health & caregiving burden, caregivers of dementia patients, 6 mo followup, 20249
social support intervention by midwives during pregnancy, health outcomes, expectant mothers, 7-yr followup, England, 9323
social support networks, perceived physical health & job satisfaction & intent to quit, shiftworking vs non-shiftworking nurses, 24487
sociodemographic factors & child health status characteristics & caregiver burden, psychological distress, caregivers of 9–18 yr olds with chronic medical conditions, 9489
sociodemographics & somatic & mental health, prevalence of alexithymia, 72 yr olds, Finland, 856
socioeconomic & demographic & social network factors, child health & maternal psychological distress, mothers, 15875
sociotechnical organizational structure & change, health & representation of body & work process & social relations, male vs female factory workers, Brazil, 10114
stage paradigm & integration of clinical & public health approach to smoking cessation, 9610
state variations & trends in preadmission screening programs to assess functional & psychological & medical status, nursing home applicants, 20263
stressful experience of toxicological disaster, health & health-related behavior, community residents, literature review, 37269
subjective reports of sleep & sleep disorder, personality correlates & physical & mental health, healthy 21–79 yr olds vs 17–63 yr olds with chronic fatigue syndrome, 12487
Tai Chi Chuan, health knowledge & attitudes & behavior & BP & stress level & shoulder & knee flexibility & heart rate, 60–74 yr old Hmong Americans, 24087
terminal illness & death of child from cancer, health status, mothers & fathers, 12 mo study, 8539
the psychological considerations of sexual health for men in culturally diverse communities, 26107
thoughts & feelings & language used in writing about coming to college, health center visits & GPA, college freshmen & transfer students, 11274
transitional stress, mental & physical health & overall happiness, Chinese students, Japan, 17197
traumatic grief, mental & physical health, future widows & widowers, 6 wk & 6 & 13 & 25 mo followups, 30528
types & proportions & health implications of food & beverage & nutrition advertisements in Black vs White-oriented magazines, 6 yr retrospective study, 24862
undernutrition in old age, relationship of nutrition to health, literature review, 18428
unemployment & health, 30017
unrealistic optimism & perceptions of health & safety risks, bungee jumpers & friends & family members, UK, 5809
use of health related quality of life instruments in comparative clinical studies, bibliography with indexes, 14357
use of transcendental meditation technique, health as seen in government medical payments to physicians, 18–71 yr olds, Canada, 7 yr longitudinal study, 16779
validity & reliability of scales for evaluation of health & disease related quality of life, conference presentation, 2660
values underlying health measurement & implications for health resource allocation & cost-benefit analysis, 43236
viability & potential additions to Medical Outcomes Study Short Form (SF-36) health survey, 40788
videotaped home based exercise program, muscle strength & psychological well being & health, community dwelling 66–87 yr olds, 13196
vocal health & behaviors & attitude toward voice & singing & mood, female college student singers vs nonsingers, vocal health questionnaire appended, 18408
war trauma, functional health & mental health status, 12–13 yr old Cambodia refugees, Thailand, 41812
wellness philosophy & program at community rehabilitation & treatment agency, persons with psychiatric disabilities, 27701
work & health history & family demographics & health status as determinants of patterns of health insurance coverage, Medicare population (mean age 75.6 yrs), 39992

Health Attitudes—Serials

age & SES & prior symptomatology & breast cancer & mammography beliefs & knowledge & physician recommendation & health motivation, adherence to mammography guidelines, 35–88 yr old females, 2 yr study, 5222
age & sex differences, health awareness & locus of control & perceived cause of illness, adults, Germany, 27595
age, perceived symptom severity & self & others' care & control over health & satisfaction with problem solving, chronically ill 20–95 yr olds, 8492
AIDS status & disease progression, relationship between health values & physical & mental health status, HIV infected patients, 23330
amount of smoking & belief in positive health consequences of quitting, smoking quit rate, less educated smokers, 20338
anxiety about health issues, response times to disease detection & health promotion behaviors, college students & community members, 3926
applicability of Health Belief Model to cervical cancer & gynecological & Pap smear test screening beliefs & behaviors, 18–23 yr old undergraduate females, 43277
association of favorable vs unfavorable opinions about mammography & readiness to obtain screening for breast cancer, 50–80 yr old women, application of transtheoretical model of behavior change, 43298
attitudes concerning pelvic examinations, 16–80 yr old females, Norway, 36649
attitudes toward health inequalities, adults, UK, 43232
attitudes toward helmet use, undergraduate bicyclists, 20832
attitudes toward sexually transmitted diseases & perceived knowledge & risk, 17–20 yr old college students, 4551
attitudes toward skin cancer risk & sunbathing behavior, adults, England, 18940
attributions of cause & means of risk reduction & treatment for malaria & schistosomiasis, male vs female 5–10 vs 11–19 vs 20–34 vs 35–49 vs 50+ yr olds, Malawi, 27583
attributions underlying global health appraisals, mortality rates, White 73–98 yr olds, 3520
barriers & motivating factors to adoption of mammography screening, 45–65 yr old Chinese females, Singapore, 16770
belief in responsibility for condoms & susceptibility to HIV infection & skills in condom use, sexually active African American & Hispanic 15-24 yr old males, intervention implications, 4594
beliefs & behaviors & theory development for health promotion & illness prevention, Chinese 60–90 yr olds, 20132
beliefs about breast cancer caused by physical abuse & fears of mammograms & trust in God over doctors & sharing beliefs with daughters, urban Black female 40–86 yr olds, 13206
beliefs about symptoms & food & health & mood disturbance & consulting behavior & eating habits & attitudes, adults with food intolerance, 23325
Black vs other racial background & poverty, dental health attitudes & dental care seeking, 45 yr olds & older, 43281
body vigilance & anxiety symptomatology, patients with panic disorder vs social phobia, 22910

booklet encouraging patient participation, behavior in & satisfaction with & feelings about consultation & health perceptions, general practitioner & his patients, England, 4–6 wk followup, 20181
changes in perceptions of cumulative risks to life or health or property & judgment of long-term probabilities associated with small short-term risks, college students, 28840
characteristics & frequency of attributing old age vs specific medical condition as etiology of functional limitation, community dwelling 60–89 yr olds, 22185
comprehensive prevention program vs information only, skin cancer knowledge & sun-safe attitudes & beliefs & behaviors about sun exposure, mothers of 6 mo–10 yr olds, 12 wk followup, 16791
computer generated patient held medical record summary &/vs written personal health record, attitudes & knowledge & behavior about health promotion, 25–65 yr olds, UK, 9317
convergence of modern & traditional health care approaches, Africa vs Western society, 26011
cultural values & differences in attitudes toward health & illness & treatment preferences, 15–86 yr olds, Netherlands vs Japan, 23517
demographic & clinical characteristics & functional disabilities & health beliefs & expectations, outpatients with affective disorders vs symptomatic volunteers for study of major depression, 1253
determinants of intention for low fat diet, 30–60 yr old males, implications for planning of health improvement interventions, 16787
development & validity & reliability of scales for assessment of attitudes toward menopause & estrogen replacement therapy, college vs mid-aged females, 28422
dose insensitivity & categorical perception & monotonic mind & contagion, judgments of nutrition information, college students vs physical plant workers vs random sample of adults, 13203
effect of Islam on health care beliefs & practices & health related social & spiritual issues including relations between sexes & family structure, 11538
frequency of everyday bodily experiences & health concerns, somatization & relationship with adaptive functioning & psychiatric problems, 12-16 yr olds, 4569
habits & knowledge & attitudes regarding teeth & oral health, high school students, 7166
health & illness beliefs & behavior, help seeking behavior, urban Black adults, South Africa, 20188
health & illness perceptions, cost effectiveness of health care delivery, patients with chronic illness, 13246
health beliefs & knowledge & social influence & previous injury experience & demographics & home injury proofing behavior, low income mothers of 1–3 yr olds, 9330
health beliefs & motivations & health screening behavior, asymptomatic adults, 43302
health beliefs & personality, medical regimen adherence, hemodialysis patents (mean age 56 yrs), 43307
health beliefs & self efficacy & perceived susceptibility, needle use practices for reduction of risk of HIV contraction, injection drug users, 4326
health care needs & practices & insurance status & concerns about illness & professional vulnerability, male vs female 22–44 yr old medical students, 13583
health care utilization & attitudes during pregnancy & birth, South Africa vs Western society, 26010
health locus of control & perceived efficacy of complementary vs orthodox medicine, 16–79 yr old osteopathy vs acupuncture vs homeopathy vs general practice patients, England, 16439
health locus of control & value for life, 18–64 yr old smokers vs nonsmokers, Wales, 22402
health locus of control, perceived health competence & treatment adherence, renal dialysis patients, 9251
health optimism & locus of control beliefs, outcome of multimodal back treatment program, chronic low back pain patients, Finland, 27515
health value as moderator in association between age & life satisfaction, 16–47 yr old college students, 11724
heart focused anxiety & illness beliefs & behavioral impairment, healthy heart anxious vs cardiac vs orthopedic surgery patients, 4513
individual motivation, initiation & maintenance of health related behavior, 55–83 yr old African Americans, 11506
intention to take HIV antibody test, previously tested vs untested 15–64 yr old gay & bisexual males, Canada, 36645
intentions & attitudes & beliefs & knowledge, sunbathing & sunscreen use, 18–29 yr olds, 16780
issues in cross cultural patient education, role of cultural background & family in health & illness & treatment beliefs, 24070
knowledge & attitudes & beliefs & practices about HIV/AIDS transmission, evaluation of nongovernmental organization HIV/AIDS prevention project, 18–45 yr olds, Zimbabwe, 9320
knowledge & attitudes & subjective norms & thoughts about mental illness prevention, male vs female 8th vs 11th graders, Canada, 16795
knowledge & beliefs & locus of control & perceived seriousness of & susceptibility to menopause related problems, 45 yr old females, England, 7542
knowledge about & attitudes toward smoking & smoking control regulations, smoking vs nonsmoking medical students, Bahrain, 16769
knowledge about medication & opinion about medication information, 20–62 yr olds with chronic psychosis, Canada, 27460
knowledge of & attitudes toward high risk behaviors for AIDS transmission, female spouses of migratory workers, Mexico, implications for AIDS prevention education, 8527
knowledge of skin cancer & attitudes toward sun exposure & intentions to use sunscreen & actual use, 10–12 yr olds, 4622
life events, health attitudes & behaviors, 65–74 yr olds, Sweden, 7409
mass media & population psychosocial characteristics, formulation of family health care beliefs & attitudes & intentions & behaviors, 20–45 yr old villagers, India, 1952
medical comorbidity & perceived health, treatment outcomes, patients with panic disorder in cognitive behavior therapy, 22911
moderating effect of perceived illness control, relation between causal attributions for disease unrelated negative events & depression symptoms, 25–75 yr olds with rheumatoid arthritis & depression, 19492
negative interpretation of ambiguous autonomic sensations, patients with panic disorder with or without agoraphobia, 22886
objective health indicators & neuroticism, psychological well being & perceived health, stable 18–80 yr olds with symptomatic congestive heart failure, 36042
office based computerized dietary self management intervention, eating behaviors & beliefs, diabetes patients, 16768
optimism & perceived control over & finding positive meaning in disability, self-esteem & depression, 19–78.6 yr old amputees, 31584
optimistic beliefs vs denial, attention to threatening health information, 18–40 yr olds, 3874
parental health beliefs toward immunization, parents of 2–4 yr old fully- vs under-immunized children, 36656
perceived importance & benefits of & barriers to exercise, 60–90 yr old Black females in senior citizen centers, implications for nursing, 15372
perception of midlife & menopause experience & social construction of menopause as disease, 35–53 yr old females, 7535
perceptions & practices related to menopause & hormone replacement therapy, African American females participating in health education focus groups, 1937
perceptions of control over health, 16–61 yr old HIV positive gay or bisexual male members vs nonmembers of AIDS support groups, England, 23320
physical disability & assessments of health, 25–74 yr old Blacks vs Whites, 15 yr study, conference presentation, 31588

positive attitudes toward suntanning, engagement in behaviors increasing risk of skin cancer, female college students, 12534
preferences for hypothetical & current health states, 20–69 yr olds with schizophrenia vs caregiver vs psychiatrist, 19214
provision of coronary heart disease prevention information & reactions & attitudes to health education, 40 yr old males, Denmark, 9319
psychological & spiritual factors in chronic illness, physicians & patients, 12467
psychosocial biases, perceptions of health risk in comparison to others & actual health standing & behaviors, 18–75 yr old Northern Plains Indians, 32650
psychosocial morbidity & coping styles & health locus of control risk factors, 18–45 yr olds with chronic fatigue or chronic fatigue syndrome following presumed viral illness, 26860
race & sex, general health knowledge & attitudes & behaviors, 3rd graders, 7380
reactions toward & unrealistic optimism for risk level in smoking, nonsmoking vs smoking male nationals vs doctors, Egypt, 5228
reading erotic condom use vs no condom use vs nonerotic condom use stories, attitudes & intentions toward condom use, college students, 7571
risk of or actual genetic disorder & perceived personal control & coping behavior, genetic counselees, Israel, 39395
scores & symptoms reported on Diagnostic Interview Schedule-Illness Attitude Scales vs MMPI-2, somatizing patients, 11898
self-assessments of health & accessing healthcare & impact on health status & attitudes toward future health, impoverished adults, 27088
self categorization & identity salience, symptom evaluation & illness perspectives, male vs female physical education teachers in training, England, 1021
self reflective & evaluative understanding of preventive health behaviors & attitudes & well roles, adults, 1957
self reported value of health & age, depressive symptoms reflected by Beck Depression Inventory scores, 16–47 yr old college students, 11709
severity of epilepsy & its effect on quality of life & use of & attitudes toward health care, 16–94 yr olds, England, 36118
sex & ethnicity & characteristics of assault, associations of sexual assault history & health perceptions, 9–96 yr olds, meta analysis, 42456
sex & likelihood of burning, knowledge & beliefs & attitudes & behavior relevant to sun protection & suntanning, 12-17 yr olds, 5221
sex & locus of health & authority, attributions to physician in simulated malpractice suit, 18–54 yr old mock jurors, conference presentation, 43564
sex & mean body weight & health locus of control attributions, 16–72 yr olds, Australia, 38782
sex & perceived believeability of health warning labels in cigarette advertising, smoking vs nonsmoking 5th–12th graders, 780
sex & weight & dieting status & dietary health beliefs & nutrition knowledge & health locus of control, health dietary practices, European students (mean age 21.3 yrs), 43305
skin type & general & personal beliefs regarding risk of skin cancer, suntanning & sun protection behaviors, 16–25 yr olds, 32739
social support & self-efficacy & perceived health benefits & barriers & subjective vulnerability to cardiovascular diseases & pressure to change, exercise intention & behavior, 40–70 yr olds, 15684
sociocultural influences, attitudes toward disease etiology & treatment of chronic illness, 20-yr old male Mexican American with cystic fibrosis, 12492
socioeconomic & cultural & environmental & other factors, health beliefs, 21–71 yr old Black patients attending specialized medical facility, 20100
socioeconomic & demographic factors & psychological factors based on health belief model, decisions to seek medical consultation & care, literature review, 32786
spousal similarities in perceived health & depression & quality of life scores, spousal well-being, 65+ yr old married couples, 11553
structural modeling of biomedical & demographic & psychosocial determinants of global subjective health, patients (mean age 58.4 yrs) with left ventricular dysfunction, 42775
structured needs-based group intervention, cancer-related knowledge & attitudes & mood state, 7–17 yr old siblings of childhood cancer patients, 32203
susceptibility & seriousness & benefits & barriers & health motivation & control & knowledge & frequency of breast self-examination, 12–74 yr old females, 9304
Tragedy of the Commons parable vs Comedy of Community social catharsis concept, environmental & health concerns & risks & solutions in use of depleted uranium, 24894
unidimensional choice of shorter vs longer life in good health & reversal of preference for living 10 vs 20 yrs with migraine, female 20 yr olds & older, Netherlands, test of weighted additive model, 37729
utility of health belief model for prediction of compliance with antispychotic medication, adults with schizophrenia, Wales, 10507
validity & internal consistency of Asthma Multidimensional Health Locus of Control scale, 13-55 yr old asthmatic patients, 2661
validity of Health Locus of Control Questionnaire, measurement of health belief & behavior, college students, Malawi, 25098
3- vs 2-factor constructs of Multidimensional Health Locus of Control Scales, clinical vs nonclinical group, Canada, 100

Health Behavior—Serials

acculturation & family & social support & health related risk behaviors, pregnant Mexican American adolescents & young adults, 23983
age & education & household income & marital status & health locus of control & self efficacy & health status, participation in health promotion activities, 19–70 yr old Mexican American females, 43280
age & education & self efficacy & health locus of control & current health status, scores on Health-Promoting Lifestyle Profile, 19-70 yr old Mexican American females, 118
age & SES & prior symptomatology & breast cancer & mammography beliefs & knowledge & physician recommendation & health motivation, adherence to mammography guidelines, 35–88 yr old females, 2 yr study, 5222
age & SES, exercise & smoking, 24–65+ yr olds, 27517
age & sex differences, health awareness & locus of control & perceived cause of illness, adults, Germany, 27595
age, dietary fat & fiber practices, adults, 24083
AIDS & condom related knowledge & beliefs & behaviors, Mexican migrant laborers, Mexico & US, 26917
amount of sun exposure & practice of sun protection & cognitive & psychosocial correlates of sun exposure, tanners vs recreators, 20139
analysis of contemporary health lifestyles using work of sociological theorists M. Weber & G. Simmel & P. Bourdieu & A. Giddens, 35292
anxiety about health issues, response times to disease detection & health promotion behaviors, college students & community members, 3926
applicability of Health Belief Model to cervical cancer & gynecological & Pap smear test screening beliefs & behaviors, 18–23 yr old undergraduate females, 43277
attendance at Texas All Well Health Promotion Conference, efficacy expectations & engagement in healthy behaviors & development of school health promotion programs, school employees, 43288
attribution of health behaviors, life expectancy, male vs female undergraduates (mean age 19 yrs), 11760
attributions & affective reactions & efficacy expectations & intention & performance of health behavior, psychiatric hospital staff, application of B. Weiner's attributional model, 1958
beliefs & behaviors & theory development for health promotion & illness prevention, Chinese 60–90 yr olds, 20132

changes in relationship between smoking & drinking, 12–18 yr olds, 1977–93, Finland, 41729
cognitive perceptual factors in causal model of health promoting behaviors, 20-64 yr old females, 1954
comorbid medical disorders & somatization & depression, self perceptions of health, patients with panic disorder, 12097
comprehensive prevention program vs information only, skin cancer knowledge & sun-safe attitudes & beliefs & behaviors about sun exposure, mothers of 6 mo–10 yr olds, 12 wk followup, 16791
computer generated patient held medical record summary &/vs written personal health record, attitudes & knowledge & behavior about health promotion, 25–65 yr olds, UK, 9317
computerized vs printed questionnaire administration, recall of health-risky behaviors assessed at 2 vs 4 wks, undergraduates, 25157
conceptualization & operationalization of internal & external constraining factors in perceived behavioral control construct, health behavior intentions & behavior change, adults, England, 30543
cross-cultural validity of reasoned action & planned & interpersonal behavior theories & application to condom use, Latin American & English-speaking Caribbean & South Asian 16–49 yr olds, Canada, 7611
current dieting status & behavior & intentions, dieter schematic vs aschematic female undergraduates, 8 wk study, 23988
definition of health & disease promotion & protection behavior & health & healthy lifestyle, health promotion researchers, 43289
definitions of mammography stage of adoption & decisional balance & process of change measures of the transtheoretical model of behavior change, 50–74 yr old females, 27606
demographic & personality & other characteristics & educational attainment & health related concerns & behaviors & drug use, 31–40 yr old male homosexuals, implications for mental health services, 11627
demographic factors & health behavior, self rating of health as good vs poor, 65 yr olds & older, 18652
development & psychometric properties of Index of Readiness, assessment of individual appraisal of readiness to initiate health behavior, 36–80 yr old cardiac rehabilitation patients, 14361
development & reliability of Multidimensional Health Questionnaire, measure of psychological constructs associated with health-related behaviors, college students, 34056
development of alternate causal models of positive health practices, 15–21 yr olds, 32765
dimensionality of dental health behaviors & correlation with external psychosocial variables, 7th graders, Norway, 11422
dispositional optimism, success in making health changes associated with lower coronary heart disease risk, 40–80 yr old cardiac rehabilitation program patients, 18 wk study, 20306
economic & health status & social support & living arrangement, divorced vs never married 70+ yr olds, 6 yr study, 29984
enhanced health risk appraisal information & feedback, changes in risk behavior, family medicine patients, 9315
examination stress, mood & health behaviors, preclinical medical students, England, 30523
excessive health behavior & anxiety, persons at risk for physical illness, 42366
explanatory model of health promoting behaviors & quality of life, 32–65 yr olds with multiple sclerosis, implications for rehabilitation, 36784
familial dental caries & marital quality, 35–44 yr old parents of 13 yr olds, Brazil, questionnaire appended, 4546
frequency of TV viewing & negative health behaviors & health & psychosocial conditions, 9th–12th graders, 29912
gain or loss framed health behavior messages, public & personal health decisions & adoption of recommendations, 16792
general practitioner's lifestyle advice, changes in smoking or alcohol consumption or diet or exercise behavior, patients, meta analysis, 36639
goal based self health promotion & maintenance, 23–49 yr old female community health nurses, 5517
habits & knowledge & attitudes regarding teeth & oral health, high school students, 7166
health & illness beliefs & behavior, help seeking behavior, urban Black adults, South Africa, 20188
health behaviors such as tobacco or alcohol use & indicators of social adjustment & psychosomatic symptoms, 11–15 yr olds with vs without asthma, Australia, 16230
health beliefs & knowledge & social influence & previous injury experience & demographics & home injury proofing behavior, low income mothers of 1–3 yr olds, 9330
health care needs & practices & insurance status & concerns about illness & professional vulnerability, male vs female 22–44 yr old medical students, 13583
health locus of control, perceived health competence & treatment adherence, renal dialysis patients, 9251
health promotion vs regular physical education classes, health knowledge & behavior & cardiovascular disease risk, African- vs Asian-American vs Hispanic vs White 9th–10th graders, 24563
health values & life practices, 18–80 yr old Black Seventh-Day Adventist, 36651
high levels of drinking, health enhancing vs health compromising behaviors, college freshmen, 42531
high vs low anxiety provoking messages, effectiveness with health promotion vs disease detection behaviors, adults, 5238
hostility & perceived social support & daily interpersonal stress & health behavior, ambulatory BP, 18–25 yr olds, 29467
individual motivation, initiation & maintenance of health related behavior, 55–83 yr old African Americans, 11506
information about peers' healthy behavior, unrealistic optimism & self-frequency ratings of risky behavior, college students, 3919
Information-Motivation-Behavioral Skills model intervention of HIV-preventive behavior, HIV-related knowledge & condom use, seriously mental ill outpatients, 1 mo followup, 36657
injuries & use of protective equipment & applicability of Health Belief Model constructs to protective equipment use prediction, college in-line skaters, 20839
insulin induced hypoglycemia, vigilance & awareness of symptoms, patients with insulin dependent diabetes mellitus with vs without hypoglycemia unawareness, Austria, 5192
inter- and intrapersonal violence & addictive & other high-risk health behavior prevalence & acquisition stage, African-American vs Latino vs Caucasian 7th & 8th graders, 15334
knowledge of skin cancer & attitudes toward sun exposure & intentions to use sunscreen & actual use, 10–12 yr olds, 4622
later stage of smoking cessation, practice of healthful behaviors, adults who were current smokers vs had quit within past yr, implications for lifestyle based health promotion, 24089
life events, health attitudes & behaviors, 65–74 yr olds, Sweden, 7409
lifecourse SES & health behaviors & psychosocial characteristics, adult males, Finland, 43239
mass media & population psychosocial characteristics, formulation of family health care beliefs & attitudes & intentions & behaviors, 20–45 yr old villagers, India, 1952
measurement of & optimistic biases in perceived risk & role in models of protective health behavior, 5159
multilevel modeling for contextual analysis in health-related behavior research, application to recording of smoking behavior, UK, 6137
multivariate measurement model for health behavior change, 5160
nature & prevalence of health risks, 18+ yr olds with spinal cord injuries, Canada, 16355
negative & positive consequences & effortfulness & pleasantness, reinforcement & predictors health behavior, college students, 9301

office based computerized dietary self management intervention, eating behaviors & beliefs, diabetes patients, 16768
older sibling health risk behaviors & substance use outcome expectancies & consequences, substance use & health risk behaviors & expectancies of younger siblings, 13–17 yr old & 17–25 yr old siblings, 41699
optimism & behaviors to protect personal & neighborhood environmental health, residents in high rise public housing project, 42045
optimistic beliefs vs denial, attention to threatening health information, 18–40 yr olds, 3874
orthogonal cultural identification theory of identification with more than 1 culture, use of traditional ways in social work & implications for health & social issues, American Indian 8–12 yr olds, 9448
parental divorce during childhood, adult health-related behaviors & psychological adjustment & social relationships & SES & mortality, children followed through life span, prospective study, 38560
perceptions & practices related to menopause & hormone replacement therapy, African American females participating in health education focus groups, 1937
perceptions of health & health promoting behaviors, 65–89 yr old retired nuns, 13195
persuasively presented health psychology course, changes in health behavior, college students, 8 mo followup, 20566
physical & emotional & occupational & spiritual wellness activities & coping responses to racism, African American professional counselors, 27837
positive attitudes toward suntanning, engagement in behaviors increasing risk of skin cancer, female college students, 12534
predictors of osteoporosis prevention behaviors of calcium intake & exercise participation, female college students, 24063
problem solving skills & health comprising behaviors, male vs female college students, 39941
psychosocial biases, perceptions of health risk in comparison to others & actual health standing & behaviors, 18–75 yr old Northern Plains Indians, 32650
race & sex, general health knowledge & attitudes & behaviors, 3rd graders, 7380
rate & correlates of depressive symptoms, community dwelling 75 yr olds & older, Israel, 19165
reasons theory model of self reported reasons for performing & not performing behavior as representation of specific motives, adults intending to attend aerobics class, 19010
reciprocal nature of risk behaviors & health cognitions of driving & drinking & smoking, 8th–10th graders, 3 yr study, 783
school-based cardiovascular exercise & nutrition program with parental participation, nutrition & fitness practices & knowledge, 2nd & 4th graders & their parents, experimental replication, 27965
school-based health care assertion training &/vs first aid instruction, health-related self care agency & autonomy, 10–11 yr olds, 5609
school based vs school plus family intervention, psychosocial determinants of development of cardiovascular disease risk factors, 3rd graders, 17125
self approval & partner reaction outcome expectancies, condom use, predominantly African American 18–44 yr old patients of sexually transmitted disease clinic, 7568
self-assessments of health & accessing healthcare & impact on health status & attitudes toward future health, impoverished adults, 27088
self-help group participation & other health behaviors, 45–65+ yr olds, Canada, 16681
self reflective & evaluative understanding of preventive health behaviors & attitudes & well roles, adults, 1957

reading level & usefulness of nutrition education pamphlets, 9307
Resource Sisters/Companeras peer counseling & support group health empowerment program, pregnancy outcomes, at risk pregnant females, case report, commentary, 20141
Resource Sisters/Companeras peer counseling & support group health empowerment program, pregnancy outcomes, at risk pregnant females, case report, 20136
role of family vs community resources in HIV & AIDS prevention & education, 17–23 yr old college students, Malawi, 24069
role of psychologists in school health program improvement, 24571
satisfaction with & needs assessment for patient education, adults with HIV/AIDS, implications for service agency health education programs, 9333
school-based cardiovascular exercise & nutrition program with parental participation, nutrition & fitness practices & knowledge, 2nd & 4th graders & their parents, experimental replication, 27965
school-based health care assertion training &/vs first aid instruction, health-related self care agency & autonomy, 10–11 yr olds, 5609
school based vs school plus family intervention, psychosocial determinants of development of cardiovascular disease risk factors, 3rd graders, 17125
self examination education with vs without prompt on oral contraceptive pill packages, frequency & timing of breast self examination, 13-40 yr old women, 1956
self-perceived need for health-related services & instruction & environmental changes, minority vs majority 10th–12th graders at high risk for suicide, Canada, 27960
smoking status & exercise & dietary behavior, 12–15 yr olds, England, implications for school-based health education, 33388
social & cultural & psychological factors influencing dissemination & reception & retention & application of health education, rural Kenya, 27516
social problem solving motivation & ability, distress & personal problems, 9th grade health education students, application of Stepped Approach Model to delivery of health education & promotion, 9310
sociopolitical attitudes & involvement in school-based AIDS programing, school psychologists, 40356

solution-focused approach to primary health care education, female Pakistani immigrants, Norway, 43273
sport nutrition education program, nutrition knowledge & dietary intake & food choices, 14–18 yr old female softball players, 34891
standard educational intervention vs intervention based upon Stages of Change model, self-efficacy estimates for brushing & flossing behavior & dental knowledge, male veterans, 27612
success strategies in individual health counseling to affect patients' lifestyles & examination of theoretical constructs & models in health education, physicians, 20129
successful approaches in & barriers to effectiveness of AIDS prevention programs, project staff, 5231
teacher training for HIV/AIDS instruction & perceptions of training, student knowledge of & attitudes toward HIV/AIDS, 9th & 11th graders, Canada, 24533
training & knowledge level of special education teachers on health education issues for disabled students, teachers, 28066
training in auditory vs visual vs kinesthetic mnemonics to reduce cognitive memory deficits, recall of psychotropic medication information, severely mentally ill in psychosocial rehabilitation, 5105
validity & reliability of Elementary Health-Teaching Self-Efficacy Scale, assessment of efficacy & teaching outcome expectations in health education, elementary school teachers, 10528
violence prevention curriculum, knowledge & attitudes toward abuse of women, male vs female 7th grade health education students, 9873

Health Impaired—Serials
impairment vs disability vs handicap, depression, 65 yr olds & older, England, 35558
issues in family caregiving of frail elderly & patients with dementia, 36747
level of physical & cognitive disability & medical interventions regarded as reasonable for oneself, nurses at long term care facility, 27911
prevalence of functional disabilities & depression, male vs female elderly, Bahrain & Burma & Korea & Egypt & Indonesia & Jordan & Sri Lanka & Thailand & Tunisia, 19091
support group interventions, family caregivers of frail older adults, 9496
utilization of advance directives & aggressiveness of other health care wishes, White vs Black vs Hispanic vs Asian frail elderly, 20074

Health Insurance [See Also Employee Health Insurance, Fee for Service, Health Maintenance Organizations, Medicaid, Medicare]—Serials
case for parity in mental health insurance through single payer plan & critique of 2 tiered system, 32813
characteristics & hospital or insurer pressures to change inpatient practices in managed care, psychiatrists, commentary, 24271
comprehensive case management program of Blue Cross Blue Shield of Massachusetts, amount of time spent in inpatient care, severely ill psychiatric patients aged 11–57 yrs, 40146
covered physical health benefit expenditures before & after initiation of mental health treatment, adults (mean age 37 yrs) with mild to moderate mental health problems, 4 yr study, 39989
HMO services, clients with severe mental illness, commentary, implications for funding community mental health centers & capitated payment systems, 1974
HMO services vs community mental health centers & capitated payment status, clients with severe mental illness, commentary reply, 1971
issues in & problems of mental health services in national health insurance context, severely mentally ill, Israel, 32774
malingering by proxy to qualify for disability benefits, mother of female 13 yr old presented for psychiatric treatment with absence of ADHD symptoms, case report, letter, 7834
personal injury & accident neurosis & role of compensation as cause of psychological handicap, 4058
physician's discussion of health education topics with client & type of HMO or managed care plan & insurance, satisfaction with physicians, patients, 1977
prescription drug insurance coverage & health status, prescription drug use, 55–75 yr olds, Canada, 43334
psychiatric risk factors & behavioral problems & treatment strategies, school age inpatients receiving publicly vs privately funded psychiatric care, 32990
relationships between insurance coverage & need & use of mental health services, 9 & 11 & 13 yr olds with serious emotional disturbance, 2 yr longitudinal study, 39984
review of long term care insurance policies with emphasis on how coverage of adult day services relates to beneficiaries' needs & current day center provider practices, 36714
role of the psychiatric profession in permanent health insurance for patients with psychological illness or disability claims, 39993
use & misuse of mental health care insurance benefits for minor vs major mental illness, health insurance agents vs psychologists, 36671
use of public vs private health insurance, socioeconomic differences in general practitioner vs outpatient specialist care utilization, patients, Netherlands, 39873
VA mental disability determination & compensation levels & patterns of payment for treatment, countertherapeutic effects on patient behavior & caregiver attitudes, psychiatric inpatients, 2044
work & health history & family demographics & health status as determinants of patterns of health insurance coverage, Medicare population (mean age 75.6 yrs), 39992

Health Knowledge—Serials
age & sex & SES & community size & race, AIDS-related knowledge & attitudes, 1st vs 3rd vs 5th graders, 38390
AIDS & condom related knowledge & beliefs & behaviors, Mexican migrant laborers, Mexico & US, 26917
AIDS knowledge & attitudes & prevention beliefs, 15–18 yr old incarcerated males, 31375
attitudes toward & knowledge of chronic pain management & orientation toward nonmedical treatments & role of social work in chronic pain services, medical social workers, Canada, 9442
back school teaching program, evaluation of congruence between patients' representations & teachers' scientific knowledge, 17–76 yr old back pain patients vs teachers, 1 yr followup, 27588
comprehensive rehabilitation program, health risks & psychosocial consequences & life habits, adults with myocardial infarctions, Sweden, 5 yr follow up study, 27770
construction & reliability & validity of Preschool Health Knowledge Assessment, 36–71 mo olds, 2518
culturally specific ways of knowing about health, Ojibwe people, 26022
demographics & training, knowledge about & attitudes towards AIDS, social & health care agency professionals (mean age 32.8 yrs), Israel, 24472
desire for control & experience with exam & choice & predictability in preparation for barium enema exam, stress responses & compliance, outpatients, 5217
development of nutrition knowledge survey, assessment of relationship between nutrition knowledge & milk consumption, 50–89 yr olds in community wellness program, 14359
dimensional complexity of own vs other illness representation, aged with diabetes mellitus vs osteoarthritis, 4527
drug & alcohol abuse related knowledge & attitudes & appropriateness & adequacy of current training, psychiatrist trainees, Australia & New Zealand, 13630
dynamics of knowledge & attitudes about AIDS, educated 18–59 yr olds, India, 39437
educational program based on information booklet regarding medication, educability & knowledge of treatment & illness & compliance, schizophrenic patients, 13009
enhanced health risk appraisal information & feedback, changes in risk behavior, family medicine patients, 9315
evaluation of medical education methods in HIV infection miniresidency course, physicians, Thailand, 36895

family psychoeducational support group, distress & knowledge about illness & annoyance about patient & burden, mothers & fathers of schizophrenic patients, Spain, 9 mo followup, 23764
general knowledge of HIV issues, physicians from urban vs provincial vs rural areas, Vietnam, 36867
habits & knowledge & attitudes regarding teeth & oral health, high school students, 7166
health belief model & social cognitive theory behavior intervention, AIDS knowledge & sexually transmitted diseases & condom use, female commercial sex workers & their pimps & male clients, Indonesia, 9309
health beliefs & knowledge & social influence & previous injury experience & demographics & home injury proofing behavior, low income mothers of 1–3 yr olds, 9330
health promotion vs regular physical education classes, health knowledge & behavior & cardiovascular disease risk, African- vs Asian-American vs Hispanic vs White 9th–10th graders, 24563
HIV knowledge & risk behaviors, homosexual or bisexual 13–29 yr old males who were substance abusers or prostitutes, 1541
HIV related knowledge & attitudes & perceptions, HIV avoidance practices, African American adults, 16276
HIV risk behaviors & knowledge & prevalence of HIV/AIDS, mentally ill, Australia & US, literature review, 3993
HIV-risk knowledge & high-risk behavior, 19–65 yr old outpatients with chronic mental illness, Canada, 1197
HIV serostatus, AIDS prevention information & motivation, HIV+ and HIV- Israeli males, 24065
insulin induced hypoglycemia, vigilance & awareness of symptoms, patients with insulin dependent diabetes mellitus with vs without hypoglycemia unawareness, Austria, 5192
integration of theory & practice in development of nursing knowledge, 9768
intentions & attitudes & beliefs & knowledge, sunbathing & sunscreen use, 18–29 yr olds, 16780
knowledge- & cognitive-behavioral skills-building prevention intervention, sexually transmitted disease & HIV knowledge & prevention of risky sexual & substance use behavior, 13–17 yr olds, 27957
knowledge & attitudes & beliefs & practices about HIV/AIDS transmission, evaluation of nongovernmental organization HIV/AIDS prevention project, 18–45 yr olds, Zimbabwe, 9320
knowledge & attitudes & clinical practices in breast & cervical cancer, public health nurses in rural communities, 9755
knowledge & attitudes & nursing management of infant pain, 20–56 yr old registered nurses from critical vs noncritical care units, 20394
knowledge & beliefs & locus of control & perceived seriousness of & susceptibility to menopause related problems, 45 yr old females, England, 7542
knowledge about AIDS & comfort in presenting information about & support for AIDS prevention & education, teachers, 12509
knowledge about AIDS & homophobia & racism & fear of death, attitudes toward AIDS, college students, 23312
knowledge about medication & opinion about medication information, 20–62 yr olds with chronic psychosis, Canada, 27460
knowledge about treatment & educational background & intellectual ability, insight, schizophrenic patients, 12055
knowledge of & attitudes toward AIDS & AIDS-related training & education, Arab social workers & health care professionals, Israel, 43531
knowledge of & attitudes toward high risk behaviors for AIDS transmission, female spouses of migratory workers, Mexico, implications for AIDS prevention education, 8527
knowledge of & beliefs & practices & experiences with sexually transmitted diseases & HIV & AIDS, 28–70 yr old traditional healers, Africa, 42734
knowledge of HIV & risk factors, reasons for not engaging in safer sex with last sexual partner, adults enrolled in HIV education & testing trials, 12513
knowledge of HIV serostatus, risk behaviors, HIV-positive vs -negative injecting drug users, 6 mo followup, Puerto Rico, 36011
knowledge of HIV transmission modes, urban vs rural college students, 8518
knowledge of sexuality and AIDS, 12–18 yr olds, New Zealand, 25862
knowledge of skin cancer & attitudes toward sun exposure & intentions to use sunscreen & actual use, 10–12 yr olds, 4622
likelihood of seeking care for & knowledge of normal presentation of a upper respiratory infection & beliefs in the effectiveness of antibiotics as a treatment modality, adult patients, 39914
own vs caregiver's ratings of memory & activities of daily living & clinical rating of dementia awareness & functional & cognitive decline, patients with early Alzheimer's disease, 19637
psychiatric symptoms & AIDS knowledge & HIV risk behaviors, 18–59 yr olds with severe mental illness, 30779
race & sex, general health knowledge & attitudes & behaviors, 3rd graders, 7380
regional implementation strategy for local evidence-based clinical guidelines, knowledge & behavior, general practitioners, 2 yr followup, 40279
school based AIDS prevention program, AIDS knowledge & tolerance toward persons with AIDS & high risk behaviors, African American & Asian junior high school students, 5617
school-based cardiovascular exercise & nutrition program with parental participation, nutrition & fitness practices & knowledge, 2nd & 4th graders & their parents, experimental replication, 27965
SES & education & family history, breast cancer knowledge & risk perception & screening & medical procedures, Black vs White adult females, 26935
sexual behavior & knowledge & sources of health information, deaf & hard of hearing college students, 23506
sexual behavior & knowledge of transmission & prevention of sexually transmitted diseases & AIDS & condom use, unmarried adolescent males, India, 11468
social & cultural & psychological factors influencing dissemination & reception & retention & application of health education, rural Kenya, 27516
social reinforcement expectancies, effects of alcohol prevalence & friends' alcohol use & attitudes & own knowledge of health effects on current & subsequent alcohol use, 8th graders, 3 yr study, 18619
sport nutrition education program, nutrition knowledge & dietary intake & food choices, 14–18 yr old female softball players, 34891
standard educational intervention vs intervention based upon Stages of Change model, self-efficacy estimates for brushing & flossing behavior & dental knowledge, male veterans, 27612
structured needs-based group intervention, cancer-related knowledge & attitudes & mood state, 7–17 yr old siblings of childhood cancer patients, 32203
susceptibility & seriousness & benefits & barriers & health motivation & control & knowledge & frequency of breast self-examination, 12–74 yr old females, 9304
understanding of germs & other nonobservable causal mechanisms of illness, 3–5.5 yr olds, 7244
understanding of HIV & AIDS & sexual behavior, at-risk male vs female commercial farm workers in rural communities, Zimbabwe, 36018
validity of split-half approach, reliability of knowledge of AIDS scale, Black college students (mean age 20.6 yrs), South Africa, 10515

Health Locus of Control [See Health Attitudes]

Health Maintenance Organizations—Serials

health seeking by parents & barriers to health care & provider practices, immunization rates, poor urban African American preschoolers, implications for role of social workers in improving immunization access, 9353
inpatient rehabilitation, fulfillment of perceived treatment & personal needs, male vs female alcohol dependent patients, 5406
insufficient justification for assumption that mental health system addresses client needs at therapeutic & policy levels, application of ethics & democracy theories, 9380
interactive focus group, identification of perceived service & support delivery needs, developmentally disabled adults & parents & professional service providers, 19452
menopause, perception of self & health care needs, 45–65 yr old Uruguayan females & 27–55 yr old gynecologists, 25677
menstrual symptoms, health care needs & expectations & experiences when seeking care & identification of ways to assist, 30–50 yr old women, 39874
mental health histories & medical & nonclinical & social services needs, adult offenders on probation & parole, 24372
models for assessing alcohol & other drug-related service needs in the addictions field, 27776

nature & scope of homelessness & needs for & barriers to health & human service use, 25–68 yr old male veterans, 32885
need for & present role of child & adolescent psychiatric services, Vietnam, 32829
need for evaluation of type of managed care to participate in & for restructuring of practices & delivery of services, mental health care providers, 9389
need for international health agenda to focus on & upgrade quality of mental health services in developing countries, 31950
needs for & nature & perception of stigma of using child welfare services, UK vs Netherlands vs Spain, 43371
number of visits & patients seeking psychiatric treatment, match between need & treatment, 15–54 yr old outpatients with mental illness, US vs Ontario Canada, commentary, letter, 40070
number of visits & patients seeking psychiatric treatment, match between need & treatment, 15–54 yr old outpatients with mental illness, US vs Canada, commentary, letter, 40072
numbers of visits & patients seeking psychiatric treatment, match between need & treatment, 15–54 yr old outpatients with mental illness, US vs Canada, commentary reply, letter, 40071
numbers of visits & patients seeking psychiatric treatment, match between need & treatment, 15–54 yr old outpatients with mental illness, US vs Ontario Canada, 27670
pediatric & developmental & psychiatric needs, children in foster care system, 27705
perception of most useful services including employment & social skills & technical skill training & provision of sustained access to available services, homeless mentally ill, 13227
personal health care needs & problem solving & diagnostic uncertainty in context of sustained partnership with patients & families & communities, family physician vs specialist, 13263
prevalence of psychiatric disorders & need for psychiatric treatment, 18–65 yr olds, England, 39981
psychosocial adjustment & development & psychotherapeutic needs, Vietnamese Amerasians, literature review, 26008
psychotherapeutic intervention needs, adolescents, 19744
race & age & education & income & social support & coping & functional health & need for & use of health & social services, 60–93 yr old African American & White & Hispanic women, 41774
review of long term care insurance policies with emphasis on how coverage of adult day services relates to beneficiaries' needs & current day center provider practices, 36714
service needs, elderly (aged 65+ yrs) vs younger homeless male hostel residents, England, 43364
service requests & satisfaction, outpatients, commentary reply, 32882
service requests & satisfaction, outpatients, commentary, letter, 32881
social services & caregiving & minority health needs related to hemoglobinopathies, families of disabled children in minority ethnic communities, 27675
stakeholder perspectives on service needs for severely & persistently mentally ill, consumers vs family members vs practitioners vs local administrators, 24119
support & service needs of parents with intellectual disabilities & service constraints, specialist service providers, Australia, 27696
utility of standard health assessment information collected by nurses, prediction of psychosocial & physiological healthcare needs, 18–68 yr old HIV/AIDS patients, 32681

Health Service Utilization [See Health Care Utilization]

Hearing Acuity [See Auditory Acuity]

Hearing Aids [See Also Cochlear Implants]—Serials

fixed coefficient vs adaptive system algorithms for short microphone array in hearing aid applications, speech intelligibility in noise, hearing impaired listeners, 27562
frequent telephone contact in period after dispensing of hearing aid, satisfaction with hearing aid & frequency of use, 68–92 yr olds, 1 yr followup, 16937
interval between identification of need for & fitting of & subsequent use of hearing aids, hearing impaired 4.3–13.9 yr olds, Denmark, 20108
reliability & stability of hearing-aid outcome measures, 63–78 yr olds, 6 mo study, 24286
saturation & loudness discomfort levels of new hearing aids, preference for old vs new aids, 11–16 yr olds, 16946
test retest reliability & critical difference components of Profile of Hearing Aid Performance, 65–74 yr old males, replication, 6086
treatment efficacy & functional & communicative benefits of hearing aids, adults with hearing loss, 24295
verbal communication strategies & hearing aids for age related hearing impairment & loss, implications for counseling, 4731
well-fit linear vs nonlinear hearing aids, device performance & perceived benefits, 25–90 yr olds with mild vs moderate vs severe hearing loss, 2 mo followup, 39909

Hearing Disorders—Serials

acoustic cues, labelling of fricatives & affricates, 16–48 yr olds with vs without sensorineural hearing loss, 42870
acoustical environment, everyday activities, persons with normal vs impaired hearing, 1645
age & other factors of measured hearing deficits & observed case of deaf/muteness, captive bottlenose dolphins, 29037
age & sex & auditory thresholds, speech recogniton, 55–84 yr olds with hearing loss, 31925
age, morphological changes in anteroventral cochlear nucleus that accompany sensorineural hearing loss, DBA/2J vs C57BL/6J vs CBA/J mice, 6694
American with Disabilities Act, inpatient psychiatric facilities & costs of implementing specialized services, hearing impaired psychiatric patients, 27067
amplitude modulation masking, 22–32 yr old listeners with moderate or mild-to-moderate sensorineural hearing loss vs listeners with normal hearing, 27065
cochlear hearing loss, auditory grouping abilities related to temporal cues, 39–57 yr olds, 12709
cochlear implant use & age, long term speech perception performance, prelingually deafened children & adolescents aged 2–15 yrs at implantation, 27809
communication context & interaction vs transaction, degree of perceived aural handicap, 80 yr old female with hearing impairment & normal hearing clinician, 1646
development & reliability & validity of computerized adaptive form of Speech Sound Pattern Discrimination Test, 17–49 yr olds with sensorineural hearing loss, 37377
diagnosis & treatment of hearing impairment, children & adolescents & adults with intellectual disabilities, Netherlands, 8385
educational & career & access & social & psychological issues, well-being & social integration, 13–25 yr olds with hearing impairment, Canada, 1649
efficacy of standardized psychoeducational diagnostic instruments, assessment of ability/achievement discrepancies, 7–13 yr olds with mild–moderate bilateral sensorineural hearing loss, 10414
environmental vs listener vs talker vs message characteristics, problem sources & attribution of difficulty in understanding speech, adults & elderly with vs without hearing impairment, 1648
formant transition duration, ability to identify place of articulation of stop consonants, normal vs hearing impaired adults, 39597
hearing & language & speech & vestibular & dentofacial disorders, 3.7–26.9 yr olds with fetal alcohol syndrome, 31302
hearing & speech & language & vestibular disorders in fetal alcohol syndrome, literature review, children, 35800
hearing loss & lipreading & speech production & role of psychology, 31924
intelligibility tests with hearing impaired listeners & self-ratings of ability to communicate with such listeners, speech clarity, adult speakers experienced with communicating with hearing impaired, 27062
interactions with normal hearing S simulating hearing loss, learning effective & clear communications skills, student clinicians, 24479

loudness & modulation matching functions between ears, recruitment effects on perceived fluctuation of amplitude modulated sounds, adults with unilateral cochlear hearing loss, 12710
needs assessment for & quotidian importance of treatment for unilateral hearing impairments, 23512
optimal stimulus level for clinical use of distortion product otoacoustic emissions, assessment of hearing loss, clients with cochlear hearing impairments vs normal hearing, 23514
paranoid thoughts, 65 yr olds & older with self-reported deficits in hearing & vision, 3 yr followup, 12023
patterns of visual signalling & emergence of single word speech & role of gestures & vocalizations in transition to spoken language, hearing impaired vs normal hearing 6 mo olds, 15 mo study, 16416
perceptual organization of sequential stimuli, performance on temporal gap detection/discrimination & melody recognition tasks, listeners with cochlear hearing loss, 16411
personality type, risk for hearing loss, coronary prone vs noncoronary prone adults, 27063
psychiatric & developmental problems, children with fluctuating vs permanent hearing impairments, 27061
selected cognitive factors, changes in speech recognition, 18–40 vs 65–76 yr olds with vs without hearing loss, 31927
subjective & objective ratings of performance for speechreading sentences, 18–45 yr olds with normal hearing vs severe-to-profound hearing impairment, 42869
treatment efficacy & functional & communicative benefits of hearing aids, adults with hearing loss, 24295
use of diagnostic services vs subsequent compliance in using referred rehabilitative services, audiologists vs college students & staff with hearing impairment, Canada, 2094
validation of Australian SON-R 2.5-7 study, normal vs hearing impaired vs developmentally delayed children, erratum, 37458
validity of the Auditory Continuous Performance Test in differentiating central processing auditory disorders with & without ADHD, 9–12 yr olds with impaired central auditory function, 17665
verbal communication strategies & hearing aids for age related hearing impairment & loss, implications for counseling, 4731
vocal RT to printed words, 8–10 yr olds with vs without central auditory processing disorder vs normal young adults, 39588
well-fit linear vs nonlinear hearing aids, device performance & perceived benefits, 25–90 yr olds with mild vs moderate vs severe hearing loss, 2 mo followup, 39909
Hearing Impaired (Partially) [See Partially Hearing Impaired]
Hearing Measures [See Speech and Hearing Measures]
Heart [See Also Heart Ventricles]—Serials
archetypal art therapy approach to use of image of heart in art making processes, 9 & 10 yr old female victims of sexual abuse, 20011
parental medical history & separation experiences, heart-focused anxiety & illness fears, college students, 7713
preexisting low cardiac output, obstruction of ECT seizure induction counteracted with hyperventilation, 71 yr old female, case report, 9195
prevalence & predictors of depression & anxiety related disorders 1 yr after heart transplant, heart recipients, 27556
psychological & cognitive status before vs after heart transplantation, 40–60 yr olds, 27555
quality of life following transplantation, patients who received heart vs lung vs liver transplant, 27564
Heart Attacks [See Heart Disorders]
Heart Beat [See Heart Rate]
Heart Disorders [See Also Angina Pectoris, Arrhythmias (Heart), Coronary Thromboses, Myocardial Infarctions]—Serials
age & alcohol consumption & smoking & psychiatric morbidity, mortality, patients with nonspecific chest pain vs ischemic heart disease, 5 yr followup, 1552
age & gender, dimensions of anger & hostility, patients with coronary heart disease vs essential hypertension, Italy, 16294
age & sex, neurobiology of dimensions of anger & hostility, patients with coronary heart disease vs essential hypertension, Italy, commentary, 23353
alcohol use & hypertension & coronary heart disease, 16291
assessment of cardiac disease risk in patients & development of risk management counseling skills, family practice residents, 20420
cardio-pulmonary bypass surgery, attention & verbal & nonverbal memory & language & executive functions & motor & psychomotor speed, patients with asymptomatic carotid artery disease, 6 mo followup, 9290
clinical & instrumental & cognitive impairment & depression, 60 yr olds & older with congestive heart failure, conference presentation, 31713
congestive heart failure & cerebrovascular events & brain tissue & cognitive impairment, elderly, conference presentation, 31709
constant light vs light–dark, phototherapeutic vs circadian effects & testicular size, 1 mo old male cardiomyopathic hamsters, test of photostimulation hypothesis of life span extension, 6743
construct & discriminant validity, Serial 7s & Alphabet Backwards test of information processing speed, neuropsychiatric (mean age 34.5 yrs) & cardiac transplant patients (mean age 27.9 yrs), 10485
coronary artery bypass grafting, cardiovascular function during cognitive stress, male 43–79 yr olds with ischemic heart disease, 43256
demographic & patient characteristics, decision-making abilities for informed consent to treatment, 29–70 yr old hospitalized patients with ischemic heart disease, 26853
desipramine treatment & sudden death following physical exertion, 14 yr old male with ADHD & cardiac anomaly, case report, 5086
development & validation of Cardiac Depression Scale, 17–88 yr old cardiac outpatients, conference presentation, 28572
dispositional optimism, success in making health changes associated with lower coronary heart disease risk, 40–80 yr old cardiac rehabilitation program patients, 18 wk study, 20306
effectiveness of nurse directed coronary risk factor modification program, female coronary artery bypass surgery patients, 13180
epidemiology & etiology & associated pschosocial risk factors, elderly with congestive heart failure, conference presentation, 31727
extraversion & neuroticism & introversion, 35–65 yr olds with coronary heart disease, India, 8555
glare pressor test & ERP avoidance task performance, electrocortical responses, male drivers with ischemic heart disease vs hypertension vs borderline hypertension, Sweden, 19580
heart focused anxiety & illness beliefs & behavioral impairment, healthy heart anxious vs cardiac vs orthopedic surgery patients, 4513
heart rate variability, 46–79 yr olds with coronary artery disease with high vs low depression scores, 36041
implementation of hospital discharge aftercare plans, elderly with congestive heart failure, 2045
job decision latitude & physical exertion & work hours & psychological stress, diastolic BP & total serum cholesterol as risk factors for coronary heart disease, male vs female 25–46 yr olds, 8556
job stress & coping characteristics, development of coronary heart disease, healthy male middle age managers vs blue collar workers, 6.5 yr study, 12565
major vs minor depression & subsequent course, patients undergoing cardiac catheterization or coronary angiography, 12 mo followup, 4633
naloxone, pain thresholds, patients with silent vs symptomatic myocardial ischemia, test of impaired pain sensitivity vs enhanced endorphin activity theories, conference presentation, 31714
nger & exhaustion reduction breathing intervention, new coronary event, angioplasty patients (mean age 55.6 yrs), 43005

objective health indicators & neuroticism, psychological well being & perceived health, stable 18–80 yr olds with symptomatic congestive heart failure, 36042
occurrence of asystole after ECT, 71-yr old male & 77-yr old female with major depression & 45-yr old male with bipolar & 55-yr old female with schizoaffective disorder, case reports, 16675
outwardly expressed anger & collagen induced platelet aggregation, healthy 18–34 yr old males, implications for relation between anger/hostility & coronary heart disease, 21803
person environment fit in perceived health & mental health & physical functioning & vigor, energy expenditure in & tolerance of planned exercise & ventricular function, patients with heart failure, 8550
physical fitness & Type A behavior & personality traits, cardiovascular reactivity & coronary heart disease risk potential, senior-ranking male military & civilian employees (mean age 41.3 yrs), 42770
prevalence of panic disorder, cardiac outpatients with vs without heart palpitations, Canada, 31724
prospective & experimental studies of causal role for stress related factors in coronary heart disease, literature review, 8558
provision of coronary heart disease prevention information & reactions & attitudes to health education, 40 yr old males, Denmark, 9319
psychosocial factors, development of & adjustment to coronary heart disease, females at risk for coronary heart disease, literature review, 26937
psychosocial factors, diagnosis of coronary heart disease, symptomatic females with vs without negative coronary angiography, 19576
psychosocial mediators of hostility & coronary heart disease, adults & peers, 4630
regular aspirin therapy, emotional distress, males with ischemic heart disease, 13155
self efficacy & perceived social support, recovery related behaviors following coronary artery bypass graft surgery, adults diagnosed with coronary artery disease, 32678
severity of disease & cardiac pump function & feelings of exhaustion, patients who underwent coronary angiography, 31720
social relationships as social context & social stressors & coping strategies, depressive symptoms, 55–65 yr old cardiac patients, 4-yr followup, application of resources model of coping, 30502
structural modeling of biomedical & demographic & psychosocial determinants of global subjective health, patients (mean age 58.4 yrs) with left ventricular dysfunction, 42775
treatment, quality of life, cardiac patients, meta analysis, 9267
Type A behavior & emotions, 23–70 yr olds with acute coronary heart disease assessed at hospital admission & discharge, Croatia, implications for coronary counseling, 4628
understanding mind vs body dilemma of chest pain, 42692
weight gain prevention program, stress & depression & dietary restraint & binge eating behavior & coronary heart disease risk factors, 44–50 yr old premenopausal women, 32754

Heart Rate—Serials

accuracy of ability to detect changes in heart rate, adults with panic disorder with or without agoraphobia, 8037
adrenocortical stress response & heart rate & psychological parameters, 9–14 yr olds with atopic dermatitis, 40773
amylacetate olfactory CS paired vs unpaired with electric shock UCS, heart rate & behavioral responses, 16 & 23 & 75 day old rats, 18064
anxiety & antisocial behavior & autonomic heart rate regulation, 15 yr old males, Canada, 6 yr study, 35730
attention in picture induced emotional responses, EMG & heart rate & skin conductance, college students, 6765
autonomic nervous control of heart rate orienting & alpha responses, mongrel dogs trained in classical discriminative conditioning, 38039
beliefs & expectations about heart rate, heart rate measured by heartbeat counting, college students, 3164
breath reductions & skin conductance responses & heart rate deceleration as markers of Transcendental consciousness vs other meditation experiences, adults practiced in Transcendental Meditation, 18262
cardiac vagal tone & age at onset of disorder & brain laterality measured by dichotic listening, 21–55 yr olds with schizophrenia, 26504
cardiac vagal tone & temperamental reactivity & behavioral regulation, 2.3–4.5 yr olds, 41692
changes in CS-evoked discharge of single cells in mediodorsal nucleus of thalamus during differential heart rate conditioning, albino rabbits, 37959
conditioned & unconditioned stimuli, appetitive motivation & cardiac response, adult male rats, 34372
continuous negative vs positive biofeedback of R-wave to pulse interval, differential learning of BP control & heart rate, normotensive 19–40 yr olds, 6793
cry threshold & heart rate variability & behavioral state & startles & prediction of autonomic regulatory system disorder, typical vs high cry threshold newborns, 19670
delta opioid antagonist naltrindole, attention-related heart rate orienting & CRs during habituation & conditioned bradycardia, rabbits, 38109
dichotically presented attended vs nonattended auditory stimuli, heart rate, 21–27 yr old males, Netherlands, 3175
EEG spikes & tonic/clonic muscle activity & heart rate, ECT seizure generalization & quality & therapeutic outcome, male 24 & female 65 yr olds with major or manic depression, case reports, 9194
effortful active coping & acute anger, systolic & diastolic BP & heart rate, 19–35 yr old females, 41410
EMG vs accelerometric vs hydrostatic ambulatory measurement, discrimination of changes in motor activity & posture & prediction of heart rate, healthy sedentary male adults, 18218
emotional stress, correlation between arterial pressure & heart & respiration rate, rats & 17–38 yr old female workers, 11090
emotionally meaningful situations, patterns of BP and heart rate, adult patients with hypertension vs inpatients with eating disorders or anxiety conditions, Germany, instrument appended, 31711
eye movement desensitization & restructuring & mentally active vs mental relaxation conditions, T-wave amplitude & heart rate & alpha activity, 21–54 yr olds, Australia, 12852
forestry machine work station shoulder–arm muscle load & cycle time & skill & perceived exertion & heart rate & preferred set up, male adults, 24881
gustatory stimulation, increased ingestive behaviors & decreased nucleus ambiguus vagal tone, high-risk low-birthweight neonates, 38280
heart beat & spontaneous finger temperature change discrimination, 18–26 yr old female left vs right lateral eye movers, replication, 3142
heart rate & heart rate variability & BP autonomic responses to orthostatic vs mental stress, males, 6801
heart rate & hypnotic susceptibility & prior experience, flowlike states during exercise, circuit trainers (mean age 25.5 yrs), 17413
heart rate & respiratory sinus arrhythmia, social & gross motor skill & mental processing developmental outcomes, low birth weight neonates, 3 yr study, 34758
heart rate & skin conductance, behaviorally inhibited vs uninhibited 3 yr olds, Mauritius, 29725
heart rate & variability, Type A vs B 26–70 yr old patients with acute coronary heart disease, 42768
heart rate during group trauma re-exposure therapy & vicarious flooding & substantial physiological arousal, extinction, Vietnam combat-related PTSD inpatients, 32257
heart rate during warned simple RT task, anticipatory EMG of facial & masticatory & neck muscles, healthy adults, 3174

heart rate variability measured by power spectral analysis, assessment of sympathetic vs parasympathetic system contributions in autonomic hyperarousal, PTSD patients, 26553
heart rate variability, 46–79 yr olds with coronary artery disease with high vs low depression scores, 36041
high caloric meal, heart rate & BP & cutaneous heat nociception, fasted healthy males (mean age 27 yrs), 11081
imipramine or reboxetine vs paroxetine treatment, electrodermal activity & heart rate, inpatients suffering major depressive episodes, 19921
infrared sensor in artificial egg as remote measure of heart rate & reactions to environment during incubation, penguins, 11082
intense auditory stimulus paired with internal vs external vs no attentional task, cardiac defense reaction, 17–32 yr old males, 41431
iv nicotine dose, blood pressure & heart rate &/vs subjective effects, 21–38 yr old smokers, 18339
learned control of heart rate & skin temperature responses & biofeedback, motion sickness, 18–45 yr olds, Canada, 14955
materials-based vs imagery-based vs rote exercise occupational forms, repetitions & duration of performance & heart rate & self perceived rest period, 65–93 yr old females, 27805
maternal emotional activation vs relaxation & heart beat of own vs other mother, heart rate & movement, infants in prenatal vs neonatal stage, 25687
mental workload & type of cognitive task, anxiety & heart rate, 17–18 yr olds of average vs high intelligence, Poland, 6769
mnemonic &/or arithmetic processing, transient heart rate, 18–30 yr old males, implications for psychophysiological inhibition hypothesis, 14983
mood states, ambulatory BP & heart rate, college students, 41426
nicotine & tar yields, blood nicotine & heart rate & anxiety & EEG activity, 18–36 yr old morning vs afternoon smokers, 21908
nicotine delivering nasal spray vs vapor inhaler vs cigarettes, subjective psychophysical effects & heart rate & plasma nicotine, 21–45 yr olds, implications for abuse liability, 29609
noninvasive continuous BP measurement methods & heart rate & BP responses to mental stress & application to study of cardiovascular disease risk, 6800
olfactory CS & acoustic startle UCS with vs without electric shock UCS, conditioned heart rate response, 10 vs 12 vs 16 vs 75 day old rats, 29059
olfactory CS paired with shock UCS in retention interval & reinstatement of shock condition, heart rate & behavioral arousal, 16 day old rats, 41202
paced smoking control of smoke intake in laboratory vs natural settings, heart rate & skin conductance & finger temperature, light vs heavy smokers, Germany, 18337
perceptions of sex-specific ability & extreme vs high vs low performance standards, systolic & diastolic BP & heart rate response during memory task, male vs female college students, 38068
positive vs negative social interaction, task induced cardiovascular activity, college students, 3168
prenatal &/vs postnatal ethanol, heart rate & motor & behavioral reactivity to ethanol odor, 16 day old rats, 580
presence of temperature control system & outdoor temperature at workplace, working heart rate, 20–64 yr old industrial employees, Israel, 40636
processing of pain-related & body-related & mental words, EMG & heart rate & skin conductance level & visual event related potentials, adults (mean age 28.3 yrs) with prechronic pain, 41419
prone positioning with vs without a positioning device, heart rate & respiratory rate & scapular position & behavioral state, premature infants, 32707
psychological workload during real vs simulated flight, heart rate, experienced vs inexperienced male Air Force pilots, Finland, 38069
quiet vs active sleep state & health status & heart rate variables & 3-yr developmental outcome, healthy vs high risk very low birth weight infants, 19498
relaxation vs worry periods, interbeat intervals & vagally mediated heart rate variability & general cardiac parasympathetic activity, patients with generalized anxiety disorder, 15991
reliability of phase related external suction method for carotid baroreceptor manipulation, heart rate waveforms, 20–41 yr old students, Germany, 14964
rest vs tone vs RT, CSF monoamine metabolites & ACTH & corticotropin releasing factor & heart rate & skin conductance, children & adolescents with obsessive compulsive vs disruptive behavior disorders, 7814
rhythmical photostimulation, EEG & heart rate tension & breathing amplitude & tapping rate & subjective assessment of health, adult males, 11066
scanning simulation preparation without sedation, heart rate & self-reported distress during simulation & actual MRI scanning procedure, 6–17 yr olds with vs without obsessive compulsive disorder, 35677
self efficacy as component of active coping, BP & heart rate in response to difficult task, 18–21 yr old females, 11069
self induced mental imagery & age & sex, cardiac rate & skin temperature & electrodermal activity, 5–15 yr olds, 11360
self reported emotional effort & heart rate & respiration during voluntary facial configurations, adults, 14971
sensitivity to mechanical stimuli & ability to make intermodality simultaneity judgments, heartbeat detection, college students, 41418
sex & self-efficacy level, ability to increase & decrease heart rate with vs without visual feedback, 19–28 yr old exercise science students, 29475
single vs combination manual handling tasks, risks assessed by ratings of discomfort & exertion & heart rate, adults, 37261
sleep quality & number of psychosomatic & digestive complaints, circadian rhythm of oral temperature & heart rate, oil refinery workers tolerant vs intolerant of shift work, 14025
slow paced breathing through resistive load, cardiac rhythm, 18–40 yr olds, implications for paced breathing therapy as relaxation technique & polyvagal theory, 3167
sodium lactate, BP & heart rate & lung volume, adults, 11229
stimulus intensity, heart rate response, 37–40 wk old human fetuses, 29784
stop signal, heart rate as indicator of deficient inhibitory processing, 7–12 yr old males with ADHD, 23163
subchronic imipramine vs venlafaxine, BP & heart rate, 24–63 yr old inpatients with major depression, application of 24 hr monitoring of drug safety, 9075
test–retest interval & demographic characteristics & type of stressors, reproducibility of BP & heart rate reactivity, implications for coronary heart disease, meta analysis, 14995
timing within cardiac cycle & heart rate response to respiratory change, young adults, 3157
tone-dependent fear conditioning, heart rate & behavior, male mice, 38066
workload in simulated flight task, respiration & eye blinks & variabilities in heart rate & BP, 20–30 yr olds from military academy, Netherlands, 11093

Heart Rate Affecting Drugs [See Caffeine, Epinephrine, Theophylline, Verapamil]

Heart Surgery—Serials

biopsychosocial factors, prediction of symptom remission vs retention, 35–69 yr olds who underwent cardiac surgery, 5193
cardiac surgery, time & presentation of delirium, 44–78 yr olds, 20088
cardio-pulmonary bypass surgery, attention & verbal & nonverbal memory & language & executive functions & motor & psychomotor speed, patients with asymptomatic carotid artery disease, 6 mo followup, 9290
coronary artery bypass graft surgery, incidence & patterns of depression & anxiety, 35–75 yr olds, 42777

coronary artery bypass grafting, cardiovascular function during cognitive stress, male 43–79 yr olds with ischemic heart disease, 43256
discharge information intervention, physical functioning & mood following coronary artery bypass surgery, surgery patients, 1 mo followup, 20275
ECT 2 wks post coronary artery bypass graft surgery, 71 yr old male with depression, case report, 23551
heart surgery using total circulatory arrest vs continuous low flow cardiopulmonary bypass, behavior problems & development at age 1 & 2.5 yrs, children with d-transposition of great arteries, 32680
nger & exhaustion reduction breathing intervention, new coronary event, angioplasty patients (mean age 55.6 yrs), 43005
prediction of quality of life after coronary artery bypass graft surgery, adults, MEDLINE & PsycLit databases, 1986–1996, literature review, 36616
predictive validity of pretransplant psychological assessment battery, posttransplant quality of life, cardiac transplant recipients (mean age 55.9 yrs), 28576
preoperative anxiety & anger, postoperative outcome, cardiac surgery patients, 5214
private vs shared hospital room with pre- vs post-operative cardiac vs noncardiac patient, affiliation patterns & preoperative anxiety & postoperative recovery, 41–70 yr old coronary bypass patients, 13400
self efficacy & perceived social support, recovery related behaviors following coronary artery bypass graft surgery, adults diagnosed with coronary artery disease, 32678
stressors in terms of changes in work & marital satisfaction & social support before vs after open heart surgery, patients' spouses, 6 wk followup, 13162
therapist vs collaborative intervention for delivery of patient education, inpatients recovering from coronary artery bypass grafting surgery, 13139
verbal memory performance, 29–77 yr old cardiopulmonary bypass surgery patients, Belgium, 6 mo followup, 6398

Heart Transplants [See Organ Transplantation]

Heart Ventricles—Serials

left ventricular diastolic function during exercise & cardiovascular adjustment induced by training, athletes, 14947
left ventricular structure & diastolic filling, BP during standard vs workplace stress, young adults without hypertension, 11072
person environment fit in perceived health & mental health & physical functioning & vigor, energy expenditure in & tolerance of planned exercise & ventricular function, patients with heart failure, 8550
psychosocial consequences of receipt of left ventricular assist device, 19–66 yr olds, implications for heart transplant programs, 27577

Heartbeat [See Heart Rate]

Heat Effects—Serials

acclimation to warm humid & hot dry & radiant heat climates with equivalent wet bulb globe temperatures & ratings of well being, adults, 18229
heat exposure as UCS, taste aversion conditioning, rats, Canada, 21483
neuroleptic malignant syndrome & dehydration & summer heat, 39-yr-old female & 17- & 30-yr-old males with learning disabilities, case reports, 39267
neutral vs hot thermal environment, physiological & psychological responses, 24.6–34.10 yr old male firefighters, 29487
perceived self efficacy, mediation of outcome in thermal biofeedback treatment, 20–49 yr old female migraine sufferers, 43248
peripheral inflammation induced by paw formalin injection vs thermal stimulation with vs without zinc, role of carbon monoxide in spinal nociceptive transmission, male rats, 29394

Hebephrenic Schizophrenia—Serials

hemispheric imbalance in performance on digit vs tonic vs transitional dichotic listening tests, male 27–43 yr olds with paranoid vs disorganized schizophrenia, 39059

Hedonism—Serials

implications of assumption of hedonism in social constructionist accounts of human interaction, 18379
perceived investment values & benefits, economic vs hedonistic vs altruistic, informal investors, 24851
validity of concept of good life encompassing hedonistic & humanist & dialectical & formalist dimensions, 22–70 yr old husbands & wives, Hong Kong, 34893

Heels (Anatomy) [See Feet (Anatomy)]

Height (Body) [See Body Height]

Help Seeking Behavior [See Also Health Care Seeking Behavior]—Serials

age & class size & supportive statement on syllabus, willingness to seek help from college instructors, college students, 33507
barriers to accessing services & training program to recruit neighbor volunteers for assisting with such access, low income frail elders, 32831
caregiver's cognitive problems, use of formal support systems & community resources & medical compliance, patients with dementia & spouse caregivers, 24231
development of questionnaire, measurement of attitudes toward seek sport psychology consultation, 17–23 yr old NCAA division student athletes, 37235
elaboration likelihood model of attitude change, gender-role & help-seeking attitudes, 18–30 yr old male college students, 26092
explanation seeking, academic achievement & attitudes toward peer help seeking, 7th–10th graders, Canada, 5688
gender-fair criteria & inclusion of help-seeking, incidence & prevalence of depression, 18–64 yr old males vs females, replication, 39020
internal vs external vs reflected attributions & help seeking behavior, 18–62 yr old low literate adults, 16152
low vs medium vs high levels of training on task in which judgments varied in importance, accepting help & improving judgment & sharing responsibility in taking advice, college students, 38768
masculine gender role conflict, psychological well being & substance use & attitudes toward psychological help seeking, 18–55 yr old male college students, 18762
parent & child & family factors as determinants of mental health service need & utilization, general population sample of 4–18 yr olds & their parents, Netherlands, 40005
perceived importance of infant's issues & need for action & problem solving & use of help, mothers of newborns, 3 mo study, 3646
perceptions of dementia & caregiving & help-seeking & service use, 19–77 yr old recent Vietnamese immigrants & Vietnamese Americans, implications for culturally sensitive service provision, 32780
perceptions of social & cognitive competence & achievement goals & attitudes & help-seeking behavior in math class, 7th & 8th graders, 33510
process of seeking care from formal & informal caregivers, 76–88 yr olds residing in continuing care retirement community, 16900
religiosity & help seeking behavior for emotional problems addressed to priests vs to general practitioners or psychologists or psychiatrists, rural vs urban residents, Norway, 31983
sex & age & self-worth & self-consciousness & locus of control, seeking help for coping with emotional problems, 13–18 yr olds, Canada, 18621
sex & living situation & reasons for & rates of counseling seeking & presenting symptoms, medical students, Pakistan, 9739
sex, help-seeking behavior & psychological distress & self-esteem & suicide ideation & problems experienced & help sources, 14–18 yr old Zuni Indians, implications for practice, 15275
stability in extraversion, social activity & support seeking & perceived social support at midlife, college students, longitudinal study, 15722
use of school &/vs parental interaction & help seeking behavior & behavior modification, student behavior problems, junior secondary school teachers, Ghana, 33503

Helping Behavior [See Assistance (Social Behavior)]

Helplessness [See Also Learned Helplessness]—Serials
biological psychiatric approach to depression in women, implications for helplessness & dependence, 23530
egotistic mechanisms, performance level in perceived group affiliation & helplessness threat conditions, secondary school students (mean age 17.2 yrs), Poland, 30554
Helplessness (Learned) [See Learned Helplessness]
Hematologic Disorders [See Blood and Lymphatic Disorders]
Hemianopia—Serials
anatomic & pathologic correlations in hemianopic anosognosia, 24–87 yr olds with homonymous visual field deficits due to ischemic infarcts, 39488
islands of residual vision, 34–57 yr olds with hemianopia, case studies, 31935
music alexia & mild pure alexia & incomplete right hemianopsia & disturbed visual object naming, 26 yr old female following brain surgery, case report, 26989
residual vision in multiple retinal locations within a scotoma, 40 yr old male with hemianopia, case study, 31929
Hemiopia [See Hemianopia]
Hemiplegia—Serials
cerebral blood flow measured by CT & MRI & SPECT, 41 yr old male with alternating hemiplegia of childhood, 31753
electrodermal activity & EMG responses to bimanual tasks & imagery & request to execute actions, hemiplegic anosognosic patient, implications for unconscious motor activation, 8603
fragmented form processing in visual neglect, 52 yr old male with left side hemiplegia & unilateral left neglect, 12627
high vs low recruitment areas & ascertainment & parental consent, sample representation, 6–10 yr olds with hemiplegia, England, 2733
laterality & development of verbal & nonverbal intelligence, 3–5 yr olds with hemiplegia with vs without seizures, UK, 2 yr study, 23446
Hemispherectomy—Serials
contralateral vs ipsilateral leg denervation, autotomy, male rats with massive hemidecortication vs subtotal hemispherectomy vs chemical neostriatal lesions, 6664
hemiballismus & cognitive decline & epileptic seizures & normal pressure hydrocephalus following hemispherectomy, 48 yr old male with mild/moderate learning disability, case report, 42810
hemispherectomy contralateral to visual stimulus presentation, residual vision zones & awareness, adult males with occipital lobe removed vs disconnected, implications for secondary visual systems, 8659
phonologic & syntactic & morphologic language ability & processing following right brain hemispherectomy vs callosotomy, 21617
phonological dyslexia vs dysgraphia, 27–53 yr olds with infantile or childhood left vs right hemispherectomies, New Zealand, 1610
production of nonpropositional speech & aphasic speech automatisms following right hemispherectomy, 23376
REM sleep dream recall & content, 14–28 yr old right hemispherectomized epileptic patients, 31835
seizure control following hemispherectomy, social communication & language ability & glucose metabolism & pathology of cortical tissue, children with onset of Rasmussen encephalitis at 4–11.7 yrs, 13144
visual displays simulating motion in depth, skin conductance & head & eye movements & verbal responses, hemispherectomized 18–41 yr olds, 8615
Hemispheric Specialization [See Lateral Dominance]
Hemodialysis—Serials
demographic & neuropsychological & medical & affective & personality variables, memory & concentration, hemodialysis patients, 5175
development & evaluation of the Ferrans & Powers Quality of Life Index, adults, 25097
fluoxetine, depression, patients with renal failure undergoing hemodialysis, 5200
health beliefs & personality, medical regimen adherence, hemodialysis patents (mean age 56 yrs), 43307
hemodialysis, mental health, 18–57 yr old patients, Nigeria, 36607
monitoring attentional style & medical regimen adherence, 21–78 yr old hemodialysis patients, 31580
reliability & validity & development of Multidisciplinary Hemodialysis Patient Satisfaction scale, 21–83 yr old hemodialysis patients, 37519
role of cynical hostility & powerful others health locus of control expectancies in prediction of regimen adherence, 23–88 yr old hemodialysis patients, 35969
satisfaction with care & relationship to various life domains & quality of life & sociodemographic & illness related variables, 25–86 yr old in unit hemodialysis patients, 9256
Hemoglobin—Serials
acute laboratory stress condition, lymphocyte subset distribution & hemoconcentration & immune response, 18–30 yr olds, 38061
support group involvement, glycosylated hemoglobin levels & confidant & affective social support, diabetics, 20054
Hemophilia—Serials
child age & gender & family ethnicity & parent education level & family size & illness stage, HIV infection disclosure & child functioning in family processes, HIV positive fathers with hemophilia, 19532
factor structure of Coping Strategies Questionnaire, assessment of coping & relationship to pain & disability & depressive mood, hemophiliac patients, 6087
illness severity & stressful life events & quality of family support & SES, psychological distress, mothers of 8–17 yr old hemophiliacs with or without HIV, 19499
incidence of suicide, patients with hemophilia with HIV infection, UK, implications for health care delivery pattern, 1503
neuropsychological functioning & cognitive & academic ability, 6.4–18 yr old hemophiliacs with vs without HIV, 3-yr study, Canada, 23288
parent vs peer vs sex partner influence, sexual behavior & attitudes, 13–25 yr olds with hemophilia & HIV infection, 31592
psychological & physical functioning, families of adult males with hemophilia with vs without HIV, 39366
Hemorrhage [See Also Cerebral Hemorrhage]—Serials
venlafaxine & ecchymosis, 19 yr old female with major depression, case report, 32443
Hemp (Cannabis) [See Cannabis]
Henmon Nelson Tests Mental Ability [See Intelligence Measures]
Hepatic Disorders [See Liver Disorders]
Hepatitis—Serials
clozapine induced acute hepatitis & extrapyramidal reaction, cocaine abusing male 44 yr old, case report, 2062
drug-induced hepatitis & assessment of liver function before & during disulfiram therapy, letter, 13148
frontloading as risk factor for HIV & hepatitis C virus infection, iv drug users, Germany, 16262
perazine, acute hepatitis, 65 yr old female with paranoid schizophrenia, case report, letter, 13026
seroprevalence of hepatitis C, developmentally disabled 26–82 yr old institution inpatients, Australia, 13389
stress, 25–43 yr old parents of 3–7 yr olds with vs without hepatitis B virus who attend special kindergarten vs stay at home, China, 12465
vaccine dose, hepatitis B antibody levels & psychological stress, college students scoring extremely low vs high on measures of daily problems & psychoneurotic symptoms, longitudinal study, 21789
Hereditary Disorders [See Genetic Disorders]
Heredity [See Genetics]
Hermaphroditism—Serials
issues in defining & explaining mixed sex people with female & male characteristics, implications for surgical & hormonal treatments for transsexuals & use of heterosexual & homosexual terminology, 22373
issues in defining & explaining mixed sex people with female & male characteristics, implications for surgical & hormonal treatments for transsexuals & use of heterosexual & homosexual terminology, commentary, 22378

issues in defining & explaining mixed sex people with male & female characteristics, implications for surgical & hormonal treatment for transsexuals & use of hetero & homosexual terminology, commentary reply, 22374
neutrality vs nature & nurture vs prenatal predisposition theories of psychosexual identity & development & clinical management of intersexed newborns & infants, commentary reply, 19496
neutrality vs nature & nurture vs prenatal predisposition theories of psychosexual identity & clinical management of intersexed newborns & infants, commentary, 19527
neutrality vs nature & nuture vs prenatal predisposition theories of psychosexual identity & development & clinical management of intersexed newborns & infants, 19497
population size & density, mating tactic, simultaneously hermaphroditic seabass, 37903

Hermeneutics—Serials
changeability of life course narratives over time, hermeneutic implications for cognitive psychology & psychoanalysis, 3295
cognitive science explanations of hermeneutic psychoanalysis, 12896
complexity theory & ecology & hermeneutics, enactivist model of cognition, implications for formal education & teaching & learning, 33390
epistemology & subjectivity questions regarding suitability of hermeneutics as framework for psychoanalytic theory & practice in relation to relational model theory, 30592
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, commentary reply, 18901
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, 18890
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, commentary, 18900
hermeneutic-dialectic inquiry approach to diverging views on O. J. Simpson murder trial & other issues related to perceived justice, White vs Black adults, commentary, 18904
hermeneutic-narrative approach to integration of child psychotherapy & family therapy, therapeutic conversation after play assessement, 6-yr-old female & 7-yr-old male with behavior problems, 32225
hermeneutical analysis of soul murder, family romance & structure of paranoiac delusion in D. P. Schreber's "Memoirs", 18365
hermeneutics & metapsychology & discourse analysis vs empirical science in psychology of religion, 7442
hermeneutics in & influence of Asian vs North American culture on self psychology & selfobject relationships, clients, commentary reply, 12804
hermeneutics in & influence of Asian vs North American culture on self psychology & selfobject relationships, clients, commentary, 12773
integration of psychological theology & personal experience & biblical hermeneutics, commentary reply, 3582
lessons learned in process of hermeneutic interpretive study of personal texts while writing qualitative dissertation, reprint, 25155
M. Gill's hermeneutic constructive complementary paradigm of psychoanalysis, 26324
meaning of power & powerlessness in lived experiences using Heideggerian phenomenology & hermeneutical philosophical framework, psychiatric nurses, 40302
narratives & multiple meanings in & hermeneutic nature of dream interpretation, application to Freud's dream of "Irma's Injection", 22639
philosophical hermeneutic perspective of influence of cultural values & assumptions on counseling theory & practice, 16472
problems of methodological critique & hermeneutical conceptualization of psychoanalysis & ethical & aesthetic aspects, 1122
psychology of religion & hermeneutical-interpretive literature, 7456
radicalization of hermeneuticist & constructivist conceptions of psychoanalysis through critical pluralism, 30632
scientific & hermeneutic perspective on contemporary practice of psychoanalytic interpretation in psychotherapy, 27346

Heroin—Serials
adrenalectomy vs corticosterone vs corticotropin-releasing factor vs metyrapone, reinstatement of heroin- vs footshock stress-induced heroin seeking behavior, male rats, 34708
behavioral & pharmacological determinants of smoked heroin vs cocaine vs loperamide self administration, male rhesus monkeys, 613
demographic characteristics & psychosocial factors, initiation of injection heroin & other drug use, crack cocaine smokers, implications for HIV risk, 23061
footshock stress vs dopamine receptor specific antagonists vs naltrexone, relapse to heroin seeking behavior, male rats, 635
footshock stress vs heroin priming vs naloxone induced withdrawal, reinstatement of drug seeking & self administration, male rats maintained on heroin via minipump, 3274
gammahydroxybutyrate, reinforcement of PCP self-administration & generalization of PCP & heroin discriminative stimulus effects & antagonism of cocaine discrimination, monkeys, 18268
haloperidol, heroin-induced response-reinstatement after extinction in operant conditioning, male rats, animal model of drug relapse, 6878
in-utero exposure to heroin & home environment, long-term developmental problems, 0–6 yr olds born to heroin-dependent parents, Israel, 16087
iv self administration of heroin vs ethanol, alcohol preferring vs alcohol avoiding rats, 600
olfactory stimuli predictive of heroin availability, reinstatement of drugs-seeking behavior, rats, 34681
ovarian hormones, self-administered heroin initiation & maintenance, male vs female rats, 640
propofol sedation during rapid opiate detoxification, 29 yr old male with heroin dependence history, case report, 24303
self adminstration of heroin &/vs cocaine, monkeys, 29587
withdrawal from chronic ethanol or heroin, increases in plasma nerve growth factor & resultant anxiety, alcohol dependent or heroin using patients, 8225
withdrawal symptoms, methadone treatment, 32-yr-old male alcohol-and opioid-dependent patient, case study, 36795

Heroin Addiction—Serials
age & methadone maintenance attendance, heroin overdose mortality rates, 20–29 vs 30–39 yr olds, Australia, 15-yr study, 9570
dextromethorphan, signs & symptoms & cravings characteristic of opioid withdrawal, 25–65 yr old males addicted to heroin, letter, 33034
enhanced methadone maintenance project, factors associated with HIV risk behaviors, 20–56 yr old female heroin addicts, 16966
fluoxetine & naltrexone, hostility, male heroin addicts, Italy, 5020
individual pain perception, 23–36 yr old heroin users on levomethadone maintenance, 27786
inhalant use at age 16, subsequent heroin use, 32 yr old African Americans, prospective study, implications for vulnerability marker of serious drug use, 19372
lifetime overdoses & concurrent CNS depressant use & alcohol consumption & abuse history & dependence, nonfatal heroin overdose, 17–50 yr old heroin users, Australia, 23044
mortality & continued heroin use & criminality & treatment status, heroin addicts in methadone maintenance, 22 yr followup, 20316
personality characteristics, adults addicted to heroin vs nonaddicted college students, India, 19380
physical & psychological health status, 18–42 yr old heroin users entering methadone maintenance program, Australia, 13448
power relations & transmission of HIV, homeless heroin addicts in San Francisco, 39438

seeking medical attention & calling for ambulance & fear of police involvement, 17–50 yr old heroin users present at others' heroin overdoses, Australia, 23043
SPECT assessment of cerebral blood flow 1 wk vs 2 wk after opiate discontinuation, hospitalized male 31–46 yr old heroin users, 8275
systemic couples therapy in methadone maintenance, 27 yr old female with heroin addiction & 26 yr old husband, 9622
Herpes Genitalis—Serials
content & construct & discriminant validity & internal consistency & reproducibility of Herpes Related Quality of Life Instrument, 19–55 yr old genital herpes patients, 14367
Herpes Simplex—Serials
CSF antibodies to herpes simplex virus type 1 & cytomegalovirus & varicella zoster virus & mumps virus & measles virus, 18–54 yr old Indians with obsessive-compulsive disorder, 31091
herpes simplex, tic exacerbation, 11 yr old female with Tourette's syndrome & ADHD & obsessive-compulsive disorder treated with clonidine & other drugs, case report, letter, 31153
pathophysiology & psychopathology, schizophrenic male & 37 yr old female with herpes encephalitis, 23417
restraint stress, herpes simplex virus-specific memory cytotoxic T lymphocyte activation, male rats, implications for involvement of lymphokine availability, 11061
social psychological characteristics of high vs low sexual mixing across age & ethnic groups & herpes simplex virus 2, White vs African American vs Hispanic heterosexual 20–44 yr olds, 1489
stressors & depressive symptoms, faciliation of clinical recurrence of herpes simplex virus & progression of HIV, adults, commentary on meta analysis, letter, 31599
stressors & depressive symptoms, facilitation of clinical recurrence of herpes simplex virus & progression of HIV, adults, commentary reply on meta analysis, letter, 31640
Heterogeneity of Variance [See Variance Homogeneity]
Heterosexual Interaction [See Male Female Relations]
Heterosexuality—Serials
attitudes toward heterosexual & homosexual behavior of developmentally disabled, institutional staff, US vs Canada, 24482
behavior-analytic vs biological view of sexuality & transsexuality & homosexuality & heterosexuality, 30271
biodemographic variables, heterosexual vs homosexual males, 11615
cognitive factors in heterosexual situations, 20–35 yr old socially anxious vs nonanxious males, 30351
development & psychometric evaluation of Inventory of Dyadic Heterosexual Preferences, 17–59 yr old college students, 56
dismantling gender polarization & compulsory heterosexuality & relevance of biology of sex, 18780
gender & sexual orientation & sexual risk behavior & reasons for testing, homosexual & heterosexual repeat vs first time HIV testers, England, 42746
government policy on social & legal & biological aspects of parenthood, implications for heterosexual vs gay or lesbian parents, Netherlands, 30185
handedness norms, sexual orientation, homosexual vs heterosexual males, 1938–63, 11616
heterosexism & ethics & homosexuality education, supervisors & supervisees in supervision, implications for couples & family therapy education, 26034
heterosexism & ethics, supervisors & supervisees in supervision, implications for discrimination, 27874
heterosexual behavior & condom usage & awareness about STDs & AIDS, 15–60 yr olds from lower class, India, 38610
HIV risk factors & antibody testing & condom use, 18–49 yr old heterosexual Hispanics, 26918
homophobia & heterosexism in supervision, therapist & supervisors, 33218
homosexual vs heterosexual orientation, body satisfaction & dieting & binge eating & purging, male vs female 12–20 yr olds, 4443
interaction between school processes & entry into adolescent & early adult forms of heterosexuality in transition between primary & secondary school, 13792
internal consistency & discriminant validity of Bem Sex Role Inventory, assessment of sex role orientation, 18–65 yr old heterosexual vs gay males, 14258
object relations & ego psychology conceptualization of male heterosexual identity development, 16 yr old male in therapy for sexual identity confusion, case study, 26404
perceptions of heterosexual bias & discrimination within professional psychology graduate program, student members of APA Division 44 Society for Psychological Study of Lesbian & Gay Issues, 9713
predictors of therapeutic benefit & conversion to heterosexuality in analysis with homosexual patients, psychoanalysts, 43082
prejudice level & attitude similarity & dissimilarity of heterosexual & homosexual targets, interpersonal attraction, heterosexual male undergraduates, 22436
psychoeducational group intervention, stress & depression & anxiety alleviation, heterosexuals with HIV/AIDS (mean age 36.8 yrs), 39446
psychotherapy needs, bisexual females vs lesbians vs heterosexual females, 23660
reasons for HIV antibody test refusal, heterosexual clients of a sexually transmitted disease clinic, 26920
reliability & factorial validity of Initiating Heterosexual Contact Scale, female college students (mean age 22.3 yrs), 40812
satisfaction & trust in intimate relationships, 18–36 yr old lesbians vs heterosexual females, 42002
self assessments of likelihood of contacting & worry about AIDS, 18–44 yr old unmarried heterosexuals, 4592
self reported reasons for having sex & frequency of participation & sexual risk taking, 19–66 yr old heterosexual males from public STD clinic, 38607
sex & number of & regular vs casual partners, reported sexual practices, heterosexual 18–69 yr olds with multiple partners, France, implications for risk of sexually transmitted diseases, 3698
sexual orientation & affiliation with gay & lesbian community, body dissatisfaction & psychosocial distress, lesbian vs heterosexual females vs gay vs heterosexual males, 3689
subjective sexual arousal, bisexual vs heterosexual vs lesbian 18–28 yr olds, 30257
Heterozygotic Twins—Serials
basis of individual variation in exposure to stressful life events, 17–55 yr old monozygotic & dizygotic female twin pairs, followup study, 25446
brain size & development & schizophrenia, monozygotic vs dizygotic twin fetuses at 13–27 wks, 7959
cross-sequential analysis of genetic influences, cognitive ability, 41–84 yr old monozygotic vs dizygotic twins reared apart vs together, longitudinal study, Sweden, 25445
emotional closeness & risk for substance use disorder, 16–63 yr old monozygotic vs dizygotic twins, 37945
environmental predictors of differential personality development, adult monozygotic & dizygotic twins & same-sex nontwin siblings, 15720
environmental vs hereditary factors, methods of coping with stress, 9–16 yr old monozygotic vs dizygotic twins, 7350
genetic & environmental influences on etiology of left-handedness, adolescent twins & their parents, 25686
genetic & familial-environmental liability for alcohol abuse measured by temperance board registrations 1929–74, monozygotic vs dizygotic male twin pairs born 1902–1949, Sweden, longitudinal study, 35812
genetic vs environmental factors in & concordance rates for Alzheimer's disease vs vascular dementia, 66–92 yr old monozygotic vs dizygotic twin pairs, Norway, 36056
genetics & phenotypic variance of temperamental traits postulated by regulative theory of temperament, monozygotic vs dizygotic male & female same sex 21–66 yr old twin pairs, 10916
handedness according to zygosity & chorion type, 6–28 yr old twin pairs, Belgium, 18476

heritability of inhibitory gating of P50 auditory evoked potential, 21–51 yr old monozygotic vs dizygotic twins, implications for genetic studies of schizophrenia, 18136
heritability of P3 wave & other components of visual ERP assessed during performance of cognitive task, 17–18 yr old male monozygotic vs dizygotic twin pairs, 18209
physical attractiveness, depression symptoms, 18–55 yr old female monozygotic & dizygotic twin pairs, 4114
psychiatric assessment & treatment, 15 yr old females from male–female dizygotic twin pairs with anorexia nervosa, Canada, case report, letter, 1470
sex differences & nonadditive genetic influences in covariance matrices of Multidimensional Personality Questionnaire data, 27–64 yr old monozygotic & same & opposite sex dizygotic twin pairs, 30491
sex-typed play & toy selection, 3–8 yr old females with male twin or older brother vs with female twin, 41715

Heuristic Modeling—Serials

context-dependent biases, intuitive correlation assessment, college students, 34216
critical reexamination of fundamental assumptions underlying scientific model of behavioral consultation, educational psychologists & teachers & students, 24691
extension rule vs representativeness training, conjunction fallacy & heuristic strategies, 14–76 yr olds, 28848
heuristic & systematic processing, attitude judgment under defense motivation by congenial- & hostile-cue conditions, college students, 18885
heuristic principles of judgment & religious vs political content of religious conservative source cues, political choices & judgments, college students, 38584
heuristics & artificial intelligence & naturalized epistemology & human problem solving models & justification of defeasible rules, 14098
judgments & recall of familiar names & cartoon characters, 6 & 8 & 10 yr olds & college students, test of developmental differences in use of availability heuristic, 11397
representation of predictor & outcome, reliance on representativeness vs anchoring & adjustment & extremity of predictions, adults, 6298
representativeness in market for bets on National Football League games, 6346
use of creative heuristics in generating psychological hypotheses, 28669

Hexamethonium—Serials

nicotine with vs without hexamethonium or mecamylamine vs lobeline vs cytisine, latent inhibition, male rats, 7047

Hibernation—Serials

pinealectomy following normal hibernation & continued courting, subsequent courtship behavior, adult male red-sided garter snakes, 18234

High Risk Populations [See At Risk Populations]
High School Diplomas [See Educational Degrees]
High School Equivalency [See Adult Education]

High School Graduates—Serials

ethnicity & generational status & duration in US & language usage & social capital, high school completion, 15–18 yr old immigrant 10th graders, 6 yr study, 43648
neighborhood & SES & other characteristics, likelihood of high school graduation, poor African American children, 27 yr study, 20589

High School Students—Serials

analysis of academic performance according to cultural discontinuity vs perceived structural contraints theories, American Indian high school students, 17186
association between preparation & taking of Higher School Certificate examination & distress & anxiety levels, secondary school students, Australia, 37068
attitudes & mathematics achievement, 17–24 yr old 12th graders, South Africa, 43569
attitudes toward mathematics, mathematics achievement, high school students, India, 28023
career hopes & receipt of career guidance, 15–16 yr old female British Muslim students, England, 13893
conversations about gender differences in instructional activity & classroom experiences, high school physics students, implications for gender bias in science classrooms, 17194
domain specifications & dimensionality & task generalizability & rater reliability & scoring of domain independent assessment approach, 11th graders, 6093
environmental & individual factors in psychological well-being throughout transition to adulthood, high school graduates, 2-yr study, Canada, 15278
evaluation of career education needs, 11th & 12th graders & last year vocational education & Reform's Experimentation students, Spain, 28112
exposure to Drug Abuse Resistance Education in 6th grade, self esteem & resistance to peer pressure & drug use & delay of experimentation with drugs, 9th graders, 17123
frequency & severity & consequences & school context of sexual harassment, 8th–11th graders, implications for perpetrator victim model, 13782
implementation of school-within-school multicultural program, intergroup tensions based on concepts of culture & race, predominantly African American & Hispanic urban high school students, 9901
interaction of issues of sexual orientation & race in education program, lesbian & gay high school students at risk for dropping out, Canada, 13722
multicultural counseling & dropout prevention, individual counseling with students at risk of dropping out of high school, 5724
number of hours worked per week in previous vs current school year, GPA & subject matter test scores & attendance, 10th–12th graders, 20596
omitted variable bias in study of relationships between intellectual skill & family environment & academic performance, adolescent siblings, 17181
parental separation, academic achievement as measured by achievement scores vs school grades, 7th & 9th graders, 17179
perceptions of experiences in classroom discussions of text content, middle & high school students, 5669
personal values & coping with others' expectations, career related attitudes & values & plans, secondary school students, Nigeria, 24642
rationale for & key elements of literacy acceleration strategy, secondary age students, 17235
responses to essay on gay & lesbian experiences in ethnic literature curriculum, understanding of common ground & oppressed groups, 10th graders in multiethnic class, 13692
role of parent involvement programs & school success, high school students & their parents/families, 36986
scoring student concept maps by comparison to experts' maps, cognitive structure of history knowledge, 11th graders, 9865
secondary special education student social interaction & employment & community adjustment outcome measures in conceptual framework for analysis & literature review on transition to adult life, 37101
self-determination & persistence & school administration behaviors as factors in model of high school dropout, 9th & 10th graders, Canada, 33514
sexual assault or harassment in school & relation to mental health & suicidal gestures or attempts, females in Grades 7–12, Canada, 34884
teacher debriefing on work experience as part of mentoring process, recognition of importance of feelings in personal change, secondary students, 13719
teacher training for HIV/AIDS instruction & perceptions of training, student knowledge of & attitudes toward HIV/AIDS, 9th & 11th graders, Canada, 24533
use of higher level cognitive operations in problem solving with geographic information systems program, high school student novices vs system experts, 17115
views of AIDS education & condom availability program, 25–55+ yr old parents of public high school students, 36655
working memory capacity, processing of high & low level macropropositions in summaries of expository passages, 9th graders, Finland, 24614

High School Teachers—Serials

defensive comparison of teaching effectiveness of close friend & colleague teaching same subject matter, high school teachers, 43584

faculty's collective influence over school policy & autonomy of individual teachers in classroom, conflict among teachers & students & administrators, high school teachers, 13678
guidance related aspects of work & workload & time pressures & job satisfaction & biographical variables, stress, secondary school teachers, Hong Kong, 13676
map based on pattern of communication within & between a posteriori subgroups, high school teachers, extension of L. S. Festinger's work on communication within apartment courts, 5573
marital status & job satisfaction, high school teachers, South Africa, 33359
modern society vs town religious community role expectations, staff room story content, female teachers, Israel, 36942
politics of representation & gender, detracking reform policies, male vs female high school teachers, 2 yr study, 36936
professional orientation & organizational inflexibility & intrinsic satisfaction & spatial distance as leadership substitutes, organizational commitment & job satisfaction, secondary teachers, 33346
self reported work related stress, 20–52 yr old secondary school teachers, South Africa, 33358
structural features of class schedules & administrative support & influence & autonomy & collegiality, professional & organizational commitment, high school teachers, 17111
teacher training for HIV/AIDS instruction & perceptions of training, student knowledge of & attitudes toward HIV/AIDS, 9th & 11th graders, Canada, 24533

High Schools—Serials
analysis of promotion of basic & integrated science process skills involved in scientific inquiry in high school biology lab manuals, 20543
factors supporting & constraining shared decision making & its effect on school culture, public high school students & teachers & parents, 3 yr study, 17135
family experiences & subjective & objective reports of sexual harassment in high school, female college students, 8120
group interventions in junior & high school settings, clinicians & graduate students, 28114
organizational cultural differences, effective vs average secondary schools, Israel, 36925
reputation & isolation & behavior of officers in drug transaction as conceptualized through notion of cognitive bridge, high school undercover officers, 17531

Higher Education [See Also Graduate Education, Postgraduate Training, Undergraduate Education]—Serials
academic resistance & student interest & devotion & other problems in teaching Jung in university setting, 35392
academic resistance & student interest & devotion & other problems in teaching Jung in university setting, commentary, 35387
academic resistance & student interest & devotion & other problems in teaching Jung in university setting, commentary reply, 35391
academic resistance & student interest & devotion & other problems in teaching Jung in university setting, commentary, 35396
academic resistance & student interest & devotion & other problems in teaching Jung in university setting, commentary, 35373
accessing information & decision making regarding subject or career choice, 16 yr olds, Australia, 43672
description of national 3 tiered system of training, human services workers who work with people with disabilities, New Zealand, 27876
employment & postsecondary education outcomes & educational practices in relation to school to work transition, youth with disabilities, literature review, 43693
history of & effect of public & private policies & educational & social & economic factors on participation in higher education, African Americans, 3568
impartiality among pre-entry guidance providers in further education colleges, adult counseling providers, England, 43718
issues involved in retention of ethnic minority faculty in higher education institutions, 20524
knowledge of disability laws & legal decisions, higher education, faculty & administrators, 40360
occupational standards for advice & guidance & counseling in higher education, UK, 9800
plans for & experiences of employment & post secondary education & independent living following high school, deaf 17–21 yr olds, 39587
policies in higher education institutions & sexual discrimination, faculty & their families, research review, 9837
projection & other defenses as reactions to job insecurity & organizational climate, university counseling services professionals, conference presentation, 37138
quality control & accreditation policy in higher education, India, 33351
school & work & psychiatric history & symptoms & social adjustment & self perception of school efficacy & self esteem, 17–75 yr old psychiatic patients in supported postsecondary education program, 28078
special needs programs in higher education & role of educational psychology, UK, 13865
types & program components of & legislative & training & device selection issues in assistive technology, learning enhancement, learning disabled postsecondary students, 20649

Higher Order Conditioning—Serials
backward vs forward 1st order training of CS & UCS, magnitude of 2nd order conditioning vs sensory preconditioning, rats, 34348
blocking of NMDA receptor antagonists in amygdala, 2nd order fear conditioning, male rats, 41198

Highway Safety—Serials
age & experience & navigation technique, driving performance, 16–18 vs 35–45 vs 65–73 yr olds & 25–34 vs 35–44 vs 45–54 vs 55–64 vs 65 yr olds & older with advanced traveler information system, 43916
age & migrant status & SES & sleep/wake schedules prior to departure vs regular & subjective daytime sleepiness & driving behavior, 18–78 yr old highway drivers during summer vacation, France, 24901
airbags &/vs antilock brakes, driving behavior, taxi drivers, Norway, 37285
assigned vs participative goal setting, intersection stopping & turn signal use & safety belt use, pizza delivery store employees, 24899
attitudes toward traffic violation behaviors, 16–66 yr old drivers & pedestrians, Chile, 33827
cognitive & emotional aspects of mental construals of risk-related behavior & self reported car speeding, 18 yr olds, Norway, 24902
crashes & traffic convictions & risk taking behaviors & seat belt attitude & knowledge, drivers not using seat belts, 14090
economic model of safety valuation & application to automobile market, 2353
factor analysis of affect, prediction of abherrent driving behavior & violations, 17–70 yr olds, 42467
features of driver fatigue related accidents & near accidents & unintentional drifting out of lane events, adult drivers, Australia, 43919
iconic vs text highway signs & driving velocity, visual threshold sizes for accurate sign identification, adults, 24898
increased legal penalties & enforcement, traffic fatalities & accidents, drunk drivers, Japan, 19362
monetary incentives, job performance & safety & satisfaction, truck drivers, 4 yr study, 13958
multidepartmental & multistrategy safe driving program, alcohol impaired driving & related driving risks & traffic deaths & injuries, 16+ yr olds, 10 yr study, commentary, 16775
multidepartmental & multistrategy safe driving program, alcohol impaired driving & related driving risks & traffic deaths & injuries, 16+ yr olds, 10 yr study, 16781
normative information about incidence of speeding, reduction of speed limit violation, adult automobile drivers, 40705

opinions & behaviors on traffic safety & use of safety belts & drunk & impaired driving & speeding & driving with suspended license & age related licensing sanctions, 18–70+ yr olds, Michigan, 1995, 14088
perceived goals in teaching maneuvering vs anticipating skills, skid training course instructors vs students, 20877
program to increase child restraint use & rear seating position in vehicles, parents & elementary school children, 37289
risky driving & passenger behaviors & attitudes, male vs female adolescents, New Zealand, 786
signal controlled intersection design & traffic volume & age & gender & pedestrian volume, checking for oncoming traffic, 17–50 yr old & older pedestrians, Canada, 10227
soft-sell vs standard driver improvement warning letters, accident- & violation-free survival, 20 vs 30 vs 40 yr old drivers, 1993, 33824
time headway feedback, headway & speed maintenance & mental workload, close vs medium vs cautious drivers (mean age 38 yrs), England, conference presentation, 37277
Hindbrain [See Also Cerebellum, Medulla Oblongata, Pons]—Serials
ontogeny of cholecystokinin binding sites in hindbrain, embryonic & neonatal rats, 3077
Hinduism—Serials
deficiencies of sociomedical & producer & consumerist models vs ElderSpirit Centers as alternative paradigm based on Hindu principles of spirituality & development, older adults, 29993
Hindus—Serials
fundamentalism as measured with Religious Fundamentalism scale, correlations with authoritarianism & hostility toward homosexuals, Muslim & Hindu & Jewish adults, 22226
Hippies [See Subculture (Anthropological)]
Hippocampal Commissure [See Fornix]
Hippocampus—Serials
acquisition of serial pattern, patterned responding & tracking performance, 3 vs 24 mo old rats with hippocampal lesions, 3055
ACTH analog ORG2766 administered 2 wks vs 7 mo after fimbria lesion, recovery of Morris maze performance, male rats, 3289
activation of NMDA receptors on neighboring cells & subsequent plasticity, role of hippocampal synaptic long term depression in neural development & information storage, letter, 6668
acute ethanol, pentylenetetrazol vs NMDA induced c-fos vs c-jun immunoreactivity, rat hippocampus & cerebral cortex, 29530
acute or chronic fluoxetine, basal & stress-induced norepinephrine in the hippocampus, male rats, 34690
adrenalectomy blockage of maternal stress induced corticosterone secretion, offspring stress induced corticosterone secretion & function of hippocampal corticosteroid receptors, male rats, 18143
afterdischarges of dorsal hippocampus, production of retrograde amnesia for spatial discrimination problems, mice, 37979
age & number of neurons in hippocampal subdivisions, spatial reference memory, rats, 485
age & post dexamethasone cortisol levels & MRI evidence of hippocampal atrophy & cognitive function & depressive symptoms, patients with depression vs Alzheimer's disease, 11855
age effects on experience-dependent plasticity of hippocampal place cells & spacial location & theta rhythm in task performance, 11–12 mo vs 25–31 mo old rats, 41361
aging, spatial memory information coding in hippocampus, male rats, 41366
alcohol exposure during postnatal period, monoamine concentrations in hippocampus & septal region assayed under stressed vs nonstressed conditions, rats, 21868
alternating intrahippocampal cognitive potentials in temporal lobe epilepsy, 13–48 yr old patients, erratum, 12621
amphetamine- & apomorphine- & stress-induced locomotor activity & dopamine D1 & D2 & D3 receptor binding density in striatal & limbic subregions, neonatal rats with bilateral hippocampal lesions, 21637
amphetamine, configural cue discrimination in negative patterning task, rats, implications for role of hippocampus in disruption of negative patterning by increasing responsiveness, 21819
amphetamine withdrawal length, motor activity & norepinephrine neurotransmision in hypothalamus & hippocampus, rats, 41442
amygdala & hippocampal innervation of nucleus accumbens, conditioned reward responding of d-amphetamine & AMPA receptor antagonist CNQX, male rats, 38115
anterograde electrolytic lesions of fimbria/fornix vs entorhinal cortex vs dorsal hippocampus, contextual fear conditioning, male rats, 37984
application of psychobiological animal conditioning model to amnesic category learning, test of hippocampal-region function theory, implications for human amnesia & learning, 21495
arecoline vs bicuculline vs glutamate vs ST587 vs SKF38393 in hippocampus, age related decline in retention, senescence accelerated mice prone vs resistant to develop impaired learning & memory, 589
aspiration lesions of dorsal hippocampus, selective deficit in retention of visual discrimination, male rats, 11020
aspiration lesions of hippocampus &/vs overlying neocortex, concurrent vs figural object discrimination in enclosed vs open maze, male rats, 459
associative form of long-term potentiation, transformation of NMDA receptor based synapses & early development of hippocampal glutamatergic synapses, postnatal rats, 29272
atropine, associative long-term potentiation in CA1 region of hippocampus, rats, 34713
back & forward propagation of activity-dependent synaptic depression in neural networks, 41318
bidirectional modification of CA1 synapses & postsynaptic potentials & long term depression & potentiation in hippocampus, male rats, implications for in vivo research, letter, 11031
bilateral fimbria lesions & housing in standard vs impoverished social conditions, Morris maze acquisition & spatial orientation performance, male rats, 496
bilateral fimbria transection, behavioral sequencing & executive functioning during dyadic social interactions, male rats, 37983
bilateral hippocampal formation volumes & lengths, 24–44 yr olds with chronic schizophrenia, 4154
bilateral hippocampus & area parahippocampalis lesions, acquisition of visuospatial task & concurrent discrimination, pigeons, 37817
bilateral lesions to septum vs hippocampus vs amygdala, fear reactions, male rats, animal model of anxiety, 34585
brightness discrimination training, immediate early gene messenger RNA expression in hippocampus vs cerebellum vs cerebral cortex regions, male rats, 25475
c-fos AS-ODN to hippocampus, acquisition & retention of brightness perception, 7 wk old male rats, 25474
caffeine augmented ECS, damage to hippocampal neurons, male rats, implications for caffeine augmentation in human ECT, 25523
caffeine augmented ECSs, hippocampal neuron damage, male rats, implications for caffeine augmentation in human ECT, comment, 29439
caffeine augmented ECSs, hippocampal neurons, male rats, implications for caffeine augmentation in human ECT, commentary reply, 29411
carbamazepine, adenosinergic potentiation of phenylephrine induced formation of inositolphosphates in cultured hippocampal brain cells, newborn rat pups, 25560
cathodal sections of fimbria-fornix vs ibotenic lesions of hippocampal cells, place & spatial learning in swimming task & circadian activity, rats, 11021
CGP 43487-induced NMDA receptor blockade, defensive freezing behavior & dentate gyrus granule cell production, female rat pups exposed to unfamiliar male adults, 21645
cholinergic synaptic transmission in hippocampal subfields & spatial learning & visual discrimination, young vs adult vs old male rats, 11007

chronic administration of serotonin & norepinephrine selective reuptake inhibitor antidepressants, expression of cAMP response element binding protein mRNA in hippocampus, rats, 18324
chronic corticosterone, hippocampal physiology & memory, rats, 21813
chronic ethanol, inositol triphosphate & tetrakisphosphate receptor binding in cerebellum & hippocampus, rats, 25611
chronic exposure to lithium &/vs carbamazepine &/vs valproate & model of myristoylated alanine-rich C kinase substrate in immortalized hippocampal cells, 21669
chronic nimodipine treatment, motor behavior & maze learning & hippocampal binding of [3H]CGS 19755 to NMDA receptors, aged male rats, 11155
chronic psychosocial stress & phenytoin, CA3 hippocampal neuron structure & urinary cortisol & body weight, subordinate male tree shrews, 18175
chronic stress, neurotrophic factor effects on glucocorticoid induced age related hippocampal damage, conference presentation, 1626
chronic vs acute prednisone, hippocampal dependent explicit vs hippocampal independent implicit memory, 22–73 yr olds with non-CNS related disease, 20086
citalopram HBr & buspirone, ischemic neuronal death & role of hippocampal serotonergic neurons, ischemia challenged gerbils, 21894
clinical & pathologic characteristics of hippocampal sclerosis, 59–89 yr olds with dementia, 31750
clozapine or haloperidol, dopamine receptor messenger RNA expression in hippocampus or entorhinal cortex, male rats, 38151
cognitive enhancers & somatostatin & 5-HT3 receptor & muscarinic receptor subtypes, hippocampal long term potentiation, guinea pigs, literature review, 21865
concentration of neuronal marker N-acetyl aspartate in hippocampus, schizophrenic 18–55 yr olds, England, erratum, 1292
control of 3-dimensional object arrangement on hippocampal place cell firing fields, male rats, 34598
correlation between MRI hippocampal volumetry & verbal memory performance, patients (mean age 32 yrs) with left temporal lobe epilepsy, 31806
corticosterone replacement, spatial memory & dentate gyrus size, adrenalectomized male rats, 34680
cyclic adenosine monophosphate vs RNA vs protein synthesis dependent short vs late phase of long term potentiation in medial perforant pathway of hippocampus, rats, 18181
cylindrical vs square chamber painted with different visual stimuli, spatial firing patterns in hippocampal place vs subicular cells, female rats, 29363
damage to right parahippocampal & lingual gyri & posterior hippocampus & striate & extrastriate cortex, ERPs during visual word & nonword priming, elderly patients, 16382
degree of hippocampal place field overlap & cross correlations in ensembles of hippocampal neurons during delayed matching or nonmatching to sample or pellet chasing tasks, male rats, 14838
desipramine, changes in mRNA levels of c-fos & c-jun & zif268 in hippocampus & locus coeruleus, 8-wk old male rats, 41447
development of food storage & retrieval from 3rd through 35th day posthatching, hippocampus & telencephalon volume on day 41 vs 47 vs 56 posthatch, hand raised marsh tits, 6610
developmental effects of prenatal cocaine exposure, hippocampal synaptic plasticity & long term potentiation, 30–40 day old rabbits, implications for learning & memory, 6970
developmental lead exposure, cholinergic & catecholaminergic markers in septohippocampal pathway, rats, 4 mo study, 11109
diazepam, conductance of GABA channels activated by low concentrations of GABA, rat cultured hippocampal neurons, 38094
dorsal hippocampal & central amygdaloid lesions, spatial & visual discrimination learning in radial 8-arm maze, male mice, 6437
dorsal hippocampal lesions, contextual control of classically conditioned autoshaped responding, male rats, 10954
dorsal vs ventral hippocampus lesions, detection of spatial novelty & radial maze performance, C57BL/6 vs DBA/2 mice, 37951
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, 42845
early hippocampal pathology, episodic & semantic memory, 14–22 yr olds with global anterograde amnesia resulting from brain injuries, commentary, 42798
effects of overexposure to glucocorticoids from sustained stress, hippocampal volumes & role in depression & PTSD, rats & humans, literature review, 19131
electrical hippocampus field CA1 stimulation, homosynaptic transmission depression, awake & anesthetized rats, 34605
embryonic hippocampal vs anterior telencephalon transplants, hippocampal lesion induced spatial memory deficits, zebra finches, 34569
enantiomers of 8-OH-DPAT, hippocampal firing activity & hypothermic response, male rats, 29553
estrogen & progestin, hippocampal formation & basal forebrain, rats, implications for aging & neurodegenerative diseases, 34561
ethanol, induction of long term potentiation in hippocampal slices, 15–25 vs 70–100 day old male rats, 7089
ethanol, inhibition of long term potentiation in CA1 region of hippocampus, male rats, 34705
ethanol, nonspatial working memory & attention & septohippocampal functioning, rats, 29550
ethanol, spatial processing of hippocampal place cells, male rats, implications for impaired navigation during intoxication, 11168
excitotoxic lesions to ventral hippocampus, amphetamine & dopamine induced locomotion & concentrations in nucleus accumbens, neonatal rats, 29634
exploration of novel environment vs performance of well learned odor discrimination, regional patterns of c fos mRNA expression in hippocampus, male rats, 25477
expression of short-term potentiation, alpha-amino-3-hydroxy-5-methyl-4-isoxazole propionate vs NMDA glutamatergic receptor subtypes in dentate granule cells of hippocampus, male white rabbits, 21754
extracellular field & whole-cell voltage-clamp & whole-cell current clamp recordings, developmental changes of long-term potentiation in hippocampal CA1 region, postnatal day 4 & 14 rats, 21741
fimbia fornix lesions, rotational behavior & hyperresponsiveness to amphetamine, rats, implications for intact hippocampal system as necessary for sensitization, 6606
fimbria-fornix lesions with vs without nicotine, auditory sensory processing & EPs in hippocampus, male rats, implications for effects of nicotine on auditory gating in schizophrenics, 29245
firing properties of hippocampal neurons during coding of spatial information about novel environment, young vs aged rats with vs without memory impairment, 41365
food storing intensity & memory for cache sites & relative hippocampal formation, wild vs hand raised marsh tits & blue tits, 10937
genetic failure of alcohol dehydrogenase & role of hippocampus in motivation & relationship to alcoholism, letter, 12236
global cerebral ischemia & GYKI 52466 vs LY 231617 vs staurosporine, hippocampal & striatal neuronal damage & spatial learning & memory, male rats, 41311
global cerebral ischemia & hippocampal damage, spatial learning in acquisition & working memory tasks, male rats, 29340
glucocorticoids & food restriction, diurnal rhythms of serotonin 5-HT2C & corticosteroid receptor gene expression in hippocampus, rats, 41470
habituation & novel stimuli & conditioned fear, UCS production of frontal cortical & hippocampal acetylcholine, rats, implications for basal forebrain involvement in attention, 6758
haloperidol, conditioned eyeblink & hippocampal responses, rabbits, implications for schizophrenia etiology & treatment model, 29612

hierarchy position & predatory social situation, concentration of noradrenaline in hypothalamus & dopamine & 5-HT & MHPG & noradrenaline in hippocampus, single vs paired cats, 29320
high doses of sigma ligands, antagonism of low dose sigma ligand potentiation of NMDA induced activation of pyramidal neurons in dorsal hippocampus, male rats, 21817
hippocampal & amygdala atrophy & cognitive impairment, healthy 55–96 yr olds, 30000
hippocampal & area parahippocampalis lesions, visual memory, pigeons, 37818
hippocampal & neocortical components of retrograde amnesia, adults, 31876
hippocampal complex & neocortex in long term & autobiographical memory, patients with Alzheimer's disease vs semantic dementia, 23405
hippocampal cyclic guanosine vs adenosine monophosphates, memory processing of inhibitory avoidance learning, male rats, commentary, 29570
hippocampal cyclic guanosine vs adenosine monophosphates, memory processing of inhibitory avoidance learning, male rats, 29508
hippocampal damage, nonspatial declarative processing & flexible memory expression, rats, letter, 453
hippocampal development & vicarious trial-and-error behavior in odor discrimination learning, 16 vs 30 vs 60 day old rats, 34371
hippocampal electrical activity during exploration of semi-natural environment, male rabbits, 29415
hippocampal formation atrophy, explicit memory impairment, 52–87 yr olds with Alzheimer's disease, 8665
hippocampal formation size, memory recall function, 55+ yr olds, followup study, 25953
hippocampal glycogen to glycogen phosphorylase a & electrographic activity & behavioral exploration activity levels, rats, 29209
hippocampal hyperactivity, cognitive primary dysfunction &/vs emotionality, animal models of anxiety disorder, literature review, 41291
hippocampal kindling, acquisition & retention of spatial learning & memory in water maze, rats, 21494
hippocampal kindling, acquisition of place task vs retention of cue task on radial arm maze, male rats, 10971
hippocampal lesions, Morris water maze acquisition & defensive freezing in conditioned-fear task, C57BL/6J vs DBA/2J vs B6D2F1 male mice, 21673
hippocampal long-term potentiation in vivo, expression of specific glutamate receptor subunits, male rats, 21752
hippocampal NMDA dependent synaptic & long-term potentiation, instrumental learning under continuous reinforcement schedule, old male rats, 34387
hippocampal protein kinase C, long term spatial discrimination learning & retention, male mice, 7018
hippocampal size, food storing & spatial memory for food caches, male vs female black-capped chickadees, 6660
hippocampal spatial vs nonhippocampal nonspatial learning of water maze task, female rats in different stages of estrous cycle vs males, 29210
hippocampal volume & cognitive ability & apolipoprotein E epsilon 4 allele presence, cognitively normal twins (mean age 62.5 yrs), 34506
hippocampal volume & short term memory, Vietnam veterans with combat related PTSD, commentary, letter, 19245
hippocampal volume & short term memory, Vietnam veterans with combat related PTSD, commentary, letter, 19246
hippocampal volume & short term memory, Vietnam veterans with combat related PTSD, commentary reply, letter, 19228
hippocampal volume, female victims of childhood sexual abuse, 39172
hippocampal volume with & without lesions, spatial & location memory in food storing vs nonstoring bird species, chickadees vs juncos, Canada, 10956
hippocampal volumetry & perfusional & neurochemical deficits, 62–82 yr olds with age associated memory impairment vs probable Alzheimer's disease, 8635
hippocampal vs cortical lesions, contextual fear conditioning, C57BL/6J vs BALB/c mouse strains, 10934
hippocampal vs sham lesions, acquisition vs retention of negative patterning task, male rats, implications for theories of learning & memory, 29369
hippocampus size & degree of food storing, Paridae, 3071
housing conditions, functional recovery, rats with lesions of hippocampus or subiculum or entorhinal cortex, 34536
hyperlocomotion & social behavior deficits before & after puberty & effects of chronic clozapine treatment, rats with neonatal ventral hippocampus lesions, model of symptoms of schizophrenia, 41358
ibotenic acid hippocampal lesions, food rewarded performance under progressive ratio reinforcement schedule, female rats, 11005
in vitro exposure to aluminum, long term potentiation & glutamate release in hippocampus, male rats, 38102
in vivo microdialysis of scopolamine-evoked hippocampal acetylcholine release & motor function & spatial memory following lateral cortical impact, rats, animal model of traumatic brain injury, 11127
increasing endogenous acetylcholine & blockade by scopolamine, sensory stimuli effects on extracellular activity of hippocampal neurons, awake rabbits, translated article, 11221
intra or infrapyramidal mossy fibers in the hippocampus, paw preference, mice, 18173
intracarotid sodium amobarbital procedure, delta brain activity & regional cerebral blood flow & hippocampal inactivation, patients with intractable epilepsy, 23438
intrahippocampal cholinergic septal grafts, re-innervation of hippocampal formation & septohippocampal pathways & amelioration of spatial learning & memory deficits, literature review, 6680
intrahippocampal scopolamine with vs without ondansetron, dose-related impairment of spatial learning, rats, 21826
ionic zinc levels in hippocampal afferent pathways, deficits in learning & memory, postmortem schizophrenic patients, 1266
kavain & dihydromethysticin, ipsapirone-induced field potential changes, antemortem guinea pig hippocampal slices, 38173
kindling, performance on spatial memory task, male rats with hippocampal damage, implications for memory dysfunction in human epilepsy, 25528
late phase of long-term potentiation & its underlying mechanisms in mammalian hippocampus & contribution to long-term memory storage, literature review, 21755
learning & memory for hierarchical relationships in object discrimination task, young vs aged rhesus monkeys, implications for role of hippocampus, 10997
learning tasks, behavioral long term potentiation in hippocampal mossy fiber-CA3 synapses, male rats, 21738
learning trial order, conditional learning task performance, septo-hippocampal lesioned marmoset monkeys, 25489
lesions of bed nucleus of stria terminalis vs ventral hippocampus vs amgydala, corticotropin releasing hormone enhancement of acoustic startle reflex, male rats, 41337
limbic thalamic & cingulate cortical & hippocampal neuronal correlates of discriminative approach learning, rabbits, implications for amygdaloid efferent involvement, 21639
lisuride & piribedil, vessel-occlusion-induced maze behavior & hippocampal neurological histology, rats, animal model of transient global ischemia, 21825
locus & rate of degeneration of temporal lobe & hippocampus & parahippocampus, healthy elderly vs preclinical dementia patients 84 yrs & older, longitudinal study, 36101
long term potentiation & kindling & mossy fiber sprouting, membrane currents evoked in dentate gyrus by stimulation of perforant path, rats, 21736
low frequency stimulation, activation of synaptic transmission in hippocampus through long term potentiation, guinea pigs, 6655
magnetoencephalographic source mapping of medial temporal & hippocampal activation during auditory & visual oddball task, healthy 29–50 yr olds, 6724
mechanism of haloperidol cytotoxicity for hippocampal neurons & vitamin E protection at cellular & molecular levels & role of free radicals, rats, 15005

medial temporal lobe, processing of novel auditory & tactile stimuli, patients with damage to posterior hippocampal region, 23425
metabolite signal intensity & tissue volume & other neurochemical pathology of hippocampal region vs dorsolateral prefrontal cortex vs other brain structures, 22–51 yr olds with schizophrenia, 19186
metabotropic glutamate receptor agonist 1S,3S-ACPD injected into hippocampus, spatial & nonspatial discrimination & transference & excitatory postsynaptic potentials, male rats, 29058
methamphetamine- & cocaine- & PCP-induced symptoms of schizophrenia, cortical & hippocampal EEG, rabbits, animal models, 38177
mild naturalistic stress, induction of stable homosynaptic long-term depression of CA1 area of hippocampus & synaptic plasticity, adult male rats, 34594
MK-801, hippocampus-based learning during preexposure & subsequent food conditioned cue preferences, female rats, 38160
MK801 & electrical stimulation of perforant path, seizures & kindling & mossy fiber sprouting & regulation of hippocampal circuit patterning, rats, 18216
MK801 dose, hippocampal wave frequency & amplitude & synaptic transmission & plasticity measured by primed burst potentiation in dentate gyrus, female rats, implications for spatial learning, 21853
model of corticohippocampal interaction, septal modulation of cholinergic inputs to hippocampus in eyeblink conditioning, implications for cholinergic therapy of memory impairment, 18178
monosodium glutamate vs trimethyltin, memory processes, rats, animal models of hippocampal degeneration, 21860
MRI hippocampal volume in combat-related PTSD, male Vietnam Veterans with vs without PTSD, 22893
MRI research on temporal lobe & hippocampal atrophy in Alzheimer's disease, commentary reply, letter, 12649
MRI research on temporal lobe & hippocampal atrophy in Alzheimer's disease, commentary, letter, 12611
multiple neuron hippocampal electrical ensemble activity during performance of delayed nonmatching-to-sample 2-lever operant version, rats, 11029
multistability of hippocampal cognitive maps, old rats, letter, 37954
nefiracetam &/or hippocampectomy, eyeblink classical conditioning performance, older rabbits, 21935
neonatal hippocampal lesions, postsynaptic sensitivity to dopaminergic agonists & antagonists as measured by spontaneous exploration & locomotor activity & stereotyped behavior, male rats, 25502
neonatal hippocampal lesions, socioemotional behavior, monkeys observed at 2 & 6 mo & 5–8 yrs of age, animal model of schizophrenia, 25453
neonatal hippocampal lesions, spatial learning & working memory & nicotinic & muscarinic acetylcholine systems involvement, rats, animal model of schizophrenia, 10933
neonatal infection with lymphocytic choriomeningitis virus, EPs & EEG activity in dentate gyrus & hippocampal CA1 & CA3 subfields, rats studied 84–107 days postinfection, 10993
neonatal nonhandling & in utero prenatal stress, density of NADPH-diaphorase-reactive neurons in fascia dentata & Ammon's horn, rats, 41367
neural network catastrophic forgetting & sleeping brain consolidation mechanisms, model of learning & sleep & role of hippocampus, 33857
neural network model & computer simulation of hippocampal & cortical memory function, ability to predict memory sequences & account for phase precession of place cells, rats, 24911
neural network model of hippocampal & cerebellar interaction in recognition & reinforcement & sensorimotor learning during adaptive behaviors, 17498
neural network model of hippocampal modulation of UCR & stimulus configuration & occasion setting, 33859
neuron firing in parahippocampal region during odor-guided delayed nonmatching-to-sample task, rats, 41369
neuropsychological & postmortem hippocampus formation bilateral damage, patients with retrograde amnesia, 16368
neuropsychological performance & MRI measures of hippocampal & basal ganglia volumes, patients with advanced HIV infection, 19546
neurotoxin lesion induced selective cell loss in hippocampus, memory for odor guided social transmission of food preferences, rats, 10930
new vs old category vs exemplar, prefrontal & hippocampal involvement in episodic memory encoding, males, 41316
NG-nitro-L-arginine methyl ester, hyperactivity & nitric oxide synthase activity in brain & neuronal death in hippocampus following global ischemia, gerbils, 14826
nicotine, hippocampal synaptic transmission & nicotinic acetylcholine receptor expression & cognition, rats, 25579
nitric oxide donors vs inhibitors, effect of stimulus frequency & train duration on plasticity & long term potentiation in CA1 region of hippocampal slices, rats, 34558
NMDA-dependent modulation of CA1 local circuit inhibition, in vitro rat hippocampus, 21651
NMDA-induced basolateral amygdaloid lesion vs fibria transection, social investigation & recognition of familiar vs unfamiliar juvenile conspecific, adult male rats, 6647
NMDA receptor antagonist & nimodipine & Ni2+ & dendritic action potentials & Ca2+ influx, induction of homosynaptic long-term depression in hippocampal CA1 pyramidal neurons, rats, 21830
NMDA receptor antagonists, hippocampal long term potentiation & spatial learning & sensorimotor processes & visual discrimination, male rats, 25562
numerical simulation test of continuous attractor neural network model of path integration & cognitive mapping in hippocampus, 43941
open field behavior & hippocampal morphology, adult male C57BL/6J vs SEG inbred strains of mice, 29218
overexpression of human S100 beta gene in hippocampus, spatial & temporal exploratory behavior in T-maze, transgenic CD1 mice, animal model of short term memory impairment, 6589
paired stimulation of perforant path, dentate field potentials & inhibition of granule cells during spatial learning in exploratory task, rats, 10986
parietal cortex vs dorsal vs ventral vs total hippocampal lesions, memory for allocentric spatial cues, male rats, 10973
patterns of long term potentiation, model of hippocampal spatial navigational map of environment, rats, 21728
pentylenetetrazol kindling, perforant pathway dentate granual cell synapse function, male rats, animal model of convulsant drug vs kindling effects in neuronal plasticity, 7055
phorbol esters, synaptic modulation in cell culture of hippocampal neurons from E15-E17 embryos, wild-type vs Ca2+/phospholipid-dependent protein gamma knockout mice, 21847
posttraining intracerebral injections of NMDA receptor antagonist AP5, hippocampal & dorsal-striatal memory, male rats, 34689
posttraining temporal course of 3H-AMPA glutamate receptor binding in hippocampus, synaptic plasticity mediating learning & memory in inhibitory avoidance, rats, 18149
prenatal ethanol exposure, hippocampal theta activity, adult rats, 34644
procaine infused in medial septal nucleus, hippocampal theta field activity & wheel running induced by electrical stimulation of posterior hypothalamic nucleus, male rats, 3124
properties of long-term potentiation induction in CA3 region of hippocampus, male cynomolgus monkeys vs rodents, 21753
protein phosphatases & NMDA & A1 receptors, proactive & retrograde interactions between long-term potentiation & theta pulse stimulation in hippocampal slices, male rats, 21751
pseudosubstrate inhibitory peptides & postsynaptic Ca2+-dependent protein kinases & calcineurin & phosphatase activities, regulation of synaptic strength in hippocampal slices, rats, 21930
psychobiological models of hippocampal functioning in learning & memory, literature review, 29290

psychosocial stress & MK-801 administration, neurogenesis in dentate gyrus, adult male tree shrews, 34539
reactivity to spatial vs object novelty, inbred mice with hippocampus vs posterior parietal cortex vs sham lesions, 21711
repeated ECS, hippocampal hilar somatostatinergic neurons & neuronal hybridization labeling in brain tissue, male rats, 3057
repeated hippocampal afterdischarges, acquisition & retention of place navigation, rats, 38001
role of hippocampus in performance on Modified Card Sorting Test, epileptic 16–61 yr olds, commentary reply, 12600
role of hippocampus in performance on Modified Card Sorting Test, epileptic 16–61 yr olds, commentary, 12605
role of hippocampus in recognition memory for words & faces, patients with unilateral temporal lobe pathology, 31739
role of presynaptic 5-HT receptors in median raphe nucleus & postsynaptic receptors in projection area of dorsal hippocampus in social interaction & anxiety, rats, 3064
role of right parahippocampal gyrus in object-location encoding & retrieval, 18182
schizophrenia, hippocampal neuronal density & cytoarchitectural asymmetry, adults, England, 35644
selection dependent changes in synaptic field size at hippocampus midseptotemporal level, intra-infrapyramidal mossy fiber projection enlargement, mice bred for high vs low open field locomotion, 3070
selective removal of hippocampal cholinergic input, attentional processing in associative learning framework, rats, 41308
sensory gating in computer model of CA3 neural network of hippocampus, application to study of neuronal circuits involved in sensory processing deficits in schizophrenia, 33847
serial position of items in word list, effect on recall, adult seizure patients after surgery on left vs right hippocampus with vs without sclerosis, 16332
severity of hippocampal atrophy & prolongation of MRI T2 relaxation time, temporal lobe epilepsy vs Alzheimer's disease patients, 23452
simple vs configural auditory &/vs visual discrimination tasks, encoding of memory processes in hippocampal & neocortical cell assemblies, rats, 11001
size of hippocampal complex, Clark's nutcrackers vs pinyon vs scrub vs gray-breasted jays, implications for role in dependence on food stores & spatial memory, 3049
sleep following track running task, replay of neuronal or CA1 pyramidal cell firing sequences in hippocampus, male rats, 3128
somatostatin immunoreactive neurons in hippocampus during alcohol withdrawal kindling, rats, 11219
spatial & behavioral correlates of hippocampal neurons, cell representations of temporal organization of behavior in symmetrical arena, rats, 14890
spatial abilities used to locate host nests & hippocampal size, male vs female brood parasite vs non brood parasite cowbird species, 29350
spatial firing of place cells in & efferent projections of parasubiculum in hippocampal formation & similarities to hippocampal place cells discharge, rats in cylindrical apparatus, 11016
spatial learning & memory in hippocampal-dependent maze task, estrus vs proestrus female rats, 29205
spatial learning & trans-1-amino-cyclopentyl-1,3-dicarboxylate & arachidonic acid, synaptosomal glutamate release & inositol phospholid metabolism & protein kinase C in hippocampus, male rats, 21500
spatial memory deficits, 16.4–60.4 yr old patients with unilateral damage to right vs left hippocampus, implications for cognitive mapping vs working memory theory of hippocampal function, 19583
spatial representation in hippocampus during forced choice vs spatial memory task, young vs aged rats, 10983
spectral analysis of EEG & hippocampal volumes & neuropsychological assessment, 2 subgroups of Alzheimer's disease patients, 16331
storage strength & persistence & representation of hippocampal memory system, commentary, 29337
storage strength & persistence & representation of hippocampal memory system, commentary reply, 29273
storage strength & persistence & representation of hippocampal memory system, commentary, 29335
storage strength & persistence & representation of hippocampal memory system, commentary, 29375
storage strength & persistence & representation of hippocampal memory system, commentary, 29261
storage strength & persistence & representation of hippocampal memory system, commentary, 29264
symmetry of left & right hippocampal neuronal size & shape & orientation, 28–83 yr olds with vs 22–84 yr olds without schizophrenia, 42352
systemic vs intracerebral 8-OH-DPAT in median vs dorsal raphe nuclei vs dorsal hippocampus, spatial short term memory, male rats, 25625
systemic vs intrahippocampal spironolactone, scopolamine-induced cognitive impairment vs enhanced reactivity to novel environment, male rats, 41522
systems level computational theory & associated computer model of navigation based on interacting representations of space & role of hippocampus, rodents, 14884
tetanic stimulation & cGMP in presence of NMDA receptor antagonist, long term potentiation in CA1 region of hippocampus, rats & guinea pigs, 21701
tetanic stimulation, Ca2+ & long-term potentiation & long-term depression in hippocampal slices, rats, 21731
thyrotrophin-releasing hormone analog RX77368, working memory in delayed non-matching to position task, male rats with cholinergic lesions of septal-hippocampus, 18266
time of day & phase of estrous cycle, hippocampal plasticity as measured by long term potentiation, male vs female rats, implications for memory & learning, 3098
translational suppression of calpain by transfection with antisense oligonucleotides, capacity of hippocampal synapses to express stable long-term potentiation, 10 to 12 day old rats, 21714
visual cue number & size & location & removal & replacement, hippocampal place fields measured by CA3 neuronal firing, male rats, test of distance-encoding hypothesis of CA3 network function, 21657
WIN 55212–2 & its inhibition by SR 141716A, electrically evoked acetylcholine release from hippocampal vs nucleus accumbens slices, male rats, 6907
Z-321 & arginine vasopressin, potentiation of synaptic transmission evoked by weak tetanus, CA1 region of rat hippocampus, 21745
zolpidem vs triazolam vs diazepam, recurrent inhibition & electrophysiological mechanism in hippocampus, rats, 38110
2-tone CS & air-puff UCS in classical discrimination & reversal eyeblink conditioning, hippocampal neuronal activity, male rabbits, 21744
5-HT nonselective agonist in dorsal hippocampus & restraint stress, effect of 5-HT-1A receptors on elevated plus maze exploration, male rats, 621
6-hydroxydopamine-induced lesions of dorsal noradrenergic bundle, sustained attention, lesioned &/vs sham-lesioned male rats, 34562

Hips—Serials

cognitive & physical functioning & discharge destinations, 71–99 yr old hip fracture patients with or without cognitive impairment, 35974

Hiring [See Personnel Selection]

Hispanics [See Also Mexican Americans]—Serials

academic motivation & aspiration & classroom learning environment in mathematics & psychosocial factors & demographic characteristics, resilient vs nonresilient Latino middle school students, 37049
acculturation & social support & marital status & religion & education & ethnicity, self esteem, female Latin American immigrants, 1 yr study, US, 18882
acculturative stress & depressive symptoms & suicidal ideation, 14–20 yr old immigrant & 2nd generation Latin Americans, 7795

anti-Hispanic & anti-Asian attitudes, African Americans, 41851
anxiety & depression & parenting stress & social support, teaching behaviors, 23–35 yr old low income Puerto Rican vs Dominican mothers & their children (mean age 48.9 mos), 41904
attitudes toward contraceptive methods & choice, Hispanic 14–19 yr olds & 24–41 yr old family planning providers, implications for prevention of adolescent pregnancy, 11434
availability of acculturation instruments & their incorporation into assessment practice, Hispanic populations, conference presentation, 24980
belief in responsibility for condoms & susceptibility to HIV infection & skills in condom use, sexually active African American & Hispanic 15-24 yr old males, intervention implications, 4594
beliefs about & use of & expected outcomes from folk healing practices, 23–55 yr old Hispanics with HIV, 32624
bidimensionally scored Cultural Life Style Inventory vs undimensionally scored scale, differentiation of dimensionality of acculturation, 19–70 yr old Hispanic patients, 24987
characteristics of childhood sexual abuse, Hispanic vs non-Hispanic White female undergraduates aged 18–60 yrs, 26601
child's behavior & social & demographic factors & coping methods & acculturation & physical health, depression, Latina mothers of 3–19 yr olds with moderate to severe mental retardation, 26800
client White vs Hispanic ethnicity & blunted affect, diagnosis & ratings of prognosis & empathy with female in vignette, 31–66 yr old White psychotherapists, 8747
collective identities built around community participation in motherhood & rape crisis work & Latino empowerment & political activism, Anglo & Latina 21–77 yr old females, 30221
community activities to promote change & assume responsibility & appreciate ethnic diversity, female Hispanics, application of self-in-relation theory & implications for social work, 7464
conceptual frameworks of at risk & academic invulnerability, 19–22 yr old highly successful Latino undergraduates with parents with differing educational attainment levels, 28008
concern & respect for children through fatherhood or mentorship, decision to make positive behavioral changes, 18–27 yr old Black & Latino males who had previously been involved in crime, 42574
concern about HIV & AIDS & predictors of condom use, Dominican vs Puerto Rican females who knew or suspected that their partners had other partners, 4591
concurrent validity of Spanish versions of Mini-Mental State Examination & Mental Status Questionnaire & memory concentration tests, Hispanics with vs without Alzheimers disease, 31896
construct validity for language use measure as index of acculturation, Hispanic adolescents vs their parents, 14222
cooperative learning social studies instruction, achievement & self esteem, male vs female Hispanic 4th graders, 13715
cultural factors of traditional gender-role beliefs & sexual coercion & sexual comfort & condom social norms & self-efficacy, condom use, 18–49 yr old Latino men, 41944
culture & SES & mobilization & gender roles, participation in nonelectoral activities, Mexican Americans vs Cuban Americans vs Puerto Rican Americans, 30220
demographic characteristics & drug use & sexual risk taking behaviors, Hispanic female sexual partners of injection drug users, Puerto Rico vs Mexico vs US, 26694
depressed mood & major depression & smoking initiation, Mexican vs Cuban vs Puerto Rican American adults, 11637
depression & acculturation & SES, Mexican American or Hispanic vs Mexican National college students, 35519
depression & bilateral hearing loss, 20–74 yr old Cuban Americans vs Mexican Americans vs Puerto Ricans, 42153
development & efficacy of verbal memory assessments, Spanish speaking healthy adults (mean age 75 yrs), 20960
development of a bidimensional acculturation scale for Hispanics, Hispanic adults, 24988
drug use & sexual & HIV testing behaviors, female Dominican vs Mexican vs Puerto Rican prostitutes, 35158
economic inequality & poverty, homicide rate, Latinos, 1980, 8311
ethnicity & culture, moral development, Hispanic adults, implications for psychoanalytic treatment, commentary, 27333
ethnographic study of debate between Latino & Euro-American senior communities concerning need for multicultural & bilingual education in public school, 33378
factors & prevalence of self-reported delinquent behavior, African-American vs Hispanic vs White adolescent females, 31390
family-based & culture-specific dietary intervention, cancer risk reduction, low-literacy low-income Hispanic American mothers & their 7–12 yr old children, 13187
family support vs peer modeling, alcohol & tobacco & marijuana use & gang involvement, Hispanic 8th graders, 22101
gender & migrant status, support source preference for school-related issues, Hispanic 7th & 8th graders, 37074
gender & status as drinker vs abstainer, behavioral expectations for DUI, Hispanic vs White adults, 15557
gender gap in public opinion on military & social welfare spending & attitudes toward females' political & social roles, Mexican American & Puerto Rican American & Cuban American adults, 30216
group workshop, self concept, 20–60 yr old Latin American female immigrants, Canada, 39728
HIV risk factors & antibody testing & condom use, 18–49 yr old heterosexual Hispanics, 26918
homicide rate, 1980 Cuban Mariel immigrants as victims or perpetrators, 35855
income & education & employment status & life cycle effects, voting participation, Mexican American & Cuban American & Puerto Rican American adults, 30204
influence of ethnicity & culture on the caregiver stress & coping process in the Latino community, literature review, 40114
instrumental & cultural aspects of panethnicity as primary or secondary identification, Mexican American & Puerto Rican American & Cuban American adults, 30089
interactive bibliotherapy using Nuyorican poetry, ethnic identity & self esteem, 16 yr old Puerto Rican male, 27127
issues in context & attitudes & Anglo public opinion toward immigration, 41854
issues in psychiatric care of Hispanics, 31979
issues involving Likert scale use & translation process & English version adaptations, Insulin Management Diabetes Self-efficacy Scale, 29–81 yr old urban Puerto Ricans, 33949
Latino gay bar with transvestites as social & surreal space for familylike interaction, role of alcohol in reconstruction of gender/sexuality roles, bar patrons, 22360
Leiter International Performance Scale-Revised scores, assessment of nonverbal intelligence & cognitive abilities, Hispanic vs non-Hispanic 11–21 yr olds & speech impaired 11–15 yr olds, 40864
length of residence & differences in enclave development & immigration policy & family cohesion, acculturation & stress, Cuban vs Nicaraguan immigrant 6th & 7th graders vs their parents, US, 3430
lower SES, Rorschach form level ratings, Black vs Hispanic 12–16 yr olds with learning disabilities, 26787
meaning attached to & preference for term Spanish American, urban blue collar Spanish surnamed adults residing in New Mexico, 35054
membership in organizations, political participation, Cuban American & Mexican American & Cuban American adults, 30207
membership in single vs dual parent household & SES, educational achievement, Hispanic 8th graders, 37025
model curriculum for psychiatric training residency programs, care for Hispanic patients, 33188
negative vs positive stereotyped perceptions of Hispanic vs Euro-American persons, 23–41 yr old Euro-American MBA graduates, 41862

perceived burden, 22–82 yr old Black vs White vs Hispanic caregivers of 18–65 yr old family members with serious mental illness, 32963
perceived discrimination & coping resources & moderating variables, organizational commitment & job satisfaction & work tension, Hispanic workers, 2311
perceived resemblances between Whites & Hispanics in general & successful Hispanic managers & middle managers in general, male vs female 23–44 yr old MBA students, 15444
perceptions of organizations' cultural sophistication & psychological & occupational stress, Latino social workers, 32899
phonological process & nontargeted error patterns, Spanish speaking Puerto Rican 3–4 yr olds with phonological disorders, US, 12434
political & ethnic organization & electoral participation & school focused parental involvement, naturalized vs native born Mexican American & Puerto Rican American & Cuban American adults, 30206
political attitudes, Cuban Americans born in US vs 1st arriving at 10 yrs old or younger vs older, 30212
psychiatric symptomatology & cultural expressions of anger, 18–55 yr old Puerto Rican psychiatric patients, 4057
psychosocial & demographic characteristics, Hispanic ESL students who did vs did not participate in heart health nutrition program, 43274
recruitment & retainment strategies for psychotherapy research, low income Latinos, 6166
reliability & validity of Children's Action Tendency Scale, assessment of behavior in conflict situations, Latino 11–15 yr olds, use in social work practice with Latino 6th–7th graders, 10381
reliability & validity of culturally adapted behavioral skills test of tobacco refusal, Latino 7th graders, US & Mexico, 40793
reliability & validity of 4-item measure of acculturation & effects of generation & time in US & language of interview, Hispanic vs Mexican American 15–24 yr olds in urban low income areas, 5996
risk for HIV/AIDS & guidelines for culture & gender sensitive prevention strategies, Mexican migrant laborers, implications for counselors, 36654
role of stimulability in assessment & treatment, 3.4 yr old Spanish speaking male with phonological disorder, 4491
school environment & cognitive & belongingness & extracurricular needs, self concept & motivation & academic achievement in promoting resiliency, Hispanic high school students, 9949
school vs family vs job related causes for dropping out & plans to resume education, male vs female White vs Hispanic vs African American 8th–10th grade dropouts, 17196
self esteem & self acceptance & masculinity & femininity, 19–65 yr old male Hispanic vs nonHispanic professionals & scientists & college students & mental health clients, 42075
self-report answers regarding workplace attitudes, Hispanic vs non-Hispanic White municipal employees, 28197
self-reported body image & satisfaction, Guatemalan-American vs White female college students, 42063
sex & ethnicity, social services needs, Cuban vs Mexican vs Puerto Rican 65 yr olds & older, 13322
sex of offerer, tobacco refusal strategies, male vs female Latino 7th graders, 30319
sociodemographic & clinical characteristics, Hispanic vs Caucasian 6–17 yr olds with phobic &/or anxiety disorders, 8024
sociodemographic characteristics, participation in nonvoting political activities, Latino vs non-Latino adults, 30211
Spanish vs English language orientation & beliefs about smoking, 14–24 yr old Latina clients at family planning clinics, 35177
standard vs specialized emergency room care, outpatient treatment compliance & subsequent symptoms & family relations, Hispanic 12–18 yr old suicide attempters & their families, 9537
training in & incorporation of psychospiritual dimension, community mental health service delivery, Black & Latino clients & counselors, 43397
transdermal nicotine, smoking cessation, Hispanic adults, 33055
Type A vs Type B personality & job satisfaction, turnover intention by ethnicity & occupational setting & decision making authority, White vs Hispanic certified public accountants, 10102
unique benefits of group therapy for Blacks & Latinos & guidelines for training therapists for work with ethnic minorities, 23772
validity & reliability of SAFE Acculturation Stress Scale, assessment of environmental & attitudinal & social & familial factors of stress & adjustment needs, Hispanic college students, 48
3 days news coverage after 1996 presidential elections, mainstream & Latino Los Angeles daily newspapers, US, 41910

Histamine—Serials

auditory EPs during information processing with vs without pheniramine treatment, 11–20 yr olds with Down syndrome vs healthy 20–28 yr olds, Austria, 39301
daily urine volume & norepinephrine & histamine concentrations in CSF, 21–45 yr old inpatients with schizophrenia with vs without polyuria, 7986
diazepam vs amitriptyline, foot shock induced changes in corticosterone or 3H histamine binding site contants, rats, implications for role of central histaminergic system in stress response, 18292
histamine precursor vs l-histidine decarboxylase inhibitor, methamphetamine induced stereotypy & behavioral sensitization, male rats, 29562
hypnotizability & attitudes & mood & physiological variables, effect of cognitive hypnotic intervention on skin weal size & reactivity to histamine, 18–60 yr olds, New Zealand, 1507
impromidine 3HCl & burimamide, histamine antinociception mediation at H1 & H2 & H3 receptors in response to noxious stimuli, male mice & rats, 11158
long term fluromethylhistidine, spontaneous locomotor activity & food intake & brain histamine & catecholamines & 5-HT & amino acids, mice, 630
role of H1 &/vs H2 &/vs H3 receptor subtypes, drinking elicited by exogenous histamine & eating, male rats, 6957

Histidine—Serials

long term fluromethylhistidine, spontaneous locomotor activity & food intake & brain histamine & catecholamines & 5-HT & amino acids, mice, 630
specific alteration of rhythm of environmental temperature stress, histidine preference changes & ingestive behavior, male albino rats, implications for effects on central & peripheral nervous system, 10967

Histology—Serials

lisuride & piribedil, vessel-occlusion-induced maze behavior & hippocampal neurological histology, rats, animal model of transient global ischemia, 21825
molecular biological & histopathological techniques for assessment of dopaminergic system, patients with melancholia, 30854

History [See Also History of Psychology]—Serials

a brief history of the interpersonalist school of psychoanalytic thought, 35386
age, understanding of historical time as assessed with placement of historical pictures, K–6th graders, 11327
analysis of psychoanalyzed history from standpoint of fictionalism vs realist framework, 19061
analysis of 5 14th–17th century German autobiographical childhood accounts, 34759
application of psychological principles to historical analysis of acquisition & transmission of pacifist mentalities, Sweden, 18672
art history in art therapy treatment plans, self esteem & self awareness & socialization skills & expression of repressed issues & creativity, patients with various mental disorders & elderly, 20013
attitudes toward work in biblical times as seen in King James Bible & in modern times as seen in S. Terkel's "Working", implications for modern management, 17329
authorial presence, construction of historical knowledge & attitudes toward text & history, 15.3–16.1 yr olds, 33506

beginnings of educational psychology departments & curricula, universities, England & Wales, 9825
behaviorism vs cognitivism vs humanism, historical success vs failure in influencing building design, architectural psychology, implications for change, 17473
C. von Bruhl-Cramer's historical concepts & observations related to etiology & classification & therapy & sequelae of alcoholism, 12234
characteristics of models of psychiatric care, state psychiatric hospitals built before vs after 1949 & deinstitutionalization, implications for role of facility history in innovation, 20290
childhood abuse & sociocultural causes of Joseph Stalin's psychological disturbances & abuse of political power, 35370
commemoration of publication of Freud's "Studies on Hysteria", 11813
content & self analysis of Freud's Irma's Dream of 1895 as beginning of psychoanalytic theory, 11807
content analysis of H. A. Seymour's 1st American music therapy text 'An Introduction Course in the Use & Practice of Musical Therapy', 9697
critical oral history as applied phenomenological psychology of burden of nuclear responsibility in Cuban Missile Crisis, 18661
critical oral history as applied phenomenological psychology of nuclear burden in Cuban Missile Crisis, commentary, 18677
cultural traditions & tribal history & spirituality in substance abuse prevention program, 19–49 yr old Native American students, 37136
cultural–historical view of learning & learning disabilities in Community of Learners, learning disabled male 5th grader, 37099
development & current state of family life studies, Lithuania, 26046
development of psychology in Slovenia, 28380
documentation of & reasons for increase in use of variable as term in social psychological & personality research, 24967
eminence & historical recognition & placement in cultural configuration, creators & leaders, Japan, 3600
Gordon Allport & humanistic psychology, 37357
government legislation & theoretical questions in mental health policy reform, individuals with serious mental illness, England, 1959–present, 32809
historic & cultural & social & economic contexts of child-rearing, Japan, 929
historical & current & Pavlovian perspectives on PTSD, introduction to special edition, 31108
historical account of Hippocratic/medical vs demonological/animistic models of mental illness, 28373
historical change in report of symptoms of insufficient sleep, 16–65 yr olds from 1930 vs 18–70 yr olds from 1980, 35965
historical context of injunction against & predisposing factors in & adverse consequences of sexual relationships, therapists & patients, 13642
historical-discursive inquiry & poststructuralist framework of links between gender & class & "psy" disciplines beginning with 19th century psychiatry, feminist implications, 5909
historical influences on preparation & credentialing for practice & professional role & functions in school psychology, US & Canada, 20518
historical origins of concepts of welfare as positive right & quality of life & subjectively based approach to medicine, 16784
historical perspective on bulimia & kynorexia, 26840
historical perspective on changes in grassroots initiatives & boycott tactics toward corporations, activists, 861
historical perspective on conceptual basis of trauma & relationship to PTSD, commentary, 22891
historical perspective on psychosis vs neurosis dichotomy in psychiatric classification, 15856
historical perspectives & theories in issues in differentiating normal & disordered personality, 35704
historical roots & contemporary relevance of queer theory for psychological theorizing & practice, conference presentation, 38613
historical work of W. H. Hellpach on direct interrelation between impact of climate on human culture & race, implications for joining natural & social phenomena into single discursive approach, 18675
history & context of "true seeing in madness" in Greek tragedy, implications for views of psychoanalysts, 26323
history & cultural perspectives of neuropsychology, Western Europe, 37974
history & culture & traditions & family therapy, Australia & New Zealand, 4906
history & economics & technological complexity of & sex division in hand-spinning & -weaving, 26099
history & evaluation of military job analysis & task inventory approach to study of jobs, 20706
history & historiography of psychiatry & history of madness & anti-psychiatry movement & failure to address experience of major psychoses, 8775
history & major types & effectiveness & side effects of antipsychotic drugs, effectiveness of olanzapine compared with other antipsychotic drugs, 43162
history & perspective on cluttering as part of speech-language pathology, 16208
history & practices & community structures of sadomasochism practitioners & relation to feminist therapy, 30281
history of & current dilemmas in defining psychiatric-mental health nursing as secure specialty, 9765
history of & current dilemmas in defining psychiatric-mental health nursing as secure specialty, commentary, 9766
history of & current dilemmas in defining psychiatric-mental health nursing as secure specialty, commentary, 9751
history of & effect of public & private policies & educational & social & economic factors on participation in higher education, African Americans, 3568
history of eating disorders prior to formal medical description, 12400
history of Lock Asylum & contemporary service provision, prostitutes & other deviant females, 27692
history of types & ritualized use of alcohol by Native Americans & sociocultural changes in use & function of alcoholic beverages by American Indian & Alaska Native societies after White contact, 18811
influence of F. Nietzsche's philosophy on social construction & postmodern historiography, 21955
libidinal economy perspective on affectual & sexual relationships in Communist led Huk rebellion, Philippines, 25974
new understanding of Plato's wandering uterus theory of hysteria as 1st rudimentary psychosexual theory of hysteria, psychoanalytic implications, 22881
normative shift to aristocracy recognition of clerical prohibitions on divorce & close kin marriages, Europe, 12th century, 38486
origin of drama as therapeutic activity in occupational therapy, 1920s–30s, 13476
overview & phenomenological critique of DSM-III & DSM-III-R & DSM-IV, 1142
performance gap vs pendulum theses & popularity of rational vs normative employee management rhetorics from 1875–1992, 40559
philosophical convergence & divergence in K. Jaspers's view of psychopathology & E. Husserl's early phenomenology & descriptive empirical vs eidetic psychology, 10351
possession & ethnopsychiatry as historical discourse, 17 yr old female, Western Samoa, case report, 16488
presentation of history information via textbook vs separate source & task of writing history vs narrative vs argument, learning & understanding of material, college students, 24585
psychiatric nursing from a therapeutic perspective from 19th century epistemological developments to present day humanistic nursing, 43481
rationale & justification for teaching history & philosophy of science & model for inclusion in science curriculum, 36971
realistic composite model of rational & irrational social behavior, interpretation of past societies & normative-cultural traditions based on material remains, social archaeologists, 30323

role of alcohol over centuries & current attitudes toward drunkenness vs alcohol dependence, translated article, conference presentation, 19365
role of historical places, construction of national identities, 17–70 yr olds, Ireland, 35293
similarities between 1692 Salem & falsely accused prisoners with mental disabilities, 42221

home exteriors, inferences about resident commitment to home vs block, college students, 17449
home literacy practices, emergent literacy knowledge, 4–6 yr olds in low SES homes, 11386
in-utero exposure to heroin & home environment, long-term developmental problems, 0–6 yr olds born to heroin-dependent parents, Israel, 16087
incidence of assaults resulting in hospitalization vs death in homes vs licensed premises, New Zealand, 9 yr study, 12151
incidence of behavior problems & home environment & family background, 6–11 yr olds, India, 8160
integration of home & school literacy programs, 17145
legal status of & research on home environments provided by lesbian & gay parents, 30177
living in orphanage vs at home, cognitive & affective & personal development, 6.1–7.3 yr olds, Russia, 32854
marital status & education & child age & stress & family resources & normalization attitudes, out-of-home placement application, parents of severely mentally retarded children & adolescents, Israel, 32975
maternal knowledge of child development & rearing, home environment quality & child cognitive & behavioral outcomes, 14–43 yr old mothers & their preterm infants observed at birth vs 12 vs 24 mo of age, 3323
mother's Adult Attachment Interview classifications & child's secure-base behavior in home environment, 26–49 yr old mothers & their 4.15–4.92 yr olds, 3468
nonshared environmental experiences & parental treatment, social & emotional adjustment, 10–18 yr old monozygotic twins, 7360
omitted variable bias in study of relationships between intellectual skill & family environment & academic performance, adolescent siblings, 17181
parental visitation, permanency planning & prediction of family reunification, 12 yr olds & younger in foster care, 1 yr study, 9407
perceived congruence between classroom & family environments & consistency of behavioral adaptation, 1st–6th graders, 3410
perceived household crowding, social attitudes, male vs female 14–18 yr olds, India, 776
play patterns in family space, 2–5 yr olds in regulated family child care homes, 3484
preferences & viewpoints & values regarding work & home & leisure & relationships, 20–73 yr olds with intellectual disability, implications for service policy & delivery, Australia, interview appended, 1440
prematurity & home environment & perinatal biomedical factors, IQ development, low to moderate risk preterm vs full term 3–8 yr olds, Hungary, 5 yr study, 22018
privacy regulation & place attachment in the home, 19–69 yr old student family apartment residents, 24891
psychoanalytic perspectives on female experience & myth of happy home, 11819
self concept & perceptions of quality of life, 21–35 yr olds with learning disabilities living in group homes vs with their families, 1434
social behavior & identity, migrant female residents of apartment vs squatter housing, Turkey, 14082
social networks & support & family environment & adjustment, 5th & 6th graders with vs without mild mental retardation, 1446
spouse &/or child in home & satisfaction with ability to discuss work at home, job satisfaction, nurses, 5513
stressful home environment, neuroendocrine activity & affective functioning & levels of clinical depression, maltreated children, 8113
task presentation format variability & task performance & home activity & standardized achievement, Black vs white & working vs middle class 8 yr olds, 34784
television viewing habits & parental employment & educational quality of home environment, IQ & school readiness, preschoolers (mean age 4.8 yrs) from low-income families, 34788
temperament & task orientation, genetic variance on Home Observation for Measurement of Environment, nonadoptive vs adoptive sibling pairs assessed at 2 yrs of age, 21984
Type A behavior & school performance, salivary cortisol at school vs home, 1st graders, 20601
videotaped home based exercise program, muscle strength & psychological well being & health, community dwelling 66–87 yr olds, 13196
work related stress, family & social relationships & home activities, HIV/AIDS staff & oncologists, 9762

Home Reared Mentally Retarded—Serials

marital status & education & child age & stress & family resources & normalization attitudes, out-of-home placement application, parents of severely mentally retarded children & adolescents, Israel, 32975
parental planning for future care, intellectually disabled 55–82 yr olds living with parents, 23196

Home Schooling—Serials

home schooling vs public schooling, reading & math & written language, elementary & junior high school students with learning disabilities, 43685

Home Visiting Programs—Serials

application of solution-focused vs problem-focused approach & promotion of client self efficacy, nurse home visitation program for pregnant females & parents of young children, 20257
challenges experienced by nurses in prenatal & early childhood home visitation program, 28–50 yr old nurses & 13–26 yr old African-American mothers, 20252
clinical application of prenatal & early childhood home visitation program, 14 yr old expectant mother & 29 yr old nurse, 20253
evaluation of home based intervention program, 18–45 yr old clinically depressed mothers of 3–13 mo olds, 16886
evaluation of home treatment program, patients with psychosis, Canada, 18 mo study, 32938
family early intervention services offered through home visiting programs, community health service providers, 13316
health status & perceived loneliness & morale & physical & mental disability & use of primary care & social services, acceptance of home visit, 75 yr olds & older, 2 yr followup, 32814
home visit content & processes employed in interventions with newborn–3 yr olds with disabilities & their families, 25–54 yr old childhood special educators, 40486
hospital based home visiting program, child health & well being, 13–20 yr old low income African American mothers, 5370
in-home occupational therapy for dressing practice, unresolved dressing problems 6 mo after hospital discharge, 42–82 stroke patients, England, 24346
model for residence based delivery of comprehensive mental health services, elderly with mental illness, 32949
paraprofessional participation in prenatal & early childhood home visitation program designed for nurses, 23–54 yr old home visitors, 20250
perspectives on home based treatment, patients with psychosis, commentary, 32937
pre- and postpartum home visitation, 14.21–42.28 yr old females at-risk for out-of-home placement of their newborns, 32913
prenatal & early childhood home visitation, emotion regulation & emotional availability in mother–infant dyad, 20259
prevalence of systems level service integration components in home visiting programs, community service providers, 13317
self-efficacy & attachment & human ecology theories, content & clinical methods of prenatal & early childhood home visitation program, 20258

service provision for homebound clients & caregivers, social workers for 65–83 yr olds with colostomy or terminal cancer or Alzheimer's disease or amyotrophic lateral sclerosis & family caregivers, 13247
visiting nurses' assessment of physical & emotional abuse by home caregivers, elderly, Canada, 5328
Homebound—Serials
characteristics of incontinence & effectiveness of behavioral therapies, cognitively intact homebound elderly, 20053
Homeless [See Also Homeless Mentally Ill]—Serials
academic achievement & classroom behavior, 6–11 yr olds from homeless families staying in shelters, 43571
aggression & conduct disorder prevalence & background characteristics, runaway & homeless 12–19 yr olds, 8081
Alcohol Dependence Scale validity & agreement with Diagnostic Interview Schedule, homeless substance-abusing women, 37430
assessment of client sexual & physical abuse & familial substance abuse, runaway/homeless youth shelter staff, 5304
assessment of father–child relations, impact on child development & support, sheltered homeless & low-income housed females & their children (mean age 5 yrs), 11587
attendance at enhanced care substance abuse outpatient treatment program in therapeutic community, homelessness & employment, adult homeless cocaine abusers, 1 yr followup, 13449
attribution & myths of welfare, poor & single mothers & federal welfare recipients, 11535
characteristics & intervention methods & related theories, homeless adolescents, 27080
childrearing practices & residential environment & cognitive & social stimulation, homeless vs housed low income African American mothers & their 3–5 yr olds in Head Start, 18737
cocaine use & level of psychiatric distress, sexual HIV risk behaviors, homeless men, 39452
conceptual analysis of street children in developing & developed countries, 11310
demographic & behavioral characteristics & rate of HIV seroprevalence after implementation of HIV counseling/testing & early intervention programs, inner city homeless, 19553
demographic & diagnostic characteristics, homeless vs nonhomeless patients at urban mental health clinic, 38937
demographic & psychosocial & clinical correlates, continuous vs episodic use & length of stay on Aid to Families with Dependent Children, homeless & poor females, 13319
demographic & socioeconomic characteristics, HIV related risky sexual & drug use behaviors & seropositivity, chronic drug using male vs female homeless adults, public health implications, 1396
demographic characteristics & mental & physical health, homeless females living in hostels, England, 7438
demographics & lifestyle & family structure, male homeless 6–17 yr olds, Nepal, 34885
duration of rooflessness & cognitive function, male homeless hostel entrants with schizophrenia vs alcohol dependence plus current drinking vs other vs no diagnosis, 30739
effectiveness of broker case management vs assertive community treatment with vs without augmentation, persons with severe mental illness at risk for homelessness, 32918
effectiveness of social interventions, homeless substance abusers, bibliography, 13443
effectiveness of substance abuse treatment program in therapeutic community setting, homeless mothers with young children, 18 mo followup, 13453
efficacy of general or intensive substance abuse case management services, homeless adults, 6 mo followup, 13422
ego function organization, homeless vs depressed vs normal females, 30650
empathy & religion & political orientation & gender & race, willingness to help homeless, adults, 30049
employer's role in job success of homeless people, 22217
evaluation of case management intervention for homeless persons, 16–60 yr olds, 6 & 12 & 18 mo followups, 36722
evaluation of long-term longitudinal patterns & independent housing provided through homeless research demonstration project, severely mentally ill homeless 18–50 yr olds & older, 5303
factors associated with HIV risk behaviors, homeless 13–21 yr olds, 4597
factors interacting with residentially based treatment, housing stability & employment, adult homeless alcohol & drug abusers, 6 mo followup, 13462
gender relations & power & alternative living arrangements & strategies for dealing with problems of homelessness, inner-city impoverished crack-abusing females, 3 yr study, 16085
homelessness & criminal behavior & mental health, male prisoners, Canada, erratum, 31394
homelessness & criminal behavior & mental health, male prisoners, Canada, 26734
humanistic-existential counseling model, 19–60 yr old unsheltered homeless males, 16501
I. King's theory of Goal Attainment, conceptualization of role and function of a transitional residential program, mentally ill homeless individuals, 27741
integrated dual diagnosis services & housing support, residential outcome, homeless adults with severe mental illnesses & substance abuse disorders, longitudinal study, 40075
integrated mental health/substance abuse community treatment program, urban homeless 19–61 yr olds with serious mental illness with vs without dual diagnosis, retrospective study, 32916
integrated residential services vs shelter-based case management with vs without community referral services & outcome predictors, adult homeless substance abusing males, 6 mo study, 13455
internal reliability of General Mattering Scale, assessment of extent to which one considers oneself significant to others, homeless males, 28569
issues in homelessness, elderly, 25992
life on street, gay street youth, Canada, implications for service provision, 22142
lifetime & 6 mo prevalence of mental illness, homeless males, Germany, 15869
mental illness & homelessness, homeless males (mean age 35.9 yrs) & females (mean age 29 yrs), 30789
narrative analysis as an alternative to understanding schizophrenic storytelling & homelessness & construction of the self, 39048
nature & scope of homelessness & needs for & barriers to health & human service use, 25–68 yr old male veterans, 32885
need for existential-humanist research perspective & inclusion of mental wellness, homeless persons, 41829
negative affect & coping skills, formerly homeless substance abusing military veterans with gambling problem, 12140
objective life quality, life satisfaction, mentally ill vs nonmentally ill homeless, 1214
outcome of social interventions, homeless substance abusers, 13454
parental physical &/or sexual abuse, risk for aggravated or sexual assault victimization on street, homeless or runaway 11–18 yr olds, 35746
participatory research approach to grassroots organizing, homeless, 888
patterns of mental health service use, formerly homeless mentally ill adults in group vs independent housing, 9356
patterns of psychiatric service use, homeless mentally ill clients, 32872
perception of role of children & personal & external resources & socioeconomic context in restabilization process, homeless mothers, 3572
perceptions about family of origin & relationships with parents & siblings, homeless 21–56 yr old females, 15401
perceptions of parents' child-rearing practices, homeless 13–23 yr olds, 34920
perceptions of resident sexual behavior, staff in hostel for homeless men, England, 32886
personal problems & public assistance, chronic vs nonchronic working-age adults, 30050

physical & mental health & substance use & health services utilization, homeless vs domiciled free-clinic users, US, 22219
power relations & transmission of HIV, homeless heroin addicts in San Francisco, 39438
predictors & barriers & facilitating factors to employment, homeless & low-income housed females, 13911
prevalence & severity & patterns of intimate violence across lifespan, homeless vs poor housed females, longitudinal study, 30042
prevalence of emotional & behavioral disorders & mental health service utilization, 9–17 yr old homeless & poor housed youths, 38909
prevalence of mental illness & alcohol &/or drug abuse & residential history, homeless adults, New York, 30674
progressive independence model in case management with vs without supported housing interventions, substance abusing homeless inpatients, 1 yr followup, 13270
Project H&ART, residential & employment stability, 18–67 yr old homeless alcohol abusers, 10 mo followup, 13437
psychiatric outreach project, homeless mentally ill, Denmark, implications for social psychiatry theory & practice, 24101
psychological effects of homelessness on effective counseling intervention, 27–47 yr old males, England, 39640
psychological service needs & usage, dually diagnosed homeless vs nonhomeless veterans with psychiatric &/vs substance disorders, 1149
psychometric properties of Interpersonal Relationship Inventory, homeless & 1st time shelter using males, Canada, 40824
psychosocial characteristics & functioning & predictors of psychiatric morbidity, homeless 2–16 yr old children & their parents, UK, 38415
psychosocial characteristics & psychiatric symptoms or problematic behavior, homeless 2–15 yr olds & their mothers, UK, 22684
recruitment & retention rates in mental health research, homeless mentally ill, 6164
residential & community-based nonresidential treatment programs, homeless adults dually diagnosed with serious mental illness & substance dependence, 13423
risky drug & sexual behavior & psychological well being & depression, 19–66 yr old homeless or drug recovering females & their closest supportive person, 35815
self actualization & loneliness & depression as predictors of willingness to talk with counselor about personal experiences, 19–60 yr old unsheltered homeless males, 7437
service needs, elderly (aged 65+ yrs) vs younger homeless male hostel residents, England, 43364
short-term residential day treatment program, residential & employment stability, homeless cocaine abusing males, 21 mo study, 13436
societal views & plight of orphans & boarding home residents & street children, urban Russia, WWII–present, 41697
sources & amounts of income, homeless 18–45 yrs old & older with major mental &/vs substance use disorders, 7815
StreetCity community housing project, homeless adults, Canada, 32884
themes & construction of meaning of life & patterns of interaction & adaptation & developmental risk & resilience, 10–13 yr old ex-street boys attending voluntary learning center, South Africa, 34757
theoretical model of learned helplessness & self esteem & depression, health practices, homeless 18–45 yr old females, 30843
United Way of Eastern Fairfield County Regional Council for the homeless, homeless delivery services, case report, 30045
validity of Attitudes Toward Homelessness Inventory, college students & low income community residents, 28441
willingness for treatment, treatment tenure & outcome, 18 yr old & older homeless drug users, 13 mo followup, 13426

Homeless Mentally Ill—Serials

assignment of representative payees for public support payments, treatment outcomes, homeless persons with serious mental illness & drug or alcohol abuse, 36803
client characteristics & diagnosis & drug or alcohol abuse, housing stability, homeless 18–50 yr olds with mental illness in independent housing with rent subsidy vs receiving flexible case management, 2009
conceptualizations of No Fixed Abode definition of homelessness, psychiatrists, UK, 5521
continuous relationship model of tasks for developing & maintaining relationship between outreach worker & homeless mentally ill client & delivering ongoing services & addressing clinical issues, 2016

social stigmatization & psychological variables & self destructive behavior, literature review on gay adolescents, implications for clinicians, 29925
theoretical models of reproductive potential & partner similarity & age preferences & comparison with homosexual data & UK marriage statistics, mate selection, males vs females, commentary reply, 35162
theoretical models of reproductive potential & partner similarity & age preferences & comparison data on homosexual males & lesbians, mate selection, male vs female adults, commentary, 35164

Homosexuality (Attitudes Toward)—Serials

AIDS knowledge & fear of contraction & homosexual & AIDS tolerance, self-disclosure responses to stigmatizing disclosures, college students, application of communication accommodation theory, 38612
assessment of cognitive & affective & behavioral components of homophobia with tripartite strategy, 14-15 yr olds vs 18-44 yr old college students, 3487
attitudes toward bisexuality & demographic predictors of biphobia & homophobia, 18–34 yr old college students, 30262
attitudes toward feminism & homophobia & masculinity ideology, date rape supportive attitudes & sexual aggression in dating situations, 17–48 yr old males, 4297
attitudes toward gay parenting, 17–34 yr old college students, 11621
attitudes toward lesbian or gay or bisexual employees or students, 21–71 yr old university employees, 7555
attitudes toward lesbians & lesbianism, clinical psychologists, Britain, implications for training, 965
attitudes toward women's equality & abortion & homosexuality & Blacks, 1st-generation Russian immigrants vs US residents, 15390
attitudes towards lesbian clients, social workers & social work students, England, 43537
cooperative contact between heterosexuals & homosexuals, general & specific heterosexism, college students, 7560
development of gender schemata in perceptions of masculinity & femininity of heterosexual vs homosexual males & females, 12 vs 16 vs 20 yr olds, France, 34931
ego defensive & value expressive functions, attitudes toward ban on homosexual military personnel, adults, 18799
ethical & moral dilemma of being professionally caring vs politically correct in working with homosexual clients, Christian therapists, 27909
expression of acceptance to homosexual clients, art therapists, 16682
genital love & homosexuality as Oedipal defense & homophobia, implications for training of homosexuals as psychoanalytic psychotherapists, 43508
heterosexism & ethics & homosexuality education, supervisors & supervisees in supervision, implications for couples & family therapy education, 26034
heterosexism & ethics, supervisors & supervisees in supervision, implications for discrimination, 27874
heterosexist bias in psychological assessment, 40780
heterosexist bias in psychological assessment, comment, 40792
heterosexist bias in psychological assessment, comment, 40796
heterosexist bias in psychological assessment, rejoinder to E. A. Wohlgemuth & J. P. Prince, 40781
homonegativism & socialization & sport environment & conceptual framework for experiences in sports & development of positive sexual identity, lesbians, 10152
homophobia & heterosexism, barriers to provision of quality or services afforded to heterosexual counterparts, lesbian & gay 17–24 yr olds in need of drug addiction services, Canada, 13459
homophobia & heterosexism in supervision, therapist & supervisors, 33218
homophobia & racism & social support issues in relation to race & class & cultural sensitivity in psychotherapy, interracial lesbian couples & their therapists, 27269
identity status & religious orientation & anti-Black & homosexual prejudice, Christian college students, 26250
insights & attitudes toward coming out process, lesbian & gay young adults & their parents, 7553
instruction on topic of & department's view of & opinion of disclosure of homosexuality & awareness of program's lesbian & gay & bisexual colleagues & residents, residency training directors, 36892
knowledge about AIDS & homophobia & racism & fear of death, attitudes toward AIDS, college students, 23312
levels of homophobia, male vs female faculty vs student affairs professionals, 24535
perceived sexual orientation of interviewer, expressed attitudes toward male homosexuality, college students, 26115
problems with sexual fluidity vs categorical conceptions of sexuality & lesbianism, adult female analyst vs patient, 9007
psychoanalytic clinical & theoretical perspective on prevalence & virulence of homophobic ideation & feeling & action as result of HIV epidemic, 30616
race & gender & heterosexism in ethnocultural considerations & psychotherapy, African American & interracial lesbian couples, 27250
relationship between religiosity & peer relations with & education about homosexuals & homophobic & heterosexist attitudes, male vs female social workers, 40293
reliability & face & construct & factorial validity of Index of Attitudes Toward Homosexuality, 17+ yr old university students, Australia, 14275
responses to essay on gay & lesbian experiences in ethnic literature curriculum, understanding of common ground & oppressed groups, 10th graders in multiethnic class, 13692
sex & academic achievement & religiosity & urban vs rural residence, attitudes toward gender stereotypes & homosexuality & sexual coercion, adolescents (mean age 16.5 yrs), Canada, 34937
sex & academic achievement & religiosity & urban vs rural residence, attitudes toward gender stereotypes & homosexuality & sexual coercion, adolescents (mean age 16.5 yrs), Canada, errata, 41727
sex & sexual orientation of caller & urgency of call, altruistic response, adults, 42017
sexual behavior & condom use & attitudes toward HIV/AIDS & homosexuality, gay vs bisexual males, 41949
social norm activation, expression of prejudiced opinions regarding gay males & Blacks, college students, 1022
thoughts & attitudes about sexual orientation in relation to children's sexuality & parents' sexual orientation, elementary school teachers, 13673

Homovanillic Acid—Serials

amantadine, psychiatric symptoms & tardive dyskinesia & plasma HVA, 24–78 yr old male inpatients with schizophrenia, 36628
bromperidol, plasma HVA & negative symptoms, schizophrenic patients with deficit vs nondeficit syndrome, 13058
CSF & plasma & urinary HVA before & after haloperidol withdrawal, dopamine turnover, schizophrenic male patients, 9037

diet vs caffeine vs nicotine vs lorazepam, stability of plasma & urinary HVA, male patients with schizophrenia, 30963
diurnal variation in plasma cortisol & HVA & norepinephrine, healthy 23–47 yr olds, 6746
etiologic heterogeneity & drug free plasma HVA concentrations, psychotic patients, 22838
fluvoxamine & fluoxetine treatment, reduction in CSF 5-HIAA & MHPG & HVA, 18–65 yr olds with major depression, 32540
gonadal hormones & HVA plasma level across menstrual cycle, females (mean age 32.6 yrs), 29445
insertion of indwelling iv catheter, plasma levels of prolactin & HVA & MHPG, 7–11 yr old males with ADHD, 42602
level of psychosis & CSF HVA, schizophrenic 21–65 yr old males, implications for dopamine theory of schizophrenia, 19210
plasma beta-endorphin & HVA & MHPG, male 10–12 yr olds naive to drugs of abuse vs at increased familial risk for substance abuse disorder vs with vs without fathers with antisocial personality, 12245
plasma HVA & MHPG, 20–68 yr old psychiatric patients with renal failure vs with levodopa-treated Parkinson's disease, 5 yr study, 16619
plasma HVA prior to vs after neuroleptic treatment, catatonic 18–55 yr olds, implications for role of mesolimbic or mesocortical dopaminergic or nigrostriatal function, Germany, 7856
plasma HVA, recently abstinent alcohol dependent males, commentary reply, letter, 23052
plasma HVA, recently abstinent alcohol dependent males, commentary, letter, 23068
plasma HVA, 18–60 yr olds with severe or profound mental retardation with vs without body vs object stereotypy vs compulsions, implications for dopamine deficiency model, 8392
pretreatment levels of plasma homovanillic acid & outcome of clozapine treatment, male patients with schizophrenia resistant to conventional neuroleptics, 36517
self-criticism & induced failure stress, HVA & mood, 20–41 yr old females, 29473
sex & plasma HVA & psychopathology, neuroleptic-resistant vs -responsive schizophrenic inpatients, 26515
stage of menstrual cycle, fluctuations in plasma estradiol & progesterone & HVA, healthy females, implications for prediction & monitoring of response to neuroleptic treatment, 11038
tridimensional personality traits & sensation seeking & plasma HVA & platelet MAO activity, sons of alcoholics vs nonalcoholics, 8254

Honesty—Serials

model of information management dimensions, differentiation of truthful vs deceptive messages, adults, 7598
motivation vs prevention of honesty, exit interview & survey responding, MBA students with full-time employment, 37196
targets' personal investment in art object, honesty in evaluative communication to target about art object, college students, 3741
validity of Personnel Selection Inventory preemployment integrity test, prediction of admissions of theft related & other counterproductive behavior at work, drug store applicants, 1 yr followup, 2701
Variable Response Scale, detection of randomness in Jesness Inventory, honest vs not honest 14–18 yr old male delinquents, 37375

Hong Kong—Serials

age & sex & cultural differences, academic achievement motivation, British high school students vs 13–55 yr old Chinese students, Hong Kong, 9937
clinical & demographic variables, patients missing psychiatric outpatient appointments, Hong Kong, 6 mo followup, 23642
community work educational program, social work students, Hong Kong, 27862
conservative orientation & hopelessness & self esteem, college students, Hong Kong, 26145
cultivating effect of television viewing, materialism & low moral values, 8th–10th graders, Hong Kong, 15279
cultural practices of self-care during 1st mo after 1st childbirth, 24–37 yr old Chinese mothers, Hong Kong, 41898
demographic & other factors, perceptions & descriptions of creative persons, Chinese adults, Hong Kong, 26214
development & reliability & validity of Self-Concept Questionnaire for Physically Disabled Hong Kong Chinese, adults with disabilities, Hong Kong, 28456
development & reliability of Cantonese Receptive Vocabulary Test, Cantonese-speaking 1.8–6.1 yr olds, Hong Kong, 25000
development & standardization of preliminary vocabulary test, Chinese 16–74 yr olds, Hong Kong, implications for assessment of adult intellectual functioning, 21004
development of & epidemiological issues & training in psychogeriatric services, Hong Kong, 8705
development of Cantonese version of vocabulary subtest of WAIS-R, 16–19 yr old Cantonese-speaking Chinese students & correctional inmates, Hong Kong, 20980
development of phonological awareness of sound segments in Chinese language, 3–8 yr olds, Hong Kong, 29830
differences in & union of government & economic & political systems, China & Hong Kong, 18674
dimensionality of self-consciousness & patterns of gender differences, 17–28 yr old Chinese students, Hong Kong, comparison with American & German & French & Dutch & Swedish counterparts, 18951
expectations & childrearing practices, parents of 1–12 yr olds, Hong Kong, 18734
help seeking behaviors, child psychiatric clinic patients, Hong Kong, 24175
hierarchical structure of L. Kohlberg's stages of moral development generated by rating responses to Rest's Defining Issues Test, 10th graders to graduate students, US vs Hong Kong vs England, 15302
informal & experiential learning, social work projects in political awareness & community development & social service, college students, Hong Kong, 24434
issues in multiple psychotropic medication, patients with mental disorders, Hong Kong, commentary, letter, 12999
levels & areas of concern in midlife crisis, 30–60 yr olds, Hong Kong, 1071
managerial values of power distance & uncertainty avoidance & masculinity & individualism, manager trainees, China vs Hong Kong, erratum, 24738
perceptions of psychosocial factors at work & stress & job satisfaction & health & absenteeism & turnover, 18–55 yr old male vs female workers, Hong Kong, 24700
physical vs social & cultural symptoms of illness, Chinese psychiatric patients with somatoform disorder, China & Hong Kong & Taiwan, 42701
presence of social inferential effects in attributions made in sports articles vs editorials in newspapers, college students, Hong Kong vs US, 7158
prevalence of psychiatric morbidity, 16–47 yr old Chinese females who had recently miscarried, Hong Kong, 38930
professional characteristics & demographics & issues & theoretical orientations & future practice plans, 21–60 yr old clinical & educational psychologists, Hong Kong, 24474
psychotropic drug prescription in rehabilitation, chronic psychiatric patients, Hong Kong, 23938
relationship between depressive symptoms & perceived social & academic competence, Chinese 13–17 yr old students, Hong Kong, implication for screening using the Children's Depression Inventory, 38970
sex & grade level & academic failure & causal attributions, learned hopelessness, 11–15 yr old academically vs nonacademically low achieving students, Hong Kong, 24604
sexual activity & sexuality during pregnancy, female Chinese 17–38 yr olds, Hong Kong, 3696
sociocultural factors & frequency & distribution & methods of suicide, under 15 to over 64 yr olds, 30 yr study, Hong Kong, 31211
status of ethics education, psychiatrist trainees, Australia & New Zealand & Hong Kong, 33184
suicide attempts & repetition & completed suicides, 65–91 yr olds, Hong Kong, 19275

Hope—Serials
cognitive & emotional & spiritual aspects of hope & clinical strategies in occupational therapy to develop hopes & incorporate hope work by practicing therapists, adolescent & 54 & 83-yr-old patients, 33112
definition of & theoretical issues relating to hope in context of psychiatry, 19738
development & internal consistency & test-retest reliability & factor analysis & concurrent validity of Multidimensional Hope Scale, 18–89 yr olds with chronic illnesses, 14365
development & validation of Children's Hope Scale dispositional self-report index, 8–16 yr olds, 33993
hope & respect & flexibility in treatment process, patients with chronic schizophrenia and their psychotherapists, 23620
item development & validity of Hunter Opinions & Personal Expectations Scale, assessment of hope & despair & global hopefulness & postdisaster morbidity, 17–90 yr old earthquake victims, Australia, 10411
methodological construct of organizational hope as tool for studying & strengthening social organizations, 41809
model of determinants of hope, patients with ocular melanoma & head & neck cancer, 23345
modern vs postmodern versions of hope in special education, mentally retarded individuals, 33528
pathway vs agentic goal-directed thinking, definitions & self-reports of hope, children & adults, application of developmental model to social & group contexts, instruments appended, 38681
pathway vs agentic goal-directed thinking, definitions & self-reports of hope, children & adults, application of developmental vs other models to social & group contexts, commentary, 38658
psychosocial treatment & clozapine therapy, level of hope & symptoms & suicidality & treatment outcomes, patients with refractory schizophrenia & suicide attempts, 6 & 12 mo followups, 12720
Ropes Course in city-funded summer jobs program, future hope & expectations about success in meeting goals, 14–18 yr old at-risk youth, 15320
use & documentation of hope as component of therapeutic intervention, occupational therapists, 33108
Hopelessness—Serials
attributional style & positive vs negative daily life events as predictors of hopelessness depression subtype, nondepressed individuals, 35512
Beck Hopelessness Scale scores, suicidal behavior & other clinical factors, hospitalized adult suicide attempters, 34021
cognitive rigidity, relationship of depression & hopelessness & locus of control & psychoticism & extraversion & suicidal ideation, 30–35 yr old females, India, 1362
conservative orientation & hopelessness & self esteem, college students, Hong Kong, 26145
construct validity & internal consistency of Japanese translated Beck Hopelessness Scale, 18–91 yr old community residents, Japan, 10428
depression vs hopelessness vs self-esteem vs anger proneness or aggression, suicidality, 5–12 yr old inpatients, 16033
depressive symptoms & anxiety & hopelessness & suicidal intent, Aboriginal vs Caucasian 12.4–17.8 yr olds, 42444
description & comparison of hopelessness vs dependent/sociotropic vs self-critical/autonomous subtypes of depression, 35510
enhancement of attributional style & positive life events, mediation of increased hopelessness, 20–63 yr olds with depression, 30860
factor structure of Beck Hopelessness Scale, 13–77 yr old outpatients, Canada, 77
family disturbance & hopelessness & psychopathology, parasuicidal Indian 14–21 yr olds, South Africa, 39166
hopelessness, all cause & cause specific mortality & incidence of myocardial infarction & cancer, male 42–60 yr olds, Finland, 4517
hopelessness as mediating vs moderating attributional style & vulnerability in event-specific hopelessness theory of depression, unemployed 17–57 yr olds, Australia, 22775
hopelessness, risk of mortality related to myocardial infarction & cancer, middle aged males, Finland, commentary, 4531
internal consistency & factor structure of Hopelessness Scale for Children, 12–18 yr old psychiatric inpatients, 101
latent structure of relation between hopelessness & symptoms of hopelessness subtype of depression, depressed 13–18 yr old inpatients, 35576
perfectionism & hopelessness & suicide ideation, adolescent psychiatric inpatients, 26394
psychiatric diagnosis & personality & family & social support, hopelessness, 14–16 yr olds, application of neural network model & role of assertiveness training & group activities, 7799
psychiatric disturbance & hopelessness, physically ill hospitalized 15–20 yr olds, 6 mo followup, 19513
P300 & P200 amplitudes & contingent negative variation of ERPs & hopelessness, depressed inpatients with vs without history of suicide attempts, Belgium, 1246
relationship of hopelessness to physical functioning & age & economic situation & survival, 23-78 yr old hospitalized cancer patients, 8541
reliability & validity of Hopelessness Depression Symptom Questionnaire, adults, test appended, 34020
sex & grade level & academic failure & causal attributions, learned hopelessness, 11–15 yr old academically vs nonacademically low achieving students, Hong Kong, 24604
Hormone Therapy—Serials
benefits & risks to consider with hormone replacement therapy, female patients, 20091
desmopressin induced ADHD & pseudohallucinations, male 5 yr old & female 7.9 yr old with primary nocturnal enuresis, case reports, letter, 9292
determinants of intentions to continue hormone replacement therapy, 45–65 yr old females with climacteric complaints & postmenopausal problems, Netherlands & Belgium, 9291
development & validity & reliability of scales for assessment of attitudes toward menopause & estrogen replacement therapy, college vs mid-aged females, 28422
effects of estrogen in CNS & role of estrogen in cerebral blood flow & mental function & Alzheimer's disease & treatment of dementia, literature review, 24012
estrogen & estrogen replacement therapy, depression & well being & cognition, post-menopausal females, literature review 1933–96, 36455
estrogen, dementia of Alzheimer's type, human females, literature review, 1981–96, 36419
estrogen replacement & estrogen related prevention of silent ischemic brain damage, cognitive performance, 45–75 yr old postmenopausal females, Austria, 27449
estrogen replacement therapy, clinical & cognitive responses to tacrine, 50+ yr old females with Alzheimers disease, 24055
estrogen replacement therapy, memory, 32–65 yr old menopausal women, literature review, 1952–96, 36509
estrogen replacement therapy, neuropsychological performance & cognitive skills, female vs male patients with Alzheimer's disease, 16752
estrogen replacement therapy, risk for dementia of the Alzheimer's type, post-menopausal females, literature review, 1978–96, conference presentation, 36458
estrogen replacement therapy, risk of developing Alzheimer's disease, 28–94 yr old females, 16 yr longitudinal study, 39911
fluoxetine with vs without estrogen replacement therapy, females aged 60 yrs old & older with major depression, 32531
growth hormone treatment, divided vs focused vs sustained attention, 7–13 yr olds with short stature following intrauterine growth retardation, Netherlands, 2 yr followup, 24060
high dose estrogen immediately following delivery, relapse prevention, pregnant females with histories of puerperal psychosis vs major depression & no nonpuerperal affective disorder, 1856
hormone replacement therapy & cholesterol & progesterone levels & use of acetaminophen, clock drawing performance, elderly females, 24047

hormone replacement therapy & exercise, mood & symptom reporting, premenopausal vs perimenopausal vs postmenopausal females, Australia, 29462
hormone replacement therapy, depressed mood, menopausal females, meta-analysis, 36536
medroxyprogesterone acetate, pretreatment vs posttreatment testosterone & self reported sexual activities & relapse, paraphilic male 24–77 yr olds, 1833
menopause & hormone replacement therapy & satisfaction with communication with health care providers concerning options, women, literature review, 9258
onset of mania following hormone replacement therapy, 85 yr old female with osteoporosis & mild seasonal depressive symptoms, 32595
patient preferences & scientific uncertainty & physicians' recommendations, prescribing patterns of postmenopausal hormone replacement therapy & collaborative decision making in primary care, 13163
perceptions & practices related to menopause & hormone replacement therapy, African American females participating in health education focus groups, 1937
reversible hormone treatment, suppression or halting of own hormonal pubertal development, juvenile transsexuals, 9072
role of estrogen in prevention & treatment of dementia, commentary, 24038
testosterone replacement therapy, depression & sexual desire & function, HIV positive male 28–62 yr olds with significant immune suppression & hypogonadism, 13168
testosterone replacement therapy, mood & arousal & enjoyment to auditory sexual stimuli, hypogonadal vs eugonadal adult males, 36609
use of nonsteroidal anti-inflammatory drugs & estrogen replacement therapy, risk for Alzheimer's disease through effects on brain inflammation & neurotransmitter deficits, adults, 19653

Hormones [See Also Adrenal Cortex Hormones, Adrenal Medulla Hormones, Cholecystokinin, Corticotropin Releasing Factor, Epinephrine, Glucagon, Gonadotropic Hormones, Insulin, Melatonin, Pituitary Hormones, Progestational Hormones, Sex Hormones, Thyroid Hormones]—Serials

acute plasma tryptophan depletion, panicogenic & cardiovascular & hormonal effects of cholecystokinin-tetrapeptide challenge, 18–35 yr old healthy males, 25587
association of menstruation & hormonal fluctuations with sleep & mood, females, 3136
biochemistry of memory processes & hormone & neuromodulator regulation, literature review, 29306
calcitonin gene related peptide antagonist, modulation of tolerance to spinally infused morphine, rats, implications for pain treatment & antinociceptive effects of morphine, 18318
changes in carbohydrate & glucose metabolism & role of regulatory hormones in anorexia nervosa, research review, 4437
chronic fluvoxamine treatment, hormonal & psychological responses to buspirone, 22–41 yr old males, 15000
circadian rhythms of enumerative & functional immunologic measures vs those of hypothalamic-pituitary-adrenal axis hormones & sympathetic neurotransmitters, healthy 21–57 yr olds, 38038
clomipramine, syndrome of inappropriate antidiuretic hormone, 80 yr old female with depression, case report, 39841
dehydroepiandrosterone & age-related diseases, literature review, 29506
endocrinological & immunological correlates of martial conflict & satisfaction, couples (mean age 67 yrs) married for an average of 42 yrs, 41417
heterogeneity vs correlation of serotonergic hormonal & behavioral responses to metachlorophenylpiperazine, patients with treatment refractory schizophrenia, 35610
hormonal & psychological responses to meta-chlorophenylpiperazine challenge, cocaine addicted males with vs without aggressive tendencies, 35799
hormones & maternal attachment behavior, 18–42 yr old 1st-time mothers during pregnancy vs 3 mo postpartum, Canada, 34612
hormones & menstrual phases, reactions to aversive events, 20–40 yr old healthy females with regular menstrual cycles, 29465
hormones & sexuality & mood, 24–40 yr old females with vs without premenstrual complaints, 42713
incidence of & risk factors for visual hallucinations induced by erythropoietin treatment for anemia, dialysis patients, 32720
internal validity & reliability & utility of a sexuality questionnaire & age, menopausal status & hormone levels on sexual functioning, 38–48 yr old women, Australia, 40802
low vs high dosages of d,l-fenfluramine vs d-fenfluramine, neuroendocrine responses, healthy male volunteers, 11118
metyrapone stimulation test & enhanced negative feedback inhibition, ACTH release from pituitary gland, 42–48 yr old combat Vietnam veteran outpatients with PTSD, 8056
natural variations in work demands, hormonal & affective responses, 23-yr old male junior doctors, UK, 13619
oral paroxetine, hormone & cortisol & platelet calcium response & impulsivity, healthy male adults, 3268
pharmacological effects on hormones & neurotransmitters, learning & memory storage, inbred strains of mice, implications for study of neural & hormonal factors in emotion & cognition, 579
physiological & therapeutic effects of high frequency electrical pulse treatment, adults, 19998
polyamine metabolism, expression of juvenile hormone dependent oviposition behavior, female crickets, implications for neural pathways for behavioral maturation, 10932
postures & bimanual coordination & paw preferences & other paw & digit use patterns during food handling, female rats, 502
rapidly rotating shift schedules & bright light exposure, performance & hormonal excretion & oral temperature & activity-sleep logs during shift work cycle, nurses, 13612
role of life stress & gender & marital status & other psychological factors in health & disease, relationships among work stress & worry & personal discretion & hormones, 19503
role overload, daily excretion of urinary catecholamines & cortisol, 21–61 yr old females with children & live-in partners or husbands, 41422
serum leptin & ob gene mRNA secreted by adipocytes with vs without weight loss & maintenance of lower weight, percentage of body fat, obese adults, implications for food intake regulation, 4438
serum leptin & ob mRNA in adipocytes, mechanisms of neuropeptide Y in regulation of link between food intake control in brain & leptin, obese adults, commentary, 4470
social & maternal rank & affiliation, hormonal & behavioral & genital development during mating season, adolescent male rhesus monkeys, 34610
social rank & exposure to odors of unfamiliar males vs females, immunocompetence & resistance to infection & modulation of immunodepressive hormones, male mice, 3170
social status & social vs physical environments & serum corticosterone & testosterone, aggressive responses & resistance to parasitic infection & immunocompetence, male mice, 541
steroid hormones, higher brain function & behavior, mammals, 18322
stressful flight tests, changes in trace metal & hormone levels & flight performance, 21–53 yr old male flying applicants vs flight instructors, Japan, 14988
time course of late night partial sleep deprivation, hormone serum levels & onset of clinical improvement, patients with major depression, 9183
transcendental meditation, cortisol & growth hormone & TSH & testosterone responses to stress, healthy 18–32 yr old males, 4 mo followup, 38060
TRH analog TA-0910, alcohol intake, male African green monkeys, 29602
viewing of violent vs neutral movie, cardiovascular & hormone & mood changes, 25 yr old females, 11070

Hospice—Serials
AIDS & psychosocial needs, delivery of hospice social services, social service directors, implications for collaboration with community agencies & need for staff training, 20254
barriers to & concerns about reporting pain & using analgesics for terminally ill cancer patients receiving hospice care, 21–78 yr old primary caregivers, 20246
need for & services provided in children's hospice program, children with life threatening progressive illness & their families, Canada, 13351
perceived advantages & disadvantages & satisfaction with 12 hr nursing shift system in independent hospice, nurses, 32955
role of spirituality in British vs US hospice system of care, literature review, 20256
social support & coping strategies, self reported depression & anxiety & anger & physical symptoms, 39–80 yr old spouses of terminally ill patients admitted to hospice, 20260
staff stress in hospice & palliative care, literature review, 32965
Hospital Addiction Syndrome [See Munchausen Syndrome]
Hospital Administration—Serials
administrative aspects of & clinical outcomes from acute day hospitalization vs inpatient treatment, acutely ill psychiatric patients, Canada, 27752
group & organizational factors in team innovation, hospital management teams, UK, 13946
hospital labor quality & nonlabor resources & managerial practices & employee attitudes, perceptions of hospital services & physical care & pain management & education, hospitalized patients, 43350
organizational type & hierarchical level, perceptions of hospital issues, nurses, 24475
total quality management principles, aggressive & violent incidents during meals, male inmates in maximum security forensic psychiatric hospital, 2103
Hospital Admission [See Also Psychiatric Hospital Admission]—Serials
alcohol consumption, mortality & hospital admission, 18–67 yr old twins, longitudinal study, Sweden, 35795
assessment of MMPI profiles at hospital admission vs discharge vs 10 yr followup, female inpatients with anorexia nervosa (mean age 19.29 yrs), 34005
client characteristics at admission, prediction of placement vs death vs readmission, medical patients, 2039
demographic & clinical correlates, use of hospital emergency room, 60 yr old & older psychiatric patients, Canada, 20287
demographic & medical & pathophysiologic factors in delay of hospital admission, stroke patients, implications for medical treatment, 20084
demographic & psychiatric mental state & suicide attempt psychiatric characteristics & diagnostic factors, suicide attempters requiring vs not requiring medical hospitalization, 31192
efficacy of AUDIT vs CAGE vs brief MAST, identification of hazardous or harmful alcohol use in general hospital admissions, 17–91 yr old medical inpatients, Scotland, 23074
health status & psychosocial factors, hospital readmission, patients aged 55 yrs old & older with cardiovascular disease, 27748
lagged relationship between per capita alcohol consumption & US community hospital admission rates, 20277
outpatient civil commitment, community tenure & functioning, severely mentally ill patients (mean age 41.4 yrs), 27671
seasonal variation, hospital admission rates, patients with bipolar disorder vs schizophrenia, 1969–1991, Finland, commentary, 38939
seasonal variation, hospital admission rates, patients with bipolar disorder vs schizophrenia, 1969–1991, Finland, 30791
seasonal variations in hospital admissions, hospitalized patients with single episode or recurrent manic disorder, Australia, 4099
symptomatology & side-effects & violent acts &/or suicidal behavior, 19–69 yr old involuntarily vs voluntarily committed neuroleptic treated schizophrenics, 42334
transfer to general hospital because of adverse drug reactions, psychiatric inpatients, 24278
Hospital Attendants [See Attendants (Institutions)]
Hospital Discharge [See Also Psychiatric Hospital Discharge]—Serials
assessment of MMPI profiles at hospital admission vs discharge vs 10 yr followup, female inpatients with anorexia nervosa (mean age 19.29 yrs), 34005
criteria for discharge & long-term treatment outcomes, 14–52 yr old females with anorexia or bulimia or both who were discharged from an inpatient eating disorder unit, 5 yr study, 31494
discharge information intervention, physical functioning & mood following coronary artery bypass surgery, surgery patients, 1 mo followup, 20275
discharge planning for institutional vs noninstitutional posthospital care options, Black vs White elderly patients & their families & social workers, 9430
health consumer satisfaction with discharge plans & information of psychosocial & health & posthospital services, patients vs their significant others acting as proxies, 20286
hospital discharge against medical advice, African American patients, 13402
implementation of hospital discharge aftercare plans, elderly with congestive heart failure, 2045
long stay hospital discharge to community, social skills & behavioral problems & quality of life & satisfaction with new homes & social networks, learning disabled, 12 & 24 mo followups, 9408
mental health tribunal reviews & patient outcomes, discharged hospital patients vs those refused discharge, followup, 36680
patient characteristics & other factors associated with length of stay in acute care setting, outcome, 60–96 yr old patients, 13408
